A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

“It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys’ hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled.” “When I turned to the boy for an explanation, he said, ‘Sir, I have an attack of jaundice & I’m feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys’ hostel, she hands over the tiffin box through the window.’ I was stunned. After all, it wasn’t the type of ‘affair’ I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. “Symbiosis is a term in life science, meaning ‘living together of two different organisms, for the benefit of each other’. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 85 different countries. These students are offered the best learning resources, industry exposure, a strong international students’ alumni network, a global recognition, and above all, a truly enriching Indian experience.

Chancellor's Message

I am delighted to welcome you to the Symbiosis International (Deemed University). The University, founded on the guiding ideal of international understanding and excellence in education, is a proud member of the larger Symbiosis family.

I have no doubt that as you become more familiar with the University, you will find yourself presented with an abundance of possibilities in academics and more. The University is firm in its belief that academics is but one segment of education. You will discover the most progressive choices in teaching-learning, extra-curricular activities, wellness-recreation facilities, and all round infrastructural support. We take tremendous pride in our talented teaching staff, many members of which are academics of international standing. I am confident that as you begin to settle down, you will find your experience at Symbiosis to be rewarding and to be equal to the expectations you might have of an international institution.

Our end goal is to meet and exceed your higher education goals, of course, but also to prepare you to be leaders as you join the workforce, and, most importantly, to be responsible members of global citizenry. As you embark on your journey of higher education at Symbiosis, you will find yourself in the company of students from over eighty-five countries and from all over India.

I do hope that your association with Symbiosis will provide you with endless opportunities to harness your capabilities and put them to good use.

May God bless you!

Prof. Dr. S. B. Mujumdar

Chancellor

Pro Chancellor's Message

Symbiosis upholds its motto "Vasudhaiva Kutumbakam" the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students' intellectual acuity.

The classrooms at the Symbiosis campus encourage an innovative and futuristic approach for management, academia and the administrative staff. As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well- equipped classrooms, accommodation and an environment that assists students in realizing their potential while embracing diversity. The eclectic environment here enables students to think critically and emerge as responsible citizens with high moral values, ethics and good social conduct.

We aim to create globally valued graduates and have framed policies and procedures to expose students and faculty to international, intercultural and comparative aspects. This is ensured by encouraging student mobility on exchange and summer schools to international partners. The interdisciplinary studies allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment.

The Programmes offered at Symbiosis are innovative and designed according to the needs of the industry, thus creating the needed academia-industry interface. The Incubation Centre at Symbiosis has been created with the aim of supporting and nurturing the innovative spirit of the students and developing their entrepreneurial abilities.

On behalf of the University, I welcome you to the Symbiosis family! I wish you success in the Programme that you have chosen to study with us.

Dr. Vidya Yeravdekar

Pro Chancellor, Symbiosis International (Deemed University) Principal Director, Symbiosis

Vice Chancellor's Message

As the Vice Chancellor of Symbiosis International (Deemed University), it's my privilege to welcome all prospective students to our esteemed University. As you explore our Undergraduate Prospectus for 2024-25, you are taking the first step towards a transformative journey in higher education.

At Symbiosis, we believe in nurturing minds and fostering critical thinking, ensuring that our graduates are not just academically proficient but also socially responsible and globally aware citizens. Our comprehensive range of undergraduate programs across various faculties - Law, Management, Computer Studies, Medical and Health Sciences, Media and Communication, Humanities and Social Sciences, Engineering, and Architecture and Design - are designed to provide an immersive educational experience.

In the Faculty of Law, we emphasize on blending theory with practical knowledge, preparing students for the dynamic legal world. The Faculty of Management is focused on developing future business leaders with a strong ethical grounding. Our Faculty of Computer Studies is at the forefront of technological advancement, equipping students with skills to excel in the ever-evolving tech industry. The Faculty of Medical and Health Sciences offers state-of-the-art facilities and a curriculum aligned with the latest in medical research and practices. The Faculty of Media and Communication is dedicated to nurturing creative talents who can shape public discourse. In the Humanities and Social Sciences, we delve deep into understanding human society and culture, fostering a sense of global citizenship. Our Faculty of Engineering combines rigorous academic training with practical problem-solving skills, preparing students for a rapidly changing technical landscape. Lastly, the Faculty of Architecture and Design encourages innovative thinking and design skills, aimed at creating sustainable and aesthetic environments.

At Symbiosis International (Deemed University) and its constituents, we're not just committed to academic excellence but also to providing a vibrant campus life, rich with cultural, sports, and extracurricular activities, enabling holistic development. Our world-class faculty, international collaborations, and strong industry linkages ensure that your education is relevant and you are well-prepared for the future.

I invite you to explore this prospectus and discover the multitude of opportunities that await you at our University. Embark on this journey with us and be a part of a community that values learning, innovation, and collaboration.

Wishing you all the best in your educational endeavors.

Sincerely,

Dr Ramakrishnan Raman

Vice Chancellor - Symbiosis International (Deemed University)

The University

Founded in 1971 by visionary educator Prof. Dr. S.B. Mujumdar, Symbiosis has blossomed into a thriving multi-disciplinary hub, where students and faculty from over 85 countries come together to learn, grow, and inspire each other. More than just a university, Symbiosis is a "home away from home" for international students, embodying the ancient Vedic ideal of "Vasudhaiva Kutumbakam" - the world as one family.

A tapestry of cultures and cutting-edge ideas defines the Symbiosis experience. Imagine bustling campuses across four Indian states, each one abuzz with the energy of diverse perspectives and collaborative learning. Whether you're pursuing a doctoral degree in law, honing your skills in management, or exploring the frontiers of computer science, Symbiosis International University offers a spectrum of academic programs to ignite your passion. The University offers doctoral, post graduate, under graduate, diploma and certificate programmes in Law, Management, Computer Studies, Medical & Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering and Architecture & Design.

Symbiosis International (Deemed University) is a powerhouse of innovation. Its state-of-the-art facilities, like the Symbiosis Medical College for Women and its accompanying Symbiosis Hospital and Research Center (SUHRC), are testaments to its commitment to generating knowledge and fostering ground breaking advancements.

The University's commitment to high-quality education is recognized and celebrated both nationally and internationally through various prestigious rankings and accreditations.

National Recognition:

- University Grants Commission (UGC): Category-I Status (awarded to universities meeting the highest standards of teaching, research, and infrastructure)
- National Assessment and Accreditation Council (NAAC): 'A++' Grade (the highest possible grade, signifying outstanding performance)
- National Institutional Ranking Framework (NIRF) 2022: #32 Ranking in Universities Category (placing Symbiosis among the top institutions in India)
- Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021: 10th Ranking in 'University & Deemed to be University (Private-Self-Financed)' Category (highlighting Symbiosis' focus on innovation and entrepreneurship)

Biodiversity at Main campus, Lavale, Pune

Biodiversity at Main campus, Lavale, Pune

International Recognition:

- Ranked amongst the 1051-1100 (Overall)
- Ranked at #661 in Governance

- Ranked amongst the top 261-270 Universities in Asia
- Ranked 28th in India, and 53rd in South Asia

- Awarded QS I-GAUGE - DIAMOND rating in Indian colleges and universities.

Asia University Ranking 2023

- Ranked among the top 201 - 250 Universities in Asia.

- Ranked between 801-1000 Globally (Overall)
- 437th Citation Rank Globally
- 23rd in India (Overall)

These accolades are a reflection of Symbiosis' unwavering commitment to providing students with top-tier programs, cutting-edge facilities, and a vibrant learning environment recognized and respected around the world. Choosing Symbiosis means joining a community dedicated to excellence, innovation, and shaping the future through exceptional education.

Symbiosis is more than just academics. It's about forging lifelong friendships, experiencing the richness of Indian culture, and contributing to a future of understanding and mutual respect. Symbiosis International (Deemed University) is committed towards generation of knowledge, innovations and its contribution towards the development of the Nation.

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI)

Symbiosis Centre for Research and Innovation (SCRI), a Research and Development Cell (RDC) of the Symbiosis International (Deemed University) (SIU), was established in 2009 with the objective to facilitate and enhance high standards of research at SIU that will result in quality contribution to the knowledge base in the broad disciplines of the University. The functions of SCRI are aligned with the University's commitment to stay connected with the community by the way of understanding its major issues and problems and to suggest relevant and flexible means to resolve them. In accordance with the University's endeavor to make meaningful contributions to the dialogue around the development of knowledge and policies for society, SCRI facilitates the research journey of the SIU's academic fraternity. The department provides intellectual, academic, and administrative support to the research endeavors of the members of the Faculties and students. The department acts as a nodal unit for enabling the research activities of the SIU fraternity.

SCRI's activities revolve around the Research and Development (R&D) mandate of SIU, which states the following:

- The R&D must be socially relevant, locally need-based, nationally important and globally significant.
- The focus of R&D in the University is aligned with the national priorities of the Government, reflected through various schemes and grants.
- The R&D must be applied, leading to innovation and translational.
- To create R&D hub comprising of medical facilities,

diverse research centers, and constituent institutes that promotes interdisciplinary, multidisciplinary, and transdisciplinary research significant to society, and

- The University's R&D must lead to the development of the capable and responsible human resource.

SCRI is responsible for research programmes leading to the award of Doctor of Philosophy (Ph.D.) in the following Faculty of Studies: Law, Management, Computer Studies, Medical and Health Sciences, Media and Communication, Humanities and Social Sciences, and Engineering in more than 25 sub-streams (subject areas). The doctoral programme is offered in accordance with UGC (Minimum Standards and Procedures for Award of Ph D Degree), 2022. The University has identified qualified supervisors, has state-of-the-art infrastructure and resources to support the doctoral students. A few postdoctoral fellowships are also offered in dedicated Research Centres: Symbiosis Centre for Nanoscience and Nanotechnology (SCNN), Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Medical Image Analysis (SCMIA) and Symbiosis Centre for Applied Artificial Intelligence (SCAAI).

Besides research programmes and fellowships, SCRI takes care of seed money, support for extramural funding, publications, intellectual property, and research collaborations of the researchers of the University. The department undertakes activities related to protection of intellectual property rights (IPR) and facilitates technology transfer for products and processes developed by SIU along with the collaborators. Statistical support to researchers through a dedicated statistician is also made available. This enables quality publications of non-doctrinal,

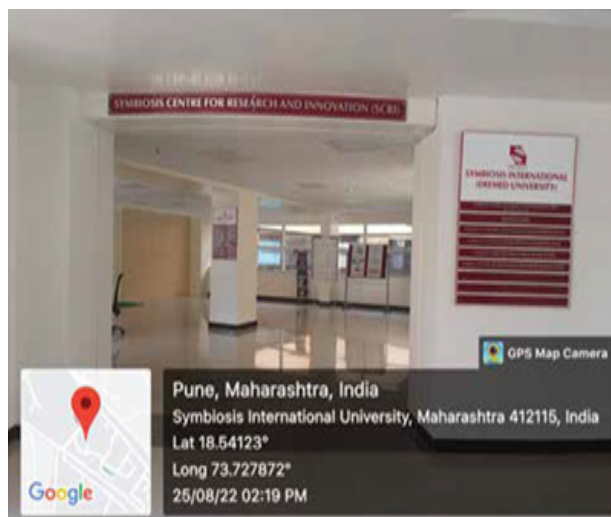

social, ecological, psychosocial, organizational, experimental and observational driven empirical type of studies across all the faculties. Continuous improvement in the quality of research at SIU is facilitated by the University's research collaboration with the organizations such as the Indian Council for Medical Research (ICMR), L&T, Society for Development Studies, Lupin Research Park, Serum Institute of India Pvt. Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported Faculty Members of SIU for attracting prestigious research grants from the Government under various schemes (such as DST-PURSE, SPARC, DST-SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, Huvepharma SEA Belgium and India, IBM, TCS). In addition to this, internal funds (Minor Research projects and Major Research projects) are also provided to the Faculty and students by SIU. The department's support through hands-on, sensitization, and FDPs has contributed towards rapid increase in the research publications, (both quantitatively and qualitatively), patents, the registration of designs and copyrights, and new collaborative opportunities and recognitions. SIU is an empanelled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU's 1000+ Ph.D. Scholars in different disciplines are facilitated by SCRI. With commitment, focus, and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good-quality research.

The main focus of SCRI

- To develop institutional research agenda and to formulate policies to reflect a conscious effort for creating a congenial and scholarly climate that nurtures the quality research culture in the University.

- To establish the minimum standards for research activities at SIU that leads to good quality contribution to the existing knowledge.
- To build research capacity and mentor the researchers to translate their effort into high quality research outcome.
- To set up a systematic procedure for administration of research programmes.

RESEARCH CENTRES

Symbiosis Centre for Nanoscience and Nanotechnology (SCNN)

Symbiosis Centre for Nanoscience and Nanotechnology has been established in Sept. 2017 considering that potential impact of Nanoscience and Nanotechnology on evolution of Science, technology and societal growth. The Centre envisages promoting basic and applied research in the fields of healthcare, technology and environment, with primary impetus to fulfill national strategic needs. The major ventures of the centre are synthesis of advanced functional nanomaterials, fabrication of nano-micro-devices, & its multidisciplinary applications. The major thrust of centre includes opportunities for international research collaborations; conduction of seminars/workshops/conferences/extension lectures to promote Nanoscience & Nanotechnology to common people and to bridge the gap between nanotechnology research and its social acceptance.

Symbiosis Centre for Stem Cell Research (SCSCR)

The centre is unique, as it is the only research centre in Pune that will perform research exclusively on stem cells. Research in Experimental Hematology at a cellular and molecular level will be carried out with respect to aging of stem cells, microenvironment – mediated regulation of hematopoietic stem cells, leukemia/lymphoma biology, development of 3D cultures, mesenchymal stem cell biology with special focus on exosomes and micro-vesicles and signal transduction. Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India has identified Stem Cell Research as one of the most exciting fields of life science in view of its potential clinical applications. With this understanding Symbiosis Centre for Stem Cell Research will serve in strengthening research in one of the targeted areas as identified by DBT's Medical Biotechnology programme.

Symbiosis Centre for Behavioural Studies (SCBS)

Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioural Studies has been established with aim to conduct experimental research in order to publish quality research papers in reputed journals. Its allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

Symbiosis Centre for Waste Resource Management (SCWRM)

Symbiosis International (Deemed University) in the year 2015, established Symbiosis Centre for Waste Resource Management (SCWRM) to be a pioneer in building knowledge, disseminating awareness and improving practices in the area of sustainable waste management. The centre promotes inter- and multi-disciplinary approach for basic and need-based, applied research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management. The centre is involved in conducting workshops, training, and awareness programs to promote national agenda of 'Swachh Bharat Mission. The centre also works towards developing academic curriculum for undergraduate

and post graduate courses. Furthermore, SCWRM is committed to interdisciplinary approach to develop insights, build awareness, and seek to identify, analyze, and implement key issues and challenges pertaining to waste management and sustainability involving all levels of stakeholder's viz. Government, statutory bodies, policy makers, corporates, academia, research institutes, civil society and many others. A key activity of SCWRM involves providing professional technical consultancy to various stakeholders in the field of solid waste management. SCWRM has consultancy projects with Pune Municipal Corporation (PMC), APMC Mumbai, Lonavala Municipal Corporation etc.

on diverse aspects of municipal waste management. The centre is also an empaneled technical agency with the Government of Maharashtra to implement the national GOBAR-DHAN scheme in Maharashtra state at district levels under Swatch Bharat Mission (G)-II. The centre has several national and international collaborations to develop a network of researchers across the globe to address the issue of waste management and climate change.

Symbiosis Centre for Medical Image Analysis (SCMIA)

In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying the setoaplethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, these methods can facilitate finding specific markers that relate to pathologies as well as aid in treatment planning. Building on this background, the objectives of this center are as follows:

- 1) development of novel computer-based image analysis methods and their application to a wide variety of clinical research studies
- 2) Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population-based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

Symbiosis Centre for Applied Artificial Intelligence (SCAAI)

Symbiosis Centre for Applied AI (SCAAI) was established in May 2019 and is affiliated to Symbiosis Centre for Research and Innovation (SCRI). SCAAI is a constituent of Symbiosis International (Deemed University). The primary aim of this centre is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of AI. Along with this SCAAI engages in interdisciplinary research to address pertinent issues that could involve a huge spectrum such as finance and banking to healthcare.

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR)

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It has been established to facilitate advanced legal studies and research.

SCALSAR facilitates and provides:

- The means including idea architecture and resources for advanced legal studies for post graduate, including LLM students and PhD Students.
- Infrastructure and resources for advanced legal research to the faculty, researchers and post graduate students promoting and facilitating publications in SCOPUS, Web of Science and UGC recognised journals
- To collaborate with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- Research, training and consultancy in selected areas of 4 excellence centres aligned with SIU clusters, other research centres and contemporary areas of national and global importance

- Interdisciplinary and multidisciplinary studies and research while interlinking with SIU research clusters
- To act as a think-tank to the Government, hosts Scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers and design training modules.
- Collaboration with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- To disseminate and ensure the outcome of research, training, advocacy and consultation to stakeholders including businesses, law makers, government and non-governmental entities, people of India and the world
- Positive and measurable impact on the society and justice system through inclusive research and Training

Since 2012 SCALSAR has been organizing an Annual Research Conference. It grew drawing international participation by 2015. The conference has been drawing on Symbiosis International (Deemed University)'s new impetus to thrust areas, excellence centers and innovation and is titled as SYMROLIC representing an interdisciplinary conference in relation to Rule of Law. The conference also includes a research skills workshop. SCALSAR undertakes Minor and Major Research and Consultancy Projects. In addition to the completed projects including 2 ICSSR Impress Major Projects, there are 4 Major International Projects that are going on. SCALSAR also collaborates with Government bodies and undertakes Law reform initiatives such as Transformation of Criminal Justice System in India 029 submitted to Ministry of Home Affairs, Initiative with Supreme Court of India on Digital Courts Vision & Roadmap: Phase III of the E- Court project, Regional consultation on Review of Criminal law- Improvement in Status of Women organized in collaboration with National Commission

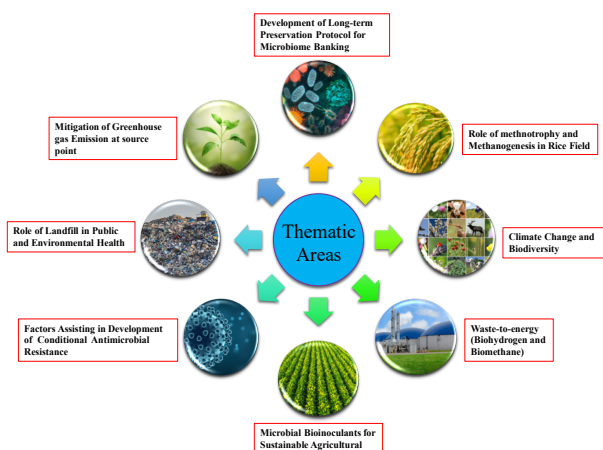

for Women etc. The research agenda of SCALSAR will be further strengthened by the recently received Jean Monnet Chair on EU Climate change Law Policy and Governance as well as the Jean Monnet Module. The Community Legal Care Centre, which is a part of SCALSAR, carries out legal aid as well as community-based projects for various disadvantaged sections of society. Some of the legal aid activities are carried out in collaboration with Pune District Legal Services Authority, Yerwada Central Prison, Criminal Investigation Department Maharashtra and various NGOs. The Centre has adopted Sus village, Tal. Mulshi, Dist. Pune as a part of community outreach programme.

Symbiosis Center for Climate Change and Sustainability (SCCCS):

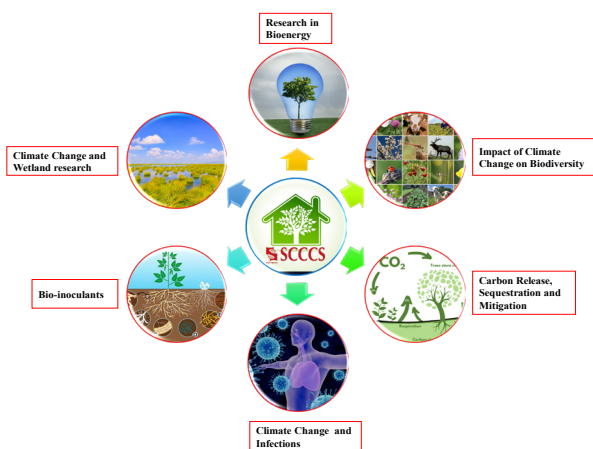

SCCCS was established to develop environmental professionals with strong scientific knowledge who can provide solutions concerning the various environmental challenges that we encounter. SCCCSCS conducts innovative research and currently offers Ph.D. and post-doctoral programs in life sciences, climate change studies, and sustainable development. One important aspect of our research focuses on the role of microbes, which are often not acknowledged, in climate change mitigation and their important functions in ecosystem services. The Centre is trying to harness the potential of these tiny creatures to abate the impact of climate change and promote sustainability. SCCCSCS is involved in organizing workshops and lectures, taking up restoration projects, Park/Devrai conservations, and DST-funded projects. SCCCSCS also develops educational courses in Climate Change and Sustainability Studies for UG & PG institutions. In addition to the academic responsibilities, the Centre also engages in collaborative works and conducts social outreach programs involving international and local bodies such as UNICEF, and Pune Climate Warriors for issues relating to climate change, environmental health,

and water conservation. Another focus of the work is nurturing the biodiversity of the campus. This work involves documenting, cataloguing and monitoring the flora and fauna species. SCCCS organises eco-tours on the University campus, recreational as well as ecosystem and environment awareness programs for staff and students. The thematic areas, future vision, and expansion plan of the Centre are depicted below.

Thematic Research Areas:

Future Vision and Expansion Plan of the Centre:

Symbiosis Centre for Urban Studies (SCUS)

The Symbiosis Centre for Urban Studies has been established under the Faculty of Humanities and Social Sciences in Year 2022-23. The Centre focusses on activities related to Capacity Building and Research reorientation concentrating on the vectors of research

Symbiosis Center for Research on International Higher Education (SCRIHE)

SCRIHE is established for conducting research in the area of international higher education. The NEP 2020 has earmarked a whole chapter on Internationalization of Higher Education. With the COVID pandemic, there have been different challenges that higher education faced, but one positive outcome has been internationalization at home. Collaborative online international learning, co-teaching and co-learning have been promoted due to online education. New concepts of international co-operation and intra-regional cooperation have emerged which enhance the internationalization of Higher Education. Knowledge diplomacy and how higher education can be a tool for development and soft power is also coming into discussion at the global level.

Symbiosis Centre for Research in Media and Creative Industries: Established under the Faculty of Media & Communication. The center shall be monitored by Symbiosis Centre for Research & Innovation.

Symbiosis Centre for Ambedkar Studies (SCAS)

The Centre for Ambedkar Studies has been established under the Faculty of Humanities & Social Sciences and is located at Symbiosis Ambedkar Museum and Memorial, Senapati Bapat Road, Pune to undertake studies and research with the intention to understand, assess and disseminate the ideas and thoughts of Dr. B.R. Ambedkar, particularly on subjects like Economics, Political Science, Religion, Philosophy, Constitutional Studies, Education, Social Work, Human Rights as well as other disciplines considered relevant for the attainment of our National Goal of Social Justice.

Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd: The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd.,

LEARNING RESOURCES:

Library:

Symbiosis International (Deemed University) is one of the country's Premier University and an educational hub of 42 institutions spread over different campus, imparting quality higher education in different areas like Management, Information Technology, Bio-Medical science, Engineering, Liberal Art, Health science and legal education.

All these institutions are having their own library, serving and catering to the need of students, faculty members, as a creative and innovative partner for supporting teaching, learning, scholarship and research activities of the University.

With the changing scenario e- resources are emerging rapidly and these libraries are well equipped with the state of art facilities to adapt these new technologies. Along with this the collection in the form of books, journals / periodicals is increased and all the libraries are trying to fulfil the information need through these resources, to the entire Symbiosis community.

KOHA integrated library software – installed in all the constituents' libraries.

OPAC (Online Public Access Catalogue) consists of all the books (<http://symbiosis-koha.informindia.co.in>) and the same are accessible along with other reading material from any location.

SIU Central Library is housed in a newly constructed independent spacious state of art building with high quality amenities and facilities located at Lavale campus. The ambience of the building is beautiful with beautiful landscape around the building.

The pleasant environment and well-furnished area inspire the student to learn, conduct research and enhance their knowledge.

Central library has adapted the emerging new technologies for information retrieval.

SIU Central library subscribe number of online databases for faculty members, students and researchers. Some of them are EBSCO, Emerald, Scopus, Web of Science, JSTOR, Frost and Sullivan kluwer etc.

The Central Library is a member of the INFLIBNET, Gandhinagar and has a active part in submitting the research thesis to shodhganga and also member of DELNET and National Digital Library of India (NDLI).

Symbiosis International (Deemed University) Library total book collection above 414547 and P.HD Thesis 443.

Print journals -689.

E-journals in Library more than 60510.

Symbiosis International University Library total CD/ DVD 14020.

Symbiosis International University Library have above 282686 e books.

The Library portal is to provide access to its e-resource for all. (<https://siu.edu.in/library/>)

Support Departments

SYMBIOSIS TEACHING LEARNING RESOURCE CENTRE (STLRC):

The Symbiosis Teaching Learning Resource Centre i.e. STLRC was established in November 2011, with the aim to help raise the effectiveness and productivity of the Symbiosis faculty in terms of teaching - learning as well as research.

The Symbiosis Teaching Learning Resource Centre (here after referred as STLRC) is Symbiosis International University's catalyst to inspire and mentor the faculty in their roles as Teachers, Researchers and more so as Educational parents. STLRC strives to complement the academic mission of the university by improving the teaching effectiveness and enhancing research ability of the faculty.

STLRC always strives to:

- Improve the Teaching Effectiveness of faculty.
- Sensitize faculty members in the areas of diversity and inclusion, in the teaching learning environments.
- Enable faculty to design innovative assessments.

- Facilitate increased research output.
- Coordinate Domain specific interventions to improve discipline knowledge of the faculty members.

There are various Activities of STLRC which are as follows:

- Planning and execution of various Faculty Development Programmes under the verticals of Teaching, Learning, Evaluation, Research, and domain specific areas for all the eight faculties of the University. 527 Faculty development programmes have been conducted by STLRC. (May 2011 till May 2023)
- MOOC Development Activity: SIU started various interventions such as encouraging learning through online courses, face-to-face workshops, and face-to-face meetings to familiarize SIU faculty members about learner-centric MOOCs. As a result of which four MOOC proposals have been submitted to CEC i.e. Consortium for Educational Communication. These proposals will now be scrutinized by CEC and we will be informed about the acceptance of the proposals. Ten other MOOC proposals are in the pipeline, which will be submitted to CEC.
- Symbiosis International (Deemed University) in association with Maharashtra State Faculty Development Academy (MSFDA) organized a Faculty Development Programme on Techno-pedagogy and Andragogy for Active Learning (TAAL). The TAAL is a '8 days programme' conducted by Symbiosis Teaching Learning Resource Centre (STLRC), in three phases: Phase I – 5 days Residential programme, Phase II – 2 days Online Workshop and Phase III – 1day Refresher. In 2022, two batches of TAAL were conducted in which faculty members from higher education institutions across the State of Maharashtra from varied disciplines had participated.

SYMBIOSIS CENTRE FOR EMOTIONAL WELLBEING

Mental health encompasses our emotional, social and psychological wellbeing and is an essential part of ensuring overall health and wellness. It has a widespread impact on the different facets of one's life. Recognizing the importance of good mental health, the Symbiosis Centre for Emotional Well-being (SCEW) was established in August 2018. SCEW aims to provide promotive, preventive, and curative mental health care services within the Symbiosis community and emphasizes a model of collaborative care.

Our team comprises of diverse and skilled Mental Health Professionals, deputed to various campuses of SIU and led by their Head, Dr. Girija Mahale, and

Deputy Head, Dr. Rahul Bagale. We offer counselling, psychotherapy, and psychiatric consultation services to students, staff, and faculty members across SIU while emphasizing privacy, confidentiality, comfort, and a sense of security for our clients. To ensure extensive outreach and impact, the team undertakes various initiatives and conducts awareness drives, workshops, training programs, and webinars for all stakeholders.

Under the aegis of SIHS, a full-time Undergraduate Degree Program, B.Sc. in Mental Health is been recently launched by SCEW with due consideration to bringing mental health into education and reducing the stigma.

SYMBIOSIS CENTRE FOR ENTREPRENEURSHIP AND INNOVATION

Symbiosis Centre for Entrepreneurship & Innovation (SCEI) is a Technology Business Incubator (TBI) promoted by Symbiosis International (Deemed University) and supported by DST Govt. of India. SCEI is a special purpose vehicle (Section 8 Company) established in the year 2016 by the university to promote entrepreneurship and nurture innovative start-up ideas. SCEI is primarily established with funding from Symbiosis International (Deemed University). SCEI is also on boarded a incubation and mentoring partner on NITI Aayog- Women Entrepreneurship Platform (WEP). SCEI is a Not for Profit Company with a mission of contributing to socio-economic development in the region by promoting and nurturing entrepreneurship. SCEI also supports women entrepreneurs through a dedicated Women Entrepreneurship Wing (WeW). Technical and Business Mentoring is the core strength of SCEI to enable startups to build and commercialize innovative solutions. SCEI also leverages University research and innovation capabilities, and resources to support entrepreneurs in their start-up journey.

Being a part of the Symbiosis family, SCEI is well connected to innovation and Entrepreneurship ecosystem in India. SCEI provides office space, innovation lab access, mentoring support, company registration support, investor access to the start-ups which get incubated at SCEI and even student start-ups across the Symbiosis International (Deemed University)

SYMBIOSIS CENTRE FOR ALUMNI ENGAGEMENT

Symbiosis Centre for Alumni Engagement (SCAE) was established on 10th of November, 2017. SIU

established SCAE to work as a central body for alumni related matters. It has created a strategic blueprint to facilitate structured and long-term engagement with alumni. SCAE conducts online surveys to understand their ideas for contributing to initiatives such as career counselling, mentoring, guest lectures, reviewing of programs and events, and the possible establishment of endowments, sponsorships and scholarships.

SCAE communicates regularly with alumni (emails/newsletters) on achievements and updates concerning SIU and its constituents. Senior leadership reaches out to alumni through SCAE. It

continuously engages with alumni in meaningful dialogue through personal meetings / virtual meetings and webinars. Symbiosis Alumni can support students and fellow alumni through mentoring, career guidance, internship provision and/or recruitment opportunities. Alumni can gain a sense of fulfilment by 3 E's: Experience, Effort and Endowment.

Symbiosis Centre for Alumni Engagement (SCAE) aims:

1. To nurture and strengthen a symbiotic and long-lasting relationship between Symbiosis and its worldwide alumni community.
2. To create a range of appealing and rewarding programs, meaningful dialogue and exchange of ideas.
3. To achieve excellence in the academic, intellectual and philanthropic pursuits of Symbiosis through continuous engagement with its alumni.
4. To set up a centralized Alumni information and engagement platform to ensure efficient and effective data management, relevant to the needs of Symbiosis for its development.

Symbiosis Community Outreach Programme and Extension

Universities have recognized the enormous potential of higher education to positively impact the health and well-being of students, staff, and the wider community through education, research, knowledge exchange, and institutional practice. With this view, Symbiosis launched Symbiosis Community Outreach Programme and Extension (SCOPE) on 02nd July 2012. The objective is to positively impact the community around.

SCOPE works towards achieving sustainable, comprehensive, and integrated development of the 32 identified villages in Mulshi taluka of the Pune district. SCOPE through its Mobile Medical Units (MMUs) and Rural Digital Literacy Labs offers doorstep delivery of healthcare and digital literacy services in several access compromised and service deficient villages.

Initiatives:

SCOPE undertakes various Health and Community development initiatives in and around the university campus associated with Primary Health Care, Health Awareness and Promotion, and Personal - Social Development. SCOPE also celebrates various health days in our area by conducting health education, general health check-up camps, and other activities in the community. These initiatives are also part of the activities pertaining to Institutional Social Responsibility, Creation of a Healthy Environment, Developing Links with the Community, and Academic and Action Research in the Community. Additionally, students take up community research projects for Master's and Ph.D. programs in the villages.

MMUs visit the identified villages per the fixed weekly schedule and covers 32 such villages located in Mulshi taluka catering to a population of 40836 individuals. Since 2012, MMU has delivered preventive, promotive, and curative healthcare services to more

than 339953 beneficiaries from villages and also during mega events such as Pandharpur Wari and Bhima Koregaon. We also partner with SUHRC for various activity conduction like the inauguration of the extension center at Kondhwe -Dhavde (Haveli block), Specialist visits at various PHCs of Mulshi and Vadgaon Mawal blocks, Key Opinion Leaders (KOL) visits, Speciality Camps, etc. The Rural Digital Literacy Labs currently offers services in 9 villages and reaches over 200 learners.

Way forward:

SCOPE in the coming years is working towards increasing the number of villages where its healthcare and other services would be delivered. We firmly believe that our role as a university goes beyond imparting knowledge and skills to our students and as active agents of change and nation-building.

Service Learning -Credit based course

Service learning is a method of teaching, learning and reflecting that combines academic classroom curriculum with meaningful service throughout the community. As a teaching methodology, it falls under the philosophy of experiential education. Service learning is the engagement of students in activities, which address or meet a community need. Students learn how service makes a difference in them and in the lives of others. It is linked to course/ discipline of students.

Participation of Students in Service Learning:

Service Learning is one of the components, offered to under graduate students under Floating Credits Program. The course is of 4 credits and students have to put in 120 hrs. for community service related to their discipline.

Benefits of Service Learning to Students:

- Increase of self-esteem, analytical skills and social development.
- Sense of empowerment by participating in community service where they are needed, valued, and respected.
- Improved citizenship as a result of active engagement in community life.
- Heightening the student's desire to learn through one's experience.

- Inculcation of leadership skills and values.
- Directly or indirectly application of concepts from the classrooms to the service.

Admission Process for Indian Students

Registration process

SET/SLAT/SITEEE 2024 will be conducted on two different dates. Candidates can appear for the dates, i.e. May 05, 2024 (Sunday) and May 11, 2024 (Saturday). Please note these dates and the respective test timings carefully.

Date of SET/SLAT/SITEEE 2024 and Time	
May 05, 2024 (Sunday) and May 11, 2024 (Saturday)	Time
SLAT	09.00 AM to 10.00 AM
SET	11.30 AM to 12.30 PM
SITEEE	02.00 PM to 03.00 PM

A candidate can appear for SET/SLAT/SITEEE on both the dates **May 05, 2024 (Sunday) and May 11, 2024 (Saturday)**. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation. There will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. The normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure the normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all two tests. No correspondence regarding this will be entertained.

From 2018 onwards, "SET General" is known as Symbiosis Entrance Test (SET), "SET - Law" test is known as Symbiosis Law Admission Test (SLAT), "SET - Engineering" as SIT Engineering Entrance Exam (SITEEE). Registration for these tests are done from the same portal as per the process mentioned below:

1. Register online on the website www.set-test.org (Registration closes on April 12, 2024 (Friday)). Note: No changes shall be permitted after the registration under any circumstances.
2. A candidate can appear for SET/SLAT/SITEEE on both the dates May 05, 2024 (Sunday) and May 11, 2024 (Saturday). If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation.
Note: For Engineering, if a candidate applies to seek admission on the basis of test other than SITEEE, he/she need not register for SITEEE; rather he/she may apply directly to the concerned institute through the institute website (<https://www.sitpune.edu.in/> and <https://sitnagpur.edu.in/>)
3. Upload your latest scanned colour passport size photo at the time of Online Registration. (Your photograph should not be more than 04 months old).
4. Ensure that the information you have filled is accurate. No changes shall be permitted after the registration under any circumstances. Candidates are fully and solely responsible to provide correct information during the application process. If it is found that any information provided by the candidate at the time of filling / submitting the application form is not true, SIU has the right to cancel the application or admission, at any stage, in accordance with its rules and regulations. Any direct or indirect attempt to influence the management and employees of the Institute will lead to automatic disqualification of the candidate.

