A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

"It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys' hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled." "When I turned to the boy for an explanation, he said, 'Sir, I have an attack of jaundice & I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys' hostel, she hands over the tiffin box through the window.' I was stunned. After all, it wasn't the type of 'affair' I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. "Symbiosis is a term in life science, meaning 'living together of two different organisms, for the benefit of each other'. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 80 different countries. These students are offered the best learning resources, industry exposure, a strong international students' alumni network, a global recognition, and above all, a truly enriching Indian experience.
Chancellor’s Message

I am delighted to welcome you to the Symbiosis International (Deemed University). The University, founded on the guiding ideal of international understanding and excellence in education, is a proud member of the larger Symbiosis family.

I have no doubt that as you become more familiar with the University, you will find yourself presented with an abundance of possibilities in academics and more. The University is firm in its belief that academics is but one segment of education. You will discover the most progressive choices in teaching-learning, extra-curricular activities, wellness-recreation facilities, and all round infrastructural support. We take tremendous pride in our talented teaching staff, many members of which are academics of international standing. I am confident that as you begin to settle down, you will find your experience at Symbiosis to be rewarding and to be equal to the expectations you might have of an international institution.

Our end goal is to meet and exceed your higher education goals, of course, but also to prepare you to be leaders as you join the workforce, and, most importantly, to be responsible members of global citizenry. As you embark on your journey of higher education at Symbiosis, you will find yourself in the company of students from over eighty-five countries and from all over India.

I do hope that your association with Symbiosis will provide you with endless opportunities to harness your capabilities and put them to good use.

May God bless you!

Prof. Dr. S. B. Mujumdar
Chancellor
Pro Chancellor’s Message

It is my delight to welcome you to the new academic year at the Symbiosis International (Deemed University). We, at Symbiosis, are confident that you will find all that you are looking for in an institution. You will discover a world of opportunities, both academic and otherwise, at Symbiosis. I have not the least doubt that, as a student, you will be amazed with our offerings within the classroom and also outside: library, sports grounds, recreational facilities, and an endless variety of extra-curricular activities. You will benefit from all this at your institute and beyond: At Symbiosis, we are a big family indeed, and we encourage cross-exchange of ideas.

Of particular significance are our achievements related to internationalization. The University's commitment to internationalization is an institutional mission. The institution owes its origin to the guiding ideal of Vasudhaiv Kutumbakam—the world is one family. Internationalization is an organizational focus across the length and breadth of our pursuits.

Part of this obligation is our pledge to prepare graduates to succeed as members of the global workforce. We believe that higher education must contribute to the human resource base by arming students with career-preparedness capabilities. At Symbiosis, we offer every leading-edge possibility to strengthen the academe-industry interface, which we consider to be the cornerstone of job-readiness skills. The successful track record of our alumni speaks to our efforts towards aligning classroom knowledge with industry-oriented skills training.

Above all of this we hold our responsibility to foster the values of global citizenship, social responsibility, and volunteerism. As members of the Symbiosis family, you will learn to see yourself as responsible contributors to the civic life on the global platform.

I welcome you to the University, and wish you every success in your endeavors!

Dr. Vidya Yeravdekar

Pro Chancellor, Symbiosis International (Deemed University)
Executive Director, Centre for International Education
Vice Chancellor's Message

Dear Students,

Symbiosis International (Deemed University) is one of the most sought-after destinations for Indian and International students, which has gained reputation for commitment to high quality learning and teaching. The beautiful sprawling 300 acres campus at Lavale, several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

UGC has awarded Category I status to the University, and the National Institutional Ranking Framework (NIRF) 2018 has ranked the University 44 amongst more than 800 Universities in the country. Symbiosis International (Deemed University) has also been ranked 144 in BRICS Ranking and 247 amongst universities in Asia, by QS World University ranking 2017. At Symbiosis, enquiry, investigation and innovation are encouraged and nurtured. SIU offers high quality academic programmes in contemporary disciplines of Law, Management, Computer Studies, Health and Biological Sciences, Media, Communication and Design, Humanities and Social Sciences, and Engineering. The academic programmes aim at imparting interdisciplinary knowledge with a broader vision, compassion, value systems and critical awareness of national and global issues. With collaborative networks of several Universities from different parts of the world, SIU provides very conducive, interactive, inspiring environment to create true global citizens who are ready to contribute to their respective countries and humankind.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and to meet the challenges of the new exciting world!

Welcome to the Symbiosis family!

Dr. Rajani Gupte
Vice Chancellor

Global Representation at Symbiosis
INTERNATIONALISATION IS IN THE DNA OF SYMBIOSIS
We have students from more than 85 countries
Prof Dr. S. B. Mujumdar established Symbiosis in 1971 on the principles of the Vedic thought of “Vasudhaiva Kuttumbakam”, i.e. the world is one family. With changes sweeping across India's higher education scenario, Symbiosis International (Deemed University) established need based Constituent Institutes / Departments across the eight faculties of Law, Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering, Architecture and Design.

Due to the excellence and quality of education imparted by Symbiosis institutes, the Ministry of Human Resource Development, Govt. of India conferred the 'Deemed to be University' status on Symbiosis in 2002.

Today, the University is ranked amongst the topmost Universities in India. The University has been awarded Category I by University Grants Commission (UGC) and National Institutional Ranking Framework (NIRF) 2018 has ranked Symbiosis International University 44th amongst the top 100 Universities in the country. Symbiosis International (Deemed University) is also ranked 144 in BRICS Ranking and 247 amongst the top 250 universities in Asia by QS World University ranking agencies.

The University has 42 Institutes / Departments distributed in campuses at Pune, Nasik, Bengaluru, NOIDA, Hyderabad and Nagpur. The establishment of every institute of Symbiosis has some history. Some institutes were established for a certain cause and some out of the needs of the industry and society at large. Every institute has created its own identity and has become a choice for students wanting to pursue higher education. Symbiosis has a rich heritage of cutting-edge innovation and enterprise, and of quality through pursuit of Educational excellence. The University offers various programmes at Doctoral, Postgraduate, Under graduate and Diploma levels under the faculties of Law, Management, Computer Studies, Health and Biomedical Sciences, Media, Communication and Design, Humanities and Social Sciences and Engineering. Access to several learning resources via the library, availability of housing facilities on several campuses, scholarship programmes to promote academic excellence, a health centre to promote Preventive and Curative care and events organised by the University Sports Board have facilitated well rounded overall development of students.

Cutting edge technologies, smart classrooms and modern infrastructure positively impact the delivery of world class education. Diversity in the classroom and faculty rooms, service learning projects, internships and value added activities lead to a more holistic development of students.

The University has academic collaborations with reputed foreign universities like Nanyang Technological University in Singapore, University of Houston in USA, Berlin School of Economics and Law in Germany and others. The Symbiosis Centre for International Education (SCIE) promotes internationalization and invites international students to the University for a Semester Abroad Programme. The University is actively involved with student and faculty exchange programmes and has also introduced the Scholar-in-Residence Programme. SCIE conducts intensive 'Study India' programme for the benefit of international students from over 85 countries that study here. A variety of activities are organised where international students of Pune city are able to meet on a common platform and display their many talents.

Health and wellness are vital issues relevant to the academic success of students at Symbiosis. Symbiosis Centre of Health Care (SCHC), the in houses health care centre for the entire Symbiosis family makes conscientious efforts for the overall development of its staff & students by providing preventive, curative and health promotion programs to enhance optimal health, reduce risk of disease and injury and promote healthy lifestyle choices.

In addition to this, Symbiosis Centre for Research and Innovation (SCRI) at the University is promoting high quality research and encouraging the faculty to undertake more research activities.

In tune with Institutional Social Responsibility (ISR), students of various Institutes of Symbiosis International University have been providing education and some related resources like school fees, uniforms and books to the underprivileged children around their campuses.
The University offers academic programmes in seven faculties at both undergraduate and postgraduate levels. The programmes are conducted in 42 Institutes/Departments across campuses at Pune, Nasik, Bengaluru, NOIDA, Hyderabad, and Nagpur.

The doctoral programme is offered in all the faculties.

The medium of instruction for all programmes is English.

The undergraduate and postgraduate programmes conducted by University are given in the table:

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI):

Symbiosis Centre for Research and Innovation (SCRI) was established in 2009 with an objective of achieving high standards of research at SIU that result into quality contribution to the knowledgebase of the disciplines of Law, Management, Computer Studies, Health and Biomedical Sciences, Media, Communication and Design, Humanities and Social Sciences and Engineering.

SCRI acknowledges that the role of a University is to stay connected with the community by the way of understanding its major issues and problems and to suggest means to resolve them. Universities are expected to make meaningful contributions to the dialogue around the development of policies that impact the society. SCRI is a facilitator to the research journey of the academic fraternity of SIU. The department provides intellectual, academic and administrative support to the research endeavours of the members of the Faculties and students of SIU.

SCRI offers SIU’s Ph.D. Programme, Doctoral Fellowships, Research Funding and support for Collaboration and Publication to the researchers at SIU. The department is a nodal unit for enabling the research activities of SIU fraternity. Continuous improvement in quality of research at SIU is facilitated by the University’s research collaboration with the organizations such as Indian Council for Medical Research (ICMR), Larsen and Toubro Ltd., Society for Development Studies, Lupin Research Park, Chest Research Foundation, Serum Institute of India Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported the scholarship of the Faculty members of SIU in terms of attracting prestigious research grants from the Government (such as DST-SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, HUVE pharma, IBM, TCS) in addition to the internal funds provided for research to the Faculty and students by SIU. Every year, SCRI holds “SIU Anveshan Student Research Convention”, for showcasing students’ research projects from which the selected teams are sent to regional and further to national level convention organized by the Association of Indian Universities. SIU is empanelled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU’s 500+ Ph.D. Scholars in different disciplines is facilitated by SCRI.

With commitment, focus and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good quality research.

Main focus of SCRI:

- To develop institutional research agenda and to formulate policies to reflect a conscious effort for creating a congenial and scholarly climate that nurtures the quality research culture in the University.
- To establish the minimum standards for research activities at SIU that leads to good quality contribution to the existing knowledge.
- To build research capacity and mentor the researchers to translate their effort into high quality research outcome.
- To set up a systematic procedure for administration of research programmes.
- To facilitate the research endeavours of the researchers at SIU.

SYMBIOSIS CENTRE FOR NANOSCIENCE AND NANOTECHNOLOGY (SCNN):

Symbiosis Centre for Nanoscience and Nanotechnology has been recently established keeping in mind that Nanoscience and Nanotechnology will fundamentally transform science, technology, and society in the future. The Centre envisions promoting basic and applied research in the fields of Nanoscience and Nanotechnology, with potential applications towards fulfilling national strategic needs.

The main research focus of the Centre includes Synthesis of advanced functional nano-materials, Fabrication of nano-micro devices, & Multidisciplinary applications in field of Energy, Environment and Biomedical. The objectives of the Centre include opportunities for international exchange of scientists and students, and make collaborative arrangements; to conduct seminars / workshops / conferences/extension lectures to promote Nanoscience & Nanotechnology; establish joint collaborative programs with the up-coming industries in the field of Nanotechnology and promote interdisciplinary/ multidisciplinary scientific research.
SYMBIOSIS CENTRE FOR STEM CELL RESEARCH (SCSCR):
The centre is unique, as it is the only research centre in Pune that will perform research exclusively on stem cells. Research in Experimental Hematology at a cellular and molecular level will be carried out with respect to aging of stem cells, microenvironment – mediated regulation of hematopoietic stem cells, leukemia/lymphoma biology, development of 3D cultures, mesenchymal stem cell biology with special focus on exosomes and micro-vesicles and signal transduction. Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India has identified Stem Cell Research as one of the most exciting fields of life science in view of its potential clinical applications. With this understanding Symbiosis Centre for Stem Cell Research will serve in strengthening research in one of the targeted areas as identified by DBT’s Medical Biotechnology programme.

SYMBIOSIS CENTRE FOR BEHAVIOURAL STUDIES (SCBS):
Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioural Studies has been established with aim to conduct experimental research in order to publish quality research papers in reputed journals. Its allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

SYMBIOSIS CENTRE FOR WASTE RESOURCE MANAGEMENT (SCWRM):
Symbiosis International (Deemed University), Pune has established a centre called “Symbiosis Centre for Waste Resource Management (SCWRM)” with an objective to develop Centre of Excellence in Waste Management Practices to achieve Swachh Bharat mission by implementing the measures. The centre is currently conducting (i) awareness and training programmes for environmental sustainability and (ii) research in broad areas viz. (a) Biogas & Biocomposting; (b) Solid waste management and (c) waste water management. The centre also works towards developing academic curriculum for undergraduate and post graduate levels. The centre is committed to advancement of knowledge in the field of sustainable waste management for the benefit of the society and environment at large. The Centre also has the capacity to develop insights in diverse sectors of industry, economy and society which will deal with the waste generation and its management. Furthermore, SCWRM will be committed to interdisciplinary approach to build awareness and seek to identify, analyze and implement key issues and challenges to waste management and sustainability involving all levels of stakeholder’s viz. Government, statutory bodies, policy makers, corporates, academia, research institutes, civil society and many others. Currently, the SCWRM has coordinated projects with Pune Municipal Corporation (PMC) on diverse aspects of municipal waste management viz. Environmental Impact Assessment (EIA) and efficiency of biogas plants in PMC region; training and awareness; etc. The centre has successfully implemented a DRDE funded project on “mobile toilets” during Kumbhamela in 2016 at Nashik. The centre has also initiated international collaborations with University College London to work on Health, education, environment and engineering (HEEE) in urban and rural areas in and around Pune.