5. All communication with candidates will be done through the official email address (info@set-test.org) only. Please ensure that this email address is whitelisted in your registered email.

Candidate should note that SET/SLAT/SITEEE 2024 is only the first step. Each Symbiosis institute has its subsequent independent selection process.

Day and Date	Time	Entrance Test	Institutes
May 05, 2024 (Sunday) and May 11, 2024 (Saturday)	9:00 AM to 10:00 AM	SLAT	<ul style="list-style-type: none"> Symbiosis Law School (SLS), Pune Symbiosis Law School (SLS), Noida Symbiosis Law School (SLS), Hyderabad Symbiosis Law School (SLS), Nagpur

Modes of payment

Candidates may pay through –

- i) Billdesk Payment Gateway
- ii) Easebuzz Payment Gateway
- iii) Demand Draft.

The entrance test registration fee for SET/SLAT/SITEEE is INR 2250/- per test. (Non-refundable and non-transferable).

In addition to that, you are also expected to pay the programme registration fee of INR 1000/- for each programme that you wish to apply for. (Non-refundable and non-transferable)

Payment Through Demand Draft:

Submit a Demand Draft (DD) from any Nationalized Bank in favour of “Symbiosis Test Secretariat” payable at Pune.

*Awareness of
Government health
schemes in villages*

Choose the mode of Payment as 'DD Payment' in "Make Payment" Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at:

SYMBIOSIS TEST SECRETARIAT

Symbiosis International (Deemed University)

Gram: Lavale, Tal: Mulshi, Dist.: Pune – 412115

Toll free number:18001032420

The Symbiosis Test Secretariat will authenticate the details of Demand Draft and will send you an email confirming the payment. Only after the realization of payment, would you be able to view your Admit Card.

Important: SET/SLAT/SITEEE 2024 fee is non-refundable and non-transferable. Note:

1. Please note that Symbiosis Test Secretariat will not be responsible for non-delivery or any delay on the part of courier / postal services.
2. It is also mandatory to complete the payment process of desired institute for desired programme(s) before the closing date of payment of the respective programme. Payment towards the programme(s) also needs to be done through the website www.set-test.org only.

For disputes between the candidate and the Symbiosis Test Secretariat, the candidate should first send an email to registrar@siu.edu.in with details about his/her grievance. If the candidate is not satisfied with the decision of the Registrar, he/she can appeal to the Ombudsman of the University. Information regarding the same is available in <https://siu.edu.in/student-affairs.php>. All disputes between the candidate and Symbiosis Test Secretariat in this regard are subject to the legal jurisdiction of Pune.

3. SET/SLAT/SITEEE 2024 Score will be valid only for admission to select programmes of Symbiosis International (Deemed University) for the academic year 2024-25.
4. Admissions to the select programmes at SIU are strictly based on merit, assessment of individual performance in the respective Entrance Test for Undergraduate Studies and other processes prescribed by the University. (Note: - SET/SLAT/SITEEE Result will be declared on Wednesday, May 22, 2024, on www.set-test.org and will be available up till Saturday, June 22, 2024).

SIU announces the four-year degree programme with multiple entry and exit options as envisioned in the NEP 2020*. The highlights of the new programme offerings are as under

- The Programme framework allows exciting options to pursue single major, double majors, minors, opportunity to pursue multidisciplinary, Ability and Skill enhancement courses.
- Offers a good blend of immersive learning, research and community engagement
- Includes opportunities for semester exchange programmes with foreign universities
- Offers the following exit options
 - a) A Certificate at the end of the first year of the programme with 44 credits
 - b) A Diploma at the end of the first two years of the programme with 84 credits
 - c) A UG Degree at the end of 3 years of the programme with 120 credits
 - d) A UG Degree with Honours / Research at the end of the 4 years of the programme with 160 credits
- Offers option of Re-entry within 3 years of exit and 7 years as the maximum permissible period to complete the programme.

* Not applicable for programmes under SLAT and SITEEE.

The Institutes and Programmes for which SET/SLAT/SITEEE is not mandatory –

Sr. No	Name of the Institute	Name of the Programmes
1	Symbiosis Institute of Technology (SIT)* (Pune and Nagpur)	B. Tech
2	Symbiosis Institute of Health Sciences (SIHS)	B.Sc. (Medical Technology)- Honours / Honours with Research
		B. Sc (Radio Technology) - Honours / Honours with Research
		B.Sc. (Mental Health) - Honours / Honours with Research
3	Symbiosis College of Nursing (SCON)	B.Sc. (Nursing)
4	Symbiosis School of Visual Arts and Photography (SSVAP) (Formerly Symbiosis School of Photography (SSP))	B.A. (Visual Arts and Photography)
5	Symbiosis Institute of Design, Pune (SID)	B. Des.
6	Symbiosis School of Planning, Architecture and Design, Nagpur (SSPAD)	B. Des.
7	Symbiosis School of Culinary Arts (SSCA)	B.Sc. (Culinary Arts)
		B.Sc. (Hospitality and Culinary Management)
8	Symbiosis School of Sports Sciences (SSSS)	B. Sc. (Sport & Exercise Science)- Honours / Honours with Research
9	Symbiosis School for Liberal Arts (SSLA)	Bachelor of Arts (Liberal Arts)/ Bachelor of Science (Liberal Arts) Honours / Honours with Research

* The Symbiosis Institute of Technology (SIT) (Pune, Nagpur and Hyderabad) also admit students through JEE Mains/ MHT-CET/ other state-level entrance test.

Note:

Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Nursing (SCON), Symbiosis School of Visual Arts and Photography (SSVAP) (Formerly Symbiosis School of Photography (SSP)), Symbiosis Institute of Design, Pune (SID), Symbiosis School of Planning, Architecture and Design, Nagpur (SSPAD), Symbiosis School of Culinary Arts (SSCA), Symbiosis School of Sports Sciences (SSSS) and for Symbiosis School for Liberal Arts

(SSLA) should visit the respective institute website for further details.

The cities where SET/SLAT/SITEEE will be conducted:

SET/SLAT/SITEEE 2024 will be conducted in CBT mode across 76 cities all over India. A candidate may choose three preferences of test cities of the following:

Sr. No	State	City
1	Andaman & Nicobar	Port Blair
2	Andhra Pradesh	Vijayawada
3	Andhra Pradesh	Visakhapatnam
4	Assam	Dibrugarh
5	Assam	Guwahati
6	Bihar	Patna
7	Chhattisgarh	Bhilai Nagar
8	Chhattisgarh	Bilaspur
9	Chhattisgarh	Raipur
10	Delhi NCR	Delhi - Gurugram
11	Delhi NCR	Faridabad
12	Delhi NCR	Noida - Greater Noida - Ghaziabad
13	Goa	Panaji - Madgaon
14	Gujarat	Ahmedabad - Gandhinagar
15	Gujarat	Rajkot
16	Gujarat	Surat
17	Gujarat	Vadodara
18	Haryana	Ambala
19	Himachal Pradesh	Bilaspur HP
20	Jammu and Kashmir	Jammu
21	Jharkhand	Dhanbad
22	Jharkhand	Jamshedpur
23	Jharkhand	Ranchi
24	Karnataka	Belagavi (Belgaum)

66	Uttar Pradesh	Jhansi
67	Uttar Pradesh	Kanpur
68	Uttar Pradesh	Lucknow
69	Uttar Pradesh	Meerut
70	Uttar Pradesh	Varanasi
71	Uttarakhand	Dehradun
72	Uttarakhand	Roorkee
73	West Bengal	Asansol
74	West Bengal	Hooghly - Kalyani
75	West Bengal	Kolkata
76	West Bengal	Siliguri

Note: -

1. No change of test city requests will be entertained once candidate has completed registration for SET/SLAT/SITEEE 2024. Test City allocation is made based on date of payment for SET/SLAT /SITEEE. The earlier you pay, the higher chances of securing a Test City of your choice.
2. It is advisable that candidate decides prior to registration, which test(s) he/she wants to appear for as in a computer-based test, the test Centre capacities are limited.
3. The Test Centre and its address will be printed on the Admit Card.
4. While all efforts will be made to ensure that the candidate gets a test city as per his/her preferences, however, in some exceptional circumstances, a different test city in a nearby area may be allotted.
5. Symbiosis Test Secretariat reserves the right to change or allot a city other than the one requested by the candidate in the event of the requested city not being available for any reason.

Procedure of Programme Payment:

A candidate desirous to submit his candidature to select UG programmes, is also required to complete the payment process of desired programme before the closing date of payment of the same. Payment towards the programmes must be made through the website only (set-test.org). After making the payment for SET/SLAT/SITEEE, proceed to complete the online registration form (Part II) for Programme (s) registration and the respective institute(s). A candidate is required to make separate non-refundable and non-transferable payment of INR 1000/- per programme per institute at this stage.

If candidates want to pay programme payment through Demand Draft, make Demand Draft of INR 1000/- for each programme in the name of "Symbiosis Test Secretariat".

The institutes and their programmes are as follows:

Sr. No	Institute	Programme
1	Symbiosis Law School (SLS), Pune www.symlaw.ac.in	Bachelor of Arts & Bachelor of Laws - Honours
		Bachelor of Business Administration & Bachelor of Laws-Honours
2	Symbiosis Institute of Computer Studies and Research (SICSR) www.sicr.ac.in	Bachelor of Computer Applications - Honours / Honours with Research
		Bachelor of Business Administration (Information Technology) - Honours / Honours with Research
3	Symbiosis Centre for Management Studies (SCMS), Pune www.scmspune.ac.in	Bachelor of Business Administration -Honours / Honours with Research

Sr. No	Institute	Programme
4	Symbiosis Centre for Media & Communication (SCMC) www.scmc.edu.in	Bachelor of Arts (Mass Communication)- Honours / Honours with Research
		Bachelor of Business Administration (Media Management)- Honours/ Honours with Research
5	Symbiosis School of Economics (SSE) www.sse.ac.in	Bachelor of Science (Economics)-Honours / Honours with Research
6	Symbiosis Law School (SLS), Noida www.symlaw.edu.in	Bachelor of Arts & Bachelor of Laws
		Bachelor of Business Administration & Bachelor of Laws
7	Symbiosis Centre for Management Studies (SCMS), Noida www.scmsnoida.ac.in	Bachelor of Business Administration -Honours / Honours with Research

		Bachelor of Business Administration & Bachelor of Laws
10	Symbiosis Centre for Management Studies (SCMS), Nagpur www.scmsnagpur.edu.in	Bachelor of Business Administration - Honours / Honours with Research
11	Symbiosis Institute of Technology (SIT), Pune https://www.sitpune.edu.in/	Bachelor of Technology (Artificial Intelligence and Machine Learning)
		Bachelor of Technology (Civil Engineering)
		Bachelor of Technology (Computer Science and Engineering)
		Bachelor of Technology (Electronics and Telecommunication)
		Bachelor of Technology (Mechanical Engineering)
12	Symbiosis Centre for Management Studies- (SCMS), Bengaluru https://scmsbengaluru.edu.in/	Bachelor of Business Administration - Honours / Honours with Research
		B.B.A. (Dual Degree, Honours/ Honours with Research)
13	Symbiosis Institute of Technology (SIT), Nagpur https://sitnagpur.edu.in/	Bachelor of Technology (Computer Science Engineering)
14	Symbiosis Centre for Management Studies- (SCMS), Hyderabad https://scmshyd.edu.in/	Bachelor of Business Administration -Honours / Honours with Research
15	Symbiosis Statistical Institute (SSI) https://ssi.edu.in/	Bachelor of Science (Applied Statistics and Data Science) - Honours / Honours with Research
16	Symbiosis Institute of Technology (SIT), Hyderabad	B. Tech (Computer Engineering)
		B. Tech (Computer Science and Engineering)
		B. Tech (Computer Science and Technology)
		B. Tech (Artificial Intelligence and Machine Learning)

Note:

Even after closing of the payment for SET/SLAT/SITEEE 2024, a candidate may still pay through website till the last date of payment for the programme(s). An institute may offer more than one programme. A candidate should ensure that the preferred programme(s) is / are selected and paid before the last date.

Indian nationals and NRI candidates shall have to apply under SET/SLAT/SITEEE 2024 to seek admission to the select Undergraduate programmes of Symbiosis International (Deemed University).

A student is eligible to apply as a Non-Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for NRI students who have appeared for their 10th standard exam outside India and 12th in India to appear for SET/SLAT/SITEEE as applicable.

However, OCI/ PIO/ Foreign Nationals are exempted from appearing for SET/SLAT/SITEEE 2024 and have to apply through Symbiosis Centre for International Education (www.scie.ac.in). For details regarding OCI/PIO/NRI/ FN admission process, please refer to Sub Section J: Process for International Candidates.

After the declaration of the SET/SLAT/SITEEE 2024 result, the institute (offering the programme(s) for which you have paid) will conduct further selection processes for short-listed candidates. The schedule for the same will be published on the website of the respective institute(s).

Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

- ✓ There is no negative marking for wrong answers.
- ✓ All sections are mandatory.

Important Instruction regarding Test Day / Admit Card

- i. SET/SLAT/SITEEE 2024 Admit Card should be printed (color printouts only. B&W printouts will not be accepted) from the SET website (set-test.org)
- ii. If candidate has selected multiple tests, (s)he should carry separate Admit Cards for each test.
- iii. SLAT-May 05, 2024 (Sunday) and May 11, 2024 (Saturday) 09.00 am to 10.00 am. Please ensure that you arrive at your assigned Test Centre latest by 07.30 AM and occupy your assigned seat latest by 08.30 AM.
- iv. SET-May 05, 2024 (Sunday) and May 11, 2024 (Saturday) 11.30 am to 12.30 pm. Please ensure that you arrive at your assigned Test Centre latest by 10.00 AM and occupy your assigned seat latest by 11.00 AM.
- v. SITEEE - May 05, 2024 (Sunday) and May 11, 2024 (Saturday) 02.00 pm to 03.00 pm. Please ensure that you arrive at your assigned Test Centre latest by 12.30 PM and occupy your assigned seat latest by 01.30 PM.
- vi. Please ensure that your latest passport size, colour photograph is pasted on the Admit Card at the place provided for before appearing for the test (Your photograph should not be more than 4 months old).
- vii. Admit Card along with valid original Photo Identity proof should be carried to the Test Centre at the time of the test. An acceptable photo identity is any one of the following.
 - Passport.
 - Driving license.
 - Voter ID Card.
 - PAN Card
 - AADHAR Card (UID)
 - College ID Card

Note: Soft copy of identity proof will not be accepted.

- viii. An authorized person will verify and authenticate your Admit Card against the photo-id on the day of the test. Please preserve this authenticated Admit Card for further PI/WAT or ST-PI processes.
- ix. Candidates should note that an authenticated Admit Card is an important document without which the candidate will not be permitted to appear for further selection processes of SIU. If the Authenticated Admit card is lost, a duplicate Authenticated Admit Card will not be issued. It should be retained till the admission process is over.
- x. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators/ memory or any electronic or smart devices are not allowed in the test hall.
- xi. Candidates will not be allowed to leave the test hall till the test is completed. After submission of the test, candidate will not be allowed to re-enter the test hall.
- xii. Candidates are advised to locate allocated test Centre at least a day in advance to avoid any issue on the day of the test. Candidates who reach the test centre late due to any reason, will not be allowed to enter the same under any circumstances after the gates are closed.

- xiii. Travel and staying arrangements will need to be done by the candidates.
- xiv. Utmost care is taken to prepare an error free question paper. However, if an error is detected in the question paper, the Scrutiny Committee shall take an appropriate decision after the test, which shall be final.
- xv. The scores published by the Symbiosis Test Secretariat shall be final and shall not be subject to any appeal or reevaluation.
- xvi. Differently Abled/ Scheduled Caste/ Scheduled Tribes / Kashmiri Migrants and Kashmiri Pandits/Kashmiri Hindu Families (Non-Migrants) living in Kashmiri Valley category candidates are requested to upload their relevant document (s) while registering for the SET/SLAT/ SITEEE. Candidates failing to do this will be considered under the Open Category.
- xvii. Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.
- xviii. If it is discovered that you have consumed any prohibited substances, entry to the test center will be denied.
- xix. Any malpractice / use of unfair means will lead to your disqualification from the admission process of SIU. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/she will not be allowed to appear for SIU Entrance Tests in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

Shortlisting and Selection Process

Shortlisting for Personal Interaction / Writing Ability Test (PI/WAT) or Studio Test and Personal Interaction (ST-PI):

Candidates will be shortlisted for PI/WAT/ST-PI based on their respective Entrance Test marks. Please check the respective institute website for information and dates of PI/WAT/ST-PI.

****Disclaimer:**

It is mandatory to attend all components / tests of PI/WAT/ST-PI to be eligible for admission to any UG programmes. Only candidates who attend all components / tests of selection process (PI/WAT/ST-PI) shall be considered as eligible for generation of merit / wait / reject list. Candidates who remain absent for any one of the component / tests will be considered as ineligible for selection process of UG degree programmes of SIU.

Merit List Declaration and Admission

Merit list will be based on the following parameters **::

Disclaimer:

Candidates are advised to check the eligibility criteria for the programme(s) which they are desirous to pursue. SIU/ Institute will not be responsible, if the candidate applies for programme(s) for which he/she is not eligible.

Every candidate is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Parents and students are cautioned against falling prey to any such assurance/ offer by any individual or outside agency.

Reservation Policy of SIU

Following will be the reservation policy for admission to any programme (offered by any Institute) of SIU (except Symbiosis Institute of Management Studies, which has a separate policy#)

[A] Within Sanctioned Intake:

1] Scheduled Castes Candidates: (15% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 15 % for all its academic programmes to

Scheduled Castes Candidates, as defined under Article 341 of the Constitution.

2] Scheduled Tribes Candidates: (7.5% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 7.5 % for all its academic programmes to Scheduled Tribes Candidates, as defined under Article 342 of the Constitution.

3] Differently Abled Candidates: (3% of seats within the sanctioned intake)

In compliance to the Government directives on Disability Guidelines issued by the Office of the Chief Commissioner for persons with disabilities vide Ministry of Social Justice and Empowerment, New Delhi notification no. 16-18/97 on 1st June 2001, The Rights of Persons with Disabilities Act, 2016 dated 27th December 2016 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, the University has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all its Constituents.

The types of disabilities covered are: -

- (i) Vision Impairment
- (ii) Hearing Impairment

(iii) Locomotors Disabilities

(iv) Mental Retardation

(v) Multiple Disabilities

(vi) Dyslexia

4] Children/ Wards of Defence personnel / Defence Special Category:

Children / Wards of Defence personnel means children/ wards of those Defence Personnel who are serving / retired Defence personnel from Army, Navy, Air Force. Retired Defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no. 36035/5/85- Est (SCT) dated 14 April 1987. It also includes children of Defence personnel, who died while in service or after retirement

The University in terms of the provisions of Memorandum of Association (MoA) between Symbiosis and Ministry of Defence, Govt. of India dated 10th July, 2000 provides for reservations up to the extent of 90% for Master of Business Administration programme of Symbiosis Institute of Management Studies (SIMS), comprising of 80 % for Children/ Wards of Defence personnel and 10 % for Special Defence Category. The University also provides 5 % reservation within the sanctioned intake for Children/ Wards of Defence Personnel in Constituents as listed below: -

- (i) Master of Business Administration (International Business) programme conducted by Symbiosis Institute of International Business (SIIB), Pune
- (ii) Master of Business Administration (Digital and Telecom Management) programme conducted by Symbiosis Institute of Digital & Telecom Management (SIDTM), Pune
- (iii) Master of Business Administration (Information Technology Business Management) programme conducted by Symbiosis Centre for Information Technology (SCIT), Pune
- (iv) Master of Business Administration (Information Technology) programme conducted by Symbiosis Institute of Computer Studies & Research (SICSR), Pune

Note: A candidate who is interested to apply under the category "Children/ Wards of Defence Personnel"

for any of the abovementioned programmes, should select the category “Children/ Wards of Defence Personnel” for each programme separately.

- 5] Domiciled: (25% of seats within the sanctioned intake- Only in case of Constituents at Off-Campus center, Nagpur)

In accordance with Clause A of Schedule C of the Lease Deed signed between Nagpur Municipal Corporation, Nagpur and Symbiosis, Pune on 4th September, 2017, the University has reserved 25% seats against the approved intake in each programme offered at the Off-campus Centre of the University at Nagpur for Nagpur Domiciled candidates.

The definition for Nagpur Domicile is:

The meaning of ‘Nagpur Domiciled’ candidate, for admission to the above-mentioned Institute only, is a person, who is domiciled in Nagpur for a period of five years as on the date of commencement of the academic year, and who has graduated from or is appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit Institute website (www.sibmnagpur.edu.in).

[B] Supernumerary Quota (Over and above the sanctioned intake):

In addition to the above reservations, the University also admits candidates under Supernumerary Quota, as follows: -

- (1) Kashmiri Migrants and Kashmiri Pandits/ Kashmiri Hindu Families (Non-Migrants) living in Kashmir valley: 02 (two) seats per programme.
- (2) International candidates: 20% of the approved sanctioned intake [International candidates includes viz. Foreign National (FN), Persons of Indian Origin (PIO), Overseas Citizen of India (OCI) & Non-Resident Indian (NRI)].

The percentage of reservations and the existence of the categories in the reservations are subjected to vary from time to time.

A candidate applying under any of the reserved category (Scheduled Caste / Scheduled Tribes / Differently Abled / Kashmiri Migrants & Kashmiri Pandits / Kashmiri Hindu Families (Non- Migrants) living in Kashmiri Valley) are mandatorily required

to submit relevant document issued by Competent Authority. Any participation at any stage of admission process by such candidate is purely provisional and will always be subject to verification and authentication of such relevant document.

In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the SNAP registration form. The category selected by the candidate at the time of filling the registration form will be considered to be her/ his category for the entire admission process and her/his benefits and entitlements shall be according to such selected category. S/he will not be able to claim benefit under the other category/ies at any stage of admission on any account whatsoever.

A candidate belonging to any reserved category should note the eligibility requirements carefully before applying. While it is the endeavor of SIU that a candidate belonging to SC/ST/DA category joins a programme as per the SIU norms, s/he has to meet the minimum eligibility criteria. A certain minimum level of performance in SNAP test is required to be considered for the subsequent admission process.

Please also note that if any information provided by the candidate in respect of her/his category is found to be incorrect, the University shall have the right to cancel the candidature of the candidate at any stage of the admission process. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/ she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

* Differently Abled Category (DAC) at SIU

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are: -

- a) Vision Impairment
- b) Hearing Impairment
- c) Locomotors Disabilities
- d) Mental Retardation
- e) Multiple Disabilities
- f) Dyslexia

A candidate claiming admission under DAC will be provisionally admitted under the said category. Thereafter, the candidate will be required to obtain an 'Authentication Certificate'. The candidate will have to get the disability certificate authenticated by Medical Board of Symbiosis University Hospital and Research Centre (SUHRC). Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category.

* Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act - 1995 and suffering from not less than forty per cent of the disability

as certified by a competent government medical authority. as per revised Gazette of India Registered no: DL - (N)04/0007/2003-16 dated December 28,2016. The candidate will have to get the disability certificate authenticated by Medical Board of Symbiosis University Hospital and Research Centre (SUHRC). Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category. Process to be followed for Differently Abled Candidates (DAC):

A Differently Abled category candidate is requested to upload his/her Medical Certificate issued by a competent authority at the time of registration for ascertaining percentage of the disability. The candidate failing to do this will be considered under the Open Category.

Note - If a candidate selects Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be maximum Class XII passed. Candidate should send the request to info@snapstest.org in case scribe/writer is required.

During the test, as per SIU Examination norms, a Differently Abled Candidate is provided with 20 minutes of compensatory time for every 60 minutes of test.

For Symbiosis Institute of Management Studies (SIMS): As per MoU with Ministry of Defence clause no. 13 sub clause (d) The term Defence Personnel would mean only those serving / retired Defence Personnel from the Army, Navy and Air Force who fall in the category of ex-serviceman as laid down vide Ministry of Defence Letter no. 36034/5/85 -Estt (SCT) dated 14th April, 1987.

Reservation of Seats within the intake is:

- Defence Category - General: 80% seats for dependents (Children / Ward / Spouse) of Defence personnel. (as per merit)
- Defence category - Special: 10% seats for dependents (Children / Ward / Spouse) of Defence personnel a) killed in action (war, counter insurgency or war like operation),

or b) disabled in action (war, counter insurgency or war like operation), with more than 50% disability, or c) who have died while in service, death being attributable to military service. (as per merit)

- Open / Industry Category: 10% seats are in open category to civilian candidates under open or sponsored / recommended by the Industry (as per merit).

Reservation of Seats over and above intake:

- Officers of Armed Forces on Study Leave as authorized by respective Services HQs are granted automatic admission subject to meeting eligibility criteria.

Admission Process for International Students

SCIE is a department of the University that provides leadership and support for the University's efforts to internationalize the campus and the curricula. The mandate given to Symbiosis Centre for International Education (SCIE) is to streamline the processes related to international collaborations, participation in international conferences and seminars, international student mobility, setting up of Area Study Centres, etc.

At Symbiosis, there are international students from over 85 countries who undertake undergraduate and postgraduate studies. Students and faculty are repeatedly provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops, etc.

Internationalisation at Symbiosis works on multiple tracks, hence, the five divisions in the Symbiosis Centre for International Education include:

1. International Admissions and International Promotions
2. International Student Relations and Events
3. International Initiatives and Collaborations
4. Symbiosis Centre for European Studies (SCES)
5. Symbiosis Centre for India Australia Studies (SCIAS)
6. The Symbiosis Centre for Engagement with Africa (SCEA)

1. International Admissions and International Promotions

Admissions for international students are centralized across all the constituent institutes of Symbiosis International (Deemed University) and are routed through the Symbiosis Centre for International

Education (SCIE). The procedure for applying to SCIE is designed, taking into consideration the requirements and difficulties faced by international students. The online admission process has made it accessible for every student to apply from various parts of the world and from the comfort of their homes. Students only need to come to India when they are shortlisted for a specific program of their choice. Software has been tailor-made to suit the admission procedure. The admission process is simplified into easy steps, starting from meeting basic eligibility criteria and verifying the necessary documents to finalizing the payment and confirming the admission. Through the online admission system, students can also make all their payments online and check their admission status online.

SCIE has also taken the initiative of planning promotional campaigns in Africa and Asia. This involves participation in educational exhibitions/fairs and visiting schools and educational counselors.

2. International Student Relations and Events

This department has the goal of ensuring student comfort while at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. Understanding the importance of ensuring a fulfilling experience, both academic and social, this department will focus totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities at the Foreigners' Registration Office (FRO). We have "buddy" system, which refers to the practice of assigning a mentor to each international student. The "buddy" will be a domestic Indian student, who

is familiar with the city of Pune. The “buddy” will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department will conduct periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving an opportunity to solve these by initiating changes either in policy or regular activities.

SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students' international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation, Iftar Party, Christmas Party, Diwali Party, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students' Convocation Ceremony. The convocation ceremony is an important landmark in a student's life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of this wonderful memory. SCIE aims to fulfil a students' dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students' Council. The International Students' Council is an elected body for the smooth functioning of the activities and events of international students. This department conducts need based workshops for these council members to name a few team building, financial literacy, communication & soft skills, digital marketing, etc. which covers a diverse range of essential skills.

Working in the council provides an opportunity to showcase their leadership skills and community involvement, get the opportunity to explore a range of interests and passions that they might not have discovered otherwise, improve the self-confidence. On top of all, the biggest advantages that they gain practical skills such as goal setting, teamwork, time management, problem solving, analytical thinking, and leadership that are applicable beyond their academic pursuits. It also helps students to develop their public speaking and communication skills. These are highly beneficial for personal and professional growth.

3. International Initiatives and Collaborations

At Symbiosis International (Deemed University), (SIU) our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production of faculty and staff, which assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objectives, the university has international collaborations across the globe. Structured policies for encouraging student and faculty mobility help students to undertake these programs for increasing and ensuring sustainability.

Student Programmes:

Global Immersion Programme:

Under this initiative, SIU students get an opportunity to experience semester abroad, semester exchange program, attend summer/winter schools, and undertake short-term internships. The university accepts the credits earned by students from partner universities towards their degree completion. Study tours, which give a glimpse about the academic and cultural offerings from a foreign country, are also encouraged to give students an international exposure.

SIU encourages the collaborating universities to send their students for a semester at any of its institutes and transfers the credits earned by these students. The students have the flexibility to choose courses across disciplines.

SCIE has initiated Dual Degree programs, Joint Degree programs, Pathway programs, and Progression

agreements at undergraduate, postgraduate and doctoral levels with highly ranked partner Universities across universities in Australia, the USA, the UK and several other countries.

a) Dual Degree Programs are jointly designed and offered by SIU and Foreign Higher Educational Institutions in the same disciplines/subject areas and in the same level. The degrees shall be conferred by SIU and Foreign Higher Educational Institutions, separately and simultaneously, upon completion of degree requirements of both institutions.

b) Dual PhD Programs - PhD scholars will have one Supervisor at each INST and will spend at least one semester at each institute during the program. The student will submit only one thesis as per the framework designed by/ agreed upon by SIU and the partner HEI.

c) Joint Degree -The curriculum to be designed jointly by SIU and Foreign Higher Educational Institutions and, upon completion of the program, the Degree will be awarded by SIU and the collaborating Foreign Higher Educational Institution with a single Certificate.

d) Pathway arrangement - In this arrangement, the student would complete a major portion of their academic requirement of a lower degree program at SIU and then proceed to partner University to complete their program requirement and enter into a Higher Degree.

e) Progressions - In this arrangement, the student would complete a degree at SIU and proceed to pursue a higher degree at partner HEI.

Study India Programme:

SCIE offers short duration, customized programs imparting international students an unparalleled opportunity to experience a combination of academic content and cultural activities. Students get an understanding of the socio-economic, cultural, political, technological aspects of India along with experiential learning through visits to NGO's, Cultural heritage sites, to name a few, in this program.

Faculty Programs:

SIU believes giving international exposure for students, faculty and staff to develop a global outlook. As part of Internationalization at home, SIU has many programs where international faculty is invited on campus.

Scholar-In-Residence:

This program encourages faculty to share best academic practices, developing in house global competencies and international links. Faculty who visit SIU on short/long term engagement, conduct guest lecturers/ workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programs / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

Distinguished Visiting Professor:

Distinguished academicians/ personalities are invited to SIU for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

Faculty Exchange:

SIU is actively involved in sending its own faculty to foreign universities on short term. This encourages the faculty to get an opportunity to teach students at partner universities. The faculty gets an opportunity to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

Lecture Series:

SCIE organizes lectures by eminent faculty, industry experts and eminent personalities at different institutes of Symbiosis.

4. Symbiosis Centre for European Studies (SCES)

SCES is a multidisciplinary support department within Symbiosis Centre for International Education launched

at the hands of the former Prime Minister of Czech Republic, Mr. Andrej Babiš in January 2019.

SCES lays emphasis on facilitating people-to-people, organisation-to-organisation and institute-to-institute connections with Europe, bringing the best of scholarly expertise to India and encouraging Symbiosis students, faculty and staff mobility to Europe for research projects, engaging with Training & Consultancy projects with European companies and learning through partnerships. SCES is envisioned to be an umbrella support system for all academic/scholarly/generic activities with European nations, institutes and companies. Its purview includes all European countries and the European Union.

SCES has actively forged partnerships with European universities through various consortiums under the Erasmus+ Programmes, aiming to foster collaboration in student and faculty mobility, as well as strategic partnerships. These endeavors contribute to capacity building and the exchange of best practices in higher education. Notable collaborations include partnerships with German universities through the DAAD-DIES and DAAD-A New Passage to India programs, facilitating mobility and workshops to promote the internationalisation of higher education.

In addition to these collaborative efforts, SCES has organised the Annual Leadership Series & Conferences, focusing on contemporary issues related to the European Union and its global relationships. Think tanks, diplomats, and ambassadors have shared valuable insights with SCES students and faculty during these forums.

SCES continues to actively engage with European partners through exchanges, E-Academies, E-Symposiums, Remote Internships, Study in India Programs, and Erasmus+ projects. SCES offers various activities and programs, including:

1. Internationalisation @ Home Initiatives: These initiatives aim to enhance global perspectives within the campus environment.

2. Exclusive Opportunities for SCES Students:

- E-Academies on Internationalisation: Weekend programs focusing on developing intercultural competencies, with students collaborating with peers from around the world.
- Your Gateway to Europe: Bi-annual programs providing in-depth insights into higher education in Europe, featuring illustrious speakers and European student mentors. This year's calls are open for all SIU students. Follow this link for more information and application procedure.

Both E-Academies combine learning with cultural, language, and food exchanges, culminating in the annual release of "The World Kitchen," a culinary book featuring recipes from Indian and international students.

- Beyond Borders Work from Home Internships: Offering remote internships for Indian and European students in research, graphic designing, corporate relations (Europe), and social media management. SCES students gain international exposure and work on global projects. The calls are open for all SIU students. Follow this link for more information and application procedure.

3. SCES Student Think Tank: SCES students are invited to participate in the student-led think tank under the Symbiosis Centre for European Studies, also serving as the First Indian Chapter of European Horizons, a global student-led policy incubator founded at Yale University. Email us at sces@scie.ac.in to learn more.

Other initiatives include student and faculty exchanges, credit transfer arrangements, Summer and Winter Schools (Study India Programs & Bespoke), as well as E-Symposiums, webinars, master classes, and various opportunities for engagement with Europe. These diverse programs contribute to a comprehensive and dynamic internationalisation strategy at SCES. For more information and engagement, please reach out to us at sces@scie.ac.in.

5. Symbiosis Centre for India Australia Studies (SCIAS)

The main motive behind setting up of the Symbiosis Centre for India Australia Studies (SCIAS) is to act as an overarching umbrella for all activities involving students and faculty, deepening the existing collaborations and also seek opportunities for exploring new collaborations with Universities from Australia. The Centre was officially inaugurated by Mr. Peter Truswell, Consul-General, Australian Consulate in Mumbai, India, Department of Foreign Affairs and Trade (DFAT).

The activities undertaken under the Centre will include student and faculty mobility, faculty training, networking of research scholars for building connections/networking leading to conducting joint research. The Centre will also prioritize and execute proposals received for joint supervision for PhD level programs, developing pathway programs, Dual Degrees which has been the mandate of the New Education Policy. The Centre will have multi-disciplinary focus and will institutionalize international initiatives in education and research between India and Australia. The Centre will Facilitate student internships for Indian and Australian students in a collaborative way and consolidate industry relationship to support the internships. Focus on research in International Higher Education with special mandate to prioritize internationalisation of higher education, collaborative international learning, interregional cooperation, and knowledge diplomacy. The Centre will also encourage offering electives to students to learn Literature, History, Society, Culture, Art, Politics, Indigenous studies of Australia to SIU Institutes.

6. The Symbiosis Centre for Engagement with Africa (SCEA)

Based on its strong past connection with the continent and its people, Symbiosis believes it can positively assist in the capacity building of the African nations by offering world-class education to African students. These students will be future Ambassadors of Goodwill.

Under our 'Engage with Africa initiative' we offer the following with a view to strengthening relations between India and Africa.

1. Golden Jubilee Scholarships where we are offering 80% fee concession in academic fees as well as 50% concession in the hostel and mess fees.
2. Golden Jubilee Free-ships
3. Connecting African students studying at SIU with Indian school students and staff: Positive exchange of cultures and desired change in perception
4. Capacity Building: Teacher Training and Development for African Schools.
5. Representation on International Student Bodies/ Councils.
6. Student Development Workshops

Foreigners' Registration:

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his /her stay in India.

The foreigner should always carry identification documents, namely:

1. Passport with an endorsed visa
2. Certificate of Residence issued by the concerned authority
3. Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.

Foreigners entering India on a long term visa i.e. for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation. Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension.

The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
- Afghan Nationals must report within 7 days of their arrival
- Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

For more details, visit <https://indianfro.gov.in/eservices/home.jsp>

Admission Process for International Students:

To assist students with their application to Symbiosis International (Deemed University), a detailed stepwise procedure is available on the official website at www.scie.ac.in where students can avail the user-friendly online application.