SYMBIOSIS CENTRE FOR MEDICAL IMAGE ANALYSIS (SCMIA)
In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying these to a plethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, these methods can facilitate finding specific markers that relate to pathologies as well as aid in treatment planning. Building on this background, the objectives of this center are as follows: (1) development of novel computer-based image analysis methods and their application to a wide variety of clinical research studies (2) Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

Symbiosis Centre for Emotional Wellbeing comprises of a team of qualified mental health professionals. Every campus has a psychological counsellor that a student can reach out to if in need of any psychological or emotional help or support.
Symbiosis International (Deemed University) is one of the country’s Premier University and an educational hub of 42 institutions spread over different campus, imparting quality higher education in different areas like Management, Information Technology, Bio-Medical science, Engineering, Liberal Art, Health science and legal education.

All these institutions are having their own library, serving and catering to the need of students, faculty members, as a creative and innovative partner for supporting teaching, learning, scholarship and research activities of the University.

With the changing scenario e- resources are emerging rapidly and these libraries are well equipped with the state of art facilities to adapt these new technologies. Along with this the collection in the form of books, journals / periodicals is increased and all the libraries are trying to fulfill the information need through these resources, to the entire Symbiosis community.

KOH2A integrated library software – installed in all the constituents’ libraries.

OPAC (Online Public Access Catalogue) consists of all the books (http://symbiosis-koha.informindia.co.in) and the same are accessible along with other reading material from any location.

SIU Central Library is housed in a newly constructed independent spacious state of art building with high quality amenities and facilities located at Lavale campus. The ambience of the building is beautiful with beautiful landscape around the building.

The pleasant environment and well-furnished area inspire the student to learn, conduct research and enhance their knowledge.

Central library has adapted the emerging new technologies for information retrieval.

SIU Central library subscribe number of online databases for faculty members, students and researchers. Some of them are EBSCO, Emerald, Scopus, JSTOR, Frost and Sullivan kluwer etc.

The Central Library is a member of the INFLIBNET Centre and has a active part in submitting the research thesis to shodhganga and also member of DELNET.

Symbiosis International (Deemed University) Library total book collection above 310000.

Central Library’s excellent Book collection 42036 and P.HD Thesis 104.

Print journals in Central Library 40 national and 17 International 56 Magazines

E-journals in Library more than 43411

Symbiosis International University Library total CD/ DVD 12993.

Symbiosis International University Library have above 140000 e books.

The Library portal is to provide access to its e-resource for all. (http://www.library.siu.edu.in/index.php

The university has started several unique initiatives run by different departments and support departments under the aegis of Symbiosis International University. The Symbiosis Teaching Learning Resource Centre (STLRC) for the purpose of addressing the teaching and learning requirements of its faculty, Symbiosis Centre for Research and Innovation (SCRI) for promoting research, Symbiosis Centre for Corporate Education (SCCE) for conduct of Corporate Education Programmes (CEPs) and Management Development Programmes (MDPs) exclusively for corporate organisations, Symbiosis Centre for Entrepreneurship and Innovation (SCEI) for promoting entrepreneurship and innovation, the Symbiosis Centre for Waste Resource Management (SCWRM) for promoting sustainability efforts and Symbiosis Community Outreach Programme and Extension (SCOPE) for driving community initiatives.
Symbiosis Centre for International Education (SCIE)

The Symbiosis Centre for International Education (SCIE) is an integral part of the University, providing leadership and support to internationalize the campus and the curricula. International students from over 85 countries pursue their undergraduate and postgraduate studies at Symbiosis. Students and faculty are provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops and other resources.

Internationalization at Symbiosis works on multiple tracks, for which the Symbiosis Centre for International Education has three departments:

- International Student Admissions & Student Events
- International Initiatives and Collaborations
- International Promotions and International Student Relations

International Student Admissions & Student Events

International Students’ Admissions: Admissions of international students are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through the SCIE. The procedure for applying for admissions at SCIE is designed taking into consideration the requirements and difficulties faced by international students. The online admission procedure has made it accessible to each and every student to apply from different parts of the world and in the comfort of their homes. The student needs to come to India only when the applicant is shortlisted for a particular program chosen by the student. Software has been tailor-made to suit the admission procedure. The admission procedure is simplified in easy steps starting from the basic eligibility, checking of important documents to be submitted until the final payment, and confirming the admission. Through the system of online admissions, students are also able to make all their payments online and check the admission status online.

International Student Events: Apart from all admission related activities, SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students’ international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation, Iftar Party, Christmas Party, Diwali Party, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students’ Convocation Ceremony. The convocation ceremony is an important landmark in a student’s life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of this wonderful memory. SCIE aims to fulfil a students’ dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students’ Council. The International Students’ Council is an elected body for the smooth functioning of the activities and events of international students.

International Initiatives and Collaborations

At Symbiosis International (Deemed University), our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production, the diversify of faculty and staff assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objections the university has international collaborations across the globe and framed policies for encouraging student and faculty mobility and designed programs for increasing and ensuring sustainability.

Student Programme:

Study India Programme: SCIE offers two to four weeks customized program imparting international students an unparalleled opportunity to experience a combination of academic content and cultural activities. This program is designed to give the students understanding of the socio-economic, cultural, political, technological aspects of India. The program also includes visits to NGO’s, Cultural heritage sites.

Global Immersion Programme: Under this initiative students from Symbiosis get an opportunity to experience semester abroad, Semester Exchange program, attend Summer School, undertake short term internships. The university accepts the credits earned by students who undertake these programmes.

Symbiosis encourages the collaborating universities to send their students for a semester at any of its institutes and transfers the credits earned by these students. The students have the flexibility to choose courses across disciplines.
Faculty Programs:

Scholar-In-Residence: This program was developed to share best academic practices, developing in house global competencies and international links. Through this program international faculty is encouraged to visit Symbiosis on short/long term engagement. The main activities envisaged are to conduct guest lecturers / workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programs / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

Distinguished Visiting Professor: This is an initiative taken to attract distinguished academicians/ personalities to Symbiosis International (Deemed University) for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

Faculty Exchange: SIU is actively involved in sending Faculty to foreign Universities on short term. This encourages the faculty to get an opportunity to teach at international partners. The faculty gets an opportunity to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

Lecture Series: SCIE organizes lectures by eminent faculties of International repute at different institutes of Symbiosis.

International Promotions and International Student Relations:

International Promotions: This department has the dual goal of ensuring student comfort while at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. SCIE has undertaken the exercise of planning promotional campaigns in Africa and Asia. This includes participating in Educational Exhibitions / fairs and also visiting schools and educational counsellors.

International Student Relations: Understanding the importance of ensuring a fulfilling experience, both academic and social, this department will focus totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities at the Foreigners’ Registration Office (FRO). We have “buddy” system, which refers to the practice of assigning a mentor to each international student. The “buddy” will be a domestic Indian student, who is familiar with the city of Pune. The “buddy” will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department will conduct periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving an opportunity to solve these by initiating changes either in policy or regular activities.

Foreigners’ Registration

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his /her stay in India.

The foreigner should always carry identification documents, namely:
1. Passport with an endorsed visa
2. Certificate of Residence issued by the concerned Police Station
3. Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.
Foreigners entering India on a long term visa i.e. for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation. Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension. The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
- Afghan Nationals must report within 7 days of their arrival
- Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

**SUPPORT DEPARTMENTS**

**SYMBIOSIS CENTRE FOR HEALTH SKILLS (SCHS):**

The border line is often blurred between the work of health professionals and service providers and the work of partners who are outside the health sector. Therefore, specialist health care and community services training helps to meet industry skills gaps and improve the lives of people in healthcare to make a difference.

Symbiosis Centre for Health Skills was established with the following objectives:

- To provide high-tech simulated and virtually created hospital set-up for teaching and training & assessment for all health care professionals in clinical and related management skills (including communication skills).
- To ensure delivery of high quality healthcare services to the community by providing highly competent and safe practitioners trained and tested by simulation techniques.
- To offer academic programmes on Health Skill already launched Academics programmes are launched in Health Skills.

**SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION (SCIE):**

The University is one of the few universities in India to have a dedicated office, the Symbiosis Centre for International Education (SCIE), to take care of and foster internationalisation. It has been created to cater to the needs of international students and international collaborations. SCIE promotes linkages with international universities for joint research, student and faculty exchange, scholars in residence programmes, etc. Cultural programmes and a special graduation ceremony are also organised for foreign students.

**SYMBIOSIS CENTRE FOR ENTREPRENEURSHIP AND INNOVATION (SCEI):**

Government has declared 2010-20 as ‘India’s Decade of Innovation’ and the industry is increasingly expecting its employees to have an entrepreneurial mindset. In addition, there is also an increase in the number of management graduates eventually taking the entrepreneurial plunge. It is becoming increasingly clear that managers who can conceive and execute innovative projects that add to the organisations’ top and bottom lines will only be put in the leadership pipeline.

The Symbiosis Centre for Entrepreneurship and Innovation was formally inaugurated in the month of July 2014 in the presence of our Chancellor Dr. S. B. Mujumdar and Dr. R. A. Mashelkar who is the Mentor of this Centre. The overreaching goal of this Centre is to create innovation led entrepreneurs and contribute in strengthening entrepreneurial ecosystem within India. The main activities of this Centre include:

- Incubating startups at SIU in partnership with other organisations
- Conducting research in the area of innovation and entrepreneurship from both Indian and global context
- Providing training and education to the students at SIU and corporate employees in the areas of innovation and entrepreneurship
- Provide policy recommendation at the national and state level.

The Centre has been successful in designing, developing and delivering India’s first 2 year full-time MBA course on Innovation Entrepreneurship at Symbiosis Institute of Business Management (SIBM). Now Centre is embarking on starting an incubation lab for the students of SIU and other institutions.
SYMBIOSIS COMMUNITY OUTREACH PROGRAMME AND EXTENSION (SCOPE) ACTIVITIES

Universities and policy makers are increasingly recognizing the enormous potential of higher education to impact positively on the health and well-being of students, staff and the wider community through education, research, knowledge exchange and institutional practice. Keeping this in mind Symbiosis International University (SIU), as a part of Institutional Social Responsibility launched Symbiosis Community Outreach Program and Extension (SCOPE) activities in July 2012 and adopted 14 villages and 9 hamlets (n=23) around its campus at Lavale.

In line with the SCOPE initiative, Family Doctor Clinic at Sus village (FDC) and Mobile Medical Unit (MMU) were launched in the Mulshi block of Pune district. It is catering to 15 villages and 9 hamlets in Mulshi block and 2 construction sites in Walhekarwadi and Kalakhadak areas of Pimpri Chinchwad Municipal Corporation (27 sites) covering around 30,000 populations. FDC & MMU conducts a variety of preventive, promotive and curative services for poor, mostly rural, needy and marginalized population based in access-compromised areas. Activities like outpatient services, health talks, celebration of national and international health days, etc. are conducted. SCOPE has increased networking with government and private health care sector to undertake variety of activities like monthly immunization of pregnant & lactating mothers and children, monthly antenatal care (ANC) check-ups and treatment camps, specialist camps, patient referral, support to private/ government health programmes. FDC and MMU teams also conduct health awareness and research/survey related activities in collaboration with sister institutes / departments of SIU.

We firmly believe that our role as a university goes beyond imparting of knowledge and skills to our students and, as active agents of change, we are supporting initiatives related to health, nutrition, water and sanitation, banking and finance and legal literacy. This initiative has been widely accepted and appreciated by community. We are committed to defending the ideals, responsibilities and objectives of a socially responsible academic institution. Our future plans are in line with expansion of services, connecting with corporate donors, setting up a Health & Demographic Surveillance System and promoting research in the catchment area.

Symbiosis Centre for European Studies (SCES):

Symbiosis CES is based upon a three-fold mandate of teaching, training and outreach to foster progressive insights on EU integration, locally, nationally, and internationally.

It promotes the interdisciplinary understanding of European languages, history, politics, economy and societies. SCES will:

- Foster the study of and innovative research on Europe among SIU faculty as well as graduate and undergraduate students.
- Facilitate the training of new generations of scholars and experts in European studies.
- Work as a host unit for researchers and multi-disciplinary research projects.
- Serve as a forum for vibrant discussions on contemporary affairs in Europe and its impact on the global economy which will nurture the exchange of ideas across disciplines, sectors and generations.

Its purview includes all European countries and the European Union.

Symbiosis has been actively working with European partners for exchanges, Study in India Programmes and Erasmus+ projects. In addition, our Symbiosis Law School offers a specialized certificate programme in European Union Legal Studies.

Since European integration encompasses economic, legal, political, social, environmental disciplines, it was felt to have a Centre that caters to its interdisciplinary nature and scope. The Centre not only liaisons with Symbiosis Institutes which run Academic Programmes but lay emphasis on encouraging people-to-people connections with Europe and bringing the best of the expertise to India and encourage Symbiosis Students, Faculty and Staff mobility to Europe. SCES encompasses all activities and programmes engaging with Europe under its umbrella.

SIU’s Engagement with Europe

Symbiosis has partnered with European Universities in different consortiums under the Erasmus + Program with an intention to enhance cooperation for facilitating students, faculty mobility and Strategic Partnerships for capacity building exchange of best practices. Partnerships with Universities in Germany under the DAAD- DIES (Dialogue on Innovative Higher Education Strategies) and DAAD-A New Passage to India have facilitated mobility and workshops for promoting internationalization of higher education. In addition, we have organized Annual Leadership Series & Conferences on the contemporary issues focusing on the European Union and its relationship with the world. These forums have witnessed think tanks, diplomats and Ambassadors share their insights with our students and faculty.
Admission Process for Indian Students:

Symbiosis Entrance Test (SET) for Symbiosis Under Graduate Programmes.

A. Registration process:

The Symbiosis Entrance Test (SET) is a common online test for the admission processes at the undergraduate institutes of Symbiosis International (Deemed University) established as under Section 3 of the UGC Act 1956 vide notification No.F.9.12/2001 U.3 of the Govt. of India. In the year 2002 there were 3 constituent institutes of SIU. Subsequently ten more institutes of Symbiosis have been brought under the ambit of the Symbiosis International Deemed University vide notification No.F.9.12/2006-U.3 (A).

From 2018 onwards, SET - Law test is known as Symbiosis Law Admission Test (SLAT), SET - Design test as Symbiosis Entrance Exam for Design (SEED), SET - Engineering as Symbiosis Engineering Entrance Exam (SITEEE) and SET - General as (General - SET) Registrations for these tests are done from the same portal as per the process mentioned below:

1. Register online on the website set-test.org (from January 24, 2019 to April 15, 2019)

   Note: Any Changes in the online application form (except test city preferences and admission category) will be entertained only up to the closing date of Registration i.e. April 15, 2019. No changes shall be permitted after closing date under any circumstances. No requests for change of test city or category will be entertained once candidates have completed their Online SET/SLAT/SEED/SITEEE 2019 payment.

2. You may register for one paper in the morning (for example, SET-Law (SLAT) or SET- Design (SEED), and/or one paper in the afternoon session (for example, SET-General (SET) or SET-Engineering (SITEEE).

   Note: For Engineering, if a candidate applies to seek admission on the basis of test other than SITEEE, he/she need not register for the same; rather he/she may apply directly to the concerned institute.

3. Upload your latest scanned colour passport size photo at the time of Online Registration. (Your photograph should not be more than 3 months old).

4. Ensure that the information you have filled is accurate.

Candidate should note that SET/SLAT/SEED/SITEEE 2019 is only the first step. Each Symbiosis institute has its subsequent independent selection process.

- The SET-2019 has 4 different papers: - (SET) SET-General, SEED (SET-Design), SLAT (SET-Law) and SITEEE (SET-Engineering).
- A candidate may take more than one paper. However, he/she will have to choose and register for one paper from the morning session (SLAT/SEED) and/or one paper from the afternoon session (SET/SITEEE).

B. Modes of payment

The candidate may pay through –

i) Billdesk Payment Gateway

ii) Easebuss Payment Gateway

iii) Indian Bank Payment Gateway

iv) Demand Draft.

Pay the Entrance Test fee of Rs.1750/- for each test. If you are registering for one test in the morning (SLAT/SEED) and one test in the afternoon (SET/SITEEE), the fees are Rs. 3500/- . Please note that last date of payment is April 15, 2019.

iv) PAYMENT THROUGH DEMAND DRAFT:

Submit a Demand Draft (DD) of Rs. 1750/- for ONE Test (morning OR afternoon) OR Rs. 3500/- for TWO Tests (one from morning session and one for afternoon session) from any Nationalized Bank in favour of “Symbiosis Test Secretariat” payable at Pune.

Choose the mode of Payment as 'DD Payment' in "Make Payment" Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at:

Note:
Even after closing of the payment for SET/SLAT/SEED/SITEEE 2019, a candidate may still pay through website till the last date of payment for the programme(s). An institute may offer more than one programme. A candidate should ensure that the preferred programme(s) is / are selected and paid before the last date.

Indian nationals and NRI candidates shall have to apply under SET 2019 to seek admission to the select Undergraduate programmes of Symbiosis International (Deemed University).

A student is eligible to apply as a Non Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for NRI students who have appeared for their 10th standard exam outside India and 12th in India to appear for SET/SLAT/SEED/SITEEE as applicable.

However, OCI/ PIO/ Foreign Nationals are exempted from appearing for SET/SLAT/SEED/SITEEE 2019 and have to apply through Symbiosis Center for International Education (www.scie.ac.in). For details regarding OCI/ PIO/NRI/FN admission process, please refer to Sub Section I: Process for International Candidates.

After declaration of the SET/SLAT/SEED/SITEEE 2019 result, the institute (offering the programme(s) for which you have paid) will conduct further selection processes for short-listed candidates. The schedule for the same will be published on the website of the respective institute(s).

Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

G. Reservation Policy of SIU Reservation Policy
As per the UGC guideline 2006, the reservation policy for all the institutes under the University is as follows:

a. Within Sanctioned Intake

- Scheduled Caste (SC) : 15%
- Scheduled Tribes (ST) : 7.5%
- Differently Abled # : 3%
- Children/wards of Defence Personnel : 5 % for SLS-PUNE, SICSR.
* The definition for Children / Wards of Defence Personnel is:

The term Defence Personnel would mean only those serving / retired Defence personnel from Army, Navy, Air Force. Retired defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no 36035/5/85- Estt (SCT) dated 14 April 1987. It includes children of defence personnel who died while in service or after retirement.

b. Over & Above Intake

- Kashmiri Migrants: 2 seats per programme
- International Candidates: 15%

Note:

- Candidate applying for the above mentioned categories will be required to submit the supporting documents at the time of PI-WAT/ST-PI.
- Candidates applying for Children/wards of Defence Personnel other than above mentioned two institutes (SLS-Pune and SICSR) will be considered as candidates in OPEN Category.

# Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28, 2016. The candidate will have to get the disability authenticated from Symbiosis Centre of Health Care (SCHC). The admission may be considered as regularized only after due authentication by SCHC.

A candidate applying under any of the reserved category (Scheduled Caste/ Scheduled Tribes/ Differently Abled/ Kashmiri Migrants/ Children/wards of Defence Personnel) are mandatorily required to submit relevant document issued by competent authority. Any participation at any stage of admission process by such candidate is purely provisional and always subject verification and authentication of such relevant document.

In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. Either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the registration form. The category selected by the candidate at the time of filling the registration form will be considered to be his category for the entire admission process and his benefits and entitlements shall be according to such selected category. He will not be able to claim benefit under the other category/s at any stage of admission on any account whatsoever.

Please also note that if any information provided by the candidate in respect of his category is found to be incorrect, the University shall have right to cancel the candidature of such candidate.

H. Reservation of seats for Nagpur Domicile (SLS, Nagpur and SSPAD, Nagpur):

1. 25% (Twenty-five percent) seats are reserved for candidates domiciled in Nagpur.
2. Meaning of ‘Nagpur Domiciled’ Candidates for admission to UG programme only.
3. UG programme ‘Nagpur Domiciled’ means persons, who are domiciled in Nagpur for a period of 5 (five) years as on the date of commencement of the academic year, and who have class XII from Maharashtra State Board or equivalent exam or Degree certificate or are appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit institute website

Please carry your following documents at the time of PI-WAT if shortlisted. Please note that if you do not have both these documents, you will not be allowed to appear for the PIWAT process and will be marked as ineligible for admission. No communication will be entertained in this regard.

1) Domicile certificate issued by the competent authority (Collector’s office).
2) Standard XIIth Marksheet. Applicants appearing Standard XII can submit Bonafide certificate from the current institution and Standard Xth Mark sheet.

**Disclaimer**

Candidates are advised to check the eligibility criteria for the programme(s) which they are desirous to pursue. SIU/STS/ Institute will not be responsible, if the candidate applies for programme(s) for which he / she is not eligible.

Every candidate is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Parents and students are cautioned against falling prey to any such assurance/offer by any individual or outside agency.
Process for International Candidates

Admissions of international students are centralized for all the constituent institutes of Symbiosis International Deemed University and are routed through the Symbiosis Center for International Education (SCIE).

SCIE earmarks 15% of the total intake of the respective program for international students which include, Foreign Nationals (FN), Person of Indian Origin (PIO) Card Holders, Overseas Citizens of India (OCI) Card Holders, and Non-Resident Indians (NRI).

Foreign National (FN):
A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.

Person of Indian Origin (PIO):
As per the Government of India notification dated 9th January 2015, all the existing Persons of Indian Origin cardholders registered as such shall be deemed to be Overseas Citizens of India cardholders.

Overseas Citizen of India (OCI):
A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

Non Resident Indian (NRI):
A student is eligible to apply as a Non Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for NRI students who have appeared for their 10th standard exam outside India and 12th in India to appear for the following exams as applicable. Please refer www.set-test.org for more details.

For SCMS (Pune/NOIDA), SCMC, SICSR, SSE, SSLA and SSCA – Symbiosis Entrance Test (SET) For Design – Symbiosis Entrance Exam for Design (SEED)
For Law – Symbiosis Law Admission Test (SLAT)
For Engineering – Symbiosis Institute of Technology Engineering Entrance Exam (SITEEE). No Common Entrance Exam is applicable for UG Programmes offered by SIHS and SCON.

To assist candidates with their application to Symbiosis International (Deemed University) a detailed stepwise procedure is available on www.scie.ac.in. Scholarships:
Symbiosis is keen to offer scholarships to foreign students to give them the opportunity to take advantage of the educational programs available at Symbiosis. The scholarships are offered preferably in conjunction with the education ministries / embassies of participating countries. Close cooperation with these foreign governments will assist in ensuring the scholarships are awarded to the most deserving candidates.

Under this policy, the following scholarships are available for each Afro Asian country:
   • One Partial (50%) Academic Scholarship for a Post Graduate Program at any Institute of SIU
   • One Full (100%) Academic Scholarship for an Under Graduate Program at any Institute of SIU
   • One Partial (50%) Academic Scholarship for an Under Graduate Program at any Institute of SIU
   • Two Partial (25%) Academic Scholarships for an Under Graduate Program at any Institute of SIU.

Apart from these scholarships, Symbiosis would offer 30% concession/scholarship on academic fees for all African students who wish to pursue any course at any institute of Symbiosis International (Deemed University). The student must also bear all additional costs including hostel fees, mess fees application fee, administrative fees, IELA, exam fee, etc.

This scheme has been initiated under the ‘Educate Africa’ programme with a view to strengthening relations between India and Africa. Based on its strong past connection with the continent and its people, Symbiosis believes it can positively assist in the capacity building of the African nations by offering a world-class education to African students. These students will be future Ambassadors of Goodwill.
EXAMINATIONS:

Programme: A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University, successful completion of which will lead to the award of a Degree or Diploma e.g. Master of Business Administration. Relative grading: The grading of students will be done based on the relative performance of the students compared to the class.

Continuous Assessment, Term-end examination and Practical (if any) will be separate heads of passing.

Passing in a course means securing 40% of absolute marks in each of the heads.

Separate grade points will be calculated for continuous and term-end examinations and the weighted average of both will be the grade point for the course.

Re-evaluation: In case of re-evaluation, the scores obtained will be fitted as per original range of marks of the grades.

Backlog Examinations: In case of students appearing for Backlog examination, the marks secured in the subsequent attempt will be fitted back into the earlier distribution i.e. Original range of marks of the grades.