The application will be considered and authenticated only after SCIE receives full payment towards application fee.

Foreign National students will pay the application fee along with the administrative fee after the receipt of pre-offer letter.

Fees remitted must be exclusive of bank charges.

Category:

- **Foreign National (FN):**

A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.

- **Overseas Citizenship of India (OCI):**

A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

- **Person of Indian Origin (PIO):**

A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India.

[As per the Government of India Notification dated 9th January 2015, the existing Persons of Indian Origin card holder registered as such shall be deemed to be Overseas Citizens of India card holders (OCI).]

English Proficiency Test is mandatory for the foreign nationals / OCI / PIO students. Student has an option to either appear for IELTS (conducted by British Council) or IELA (conducted by Symbiosis). The minimum score required for IELTS is 6 and for IELA band 4.

- **Non-Resident Indian (NRI):**

A student is eligible to apply as a Non-Resident Indian (NRI) if he/she is an Indian National and has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for one of the two qualifying examinations to be given outside India.

Recognition of Board and University:

Admissions are in conformity with the guidelines set by the Association of Indian Universities and the Statutory Bodies of India like the Indian Nursing Council, All India Council for Technical Education, Bar Council of India, etc. Only candidates who have the requisite qualification from foreign universities or Boards of Higher Education accredited and recognized by the Association of Indian Universities (AIU), Govt. of India, New Delhi are eligible to apply at Symbiosis institutes for admission. If required, candidates will be asked to obtain the 'eligibility certificate/equivalency certificate' from the Equivalence branch, Association of Indian Universities (AIU), New Delhi on the given below address:

Association of Indian Universities (AIU)

AIU HOUSE 16,

Comrade Indrajit Gupta Marg

Opposite National Bal Bhawan,

Near I.T.O., New Delhi -110002

Tel No: +91 - 11 - 23230059

Fax No: +91 - 11 - 23232131

Email: info@aiu.ac.in Website: <https://www.aiu.ac.in/>

Eligibility:

Prospective students must have completed 10+2 or equivalent examination from recognized Board/ University.

Students who have appeared for their 10+2 or equivalent examination and awaiting their final results are also eligible to apply subject to their passing before commencement of the program.

The following is a list of 10+2 level qualifications and their nomenclatures recognized in Symbiosis International (Deemed University).

International Baccalaureate Diploma Programme

(IBDP): In order to receive the IB diploma, students must complete examinations in six subject areas (3 at HL and 3 at SL) and successfully complete the core requirements including an Extended Essay (EE) of minimum 4000 words, Creativity Action Service (CAS) and Theory of Knowledge (TOK). Successful IB diploma candidates receive an IB Diploma and the transcript with Diploma Results stating "Diploma Awarded" listing the total IB diploma points score, the subject grades, the completion of all CAS requirements and individual grades for the combination of TOK and the EE.

International Baccalaureate Course (Certificate):

AIU shall accord equivalence to IB Diploma Course (i.e. IB Certificate) provided that a student has secured a minimum of 24 credits and has passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL).

GCE/IGCSE/GCSE: examinations of the approved British Examination Bodies, with Minimum 5/4 subjects in A, B, C Grades including English at ORDINARY('O') Level and 2/3 subjects at ADVANCED ('A') LEVEL has been equated with +2 stage qualification. Candidates intending to join Professional courses are required to have passed the subjects of Physics, Chemistry, Biology/ Mathematics in ADVANCED LEVEL & English at AS LEVEL.

Candidate having passed Ontario Secondary School Diploma of the Ministry of Education, Ontario should have acquired minimum 6 'U/M'(University Preparatory Courses).

Note:

- Students having compartments in their final results are not eligible for admission.
- Each program has specific eligibility criteria; please check the respective institute information for the same on the website.
- The admission to the program is subject to fulfillment of the specific eligibility criteria.
- It is the responsibility of the student to ascertain whether they possess the requisite qualifications for admission.
- Having completed the application and paid the application fee does not mean acceptance of eligibility.
- Final eligibility for admission will be decided by Symbiosis International (Deemed University) after submission of all the required documents.

Documents to upload at the time of online application

- 10th or equivalent Final Mark sheet
- 10+2 or equivalent Final Mark sheet
- Predicted Score or Pre-Board Marks (If waiting for 12th Final results)

(A Candidate's predicted score is an expected score, based on his or her performance on previous examination. Please note Predicted Score or Pre-Board Score should be duly endorsed by the Principal of the School on the School Letter Head.)

Note: While applying candidate may not have their final result of the qualifying examination, in this case the candidate should upload Predicted Score or Pre-Board Score duly endorsed by the Principal of the School on the School Letter Head. On declaration of the board results the candidate must upload the final result immediately. If the final board result is not uploaded immediately, the application will not be considered for merit list.

- Nepal National: Candidate should submit 11th standard Final marksheet or 12th Pre-Board Marksheet
- Photocopy of Valid Passport
- Statement of Purpose
- 2 Letters of Recommendation in original
- IELTS Score Card / Proof of IELTS registration (Not applicable to NRI students)
- Portfolio (Applicable only for students who wish to apply to Bachelor of Design Programme)

Payment Proof of Application Fee (If you are paying fee by SWIFT/NEFT/RTGS Transfer, Upload scan copy transaction.) (Foreign National students will pay the application fee along with the administrative fee after the receipt of the pre-offer letter.)

Document Verification & Evaluation

When online application reaches SCIE along with the payment of Application fee and all the required documents; SCIE will verify uploaded documents and check the requisite qualifications for admission. Application will be forwarded to the Admission Committee for Evaluation. The Admission Committee will shortlist the applications based on the previous academic track record, SNAP score (if applicable), English Proficiency Test (if applicable), Statement of Purpose, Letters of Recommendation, Portfolio (In case of application for Bachelor of Design Programme)

- Students applying under International category (FN/PIO/OCI/NRI) are NOT required to appear for any entrance test.
- Weightage for admission of International Category:
 - Graduation Transcripts - 90%
 - Statement of Purpose - 5%
 - Two Letters of Recommendation - 5%
- Students applying under the NRI category are NOT required to appear for the English Proficiency Test (IELA/IELTS Examination).

- Students applying as FN/PIO/OCI are required to appear for the English Proficiency Test (IELTS/IELA examination)
- A final verification of original documents will be done at the time of joining.

Please Note:

Foreign National students will pay the application fee along with the administrative fee after the receipt of pre-offer letter.

Merit List:

After evaluation by Admission Committee, SCIE will send an email informing about the status of your admission. You will receive an offer letter through email depending on evaluations done on your application. Once you receive an offer letter, you need to confirm your intention of joining the said program by making a payment of the first installment which consists of administrative fee and part payment of annual academic fee within stipulated period mentioned in the offer letter.

- Breakup of the First Installment of fees (USD 1365) for NRI/OCI/PIO students:
 - *USD 550 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, admin and processing charges.
 - USD 540 towards part payment of annual academic fee
 - USD 275 towards institute deposit (Refundable)
- Breakup of the First Installment of fees (USD 1365) for Foreign Nationals:
 - *USD 275 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, admin and processing charges. (*50% concession has been given to the Foreign National Students on Administrative Fees of USD 550)
 - USD 815 towards part payment of annual academic fee
 - USD 275 towards institute deposit (Refundable)

To make this payment, you will have to log on to <https://scieaccounts.ishinfo.com/UGStudentAdmission> with your 'SCIE ID' and 'Password'. Accordingly follow Payment instructions mentioned in the link. Kindly ensure that this payment is to be made within the stipulated date mentioned in the offer letter. The

balance payment of annual academic fee is to be paid on or before the date of reporting. Applicants who fail to make the payment within stipulated date will not be able to secure a provisional admission to 'Symbiosis International (Deemed University)' and their seat will be offered to the next applicant in the waitlist.

Provisional Admission Letter:

SCIE will issue a "Provisional Admission Letter" to the foreign national students who require the Student Visa, only after receipt of administrative and part payment of academic fee. Applicant can use this letter as a supporting document while applying for his/her student visa at the Indian Mission in his/her country.

Note:

The Visa should be a 'Student Visa' and should mention the name of "Symbiosis International (Deemed University)". Any other type of visa is invalid and final admission will not be granted to students who do not have a valid visa.

For the interview at the Indian Embassy make sure that you carry relevant documents to prove how you intend to finance your education in India.

Reporting Mail:

On confirmation of the receipt of administrative fee and part payment of academic fee, applicant will be considered as 'Provisionally Admitted' to Symbiosis International (Deemed University). Subsequently, SCIE will send the email regarding the formalities to be completed at the time of reporting.

The student provisionally admitted to Pune campus have to report to SCIE and the student provisionally admitted to out of Pune campus will have to report to their respective institutes on the dates mentioned in the prospectus or on the institute website to complete the reporting formalities. Kindly check the respective institute information in the prospectus or SCIE website for specific reporting date to SCIE and the respective institute.

Reporting Formalities:

1. Medical Test

International students will have to undergo a medical examination. Medical check-up will be conducted at Symbiosis Centre for Health Care (SCHC) within the Campus. Collect the Medical Test Form for Medical Check-up. After undergoing medical test submit the counterfoil of the Medical Test form.

2. Payment Confirmation

Take the confirmation of Fee details from Accounts Department. Pay the balance amount or short fall if any.

3. Eligibility Formalities

The clearance of the Eligibility is an essential factor for admission to any program of Symbiosis International (Deemed University) (SIU). The admission will be provisional till the clearance of the same. The student is liable to fill the online Eligibility form and submit all the necessary documents mentioned above as per the category. Few documents which are not possible to be submitted at the time of reporting must reach at SCIE latest by 31st August. Students who fail to submit the documents within the stipulated date will not be allowed to appear for the semester I examination. They may have to forfeit the academic fee and may lose an academic year or face cancellation of admission (as per SIU rules)

4. Submission & Verification of all the required documents with originals

The students are advised to carry all original documents along with 2 sets of self-attested photocopies.

Documents required from Foreign Nationals/ PIO/ OCI:

- Mark sheet of 10th Std./equivalent
- Mark sheet of 12th Std./equivalent
- Passing / Provisional Certificate
- English Proficiency Test Result (IELA/IELTS)
- Migration certificate in original

- Transfer certificate in original
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Experience Certificate (if applicable)
- Passport
- PIO card (only for PIO students)
- OCI Card (only for OCI students)
- Citizen card (only in case of Nepali nationals)
- Valid VISA (applicable for Foreign National except Nepal & Bhutan students)
- Valid Residential Permit (applicable for Foreign National except Nepal & Bhutan students)
- Gap certificate (applicable for students with the gap of one year or more) *
- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*
- SIU-Eligibility Form* (This should be on 100 rupee stamp paper)

(Note: *You can download documents from Payment Login link <http://scieaccounts.ishinfo.com> / UG Student Admission)

Documents required from NRI:

- Mark sheet of 10th Std./equivalent
- Mark sheet of 12th Std./equivalent
- Passing / Provisional Certificate
- English Proficiency Test Result (IELA/IELTS)
- Migration certificate in original
- Transfer certificate in original
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)

- Experience Certificate (if applicable)
- Passport
- Gap certificate (applicable for students with the gap of one year or more)*
- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*
- SIU-Eligibility Form* (This should be on 100 rupee stamp paper)

(Note: *You can download documents from Payment Login link <https://scieaccounts.ishinfo.com/UGStudentAdmission>)

Please ensure you carry all original documents for verification including passport

5. Joining Letter to respective institutes (Applicable to Pune Campus)

Before you proceed to your respective institute ensure that you have collected the Joining Letter duly signed and stamped. Submit your 'Joining Letter' to the International Students' Coordinator of your institute and complete the remaining formalities at the institute like payment of hostel fee, mess fee, uniform fee, etc. which are not included in annual academic fee.

- Payment Information Important Points to be noted
- Except students from Nepal and Bhutan, it is mandatory for all the students to make all the transactions in USD currency.
- Authentication of all the payments will be made only after its realization in SCIE account.
- Incomplete details of the payment (either through SWIFT/ RTGS/ NEFT) will not be entertained.
- The application fee, IELA fee and administrative fee is not refundable.
- Kindly note that currency exchange rate for all the transactions will be at actuals and student will have to bear all applicable transaction charges or card payment charges.
- The applicant must upload the SWIFT/NEFT/RTGS transaction copy and fill the transaction details in the payment window of online registration portal.
- The bank details are available in the payment window of online registration portal.

- For more information about payment, you can contact us on +91 020 25671905.
- Application Fee (Non-Refundable):
- Foreign National (FN): USD 65 (As per SIU internationalization mission)
- Non-Resident Indian (NRI): USD 120
- Overseas Citizen of India (OCI): USD 120
- Person of Indian Origin (PIO): USD 120

International English Language Assessment (IELA) Examination:

- USD 50 (Non-Refundable)-Students enrolling for the 'International English Language Assessment' exam will have to pay the 'IELA examination fee'. During the Online Application, the system will prompt you about IELA details and accordingly, at the time of payment this fee will be added along with your 'Application fee'. Note - Your application will be considered and authenticated only after SCIE receives full payment.
- 1st Installment (Administrative and part payment of Annual Academic fee):
- *USD 550 towards the Administrative fees (Non-refundable) and USD 815 towards the Part Payment of Annual Academic fee & USD 275 institute deposit (refundable).
- *50% concession has been given to the Foreign National Students on Administrative Fees
- After assessing and evaluating the application, SCIE will send an offer letter to selected candidates. Once the candidate receives the offer letter, he/she will need to confirm his/her intention of joining the said program by making a payment of 1st installment (Administrative and part payment of Annual Academic fees). In case of Foreign National students, SCIE will issue a Provisional Admission Letter (PAL) only after receiving this payment to enable candidates to apply for a visa.

Please Note – Pre-Induction Charges (if any) and 'Administrative fee' are non-refundable.

Modes of payment:

Once you complete your Online Application, the system will prompt you to select the mode of payment and accordingly it will guide you through the procedure.

1. Online Payment:

You can make your payment by using an International Credit / Debit Card.

2. Offline Payment:

A. NEFT/RTGS Transfer: (Only For Nepalese and Bhutanese Students)

Students who wish to make any of their payments through NEFT/RTGS transfer must approach a bank and request for a NEFT/RTGS transfer. Please mention Student's Name and SCIE ID while making the transaction.

Please ensure the student upload the bank transaction copy and fill the transaction details in the payment window of online registration portal along with the UTR number.

Students who wish to make any of their payments through Swift transfer must approach a bank in their home country and request for a Swift transfer. Please mention Student's name and SCIE ID while making the transaction. Students to ensure that they upload the bank transaction copy and fill the transaction details in the payment window of online registration portal.

SIU scholarship:

The Chancellor of SIU, Dr. S.B. Mujumdar believes that education is the only way of bringing about international peace and understanding. Set up in 1971, 'Symbiosis' was created to offer a home away from home for foreign students from Africa, Asia and the Middle East.

Symbiosis is keen to offer scholarships* to foreign students to give them the opportunity to take advantage of the educational programs available at Symbiosis. The scholarships are offered preferably in conjunction with the education ministries / embassies of participating countries. Close cooperation with these foreign governments will assist in ensuring

that scholarships are awarded to the most deserving candidates.

The Symbiosis International Scholarships are funded by the Symbiosis Society Foundation and are offered to deserving and meritorious foreign students from various African, Asian and Middle Eastern countries. All scholarships are administered by the Symbiosis Centre for International Education (SCIE) Office in conjunction with the office of the Symbiosis Society Foundation. The Scholarship Committee shall endeavor to maintain gender balance and include students from diverse backgrounds while selecting candidates.

Symbiosis has announced the Golden Jubilee Scholarship in celebration of 50 glorious years of offering quality education to International students Special Scholarships for Foreign Nationals only as below.

The scholarship amount covers only academic fees:

- All Undergraduate Programs (Except MBBS) - USD 1300 per year
- All MBA Programs - USD 2600 per year
- All Other Post Graduate programs: USD 1950 Per year

Fees payable by students:

- One-time Application fees USD 65
- English Test Fees (if Applicable) USD 50
- One-time Administrative fees USD 275
- Annual Hostel Fees USD 850 per year (if applicable)
- Annual Meal Plan USD 560 per year (if applicable)

Applicant Eligibility:

International Scholarships are only for 'Foreign Nationals'

Applicants Must:

Hold a valid foreign passport.

Have obtained more than 50% as a qualifying grade in STD. XII. Those appeared for final exams and awaiting final results should submit predicted results (in case of Undergraduate programs).

Have obtained more than 50% as a qualifying grade in Graduation (in case of Postgraduate programs).

Have appeared for an English Proficiency Test conducted by British Council (IELTS) with a minimum score of 6 or the IELEA Test with a minimum band of 3.

Fulfill the specific eligibility criteria (if any) of the desired program. (Please go through <https://www.scie.ac.in/bachelor-programs-ug>)

Exceptions:

- This policy does not cover the following categories:
- Indian, NRI, OCI and PIO students
- International Students on short term programs
- Doctoral programs
- Part time programs

Selection criteria:

- The following criteria will be applicable for evaluating applications:
- Academic Transcripts to support the record of sustained academic excellence.
- Letter of Recommendation from the Ministry of Higher Education of the respective
- Country/ The Embassy/High Commission of the Country in India
- Statement of Purpose

Specific Eligibility Criteria: Students must verify and satisfy the specific eligibility for a program for which he/she is applying including English language requirement.

Symbiosis Center for International Education

Senapati Bapat Road, Pune – 411 004 www.scie.ac.in
Please write to intadmissions@symbiosis.ac.in for any admission related queries. You can also reach us through WhatsApp +91 7720858521 (Text messages only)

EXAMINATIONS:

Programme: The programmes conducted by the University follow semester/ annual pattern. A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University. Successful completion of the courses will lead to the award of a Degree or Diploma e.g. Master of Business Administration.

Programme Outcome: Programme outcome represents broad statements that incorporate many areas of inter-related knowledge and skills developed over the duration of the programme through a wide range of courses and experiences.

Course Catalogue: A set of approved courses that includes the course objectives, syllabi, pedagogy and assessment approaches.

Course: A course means an individual subject that would be included from the course catalogue to become a part of the pre-defined courses of a programme e.g. Marketing Management.

Audit Course: Audit courses are the courses which are offered as additional/ optional learning opportunities over and above the programme requirements. They shall not exceed 10% of the semester credits in which it is offered and will be reflected as 'Pass' grade courses (only if, completed successfully) and would not contribute to the GPA/ CGPA.

Course Outcome: Course outcomes are statements clearly describing the meaningful, observable and measurable knowledge, skills and/ or dispositions that students will learn in the course.

Term: A term in semester pattern means one semester and in annual pattern means one year.

Semester: A semester consists of a minimum of 90 days of teaching-learning and requires about five months to complete. Any programme of 2 years duration will have 4 semesters, any programme of 3 years duration will have 6 semesters, any programme of 4 years duration will have 8 semesters and the programme of 5 years duration will have 10 semesters.

Credit: A credit is defined as follows:

- a) 1 Credit = 12 hours of face to face contact sessions including continuous assessment as per SIU norms: not exceeding 2 hours* + 3 hours for continuous assessment linked to experiential learning.
- b) 1 Credit = 30 hours of Laboratory or Studio or practical hours
- c) 1 Credit = 60 hours of Internship/ Project/ Dissertation
- d) For courses which employ combination of practical and theory, the practical hour be converted to contact hours in the ratio of 1:2 meaning 1 face to face contact hour = 2 hours of practical (Lab and/ or Studio hours)

Assessment: The assessment includes continuous and term-end assessment. Continuous assessment in general, is formative while the term-end assessment is summative in nature.

Term-End Assessment: At the end of every term the University shall conduct 'Term-end' examination, under its supervision and jurisdiction.

Continuous Assessment: The University has adopted the policy of continuous assessment, which shall be carried out by the respective constituents in accordance with the rules and regulations of the University. Continuous assessment aims at multilevel assessment and may include components like class room/ online test, surprise tests, open book test, research essay, assignments, quizzes, case studies, practical, presentations, viva and others as approved by the Board of Studies of the respective Faculty. All the components of assessment should be spread across the term. Award of marks for attendance should be strictly avoided.

Examination: The examination is the entire process of assessment carried out at the Constituent and University level which includes both continuous and term-end assessment.

Examination Season: Each academic year is divided into two examination seasons. Generally, one will be called as ODD season and the other will be EVEN season. All examinations held between September to December will be counted as held in ODD season. All examinations held between January to June will be counted as held in EVEN season. Unless change occurs due to unforeseen circumstances.

Term Not Granted (TNG): Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance and attendance in each and every course is below 75% then the student will not be granted the permission to appear for the term-end examination.

Course Not Granted (CNG): If a student falls in TNG category (i.e. aggregate attendance is less than 75%), then the CNG rule is applied, by checking course wise attendance. In the course/s where the student has more than 75% attendance, he/ she may be allowed to appear for the examination and the remaining courses are termed as 'Course Not granted'.

Allowed To Keep Terms (ATKT)

ATKT Rules for 3 Year to 5 Year Programmes

A student will attend classes of all the years with his/ her batch. The following rule will be applicable as per the total number of semesters in a programme:

He/ she cannot appear for Term End Examination of Semester-5 if he/ she has CGPA less than 4.00 up to **Semester-2.**

He/ she cannot appear for Term End Examination of Semester-6 if he/ she has CGPA less than 4.00 up to **Semester-3.**

He/ she cannot appear for Term End Examination of Semester-7 if he/ she has CGPA less than 4.00 up to **Semester-4.**

He/ she cannot appear for Term End Examination of Semester-8 if he/ she has CGPA less than 4.00 up to

Semester-5.

He/ she cannot appear for Term End Examination of Semester-9 if he/ she has CGPA less than 4.00 up to

Semester-6.

He/ she cannot appear for Term End Examination of Semester - 10 if he/ she has CGPA less than 4.00 up to

Semester-7.

Validity of Terms for Under Graduate Degree Programmes

Students admitted to the under graduate degree programmes of the University are allowed to keep term for a period of two years from the date of admission beyond the normal period of the programme, i.e. a student joining three years programme must complete the programme in five years from the date of admission.

Expiry of Validity

Students who are not able to complete their programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his/ her performance at the examinations and the terms kept earlier will be treated as null and void.

Global Immersion Programme (GIP):

GIP is a special feature of SIU wherein student gets an opportunity to study abroad for a semester at the University of their choice. Students go to the partner Universities and study some courses. Courses offered by foreign partner Universities are studied carefully and adapted into SIU curriculum in such a way that a student can choose the courses of his/ her choice which are equivalent to the regular courses at SIU. To be eligible for GIP the student should have obtained more than 7 CGPA/ GPA out of 10 in the previous semester or as an average across all previous semesters, with good conduct. The student should not have any backlog or Terms Not Granted (TNG) in any semester (they must have 75% attendance in each semester).

Re-evaluation: It is a mechanism which facilitates the students to get the answer scripts reassessed by a different examiner.

Credit Point System for Under Graduate Programmes

- UG Programmes will be conducted on semester / annual pattern over a period of three/ four/ five years consisting of six/ eight/ ten semesters.

- Credits for UG Programme shall not exceed a total of 50 per year.
- Each credit is assessed for 25 marks at the UG level, unless otherwise explicitly mentioned by the respective statutory councils.

Choice Based Credit System (CBCS):

- Cumulative Grade Point Average (CGPA) System for Academic Programmes.
- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous evaluation and term end examination prescribed in the approved programme structure.
- Over and above, Integrated Disaster Management, Core Environmental Studies and Fitness for Life courses are mandatory for award of Degree.
- There is no provision to appear in exam to improve marks or grades

Relative Grading: The grading of students will be done based on the relative performance of the students compared to the class. The students will be awarded letter grades.

Calculation of Grade Points corresponding to grades based on relative grading:

Letter Grade Proportion Grade Point

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

Absolute Grading: Under the absolute grading, the marks are converted to grades based on pre-determined class intervals.

Courses based on absolute grading:

- The absolute grading system is applicable to Projects/ Dissertations/ Thesis/ Internships Courses under all Faculties from the October 2020 season, as per the requirement of assessment.
- Absolute grading system shall also be applicable for all the courses where the student number is 15 or less.
- Absolute grading system courses (if any) during each semester be informed to the Controller of Examinations during the respective Board of Examination (BoE) Sub-Committee meeting.
- Absolute grading system courses shall be marked with a symbol (~) on the grade sheets.

Calculation of Grade Points corresponding to grades based on absolute grading:

Percentage	Grade	Grade point
90% and above	O	10
80% to 89.99%	A+	9
70% to 79.99%	A	8
60% to 69.99%	B+	7
50% to 59.99%	B	6
45% to 49.99%	C	5
40% to 44.99%	P	4
Below 40%	F	0

Time slot for Term End Examinations:

Term End Marks	Duration of Examination	Compensatory Time in case of Writer
less than 40	1 hour	20 min.
40 to less than 60	1 hour and 30 minutes	30 min.
60 to less than 80	2 hour and 30 minutes	50 min.
80 and more than 80	3 hours	60 min

Examination Schedule and Registration

The University shall declare term end examination schedule one month prior to commencement of examination. Maximum fifteen days will be allotted to students without late fees to fill online examination forms for regular and backlog attempts. Additional one week (maximum) will be given to fill forms with late fee after the declared last date of late fees; a super late fees per day will be applicable.

Award of Degree: A student will be awarded the degree only if he/ she has a CGPA of minimum 4.00 on the completion of programme. The student has to clear courses which are mandatory for award of degree such as Integrated Disaster Management Programme, Core Environmental Studies, Fitness for Life etc.

Four-Year Undergraduate Programmes (FYUGP)

- The Validity of Four Year UG programmes (FYUGP) as per the NEP will be seven years, exiting student can re-join the programme within three years.
- The exiting students will intimate about their exit before registering for the EVEN semester University examinations.
- The student who does not have a backlog and fulfils the condition for the award of Certificate/ Diploma/Degree, can exit only after the EVEN semesters.
- Additional attempt in the consecutive exam season shall be given to the students exiting with the Certificate / Diploma for the award of the Certificate / Diploma. (Original attempts, Summer Exam season and immediate odd exam season)
- Additional SUMMER examination will be taken only for the exiting students. The exiting students will be permitted to give the backlog exams for both ODD and EVEN semesters in the SUMMER exam. The fees for the SUMMER exam will be charged as per the regular backlog exam fees. (The SUMMER Exam is the additional exam which will be scheduled immediately after the EVEN exam season only for exiting students)

- Re-entry in the FYUGP will be permitted at the beginning of the academic year as per the Lateral Entry Policy of the University.
- Certificate and Diploma certificate will be given to the successful students immediately after the declaration of the results and only the degrees will be awarded in the convocation ceremony.
- The Continuous Assessment (Internal): Term End (External) assessments for Four Year UG programmes will be 60:40.
- The marks obtained by the student shall be mentioned on the mark sheet.
- The Audit Courses shall be made available to UG Programmes, but can be taken only up to the fifth semester for the students exiting with the degree and up to the seventh semester for the students completing the degree with honours/honours with research.
- The assessments of Vocational Courses, Multidisciplinary courses (MDCs), and Common Value-Added Courses (CVACs) will be 100% internally evaluated.
- It is recommended that the GIP should be opted preferably in Semester-4 in the Four Year UG programmes.

Marking System / Grading System & Award of Class for Symbiosis College of Nursing (SCON):

As per the requirement of Nursing Council, the following rules shall apply –

- A student must have minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course for appearing University examination.
- A student must have 100% attendance in each of the practical areas before award of degree.
- Minimum pass marks shall be 50% in each of the theory and practical examination separately.
- Minimum pass mark shall be 40% for English only for B.Sc. (Nursing).
- A candidate has to secure minimum of 33% in qualifying subject (English) for passing in P.B. B.Sc. (Nursing). Time duration for the external examination shall be as per INC Guidelines.

- A candidate can take maximum three attempts per course inclusive of first attempt with a condition that he/ she completes the course successfully within the maximum period allowed.
- The maximum period to complete the programme successfully should not exceed 8 years for 4 years programme and 4 years for 2 years programme.
- If a student fails in either theory or practical paper he/ she has to re-appear for both the papers (Theory and practical).
- The candidate, in spite of failing in more than two courses he/ she can be promoted to next year except for the final year. To get promoted into the final year the student has to pass in all courses of previous years.
- Internal and External assessment ratio is 25:75.

Award of Class as per INC Rules & Regulations:

Percentage Range	Class
50%	Pass in each of the head (Theory & Practical)
50.01 to 59.99%	Second Division
60.00 to 74.99%	First Division
75% and above	Distinction

CGPA System

- Bachelor of Science (Nursing) degree will be awarded after taking into consideration, the performance of candidates in all 8 semesters taken together. The degree will be awarded only to those who have completed 100% attendance in the clinical field.
- The student has to pass in all mandatory modules placed within courses and the pass mark for each module is 50% (C Grade). The allotted percentage of marks will be included in the internal assessment of College/University Examination.
- If the student has failed in only one subject and has passed in all the other subjects of a particular semester and Grace marks of up to 5 marks to theory marks can be added for one course/subject only, provided that by such an addition the student passes the semester examination.
- The candidate shall appear for exams in each semester.

- The candidate shall have cleared all the previous examinations before appearing for fifth semester examination. However, the candidates shall be permitted to attend the consecutive semesters.
- The candidate shall have cleared all the previous examinations before appearing for seventh semester examination. However, the candidates shall be permitted to attend the consecutive semesters.
- The candidate has to pass separately in internal and external examination

Award of Class for B. Sc. (Nursing) programme as per INC Rules & Regulations:

Letter Grade	Grade point	Percentage
O (Outstanding)	10	100%
A+ (Excellent)	9.9	90-99.99%
A (Very Good)	8	80-89.99%
B+ (Good)	7.7	70-79.99%
B (Above Average)	6	60-69.99%
C (Average)	5	50-59.99%
P (Pass)	4	40-49.99%
F (Fail)	0	

- For Nursing Courses and all other courses – pass is at C Grade (5 grade point) 50% and above
- For English and electives – Pass is at P grade (4 grade point) 40% and above

Standard of Passing for B. Sc. (Nursing) programme of SCON

- First Class with Distinction – CGPA of 7.5 and above
- First Class – CGPA of 6.00 – 7.49
- Second Class – CGPA of 5.00 – 5.99

DEPARTMENT OF STUDENT WELFARE

Department of Student Welfare (DSW) was established on 11th March 2010. Department of Student Welfare acts as a bridge between the University and the students. With an intention to create a home away from home, the DSW works with a holistic approach towards students' concerns. The Department of Student Welfare provides services and support to students. It extends all possible help to students in order to create a conducive environment, imbuing values, ethics and morals. The rules are framed in consonance with the University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.

The Department of Student Welfare facilitates the orientation program during the induction of the new batches of students. It is responsible for displaying information for scholarships. It leads in organizing the cultural fest for freshers at the Lavale campus and the organization of cultural events at other constituents. It facilitates study tours/ excursions arranged by constituents. The department is responsible for dealing with disciplinary matters related to students of all constituents of SIU. The Head of the Department of Student welfare shall disseminate awareness about the Code of Conduct applicable to the students of the university.

The Code of Conduct helps the University to maintain an appropriate sense of order that allows the pursuit of the University's objectives in a safe and free environment. It adheres to the rules and regulations laid down by the University to mark the boundaries of this needed order.

2.1 Code of Conduct

1.1 Preamble

Every University strives to deliver its academic programmes in an environment that is conducive to

learning, critical inquiry, development of scientific temper, sensitivity towards community and respect for diversity. These have been enshrined within the mission statements of the Symbiosis International (Deemed University) [SIU]. Students being *raison d'être* for any Institution, a lot of effort goes into ensuring an enriching student experience. Discipline is an important ingredient to not only foster effective teaching-learning process, but also to ensure the safety and security of all the stakeholders including students.

Any disturbance on account of student indiscipline impacts the harmony on the premises of the institute which is why institutes formulate Code of Conduct and lay down just and fair policies to inquire and decide with violation of Code of Conduct by students on its premises. It is binding upon any student, who seeks admission, to comply with the requirements of the Code of Conduct.

The Code of Conduct under these rules has been framed to foster and protect the core missions of the University, the scholarly and civic development of the students in a safe and secure learning environment, and to protect people, properties and processes that support the University and its missions. The establishment and maintenance of a community where there is freedom to teach and to learn is dependent on maintaining an appropriate sense of order that allows for the pursuit of objectives of the University in an environment that is both safe and free of invidious disruption.

Towards this end, the purpose of the Code of Conduct is to define limits of acceptable student conduct and defining violations thereof, as misconducts. Further, it lays down the disciplinary proceedings at the University within the applicable laws of the land ensuring that the actions taken are in pursuance of the same. However, the Code reserves the right of the University to take necessary disciplinary actions against the alleged delinquent in the event of him/her having been found guilty or convicted by the appropriate authority under the law to which s/he is subjected.

Hence, rules are necessary to mark the boundaries of this needed order in the form of this Code of Conduct.

1.2 Applicability

The Code of Conduct is applicable to all students, admitted to the programmes at all Constituents of the University at its main campus/ off-campus/ off-shore campus, pursuing degree/ diploma/ certificate programmes through full-time/part-time/ distance

/open and online learning mode(s) and includes all on-campus and outside campus activities. The outside campus activities shall include internship(s), training(s), outbound activities, study visits, excursions, field visits, international exchange programs, representation or participation in sports and other co-curricular and extra-curricular activities or festivities or any other, as prescribed by the University from time to time.

1.3 Jurisdiction

For students who feel aggrieved with the action taken by the competent authorities of the University for any breach of the Code of Conduct and who wish to avail legal recourse, the Judicial Jurisdiction shall be Pune.

1.4 Responsibilities of Students

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and also, they are responsible towards the academic community of the University.

2.2 Disciplinary Misconduct (DMC)

The students are expected to maintain absolute integrity at all times, observing courtesy and consideration towards one another and acting in the best interest of the university. However, in the event of any misconduct being reported by any person against any student of the university, measures may be taken by the competent authority depending upon whether the misconduct is of major or minor nature.

Students found to have committed or to have attempted to commit the following misconduct are subject to appropriate disciplinary action under this Code of Conduct. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. These instances are illustrative, and the University reserves the right to initiate disciplinary action in appropriate circumstances not set out in this article.

DMC 1: Academic Misconducts: Academic Misconducts means misconducts which include (a) unfair means used in examinations/ evaluations and or (b) plagiarism as defined in respective Rules/ Regulations.

DMC 1 (a): Unfair means: 'Unfair means denote any unethical means and malpractices adopted by students during examination or in submission of any assignments leading to internal and/or external evaluation; OR unfair means adopted by students under semester exchange programme, twinning programme, credit transfer arrangement like fabricating/ forging/ altering of Grade sheets/ marksheets given by other Indian / foreign university/ institution under multiple entry/ exit options or any exchange related programme, twinning programme, credit transfer arrangement, etc. and noticed by the University

DMC 1 (b): Plagiarism: 'Plagiarism' means the practice of taking someone else's work or idea and passing them as one's own.

DMC 2: Disruptive Conduct:

Disruptive Conduct means a conduct that intentionally or substantially obstructs or disrupts teaching or freedom of movement or other lawful activities including workshops/ seminars/ conventions/ moot courts/ student gatherings/ functions etc. on University premises or in connection with any University-sponsored event or activity,

Protesting against decisions, in the manner not prescribed/ expected and or instigating students to protest against the decisions of the University officials/ staff, in the manner not prescribed/ expected.

Rude/ unruly behavior and or use of foul language towards staff/ faculty/ campus administration staff, fellow students.

Rash driving, over speeding, breaching traffic rules, wrong parking, honking of horns on campus

DMC 3: Discrimination:

3.1 'Discrimination' means engaging in verbal or physical behavior directed at an individual or group

based on origin, race, creed, gender, religious beliefs, or sexual orientation that, according to a person of reasonable sensibilities, is likely to create an intimidating or demeaning environment that impedes the access of other students, faculty and staff to the educational benefits available to them.