Calculation of GPA for Semester and Overall CGPA:
The Grade Point Average for the semester will be calculated by taking the weighted average of the course Grade points.
The weights will be defined as per the credit points they carry. Similarly the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credit for the semester will act as the weight. The formula is as below:

\[
\text{CGPA} = \frac{\text{(GPA of Sem. I) (Credit Points of Sem. I) + (GPA of Sem. II) (Credit Points of Sem. II) + (GPA of Sem. III) (Credit Points of Sem. III) + (GPA of Sem. IV) (Credit Points of Sem. IV) + (GPA of Sem. V) (Credit Points of Sem. V) + (GPA of Sem. VI) (Credit Points of Sem. VI) }}{\text{(Total Credit Points) }}
\]

CGPA will be calculated up to two decimal points

**Conversion of CGPA to percentage marks:**

\[
\text{Percentage} = \text{CGPA} / 10 \times 100
\]

**Standard of Passing:** A student has to pass both internal and term end examination separately i.e. obtains minimum GP of 4.00. A GP less than 4.00 will be treated as grade F (fail).

A student will be awarded the degree only if he/she has a CGPA of minimum 4.00 on the completion of programme and has cleared Integrated Disaster Management Programme.

The University will award degree to the student who as achieved a minimum CGPA of 4.00 out of maximum of 10.00 for the programme.

**Validity of Terms for Under Graduate Degree programmes:**

The students admitted to all the under graduate programmes of the University will be allowed to keep terms for a period of Two year from the date of admission beyond the normal period of the programme, i.e. the students joining the three years programme must complete the programme in five years from the date of admission.

**Expiry of Validity**

The students who are not able to complete the programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his / her performance at the examinations and the terms earlier kept will be treated as null and void

**Term Not Granted / Course Not Granted (TNG/ CNG)**

Institute/ Department shall declare attendance every month.

Institutes / Department shall declare a list of students as Terms Not Granted / Course Not Granted (TNG/ CNG) to those who do not fulfill minimum attendance requirement. Institutes / Department should announce the cut-off date for calculation of the attendance of students well in advance and should communicate TNG/ CNG list to the University at least one week prior to the commencement of term-end examination.

All those students who are granted TNG/ CNG will be appearing the examinations in next season as a backlog. However, the candidate will not have to pay backlog examination fees for the immediate subsequent attempt.

**Course Not Granted (CNG):** Minimum 75% attendance is mandatory for a student to be eligible to appear for the term end examination of a particular course. If the course attendance is below 75% then the student will not be granted the permission to appear for the examination of the concerned course. If cumulative attendance for all courses of the semester is more than 75%, CNG should not be given.

**Term Not Granted (TNG):** Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance is below 75% then the student will not be granted the permission to appear for the term end examination.
Article I: PREAMBLE

The student code of conduct [Code] is established to foster and protect the core missions of the Symbiosis International University, Pune, to foster the scholarly and civic development of the University's students in a safe and secure learning environment, and to protect the people, properties and processes that support the University and its missions. However, the establishment and maintenance of a community where there is freedom to teach and to learn is dependent on maintaining an appropriate sense of order that allows for the pursuit of these objectives in an environment that is both safe and free of invidious disruption. Rules and regulations are necessary to mark the boundaries of this needed order.

Article 2: APPLICABILITY

The Code is applicable to all students, which includes all persons taking programmes at various constituent institutes /departments of the University, either fulltime or part-time, pursuing undergraduate, graduate, professional studies. Persons who withdraw after allegedly violating the Code, who are not officially enrolled for a particular semester or term, but have a continuing relationship with the University, or who have been notified of their acceptance for admission are considered as "students". The Code applies to all locations of the University.

Article 3: JURISDICTION

The Code applies to the on-campus conduct of all students at all the location / campus of the University. The code also applies to the off-campus conduct of students in direct connection with:

A. Academic course requirements or any credit bearing experiences, such as internships, field trips, study abroad / student exchange;

B. Any activity supporting pursuit of a degree, such as research at another institution or a professional practice assignment;

C. Any activity sponsored, conducted, or authorized by the university or by registered students organizations;

D. Any activity that causes substantial destruction of property belonging to the university or members of the university community or causes serious harm to the health or safety of members of the university community; or

E. Any activity in which a police report has been filed, a summons or indictment has been issued, or an arrest has occurred for any act or omission. Students continue to be subject to the laws of the land while at the University, and violations of those laws may also constitute violations of the code. In such instances, the University may proceed with University disciplinary action under the code independently of any criminal proceeding involving the same conduct and may impose sanctions for violation of the code even if such criminal proceeding is not yet resolved.

Article 4: RESPONSIBILITIES OF STUDENTS

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and, as students, they are responsible to the academic community of the University. Admission to the university carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and to the welfare of the academic community. They are expected to practice high standards of academic and professional honesty and integrity and also to respect the rights, privileges, and property of other members of the academic community and the Society. They should refrain from any conduct that would interfere with university functions or endanger the health, welfare, or safety of other persons. As a citizen of State, a student should not discriminate on
the basis of race, color, creed, age, religion, gender, national or ethnic origin, marital status, sexual preference, physical disability, or any other legally protected status. They should at all times conduct themselves in a manner, which is not prejudicial to any law of the land. Their conduct should aim to achieve the meaning, mandate and manifestation as enshrined in the Constitution of India.

Article 5: DISCIPLINARY MISCONDUCT

Any student found to have committed or to have attempted to commit the following misconduct is subject to appropriate disciplinary action under this Code. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. About the SCHC

Symbiosis International University offers medical facilities for all its students and teaching and non-teaching staff through Symbiosis Centre of Health Care (SCHC). The Symbiosis Centre of Health Care (SCHC) was established in 1997, with the mission of addressing the healthcare needs, primarily of the students & staff of Symbiosis, envisioning a state of ‘Positive Health’ in them. It is the “In-house Health Care Unit” of Symbiosis which provides preventive, promotive and curative health care services. The healthcare services are rendered to students & staff through standardized healthcare setups and quality NABL accredited lab services. The SCHC collaborates closely with campus community to provide a comprehensive health services, promotion and prevention effort that cares for the physical and mental health of Symbiosis students, striving for excellence in student services and to support and sustain a healthy campus community. With a team of qualified healthcare professionals, the SCHC has implemented a unique ‘Health Insurance Program’ for staff & students and has utilized Information Technology in healthcare & maintenance of Electronic Health Records (EHR), thereby achieving the status of a ‘paperless’ office.

The SCHC also has the state of art recreation and wellness facility on campus. We are committed to empower and inspire students and staff members to choose a healthy life style. Fitness professionals strive to offer recreation and wellness services that encourage healthy and active lifestyle to fulfil its mission of enhancing the culture of wellness on campus.

The following primary health care services are provided by the Symbiosis Centre of Health Care (SCHC):

Promotive health care facilities:
- Access to state-of-the-art recreational and wellness centres at all campuses which include gymnasium, aerobics studio, swimming pools, and yogashala with meditation halls.
- Health awareness lectures on various healthcare related issues.

Online counselling on health, diet and lifestyle related issues.

Campus Health Advisory Committee (CHAC) established at each campus reviews the student communications strategy for evaluating health care services, health care policies and makes recommendations to the management on aspects relating to health care facilities.

Preventive health care facilities:
- Annual health check-up of the students of Symbiosis is conducted and a detailed record is maintained electronically on web based, HIPAA compliant software and hosted on Microsoft Azure Cloud in Asian data centre. Consultants/ Specialists from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) conduct the Annual Health Check-up including Lab investigations (Haemogram & Urine examination).
- Inspection of campus & eating establishments on campus.

Curative health care facilities:
- A health centre with a full time medical officer and nurse is available at all campuses. An ambulance is stationed at Lavale Hilltop campus considering the location of the campus and nearby hospitals. At other campuses in Pune and outstation campuses such as Nashik, Noida, Bengaluru and Hyderabad, 108 (Emergency number of concerned state) number is dialed for ambulance services. Patients needing specialized care are referred to or shifted to local hospitals without loss of time. This is critical for parents to feel confident that their children are secure and safe.
- Outpatient Department (OPD) services including Emergency Medical Services (EMS) phone number for medical assistance is prominently displayed at all institutes and hostels. The EMS & Insurance Cell number is also printed on the identity cards issued to students, faculty and staff.
**Salient features of Insurance Scheme**

- Medical Insurance under the Group Insurance Scheme
- The student is covered for hospitalization up to Rs.50,000/- in case of non-accidental emergencies (as per the Mediclaim Insurance Policy) and Rs.1,00,000/- in case of Rail/Road traffic accidents (Copy of FIR, MLC & panchanama is required).
- The institute identity card serves as the “Insurance Card”.
- In case of hospitalization, the medical officer of SCHC personally visits the student to enquire about his/her wellness and progress.
- A copy of the medical insurance policy document is available with the Registrar of the institute and on www.schcpune.org
- For further details regarding the benefits of the policy, the student may contact the Medical Officer Insurance cell SCHC @ 9552525015 or insurance@schcpune.org
- All terms and conditions are as per the policy document. Please read the document carefully!
- Hospitalizations for any medical reasons (other than emergencies) require the reference of the Medical Officer or Consultant, SCHC.

University Sports Board

Every human being has a fundamental right of access to physical education and sports, which are essential for the full development of his/her personality. The freedom to develop physical, intellectual and moral powers through physical education and sports must be guaranteed both within the educational system and in other aspects of social life. Symbiosis today is already known for its excellence in education and we aim to transform the same in sports.

University Sports Board, SIU has been entrusted with twin objectives of promoting health and wellness amongst student, staff and community and promoting sports, achieving sporting excellence at the National and International level. Apart from being a means of entertainment and physical fitness, University Sports Board have also played a great role in generation of the spirit of healthy competition and bonding within the community. Sports play a key role in development of personality of the youth. In fact, sports should be a way of life. I call upon the youth to make sports an integral part of their life.

The role of the University Sports Board is to create the infrastructure and promote capacity building for broad-basing sports as well as for achieving excellence. Keeping in view the growing demands for advanced infrastructure, equipment and scientific support, University Sports Board has taken several initiatives and is providing the necessary assistance to sportspersons by way of training and equipment support as well as sports scholarship / cash incentives for boosting student’s morale.

Objective:

• To promote excellence in sports by encouraging participation in National and International championships in large numbers.
• To create a culture of sports by imbibing higher moral and ethical values, spirit of comradeship and the desire to excel.
• To annually organize inter institute competitions in specified games and sports for the students
• To organize annual events for mass participation of students and staff with a focus on health and wellness
• To provide equal opportunities and encouragement to all students and staff for participation in physical activity and sports at all levels.
• To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women
• To create, develop and maintain sports infrastructure
• To get associated and affiliated to recognized Sports Associations and Federations

Dr. Shashikala Gurpur, Director, Symbiosis Law School, Pune and Dean Faculty of Law, Symbiosis International (Deemed University) giving a presentation on behalf of Symbiosis International (Deemed University)
Orientation and Pedagogy:

Teaching methodology at SLS, Pune is essentially learner-centric and research-oriented, strengthening students in reflective and critical thinking skills along with value-orientation. Modern teaching methods are used in a convergent manner along with the lecture method. These include the Class Room Presentation, Group Discussion, Seminar, Case Study, Socratic Method, Project-Based Method, IRAC Method, Moot Court, Mock Trial, Simulation, Judgement Writing, Drafting, Movie, Article & Judgement Review, Computer Assisted Learning and Experiential Learning.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the Bar and Bench, Corporate Sector, Government and National & International Experts.

Dr. Chandrashekhar Jayvantrao Rawandale
Director

Director Profile:
Dr. Chandrashekhar Jayvantrao Rawandale graduated from the University of Pune with LL.B degree, moving on to complete LL.M in International Law & Human Rights from Dept. of Law, University of Pune, (1997); LL.M. in Commercial Law from Cardiff Law School, Cardiff University (UK) (2003) and Ph.D. in 'Computer Programs: Copyright and Patent Paradigms- A Study' from Symbiosis International University, Pune (2010).

Dr. Chandrashekhar has worked as research associate at I.L.S. Law College for a year where he also taught Law of Torts. He then worked with Bharati Vidyapeeth's New Law College for two years as a lecturer, before moving to Symbiosis Law School, Pune in 2000. During his stay at Cardiff, he also worked for Welsh Joint Education Board, Wales and Crossroad Solicitors. During December 2003 and October-December 2008, he was a Visiting Fellow at Cardiff Law School, Cardiff and Leibniz University Hannover respectively.

Dr. Chandrashekhar is member of ‘Project Review and Steering Group (PRSG)’ constituted by Department of Information Technology, Government of India for the project “Cyber Crime related Capacity Development and ICT Training for the Judiciary in States of Assam, Manipur, Meghalaya, Tripura, Nagaland, Arunachal Pradesh, Mizoram & Sikkim” by CDAC, Kolkata under Cyber Security Grant-in-Aid Programme. He also was Member of Thomson Reuters Council for Legal Information and Innovation.

Indian National Bar Association (INBA), on the occasion of ‘67th Constitution Day’ on November 26, 2016, selected and felicitated him with ‘Law Professor of the Year’ award.