3.2 It also includes wearing articles of clothing with derogatory, racist, discriminatory, patently offensive, profane, sexually explicit, or graphic messages either in words or pictures, which demonstrate bias or discrimination against any individual or group within the University.

DMC 4: Falsification:

'Falsification' means willfully providing false, misleading, or incomplete information, whether oral or in writing or in the form of document(s) with the intention of concealing the material facts; to Institutes/ Sections/ Departments/ University offices or officials;

DMC 1 (b) Forging or altering official University records or documents or conspiring with or inducing others to forge or alter University records or documents.

Fabrication/ forging of degree certificates of the University (SIU/ other Indian/ Foreign)

DMC 5: Refusal to Identify or Impersonation:

Refusal to show/ provide Identity Card to University staff when demanded or falsely identify oneself when requested by an authorized University Official or impersonating.

DMC 6: Illegal or Unauthorized Possession or Use of Weapons:

6.1 Illegal or unauthorized possession or use of weapons means possessing or using weapons or articles or substances usable as weapons, including, but not limited to, firearms, incendiary devices, explosives, and dangerous biological or chemical agents.

6.2 Not informing the concerned authorities in spite of knowing presence of weapons, including, but not limited to, firearms, incendiary devices, explosives, and dangerous biological or chemical agents

DMC 7: Illegal or Unauthorized Possession, Distribution or Use of Drugs or electronic cigarettes:

Symbiosis strongly advocates Drug Free Campuses and has zero tolerance towards any such practice. It is the strict policy of Symbiosis that no student shall possess on their person, personal belongings (such as bags, room, vehicle, wardrobe, desks, beds etc.) or use, distribute or sell, illegal drugs, or controlled substance, or e- cigarettes on its premises. Possession of paraphernalia associated with the illegal distribution, sale, use, possession, or manufacture of a controlled substance or electronic cigarettes is also strictly prohibited. It is incumbent on the student to prove that the banned substance is not theirs if found on their person/ personal belongings.

Students having knowledge of this misconduct shall report the same to Director/ Administrative Officer of the concerned Institute immediately. If students fail to report despite knowledge they shall be liable for breaching this rule and shall be subjected to disciplinary action under the Code of Conduct.

DMC 8 (a): Possession, consumption, distribution, and or sale of tobacco:

Possession, consumption, distribution, sale of cigarettes and or tobacco, is strictly prohibited on the premises of the University and its Constituents. Any such behaviour shall amount to violation of the Code of Conduct.

DMC 8 (b): Possession, consumption, distribution, sale of Alcohol/ Alcoholic Beverages:

It is a strict policy of Symbiosis that students shall not possess, consume, distribute or sell alcohol or alcoholic beverages on premises of the University and its constituents. Any such behaviour shall amount to violation of the Code of Conduct.

Students having knowledge of occurrence of this misconduct shall report the same to Director/ Administrative Officer of the concerned Institute immediately. If students fail to report despite knowledge, they shall be liable for breaching this rule and shall be subjected to disciplinary action under the Code of Conduct.

DMC 9: Unauthorized Access and Use of Property & Facilities:

Unauthorized access means accessing without authorization University property, facilities, services,

or information systems, or obtaining or providing to another person the means of such unauthorized access, including, but not limited to, using or providing without authorization keys, access cards, or access codes.

DMC 10: Act of Violence, Threatening, Harassing, or Assaultive Conduct:

Act of Violence, Threatening, abusing, harassing, or assaultive conduct means engaging in conduct that has caused injury to/ death of other person/ students of the campus, a conduct that endangers or threatens to endanger the health, safety, or welfare of another person, including, but not limited to, threatening, harassing, fighting or assaultive behaviour, disturbing academic and administrative environment on the campus. Being a part of the actual act or accompanying the main defaulter in the act.

DMC 11: Theft, Property Damage, and Vandalism:

11.1 Theft, property damage, and vandalism include theft or embezzlement of, damage to, destruction of, unauthorized possession of, or wrongful sale or gift of property belonging to University/ residents/ students/ or any other person on the campus.

11.2 Misuse of/ damage to property/ facilities like hostel, gym, gym equipment, swimming pool, playground, mess and cafe facilities and not abiding by the basic guidelines of using the facilities.

DMC 12: Recording of Images without Knowledge/ Altering of a Photograph of a Student(s)/ Person(s):

Using electronic or other means to make a video or photographic record of any person in a location where there is a reasonable expectation of privacy without the person's prior knowledge, or altering/ enhancing/ distorting/ photograph of a student/ person, which photograph may/ may not have been taken with consent, when such a recording/ altering/ enhancing/ distorting is likely to cause injury, distress, or damage to reputation of such student/ person. This includes, but is not limited to, taking video or photographic images in shower/ locker rooms, residence hall rooms, and restrooms. The storing, sharing, and/ or distributing of such unauthorized records by any means is also prohibited.

DMC 13: Causing Disrepute to other students/ faculty:

Engaging or inciting other students to engage by any means whatsoever and performing or attempting to perform an act, which bring disrepute to other students/ faculty of the University. Students shall also not engage in filing a complaint on behalf of another student without the consent of such a student.

DMC 14: Ragging:

Any act which amounts to ragging in any form as defined under UGC Regulations, 2009 on 'Curbing the Menace of Ragging in Higher Educational Institutions' and subsequent amendments thereto from time to time.

DMC 15: Sexual Harassment:

15.1 Any conduct or act which amounts to sexual harassment in any form as defined under University Grants Commission (Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions) Regulations, 2015, the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and subsequent amendments from time to time.

15.2 In case of misuse of the provision of the act; OR in case of a false or malicious complaint OR in case the complainant or respondent do not appear for the hearing despite at least three reminders; OR do not submit mandatory documents despite at least three reminders.

DMC 16: Unauthorised Agreements/ Contracts:

Students are prohibited from entering into verbal or written agreements or contracts with third parties that purport to bind, obligate, or create liability of any kind for the University. The University will hold all such students individually liable for any financial or legal consequences or damages that may result from such unauthorized actions.

DMC 17: Abuse of Electronic Communication:

Using University or personal telecommunications, data communication networks for illegal or improper purposes or in violation of University regulations and policies, or related laws. Using social media platforms to malign the image, bring disrepute to the University, its officials, staff and other students, or make them subject of ridicule by the members of the community or society.

DMC 18: Media Contact:

Speaking on behalf of or for the University with any media organization or publication, or from inviting the same to any University-owned or operated property, facility, or event, without the express prior written permission of the University is treated as a serious misconduct.

DMC 19: Organization and Event Registration:

A Student or group of Students shall not form any organization, society or organize any event or collect any fund or subscription without the specific written permission of the University.

DMC 20: Presenting False Testimony:

Knowingly making false statements regarding a disciplinary matter before, during or after the disciplinary adjudication process.

DMC 21: Denial/ Failure to comply with the directives of the University or any other authority:

Denial/ Failure to comply with legitimate directives of authorized University officials, law enforcement agency in the performance of their duties or violation of the terms of a disciplinary code and rules of the University.

DMC 22: Misuse of Learning Resources:

Misuse of Learning Resources including theft, tearing pages, damage to e-resources, not returning books in time, any purposeful activity with respect to learning resources which is harmful to other students, staff and faculty.

DMC 23: Causing Harm/ Disrepute while involved in External Activities (Sports/ Internship/ Excursions/ Study Tours/ Cultural Events):

- (a) Any behavior causing damage/ harm/ disrepute to the University and its employees/ students and persons of the visiting place for external activity shall amount to violation of Code of Conduct
- (b) Students or persons from other Universities/ Institutions visiting our University/ Constituent for event and cause damage/ harm/ disrepute to the University and its employees/ students shall be liable for action under this Code.

DMC 24: Violation of Hostel Rules: Any misconduct in the Hostel shall amount to violation of Code of Conduct.**DMC 25: Violation of Examination Rules:**

Any conduct adversely affecting sanctity of the examination in any form as mentioned in the examination rule book as notified from time to time shall amount to violation of Code of Conduct. SIU has notified a separate Examination Rules, viz. Examination Rules Any conduct of student against the Examination rules not defined herein will also amount to misconduct under these rules.

DMC 26: Violation of University Rules:

Violation of all other University policies, or rules, or violations of law, or UGC Regulations. These University policies or rules include, but are not limited to, those rules, that regulate dress code (any violation of dress code specified by the Constituent Institutes while students are in the academic area and or functions organized by the Constituent/ University), that regulate submission of assignments, which regulate examinations, that prohibit the misuse of library, misuse of computing resources, misuse of laboratory, that regulate acts which amount to sexual harassment, rules for student and hostel rules and regulations.

DMC 27: Public display of affection:

Any conduct involving objectionable physical display of affection of any form, adversely affecting the sanctity of the University premises (academic blocks, hostel premises, mess, gym, or any other place inside the University campus) shall amount to violation of the Code of Conduct.

DMC 28: Non-Cooperation in inquiry process:

Exhibiting a conduct indicating non-compliance with the direction of any inquiry committee, this shall also include not extending the required/ obvious assistance and cooperation in conducting any inquiry/ appeal

Note: The quantum of punishment to be given to the student who has violated the Code of Conduct is as far as possible in proportion to the gravity of the misconduct. However, the respective Disciplinary Authority after taking considered view, can take appropriate decision as it deems fit.

It may be noted that, this list though elaborate is not exhaustive. Any type of misconduct not covered herein, may still be construed as misconduct and may be inquired and decided with under the Code and any other penalty or punishment as deemed fit may be imposed by the competent authority on case to case basis. Further, punishment and penalty may be in combination and concurrent on case to case basis.

2.3 Campus Student Grievance Redressal Committee:

Every Institute/Department shall constitute a Grievance Redressal Committee to address grievances of students. The students should be informed about the existence of such a committee, the members and the procedure of submitting grievances. Constitution of Grievance Redressal Committee: The committee shall be constituted by the Vice Chancellor and shall have following members:

i)	A Professor to be nominated by the Vice Chancellor	Chairperson
ii)	Four Professors/ Senior Faculties from amongst Constituents on the campus, by rotation, to be nominated by the Vice Chancellor	Members
iii)	A representative from among students of the Constituents in the campus, by rotation, to be nominated by the Vice Chancellor based on academic merit/ excellence in sports/ performance in co-curricular activities	Special Invitee

1.1 Preamble

Symbiosis International (Deemed University) is committed to provide and maintain a conducive learning environment that is unprejudiced, productive and respectful to all. The University has laid down a policy and procedure to redress grievances of students in consonance with University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.

1.2 Short Title, Applicability and Commencement

- i) Short Title: These Rules shall be called Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023.
- ii) Applicability: These Rules shall apply to all students who are pursuing a programme of study either through regular mode or online mode, including short-term training programmes in University or seeking admission to be enrolled in any Constituent/ Continuing Education Departments of the University.
- iii) Commencement: The Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023, shall come into force with effect from the date of their notification and shall supersede Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2019/ Guidelines/ Policies issued in this regard.

1.3 Objectives

- i) To provide opportunities to redressal of certain grievances of students, defined under these rules, who are enrolled in the University and also to those who are seeking admission in the University, through a transparent, just and fair mechanism.
- ii) To facilitate speedy redressal of grievances of students;

1.4 Definitions

In these Rules, unless the context otherwise requires-

- a) 'Act' means, the University Grants Commission Act, 1956 (3 of 1956);
- b) 'Academic Year' means the period from the commencement of the programme in any course of study in the Constituent up to the completion of the academic requirements for that particular year;

- c) 'Aggrieved student' means a student, who is pursuing a programme of study either through regular mode or online mode, including short-term training programmes in University or seeking admission to be enrolled in any Constituent/ Continuing Education Departments of the University and who has any complaint in the matters relating to or connected with the grievances defined under these rules;
- d) 'Campus' means and includes the Main Campus, Off-Campuses and Off-shore campus(es) of the University.
- e) 'Campus Student Grievance Redressal Committee (CSGRC)' means a committee constituted under these rules, at the level of campus;
- f) 'Constituent' means Institute/ School/ College/ Centre/ Department operating under the administrative, academic and financial control of the University and declared as such under the Notification, issued from time to time and includes Institute/ School/ College/ Centre/ Department established and notified by University, thereafter, from time to time.
- g) 'Commission' means the University Grants Commission;
- h) 'Declared admission policy' means such policy, including the process there under, for admission to a programme as may be offered by the University by publication on the website/ e-prospectus/ Admission Brochure of the University.
- i) 'Grievance' means, and includes, complaint(s) made by an aggrieved student in respect of the following, namely:
- i. admission contrary to merit determined in accordance with the declared admission policy of the University;
 - ii. irregularity in the process under the declared admission policy of the University;
 - iii. refusal to admit in accordance with the declared admission policy of the University;
 - iv. non-publication of prospectus/ e-prospectus by the University, in accordance with the provisions of these rules;
 - v. publication by the University of any information in the prospectus/ e-prospectus, which is false or misleading, and not based on facts;
 - vi. withholding of, or refusal to return, any document in the form of certificates of degree, diploma or any other award or other document deposited by a student for the purpose of seeking admission in the University, with a view to induce or compel such students to pay any fee or fees in respect of any course or programme of study which such students do not intend to pursue;
 - vii. demand of money in excess of that specified to be charged in the declared admission policy of the University;
 - viii. violation, by the University of any law applicable for the time being in force in regard to reservation of seats in admission to different category of students;
 - ix. non-payment or delay in payment of scholarships or financial aid admissible and payable to any student under the declared admission policy of the University and so agreed by the University, or under the conditions, if any, prescribed by the Commission;
 - x. delay by the University in the conduct of examinations, or declaration of results, beyond the schedule specified in the academic calendar of the University;
 - xi. failure by the University to provide student amenities as set out in the prospectus/ e-prospectus, or is required to be extended by the University under any provisions of applicable law/rules for the time being in force;
 - xii. non-transparent or unfair practices adopted by the University for the evaluation of students;
 - xiii. delay in, or denial of the refund of fees due to a student who withdraws admission within the time mentioned in the prospectus/ refund rules of the University, or as may be, notified by the Commission;

Words and expressions not defined in these rules shall have the same meaning as appearing in the Regulations or in any other manual/ handbook/ guideline notified by the University Grants Commission/ University.

Appeals

The University has created an additional mechanism to facilitate grievance redressal in case a student is aggrieved by the decision of the Campus Student Grievance Redressal Committee.

The Procedure for Appeal:

Any student aggrieved by the decision of the Campus Student Grievance Redressal Committee (CSGRC), they may prefer an appeal to the University Student

Grievance Redressal Committee (USGRC) within a period of 10 working days from the date of receipt of such a decision.

The procedure regarding the conduct of the meetings of the University Student Grievance Redressal Committee (USGRC) will be similar to the Campus Student Grievance Redressal Committee (CSGRC).

Any student aggrieved by the decision of the University Student Grievance Redressal Committee (USGRC), they may prefer an appeal to the Ombudsperson by writing to the Head- Student Welfare, within a period of 15 working days from the date of receipt of such decision(s) of the USGRC.

Ombudsperson

Appointment, Tenure, Removal and Conditions of Services of Ombudsperson:

The University shall appoint an Ombudsperson for redressal of grievances in the form of appeals preferred by the aggrieved students which are not redressed at the level of University Student Grievance Redressal Committee (USGRC);

The Ombudsperson shall be a retired Vice-Chancellor or a retired Professor (who has worked as Dean/ HOD) and has 10 years' experience as a Professor at State/ Central Universities/ Institutions of National Importance/ Deemed to be Universities or a former District Judge.

The Ombudsperson shall not, at the time of appointment, during one year before appointment, or in the course of his/her tenure as Ombudsperson, be in conflict of interest with the University where his/her personal relationship, professional affiliations or financial interest may compromise or reasonably appear to compromise, the independence of judgment towards the University.

The Ombudsperson shall be appointed for a period of three years or until he/she attains the age of 70 years, whichever is earlier, from the date of assuming office, and shall be eligible for reappointment for another one term. For conducting the hearings, the Ombudsperson shall be paid a sitting fee, per diem, in accordance with the norms fixed by the university and shall, in addition, be eligible for reimbursement of the expenditure incurred on conveyance.

The University may remove the Ombudsperson from office, on charges of proven misconduct or misbehavior.

No order of removal of Ombudsperson shall be made except after an inquiry made in this regard by a person, not below the rank of a retired judge of the High Court in which a reasonable opportunity of being heard is given to the Ombudsperson.

Nothing mentioned herein above in these Rules shall affect the continuance in office, during the currency of the term, of an incumbent Ombudsperson appointed under the provisions of the UGC (Grievance Redressal) Regulations, 2019; where after, the appointment of Ombudsperson shall be made as per University Grants Commission (Redressal of Grievances of Students) Regulations, 2023 University Rules.

Functions of the Ombudsperson:

The Ombudsperson shall hear appeals from the aggrieved student, only after the student has availed all other remedies provided under these Rules.

While issues of malpractices in the conduct of examination or in the process of evaluation may be referred to the Ombudsperson, no appeal or application for revaluation or re-totaling of answer sheets from an examination shall be entertained by the Ombudsperson unless specific irregularity materially affecting the outcome of specific instance of discrimination is indicated.

The Ombudsperson may avail assistance of any person, as amicus curiae, for hearing complaints of alleged discrimination;

The Ombudsperson shall make all efforts to resolve the grievances within a period of 30 (thirty) working days of receiving the appeal from the aggrieved student(s).

Anti-ragging Mechanism:

To maintain the physical and psychological health of its students, Symbiosis International (Deemed University) has set an anti-ragging mechanism as per UGC guidelines. It includes dealing with rowdy, undisciplined acts that cause or are likely to cause annoyance, hardship, psychological harm, and fear or apprehension in any fresher or any other student (s).

University Monitoring Cell, Campus wise Anti Ragging Committee, Campus wise Anti-Ragging Squad, Mentoring Cells are constituted by all the constituent Institutes of the University at the end of each academic year.

The Anti-Ragging Committee may punish a student found guilty of ragging one or more of The following punishments:

- Suspension from attending classes and academic privileges
- Withholding/withdrawing scholarship / fellowship and other benefits
- Debarring from appearing in any test/ examination or other evaluation process
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.

- Suspension/expulsion from the hostel
- Cancellation of admission
- Rustication from the institution for period ranging from one to four semesters
- Expulsion from the institution and consequent debarring from admission
- to any other institution for a specified period Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment

More details of the committees are found at <https://siu.edu.in/anti-ragging-committees-of-the-university.php> For the Rules for Curbing the Menace of Ragging, click <https://siu.edu.in/pdf/students/Rules-for-Curbing-the-Menace-of-Ragging.pdf>

The Anti-ragging helpline of the University is: +919552525725

RAGGING

WARNING

Ragging is a CRIME

RAGGING

Ragging is totally prohibited in the institution and anyone found guilty of ragging and / or abetting ragging whether actively or passively, or being a part of the conspiracy to promote ragging, is liable to be punished in accordance with provisions of the UGC regulations on curbing the menace of ragging in higher educational institutions, 2009 as well as under the provision of law in force.

Note:

Each room of a Symbiosis hostel is equipped with a bed, a mattress, a table, a chair, a book rack, a cupboard and a soft board with an attached bathroom. The rooms in the male hostel are of double occupancy, whereas the female hostels have double and triple occupancy.

All Symbiosis campuses are "No Smoking" Campuses. Students shall not bring, take and drink any alcohol/ intoxicating drink, drug or any similar thing of any kind whatsoever, and/or smoke in the room and / or in any part of the premises. The same shall also apply to visitors. In case of a violation, strict disciplinary action amounting to rustication from the hostel / institute

will be taken as per the rules and the code of conduct.

There is a strict code of conduct practised at all Symbiosis Hostels. Students wishing to stay at any Symbiosis Hostel will have to abide by the code of conduct. Ragging in any form is strictly prohibited in all Symbiosis campuses as well as hostels.

Health, Recreation and Wellness

Symbiosis Centre for Health Care

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff, and community. It is operational at all the campuses of Symbiosis across India.

Promotive healthcare facilities:

1. Health Promotion Program: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare-related issues.
2. The Campus Wellness Advisory Committee promotes stakeholder engagement to evaluate and improve existing healthcare services, processes, policies, and the quality of programs
3. Advice on best practices for Environmental Assessment & Modification to ensure the creation & maintenance of environments that promote good health through
 - Inspection of Campus
 - Inspection of eating establishments thrice a year- of Canteen, Mess & Food counters (e.g.coffee shops, juice centers, ice cream parlors)
 - Guidance for water testing for the availability of potable water on campus

Preventive healthcare facilities:

1. Annual Health Checkup (AHC) of the students/ staff of Symbiosis is conducted and health records are maintained electronically. The comprehensive health check-up comprises clinical examination from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) & basic Lab investigations (Haemogram, Blood group & Urine examination).
2. Pre-employment Health Check-up: Before joining Symbiosis, every prospective candidate is required to complete a Pre-Employment health check-up at the SCHC. The objective is to identify any health conditions or illnesses that may affect an individual's ability to perform their job safely.
3. Health Check-up of food handlers working at catering establishments is conducted annually and before joining the catering establishments. This helps to identify any health conditions or diseases that food handlers may have, which could potentially spread to the food they handle & facilitate the identification of these health issues early.

Curative health care facilities:

1. Outpatient Department (OPD): Primary care is provided by medical officers. Campus Medical Officer is available on call 24X7. Contact numbers of campus medical officers are:

No.	Campus	EMS No.
1	S.B.Road	+ 91 9552525651
2	Viman Nagar-2 (New)	+ 91 9552589179

DEPARTMENT OF SPORTS, RECREATION AND WELLNESS (DSRW)

Sports and Games are essential components of human resource development, helping to promote good health, comradeship and spirit of healthy competition which in turn has positive impact on holistic development of personality of the Youth who is potential source of energy, enthusiasm and inspiration for development, progress and prosperity of a Nation. Symbiosis International (Deemed University) established its University Sports Board in 2010 and the Department of Sports, Recreation & Wellness (DSRW) was established in 2019. The DSRW particularly is responsible for the development of sports infrastructure, participation in sports at grass-root level, fitness testing for students

and staff as well as excelling in National Sports Tournaments. Our emphasis is on Physical Literacy for our students, faculty and staff for lifelong improvement in their quality of life. The Department provides access to state of art playfields and Gymnasiums at all campuses, fitness and wellness programs, multiple group classes, sports competitions and counselling.

Objectives of the SIU Sports Board

- To create a culture of sports by imbuing a desire to excel, spirit of comradeship and high moral and Ethical values
- To provide equal opportunities and encourage students and staff to participate in sports and fitness activities.
- To annually organize Symbiosis International (Deemed University) / Inter institute competitions in specified games and sports for the students & staff.
- To promote excellence in sports by encouraging participation in National and International championships in large numbers.
- To recognize talent in sports and reward young women and men, achieving excellence in sports.

- To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women
- To develop, maintain and plan for optimal utilization of sports and fitness infrastructure.
- To organize workshops, seminars, conferences on sports and fitness related subjects.
- To sensitize the staff and students to be Active for Life, and work towards achieving an excellent quality of life

Activities at the Department of Sports, Recreation & Wellness

• Infrastructure and facilities

On campus sports and recreation facilities are some of the best and offer many outdoor recreation options for all. We boast of 13 indoor and outdoor fitness centres, Tennis Courts, Basketball courts, Volleyball Courts, Futsal Courts, Football Field, Cricket Field, Indoor Badminton Hall, Squash Courts, Gymnasiums, Swimming Pools, Yoga and Aerobic studios, meditation centre and offer many group classes, Coaching facilities, Yoga for rejuvenation and stress management and options to participate in outbound programs and competitions at all levels.

• Inter Institute Championships and Participation in Inter Varsity Competitions

Inter Institute Competitions are conducted in 17 sport disciplines and from amongst them teams are selected and coaching imparted so as to represent Symbiosis International University at the Inter Varsity Competitions. Tournaments for staff are also organized annually.

• **Assessment of Physical Fitness**

Standard Fitness tests are conducted every year to have a base level understanding of Physical Fitness standards of all students, faculty and staff, analyze data, suggest interventions and offer free counselling and personal training.

• **Mass Sporting and Physical Activity events**

Emphasis is given to large scale one-of its kind Mass Sporting and Physical Activity events which are Live events, highly visual and very inspiring. These are accessible and welcoming for all ages, shapes and paces. They work towards personal wellness rather than fitness and build confidence rather than competitiveness. Some examples are Happy

Healthy campus (a 3 hour activity taking you back to school, Rhythmic activity, fitness challenges and adventure sport with 500 to 1200 participants), International day of Yoga (at all 13 campuses), Symbi-Fit (Competition to showcase your fitness with 400-500 participants) Institutional Social Responsibility (Fitness challenge for children from underprivileged schools), Fitness for Freedom Run (a run to celebrate the Independence day) and several Fitness challenges that are held at our gyms located in every campus.

• **Innovative activities:**

These activities provide the variation and challenge that everyone is looking for and include – Sports dating (Exercising with a person of your choice), Activity breaks (Short Rhythmic activities 5-7mins in academic meetings, conferences in offices etc.), Yoga Pop ups on the screen, Stair Snacking (using the stairs to improve fitness), 10,000 steps challenge and the 108 days Yoga challenge.

• **Symbithon**

Symbithon is a run/walk event organized to raise public awareness of NCDs, with particular emphasis on exercise and fitness as a component of preventing and managing these diseases. It aims to create healthy working, learning and living environments for students, staff and the community at large, encourage, inspire and motivate youth from varied backgrounds to improve their health through running and exercise. Symbithon had average participation of more than 7400 students and staff in each of its four editions covering 21 countries.

Refund Rules of the University

1] Preamble

The UGC vide its Notification dated October 2018 has issued an elaborative guideline on 'Refund of Fees and Non-Retention of Original Certificates'. Accordingly, the University notified Rules for Refund of Fees and Non-Retention of Original Certificates vide Notification No. 798 dated 16th January, 2019.

The university has consistently followed the provisions set forth in the UGC Notification on Refund of Fees & Non-Retention of Original Certificates, 2018, as well as the Fee Refund Policies/Guidelines/ Circulars issued from time to time.

Due to the COVID-19 pandemic, starting from the Academic Year 2020-21, the UGC issued annual guidelines/ circulars mandating the full refund of fees within specific timelines, while the other rules from the 2018 notification remained unchanged.

The University Grants Commission (UGC) has issued a policy on June 12, 2024, through letter D.O.No.F.2-71/2022(CPP-II)(C-114546), detailing the procedures for the refund of fees due to admission cancellations or student migration for the Academic Year 2024-25.

In view of this, the University issued Circular 6 of 2024 dated June 26, 2024 regarding Fee Refund Policy for the Academic Year 2024-25.

The University has now revised the refund policy

by consolidating clauses of Circular 6 of 2024 and the other rules from the 2018 notification. The said UGC Letter dated June 12, 2024, further states that these refund rules will remain in force for subsequent academic sessions until the issuance of a revised policy by the UGC.

2] Applicability and Enforcement:

- i) It shall be applicable to Undergraduate, Postgraduate, Doctoral Degrees, Diploma and Certificate Programmes offered by Symbiosis International (Deemed University).
- ii) It is in force for the Academic Year 2024-25 and shall be in force for the subsequent academic years until UGC issues a revised refund policy/ guideline.

3] Verification and Non-Retention of Students' Academic and Personal Testimonials:

- i) Constituent / Department shall not insist a student to submit the original academic and personal certificates and testimonials like Mark Sheets, School Leaving Certificates and all other such documents at the time of submitting application form.
- ii) Students shall be allowed to submit self-attested documents such as Mark Sheets, Birth Certificates

etc. for all purposes of administrative requirements.

- iii) The office shall verify the original certificates and testimonials before the finalization of the process of admission of the students in his / her presence and return them immediately after satisfying about their authenticity and veracity, keeping the attested copies for office records.
- iv) At any stage, if there is a need of any other kind of documents the self-attested copies be accepted and physical verification of originals be undertaken in the presence of student. Such verified originals certificates and testimonials shall be immediately returned to the student.
- v) Constituent / Department shall not keep certificates and testimonials of any student into institutional custody under any circumstances or pretexts, as it is strictly prohibited for it is a coercive tactic which can be misused for black mailing students who wish to withdraw admission from the Institute for better prospects or other compulsions.
- vi) In case of any suspicion over the authenticity or genuineness of the testimonials, the reference may be made to the University or the Board which issued certificates to the students and the admission be subjected to the authentication, but original certificates shall not be retained under any circumstances.

4] Rules for Refund of Fees:

- i) The university has been adhering to the provisions outlined in the UGC Notification on Refund of Fees & Non-Retention of Original Certificates, 2018, and Fee Refund Policies/ Guidelines issued from time to time. In accordance with these provisions, the university has been refunding the fees to students who cancelled their admissions.
- ii) Due to the COVID-19 pandemic, starting from the Academic Year 2020-21, the UGC issued annual

guidelines/ circulars regarding full refund of fees within specific timelines, while the other rules from the 2018 notification remained unchanged.

- iii) The University Grants Commission (UGC) has issued a policy regarding the Fee Refund for the Academic year 2024-25 on June 12, 2024, vide letter D.O.No.F.2-71/2022(CPP-II) (C-114546), outlining the procedures for the refund of fees due to cancellations of admissions/ migration of students for the Academic Year 2024-25.
- iv) In line with the above mentioned UGC policy, the University issued Circular 6 of 2024 dated June 26, 2024 regarding Fee Refund Policy for the Academic Year 2024-25.
- v) The University has now revised the refund policy by consolidating clauses of Circular 6 of 2024 and the other rules from the 2018 notification. On the basis of the UGC letter dated 12th June, 2024, these refund rules will remain in force for subsequent academic years until UGC issues a revised refund policy/ guidelines.

5] Procedure: Cancellation/ Withdrawal of Admission:

- i) A student shall apply for cancellation of admission in the prescribed format to the Constituent / Department.
- ii) The Constituent/ Department after following due procedure will cancel the admission of the applicant and shall refund fees to the student within 15 days from the date of his / her application.
- iii) The Constituent/ Department shall cancel the admission of the student in the following situations:
 - a) Non-payment of fees for more than 1 semester.
 - b) Non-reporting to the institute for more than 30 days.

without prior intimation in writing to the concern authority.

PART A:

6. Refund of Fees (Academic and Non-Tuition including Hostel and Mess):

A1: The University will refund fees according to the provisions stated in the UGC refund policy dated 12th June, 2024 **from the Academic Year 2024-25** onwards until the issuance of a revised policy by the UGC as mentioned below:

Sr. No.	Particulars	Deduction	Refund
1	Cancellation of admission up to 30th September	No deduction of fees	100% refund of academic fees and refundable deposits*
2	Cancellation of admission from 01st October to 31st October.	Rs. 1000/- for Processing Charges	Refund of academic and refundable deposits after deduction of Rs. 1,000/-*
3	Cancellation of admission from 01st November onwards	100% deduction as per UGC Notification issued in Oct 2018	No Refund of academic fees only refundable deposits will be paid.

***NOTE:**

- a. The university will refund the amount after a proportionate deduction of hostel and mess fees for the duration of the hostel and mess facilities availed by the student till the date of cancellation of admission.
- b. Deduction of the insurance premium will be made from the refund amount if applicable since the

University has paid an insurance premium on behalf of the student to a third-party insurance company. This amount is non-refundable. However, students can avail themselves of the benefits of the insurance scheme until the end of the valid period.

- c. Deduction of the non-refundable portion of fees, i.e. Administrative Fees for International students (Symbiosis Centre for International Education) and Registration Fee for the Ph.D. programme (Symbiosis Centre for Research & Innovation).
- d. The refund will be transferred to the same bank account that was provided during the online application for admission cancellation. The University is not liable for any delays or errors due to inaccurate information provided by the student.

A2: For any admission schedule extending/commencing beyond/after 31st October, the provisions contained in the UGC Notification issued in October 2018 on Refund of Fees and Non-Retention of Original certificates shall apply (reproduced below for ready reference)

S. No.	Percentage of Refund of fees #	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more before the formally-notified last date of admission
(2)	90%	Less than 15 days before the formally- notified last date of admission
(3)	80%	15 days or less after the formally- notified last date of admission
(4)	50%	30 days or less, but more than 15 days, after formally-notified last date of admission
(5)	00%	More than 30 days after formally-notified last date of admission

NOTE: #

- i) In case of (1) in the table above, the University shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs.

5,000/- as processing charges from the refundable amount.

- ii) Fees shall be refunded by the University to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

7. Last Date of Admission:

For the purpose of refund of Fees, the last date of admission will be considered as one day prior to the date of commencement of the programme.

8. Medical Insurance:

Medical Insurance premium of the student is deposited to the Insurance Company, immediately after the student obtains provisional admission. Hence, this amount is NON-REFUNDABLE.

In case the student's admission is cancelled for reasons what so ever, he/she will continue to draw all benefits under the said insurance scheme for the period insured (policy year). Students may contact Symbiosis Centre of Health Care (SCHC) at 9552525015 (24 X 7) for any query/ assistance.

9. Refund of Deposit:

- i) Refund of Institution deposits shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as breakages to laboratory equipment, assets such as computers, gadgets etc., loss of library books for which the student would be responsible.
- ii) Refund of the Hostel deposit shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as fans, cupboards, glass panes, tables, chairs etc. for which the student would be responsible.

10. Refund of Fees in other Cases:

- i) In case, admission of student is cancelled on account of disciplinary action or violation of Anti Ragging Regulations or Substance Abuse or breach of Code of Conduct or any other Rules & Regulations of the University, No Refund of fees is permissible. Only the respective deposits would be refunded to the student.
- ii) In case, admission of student is cancelled on account of ineligibility, the refund of fees (academic and non-tuition including hostel and mess) will be on prorata basis.
- iii) In any other case which is not covered in these rules, the decision would be taken by the Vice Chancellor.

PART B:

11. Non-Refundable Fees

- i) Insurance Premium
- ii) International English Language Assessment (IELA) Test fees (Applicable to Foreign Nationals only)
- iii) Registration/ Administrative Fees

12. Grievance Redressal Mechanism (GRM):

- i. The Constituents / Departments shall follow "Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023 prepared in accordance to University Grants Commission (Redressal of Grievances of Students) Regulations, 2023, as amended from time to time, to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this Notification.
- ii. The GRM shall be available on university website.
- iii. The University shall ensure that all grievances received are addressed as deemed fit within 30 days.

PART C: RULES OF THE UNIVERSITY FOR TRANSFER OF ADMISSION

13. Transfer of Fees in Case of Transfer of Admission to another Constituent/ Department of SIU:

- i) In case student applies for transfer of admission from one constituent of SIU to another constituent of SIU, the transfer application shall be processed and if approved by the University; the transfer of fees shall be as under:
 - a. If the student applies for transfer of admission to another Constituent/ Department of the University **before commencement of the programme**, then 100% fees shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.
 - b. If the student applies for transfer of admission to another Constituent / Department of the University, **after commencement of the programme**, then the proportionate amount of academic, hostel and mess fees shall be deducted and remaining amount after deductions shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

- ii) If the student applies for transfer of admission to another constituent of the University and his/her transfer is approved by the University then the first constituent from where the student has been transferred will hand over certificates/ documents to the student, to enable him/ her to submit the documents /certificates in the other constituent.

14. Miscellaneous:

- i) The students shall not be insisted to purchase the institutional prospectus any time during the programme of study, as purchasing prospectus shall be the personal choice of the student. Student can access information from institutional website, if he/ she so desires. It shall be mandatory for all Constituents / Departments to update their website covering all details.
- ii) Constituents / Departments shall charge fees in advance only for the semester/ year in which a student is to engage in academic activities. Collecting advance fees for entire programme of study or for more than one semester/ year in which a student is enrolled is restricted.