Institute Profile:
Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just eighth year of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. SLS-NOIDA is strategically located in the industrial hub of NCR thereby opening up a plethora of opportunities for the budding lawyers.
SLS-NOIDA strives towards supplementing reforms in the field of law; to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unfailing manner.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society, and International Law Students Association (ILSA) Chapter & Enactus Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA (To know more visit https://www.symlaw.edu.in/events). SLS-NOIDA organizes weekly lectures under the banner of 'Extension Lecture Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career (To know more visit http://symlaw.edu.in/extension-lecture).

SLS-NOIDA also makes an ample use of technology for the benefit of its learners. Called The Curiosity Project, it is the first of its kind where online systems have been used for meaningful administrative automation and improved learning methodologies.

Programme Profile:

SLS-NOIDA offers two five years integrated undergraduate programmes, namely, BA. LL.B (Bachelor of Arts and Bachelor of Laws) and BBA. LL.B (Bachelor of Business Administration and Bachelor of Laws).

**Bachelor of Arts and Bachelor of Laws (BA. LL.B):** The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of the intricate and complex problems of the society. Our integrated Bachelor of Arts and Bachelor of Law programme provides a deep insight into the historical perspective of development of law, political factors influencing policies culminating into law and the intricate relationship between legislations and social problems. This Programme aims at creating socially sensitive sentinels of justice.

**Bachelor of Business Administration and Bachelor of Laws (BBA. LL.B):** The use of word ‘multi’ is indeed multiplying in today’s world, multi-nationals, multi-tasking, multi-dimensional, and why not multi-disciplinary. The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential knowledge of law coupled with the core essentials of management and business to enhance productivity. With the object of catering to this demand unfolding before the students, and to enable them to explore these vistas of opportunities that lie ahead, we have commenced an integrated Bachelor of Business Administration and Bachelor of Law degree programme (BBA. LL.B). Here we impart exhaustive knowledge to the students not only to survive but also to excel in the increasingly competitive world.

**Eligibility:** Standard XII (10+2) or equivalent examination passed from any recognized board with minimum 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste/Scheduled Tribes).
Intake: BBA. LL.B = 180 students & BA. LL.B = 120 students

Reservation of Seats: As per University norms.

Admission Process:
Candidate needs to register for Online Symbiosis Law Admission Test (SLAT) 2019 & also register for SLS-NOIDA offering his/ her choice of programmes by paying separate programmes registration fees. If shortlisted, he/she would then need to attend the further admission process conducted by SLS-NOIDA either at NOIDA or Pune. Selection is done in two phases: Candidates will be short listed on the basis of the SLAT score; & the short listed candidates will be invited for Personal Interview (PI) and Written Ability Test (WAT). Final Merit list shall be drawn on the basis of SLAT Score (50%) and PI-WAT performance (50%). In other words, it will be based on the cumulative marks scored on the scale of 100 marks wherein SLAT score will be scaled down to 50 marks i.e. 50% weight age and the remaining 50% weightage will be assigned as follows: Personal Interaction (PI) - 30 marks i.e. 30% and Written Ability Test (WAT) - 20 marks i.e. 20%.

Orientation & Pedagogy:
SLS-NOIDA is introducing a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that
law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida’s efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

SLS-NOIDA also makes ample use of technology to entertain and benefit natural curiosities of its learners. Called The Curiosity Project, it is the first of its kind where online systems have been used for meaningful administrative automation and improved learning methodologies. It includes The Library, an application where learners including teachers and parents can share and access teaching plans, session plans, class notes, presentations, sample question papers and interesting online videos or articles for further study under each of their subjects; The Banyan Tree, an application that employs the Flipped Classroom concept regularly where doubts, questions for general debate, and polls are posed on; The Amphitheatre, an application that tracks official notices and events at the campus; Attendance and Evaluations, an application that assists learners and parents to keep close track of their performance in attendance and tests to keep improving.

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Assessment involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

She has also been the second supervisor for Master thesis of students conducted under Berlin School of Economics and Law, Germany. She is PhD, NET qualified, double Post Graduate and an alumni of St Stephens College.

Institute Profile:

Symbiosis Centre for Management Studies, Pune, was set up in the year 2004 and is a Department of Symbiosis International (Deemed University).

The Institute offers a unique course curriculum which provides a stimulating academic environment and offers the student the luxury of choosing subjects from across disciplines which is known as the Cafeteria Approach. Over the past years, the Institute has attracted students not only from different parts of India but also from other countries. As of now, there are students from 25 different countries on campus. The rich diversity provides an extremely varied, multi-cultural exposure to all students.

The learning experience is further enriched by a multitude of clubs ranging from dramatics, music, business games, entrepreneurship and social initiatives are all run by the students themselves and cater to the collective need for individual expression of creativity and well-being and also organically prepare students to take on bigger roles and responsibilities for the future.

The Institute also provides opportunities for International Exposure through the University’s Global Immersion Programme. Students during the course of the six semesters at SCMS can also choose to undertake courses for twelve credits in any one of the University’s partner Universities abroad.

The track record for placements has rising over the years. Students can choose from Multinational Companies to Startups, SCMS-Pune is the place to be in the placement season. PWC, KPMG, Grofers, and Wipro are some of
our recruiters. The college has a dedicated Placement Division which hand holds the student right from the start with building CV’s to the final selection process.

Quoting, Mr Shreyas Petkar, Director, Risk Assurance Services, PWC “We at PWC Risk Assurance Services have been associated with SCMS-Pune for over 8 years now. We have been happy with the candidates we have hired and they too have delighted us with their hard work and sincerity. We look forward to our continued association with SCMS and hope to recruit bright, young students to be a part of our team.”

Over the years, the College Festival, Sympulse which started off as humble celebration of the campus spirit and bonhomie has grown into spectacular extravaganza which draws thousands of students from across India and abroad. It is one of the much awaited college festivals not only because of the scale at which it is held but because of the activities, experiences and the way it is organized. The festival is managed by the students, which also gives them the live experience in management lessons.

The Institute also offers the students opportunities for research. There are both funded and non-funded corporate research projects that students can take up. Recently, SCMS- Pune completed a fully funded project with Phoenix Mecano. The Institute also worked on non-funded projects with ICICI Securities and Piaggio Vespa.

SCMS-Pune offers all students’ opportunities to learn, develop skills, grow and expand their horizons. We provide our students the living bridge that helps them cross over from schools to either the Corporate World or to Higher Education in prestigious institutions.

Programme Profile:

Bachelor of Business Administration - (BBA)

The BBA program is a full-time, three-year graduation program spread over six semesters which aims at transforming a student into a socially responsible global corporate citizen. This program with its intensive and updated syllabus and a wide range of additional modules would indeed enable the student to aspire for higher studies in premium business schools in India and abroad.

Cafeteria Approach:

The Institute follows a cafeteria curriculum which was successfully launched from the Academic Year 2011-12. The Cafeteria curriculum has been designed to allow flexibility to the students to take up courses of their choice resulting in the award of a general BBA or BBA with single or dual specialization.

The program is of 150 credits having a combination of core courses and elective courses.

The cafeteria approach encourages and allows students to choose elective courses from across various specializations.

The Institute offers six specializations from the Academic Year 2013–14:

   a. Human Resource Management
   b. Marketing Management
   c. Accounting & Finance
   d. International Business
   e. Environment Management
   f. Entrepreneurship Management

**Institute Profile:**

Symbiosis Centre for Management Studies, (SCMS ) NOIDA, an off campus Institute of Symbiosis International University, Pune began its operations in 2010. Based in the National Capital Region, it facilitates imparting of quality management education at the graduate level and aims to be one of the best Management Education Providers in the region, providing relevant, contemporary and practical experiences along with core conceptual inputs. Since commencing operations, it has made a name for itself in offering a very contemporary, progressive program structure, leading to a real time professional degree, the Bachelor of Business Administration.

The Institute focuses on the “R”s of Business Education : Relevance, Research, and Re- Invention, and has found wide acceptance in industry and academia for its commitment to professional education. The Institute has several firsts to its credit, in teaching / learning and innovative pedagogy, and lays great stress on internships and industry connect, with a strong belief in application based education. The Institute encourages student participation in research and other allied activities and believes in producing relevant, skill - equipped graduates, with a social conscience. The Institute believes in holistic education, and in producing students with an all - round personality, ready to take up the challenges of the real world on passing out. In fact the Institute believes its objective is to produce “employable” graduates with a social conscience. This was comprehensively proved when SCMS – N students won the first runner-up position in the Symbiosis International University Start-Ups Competition, 2016, and the Institute had as many as 3 teams in the top 12. The Institute, in keeping with its forward looking reputation, has added a breakthrough specialization in Business Analytics from the last Academic Year. It has steadily increased its ranking, having moved into the # 24 place on an all India basis, and #18 in Placements ( as ranked by the Times of India ).

The Institute is housed in an impressive academic building, with air conditioned classrooms and excellent on - campus facilities. It also has excellent qualified faculty with almost 80 % holding a Ph.D. in their areas of
specialization. A strong, robust corporate connect ensures real time and state of the art, application based education to students. Internships are an integral part of the course curriculum as are real time projects and assignments. A strong industry representation on the Program Review Committee ensures that the program structure is forward looking and futuristic. Research is highly encouraged in the Institute and students are encouraged to publish in journals.

Our motivated students are at the forefront of organizing 5 inter – Institute events every year. “Symaroh” – our Inter – Collegiate Cultural Fest, “Symphenia” our Inter School Cultural Fest, “Symeria” – our Inter Collegiate Sports Fest, “SyMUNC” – Our Model United Nations Conference and “SymCharcha” – our Inter Collegiate Debate Competition. Students representation is encouraged on all major Committees of the Institute and is mandated on all statutory Committees. Students are extremely active in ISR activities under our Institute Social Responsibility Cell as well. The Institute also conducts regular Management Development Programs for Corporates and is also active in corporate commissioned research activities. More details are given below.

Programme Profile:
At the Graduate level, the Institute currently offers one 3 year full time BBA degree programme. The same is divided into 6 semesters and offers the following specializations: Marketing, Human Resource Management, and Financial Management, International Business and a breakthrough specialization in Business Analytics from last year. The First Year is used as a Foundation Year, and specializations commence from the Second Year (Semester III ). The Program has a total of 150 credits and the students have to complete the Integrated Disaster Management program with equivalence to 1 credit to qualify for the degree. The degree is granted by the Symbiosis International (Deemed University), Pune, of which the Institute is a Constituent Unit.

Duration: 3 Year Full Time

Orientation and Pedagogy:
SCMS NOIDA has a strong faculty base with a unique blend of experienced and youthful faculty. It also has a very good faculty to student ratio. Using a variety of adult learning based pedagogy, SCMS NOIDA utilizes a learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as in line with the syllabus. Projects, assignments, live projects, market research are part of the normal academics. The Institute is a strong believer in Application Based learning and Practical Projects are also a regular feature. A strong industry connect and regular guest lectures with some of the best names from the corporate world ensures that students are up to date with the latest in the business world. Stringent evaluation norms, aided by anti-plagiarism software ensures that student project reports are of the highest calibre. The Institute follows a continuous evaluation system with the number of components determined by the number of credits assigned to a course. Students are encouraged to take up addition courses, apart from their regular opted course curriculum, as a Certificate Course. Additional workshops with Certificate Certification from reputed organizations like KPMG are organized, on payment basis.
The Institute regularly organizes Seminars and Research Conferences to bring the best of the professional and academic world to students. Cultural activities and evenings are a regular feature of the Institute.

Students can choose between 5 specialization verticals: Marketing, Human Resource, & Financial Management, International Business and Business Analytics. The Institute is amongst the first in the country to introduce this as a full specialization. A minimum of 25 students are required to offer the specialization vertical. Specializations commence from the second year in Semester III, to allow students sufficient time to understand their aptitude for a stream and choose specializations accordingly. They also will be given advice by industry speakers, on career paths available in the corporates for each of these verticals, so also they will be counselled to find out their suitability for the same. The Institute offers floating credits as per University norms, and this year has offered international exchange programs for students. Students regularly attend summer schools abroad, as well as semester abroad programs.

**Infrastructure / Facilities:** The Institute is shifting to our new state of the art academic building, with spacious classrooms, fully equipped with all necessary teaching aids in this Academic Year. All the classrooms, the computer labs and the library are air conditioned. The Institute is wi-fi enabled.

**Hostel Facility:** An excellent hostel is available on campus for only girl students. The hostel is proposed to be air conditioned from this year. Dedicated hostels, about 10 minutes (4 kms) away from the campus have been identified and arranged, on an outsourced basis, for boys separately. These generally house only Symbiosis students. A good clean and hygienic mess facility is present in the campus for hostel students.

**Computer Laboratory:** 2 Computer Labs, each with 70 PCs, are available in the new academic building, fully equipped with relevant software

**Library and Reading Room:** The well-equipped, spacious and air conditioned library houses a variety of Management and Course specific books, periodicals, journals and newspapers, along with AV CDS and DVDs. Digital library facility as well as Internet facility is available in the library for e-access to journals and databases.