Institute Profile:

Symbiosis Law School, Pune (SLS, Pune) stands for excellence in legal education and is nestled in the city of Pune (popularly known as the Oxford of the East, with the glorious heritage of being the capital of the Peshwas). Symbiosis Law School, Pune piloted and enriched by the vision of Dr. S.B. Mujumdar, Chancellor, Symbiosis International (Deemed University) & Founder and President, Symbiosis, was established in 1977 under the illustrious banner of Symbiosis Society. SLS, Pune endeavors to secure all-round contributions for the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law reformers,

to train justice dispensers and invigorate community crusaders and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

Symbiosis Law School, Pune has been ranked 6 in 2023 by the National Institution Ranking Framework (NIRF) by the Ministry of Human Resource Development, Government of India. SLS Pune is at Rank 1 in CSR-GHRDC 2021 and Ranks 1 in “Top Law Schools in Maharashtra”, “Top Supreme Law Schools in India”, and “Top Law Schools in West Zone, India. In February 2021, the SLS Pune Team was applauded for their achievements in the areas of internationalization by being awarded ‘Excellence in Internationalization of Education’ by FICCI conferring the 7th FICCI Higher Education Excellence Awards-2021. SLS Pune also received the Best College Award amongst the top 3 in Virtual ‘IPTSE awards & IPTSE Conclave’ dated 28 April 2021 during the eve of World IP Day. Symbiosis Law School Pune was conferred the Gold Star Award by the Bar Council of India in 2013. SLS, Pune has been ranked top 10 amongst more than 1000 Law Schools in India by the India Today-Nielsen survey.

This stature is attained through its various programs such as 5-year integrated Undergraduate Programmes like Bachelor of Arts and Bachelor of Laws [BA. LL.B. (Hons.)] and Bachelor of Business Administration and Bachelor of Laws [BBA. LL.B. (Hons.)], 3-year LL.B. and One-year LL.M programme with 8 specializations.

The following certificate courses shall be offered by SLS Pune in the coming academic year :

- Telecommunication, Media, and Technology Law
- Critical Thinking Skills and Collaborative Problem-Solving Skills

The curriculum and pedagogy are designed around the latest quality initiatives in legal education (including recommendations of the Carnegie Report, USA) combining skill, knowledge, and values. These are imparted through multi-talented, qualified, competent, and enthusiastic faculty members. These efforts are reciprocated by the participation of all the stakeholders including the members of the Bar and Bench, the Corporate Sector, and International Experts.

At SLS, Pune one can experience a world-class law school challenging itself year by year soaring to new heights in excellence and quality. Students of Symbiosis Law School Pune have been consistently participating and winning in various International Moot Court Competitions. Oxford Price Media Law Moot Court Competition 2021, 25th Annual Stetson Environment Law Moot Competitions, 13th NUJS- Herbert Smith Freehills, National Corporate Law Moot Court Competition 2021, 1st National Virtual Moot Court Competition, Argue Action, 2021, Winners of the Global Rounds at the Foreign Direct Investment International Arbitration Moot 2021, etc. Sonal Jain, Vibhor Chandra, and Anoushka Das from SLS Pune emerged out as winners of the 18TH KK Luthra Memorial Moot Court Competition, 2022. Adding another feather Sarakshie Sonawanae, RS Sanjanaa, and Amogh Hebbar won the 4TH National Med-Arb Competition organized by Tamil Nadu National Law University.

Significant Projects/ Courses

SLS, Pune has several impressive active international collaborations across prestigious international universities such as Berlin School of Economics and Law, Leibniz University, Hannover Brunswick European Law School, Ostfalia University of Applied Sciences, Germany, University College Cork, Ireland, NUI Galway, Ireland, University College Dublin, Ireland, Sofia University, Bulgaria, Jagiellonian University, Poland, Masaryk University, Czech Republic, Penn State University, USA, UNH School of Law, USA, Deakin University, Australia, University of Johannesburg, South Africa, National University of Singapore and many others. SLS Pune has proactively engaged with Arizona

University, New Hampshire University, Washburn University, Seattle University, Pepperdine University, Waikato University, Bristol University, Vienna University of Economics and Business, Shastri-Indo-Canadian Institute, etc. The collaboration has facilitated student-faculty mobility, participation in summer school, and organization of conferences, guest sessions, webinars, and research projects. SLS Pune has showcased a strong research culture along with an internationalization agenda that has resulted in successful project applications under the Erasmus + program of the EU. SLS, Pune had the unique distinction of being the only Indian partner with the Erasmus Mundus Global Consortium of Law Schools since 2008. SLS, Pune has been the recipient of four Erasmus+ CBHE KA2 under EU projects namely EURASIA, 21 Teach Skills Training, Climate Change Policy and Law, and International Law and Forced Migration Studies.

The EURASIA project aimed to develop the capacity of faculty members in India and China about European Studies by enhancing faculty mobility, developing courses focused on European Studies, and incorporating the best practices of European and Asian Universities. Under the Eurasia project, SLS Pune developed 28 courses related to EU studies which have been incorporated into program structures of BA /BBA LLB (Hons.), LLB as electives, and European Legal Studies (EU Law and International Law) has been incorporated in the LL.M. programme as a unique specialization.

SLS, Pune is a consortium partner of the '21st Century Teach Skills project' which is related to the 'Teacher's Training with specialization on Life and IT skills'. As a part of this project, SLS Pune has developed 10 ECTS Courses on 'Critical Thinking Skills' and 'Collaborative Problem-Solving Skills'. SLS, Pune under SIU is also a consortium partner of the project International Law and Forced Migration Studies. SLS Pune under the aegis of SIU has been a part of DAAD: a New Passage to India with the Berlin School of Economics and Law that facilitates faculty and student exchange. SLS Pune has also applied for a DAAD grant with Ostfalia University, Brunswick Germany. The institution is also a project partner in the 'DET-Network. It has institutional memberships with some of the best international bodies recognized globally such as the membership of IALS (International Association of Law Schools), ASLI (Asian Law Institute), IUCN, and GAJE.

SLS Pune has undertaken the following projects under the Indian Council of Social Science Research related to 'Law Trafficking and Disasters-tracing the interlinkages'; 'Law Gender and Disasters-case study of Bundelkhand'. SLS Pune has been instrumental in influencing the new transformations in Criminal Justice Systems in India via submitting recommendations to the Ministry of Home Affairs under the Government of India. SLS Pune is also involved in research consultancy for Dr. Veerappa Moily, a former member of Parliament, India. SLS, Pune under the Nyaya Bandhu Scheme (PRO BONO CLUB) SLS Pune received a Grant of Rupees One Lakh (Rs. 1,00,000) from the Department of Justice, Government of India. Adding to its initiatives with the Government of India and the National Commission for Women, SLS Pune, organized the "Regional Consultation on Review of Criminal Law- Improvement in Status of Women" in February 2022 and submitted a detailed report to the National Commission for Women.

SCHOLARSHIPS

SLS, Pune endeavors to secure all-round contributions for the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders, and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters. Students can avail of scholarships such as the Government of India's SC/

ST Top Class Education Scholarships, Ministry of Social Welfare, Govt. of India and State Merit Scholarships, Scholarships for students with disability, and also some private scholarships (for other scholarships, please visit www.symlaw.ac.in).

SCALSAR:

SLSP has established the Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It is the center stage of research, quality publications, government interface, hosting scholars in residence, undertaking interdisciplinary legal studies and research projects, training teachers, and designing training modules.

SCALSAR was informally established in 2007 and was formalized and recognized as an excellence center in the year 2013. SCALSAR envisions Idea architecture, infrastructure, and resources for advanced legal studies and research. It promotes Research, training, and consultancy in excellence centers aligned with SIU clusters having national and global importance in interdisciplinary and multidisciplinary areas.

It has 3 research clusters: Science Technology Innovation Law, Rule of Law in Context, and Comparative Law. Every year SCALSAR organizes an International Research Conference which has become popular as SYMROLIC representing the Rule of Law with Indian and Global perspectives, aligning it with the SIU's vision of an interdisciplinary conference and connecting to different fields such as that of Innovation, Science, Technology, Human Behaviour, Global Policy and Governance.

The purpose of SCALSAR under the Faculty of Law SIU, Symbiosis Law School Pune is to center-stage research, encourage quality publications, act as a think-tank to the government, host scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers and design training modules. SCALSAR contributes under three verticals viz. Science Technology and Innovation Law, Rule of Law in Context and International and Comparative Law and under 4 centers Symbiosis Center for Alternation Dispute Resolution (SCADR), Symbiosis Center for International and Comparative Child Rights (SCICCR), Symbiosis Center for Climate Change Policy and Law (SCCCPL) and Symbiosis Legal Skills Centre (SLSC) and 21st Teach Skills Lab

In the last year, the Centre has published more than 70 research papers in SCOPUS and WoS-indexed journals by the SLS Pune faculty members and some PG / Ph.D. students, now totaling up to 631 publications. Balancing the social agenda, the community legal care center of SLS Pune is engaged in the Prison Advocacy program of Mumbai High Court through the Prison Clinic, collaborates with the District Legal Aid Services Authority, and has clinics in villages and the inner city.

The Career & Professional Development Cell:

The Career & Professional Development Cell functions as the primary facilitatory body for the process of professional development and constructive employment for the students of SLS, Pune. The broad objectives of the cell are to facilitate campus recruitment, training and development, and internship opportunities. The Cell works throughout the year to implement and execute the processes of Campus Recruitments, Internships, Training and Development, Industry & Alumni Relations, and Entrepreneurial Development. With years of experience, the cell has developed a wide array of networks ranging from litigation firms, corporate firms, solicitors, private practitioners, to governmental commissions and agencies. The Career & Professional Development Cell has been tirelessly facilitating the professional development of our students and has been successful in attaining the aforementioned goals by providing our students with the best opportunities.

Ongoing Placement 2023-24

The Alumni Cell:

The Alumni Cell of Symbiosis Law School, Pune is a voluntary student body working under the guidance of the Director, Symbiosis Law School Pune, and Dean Faculty of Law Symbiosis International (Deemed University). The Cell continuously undertakes to strengthen the relations of the alumni of SLS Pune and promote the culture of alumni acting as mentors and providing other help to SLS Pune students. It has been instrumental in organizing the Annual Alumni Meet, regular guest lectures by distinguished alumni on the campus, and publishing the annual yearbook 'Alumni Nexus'. SLS Pune is the proud alma mater to illustrious alumni such as Varuna Agarwal (UPSC AIR-38), Sharmistha Dutta (AIR2 CDSE), Vineet Dhanda Assistant Solicitor General of India, Chhattisgarh's Additional Advocate General Mr. Saurabh Ajay Gupta, Mr. Shashwat Sachdev who won the National Award for the Best Music Direction (Background Music) for Uri: The Surgical Strike, Justice Revati Mohite-Dere, Judge, Bombay High Court amongst other law firm and corporate firm leaders, Senior Advocates and Advocates-on-record. SLS, Pune endeavors to secure all-round contributions to the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders, and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

Left: Lighting of the lamp by Dr. (Mrs.) Pankaj Mittal, along with Prof. Dr. Shashikala Gurpur and Justice Pradeep Nandrajog during the recently held Alumni - Cum - Destination Meet at New Delhi; Right: Alumni at the event

Programme Profile:

• Bachelor of Arts & Bachelor of Laws (B.A. LL.B.) (Honours)

• Bachelor of Business Administration & Bachelor of Laws (B.B.A. LL.B.) (Honours)

SLS, Pune offers a 5-year BA BBA LL.B. (Hons.) program. It is one of the pioneer institutions in the country to offer a five-year integrated programme to foster a culture of academic excellence among students. There is an emphasis on an interdisciplinary approach in the study of law to equip the students with skill and knowledge and to equip them to perform various roles of a professional lawyer beyond the traditional role of litigation linking their domain knowledge to the legal profession.

• Bachelor of Laws (LL.B.)

SLS, Pune has re-introduced the three-year LL.B. programme from 2014 which has received an overwhelming response. Three-year programme is designed to impart professional legal competence to students from diverse educational backgrounds. The objectives of the programme are as follows:

- a) To equip the students with legal knowledge of various legal spheres and skills to perform various roles of a legal professional beyond the traditional role of a litigator for linking their domain knowledge to legal profession.
- b) To give them an edge over their competitors to lead so that the opportunities to shape social, public, and corporate enterprises, such as the state, community organizations and social enterprises, become justice sentinels and justice crusaders seek them out. To provide hands on experience in legal knowledge, skills, ethics, and values so as to be able to work in a fast-changing India set in a globalizing world by learning law in a profound way keeping with contemporary developments.
- d) To build competence to find, identify, and interpret the law in a given situation.
- e) To enhance knowledge and enable them to resolve the legal problems with the correct application of law.
- f) To enable them to deploy IT skills and use the electronic resources to find the legal information.
- g) To demonstrate cognitive skills, problem-solving skills, analytical and independent critical thinking with enhanced research capabilities by using different pedagogical methods and collaborative online international learning.
- h) To help cultivate the ability to appreciate the role of lawyers in justice education in a globalizing world sensitive to the needs of sustainability, poverty, and vulnerability.
- i) To acquaint them with the institutions of the legal systems encompassing national, regional, and international levels and multiple aspects of dispute resolution with intellectual integrity, critical thinking, and as practice-ready lawyers.

Duration:

- Bachelor of Arts & Bachelor of Laws (Honours) (B.A. LL.B.) : 5 Years Full Time
- Bachelor of Business Administration & Bachelor of Laws (Honours) (B.B.A. LL.B.) : 5 Years Full Time

- Bachelor of Laws (LL.B.) : 60 Seats

ADMISSION PROCESS:

- **Bachelor of Arts & Bachelor of Laws (B.A. LL.B.) (Honours)**
- **Bachelor of Business Administration & Bachelor of Laws (B.B.A. LL.B.) (Honours)**

Step 1: Apply online (The SLAT Registration is open and will close on 12th April 2024. SLS Pune registration will close on 16th May 2024)

Candidates applying to Symbiosis Law School, Pune (SLS, Pune) should complete the following procedure:

- Candidates must complete the SLAT (Symbiosis Law Admission Test) online registration process. You can visit <https://www.set-test.org/> for registration.

Please note: A candidate can appear for SLAT on both the dates May 05, 2024 (Sunday) and May 11, 2024 (Saturday) by selecting both the dates in the Application Form. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation. There will be no normalization.

Further, the candidate must ensure that the information you have filled is accurate. No changes shall be permitted after the registration under any circumstances. Candidates are fully and solely responsible for providing correct information during the application process. If it is found that any information provided by the candidate at the time of filling/submitting the application form is not true, SIU has the right to cancel the application or admission, at any stage, according to its rules and regulations. Any direct or indirect attempt to influence the management and employees of the Institute will lead to the automatic disqualification of the candidate.

- Candidate must pay Rs. 2250/- as SLAT Registration Fees. In addition to this, a candidate is required to make separate non-refundable and non-transferable payment of Rs.1000/- per programme per institute at this stage. The Last date for payment of SLAT Fees is 12th April 2024 and for registration of SLS Pune is 16th May 2024.

Note:

It is mandatory to Register & Pay for both SLAT & SLS Pune. A candidate registered only for SLAT and not for SLS, Pune by paying the aforementioned fees will not be eligible for the next phase of PI at SLS, Pune.

- It is mandatory to appear for the SLAT (Symbiosis Law Admission Test).
- Based on the SLAT score, shortlisted candidates will be called for Personal Interaction (PI); provided that the candidate has registered for SLS Pune.

For SLAT Registration and other information please visit www.set-test.org

For SLS Pune, please visit – www.symlaw.ac.in

Step 2: Symbiosis Law Admission Test (SLAT 2024)- Computer Based Test

Admission to 5 years B.A/ B.B.A LL.B (Hons.) is offered through the Symbiosis Law Admission Test (SLAT), which consists of:

SLAT (Computer Based Test): This comprises of multiple choice questions to assess the General Knowledge, Logical Reasoning, Analytical Reasoning, Basic English and Basic Legal Reasoning. There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose the opportunity to answer the questions. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

Date for SLAT (Computer-Based Test): The SLAT will be conducted twice for the academic year 2024-2025 on May 05, 2024 (Sunday) and May 11, 2024(Saturday).

After the declaration of the SLAT result, SLS Pune will publish the list of eligible candidates for the PI (Personal Interaction) process

Please note: The name of the candidate will appear in the list of shortlisted candidates for PI only if he/she has registered and paid (programme-wise fee @Rs.1000/- for each programme) to SLS, Pune while filling the SLAT registration form

Personal Interaction (PI): Personal Interaction is intended to test the personal attributes, inclination towards law as a career, overall personality and communication skills, Extracurricular and Co-curricular activities, and elementary knowledge of the law of a candidate. PI will be done in Online mode and separate instructions for the same shall be sent to the candidates who are qualified to appear for PI.

A) Schedule of Online PI: PI will be conducted online on different dates for SLS Pune, SLS NOIDA, SLS Nagpur, and SLS Hyderabad. Shortlisted candidates will receive a link and instructions 30 minutes before the schedule of the online PI.

B) Schedule for SLS Pune Online PI (Personal Interaction): SLS Pune will conduct Online PI (Personal Interaction) as updated on the website. PI will be conducted on different dates. Kindly refer to the 'Important Dates' section on the website.

The candidate needs to book a slot for PI at SLS, Pune. The slot booking link for shortlisted candidates will be available on our website, www.symlaw.ac.in. If a slot is not booked by the candidate within the stipulated date & and time a forceful allotment will be done. The candidate needs to check the website of SLS Pune for status (shortlisted or not) and for booking the slot for PI. The candidate can download the call letter for personal interaction from the SLS Pune website using their login credentials.

For the PI of other institutes, please visit the websites of the respective institutions.

****Disclaimer:**

It is mandatory to attend all components/ tests i.e. SLAT and PI to be eligible for admission to any SLS Pune. Only candidates who attend all components/tests of the selection process shall be considered eligible for the generation of merit/wait/reject list. Candidates who remain absent for any one of the components/tests will be considered ineligible for the selection process of SLS Pune.

C) Arrangement for PC/Laptop and internet connectivity for the Online PI: Candidates are required to make necessary arrangements for PC/Laptop along with camera and internet connectivity on their own. SLS Pune will not be responsible for any technical issues/glitches at the end of the candidate.

For DA (Differently Abled) candidates, separate instructions will be issued by Symbiosis International (Deemed University), Pune.

Negative marking: There will be no negative marking for SLAT and PI.

4.3 Verification of Educational Qualification Documents and Eligibility: The candidates shortlisted for online PI should submit educational qualification documents as per the directions of SLS Pune/SIU. If the candidate fails to submit any document at the time of the verification and for eligibility purposes, the claim for admission shall not be entertained.

● Bachelor of Laws (LL.B.)

Step 1: Apply Online

To apply, please visit - www.symlaw.ac.in

Step 2: All India Admission Test (AIAT)

Admission to three-year LL.B. is offered through Symbiosis All India Admission Test (AIAT). AIAT will be conducted Computer Based Test (CBT) mode on respective centres. AIAT broadly consists of a Written Test and Personal Interaction:

(A) CBT Mode Test (AIAT): AIAT comprising of:

Writing sample/subjective/descriptive answer (Writing Sample: two subjective questions for 20 marks each, total 40 marks) for 65 minutes, 10 objective / multiple choice questions for 20 marks related to socio-legal, politico-legal, current and contemporary topics for 20 minutes, immediately followed by an online Psychometric Test of 20 minutes for 10 marks. There will be a time limit to answer the questions. Once the time limit is over, the candidate will lose an opportunity to answer the questions. An answer given by a candidate will be locked, so the candidate will not be able to change the answer. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

The AIAT (CBT Mode) will be conducted on 11th May 2024 (Time- 2:00 PM to 3:45 PM)

Step 3: Online Personal Interaction (PI): There will be a total of 30 marks for PI: Personal Interaction is intended to test the personal attributes, fitment, work experience, global outlook, professionalism, ethics, values, and statement of purpose of a candidate.

A) Schedule for SLS, Pune Online PI (Personal Interaction): SLS, Pune will conduct Online PI (Personal Interaction) on 19th to 20th May 2024 for LL.B. programme.

B) Time for PI: Each candidate will get a maximum of 6 to 8 minutes for PI. The candidate needs to be ready at the given time without any excuse by following the instructions given by SLS, Pune-SIU.

Note: Candidates are requested to upload a soft copy of the Statement of Purpose (SOP), not more than 250 words, and a scanned soft copy of the Letter of Recommendation mentioning conduct, character, traits, etc. (the reference letter shall be from the Head/Supervisor/Professor of your Institute/College) and other relevant documents as per the schedule for AIAT. After successful completion of the AIAT, candidates will be invited for the PI process provided by the institute. Candidates need to keep original documents, including the SOP and reference letter (LOR), for the PI process.

Eligibility:

The candidate should have passed the XII (10+2) examination from any recognized Board with a minimum of 45% marks (40% for S.C. /S.T. candidates). Students who have appeared for their Standard XII final examination and are awaiting results are also eligible to apply, subject to submission of a passing certificate at the time of the final admission.

Important:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Reservation of seats: As per University norms.

Dr. Chandrashekhar Jayvantrao Rawandale

Director

DIRECTOR'S PROFILE:

Dr. Chandrashekhar Jayvantrao Rawandale graduated from the University of Pune with LL.B. degree, moving on to complete LL.M in International Law & Human Rights from Dept. of Law, University of Pune, (1997); LL.M. in Commercial Law from Cardiff Law School, Cardiff University (UK) (2003) and Ph.D. in 'Computer Programs: Copyright and Patent Paradigms- A Study' from Symbiosis International University, Pune (2010).

Dr. C J Rawandale has worked as research associate at I.L.S. Law College for a year where he also taught Law of Torts. He then worked with Bharati Vidyapeeth's New Law College for two years as a lecturer, before moving to Symbiosis Law School, Pune in 2000. During his stay at Cardiff, he also worked for Welsh Joint Education Board, Wales and Crossroad Solicitors. During and October-December 2008, He was a Visiting Fellow at Cardiff Law School, Cardiff University, Wales – UK (December 2003), Leibniz University Hannover, Germany (October-December 2008) and Jagellonian University, Krakow, Poland (January - February, 2019).

Dr. C J Rawandale was member of 'Project Review and Steering Group (PRSG)' constituted by Department of Information Technology, Government of India for the project "Cyber Crime related Capacity Development and ICT Training for the Judiciary in States of Assam, Manipur, Meghalaya, Tripura, Nagaland, Arunachal Pradesh, Mizoram & Sikkim" by CDAC, Kolkata under Cyber Security Grant-in-Aid Programme. He also was Member of Thomson Reuters Council for Legal Information and Innovation.

Dr. C J Rawandale research interests lie in the Intellectual Property Law, Information Technology & Telecommunications Law and International Law. He has authored books including: Dr. C J Rawandale & Mr. B P Bhargava, 'New Company Law: An Insight', Corporate Law Advisor: 2013; Dr. C J Rawandale (co-author), 'Corporate Social Responsibility', Thomson Reuters (Westlaw India): 2014 and 'An Introduction to Environmental Law' (1998). He has also chaired and addressed several National and International Conferences/Seminars.

Dr C J Rawandale was selected and felicitated by Corporate Counsel Association of India with 'Distinguished Professor in Imparting in Innovative Legal Education' award on November 20, 2022 and by the Indian National Bar Association (INBA), on the occasion of '67th Constitution Day' on November 26, 2016 with 'Law Professor of the Year' award.

Institute Profile:

Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just eleven years of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional

legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. SLS-NOIDA is strategically located in the industrial hub of NCR thereby opening up a plethora of opportunities for the budding lawyers.

SLS-NOIDA strives towards supplementing reforms in the field of law; to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unflinching manner.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society, and International Law Students Association (ILSA) Chapter & Enactus Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating an assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA. SLS-NOIDA organizes weekly lectures under the banner of 'Extension Lecture Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career.

SLS-NOIDA makes an ample use of technology for the benefit of its learners which in turn supports in meaningful administrative automation and in introduction of new learning methodologies.

Programmes Profile:

SLS-NOIDA offers two five years integrated undergraduate programmes, namely, BA. LL. B (Bachelor of Arts and Bachelor of Laws) and BBA. LL. B (Bachelor of Business Administration and Bachelor of Laws).

Bachelor of Arts and Bachelor of Laws (BA. LL. B): The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of the intricate and complex problems of the society. Our integrated Bachelor of Arts and Bachelor of Law programme provides a deep insight into the historical perspective of development of law, political factors influencing policies culminating into law and the intricate relationship between legislations and social problems. This Programme aims at creating socially sensitive sentinels of justice.

Bachelor of Business Administration and Bachelor of Laws (BBA. LL. B): The use of word 'multi' is indeed multiplying in today's world, multi-nationals, multi-tasking, multi-dimensional, and why not multi-disciplinary'. The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential knowledge of law coupled with the core essentials of management and business to enhance productivity. With the object of catering to this demand unfolding before the students, and to enable them to

explore these vistas of opportunities that lie ahead, we have commenced an integrated Bachelor of Business Administration and Bachelor of Law degree programme (BBA. LL. B). Here we impart exhaustive knowledge to the students not only to survive but also to excel in the increasingly competitive world.

Duration:

- Bachelor of Arts & Bachelor of Laws (B.A. LL.B.) : 5 Years Full Time
- Bachelor of Business Administration & Bachelor of Laws (B.B.A. LL.B.) : 5 Years Full Time

Intake:

- Bachelor of Arts & Bachelor of Laws (B.A. LL.B.) : 120 Seats
- Bachelor of Business Administration & Bachelor of Laws (B.B.A. LL.B.) : 180 Seats

Eligibility:

Passed standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Process:

Candidate needs to register for Online Symbiosis Law Admission Test (SLAT) 2024 & also register for SLS-NOIDA offering his/ her choice of programmes by paying separate programmes registration fees. If shortlisted, he/she would then need to attend the further admission process conducted by SLS-NOIDA either at NOIDA or Pune.

Selection is done in two phases: Candidates will be short listed on the basis of the SLAT score & the short-listed candidates will be invited for Personal Interview (PI). Final Merit list shall be drawn on the basis of SLAT Score (70%) and Personal Interview (PI) performance (30%). In other words, it will be based on the cumulative marks scored on the scale of 100 marks wherein SLAT score will be scaled down to 70 marks i.e., 70% weight age and the remaining 30% weightage will be assigned as follows: Personal Interaction (PI) - 30 marks i.e., 30%.

Reservation of Seats: As per University norms.

Happy Healthy Campus

Orientation and Pedagogy:

SLS-NOIDA is introducing a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida's efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/ Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Assessment involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

Dr. Santosh Aghav
Director

Director Profile

Dr. Santosh Aghav has been associated with Symbiosis International (Deemed University) since 1st October 2003. His areas of interest include Property Law, Police and Security Administration, White Collar Crime, Economic Offences, Legal Clinical Courses. Dr. Aghav was a member of the Board of Studies, Faculty of Law, SIU and Assam University, and Global Network Member of the Indian Council of Human Rights. Sir has presented papers at national and international conferences and seminars and has published papers in various journals of national and international repute. Dr Aghav has served in various capacities in different spheres of academia and administration.

He was the in-charge of the Centre of Excellence, and the faculty in-charge for the Community Legal Care Centre extending legal knowledge and services; also facilitating exposure to the students and interdisciplinary researchers. Dr. Santosh was also the faculty-in-charge of the International Network Program at the City University of New York, USA. Besides being a participant in the training for course development under the Erasmus Mundus EURASIA Programme with St Kliment Ohradiski, Sofia University, Bulgaria, Dr. Aghav was a panellist for Nationwide consultation on the safety of women, child and trafficking organized by the Indian Police Foundation, Bureau of Police Research & Development, Centre for Police Research and Yashada.

Dr. Santosh Aghav

Director

Symbiosis Law School, Hyderabad

Institute Profile

Symbiosis Law School (SLS), Hyderabad, was established in 2014 as a constituent of Symbiosis International (Deemed University), Pune, inheriting splendid novelty, dynamism and excellence in education. It is founded on pillars of Expertise, Justice, and Service and is committed to imparting quality legal education confirming acclaimed international standards. SLS, Hyderabad, is cocooned in the upcoming educational zone with state-of-the-art infrastructure catering to the impending needs of the student community. It is located in Modallaguda Village, Nandigama Mandal, Ranga Reddy District in the state of Telangana, near Hyderabad, 45 minutes away from the international airport.

SLS-Hyderabad shares expertise in imparting quality legal education through competent and well-qualified teaching staff, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, etc. It is committed to contributing to the state's justice mission by initiating pro-bono activities to help poor and marginalized people. Further, it endeavours to create value-conscious skilled

lawyers with par excellence, serving the community's dynamic needs through Bar and Bench.

SLS Hyderabad strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, case analysis/discussions, and legal web bases. The learners at SLS-Hyderabad are adept at courtroom etiquette and advocacy skills through the courtroom and related exercises such as Moot Court, Mock Trials, Alternative Dispute Resolution, Drafting, Pleadings, Client Counseling and Simulation exercises. We have on board luminaries of the highest merit to share the expertise and responsibility of grooming our learners into dynamic lawyers of tomorrow. SLSH is always in the process of grooming student leadership nurtured by faculty mentorship.

We at SLS Hyderabad strongly emphasise research and publications through various law journals, in-house student magazines, and research projects where students contribute to fostering their professional growth. The institute's social agenda includes the Legal Aid Centre and Digital Aid Centre to promote digital and legal awareness around campus. SLS Hyderabad believes in orienting students' intellect towards attaining their goals by creating an environment of innovative learning and interdisciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, SLS Hyderabad organizes weekly lectures delivered by multi-disciplinary academicians, legal luminaries, corporate heads, and experts at the bar and bench. These lectures are instrumental in providing the students with the challenges awaiting their careers. Theoretical learning coupled with practical exposure provides the right blend of success for SLS Hyderabad learners.

Admission for an undergraduate course in Symbiosis Law School, Hyderabad, is through the Symbiosis Law Admission Test (SLAT), which is a common entrance test for the admission processes of undergraduate law institutes of Symbiosis International (Deemed University). The entrance test is followed by a Personal Interaction (PI).

Programme Profile

a. Bachelor of Arts and Bachelor of Laws (B.A. LL.B.):

The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of society's intricate and complex problems. Our integrated Bachelor of Arts and Bachelor of Law programme (B.A. LL.B.) provides a deep insight into the historical perspective of the development of law, political factors influencing policies culminating into law, and the intricate relationship between legislation and social problems. This programme aims to create socially sensitive sentences of justice.

The Alternative Dispute Resolution Society (ADRS) of SLS, Hyderabad, organised a training session on mediation for the students.

b. Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.): -

The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential law knowledge coupled with the core essentials of management and business to enhance productivity. With this objective to cater to the demand unfolding before the students, and to enable them to explore these opportunities, an integrated Bachelor of Business Administration and Bachelor of Law Programme (B.B.A. LL.B.) has been commenced. Here, we impart exhaustive knowledge to the students to survive and excel in the increasingly competitive world.

Duration of the Programme

- Bachelor of Arts and Bachelor of Laws (B.A. LL.B.): 5 Years, Full time Residential
- Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.): 5 Years, Full time Residential

Intake

- Bachelor of Arts and Bachelor of Laws (B.A. LL.B.): 120 Seats
- Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.): 120 Seats

Eligibility

Qualification: Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Note: It is suggested that those candidates who have studied Arts/Social Sciences subjects for their qualifying examination may apply for the B.A. LL.B programme. Similarly, those candidates who have studied Commerce/Accounts/Mathematics may apply for the BBA LL.B programme. The candidates are free to choose depending on their ability, interest and opportunity. Please note that these two programmes differ only in First Degree subject (either Humanities OR Business Law) whereas the same Law courses are offered in both the programmes. Graduates in both streams are eligible for diverse legal career opportunities, including corporate, lawyering, civil services, advocacy, judiciary, academic, international organization jobs, international admissions, etc.

IMPORTANT:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Process

Step 1: Apply online

Candidate applying to Symbiosis Law School, Hyderabad (SLS, Hyderabad) should complete the following procedure:

- Candidates must complete the online registration process of the SLAT (Symbiosis Law Admission Test).
- Candidate must pay Rs. 2250/- as SLAT Registration Fees.
- It is mandatory to appear for SLAT (Symbiosis Law Admission Test).
- Candidate must also complete the SLS, Hyderabad payment of Rs. 1000/- per programme (i.e. B.A. LL.B or/ and BB.A. LL.B) while filling out the SLAT registration form.

- Shortlisted candidates will be called for Personal Interaction (PI)

Note: It is mandatory to Register & Pay for both SLAT & SLS Hyderabad. A candidate registered for SLAT and not for SLS, Hyderabad by paying the aforementioned fees will not be eligible for the next phase of PI at SLS, Hyderabad.

- For SLAT Registration and other information please visit www.set-test.org
- For SLS Hyderabad, please visit www.slsh.edu.in

Step 2: Symbiosis Law Admission Test (SLAT 2024) - Centre Based Test

Admission to 5 years of BALLB & BBA LLB is offered through the Symbiosis Law Admission Test (SLAT), which consists of:

SLAT (Centre-Based Test): This comprises multiple-choice questions to assess General Knowledge, Logical Reasoning, Analytical Reasoning, Basic English and Basic Legal Reasoning. There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose the opportunity to answer the questions. The candidate must ensure the answer is recorded within the stipulated time limit.

Date for SLAT (Centre Based Test): The SLAT will be conducted on 5th May 2024. (1st Test) and 11th May, 2024 (2nd Test)

After declaring the SLAT result, SLS Hyderabad will publish the list of shortlisted candidates eligible for the PI (Personal Interaction) process.

Note: The candidate's name will appear in the list of shortlisted candidates for PI only if he/she has registered and paid (programme-wise fee @Rs.1000/- for each programme) to SLS, Hyderabad, while filling out the SLAT registration form.

Step 3: Online Personal Interaction (PI):

Personal Interaction will be conducted only for the candidates, who appeared and qualified for SLAT Test. Personal Interaction is intended to test the Personal Attributes, inclination toward law as a career, overall personality and communication skills, Extracurricular and Co-curricular activities, and elementary knowledge of the law of a candidate.

(a) Schedule of Online PI:

PI will be conducted online on different dates for SLS Pune, SLS NOIDA, SLS Nagpur, and SLS Hyderabad. Shortlisted candidates will receive a link and instructions 30 minutes prior to the schedule of the online PI.

(b) Schedule for SLS Hyderabad Online PI (Personal Interaction):

SLS Hyderabad will conduct Online PI (Personal Interaction as updated on the website. PI will be conducted on different dates. Kindly refer to the 'Important Dates' section on the website.

The candidate shall book a slot for PI at SLS, Hyderabad. The slot booking link for shortlisted candidates will be available on our website, www.slsh.edu.in. If the candidate does not book a slot within the stipulated date and time, a forceful allotment will be made. The candidate needs to check the SLS Hyderabad website for status (shortlisted or not) and to book the slot for PI. The candidate can download the call letter for personal interaction

from the SLS Hyderabad website using their login credentials. For the PI of other institutes, please visit their respective websites.

A) Arrangement for PC/Laptop and internet connectivity for the Online PI:

Candidates are required to make necessary arrangements for PC/Laptop along with camera and internet connectivity on their own. SLS Hyderabad will not be responsible for any technical issues/glitches at the end of the candidate.

Negative marking: There will be no negative marking for SLAT and PI.

Verification of Educational Qualification Documents and Eligibility: The candidates shortlisted for online PI should submit educational qualification documents as per the directions of SLS Hyderabad, SIU. If the candidate fails to submit any document at the time of the verification and for eligibility purposes, the claim for admission shall not be entertained.

Reservation of Seats: As per University norms.

Orientation and Pedagogy

At SLS Hyderabad, the teaching methodology is essentially learner-centric and research-oriented, strengthening students reflective and critical thinking skills along with value - orientation. Modern teaching methods are used in a convergent manner along with the lecture method. These include classroom presentations, group discussions, seminars, webinars, conferences, case studies, the Socratic method, the project-based method, and computer-assisted learning and experiential learning.

There are thirty-five active centres of specialization and skill-based training cells functioning under the headship of the faculties of Symbiosis Law School, Hyderabad to provide research-based education, get a practical understanding of the subfields of law, enhance the knowledge of particular sub-fields based on the interest of the students and utilize the leisure time of the students productively. Also, legal luminaries and industry specialists hold inspirational and instilling talks regularly.