**Canteen facility:** A Canteen / Cafeteria facility is present in the campus with a variety of food items at reasonable prices, in a clean and hygienic environment. This also serves mini meals for students wishing to avail of the same at very reasonable rates.

**Reprography Facility:** A small store is also available in the campus for stationery items as well providing reprography facilities.

**Other Activities of the Institute:**
The Institute identified by the Institute of Company Secretaries of India as academic partner for their Management Skills Orientation Program

**Cultural and Student Activities:**
**Freshers Evening:** Our annual ice breaking event is held on campus to introduce the incoming students to the other students in the 2nd and 3rd years. This provides our students a platform to showcase their abilities in cultural and other activities, and provides a platform for health interaction between the 3 years
**Cultural Evenings:** Cultural evenings are held regularly on campus, with students showing off their musical, dance and dramatic talents

**Symphenia:** Our Inter School Cultural fest was organized on campus, attracting a large number of entries from schools in the NCR. The Institute received an enthusiastic response from students and teachers with over 1000 entries received for the events.

**Symperia:** Our 3 day Inter collegiate Sports Fest last year was organized on Campus, giving our students an opportunity to showcase their skills in sports. There was keen competition from 60 teams from the NCR in events held on campus, ranging from football to chess. Over 700 students from outside participated in the same.

**Symaroh:** In 2019, our 2 day Inter Collegiate Cultural fest was organized on campus and has succeeded in attracting entries from almost 90 + colleges in the NCR. Numerous celebrities like Baadshah, Raftaar, Amaal Malik, Jassi Sidhu etc have performed in our fest in recent years. The event sees packed crowds on both the days.

**SyMUNC:** Our Model United Nations Conference received an outstanding participation this year with almost 50 institutions participating in the same. The MUN this year was attended by more than 200 delegates from all over the country.

**SymCharcha:** Our 2 day Inter Collegiate Debate Competition attracted 42 teams from as many Institutions. The level of competition was extremely keen.

**Clubs:** The following Clubs have been formed in the Institute and are highly active:

- Music,
- Dance,
- Drama,
- Photography,
- Debate
- Specialization wise Clubs (Marketing / Finance / HR / Tech)

**Placements:**
The Institute has enjoyed an excellent placement season, Almost all the students who requested for placement assistance were provided the same. The average package offered to the students at the time of this publication is around ₹ 3.75 lakhs CTC p.a.

**International Credit Transfer Programs:**
SCMS NOIDA students attended summer schools in Berlin and at the London Schools of Economics. Requisite credits were granted for the same. This year, we have commenced the semester exchange program as well.

**Centre for Corporate Learning and Development (CCLD):**
SCMS has launched the CCLD for providing customised Learning and Development Programs for Corporates.

- Executive Development Programs for L & T Construction are an almost monthly feature with SCMS – N.
- The Institute also conducts Supervisory Development Programs for Power Transmission and Distribution IC of L & T Ltd.
- L & T Construction has also outsourced behavioural programs in Delhi circle to SCMS – N.
Similarly, the Institute of Company Secretaries of India outsourced its Management Skills Orientation Program to SCMS – N.

Programs have also been conducted for Hindustan Field Services Pvt. Ltd. (a JV of Hindustan Unilever Ltd. and Smollan Holdings of South Africa) and Smollan Services Pvt. Ltd.

Research Activities:
The Institute organized the first International Conference on behalf of the Faculty of Management of the Symbiosis International University. This was in academic partnership with the Arizona State University, USA. We received very good participation from international Scholars. The Institute also publishes the "Journal of General Management Research" with an ISSN. The Institute has also received grants from the Indian Council of Social Science Research, under the Ministry of Human Resource Development (MHRD) towards the International Research Conferences, 3 years in a row previously. This can be taken as an acknowledgement of the quality of the Conferences.

The Institute also publishes the Journal of General Management Research, with print and online ISSN, jointly with Bloomsbury Publishing India (Pvt.) Ltd. A notable feature of the Journal is that it is indexed with J Gate and EBSCO, and also is in the UGC White List of Journals.

Institute Ranking:
SCMS NOIDA was ranked as the 24th Best BBA Institute in India in the Times BBA Education Ranking Survey 2018 and also ranked as # 18 in Best Placements.

Symbiosis Institute of Computer Studies and Research (SICSR) aims at building future leaders for the IT industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. The fundamental principles on which we lean on are to use IT in all that we do so that our students are technology savvy and are practicing what they learn namely the use of IT to solve business problems. Information Technology (IT) is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. Information Technology also plays a vital role in development of next generation technologies in other disciplines. IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a Nation’s progress.

We are on the forefront in realizing the vision of our Founder, Dr. S. B. Mujumdar’s to be a true International University, promoting diversity with students from 28 countries in the Under Graduate and Post Graduate Courses in IT and Management.

We offer a complete portfolio of IT education programs, including undergraduate programs Bachelor of Business Administration (Information Technology) and Bachelor of Computer Application, full-time post-graduate programs Master of Business Administration (Information Technology), Master of Science (Computer Application) and Master of Science (System Security) programmes.

SICSR has been ranked at number 1 for its BCA program and among top 10 for its BBA-IT program all India basis by INDIA TODAY – NIELSEN Survey.

SICSR has been ranked number 1 for its MBA-IT Program under technology specialization by CSR (Competition Success Review) in India's Best B-School Rankings 2016, 2017

Director Profile:
Dr. Rajiv Yeravdekar, Director, SIHS has been a merited student throughout. Recipient of the National Merit Scholarship, he graduated from the prestigious B. J. Medical College, Pune in 1985, securing top honours in General Surgery, Obstetrics & Gynaecology. He completed his Masters in Obstetrics & Gynaecology in 1989 & was awarded the Gold Medal by Pune University for his outstanding academic performance. He has completed his Ph.D. from University of Pune. Dr. Rajiv topped the list of successful candidates of the Maharashtra Public Service Commission and joined the B. J. Medical College & Sassoon General Hospitals, Pune as faculty in the Department of Obstetrics, Gynaecology and Family Welfare. He was invited by the Ministry of Health, Sultanate of Oman from 1992–1996, where his work was highly appreciated. On completion of this assignment, Dr. Rajiv conceptualized & set up the Symbiosis Centre of Health Care (SCHC), the healthcare unit for the staff & students of the Symbiosis family. Besides ensuring delivery of quality health care services, the Symbiosis Institute of Health Sciences (SIHS), offers a number of unique, innovative, need based and career oriented academic programmes pertinent to the health care sector. Dr. Rajiv is a former Member of Board of Governors, Medical Council of India (MCI); Central Supervisory Board PCPNDT, Govt. of India; Maharashtra Medical Council (MMC) & Maharashtra Nursing Council (MNC) Govt. of Maharashtra; Member, Governing Council of Consultancy Development Centre (CDC), DSIR, Ministry of Science & Technology. Dr. Rajiv is associated with various other professional organizations like FICCI, CII, IMA, FOGSI, ISCCM, SEMI, IHCQF, MCCIA, etc. He has presented a number of original research articles both at the National and International level. Dr. Rajiv has also contributed a number of articles in many of the leading newspapers and magazines.

Institute Profile:
Symbiosis Institute of Health Sciences (SIHS) has conceptualized and offers need based, non-conventional, innovative & competency driven academic programmes & initiatives designed to raise a cadre of professionals who would facilitate delivery of optimum health care services. It is a conscious response to the growing concern of healthcare education and management across the rapidly growing healthcare sector. SIHS endeavors to create a health momentum towards the ultimate objective of creating a healthy world. Recognitions and accolades from various National & International bodies are a testimony to the contribution of SIHS. The Symbiosis Centre for Health Skills (SCHS) is a multidisciplinary educational facility that strives to provide high-tech simulated and virtually created hospital set-up for teaching, training & assessment for all health care professionals in clinical and related management skills. The broad objective is to align with the National Agenda of Skill Development to create robust and vibrant eco system for quality education and skill development in healthcare sector in the country. This Centre provides education and training facilities to the exiting & new programmes, which are skill based and competency driven. To address this need further, SIHS is in the process of developing a Health
Programme Profile

Bachelor Of Science – Medical Technology

Objective: As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever-changing and ever-expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

Specializations

The programme offers specializations in the following areas:-

1. Cardiac Care Technology: The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.

2. Respiratory Therapy: The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.

3. Dialysis Technology: Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.

4. Imaging Sciences Technology: Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.

5. Clinical Lab. Technology: Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.

6. Operation Theatre and Anaesthesia Technology: The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post-operative procedures.

7. Laparoscopy & Endoscopy: Technologists learn the fundamentals & skills required to assist the Surgeons conducting Laparoscopy procedures and Physicians in Endoscopy procedures at various clinical establishments.

8. Ophthalmic Sciences: Technologists pursuing Ophthalmic Sciences specialization deal with the technical aspects of ophthalmic procedures required for diagnosis and treatment of eye disorders & diseases. The technologists so trained would be in a position to competently assist the Ophthalmologists.
9. **Neurosciences Technology:** Neuroscience technology is a fast developing field in medical science. The students will acquire skills to assess the patient, plan various electro-diagnostic procedures, and implement them in the neurosciences laboratories.

**Duration:** 3 years full time

**Intake:** 120 students

**Eligibility:**
Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

**Important:** It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

**Reservation of Seats:** As per University norms

**Admission Procedure:**

**STEP I:** Online registration to B.Sc. Medical Technology programme:
Complete the online registration by filling the online registration form and making online payment of registration charges. Registration charges are Rs.1250/-

**STEP II:** You will be appearing for the Entrance Test.

**STEP III:** Eligible candidates will be called for Personal Interaction and Written Ability Test (PI-WAT).

Orientation and Pedagogy:
The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time in tertiary care hospital related to their specialization where they are exposed to actual “hands on” practical training. Various Academic visits will be organized related to the specialization. The students will participate actively in number of co - curricular & extra-curricular activities in developing self-confidence and ability to realize his/her full potential.

Eminent guest faculty further enriches the course content. Innovative teaching methods and sessions contribute to all round personality development in addition to academic excellence and practical competencies.

Programme Profile

Bachelor of Science -Radiotherapy:
This program is approved by Atomic Energy Regulatory Board (AERB).

Objective: To train students in Radiotherapy techniques with specific objective driven learning such as Radiation safety, Special patient preparation before the study to obtain the most accurate result in radiotherapy procedures and handling the machines used for the procedures effectively.

These students would be in a position to competently assist the Physician, to cater to the branch of Radiotherapy globally.

Duration: 3 years fulltime
Intake: 06 students

Eligibility:
Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Important: It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility for admission will be decided by Symbiosis International University

Reservation of Seats: As per University norms

STEP I: Online registration to B.Sc. Medical Technology programme:
Complete the online registration by filling the online registration form and making online payment of registration charges. Registration charges are Rs.1250/-

STEP II: You will be appearing for the Entrance Test.

STEP III: Eligible candidates will be called for Personal Interaction and Written Ability Test (PI-WAT).

Officiating Director Profile:

Prof. Sanjeevani Ayachit is currently the Officiating Director at the Symbiosis Institute of Design. With a Master’s degree in Clothing and Textiles (M. S. University of Baroda), she has vast experience in the field of design and design-related education and consultancy.

On completing her Masters education, she took up employment at the prestigious men’s apparel company Raymond Apparel Ltd. (RAL), Thane, where she oversaw their finishing and quality control department. After spending a few years at RAL, she took up a temporary teaching position at the S. N. D. T College of Home Science, Pune. This was soon followed by a three-year period of teaching fashion design at a private institute. She has also worked as Manager – Quality Control at a Pune based apparel brand, Sleepins Apparel Pvt. Ltd.

Prof. Sanjeevani Ayachit heads the departments of Fashion Design and Fashion Communication at SID and has previously served as Deputy Director at the Symbiosis Institute of Design for almost 4 years. She is pursuing her PhD at Symbiosis International University examining cross-cultural subtleties of costumes of the Peshwas of Pune.

Institute Profile:

Constituent of Symbiosis International (Deemed University), Symbiosis Institute of Design (SID) creates an enabling atmosphere for students with a right bent of mind to hone their skills and capabilities to turn them into competitive professional designers.

The unique multidisciplinary campus offers opportunities to students of different streams to share ideas, brainstorm solutions and catalyze each other’s thinking.

The work ambience enables one to build on one’s conventional skills and complimented with modern tools and techniques allows the student to be on the cutting edge of Design.

Programme Profile:

Name of the programme: Bachelor of Design (B.Des)
**Duration:** 4 years

The institute offers four years full time degree programme, Bachelor of Design (B.Des) in following 8 specializations

1. Graphic Design (GD)
2. Video Film Design (VFD)
3. Animation Film Design (AFD)
4. User Experience Design (UED)
5. Product Design (PD)
6. Interior Space Design (ISD)
7. Fashion Design (FD)
8. Fashion Communication (FC)

The specializations mentioned from 1 to 4 above fall under the discipline Communication Design (CD) and 5 to 6 falls under Industrial Design (ID).