The CGPA assessment method is followed through ongoing internal assessments, and an external examination system is followed at the end of each semester. The students are also part of the Research Cell and are engaged in various research activities. We strictly adhere to appropriate standards of relevance, responsibility, ethics, and originality, encourage academic independence and are committed to supporting students in pursuing their research agenda. SLS, Hyderabad, provides a platform that seeks to maximize the opportunities for individuals to produce outstanding work, whether independently or in collaboration with other researchers.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders, including academicians, bar and bench members, corporate sector experts, governmental bodies and international experts.

The Centre for Specialisation in Cyber Law Studies of SLSH, conducted a Panel Discussion on "Decoding the Digital Personal Data Protection Act, 2023". The panellists for the event were Mr. Navroze Palekar, Vice President and Global Head of Legal and Compliance at Cyient, Ms. Ifrazunnisa Khan, Legal Manager at Tatva Legal, Hyderabad and Mr. Krishna Sastry, Partner in Cyber Security Consulting at Ernst & Young.

Dr. Sukhvinder Singh Dari

Director

DIRECTOR'S PROFILE:

Dr Sukhvinder Badan Singh Dari holds a Ph.D. in Corporate Laws from Symbiosis International (Deemed University), Pune. He is an alumnus of Symbiosis and has done his LL. M (Business Law) from Symbiosis Law School, Pune. He had pursued his BA. LL. B from the Nagpur University and also holds a Diploma in Human Resource Management & Labour Laws, and Diploma in Corporate Mergers and Acquisition. Dr. Dari has been with Symbiosis Law School, since 2007. Prior to joining the Symbiosis Law School, Nagpur in 2019 as a Director he was with Symbiosis Law School, Hyderabad as a Deputy Director (since inception 2014-19), worked with SLS NOIDA (since inception 2010-14) and Pune (2007-10).

He is a recipient of the Award for "Academic Excellence" for his contribution to the legal fraternity at Legal Desire Summit & Awards, 2018. He has also been awarded a Certificate of Excellence for International Paris Summit Climate Change Program (Centre for United Nation 2016). He has been a resource person at the Andhra Pradesh Human Resource Development Institute, Telangana Police Academy, UGC HRD (University of Hyderabad) and other distinguished forums. He is also a member of several academic and non-academic bodies of SIU.

He teaches Corporate and Commercial Laws, Forensic Science, Constitutional Law, Contract Law, Jurisprudence and Labour Laws besides guiding Ph.D. Scholars, Research for undergraduate and postgraduate students. He has chaired and attended a plethora of National and International Conferences, with his major research interest in company law and corporate governance. He has National and International publications widely in the area of Company law in the leading journals and books. He has many articles/research papers, co-authored books and five edited books to his credit.

INSTITUTE PROFILE:

Nurtured by the visionary ideas of Dr. S.B. Mujumdar, Chancellor Symbiosis International (Deemed University) on the principles of vedic thought 'Vasudhaiva Kutumbakam' which means 'World is One Family', Symbiosis Law School (SLS) Nagpur is established to inherit the splendid novelty, dynamism and excellence in education.

Being a constituent of Symbiosis International (Deemed University), Pune, Symbiosis Law School, NAGPUR is strategically located in the potential education hub of Maharashtra thereby offering multitude of opportunities for the budding lawyers. Harping on the rich legacy of both Bar and Bench, SLS Nagpur promises to be one of the finest destinations for imparting legal education in central India.

Nagpur, popularly known as the Orange City of India is located at the exact centre of the Indian peninsula and is been identified as the best city in India topping in liveability, greenery, public transport, and health care indices. SLS Nagpur at Wathoda is located approximately 10 Kms from the Railway Station, 15 Kms from the Dr. Babasaheb Ambedkar International Airport and 12 Kms from the Bombay High Court, Nagpur Bench, Nagpur. It is also well connected with the other prominent parts of the city including the market area.

Symbiosis Law School, Nagpur providing a platform for students to learn and grow has several cells and centres for facilitating students with diverse interests. These provide multitude opportunities in directly interacting and learning with experts from the field, bar and bench, thereby developing vision, expertise and leadership in students. There is a special focus on the internationalisation with students receiving exposure with frequent lectures and interactive sessions from academicians, legal professionals and experts from abroad. Collaborations and MoUs with Governmental organisations, non-governmental organisations and other academic institutes across the globe have strengthened the quality of teaching-learning process and exposure students receive during their course.

SLS Nagpur has the “State of Art Infrastructure” with remarkable facilities for its students. The pollution free premises of SLS Nagpur have abundant open space and an impressive array of academic, sports and cultural facilities.

Lecture Halls

SLS Nagpur has 20 ICT enabled spacious air-conditioned smart classrooms, fitted with learning aides such as Projectors, Public Address System, Collar Mikes and Wi-Fi facility. The acoustic, well ventilated and air-cooled lecture halls provide a perfect learning environment for the students.

Assembly Hall

SLS Nagpur has a well-furnished, techno acoustic, and air-conditioned Assembly Hall with capacity of 200 students. Equipped with ICT tools, it is aptly suited for conducting interactive sessions, seminars, workshops and guest lectures by legal stalwarts.

Conference Hall

SLS Nagpur has a well-furnished, air conditioned and ICT enabled conference hall that can accommodate around 40 people and is aptly suited for conducting interactive sessions, workshops, seminars and presentations.

Moot Court Hall

Participating in a moot court competition develops skills that are crucial for growing into a successful lawyer. Mooting as an activity aims to inculcate and improve the research, presentation and argument talent into students so as to equip the budding pleaders with all the courtroom etiquettes, research experience and advocacy skills. SLS Nagpur, moot court hall provides capacity of 250 students equipped with proper judicial settings, wherein the presentation skills and talents in argument of students are screened and further students are notified about the areas of improvement on routine basis. Apart from this, the Moot Court Association (MCA) organizes and hosts Intra Moot Courts and National-level Moot Court competitions.

Library

Recognizing that a law library in true sense is the treasure house for a law student, it is an indispensable component of the SLS Nagpur. To support the dynamic curriculum of Symbiosis Law Programme SLS Nagpur has a well-equipped library with the best and the most updated electronic resources and technologies. The Library exhibits a perfect blend of traditional print resources and online legal databases. The Print resource collection includes text books, reference books, bare acts, bound volumes of law journals & law reports, periodicals and magazines. The technology-based learning resource includes various Legal databases viz. Westlaw India, LexisNexis, Hein Online, Manupatra, SCC Online etc. along with a myriad of e-journals. Additionally, to foster a research acumen in

students, access to digital libraries like JSTOR, NDL etc. and research tools like Turnitin, Grammarly are provided. Additionally, the Research and Publication Cell and Specialised Centres facilitate students to hone their research skills and provide sustainable solutions to issues in the industry and society.

It houses a separate section for book lending and book bank facility. The library has an earmarked peaceful reading hall and a separate e-library with a research section for mooters, discussion tables along with separate consultation rooms.

ICT Resource Centre

SLS NAGPUR has a distinct, 120 capacity ICT Resource Centre (Computer Lab) for providing e-learning initiative amongst learners and hands on training to access and use various online legal databases. The centre provides a perfect platform for conducting online exams, e-research assignments, video lectures etc.

Hostel

SLS NAGPUR provides separate air conditioned hostels for Boys and Girls. It includes all basic amenities to provide a conducive learning environment and comfortable living. Every Hostel building encompasses basic facilities to cater the daily requirement of students.

Canteen and Mess

SLS, NAGPUR campus has a distinct canteen to cater to the requirements of students. It offers multi cuisine dishes at a concessional rate. The canteen is equipped with modern amenities to ensure hygiene and balanced and nutritional diet of the students.

Health Services and Health Insurance

The Health Centre provides all emergency health services and covers all students under a unique and novel medical insurance scheme with a free and compulsory annual health check-up. A well-equipped and modern gymnasium with a yoga hall is within the campus.

Sports facilities on campus includes Indoor facilities and courts for Badminton, Basketball, Futsal courts, Table tennis are available. In-house Competitions, Inter-college competitions and National Sports competitions are organised for students' holistic development.

Auditorium

The auditorium with a seating capacity of 950 guests, is a State-of-art centrally air-conditioned auditorium equipped with all the modern facilities required for E-learning through latest technology to enable this student to keep them abreast of the latest globally emerging trends.

PROGRAMME PROFILE:

Name of the Programme:

- **Bachelor of Arts & Bachelor of Laws (B.A. LL.B.)**
- **Bachelor of Business Administration & Bachelor of Laws (BBA LL.B.)**

SLS Nagpur offers two integrated undergraduate Five year law courses in Bachelor of Arts and Bachelor of Laws (BA. LL. B) and Bachelor of Business Administration and Bachelor of Laws (BBA. LL. B) to cater to diverse needs of the legal profession. These are imparted through well qualified, experienced and enthusiastic faculty, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, moot courts etc. The curricular enrichment is ensured with the involvement of learned judges, eminent lawyers, International jurists, academicians, industry experts etc. and best practices are reflected in teaching learning pedagogy. SLS, Nagpur believes in holistic development of nascent legal minds and ensures learning beyond the classroom by planning field visits and workshops in collaboration with various stakeholder and NGOs.

It provides a conducive and competitive learning environment by encouraging students to take part in national and International competitions. It is committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people through community lawyering, legal aid camps and permanent legal aid clinics. Further, it endeavours to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench.

Duration:

- Bachelor of Arts & Bachelor of Laws (B.A. LL.B.) : 5 Years Full Time
- Bachelor of Business Administration & Bachelor of Laws (B.B.A. LL.B.) : 5 Years Full Time

Intake:

- Bachelor of Arts & Bachelor of Laws (B.A. LL.B.) : 120 Seats
- Bachelor of Business Administration & Bachelor of Laws (B.B.A. LL.B.) : 120 Seats

Eligibility:

The candidate should have passed XII (10+2) examination from any recognized Board with a minimum of 45% marks (40% for S.C. /S.T. candidates). Students who have appeared for their Standard XII final examination and are awaiting results are also eligible to apply, subject to submission of passing certificate at the time of the final admission.

Important:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Process:

It comprises of two components:

- Symbiosis Law Admission Test (SLAT)
- Personal Interaction (PI) Online

Personal Interaction (PI) Online:

After the declaration of the SLAT result, SLS Nagpur will publish the list of the shortlisted candidates who will be eligible for PI.

PI will be conducted in an online mode by the panel of experts from the Industry/Academia.

Slot booking: The candidate needs to book a slot for PI at SLS, Nagpur. Slot booking link for shortlisted candidates will be available on our website, www.slsnagpur.edu.in. In case a slot is not booked by the candidate within stipulated date & time then a default allotment will be done.

The candidate needs to check the website of SLS, Nagpur for status (shortlisted or not) and for booking the slot for PI.

Requisite for PI: Shortlisted candidates must upload the scanned copies of their original documents (PDF format) as specified in the intimation for PI e.g. 12th Std. Mark Sheet, Provisional Passing Certificate from School/College, Caste / Category Certificate for SC/ST/KM/DA and Nagpur Domicile Certificate, photo identity proof – Aadhar Card / License / PAN Card, Certificates of Curricular, Co-curricular and Extra-Curricular Activities.

Declaration of Merit Lists : Based on the 70 % weightage of scores for SLAT and 30% for PI, the Merit lists will be declared on our website, www.slsnagpur.edu.in

Reservation of seats: As per University norms.

Orientation and Pedagogy :

The medium of instruction is English. The methods are essentially learner-centric, which include lectures, Socratic method, Activity Based Learning, field visits, seminars, group discussions, research projects, simulations, case studies, moots, mock trials and ICT-enabled learning by the international guest faculty and guest sessions by the stalwarts.

With the focus on the holistic development of the students, special arrangements are made for the experiential learning. The students get training, orientation and experiential learning through systematic internships in industry, High Courts, Supreme Court and Non-governmental organizations. International Lecture series organised by International Cell aid students be adept with the global trends. Mentor-mentee sessions are scheduled for each student to identify their strengths-weaknesses, their interests and difficulties if any.

Additionally, he has also reviewed papers and chaired sessions for various international conferences, both in and outside India. He has been four times awarded with outstanding reviewer certificate by Thomson Reuters Impact Factor bearing International Journal.

Dr. Saini has been named among top 1% Computer Science reviewers in the world by Thomson Reuters continuously for two years, i.e, 2018 and 2019. Twelve candidates have been awarded PhD and seven more are currently pursuing their doctoral research work under his guidance. He was selected and invited as a guest faculty at BSEL, Berlin and is a recipient of DAAD fellowship for visiting Germany. Prior to joining SICSRS, Dr. Saini was working as a State Government University endorsed Professor and Director. His vast experience comprises of working also as HoD, University Coordinator, Director of AB Innovation Sankul and Zonal Exam Coordinator

for entire South Gujarat under the State government's Gujarat Technological University, Ahmedabad. In the year 2005, he secured first position in the written test and later in the interview (panel comprised of IIM-A dignitaries) too at State level and had a distinct opportunity of working with Gujarat Secretariat, Gandhinagar for the ambitious e-governance project of Govt. of Gujarat as well as the coveted privilege of working in the Cyber Security domain at one of the only four licensed certifying authorities under Ministry of Information Technology, Govt. of India. Dr. Saini is included in the Marquis Who's Who in the World, USA since 2012. His lectures have been live broadcasted at national level and available online as part of NCTEL too. He has completed more than 50 international MOOC course certifications and professional and specialization certifications as well, almost all with distinction, through various universities of highest repute like Massachusetts Institute of Technology (MIT), University of Texas at Austin, Stanford University, Rice University, Johns Hopkins University, The Pennsylvania State University, Case Western Reserve University, The Ohio State University, University of Rochester, to name a few.

Institute Profile :

Symbiosis Institute of Computer Studies and Research (SICSR), a constituent of Symbiosis International (Deemed University), and established in 1985, aims at building future leaders for the Information Technology (IT) industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. IT is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. IT also plays a vital role in development of next generation technologies in other disciplines. IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a Nation's progress.

We are on the forefront in realizing the vision of our Founder and Chancellor, Honourable Prof. Dr. S. B. Mujumdar Sir, to be a true International University, promoting diversity with students from various countries in the Under Graduate and Post Graduate Courses in IT and Management.

We offer a complete portfolio of IT education programs, including undergraduate programmes Bachelor of Business Administration (Information Technology) and Bachelor of Computer Applications, Bachelor of Computer Applications (Honours) full-time post-graduate programs Master of Business Administration (Information Technology), Master of Business Administration (Digital Transformation) and Master of Science (Computer Applications) programmes.

- Ranked #2 Among Top 110, The Best Colleges of India for BCA (Outlook-I Care Rankings 2023)
- Ranked #3 Among Top 10 BCA Colleges (India Today)
- Ranked #4 Top B-Schools of Eminence, 2023 (CSR-GHRDC Rankings 2023)
- Ranked #7 Among Top 10 Emerging Colleges for BBA (India Today)
- Ranked #12 Among Top 130 The Best Colleges of India for BBA (Outlook-I Care Rankings 2023)
- Ranked #16 Top B-Schools of Eminence (Govt. Private) by State, 2023 (CSR-GHRDC Rankings 2023)
- Ranked #87 Among India's Best B schools for MBA(IT) ,2023 (India Today)
- Ranked #95 Among Top 100 Placements Performance (Zone-West) (Business Today)
- Ranked #87 Among Top 100 Private B Schools (Business Today)

- Ranked #116 Among India's Best B school survey in Overall Rankings 2023 (Business Today)
- Ranked #1 Among OPEN Magazine Top BCA colleges (West), 2022
- Ranked #3 Among OPEN Magazine Top BBA colleges (West), 2022

- Ranked #2 India's Best BCA Colleges 2021(India Today, Outlook-I Care)
- Ranked #6 Among the Top B-Schools of Eminence for MBA (IT) in 2021 (GHRDC-CSR B-Schools Survey 2021)
- Ranked #1 Amongst the 'Top BCA Colleges of India' according to GHRDC Times Annual Survey Report 2020.
- Ranked #1 Amongst the Top BBA Colleges in the Western region for the BBA-IT Program according to GHRDC Times Annual Survey Report 2020.
- Ranked #2 Amongst the 'Top BBA Colleges in India for the BBA-IT program according to GHRDC Times Annual Survey Report 2020.
- Ranked #7 Among the Top 10 Emerging Colleges for BBA in 2021 (India Today)
- Ranked #2 India's Best BCA Colleges 2020 (India Today)
- Ranked #9 India's Best BBA(IT) Colleges 2020 (India Today)
- Ranked #14 Top B-Schools of Eminence in India 2020 (Competition Success Review)

Programme Profile :-

Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research

Objectives:

The program is a perfect blend of Commerce, Management, and IT subjects that develop Business Administrators empowered with strong IT skills. BBA (IT) offers opportunity for an early entry into IT/Management cadre. The graduating students will be suitable for following roles:

- Business analyst for areas like application software requirement management, quality assurance, and process analysis.
- Business administration for various business management functions like HR, finance, marketing operations, etc.
- Preparing for PG programmes for higher studies in India or abroad in any field.
- Entrepreneur with multidisciplinary approach.

Highlights of the Programme:

- The programme strikes balance between business management, essential IT skills, IT applications, which will enable and enhance business transformations.
- The programme also offers Choice Based Credit System (CBCS) in which Students can choose course/s (up to 10-15%) of their choice from different faculties/disciplines like Humanities, Management, Liberal Arts, and Computer Studies.

- Holistic approach in designing the programme structure focused on providing strong foundations for higher studies, smart careers in IT and Business Administration, and development of Entrepreneurial skills.
- The programme structure, the pedagogy used, the evaluation of learning outcomes are planned in such a way that it helps overall development of students.
- It follows the guidelines of New Education Policy (NEP) with multiple entry and exit options.

Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. (Honours)/ B.C.A.(Honours with Research)

Objectives :

BCA (Honours / Honours with Research) offers the prequalification for professionals heading for smart career in the IT field, which measures up to international standards. On completing this course, one can do higher studies in any recognised university or in any reputed institution in India or abroad.

BCA (Honours / Honours with Research) with specialization will prepare students to progress their career in the software industry, academia, research, entrepreneurial pursuit and other Information technology enabled services in one of the area in Data Science, Artificial Intelligence and Machine Learning, Cloud Computing, and Data security.

Highlights of the Programme :

- This program will highlight on recent trends and technology in the areas of web design, mobile technology, data analysis, networking, and database management systems.
- This program gives student an ability to understand and apply knowledge of content management system, mobile computing and cloud computing in software development as well as the best software practices used in industry.
- In this programme students will learn multidisciplinary courses, value added courses and work effectively as an individual and as a member or leader in diverse teams.
- The program will help students to develop professional skills that prepare them for immediate employment or for learning in advanced areas of computer science and related fields.
- It follows the guidelines of New Education Policy (NEP) with multiple entry and exit options.

Duration:

**Bachelor of Business Administration (Information Technology) - Honours/
Bachelor of Business Administration (Information Technology) - Honours
with Research B.B.A. (IT) Honours/ B.B.A. (IT)- Honours with Research** : 4 Years Full time, Non Residential

**Bachelor of Computer Applications (Honours)/ Bachelor of Computer
Applications (Honours with Research) B.C.A. (Honours)/
B.C.A.(Honours with Research) Non Residential** : 4 Years Full time, Non Residential

Annual Day Function at SICSR

Intake:

**Bachelor of Business Administration (Information Technology) - Honours/
Bachelor of Business Administration (Information Technology) - Honours
with Research B.B.A. (IT) Honours/ B.B.A. (IT)- Honours with Research** : 120 students

**Bachelor of Computer Applications (Honours)/ Bachelor of Computer
Applications (Honours with Research) B.C.A. (Honours)/
B.C.A.(Honours with Research) Non Residential** : 180 students

Eligibility :

- Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) - Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)- Honours with Research

Passed Std. XII (10+2) or equivalent government approved Diploma in Engineering/Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

• **Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. ((Honours)/ B.C.A.(Honours with Research)**

Passed Std. XII (10+2) or equivalent government approved Diploma in Engineering/Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Cleanliness Drive at Chakan Fort

Admission Process :-

- 1) Fill up the Online SET Application Form available at www.set-test.org.
- 2) Make the SET Fees payment.
- 3) Register for the Institute(SICSR).
- 4) Make programme-wise fees payment for Online Personal Interaction.
- 5) Download SET Admit Card.
- 6) Appear for the SET exam.
- 7) Check the SET Result.
- 8) Book your slot for Online Personal Interaction (PI) Process for SICSR.
- 9) Appear for the Online PI process.
- 10) Merit list will be displayed.
- 11) Admission will be confirmed after payment is made.

Reservation of Seats : As per University norms.

Important Dates :

Details	Date
SET Registration closes on	April 12, 2024 (Friday)
SET Payment closes on	April 12, 2024 (Friday)
Admit Card Live on (www.set-test.org)	April 25, 2024 (Thursday) for SET Test 01
	April 30, 2024 (Tuesday) for SET Test 02
SET Test 2024 (Computer Based Test Mode)	
Test 01 - May 05, 2024 (Sunday)	SLAT: 09.00 am to 10.00 am
	SET: 11.30 am to 12.30 pm
	SITEEE: 02.00 pm to 03.00 pm
Test 02 - May 11, 2024 (Saturday)	SLAT: 09.00 am to 10.00 am
	SET: 11.30 am to 12.30 pm
	SITEEE: 02.00 pm to 03.00 pm
Announcement of Result	May 22, 2024 (Wednesday)
Last date to apply for Institute	May 24, 2024 (Friday)
Declaration of shortlisting for Online PI	May 31, 2024 (Friday)
Dates of Online PI Process	June 08, 2024 (Saturday) to June 18, 2024 (Tuesday)
Declaration of First Merit List	June 25, 2024 (Tuesday)
Programme Commencement	July 12, 2024 (Friday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website (www.sicr.ac.in)

Orientation and Pedagogy :

SICSR's approach to teaching includes a combination of lectures, class discussion, group work, self-study for blended learning with continuous evaluation of students.

Assessment: As per SIU norms, there are two broad categories of evaluations, Continuous (Internal) and Term End (External). All internal courses will have 100% component as internal evaluation at the institute level. All external courses will have 40% internal component (continuous evaluation) and 60% component as external (University) examination. Continuous evaluation will be carried during the semester using multiple criteria such as written exam, Quizzes, presentations, practicals, projects, etc. At the end of each semester, term-end examination will be conducted by the university.

Cleanliness Drive at Chakan Fort

Cyber Awareness Day at SICSR

Field visit at Lohagad Fort

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2024 in the Academic Year 2024-2025-INDIAN STUDENTS

Programme Structure:

* Bachelor of Business Administration (Information Technology) Honours/Honours with Research

Semester - 1

Major Course

- Web Technologies

Minor Course

- Business Accounting

Ability Enhancement Course

- Communication Skills

Skill Enhancement Courses

- Business Modelling and Business Plan

Common Value-Added Course

- Yoga – I
- Glimpses of India: Post Independence

Mandatory Non-Credit Course

- Integrated Disaster Management

Multidisciplinary Course (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD1

Semester - 2

Major Course

- Introduction to Operating System
- Introduction to Python
- Innovation Management

Minor Course

- Introduction to Costing

Ability Enhancement Course

- Business Communication

Skill Enhancement Course

- Banking Operations

Common Value-Added Courses

- Yoga – II

Mandatory Non-Credit Course

- Fitness for Life

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD2

Semester - 3

Major Courses

- Relational Database Management System
- Introduction to Internet of Things
- IT Tools for Statistics I

Minor Course

- Human Resource Management

Ability Enhancement Courses (Choose Any One)

- Basic Sanskrit I
- Basic Hindi I
- Soft Skills

Skill Enhancement Course

- Creativity and Innovation

Mandatory Non-Credit Course

- Core Environmental Studies

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD3

Semester - 4

Major Courses

- Optimization Techniques in IT
- Server Side Web Technology
- IT Tools for Statistics-II
- IT Applications for Business Verticals

Minor Courses

- Service Learning
- Introduction to Startup

Ability Enhancement Courses (Choose Any One)

- Basic Sanskrit II
- Basic Hindi II
- Creative Writing

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam

Semester - 5**Major Courses**

- Business Taxation and Law
- Enterprise Resource Planning
- Financial Management
- Research Methodology

Minor Courses (Choose Any One Group)**Group 1 - Software Solutions Management**

- Software Engineering Practices

Group 2 - IT Infrastructure Management

- Network Essentials
- IT Infrastructure & Service Management

Group 3 - Digital Marketing

- Fundamentals of Marketing
- Services Marketing

Mandatory Non-Credit Course

- Emotional Well-being

Semester - 6**Major Courses**

- E-Business Technology
- Essentials of Business Intelligence
- Advanced Financial Management

Minor Courses (Choose Any One Group)**Group 1 - Software Solutions Management**

- Software Testing

Group 2 - IT Infrastructure Management

- Network Infrastructure Essential

Group 3 - Digital Marketing

- Digital Marketing

Summer Internship

- Summer Internship

Semester - 7**(Honours)****Major Courses**

- Corporate Governance and Ethics
- Cryptography
- Information Technology and Regulatory Compliance
- E supply Chain Management
- Introduction to Entrepreneurship
- Foundations of Ethics

Minor Courses (Choose Any One Group)**Group 1 - Software Solutions Management**

- Software Quality Management and Standards

Group 2 - IT Infrastructure Management

- Introduction to Cloud Computing

Group 3 - Digital Marketing

- E-Customer Relationship Management

Dissertation

- Dissertation

Semester - 7 (Honours with Research)**Major Courses**

- Literature Review
- Scientific Paper Writing
- Ethics in Research
- R Programming

Minor Course

- Dissertation

Semester - 8 (Honours)**Major Course**

- Design Thinking and Problem Solving
- Introduction to International Business
- Managerial Economics
- Essentials of Brand Management
- IT Audit

Minor Courses (Choose Any One Group) Group 1- Software Solutions Management

- Foundations of Data Warehousing and Data Mining

Group 2 - IT Infrastructure Management

- Information Security
- Block Chain

Group 3 - Digital Marketing

- Marketing Communication - Advertising PR and Events

Dissertation

- Project

Semester: 8 (Honours with Research)**Major Course**

- Intellectual Property Rights

Minor Course

- Research Funding

Research Project

- Research Project

* Courses are subject to change

* Bachelor of Computer Applications - Honours/Honours with Research

Semester – 1

Major Course

- Web Technologies

Minor Course

- Computational Thinking

Ability Enhancement Course

- Communication Skills

Skill Enhancement Courses

- Introduction to Python Programming

Common Value-Added Course

- Yoga and Mental Health

Mandatory Non-Credit Course

- Integrated Disaster Management

Multidisciplinary Course (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD1

Semester – 2

Major Course

- Relational Database Management System

Minor Course

- Data Structures and Algorithms

Ability Enhancement Course

- Creative Writing

Skill Enhancement Course

- Server Side Web Technology

Common Value-Added Courses

- Yoga Therapy Principles and Practices

Mandatory Non-Credit Course

- Fitness for Life

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD2

Semester – 3

Major Courses

- Operating Systems
- Structured Query Language
- Network Essentials
- Innovation Management

Minor Course

- Software Engineering

Ability Enhancement Courses

- Business and Managerial Communication

Skill Enhancement Course

- Data Analysis Using Python

Mandatory Non-Credit Course

- Core Environmental Studies

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD3

Semester - 4

Major Courses

- Introduction to Cloud Computing
- Foundations of Data Warehousing and Data Mining
- Internet of Things
- Service Learning

Minor Courses

- Java Programming
- Network Security Essentials

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam

Semester - 5

Major Courses

- Introduction to Best Programming Practices
- Research Methodology

Major Courses (Choose Any One Group)

Group 1 - Data Science

- Data Science I
- Essentials of Business Intelligence

Group 2 - Artificial Intelligence and Machine Learning

- Introduction to Artificial Intelligence
- Machine Learning

Group 3 - Cloud Computing

- Cloud Applications for Business Processes
- Cloud Architectures and Security

Group 4 - Data Security

- Introduction to Vulnerability Assessment Penetration Testing
- System and Security Audit

Minor Courses (Choose Any One Group)**Group 5 – Software Development****Mobile Programming****Group 6 - System Administration**

- Network Administration

Group 7 - Database Administration

- Advanced Databases
- Total Required Credits

Mandatory Non-Credit Course

- Emotional Well-being

Semester – 6**Major Courses**

- Basic of Java Enterprise Technology
- Block Chain

Major Courses (Choose Any One Group)**Group 1 – Data Science**

- Big Data: Storage and Analytics

Dr. Adya Sharma
Director- SCMS, Pune

Director's Profile:

Dr. Adya Sharma is a dedicated professional with more than 25 years of experience. She brings with her rich practical experience from the corporate world that perfectly blends with theory and enhances academics. She has also been connected to the industry as a corporate trainer in companies like Goldman Sachs Women Entrepreneurship program, Tata Motors Development Centre, Amdocs, McDonalds, Wipro, Coca Cola, CPHR Services Pvt Ltd, Konnet Solutions Pvt Ltd, Yazaki, Sigatul Mazaraat Al Vazaratus Saifiyah and Zocdoc among others. She brings with her a missionary zeal to keep the learning environment vibrant and energized.

An avid researcher, she has a number of case studies to her credit which are based on real time events. She has also written research papers in reputed journals including Scopus indexed journals and has authored chapters in books. She is also the editor of the book titled 'Marketing Techniques for Financial Inclusion and Development' by IGI Global. She has visited the A4+ Consortium universities in Spain through University of Pompeu Fabra (UPF) mobility Programme under Erasmus grant. She has also been to Leeds Beckett University, London to promote and strengthen international relations.

She introduced COIL (Collaborative Online International Learning) as another step to provide International exposure to students. She has also been the second supervisor for Master thesis of students conducted under Berlin School of Economics and Law, Germany. She is PhD, NET qualified, double Post Graduate and an alumnus of St Stephens College.

Institute Profile:

Symbiosis Centre for Management Studies, Pune, was set up in the year 2004 and is a constituent of Symbiosis International (Deemed University). The B.B.A program is a full-time, four-year graduation program spread over eight semesters which aims at transforming a student into a socially responsible global corporate citizen. This program with its intensive and updated syllabus, skill building, research orientation and a wide range of additional modules would indeed enable the students in the next career step of their choice i.e. employment, entrepreneurship or higher studies in premium business schools in India and abroad.

SCMS Pune had been following the cafeteria curriculum from the Academic Year 2011-12. The Cafeteria curriculum had been designed to allow flexibility to the students to take up courses of their choice resulting in the award of a general B.B.A or B.B.A with single or dual specialization. Keeping in line with the New Education Policy (NEP) 2020, the Institute has transitioned to the recently formulated student-centric CCFUP (Curriculum and Credit Framework for Undergraduate Programs) by the UGC. The CCFUP incorporates a flexible choice-based credit system, multidisciplinary approach.

Over the past years, SCMS Pune has attracted students not only from different parts of India but also from different countries. As of now, there are students from 21 countries studying at SCMS Pune. The rich diversity provides an extremely varied and multi-cultural exposure to all the students.

The learning experience is further enriched by a multitude of clubs like – dramatics, music, business games, entrepreneurship and social initiatives, which are all run by the students themselves and cater to the collective need for individual expression of creativity and well-being. This also organically prepares the students to take on bigger roles and responsibilities in the future.

SCMS Pune also provides opportunities for International Exposure through the University's Global Immersion Programme (GIP). Students during the course of the eight semesters at SCMS can also choose to undertake courses for twelve credits in any one of the University's partner Universities abroad. SCMS, Pune was one of the first Institutes to initiate the process of COIL (Collaborative Online International Learning) SCMS Collaborated with Bridge Valley Community and Technical College, US and now with Technical College, FATEC, Centro PAULO SOUZA FATEC, Brazil and completed online projects in the subject areas like: Economics, Accountancy, Marketing & Human Resource.

The track record for placements has been rising over the years. Students can choose from Multinational Companies to Start-ups; SCMS-Pune is the place to be in the placement season. SCMS Pune has a dedicated Placement Division which hand holds the students right from the start to the final selection process. Among the prominent organizations that regularly conduct campus recruitment at SCMS Pune are KPMG, PWC, Accenture, Deloitte, Wipro, ICICI Bank, Swiggy, TresVista, Zomato, MGH Group, MyGate, Northern Trust, Fuld & Co, GOMO Group, Planet Spark, DeltaX, and others. SCMS Pune boasts a dedicated Placement Division, committed to guiding students through every stage of the placement process. The spectrum of job roles spans across diverse fields, including marketing, finance, operations, business analytics, and HR, ensuring that students can explore a wide range of career paths and find the perfect fit for their aspirations.

Students at SCMS are not just academically brilliant but also develop sensitivity and respect for the community around them. The Initiate Club is instrumental in undertaking these activities. Over the years, the College Festival of SCMS Pune, Sympulse which started off as humble celebration of the campus spirit and bonhomie has grown into spectacular extravaganza which draws thousands of students from across India and abroad. It is one of the much-awaited college festivals not only because of the scale at which it is held but because of the activities, experiences and the way it is organized. The festival is managed by the students, which also gives them the live experience in management lessons. The Institute also offers the students opportunities for research. We provide our students the bridge that helps them cross over from school to either the Corporate World or to Higher Education in prestigious institutions.

Some of the renowned personalities who addressed the students were:

- Dr. Sukky Jassi, the Course Director for BA (Hons) at Leeds Beckett University
- Mr. Mahendra Chopra, Executive Director, Earnst & Young (EY)
- Dr. Manjiri Prabhu, English Author, Film-maker and Founder/Director of the Pune International Literary Festival.

Institute Achievements

- Institute worked proactively to epitomize the Symbiosis vision, 'Promoting International Understanding through Quality Education'. Internationalisation is an important aspect of our journey. In the current Academic year 2023-24, SCMS Pune had collaborated with Massey University, New Zealand for a Massey Master of Management Programme. Massey University is ranked in the top 300 universities of the world by QS Ranking rankings. Eligible students after completing degree at SCMS, Pune, get an opportunity to proceed for a higher degree program.
- In the year 2022-23, 70 students of SCMS Pune were awarded various scholarships. These scholarships were Merit scholarship for semester toppers, SIU sports scholarship, EDCIL scholarship, Study in India Scholarship.
- Successful Students' Research Conclave 2023 under The phrase "Bridging knowledge gaps" was organized on 15th December, 2023 in online mode. The Conclave received multiple submissions out of which 50 research papers were selected by the distinguished panel of judges. The research papers were from all around the globe including countries like Qatar, Zimbabwe and Brazil. The Conclave was a gathering of knowledgeable and innovative individuals.
- SCMS Pune ranking by Times BBA ranking survey 2023
 - #1 Western region
 - #2 Private Universities
 - #3 In the Country

Social Initiatives by the Institute

- Our students in line with the spirit of the “Azadi Ka Amrit Mahotsav” participated enthusiastically in the “Har Ghar Tiranga” campaign, which aimed to foster a sense of patriotism and unity among citizens by encouraging them to hoist the National Flag of India in their homes. The campaign took place from August 13th to 15th, 2023, in commemoration of India’s 75th year of independence.
- Cyber Jagrookta Diwas is an initiative launched by the Ministry of Home Affairs to spread cybersecurity awareness. The SCMS Pune institute’s IT Department activated and displayed ‘Cyber Awareness Desktop Pop ups’ through the task scheduler to create awareness and sensitize the Internet users on safeguarding against cyber frauds and cybercrimes.

Alumni Panel Discussion

SAMVAAD 24'

A Business Conclave was organized by students of SCMS Pune with the theme "Vision 2047 on 24 February 2024. Orientation and Pedagogy

Learning at SCMS happens both inside and outside the classroom. The medium of instruction for all the courses (except foreign languages) is English. The curriculum is designed to ensure that classroom learning is interspersed with Case Studies, Project work, Role Plays, Simulation, Presentation, Article Reviews, Assignments, Experiential learning, Asynchronous classes, Business Games, and field trips, wherever necessary. MOOCs from other premier bodies are an integral part of classroom certifications and hence are woven in the curriculum. All this ensures that by the end of the course the students get a strong theoretical base and the ability to link theoretical concepts with prevalent Management Practices.

Approved Fee Structure for Batch 2024 in the Academic Year 2024-2025-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Dr. Sreeram Gopalkrishnan
Director

Director Profile

Dr. Sreeram Gopalkrishnan is a PhD and MS in Communications, MBA from NMIMS and has attended Executive Programmes at the Indian Oil Institute of Petroleum Management and Mudra Institute of Communications & Advertising (MICA). He has a UGC NET Lectureship and published research papers in leading peer reviewed and Scopus Indexed Management and Communications Research Journals.

Dr Sreeram has over three decades of experience and started his corporate career in the IT Industry before getting into the media industry as a Scriptwriter and Copywriter in companies like OS Studios & RK Swamy BBDO. He joined Fortune 500 Company Indian Oil as a Probationary Officer and worked in senior leadership positions pan-India before shifting to the Atharva Group. In 2016, he received the Best MBA Faculty award from the prestigious Bombay Management Association. Dr. Sreeram's research interests are in Film Studies, Branding, Science Education, Film Marketing and Tamil Cinema. He has contributed two books – Petroleum Perspectives and the Future - published by the D.Y.Patil Foundation, Pune & Cloud Computing: The Surge before the Storm by Cambridge Publishing.

Institute Profile:

Widely acclaimed as India's premier mass communication college, Symbiosis Centre for Media & Communication (SCMC) has been successful in carving a niche for itself in the field of media and communication education since its inception in 2008. SCMC is a Department of Symbiosis International University (SIU), under the Faculty of Media & Communication (FoMC) and offers two programmes – in Mass Communication and Media Management. Through its two programmes - Bachelor of Arts (Mass Communication) Honours/Honours with Research as well as Bachelor of Business Administration (Media Management) Honours/Honours with Research, it offers a comprehensive learning experience through traditional academics & research, as well as cyber & experiential learning. SCMC was the first media institute to offer specialisations courses at the undergraduate level supported by extensive coursework, academic sessions by professionals with years of industry experience, immersive internships and projects.

The intake process is highly competitive with an acceptance rate of 7-8% selected through a multi-level and multi-task competence procedure that includes an entrance test, written ability test, studio test and personal interviews. The mission is to nurture the aspirant's natural talents and aptitudes; equip them with technical knowledge and skills; and prepare them for the media industry or further education, whichever they choose, post

their graduation.

SCMC core faculty members possess years of industry, academic and research experience, while our visiting and guest faculty are active media professionals. Together, they help the students gain an understanding of real world scenarios and of the changing demands of the industry, and to create networks within the media community. The centre ensures that best-in-class resources and infrastructure back up classroom learning for practical, hands-on experience that is required for each of its programme specializations. The classrooms are acoustically sealed mini-auditoriums, with state-of-art projection and sound systems. A professional-grade AV studio and pre- and post-production audio and video laboratories, journalism labs, AV Labs along with a Photo Studio and Mac Lab equipped with the latest software complement this. SCMC has a robust placement record and its alumni are spread across the media sector in India and around the world. Many have gone on to pursue higher education or research and are excelling in their chosen fields.

Programme Profile:

SCMC offers two highly specialised professionally curated undergraduate degree programmes that are of Four years duration degree (with multiple entry and exit options as envisioned in the NEP 2020).

Bachelor of Arts (Mass Communication) Honours/Honours with Research

The programme offers Four Majors and Minors in,

- Film Studies
- Media Entrepreneurship
- Film Production
- Multimedia Journalism

Bachelor of Business Administration (Media Management) Honours/Honours with Research

The programme offers a Major in Media Management and Minors in,

- Digital Marketing and Advertising Management
- Media Entrepreneurship
- Public Relations and Corporate Communications

*Anukram -
Annual Media
& Placement
seminar*

Both the programmes includes opportunities for semester exchange programmes with foreign universities and the following exit options

- a. A Certificate at the end of the first year of the programme with 44 credits
- b. A Diploma at the end of the second year of the programme with 84 credits
- c. A UG Degree at the end of the third year of the programme with 124 credits
- d. A UG Degree with Honours / Research at the end of the fourth year of the programme with 164 credits

The programme offers an option of a Re-entry within Three years of the exit under a maximum permissible period of Seven years to complete the programme.

Duration:

- **Bachelor of Arts (Mass Communication) Honours/Honours with Research** : 4 Years Full Time
- **Bachelor of Business Administration (Media Management) Honours/Honours with Research** : 4 Years Full Time

Intake:

- **Bachelor of Arts (Mass Communication) Honours/Honours with Research** : 120 Seats
- **Bachelor of Business Administration (Media Management) Honours/Honours with Research** : 60 Seats

Eligibility:

Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Process:

The Admission Process is the same for both BA (Mass Communication) & BBA (Media Management and consists of two rounds:

First Round – The candidate has to register to appear for the Symbiosis Entrance Test (SET) and register for the programme at SCMC. SET is a common, objective, written test, which is held at several cities across India. For more details, visit <http://www.set-test.org>

Second Round- After registering for SET, appearing for it, and registering for the programme at SCMC the aspirant would need to appear for

- a. Written Ability Test(WAT) and
- b. Personal Interaction/Studio Test.

The WAT (Written Ability Test) and Personal Interaction (PI) would be conducted online. For more details, you may refer to the centre's website www.scmc.edu.in. The relevant documents are verified during the personal interaction session.

Reservation of seats: As per University norms.

Celebration of Onam

Orientation and Pedagogy:

SCMC is driven by its commitment to providing the industry with skilled and trained media professionals adept in all fields of communication. SCMC's programmes are designed with global benchmarks and focus on both the theoretical and practical aspects of mass communication and media management producing students who not only excel academically but also have stellar professional careers. Though the medium of instruction is English, certain case studies used by individual resource persons may be in other languages (primarily Hindi).

Dr. Jyoti Chandiramani

Director
Dean, Faculty of Humanities
and Social Sciences

Director's Profile:

Prof Jyoti Chandiramani has more than 38 years of experience in teaching and research. She has been the Director of Symbiosis School of Economics and the Dean, Faculty of Humanities and Social Sciences since 2010, at the Symbiosis International University, Pune – India. She teaches Urban Economic Development and Urban Mobility, at the Masters level.

Prof Jyoti has conducted more than 50 Management Development Programs for corporates across the country. She was awarded a UGC Fellowship to pursue her PhD. She has been a founder core member of the Symbiosis Centre for Liberal Arts (2006). In 2007, Prof Jyoti was awarded a short-term scholarship at the University of DePauw, Indianapolis –to study Liberal Arts Education. In 2013, she was a part of the Indian delegation to Pakistan (Lahore) for the Tenth South Asian Economic Students Meet (SAESM), and in 2015 she was conferred with the iCongo instituted Gold Karmaveer Chakra and Rex Karmaveer Global Fellowship in Delhi, for her contributions to the field of education. She was invited to the 5th ASEM Rectors' Conference and as a Mentor for the Students' Forum (ARC5, organized by Charles University in Prague and the Asia-Europe Foundation (ASEF) at Prague in 2016. Further, in 2017, she was invited by Niti Aayog, to be a part of Working Group "City Governance and Smart Cities" and later in May 2018, to visit Macquarie University to present the research work undertaken at Symbiosis School of Economics. In October 2020, she was appointed as a member of the Board, Forum for International Development Cooperation, which is housed at Research and Information System for Developing Countries - RIS, New Delhi. Prof Jyoti was a member of the G 20 -Steering Committee for the University Connect.

Besides writing a number of research papers and textbooks on International Economics, she has jointly edited a book with Ramanath Jha on 'Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance.' Her areas of research interest in urban studies include Urban Infrastructure, Urban Transport, Urban Poverty and she is presently working on Pune centric cases. Besides, Prof Jyoti keenly studies and follows trends in International Development Cooperation – from the MDGs to the SDGs. She has been guiding a number of PhD scholars over the years, and has consulted on as well as undertaken various research projects in collaboration with NABARD, ITDP, Sulochana Thapar Foundation and other reputed think tanks in India.

Institute Profile:

Founded in 2008, Symbiosis School of Economics (SSE) is a vibrant, rapidly growing and an ever-evolving institute, with a proven record of success. Over the years, the school has followed the ARPIE Model – encompassing the:

Academics: SSE seeks to develop intellectual discipline, critical and analytical assessment which will result in rational thinking, an understanding of the need for constrained optimization, striving towards creating equilibrium – resulting in lifelong learning. We at SSE, achieve these goals in an educational environment committed to academic freedom and excellence. SSE offers graduate and postgraduate programs in Economics, as well as an online Diploma in Quantitative Economics which feature the following:

- Ever-evolving and rigorous curriculum
- Interdisciplinary framework
- Innovative Pedagogy and Assessments
- Experiential, peer and self-learning

The programmes offered are supported with a wonderful blend of co and extra-curricular activities, facilitating the development of intellectual and professional competencies of the students – preparing them for their onward journey - be it for pursuing further studies, work, business, as well as nurturing sensitized and responsible citizens and future leaders.

Research: Students and faculty engage in front-line and innovative research, addressing wide-ranging development issues. This results not only in widening the knowledge but also enhancing varied perspectives of the real world – global, national and local. This is facilitated through

- Dissertations (Students at both the Masters and Graduate levels)
- Research Projects
- Research Papers
- Consultancy

SSE has worked in collaboration with NABARD – to develop the Rural Development Infrastructure Index for Maharashtra, Impact Assessment and Evaluation Work in Junnar Taluka of Pune District, Assessing the Sustainable Development Index of Rural Maharashtra and has carried out Multi-state study on Self-Help Groups and MSMEs in India.

Placements: SSE is committed to ensuring that the educational journey for the students is capable of appropriate placements of the student fraternity in society at large. Over the years our students have graduated and acquired admissions in the leading academic institutions in India - like Indira Gandhi Institute for Development and Research (IGIDR), Gokhale Institute of Politics and Economics, Delhi School of Economics, Jawaharlal National University, Madras School of Economics, Indian Institute of Technology - (M), Centre for Development Studies – Trivandrum, IIM-A, IIM-B, IIM Indore, IIM- Shillong, Indian Statistical Institute (ISI), Tata Institute of Social Sciences – Mumbai - and across reputed International Universities, be it Johns Hopkins University, Columbia University, Boston University, University of Rochester, National University Singapore, London School of Economics, Warwick

University, St Andrew's, Houston University, University of Glasgow, University of California, to name a few.

The school equips our students with employable skills in economic data analysis, analytics, market research, economic research and business intelligence. Past recruiters include Deloitte, EY, PWC, KPMG, CRISIL, AC Nielsen, EXIM Bank, ZS Associates, CMIE, RIS, IIHS, ICICI Bank, IndusInd Bank, Vodafone, Markets and Markets, Kingfish, D. E. Shaw group, Public Affairs Centre (PACS), OXFAM, CUTS International, NITI AAYOG, and more.

Internationalization: The school is keenly focussed that our students, faculty, academics and research are recognized in the global framework through a network of collaborations. Our students have availed opportunities for semester exchange and summer internship programmes at Leibniz University. Our faculty have been working in their niche areas and striving for excellence in their given field, helping them create and nurture their networks with leading international scholars across the globe

Enhanced Engagements - be it at the local level with the Urban Local Body - Pune Municipal Corporation (PMC), with local NGOs, working with Corporate and Industry, Government at the local, State and National level. We have worked closely with NITI AAYOG, National Bank for Agriculture and Rural Development (NABARD), Research and Information System (RIS), Indian Council for Research on International Economic Relations (ICRIER), CITIER, IHD, United Nations Development Programme (UNDP), FIDC -Forum for India Development Cooperation, Sulochana Thapper Foundation, INHAF, Tata Institute of Social Sciences (TISS) and Institute of Transport Development Policy (ITDP).

The ARPIE framework has helped nurture SSE as a place where knowledge intellect and diversity, come together to stimulate young minds, creating a class of economists and social change makers for a better tomorrow.

Programme Profile:

Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) - Honours / B.Sc. (Economics) - Honours with Research

SSE will be offering the four-year degree programme with multiple entry and exit options as envisioned in the National Education Policy (NEP) 2020. The highlights of the new programme being offered are as under:

- The Programme framework allows exciting options to pursue single major, with minors, opportunity to pursue multidisciplinary, Ability and Skill Enhancement courses and Value Added Courses
- A good blend of immersive learning, research and community engagement
- Includes opportunities for semester exchange programmes with foreign universities
- Offers the following exit options:

1. Exit after 1 year - will offer a certificate - **B.Sc. Certificate in Economics and IT Applications**

Students exiting at the end of the second semester will be awarded a "Certificate in Economics with IT Applications" provided they successfully complete the additional vocational courses (Advanced Excel and Statistical Analysis using SPSS).

2. Exit after 2 years - will offer a diploma - **B.Sc. Diploma in Economics**

Students exiting at the end of the fourth semester will be awarded a “Diploma in Economics with Fintech and Taxation”, provided they successfully complete the additional vocational courses (Introduction to Fintech and Taxation).

3. Exit after 3 years - **B.Sc. Degree in Economics**

A UG Degree- (BSc Economics) at the end of 3 years of the programme

4. Exit after 4 years - **B.Sc. in (Economics) Honours**

Those who wish to continue into the 4th year and have secured CGPA less than 7.5 will be offered a UG Degree with Honours at the end of 4 years of programme

5. Exit after 4 years - **B.Sc. in (Economics) Honours with Research**

Those who wish to continue into 4th year and have secured 7.5 CGPA or more.

A UG Degree with Honours and Specialization in Research at the end of the 4 years of the programme

In the first year, students will be offered fundamental core courses which then translate into specialisations from the second year. The fundamental courses will help students to understand and analyse the importance of all these studies in economics. The purpose of including these fundamental courses with Skill Enhancement Courses and Value Added Courses in the first year of their UG program is to make students aware of the global trends and build their foundation in economics.

Duration:

Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics) - Honours with Research

: 4 years Full time, Non-

Residential

Intake

: 150 Seats

Eligibility

Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics) - Honours with Research

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:**Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics) - Honours with Research**

Programme Structure:

* Bachelor of Science (Economics) - Honours/Honours with Research

Semester – 1

Major Courses

- Principles of Economics
- Mathematical Economics I
- Indian Constitution
- Foundations of Ethics

Ability Enhancement Course

- Academic Writing with LaTeX

Skill Enhancement Courses

- IT Applications in Economics

Common Value-Added Course

- Indian Kaleidoscope-Culture and Communication

Mandatory Non-Credit Course

- Integrated Disaster Management

Multidisciplinary Course

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD1

Semester – 2

Major Courses

- Microeconomics I
- Macroeconomics I
- Business Accounting and Financial Analysis

Minor Course

- Statistics for Economics I

Ability Enhancement Course (Choose Any One Course)

- Basic French I

- Basic German I
- Basic Spanish I
- Basic Sanskrit I

Skill Enhancement Course

- Introduction to Python

Common Value-Added Courses

- Indian Ethos and Values for Management

Mandatory Non-Credit Courses

- Fitness for Life

Multidisciplinary Courses

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD2

Semester – 3

Major Courses

- Microeconomics II
- Macroeconomics II
- Indian Economy
- Mathematical Economics II

Minor Course

- Statistics for Economics II

Ability Enhancement Course (Choose Any One Course)

- Basic French II
- Basic German II
- Basic Spanish II
- Basic Sanskrit II

Skill Enhancement Course

- Data Visualization

Common Value-Added Course

- Introduction to Indian Epics: Ramayan and Mahabharat

Summer Internship

- Internship with NGO

Mandatory Non-Credit Course

- Emotional Well-being

Multidisciplinary Courses

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD3

Semester – 4

Dr Nidhi Phutela
Director

Director's Profile:

Dr. Nidhi Phutela is working as the Director and Associate Professor in the area of Marketing with Symbiosis Centre for Management Studies, NOIDA, a constituent of Symbiosis International (Deemed University), Pune where she facilitates overall administration. She has been playing a key role in the domain of research, training and teaching in the discipline of Marketing for more than two decades. Here, she has also contributed to designing and implementing innovative teaching pedagogies. She has conducted several corporate training programs and workshops in universities of repute.

Apart from her academic and administrative responsibilities, Dr. Phutela is also passionately working in the domain of sensitizing social responsibility amongst students by designing and implementing empowerment projects for the underprivileged. She has spearheaded 'Project Sahyog' – For Women Empowerment, 'Project Utthan' – Financial Literacy Project; 'Project Parivartan'- Soft Skills Education Project, to name amongst a few.

Her research interest areas include: E-learning adoption, Service Quality, Internationalization of Higher Education, Digital Marketing, Martech and consumer behaviour, Sustainability, Consumer Trust & Customer Experience (CX).

Institute Profile

Symbiosis Centre for Management Studies, NOIDA, a constituent of Symbiosis International (Deemed University), Pune, began its operations in 2010. Based in the National Capital Region, it imparts quality management education at the undergraduate level and is one of India's best Management Education Providers. SCMS NOIDA has made giant strides and is presently catering to over 900+ students in its programme, Bachelor of Business Administration (BBA) Honours/ Honours with Research. The Institute focuses on the three "R"s of Business Education: Relevance, Research, and Re-Invention, which has found wide acceptance in industry and academia. In the quest for excellence, the programme offers a well-designed curriculum comprising live projects and internships that meet industry standards. The students have completed live projects for renowned companies like SAP Labs, SAAS, IDFC First Bank to name a few. What makes SCMS NOIDA stand out is the adoption of innovative teaching pedagogy - application-based learning and simulation of the decision-making ecosystem-providing learners with a deeper understanding of management.

The learners, on successful completion of their programme, emerge as socially conscious business leaders. This has been comprehensively proven when SCMS NOIDA students have won awards at Start-Up Competitions and tournaments at various reputed institutions like IIMs & IITs. The Students Council has representation in all the major operations at the institute and contributes to a great extent in governance, in due course, learn to apply management principles.

The four year BBA Honours/ Honours in Research programme at SCMS NOIDA offers a management programme designed to meet the 21st century skills that is aligned with the NEP 2020. The curriculum of this programme includes ability enhancement courses, skill enhancement courses, multidisciplinary courses and vocational courses. Apart from the learnings from the curriculum, the offerings at SCMS NOIDA go beyond the curriculum for the holistic development of the students. Industry readiness of the student, being the main objective, is worked out cautiously in the institute. The programme objectives emphasizes on preparing the students for every walk of life, be it:

- A well designed curriculum – covering the trending/ contemporary topics
- Corporate Exposure – by offering different types of internships & value added courses
- Creating an environment for global exposure – by offering international opportunities
- Developing social consciousness amongst the upcoming business leaders

Since the industry requirements are getting specific, nurturing these skills will help the students to become industry ready. We try to bring the real world into their learning spaces, which make the students get a feel of how the things will be and how they should proceed. We believe that these small initiatives will actually foster enhanced exposure to the students and lead to better industry preparedness.

Well-designed Curriculum:

Continuous learning and development are the most crucial elements for nurturing / enhancing the student's knowledge in the specific streams. The institute focuses more on industry –ready courses. Apart from the basic three specializations (Marketing, Finance and Human Resource) we are offering International Business and Business Analytics specializations, which is the need of the hour. Picking up and delivering such courses help the students in shaping their careers in a better manner. Moreover, the application based teaching (which is more demonstrative in nature) equip the students with practical insights along with the theoretical knowledge. Apart from this, some topics are reinforced by the industry practitioners in the form of guest lectures/ workshops/ webinars to make the education more robust and gain greater insights.

Exposure in the corporate world:

The institute emphasises more on the experiential learning aspect to give real time exposure to the students. Students are given a chance to select from two different types of internships for value addition. Such close association with the corporate helps in better understanding of the challenges to fit in the corporate world, the skills that are mandatory and how they can effectively employ the theoretical subjects in the real scenario. Collaborative projects with the corporates are also offered to the students where they get a chance to work on live projects.

Creating an environment for global exposure:

Another important perspective is to bring the international flavour in the course curriculum. Global exposure during the course of learning helps in fostering intercultural skills, improve language skills and self-transformation of the student. Moreover, it is now even more important to develop students as global citizens and equip them with global competencies to perform outstandingly and contribute in an interconnected, challenging world. As embedded in our University's vision, we should promote international understanding through quality education. SCMS NOIDA has partnered with International Universities to promote various forms of academic collaborations. Some of the universities where the students of the institute have gone for summer schools or semester abroad programs are DHBW, Germany, Berlin School of Economics and Law, Germany, Dauphine University, France, University of British Columbia, Canada, Deakin University, Australia, Leeds Beckett University, UK, London Business School and IESEG School of Management, France. Apart from the Global Immersion Program & Semester Exchange/ Summer School Opportunities, we are also taking Internationalization at Home initiatives through COIL Courses, Collaborative Virtual Industry Based Projects, International Internships, Case Competitions and Social Responsibility Project. The collaborative partners were Florida International University, USA; Rutgers University, USA; University of Wollongong, Dubai and Amsterdam University of Applied Sciences, Amsterdam.

Developing social consciousness amongst the upcoming business leaders:

Holistic development being the key element for student's successful career, we work enthusiastically to develop social consciousness amongst our budding business leaders. We reach out to the society through our initiatives to meet their challenges. The initiatives are twinned with the NGOs to offer the best services for the benefit of the needy along with creating well informed ethically aware professionals that contribute towards the betterment of the society. A few such initiatives undertaken include:

1. Project Parivartan - to help the underprivileged students by providing education using the technology available to us i.e. by the use of videos, audios and mobiles.
2. Project Utthan – Financial Literacy Project
3. Plantation Drives
4. Project Sahyog – Women Empowerment Project in collaboration with Florida International University
5. Organ Donation Drive in collaboration with IGift Life Foundation

It also organizes inter-institute events every year, attracting students across the globe to participate in academic and cultural events like BIZCON Inter Collegiate Academic competition, SYMUNC - Model United Nations Conference, SYMCHARCHA – Inter Collegiate Debate Competition, SYMAROH - Inter Collegiate Cultural Fest, SYMUDHYAM - Inter Collegiate B-Plan Competition and SYMPERIA - Inter Collegiate Sports Fest. The Institute also conducts regular Management Development Programmes for Corporates and is also active in corporate-commissioned research activities.

Programme Profile

Bachelor of Business Administration (Honours/ Honours with research)

The Institute offers BBA, a four-year programme of 166 credits, wherein a student gets an opportunity to select the courses of his/ her interest across various specializations. The programme is designed to deliver contemporary management practices, encompassing theoretical and practical knowledge in various aspects of business. The program is offered in five specializations namely: Marketing, Finance, Human Resource, International Business & Business Analytics.

Duration :

Bachelor of Business Administration (Honours/ Honours with research)

: 4 Years Full Time, Non-Residential (Hostels provided only for Girls)

Intake:

Bachelor of Business Administration (Honours/ Honours with research)

: 300 Seats

Eligibility

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he/she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfillment of specified admission norms.

Admission Process:

Candidates aspiring to join the BBA programme offered by Symbiosis Centre for Management Studies, Noida (SCMS NOIDA) must appear for the Symbiosis Entrance Test (SET – General). Being a national-level test, SET will simultaneously be conducted in the CBT (computer-based Test) mode across 80 cities all over India.

Step I: Fill up the online registration form (common for SET and the institute you have selected) Register Now

Step II: Pay for SET and for the institute (SCMS NOIDA)

Online Payment for SCMS NOIDA – Through Net Banking, account details are available on the application form.

Offline Payment for SCMS NOIDA – Through Demand Draft in favour of “Symbiosis Centre for Management Studies” payable at NOIDA to the Institute. If payment is made by Demand Draft, please mention your name and the SET ID number on the back of the Demand Draft.

Step III: Print Admit Card to appear in SET

Step IV: Appear for SET Exam.

Step V: SET Results are declared.

Step VI: Shortlisting is based on merit. If shortlisted by SCMS NOIDA, the candidate needs to attend the Personal Interaction (PI) process conducted by the institute.

Disclaimer: It is mandatory to attend all components/tests to be eligible for admission to the programme. Only candidates who attend all components/tests of the selection process shall be considered as eligible for the generation of merit / wait / reject list. Candidates who remain absent for any one of the component /test will be considered as ineligible for selection process of the UG degree programme of SIU.

Step VII: Appear for the PI process on the date and time mentioned in the call letter. The candidate is required to be available with the documents as specified in the call letter.

Step VIII: Final result is declared on the basis of SET and PI scores, uploaded on the website.

Reservation of Seats: As per University norms.

Orientation and Pedagogy

At SCMS NOIDA, future business leaders are exposed to a number of academic and extracurricular activities for holistic development. The BBA programme is delivered as per the Choice Based Credit System (CBCS), which provides flexibility to the students in exercising their choice for courses offered in various specializations. The institute has a strong faculty base and a unique academic and industry experience blend. With an optimum faculty-to-student ratio and adopting the student-centric learning in an experiential learning setup the engagement among the learners is effective. Continuous evaluation during the course ensures that students are abreast of relevant and contemporary business practices, which is in line with the prescribed curriculum. Projects, assignments, live projects and market research are blended with the regular classroom sessions for robust learning. In the first year of the programme, students are introduced to core courses to ensure a strong foundation in the business environment. Specializations are introduced in the second year. Students are encouraged to take up additional value-added courses which complement their learning.

Emphasis is laid on introducing the culture of entrepreneurship and social responsibility, the curriculum focuses on these areas to drive young leaders to think along the lines of being self-reliant and, at the same time, take socially conscious business decisions.

Initiatives in internationalization of education provide global exposure to the students. International Exchange Programs, Global Immersion and Summer Schools at Universities like Deakin University, London School of Economics, Dauphine University, Arizona State University, University of British Columbia help the students to enhance their global competencies.

Infrastructure / Facilities:

SCMS NOIDA is located amidst the IT and knowledge hub and has proximity to Delhi International Airport. The Institute has a sprawling campus at NOIDA with easy connectivity to all the major cities. The Wi-Fi campus has spacious air-conditioned classrooms equipped with audio-visual aids. The seminar hall, conference halls, library and reading room, computer laboratory, auditorium, cafeteria, fully equipped gymnasium and place for outdoor / indoor games truly makes the campus a sought-after learning hub by national and international students. It is a place where progressive management thoughts evolve, witnessing a few business ideas transforming into successful startups.

Hostel Facility:

Hostel facility is provided for female students. The hostel has been planned to meet the requirements of young graduates and make their stay comfortable.

Computer Laboratory:

Two computer labs with a total capacity of 125 systems cater to the needs of the students in learning, knowledge dissemination, evaluations and official communication. The labs are equipped with internet connectivity, LCD projector, scanner cum printer and power backup.

Knowledge Resource Centre:

The library, a knowledge resource center, possesses a vast collection of learning resource materials like books, periodicals, journals, and e-databases from all areas of management. The library, with its resources and innovative information services, fills an essential requisite in the intellectual pursuits for the students, faculty and research scholars. The library is fully automated and supported by KOHA integrated library management software. The Online Public Access Catalog (OPAC) allows e-resources and other reading materials to be accessed anywhere and anytime.

Medical Facilities at Symbiosis Centre for Health Care:

Medical care is provided by an in-house Health Care Centre to the staff and students of the Institute. The medical center has a team of doctors who conduct an annual (compulsory) check-up. The students are provided primary medical care whenever required. Health awareness is also conducted by organizing seminars & health education workshops. Each student is insured under the Medical claim and Traffic Accident policy.

Recreational and Wellness Facility:

Recreation is a vital component in a student's daily life, for fitness enthusiasts, the college has a Recreation and Wellness Centre (RWC) with a well-equipped gymnasium, aerobics and yoga hall and primary health care facilities are available on campus. The fitness enthusiasts are guided by trained coaches.

Cafeteria and Mess:

A multi-cuisine cafeteria, a Nescafe canteen, and a mess cater to the requirements of the students with a variety of tasty food and snack items at reasonable prices in a clean and hygienic environment. The diversity in food served satisfies the appetite of students coming from diverse cultures.

Parking:

The Campus has a multi-level parking facility for students and staff, which is well-maintained and manned by security guards throughout the day.

Reprography Centre:

The institute has a reprography centre for the convenience of the students. It also houses a stationery outlet where the students' requirements are met.

Indoor Games Room:

For the recreation of the students, this room is equipped with various indoor and board games like carom board, scrabble, chess, monopoly, etc. Students effectively use the room to organize tournaments and enthusiastic students participate in large numbers.

Seminar Hall:

The Seminar Hall is equipped with all modern technical aids for guest lectures, screening of films, presentations, and workshops etc.

Auditorium:

The world class auditorium features a high-definition screen with LED display, an in-built audio system, high-end speakers and a special sound system, making it one of a kind facility, capable of enhancing every performance. An opulent seating capacity of 480 people, the auditorium is used for various activities and celebrations like Induction Day, Republic Day, Independence Day, Farewell Functions and other Cultural Functions. Student Interaction Lounge: The student interaction lounge is not only a place where students freely interact or relax but also witnesses brainstorming sessions and informal get-togethers.

Dr. Shweta Sinha Deshpande
Director

Director Profile:

Dr. Shweta Sinha Deshpande has a Ph.D. in Archaeology and has contributed to archaeological and associated anthropological research through an interdisciplinary and multidisciplinary approach. She has been associated with Liberal Arts education for more than a decade and has an in-depth and keen understanding of this model and the value addition this model offers to the world and India's growing population dividend, the globalized industry and the service sector. Her current research focus is on Globalization and its influence on the socio-cultural space including religion, trends in migration, education and development. The thrust of her research is on interactions between individuals and cultures, both modern and ancient. Her work has led her to conclude that the key to understanding current social issues is to recognize the often-unrealized cultural baggage that people carry.

She has authored many research articles and books and was the founding President of the India Big History Association and a founding Member of the Society for South Asia Archaeology (SOSAA). She currently serves on the Editorial Board of Migration Letters an international journal on migration and is a member of the Executive Committee of the Nehru Science Centre, Mumbai under the Ministry of Culture, Government of India

Institute Profile:

The four-year full-time degree programme offered by SSLA, takes forward the ethos of NEP 2020, which helps students learn to make critical connections among diverse subjects, modes of thinking, and view major decisions within a broader social and historical perspective. It allows faculty and students to engage with, understand and reconcile a wide range of ideas, viewpoints, and perspectives within several disciplines. It seeks to provide a cultural orientation to the world in which we live, and equip students with ideas, analytical and communication skills, global perspectives, as well as the ability to synthesize knowledge and make informed value judgments.

The programme offers a comprehensive education. Courses at SSLA are broadly categorized into Core (Foundational and Skill Enhancement courses); Majors (where 10 courses have to be pursued within a specialisation along with a mandatory Internship and a focus on research); Minors (where 6 courses have to be pursued within a specialisation); and Electives that are inter-trans-multidisciplinary in nature.

Focus on research together with the requisite components of internship and community engagement, enables students to prepare for higher studies, career advancement, and for the exercise of leadership in the corporate world and the communities we live in. It also helps students develop essential 21st-century skills that allow them to seamlessly enter the workforce and gain meaningful career and life choices.

The highlights of the programme include:

- Internationally valued 4-year programme
- Strong academics and innovative learning
- Inter, multi and transdisciplinary academic engagement
- Co-constructive and collaborative environment
- Internationalization and strong community engagement
- 1:20 faculty-to-student ratio
- 370 courses across 20 disciplines
- Workshops, study trips, and conferences integrated in the programme
- International exposure, semester exchange and summer trips
- A pathway to master's programme with international partners

Students majoring in Anthropology, Business Studies, Economics, English, History, International Relations, Media Studies, Philosophy, Political Science and Public Policy, Psychology or Sociology, together with the Research Project, will be awarded the degree of Bachelor of Arts (Liberal Arts) Honours with Research.

Those pursuing the majors mentioned above, but without the research project, have the option of pursuing an additional internship or two additional courses from the major area of specialization. The degree awarded will be Bachelor of Arts (Liberal Arts) Honours.

Similarly, students majoring in Mathematics and Statistics or Computer Studies, along with the Research Project, will be awarded the degree of Bachelor of Science (Liberal Arts) Honours with Research.

Those pursuing the above-mentioned majors, but opting for an additional internship or two additional courses from the major area of specialization, will be awarded the **Bachelor of Arts / Bachelor of Science (Liberal Arts) Honours with Research.**

Programme Profile:

Bachelor of Arts / Bachelor of Science (Liberal Arts) Honours with Research.

Duration

Bachelor of Arts / Bachelor of Science
(Liberal Arts) Honours with Research.

: 4 Year Full-Time, Non-Residential

Intake:

Bachelor of Arts / Bachelor of Science

(Liberal Arts) Honours with Research.

: 150 Seats

Eligibility:

To elaborate:

CBSE/ICSE/HSC:

- Applicants are required to secure at least 50% (Open Category) and 45% (SC, ST) in the 12th Standard

OR

IB Certificate or Diploma students are accepted:

- Certificate: Applicants must have a minimum of 24 credits and passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL).
- Diploma: Applicants must have a minimum of 24 credits and passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL) along with core requirements of Extended Essay, Creativity, Activity, Service (CAS) and Theory of Knowledge (TOK). Diploma students should also have their IB Diploma and transcript with Diploma Results stating "Diploma Awarded"

OR

GCE/IGCSE/GCSE:

- Applicants must have a minimum of 5/4 subjects in A, B, C Grades including English at ORDINARY("O") Level and 2/3 subjects at ADVANCED ("A") Levels. (Total of 7 subjects)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Admission granted will be provisional until eligibility has been approved by SIU. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process

A candidate needs to register for the Rolling-Cycle-Based Admission (RCBA) process, which will begin in January 2024 and close in June 2024.

Admission to SSLA is based on a comprehensive assessment, which takes into consideration SOP, LORs, 8th-11th scores, extra-curricular activities, Writing Ability Test (WAT) scores, and Personal Interaction (PI) scores.

WAT and PI will be conducted post the completion of the application after payment of the Registration fee.

While filling out the application, candidates need to keep in mind the following:

- i. Applicants can opt for any of the 3 cycles to complete the admission process.
- ii. In the first part of the application form, candidates will have to provide their personal/contact details, and education profile from 8th Standard till 12th Standard (12th standard details are optional based on availability of final/predicted scores to initiate the admission process).

Note:

- Confirmation of admission will depend on the candidate's successful completion of Standard 12 and submission of relevant documents. Please see the segment on the list of documents to be submitted and the Eligibility Criteria.
 - Provisional admission will stand cancelled if the minimum eligibility prerequisites are not fulfilled.
- iii. Upload all required documents as applicable. These include:
- Final marksheets for Class 8, 9, and 11, as well as the Board Exam marksheet for Class 10 and if available, for Class 12.
 - Statement of Purpose (SOP) (This should include why you want to apply to SSLA; what interests you at SSLA; your interests, career goals, and future plans; and how you will contribute to SSLA). Please note that the SOP should follow these guidelines:
 - Times New Roman 12 font
 - It should not exceed more than 500 words.
 - Mention your name on the top of the SOP.
 - 2 Letters of Recommendation (LoRs) from teachers and/or the principal.
 - Extra-curricular certificates as applicable.
 - If you wish to add to your application, you may submit your SAT scorecard, with the designated institutional (DI) Code for Symbiosis School for Liberal Arts on the College Board being 7840. This DI Code facilitates easy location of SSLA on the College Board Platform. Please note that the submission of the SAT scorecard is obligatory for applications that include SAT details. Only then will the application be considered complete. However, please note that the inclusion of SAT scores is not mandatory.
- iv. Candidates will be able to register and complete the application by making the payment of Rs. 2500/- towards SSLA.

Note-

- Candidates who register for a specific cycle but fail to complete the payment formalities within the deadline will be automatically pushed to the subsequent cycle (if applicable).

India Film Project attended by SSLA students from batch 2023, 2024 and 2025 on 8th and 9th Oct 2022

- Admissions in Cycle 2 and Cycle 3 will be dependent on seat availability after Cycle 1 Admissions.
 - Candidates who are not offered provisional admission in Cycle 1 or 2, will be considered as waitlisted candidates in subsequent cycle/s (if applicable).
 - SSLA admissions is purely an online process and no in-person application or payments will be entertained.
- v. After the completion of the registration process and opting for the specific cycle that the applicant wants to complete the admission process by, they will have to appear for the WAT. Shortlisted candidates will be invited for the PI process.
- vi. The final selection process carries weightage for all components listed during the application process including WAT and PI. Hence appearing for both WAT and PI is mandatory to be considered for final selection.