The programme is aimed at creating professionals who can contribute to the highly dynamic and competitive world of design. The approach here is entirely project based. The institute puts high emphasis on evaluating the students on the basis of continuous performance and projects.

**Intake:** 180 students

**Eligibility:**

Standard XII (10+2) or equivalent examination passed from any recognized board OR equivalent government approved diploma (10+3) with minimum 50% marks (45% marks for Scheduled Caste/Scheduled Tribes).

A candidate failing at 12th Standard examination but has appeared and passed at the immediate compartmental examination held in the same year, in first attempt will be eligible for provisional admission.

**IMPORTANT:** It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility for admission will be decided by Symbiosis International University (SIU).

**Admission Process:**

Admission to B. Des program of SID will be according to the following process.

<table>
<thead>
<tr>
<th>Level 1</th>
<th>Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SEED website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SID’s Studio Test and Personal Interaction. Shortlisting for admission will be based only by Preference 1 selected during online registration.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level 2</td>
<td>Studio Test and Personal Interaction will be conducted only at SID, Pune campus in the last week of May.</td>
</tr>
</tbody>
</table>

Final selection would be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Studio Test and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and his/her first preference of the disciplines offered.

**Reservation of Seats:** As per University norms.

**Desirable:** The candidate should possess Creative Aptitude & Skills necessary to pursue Design Education as well as adaptability to the situations, which the profession demands. Candidates with the relevant portfolio would be preferred.

**Orientation & Pedagogy:**

Design is an intuition, an outcome of a subconscious thought that leads us to a deeper sense of knowing. Intuition is akin to an elongated insight that tells us we are on to something dynamic to face the competitive world of design.

Design also involves reason that assesses the problem and analyzes the possibilities for solution. It is the analytical process that relies on method and logic to assess, refine, and verify its various hypotheses. At SID, it reflects the same by evaluating the student’s project based assignments on the basis of daily performance.

**Design pedagogy** or design education may be defined as the set of practices and systems for training in the field of design; the ways and methods of teaching for the acquisition of necessary knowledge and skills in order to practice design profession. Design schools all over the world follow an “art and design” pedagogy. SID uses a combination of Lecture, Studio and Practical sessions in combination with Demonstrations, Film Screenings, Industry Visits, Cultural Visits, Case Studies and Group Discussions. This variety of learning techniques enhances the learning experience of students making them better equipped to undertake design assignments and projects.

Institute Profile:
Widely acclaimed as India’s premier mass communication college, Symbiosis Centre for Media & Communication (SCMC) has been successful in carving a niche for itself in the field of media and communication education since its inception in 2008. SCMC is a department of Symbiosis International University (SIU), under the Faculty of Media Communication (FoMC). Through our programme, Bachelor of Arts (Mass Communication), we offer a comprehensive learning experience through traditional academics & research, as well as cyber & experiential learning. We are the only media education institute in India to offer specialization / courses at the undergraduate level supported by extensive coursework, academic sessions by professionals with years of industry experience, immersive internships and projects. Our intake process entails hand-picking students every year for the programme through a screening procedure that includes an entrance test and personal interviews. Our mission is to nurture their natural talents and aptitudes; equip them with technical knowledge and skills; and prepare them for the media industry or further education, whichever they choose, post their graduation.

The SCMC core faculty possesses years of industry, academic and research experience, while our visiting and guest faculty are active media professionals. Together, they help the students gain an understanding of real world scenarios and of the changing demands of the industry, and to create networks within the media community. We also ensure that we have the resources and infrastructure to back up classroom learning with practical, hands-on experience needed for each of our programme specializations. Several of our classrooms are acoustically sealed.
mini-auditoriums, with state-of-art projection and sound systems. We have a professional-grade AV studio and pre- and post-production audio and video laboratories, journalism labs, along with a photo studio and computer lab equipped with the latest software. SCMC has a robust placement record and our alumni are spread across the media sector in India and around the world. Many have gone on to pursue higher education or research; and are excelling in their chosen fields.

The definition of media has undergone a radical change in recent times. The shift is not merely technological, but that of perception of society about media and the awareness of the potential that lies in the active participation in the creation of media. We pride ourselves as leaders in media education and our core mission is to create exceptional communicators and future ready professionals, capable of understanding, responding to and actively engaging with global issues that need attention.

Programme Profile:

**Name of the Programme:** Bachelor of Arts (Mass Communication)

The full-time programme is spread over a period of three years, and spaced out over six semesters of six months each, incorporating theoretical lectures, hands-on practical sessions, tutorials, classroom presentations, take-home assignments, sporting and cultural events, field trips, study tours, projects, internships.

She has written a number of research papers and has been invited to a number of conferences and seminar as a speaker.

Institute Profile:
Founded in 2008, Symbiosis School of Economics is a young, vibrant and rapidly growing institution, with a decade of demonstrated success. SSE is a niche institute seeking to develop intellectual discipline, critical and analytical assessment which will result in rational thinking along with an understanding of the need for constrained optimization and a strong urge to strive towards achieving equilibrium. We at SSE, achieve these goals in an educational environment committed to excellence and academic freedom.

Higher education is critical to successful economic development and quality of life. SSE offers graduate and postgraduate programs in Economics within which students develop the intellectual and professional competencies
for successful life and work leadership. The course content is rigorous and the approach is descriptive as well as investigative; it connects the students with every aspect of economics through various facets — the micro, the macro and the global scenario. It is our endeavor to create a class of students who will be capable of including innovations and pragmatism into problem solving in these very spheres. With its interdisciplinary flavour. The curricula prepare students for careers in banks, financial institutions, corporate, media and communication, Government, academia and so on. Despite the demanding environment, there is ample scope for creativity, originality and student initiatives. It is a journey of academic pursuits, which is ever evolving incorporating different perspectives from varied stakeholders, making our courses increasingly relevant and meaningful.

Anita Patankar leads the Symbiosis School for Liberal Arts (SSLA) with expertise, vision and passion. Her educational qualifications include an M. Com, M.S. (Psychotherapy and Counselling), P.G. Diploma in Psychological Counselling, etc. She has recently submitted her PhD thesis to the University of Pune.

An educator for three decades, Anita Patankar has had a multi-hued career in teaching, counseling, consultancy and corporate education. Ms. Patankar headed the Department of Marketing at the Symbiosis College of Arts and Commerce, where she also was the founder member of India’s first institute for liberal arts, the Symbiosis Centre for Liberal Arts, and also their Centre for International Initiatives.

Ms. Patankar has co-authored three textbooks in Marketing and Business Administration and has edited several books for Symbiosis Centre for Distance Learning. While teaching has always been her primary passion, she has always been involved in international educational programmes and corporate education programmes led by Symbiosis International (Deemed University). She also works as the Deputy Director of the Symbiosis Centre for International Education.

Institute Profile:
Symbiosis School for Liberal Arts was established in 2011 and offers a four-year undergraduate degree in Liberal Arts, with a special focus on the student’s choice of field from the Social Sciences, Humanities, Sciences, and Professional courses like Media and Business.

**Orientation and Pedagogy:**

Symbiosis School for Liberal Arts offers an education that ties together various disciplines that are not traditionally or typically offered at the undergraduate level. With changes in the economy and employment sector, the interdisciplinary combinations’ and multi-disciplinary skills are much valued for future career growth, personal and professional success. The programme finds its footing in the Social Sciences such as Psychology, Anthropology
and Sociology; Humanities such as History, English and Philosophy; Sciences such as Biology, Mathematics and Statistics, Computer Studies; and Professional courses in Business and Media. This coursework is offered with mandatory or core courses that help in developing research, thinking and critical skills; and electives such as Greek Philosophy, World Music, or The Idea of Art, which complete a true liberal arts education.

At SSLA, the system of education integrates knowledge, skills, and attitude (i.e. a way of contextualizing the world as critically conscious citizens) into the curriculum and co-curricular activities. This holistic framework is the hallmark of SSLA’s programme structure, which is a break from a more traditional educational curriculum. To achieve this at SSLA, we aim to:

- Remove any barriers that limit a student's access to a broad range of courses by offering courses across all disciplines, and encouraging them to explore combinations that are conventionally viewed as being 'academically incompatible'.
- Introduce innovative pedagogies, interactive seminars and group discussions, interactive audio-visuals, lectures and guest speakers/experts, visits and workshops, team learning through projects and assignments, and self-learning through library reference and internships. These experimental activities or multifaceted teaching methods engage different learning styles of students.
- Provide students with opportunities to interact with leading experts in various fields who are associated with SSLA as its knowledge partners.

Institute Profile:
Symbiosis School of Culinary Arts (SSCA) is a department of Symbiosis International (Deemed) University, founded in 1996, and is the first school fully dedicated in offering qualifications in culinary science and arts in the country. SSCA is established with a view to cater to the need of the Food industry to have specialized culinary professionals.

Indian Food Services market in India (organized and unorganized) is estimated at INR 3,37,500 crore in 2017 and is projected to grow at a CAGR of 10% over the next 5 years to reach INR 552,000 crore by 2022 (FICCI Report). This projected growth is expected to throw open many opportunities for Indian students to pursue career in food service industry. During the last decade, culinary has emerged as a preferred career option in the food service industry.

It takes a well-rounded and planned education to run a food service operation. Along with knowledge of culinary arts, it is also important to know how to manage people, control costs and attract customers in order to succeed in this increasingly competitive industry.
Programme Profile: Name of the Programme: B.Sc. (Culinary Arts)

Duration: 3 years

Keeping in view the increasing demand for specialized program in Culinary Arts, SSCA offers a three- year, full-time B.Sc. programme in Culinary Arts. This B.Sc. (Culinary Arts) degree program prepares students for a wide range of career options such as Chefs, Chef Managers, food critics, food photographers, entrepreneurs, concept developers for health foods, culinary advisors and Celebrity Chefs.

The program is highly interactive and practical oriented. Master Chef Sanjeev Kapoor is the Chair Professor of this school and has team of professional chefs to train youngsters for a skilled and grueling culinary profession. SSCA offers its students the most conducive environment for studying and research. Seminars by celebrity chefs, workshops, summer projects and industry visits are incorporated as part of academics. SSCA also focuses on the personality development of the students and grooms them for future challenges in life.

Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organisations.

Innovation in culinary field, adaptability, business ethics and social responsibility are emphasized to develop students into becoming leaders as well as responsible citizens.

Intake: 60 students

Eligibility:

Standard XII (10+2) or equivalent examination passed from any recognized board with minimum 50% marks (45% marks for Scheduled Caste/Scheduled Tribes).

Important: It is the responsibility of the candidate to ascertain whether he / she possess the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Orientation and Pedagogy:

The study of fact, theory and concept is not sufficient to educate a culinarian. The individual must have the opportunity to hone the skills, by watching processes and ingredients in action, and to practice them. Culinary Skills are a great combination of the art and science and these skills can only be learned in practice.

Pune is largely based on this principle and is a mix of many learning methodologies. Apart from the usual chalk-n-talk, there is a conscious effort to make the sessions interactive by providing opportunities to practice and be exposed to the latest developments in the culinary field.

At SSCA, we seek to transform gourmet enthusiasts into culinary professionals. The pedagogy at SSCA is designed to incorporate the appropriate practical components to have a thorough grounding in the art and science of culinary preparation.

The course content is a paradigm shift from the traditional way of imparting culinary education. The program facilitates a strong foundation, from culinary basics to contemporary gastronomic trends. Besides being a skill based course, the teaching learning process is not just restricted within the premises of SSCA but extends further with study tours and factory visits. It further expands the student's horizon to advance from academic knowledge to its creative application in mastering the art of food preparation and presentation. Teaching inputs at SSCA have been carefully crafted to bridge the gap between academics and the hospitality industry, thereby achieving symbiosis. The program prepares students to take on professional responsibilities in various career options in standalone specialty cuisine restaurants or star hotels across the globe. The academic environment at SSCA nurtures creative thinking and develops students to manage culinary business enterprise in a globally competitive environment.

In addition, students are encouraged to undertake multiple hands-on projects to hone their research and analytical skills. Latest state-of-the-art equipment and techniques are used wherever possible. Ample guest lectures will

Institute Profile:
Symbiosis Institute of Technology, being the flagship Institute of the prestigious Symbiosis International University has set high standards for itself. The Institute endeavours to provide quality education in line with the requirements of today’s competitive industry and rapid developments in technology. The Institute provides an environment conducive for harnessing the potential of faculty and students through systematic and effective learning, both within and outside the classrooms. The roadmap developed for the Institute envisions it to acquire
the status of a prestigious Institute of Technology at National level.
Among the initiatives taken to make SIT one of the most sought after Institutes of technical education in the country are:

- recruitment of highly qualified and experienced faculty and their continual professional growth through attending conferences and publications of research papers
- regular revision of curriculum in line with fast changing needs of industry
- employing innovative methods of teaching and providing ample opportunities for learning outside the classroom through projects, technical fests and cultural programmes.

The Institute offers and B.Tech programmes in Civil Engineering, Computer Science & Engineering, Electronics & Telecommunication Engineering, Information Technology and Mechanical Engineering. Admission to the B.Tech programme is carried out through Symbiosis Entrance Test (SIT EEE), JEE (Main) and MHT-CET examinations. The Institute also offers M. Tech programmes in Computer Aided Design and Manufacture, Electronics & Telecommunication Engineering, Computer Science & Engineering and Geoinformatics and Surveying Technology.

Orientation and Pedagogy:

a. Method of Instruction
The Institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed presentations, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a six-month project semester, totally devoted to carrying out projects in the industry. Students of all under graduate programmes spend six months in the industry, other organizations, renowned institutions and universities, both in India and abroad, as part of their curriculum. They are encouraged to undertake projects in various areas of the industry to augment their theoretical learning. The emphasis during the ‘Project Semester’ is to expose the students to real life problems in their chosen field of work and find their solutions, using a systematic and logical approach employing latest tools, techniques and technologies.
All students of SIT can opt for and qualify a special Diploma in Business Management from the Symbiosis Institute of Business Management, Pune a premier Institute of Management in the country. This arrangement gives the students an insight into basic functions of management like marketing, finance, human resource and operations, in addition to polishing their communication and interpersonal skills. The students are exposed to these aspects at an early age as compared to the students of other management programmes. This helps a great deal in making the theoretical concepts and techniques of management become a part of students’ personality and their normal way of life. The students of SIT interact with and share the experiences of eminent personalities who visit the Institute from time to time. B.Tech Degree with Honours has been introduced from this academic year [2019-20].

b. Industry Interface
It is necessary to give students an insight into the practical aspects of theory taught in the Institute. The Institute, right from its inception, has ensured industrial participation in curriculum development, guest lectures, student trainings and internships. In addition to these, several industrial visits are also arranged for students in order to give them a clear picture of the industrial environment. Visits were made to some renowned companies like ARAI, Bharat Forge, KraftPowercon, Persistent, Maker’s Lab [Tech Mahindra], Mapro Industry, 512 Army Base workshop, GE, Tata Motors, etc.

c. Research and Development
SIU started Ph.D. programme in Engineering from the academic year 2010-2011. Presently 109 research scholars are pursuing their research from Faculty of Engineering. Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members regularly send
proposals to funding agencies for sponsored R&D projects in emerging areas of research. They also have a large number of publications in referred journals and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty and students have published 74 papers in refereed journals in the academic year 2017-18, out of which fifty two journal papers were SCOPUS indexed journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas.

d. International Initiatives

Symbiosis Centre for International Education located at Symbiosis Vishvabhawan, SB Road takes a large number of initiatives for collaboration with foreign universities. The activities include Student Exchange Programme, Semester Abroad Programme, Scholar in Residence Programme and joint research initiatives. Presently SIT has collaboration with

- Nanyang Technological University, Singapore
- Berlin School of Law and Economics, Leibniz University and Ingolstadt University, Germany
- University of Adelaide and University of Queensland, Australia
- Telecom Ecole de Management Paris,
- University of Malta, Malta
- King Mongkut’s University, Thailand
- University of Malaya, Malaysia
- Ritsumeikan University, Japan
- IUPUI, Indianpolis, USA.

Our students regularly visit some of these universities and their students have been with us on Semester Abroad Programme and Study India Programme.

Placements:

The Institute has a very well organized placement and training cell. All the students of final year are prepared for campus interviews through special programs on technical and soft skills, which help them get prestigious jobs. Leading companies from multitude of sectors participate in final placements offering sought after profiles with competitive packages. The recruiter portfolio comprised a healthy mix of recruiters from IT sector and fast growing start-ups. Further some students, with their superlative effort during internships and reputed corporate competitions were awarded PPOs by highly coveted companies. The visiting companies include Rakuten (Japan), Microsoft, DELL, Amdocs, IBM, Persistent, Syntel, TCS and fortune 500 companies like Amazon, Pitney Bowes Software India, Nvidia and Tetrapack, 3 DPLM, Cummins India, Renishaw, Anand Group, Gelseck Devrient, Konecranes, Mahindra Vehicle manufacturing Ltd., Siemens PLM, Manhattan Ocean, Rall bombardier, Directi, HDFC Bank, Veritas, Cadence, Symantec corporation, Decimal Point Analytics, IBM, L&T Infotech, etc.

** Academic, Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Academic Fees, Hostel and Mess Fees can be increased up to 10% during the period of the Programme to cater to any changes, introduction of Government taxes as and when applicable.

- Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of wire transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU.
Programme Structure: Bachelor of Technology (Civil) [B.Tech (Civil)]

Semester: I

Core Courses
- Chemistry
- Chemistry Lab
- Engineering Mathematics -I
- Engineering Mechanics
- Engineering Mechanics Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Engineering Graphics
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Critical Thinking
- Introduction to Fluid Mechanics
- Introduction to Fluid Mechanics Lab
- Building Construction Technology
- Building Construction Technology Lab
- Hydrology and Water Resource Engineering
- Integrated Disaster Management

Electives
- Basic German I
- Basic French I
- Basic Spanish I

Semester: II

Core Courses
- Physics
- Physics lab
- Engineering Mathematics -II
- Environmental Science
- Basics of Civil Engineering
- Basics of Civil Engineering Lab
- Tinker Lab
- Communication Skills
- Communication skills lab
- Creative Thinking
- Software Tools

Semester: III

Core Courses
- Engineering Mathematics-III
- Introduction to Solid Mechanics
- Introduction to Solid Mechanics Lab
- Computer Aided Civil Engineering Drawing
- Environmental Engineering I
- Environmental Engineering I Lab.
- Structural Design-I
- Structural Design I Lab.
- Project Based Learning-I
- Design Thinking
- Principles of Economics
- Flexi-Credit Course

Electives: GIS and Surveying Technology
- Project Phase - I
- Digital Image Processing in GIS
- Spatial Modelling and Analysis

Electives: Infrastructure Engineering and Management
- Project Phase - I
- Pavement Materials
- Public Transportation Systems
- Urban Transportation Planning

Electives: Environmental Hydraulics
- Project Phase - I
- Environmental Fluid Mechanics
- Pipeline Engineering
- River Engineering

Electives: Geo-Environmental Engineering
- Project Phase - I
- Geotechnical Design
- Environmental Systems
- Environmental Laws and Policy

Electives: Structural Engineering
- Project Phase - I
- Structural Analysis by Matrix Methods
- Prestressed Concrete

Electives: Smart Cities and Urban Analytics
- Project Phase - I
- Smart Cities: Context Policy and Governance
- Application of Sensor Technology to Smart Cities

Semester: IV

Core Courses
- Statistics, Probability and Numerical Methods
- Structural Analysis-I
- Geology and Soil Mechanics
- Geology & Soil Mechanics Lab
- Open Channel Flow
- Open Channel Flow Lab
- Advanced Surveying Lab
- Service Learning
- Project Based Learning -I
- Entrepreneurship Venture

Electives
- Foundation of Ethics
- Introduction to Indian Philosophy

Semester: V

Core Courses
- Structural Analysis-II
- Quantity Surveying and Valuation
- Environmental Engineering I
- Environmental Engineering I Lab.
- Structural Design-I
- Structural Design I Lab.
- Project Based Learning-II

Electives
- Project Phase - I
- Structural Analysis by Matrix Methods
- Prestressed Concrete

Electives: Smart Cities and Urban Analytics
- Project Phase - I
- Smart Cities: Context Policy and Governance
- Application of Sensor Technology to Smart Cities

Semester: VI

Core Courses
- Environmental Engineering II
Electives
- Soil Mechanics II
- Bridge Engineering
- Green building technology
- Airport Planning and Design
- Introduction to Remote Sensing and GIS
- Environmental Systems
- Smart Cities and Future Urbanism
- Glass Facade Engineering
- Foundation Engineering
- Pavement Design
- Integrated Water resource Management
- Computer Applications in Construction Management
- Urban Transport Engineering
- Smart Cities Planning and Development
- Advanced Structural Analysis
- Design of Hydraulic Structures
- Soil Mechanics II Lab
- Environmental Systems Lab
- Advanced Structural Analysis Lab
- Design of Hydraulic Structures Lab
- MATLAB
- Introduction to Robotics
- Renewable Energy Systems
- Introduction to Image Processing
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Introduction to Data Science
- Introduction to AI and Machine Learning
- Quality Management Techniques
- Electrical and Electronics Materials
- 3D Printing and Prototyping
- Project Management
- Nanotechnology

Electives: GIS and Surveying Technology
- Project Phase II
- Global Navigation Satellite Systems
- Global Navigation Satellite Systems Lab

Electives: Infrastructure Engineering and Management
- Project Phase II
- Infrastructure Planning and Design
- Infrastructure Planning and Design Lab

Electives: Environmental Hydraulics
- Project Phase II
- Water Resources Field Methods
- Water Resources Field Methods Lab

Electives: Geo-Environmental Engineering
- Project Phase II
- Structural Geology
- Structural Geology Lab

Electives: Structural Engineering
- Project Phase - II
- Modelling and Analysis of Uncertainty
- Modelling and Analysis of Uncertainty Lab

Electives: Smart Cities and Urban Analytics
- Project Phase II
- IOT for Smart Cities
- IOT for Smart Cities Lab

Semester: VII
Core Courses
- Project
- Cyber Security

Electives
- Prestressed Concrete Structure
- Waste Management Systems
- Water Power Engineering
- Introduction to Finite Element Methods
- Sustainable Construction Methods
- Environmental Geotechniques
- Environmental Impact Assessment
- Traffic Engineering
- Optimization in Civil Engineering
- Port and Harbor Engineering
- Rock Mechanics
- Advanced Concrete Technology
- Professional Practices in Construction
- Project Management in Smart Cities
- Geoinformatics Application for Emergency Response Management
- Water and Air Quality Modelling
- Prestressed Concrete Structure Lab
- Waste Management System Lab
- Water Power Engineering Lab
- Principles of Modern Communication Systems
- Printed Circuit Board (PCB) Design
- Machine Learning
- Introduction to Mechatronics
- GIS Applications
- Intelligent Transportation Management
- Open Source Technologies
- Basics of Database
- Introduction to BIGDATA
• Six sigma
• Introduction to Optimisation
• Fundamentals of Automotive Technology
• Introduction to Operations Research
• Smart Materials
• Introduction to Mathematical Modelling
• Organizational Behaviour

**Director Profile:**
Dr Anjali K Sharma is Professor of Architecture and Planning in India; have thirty-five years of experience as consulting architect, teaching and real estate sector. Is member of Board of Directors of Academic Council; resource person for IGNOU, GGIP University, SFHEA & RIBA chartered Member, SPA, Manipal University, Indian institute etc and Council of Architecture member for inspection of colleges to monitor the academic standards. Also member of International advisory committee’s for Conferences and worked on Indian Heritage Cities Network program, UNESCO, member of Asian Universities Network Forum on Advances in Research: Japan, a keynote speaker, panelist at Asian and international platforms. Graduated from School of Planning and Architecture; New Delhi acknowledged as ‘Institute of National Importance’ by government of India. Have thirty-five years of experience of majorly Academia and Consultancy. Key Areas: Architectural design, Sustainable development, Urban design, Urbanization, Residential- Housing, Cultural heritage, Energy and Climate change, Transformations, Resilience, Migration, Re-densification, hands on consultancy projects and innovative teaching.

**Institute Profile:**
Symbiosis School of Planning Architecture and Design (SSPAD) is an institution which brings together a perfect blend of three streams namely planning, architecture and design under one roof. We offer a five year degree programme in Bachelor of Architecture (B.Arch), a four year Bachelor of Design (B.Design) undergraduate degree and a two year Master of Design (M.Design) degree wherein, the students opting for these programmes choose their discipline of choice and will engage for four years honing the skills that will allow them to be industry ready at the end of it.
Programme Profile: Bachelor of Architecture & Bachelor of Design

Intake:
Bachelor of Architecture – 40 students
Bachelor of Design - 60 students

Duration:
Bachelor of Architecture – 5 Years
Bachelor of Design – 4 Years

Eligibility:
Bachelor of Architecture
1. Qualify in NATA or JEE paper II.
2. Passed in the 10+2 level of examinations with 50% marks in Physics, Chemistry and Mathematics and also 50% in aggregate at the 10+2 level examinations.
   OR
3. Passed 10+3 Diploma Examination with Mathematics as a compulsory subject and 50% marks in the aggregate.

Bachelor of Design