Reservation of Seats: As per University norms.

Dr. Sameer Pingle
Director

DIRECTOR'S PROFILE:

Dr. Sameer Pingle has over two decades of experience in corporate and management education. He has worked with institutes of repute like NMIMS, Indore campus and Nirma University, Ahmedabad in the past. He has been visiting professor to IIT- Gandhinagr, IIM- Nagpur, Ahmedabad Management Association and many others. He visited the Hof University of Applied Sciences, Hof, Germany thrice and also received ERASMUS Fellowship in 2017 as part of International Teaching Week. There are many awards to his credit from reputed associations like AIMS, ISTD, HEF, NIPM, KRWDG, ULektz, Jagranjosh, B-School Affairs, MTC Global, DKRF, Nirma University for research, teaching and administration and also International award from Hof university for teaching excellence. He has guided 6 doctoral scholars and conducted management development programmes for reputed organizations from India and abroad. He has done consulting assignments with organizations like Shriram Group, Government of Gujarat, Kalupur Commercial Co-operative Bank, Nirlife and others. Dr. Pingle is a certified POSH trainer and certified Yoga teacher. His research interests are employer branding, HR practices in MSMEs, employee engagement and management education. His teaching interests are performance management, International HRM, talent acquisition and others.

Objectives

1. To build the institute as a Centre of excellence for imparting high quality, relevant and contemporary management education at the undergraduate level, thus empowering the students for an early entry into the corporate world.
2. To make education accessible to students across borders of religion, geography, caste or gender.
3. To provide an environment that facilitates holistic development of the student's personality.
4. To foster thinking minds that are sensitive to societal needs and issues thus making them good human beings and responsible members of society.
5. To introduce students to research methods and stimulate their enthusiasm for research.

Institute Profile:

Symbiosis Centre for Management Studies, (SCMS) Nagpur, an off campus Institute of Symbiosis International (Deemed University), Pune began its operations in 2019. Based in the heart of India, it facilitates imparting of quality management education at the under graduate level and aims to be one of the best Management Education Providers in the region, providing relevant, contemporary and practical experiences along with core conceptual inputs. Since commencing operations, in a very short period it has made a name for itself in offering a very contemporary, progressive program structure, which will lead to a real time professional degree, the Bachelor of Business Administration. The Institute focuses on providing a holistic, value based, yet contemporary education, and its progressive program structure has found wide acceptance in industry and academia for its commitment to professional education. The Institute strongly believes in using the best teaching / learning and innovative pedagogy, and lays great stress on internships and industry connect, with a strong belief in application based education. The Institute encourages student participation in research and other allied activities and believes in producing relevant, skill - equipped graduates, with a social conscience. The Institute believes producing students with an all - round personality, ready to take up the challenges of the real world on passing out. In fact, the Institute believes its objective is to produce “employable “graduates with a social conscience. The Institute has a very active ISR Cell, which is contributing to the overall healthy engagement with the local community. Sports and Extra cultural activities play a major role in the Institute, and the campus boasts of superb recreational and wellness facilities for the students.

Programme Profile:

Bachelor of Business Administration - (Honours/ Honours with Research)

- SCMS, Nagpur has adopted the New Education Policy, 2020 which is a crucial step towards transforming the education system in India. SCMS, Nagpur has begun the process of implementation of the new framework and through a new curriculum and teaching methods to align with the objectives of NEP 2020. The same has been implemented since the academic year 2023-24.
- The program uses a multidisciplinary approach, thus ensuring that a student is exposed to a wide range of topics outside their major field of study by integrating courses from multiple disciplines such as economics, psychology, data analytics, and more. The curriculum is more focused on practical and experiential learning, which intends to move from the traditional teaching methods to a hands-on approach. As a result, BBA students will have more opportunities to apply their acquired knowledge to practical contexts and fieldwork.
- The programme uses instructional strategies that inspire students to consider multiple viewpoints and understand challenging business issues. This will help prepare outstanding professionals who are industry-ready and equipped with talents and skills that will meet the standards of modern business organizations upon graduation. The use of digital technologies and platforms will assist the students in learning more by facilitating their access to online study, databases, e-learning material etc. The programme will focus on peer collaboration and participation in hands-on learning activities with ease of access. The students' overall growth and development will be achieved through focus on fundamental knowledge, vocational education, skill development, ability enhancement courses, language studies as well as opportunities to study internationally through the institution's unique Global Immersion Programme.

2023 Passed
Out Batch-min

- SCMS, Nagpur aims to significantly help its graduates by providing them with greater flexibility, expanding their skill set, and enhancing their employability while providing them with entry and exit options as envisaged in the NEP 2020.

Duration:

Bachelor of Business Administration - (Honours/ Honours with Research) :4 Years Full Time, Non-Residential

Intake:

Bachelor of Business Administration - (Honours/ Honours with Research) : 180 Seats

Eligibility:

Bachelor of Business Administration - (Honours/ Honours with Research)

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Agro Farm Visit

Badminton Team Boys

Orientation and Pedagogy :

SCMS Nagpur has a strong faculty base with a unique blend of experienced and youthful faculty. It also has a very good faculty-to-student ratio. It is interesting to note that all faculty members are Ph.D. Using a variety of pedagogy, SCMS Nagpur utilizes a learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as in line with the syllabus. Projects, assignments, live projects, market research will be part of the normal academics. Students can choose between 3 specialization verticals: Marketing, Human Resource, & Financial Management. A minimum of 25 students are required to offer the specialization vertical. Specializations commence from the second year in Semester III, to allow students sufficient time to understand their aptitude for a stream and choose specializations accordingly. They also will be advised by industry speakers, on career paths available in the corporates for each of these verticals, so also they will be counselled to find out their suitability for the same. The Institute offers floating credits as per University norms, and this year has offered international exchange programs for students. Students will be offered summer school opportunities abroad, and from 2020-21, we have proposed semester abroad programs as well.

Dr. Aarti Mehta Sharma
Director

Director Profile

Dr. Aarti Mehta Sharma is a passionate academician who believes that quality education enriches lives immensely. Having worked in Industry and Academia at various levels, she brings forth a motivated attitude and a variety of powerful skills. With a strong background in Analytics, she believes that the “future-ready” student is one who has domain knowledge and is strong at Analytics.

She has more than 15 years of teaching experience at the Doctorate, Post-Graduate, and Graduate levels and has worked for more than 8 years in the domain of research, which includes working with MODE Market Research, and FORE. Her areas of interest are the applications of decision sciences to management and she is adept at various analytics software such as R, Python, Power BI, Tableau etc. She believes in continuous learning and has participated in various Faculty Development Programmes as both, an instructor and a participant. She has been involved as a senior faculty in corporate programmes conducted for Wipro, Infosys and John Distillers where she has conducted workshops for different management levels on topics as wide-ranging as Market Research, Visualization and Statistics. She has published papers in journals of renown and has attended and presented papers at various national and international conferences.

Institute Profile:

Symbiosis Centre for Management Studies, Bengaluru (SCMS-B) is a constituent of Symbiosis International (Deemed University), Pune, and began its operations in November 2021. Based in Electronic City, the IT hub of Bengaluru, the institute employs a vibrant academic approach that enables learners to choose topics from a variety of areas. The unique curriculum combines business studies with data sciences and analytics to transform students into skills-driven business managers.

Programme Profile:

BBA (Honours / Honours with Research)

The BBA program is a four-year and eight-semester full-time graduate program that strives to develop students into socially conscious responsible corporate citizens. This program, with its comprehensive and up-to-date curriculum and a large selection of optional modules, will enable students to pursue higher education at prestigious business institutions in India and overseas or to enter the corporate sector.

Bachelor of Business Administration (Dual Degree, Honours/ Honours with Research)

Deakin University, a renowned Australian university, and Symbiosis International (Deemed University) SIU, a leader in higher education in India through a new initiative have launched a dual degree offering from the year 2024. The dual degree agreement allows students enrolled in Symbiosis Centre for Management Studies, Bengaluru (SCMS-B), a constituent of Symbiosis International (Deemed University) to articulate into Deakin University, with recognition for prior learning achieved at SCMS-B. This offering will allow students to study first two years at SCMS-B and the subsequent two years at Deakin University. After two years at each institution, students earn dual degrees, combining Deakin's global connection and research excellence with Symbiosis's dynamic learning environment.

This 2+2 dual degree program will allow the students to obtain a Bachelor of Business Administration degree from SCMS-B and a Bachelor of Business Analytics degree from Deakin University. At SCMS-B the students will be offered exciting options to pursue majors, minors, multidisciplinary, and Ability and Skill enhancement courses. Students can choose majors and minors from Marketing, Finance and Human Resources. As the students transition to Deakin University, they will be exposed to a world of analytics, offering them a basket of core and elective units. The new offerings will extend brilliant opportunities for ambitious Indian students to get a four-year work visa (Extension is subject to the policy changes of the Australian Government), opening avenues for global career outcomes. The ease of mobility and accessibility is being facilitated by the two institutions in alignment with their commitment to providing quality education, skilling, and research pathways to help shape successful future outcomes for Indian students.

Duration:

BBA (Honours / Honours with Research) programme : 4 Years, Full Time Non-Residential

**Bachelor of Business Administration
(Dual Degree, Honours/ Honours with Research)** : 4 Years, Full Time Non-Residential

Intake:

BBA (Honours / Honours with Research) programme : 120 Seats

**Bachelor of Business Administration
(Dual Degree, Honours/ Honours with Research)** : 15 Seats

Sygnite

Sygnite

Eligibility:

Passed XII or equivalent course in any discipline from any recognized Board / Council / University with a minimum 50% marks for general (open) category and 45% marks for students of SC and ST category.

Important:

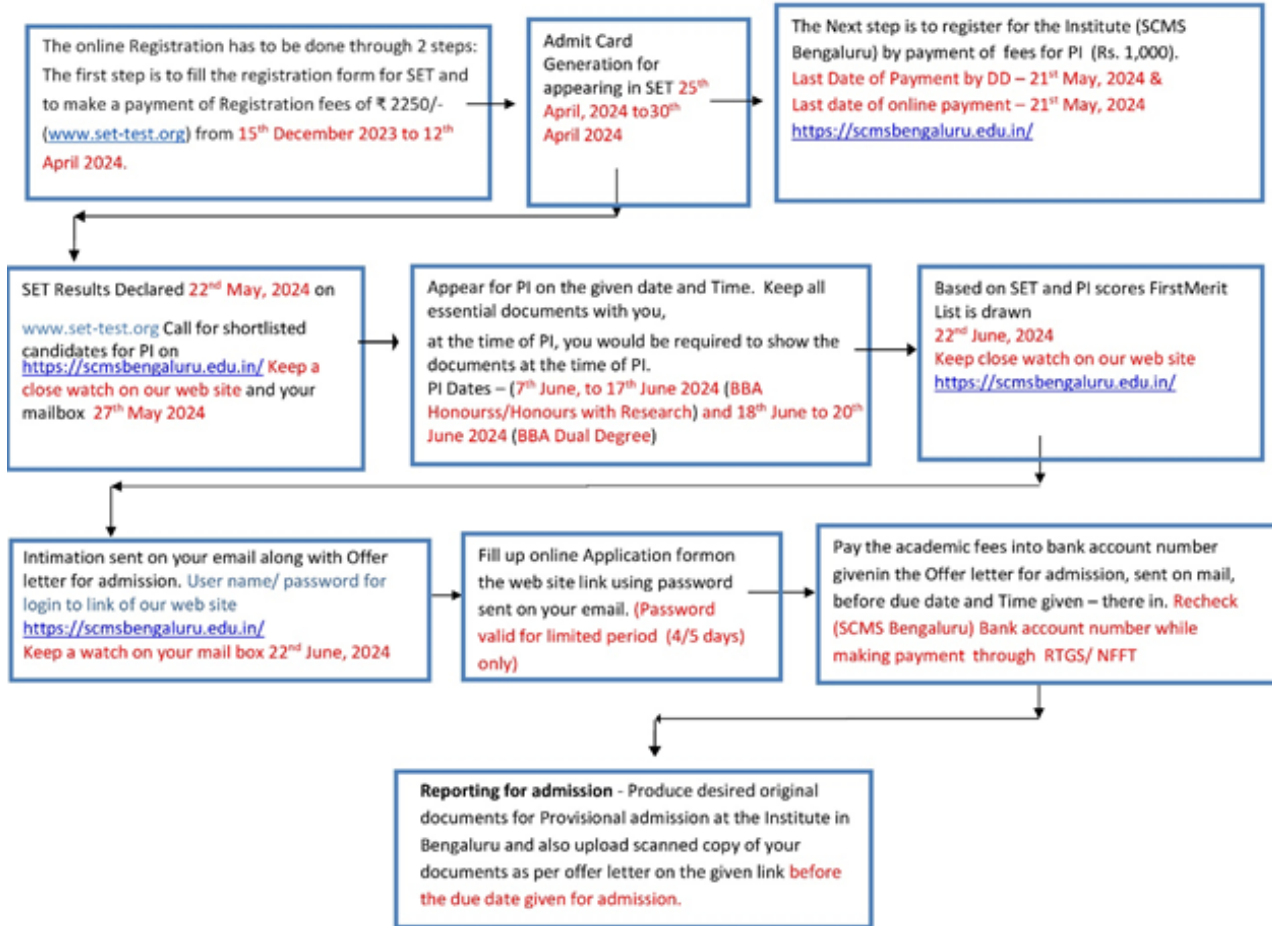

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Procedure:

- Symbiosis Entrance Test (SET)
- Personal Interaction for the shortlisted candidates based on SET.
- The Selection Procedure for the Multiple Entry would be as per the University's Lateral Entry Rules for FYUG programmes.

Admission Process :

ADMISSION PROCESS AT A GLANCE

Reservation of Seats: As per University norms.

Important Dates

Details	Date
SET Registration closes on	April 12, 2024 (Friday)
SET Payment closes on	April 12, 2024 (Friday)
Admit Card Live on (www.set-test.org)	April 25, 2024 (Thursday) for SET Test 01
	April 30, 2024 (Tuesday) for SET Test 02
SET Test 2024 (Computer Based Test Mode)	
Test 01 - May 05, 2024 (Sunday)	SLAT: 09.00 am to 10.00 am
	SET: 11.30 am to 12.30 pm
	SITEEE: 02.00 pm to 03.00 pm
Test 02 - May 11, 2024 (Saturday)	SLAT: 09.00 am to 10.00 am
	SET: 11.30 am to 12.30 pm
	SITEEE: 02.00 pm to 03.00 pm
Announcement of Result	May 22, 2024 (Wednesday)
The last date to apply for the Institute	21 May, 2024
Declaration of shortlisting for PI	27 May, 2024
Dates of PI Process	07 - 17 June, 2024 (BBA Honours or Honours with Research)
	18 - 20 June ,2024 (Dual Degree - BBA Honours or Honours with Research)
Declaration of First Merit List	22 June, 2024 for Both Programmes
Programme Commencement	22 July, 2024 for Both Programmes

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website <https://www.scmsbengaluru.edu.in/>

Orientation and Pedagogy:

1) BBA Honours / Honours with Research: We are following NEP guidelines and we are offering 4 years of BBA Honours with an exit option after every Year. We offer four Specializations: Marketing, Finance, Human Resources, Business Analytics

2) Dual Degree: This 2+2 dual degree program will allow the students to obtain a Bachelor of Business Administration degree from SCMS-B and a Bachelor of Business Analytics degree from Deakin University. At SCMS-B the students will be offered exciting options to pursue majors, minors, multidisciplinary, and Ability and Skill enhancement courses. Students can choose majors and minors from Marketing, Finance and Human Resources. As the students transition to Deakin University, they will be exposed to a world of analytics, offering them a basket of core and elective units. The new offerings will extend brilliant opportunities for ambitious Indian students to get a four-year work visa (Extension is subject to the policy changes of the Australian Government), opening avenues for global career outcomes.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2024 in the Academic Year 2024-2025-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

Program Fees For Bachelor of Business Administration- Honours / Honours with Research	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 350,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Business Analytics and Bachelor of Business Administration-Honours/ Honours with Research Dual Degree program	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 700,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Business Administration- Honours / Honours with Research	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 175,000	₹ 175,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 195,000	₹ 175,000
Last date of payment	At the time of Admission	25-Nov-2024

Installments for Bachelor of Business Analytics and Bachelor of Business Administration -Honours/ Honours with Research Dual Degree program	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 350,000	₹ 350,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 370,000	₹ 350,000
Last date of payment	At the time of Admission	25-Nov-2024

**Hostel and Mess Fees for Indian & International Student. (Subject to change in campus and accommodation type wise, e.g. Triple Sharing) (The fees indicated herein are for Bengaluru Campus Only)	"Amount in ₹ for 1st year 2024-25"		
	Total Fees	1st Installment	2nd Installment
Mess Fees (Per Annum) @	₹ 94,500	₹ 47,250	₹ 47,250
Hostel Deposit (Refundable)	₹ 15,000	₹ 15,000	-
Hostel Fees (Different, Subject to Sharing, Per Annum) @			
Twin Sharing	₹ 148,500	₹ 74,250	₹ 74,250
Three Sharing	₹ 148,500	₹ 74,250	₹ 74,250
Last date of payment		At the time of Admission	25-Nov-2024

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Approved Fee Structure for Batch 2024 in the Academic Year 2024-2025-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

Note:

ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2028, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.”

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Speaker at Induction - Mr Deepak

Programme Structure:

Bachelor of Business Administration (Honours/ Honours with Research) Programme

Semester - 1

Discipline-Specific Courses/ Major Courses

- Management Essentials
- Business Statistics

Discipline-Specific Courses / Minor Course (Choose Any One from the Following Courses other than the Major Course)

- Basics of Database
- Business Accounting
- Organizational Psychology
- Fundamentals of Marketing

Ability Enhancement Course (Choose Any One)

- Technical English & Communication Skill
- Presentation Skill

Skill Enhancement Courses (Choose Any One from the Following Courses)

- Creativity and Design Thinking
- Introduction to Python

Common Value-Added Course (Choose Any One from the Following Courses)

- Environmental Studies: Our Common Earth
- Yoga - II

Mandatory Non-Credit Course

- Integrated Disaster Management

Multidisciplinary Course (Choose Any One Course from the University Basket of

Multidisciplinary Courses given in Annexure B)

- MD1

Discipline-Specific Courses/ Minor Course (Choose Any One from the Following Courses other than the Major Course)

- Business Intelligence for Management
- Management Accounting
- Human Resource Management
- Services Marketing

Ability Enhancement Course (Choose Any One from the Following Courses)

- Introduction to Kannada
- Communicative English

Skill Enhancement Course (Choose Any One from the Following Courses)

- Web Designing
- Supply Chain Management

Common Value-Added Courses (Choose Any One from the Following Courses)

- Sustainability Studies
- Ballroom and Latin American Dances

Mandatory Non-Credit Courses

- Fitness for Life

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given

in Annexure B)

- MD2

Vocational Courses (Summer) (Only for students who wish to exit after the First Year with a Certificate)

- Data Analytics using MS-Excel
- Exploratory Data Analysis

Semester - 3

Discipline-Specific Courses/ Major Courses

- Principles of Macroeconomics

Major Courses (Choose Any One from the Following Courses)

- Python for Data Science
- Financial Management
- Organizational Behaviour
- Fundamentals of Brand Management

Minor Courses (Choose Any One from the Following Courses other than the Major Course)

- Statistical Data Analysis Using MS-Excel
- Financial Services
- Organisational Development and Change
- Innovation Management and New Product development

Ability Enhancement Courses (Choose Any One Course)

- Basic French I
- Basic German I

Skill Enhancement Courses (Choose Any One Course)

- Personal Finance
- Content Creation & Marketing
- Business Communication

Common Value-Added Course

- Indian Ethos and Values for Management
- World Music

Mandatory Non-Credit Course

- Emotional Well-being

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD3
- Research Methodology

Major Courses (Choose Any One Group from the Following)

- Group 1 - Business Analytics
- Internet of Things
- Business Analytics

Group 2 - Finance

- Strategic Financial Management
- Security Analysis and Portfolio Management

Group 3 - Human Resource

Management

- Compensation Management
- Learning and Development

Group 4 - Marketing

- Digital Marketing
- Consumer Behaviour

Minor Courses (Choose Any One from the Following Courses other than the Major course)

- Cloud Applications for Business Processes
- Financial Modelling
- Workforce Planning
- From Products to Self: Personal, Image & Reputation Brand Management

Ability Enhancement Courses (Choose any one course) Choose part two of the same language selected in the Sem-3

- Basic French II
- Basic German II
- Critical Thinking Skill and Collaborative Problem-Solving Skills

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam

Vocational Courses (Summer) (Only for students who wish to exit after the Second Year with a Diploma)

- Data Analytics using MS-Excel
- Exploratory Data Analysis

Semester - 5 Discipline-Specific Courses/ Major Courses

- Business Law
- Service Learning

Group 1 - Business Analytics Machine learning

- Operations Research

Group 2 - Finance

- Introductory Econometrics
- Cost Accounting

Group 3 - Human Resource Management

- Introduction HR Analytics
- Labour and Industrial Law

Group 4 - Marketing

- Marketing Communication - Advertising PR and Events
- Social Media Marketing and Analytics

Minor Courses (Choose any One from the Following Courses other than the chosen Major)

- Internet of Things
- Investment Banking
- Cross Cultural Management
- Product Design and Development

Summer Internship

- Summer Internship

Mandatory Non-Credit Course

- Core Environmental Studies

Discipline-Specific Courses/ Major Courses

- Project

Major Courses (Choose Any One Group) Group 1 - Business Analytics

- Introduction to Artificial Intelligence
- Big Data Analytics

Group 2 - Finance

- Mergers and Acquisitions
- Financial Risk Management

Group 3 - Human Resource Management

- Cross Cultural Management
- Advanced HR Analytics

Group 4 - Marketing

- Advanced Brand Management
- Business Modeling and Business Plan

Minor Courses**(Choose any Two Courses from Any one Group other than the chosen Major)****Group 1 - Business Analytics**

- Neural Network
- Data Visualization

Group 2 - Finance

- Global Business Environment
- Project Finance and Infrastructure Financing

Group 3 - Human Resource Management

- Performance Management System
- Compensation Management

Group 4 - Marketing

- Fundamentals of Brand Management
- Basics of International Marketing

Semester - 7**(Honours / Honours with Research)**

- Discipline-Specific Courses/ Major Courses
- International Economics

Major Courses**(Choose Any One Group)****Group 1 - Business Analytics**

- Multivariate Data Analysis
- Introduction to Deep Learning

Group 2 - Finance

- Mastering Python for Finance
- International Financial Management

Group 3 - Human Resource Management

- HRD Instruments
- Conflict Management and Negotiation

Group 4 - Marketing

- Retail Marketing
- Sales and Distribution

Minor Courses

- (Choose any Two Courses from Any one Group other than the chosen Major)

Group 1 - Business Analytics

- Open Source Tools for Data Science
- IT Applications for Business Verticles

Group 2 - Finance

- Theory and Application of Public Finance
- Corporate Valuation

Group 3 - Human Resource Management

- Global Mental Health
- Industrial Jurisprudence & ILO

Group 4 - Marketing

- IT Product and Sales Management
- Marketing Analytics

Semester - 8 (Honours)

- Discipline-Specific Courses/ Major Courses
- Behavioral and Experimental Economics

Major Courses**(Choose Any One Group)****Group 1 - Business Analytics**

- Advanced Programming in Python
- Intermediary Econometrics

Group 2 - Finance

- Sustainable Finance Responsible Investment
- Fixed Income Market

Group 3 - Human Resource Management

- International Human Resource Management
- Performance Management System

Group 4 - Marketing

- Retail Marketing
- Fundamentals of Rural Marketing

Minor Courses**(Choose any Two Courses from Any one Group other than the chosen Major)****Group 1 - Business Analytics**

- Enterprise Resource Planning and Supply Chain Management
- Social Media Analytics

Group 2 - Finance

- Urban Economics
- Banking and Fintech

Group 3 - Human Resource

Management

- Conflict Management and Negotiation
- Labour Economics

Group 4 - Marketing

- Sustainable Marketing
- Designing for apps and websites

(Honours with Research)

- Major Courses
- (Choose Any One Group)

Group 1 - Business Analytics

- Advanced Programming in Python
- Social Media Analytics

Group 2 - Finance

- Sustainable Finance
Responsible Investment
- Urban Economics

Group 3 - Human Resource Management

- International Human Resource Management
- Labour Economics

Group 4 - Marketing

- Fundamentals of B2B Marketing
- Influencer and Content Marketing

Research Project

- Research Project

Dr. Ketan Kotecha

PhD (IIT Bombay)

Dean, Faculty of Engineering, Symbiosis International
(Deemed University)

Director, Symbiosis Institute of Technology

Head, Symbiosis Centre for Applied AI (SCAAI)

Director Profile

- Dean, Faculty of Engineering, Symbiosis International (Deemed University)
- Director, Symbiosis Institute of Technology, Pune
- Head, Symbiosis Centre for Applied AI (SCAAI)

Education: PhD & M.Tech (IIT Bombay)

Message: Welcome to the dynamic world of engineering at SIT, where innovation is not just a goal but a way of life. At the forefront of technological advancements, we blend expertise, technology, and creativity to propel our community towards excellence. SIT stands as a centre for creativity, a beacon for learning, and a convergence point for ideas that shape the future. Our success is rooted in the unwavering commitment of our faculty members to academic rigour, groundbreaking research, and mentoring. Their dedication goes beyond the confines of classrooms, influencing the lives of our students in profound ways. Our overarching objective has always been to bring out the best in our students, moulding them into professionals with strong ethical and moral values. As you embark on your journey at SIT, you join a diverse community engaged in hands-on learning and cutting-edge research, paving the way for successful careers in business, government, or academia. Our faculty, involved in high-impact research across various domains, including Artificial Intelligence, Cyber Security, Blockchain, Data Science, Robotics, GIS, Nanoscience, Cloud Computing, Embedded Systems, Infrastructure Design and Building Information Modelling (BIM), ensures that our students are exposed to the latest advancements in their field. Through creative instruction, hands-on projects, and involvement in various student competition teams, our undergraduates and postgraduates receive an exceptional educational experience. Industry-sponsored capstone projects and internships further foster professional ties, laying the groundwork for post-graduation success. At SIT, we strive to create an inclusive and dynamic environment where excellence in teaching, research, and service is paramount. I look forward to working with each one of you and contributing to the success and growth of our vibrant engineering community. Should you have any comments, questions, or ideas, please feel free to email me at director@sitpune.edu.in.

Welcome to SIT, where your journey towards engineering excellence begins!

Expertise: A researcher - teacher of Deep learning, his interest areas are Artificial Intelligence, Computer Algorithms, Machine Learning, Deep Learning Higher Order Thinking Skills & Critical Thinking.

Experience: Dr Kotecha has expertise and experience in cutting-edge research and projects in AI and Deep Learning for the last 28 + years. He has published more than 320 Scopus indexed papers and has published 14

patents.

He is a recipient of the two SPARC projects worth INR 166 lacs from MHRD govt of India for AI projects with Arizona State University, USA and University of Queensland Australia resp, and also the recipient of numerous prestigious awards like Erasmus plus faculty mobility grant to the University of Wroclaw Poland, DUO-India professors fellowship for research in Responsible AI with Brunel University the UK, LEAP grant to visit and attend Leadership Program at Cambridge University UK, UKIERI grant and a grant from Royal Academy of Engineering, the UK under Newton Bhabha Fund and also grabbed Going Global Partnerships Exploratory Grant from British Council, UK in collaboration with Aston University. Recently he was awarded two projects from DST under Indo-Italy and Indo-Serbia schemes worth Rs. 70 lacs.

Recipient of PURSE grant from DST under Promotion of University Research and Scientific Excellence scheme on Fostering Multi-disciplinary AI-assisted Research for Health and Sustainable Environment, worth INR 5.2 crores as PI. (2023-2027).

Received huge funding (worth Rs.15 Crore) from Bajaj Auto to establish Bajaj Auto Centre of Excellence (BEST) on emerging technologies with state of the art facilities, at SIT under Bajaj Auto's CSR initiative of Upskilling.

Recipient of Indo-Canada Shastri grant SSTSG 2023-24 in collaboration with University of Winnipeg on project titled Multimodal Co-learning & tolerance based soft computing for Real-life Deep Learning Applications.

He has been invited at various forums to deliver a keynote address in the field of AI at Machine Intelligence lab at USA, Pretoria University, South Africa, IIT Bombay under World Bank Project, Global Meet on Sensors and Sensing Technology, at Italy, 2nd International Congress on AI and Machine Learning at the Czech Republic and many more.

He has been an editorial board member of IEEE access, PeerJ computer Science journal (by SAGE), Cogent Journal by Taylor & Francis and also editing special issues of MDPI and Frontiers Journals.

Institute Profile

:

Symiosis Institute of Technology, a constituent of Symbiosis International (Deemed University), Pune was established in the year, 2008 and currently offers following B.Tech and M.Tech programmes.

B.Tech programmes in :

- Civil Engineering
- Computer Science and Engineering
- Electronics & Telecommunication Engineering
- Mechanical Engineering
- Artificial Intelligence & Machine Learning
- Robotics & Automation

M.Tech programmes in:

- Artificial Intelligence and Machine Learning
- Robotics and Automation
- Embedded Systems
- Engineering Design
- Geoinformatics and Surveying Technology
- Automotive Technology

Research Programmes

Research programmes leading to Ph. D. Degree in all the disciplines were introduced in Faculty of Engineering of Symbiosis International University in 2010.

The Institute endeavours to provide quality technical education in line with the requirements of today's competitive industry and fast paced technological developments. The curriculum developed by the Institute lays a stress both on basics and latest developments. Realizing the fact that faculty is the most important resource, special efforts have been made to find, recruit and retain highly qualified and competent faculty. Infrastructure created and acquired by the Institute, like all other Symbiosis Institutes, is of a very high quality and includes multimedia classrooms, well equipped labs, high end computing facilities with various latest software for simulations and other applications, well stocked modern library with digital media and database, auditorium, seminar halls, separate hostels for boys & girls and playgrounds.

The Institute provides an environment conducive for harnessing the potential of both faculty and students

through systematic and effective planning and control of the teaching learning process, both within and outside the classroom. The basic teaching learning process is supplemented by organizing tech-fests, cultural programmes, sports competitions, industry-institute collaborations in teaching-learning, guest lectures by renowned personalities and student exchange programmes (Global Immersion Programme) with foreign universities.

The Institute has international collaborations for student and faculty exchange with Nanyang Technological University Singapore, Ingolstadt University Germany, Purdue School of Engineering, IUPUI Indianapolis USA and Leibniz University Hannover.

Based on the dream of Dr. S. B. Mujumdar Sir, Chancellor of SIU and creator of Symbiosis, of producing Gentlemen Engineers, the students are trained in foreign languages, history of science & technology, service learning, creative and critical thinking, design thinking, tinkering, human values and ethics, experiential learning, project based learning, and Internet of things. A special diploma from SIBM and courses from other Symbiosis Institutes are offered to the students. The online courses from Coursera, MOOC, SWAYAM etc. are offered to the students to enhance the quality education.

The honours/ minor courses in all disciplines are offered to the students to gain the in-depth knowledge in a specialised area, which is suitable for their future growth. The students are given an opportunity to work on different technical projects in a group under the guidance of faculty members producing an outcome in terms of paper publications/ patents.

The students undergo a semester long Industry Internship with stipend ranging from Rs. 10 k to 50 k.

The students at SIT are from all parts of the country. This diversity coupled with their excellent schooling and family background creates an environment best suited for peer learning. They are enthusiastic to supplement their learning with participation in competitions, organizing events and so on.

Programme Profile :

Name of the Programme:

Bachelor of Technology [B. Tech.] Programme (4 years full time) in:

- **Civil Engineering:** The department aims at imparting high quality education and producing industry ready professionals in Civil Engineering. Conducive environment, up-to-date course curriculum, latest laboratory equipment and software training is apt for all round development of a future Civil Engineer and ensuring the students are Industry ready by the end of their 4 years' program.
- **Computer Science and Engineering:** The department endeavours to impart quality education to students in the areas of computer science and engineering. The department has very competent faculty to teach advanced topics of Cloud Computing, Internet of Things, Cyber Security, Artificial Intelligence and so on.
- **Electronics & Telecommunication Engineering:** The department teaches core subjects of E&TC, offers a range of subjects as electives and facilitates industrial projects, all of which prepare the students for a career after their basic degree. Efforts are made to impart as much project based learning as is feasible.
- **Mechanical Engineering:** The department aims at imparting a high quality education and producing industry ready professionals in Mechanical Engineering. The curriculum also includes multidisciplinary courses aimed at producing professionals with broader domain of knowledge.
- **Artificial Intelligence & Machine Learning:** The primary aim of this department is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of Artificial Intelligence.
- **Robotics & Automation:** Robotics and automation are considered as one of the integral and significant parts of Industry 4.0. In the current era, automated machines like robots have turned out to be extremely beneficial for various sectors - starting from assisting humans around the house to industrial applications like assembling

and packing products and helping doctors in performing complex surgeries. This new development has opened a door for enormous opportunities for the skilled and trained professionals.

Intake

B. Tech Programme (4 Years full time)

- | | |
|---|-----------------------------|
| • Civil Engineering | 60 Seats, Non- Residential |
| • Computer Science and Engineering | 180 Seats, Non- Residential |
| • Electronics & Telecommunication Engineering | 120 Seats, Non- Residential |
| • Mechanical Engineering | 60 Seats, Non- Residential |
| • Artificial Intelligence & Machine Learning | 120 Seats, Non- Residential |
| • Robotics & Automation | 60 Seats, Non- Residential |

Eligibility:

Passed Standard XII (10+2) or equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies from any recognized Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process

Minimum PCM % (45% for General and 40% for Reserved category candidates) is a mandatory eligibility requirement for admissions.

Indian students can get admission via -

1. SITEEE 2024
2. JEE (Main) 2024
3. Any State Government Engineering Entrance Examination (ASGEEE) 2024

Reservations of Seats: As per University norms.

Important Dates:

Counselling/Admission dates for admission through various entrance examinations

Details (SITEEE)	Date
Registration commences on	14th December 2023(Thursday)
Registration / Payment closes on	April 12, 2024 (Friday)
Admit Card Live on (www.set-test.org)	April 25, 2024 (Thursday) Test 01 April 30, 2024 (Tuesday) Test 02
Test 01 - May 05, 2024 (Sunday)	SITEEE: 02.00 pm to 03.00 pm Timings of the tests will be communicated to the candidates via their Admit Card
Test 02 - May 11, 2024 (Saturday)	SITEEE: 02.00 pm to 03.00 pm Timings of the tests will be communicated to the candidates via their Admit Card
Announcement of Result-SITEEE	May 22, 2024 (Wednesday)
Last date to apply for Institute	May 23, 2024 (Thursday)
Declaration of shortlist for PIWAT	NA
Dates of PIWAT Process	NA
Declaration of First Merit List	May 25,2024 (Saturday)
Programme Commencement	8th August 2024 (Thursday)
JEE(Main) Registration commences on	28th Nov 2023(Tuesday)
JEE(Main) Registration / Payment closes on	31st July 2024 (Wednesday)
Declaration of First Merit List JEE (Main)	May 2, 2024 (Thursday)
Any State Government Engg. Entrance Registration commences on	28th Nov 2023(Tuesday)
Any State Government Engg. Entrance Registration / Payment closes on	31st July 2024(Wednesday)
Declaration of First Merit List Any State Government Engg. Entrance Exam	May 2, 2024 (Thursday)

Note: The admissions counselling dates will be changed on the basis of the respective entrance exam result declarations. Any changes will be reflected on institute website : www.sitpune.edu.in

Orientation and Pedagogy

a. Method of Instruction

The Institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed presentations, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a Dissertation Phase 1, Dissertation Phase 2 and Research Publication.

b. Industry Interface:

The institute ensures industrial participation in curriculum development, guest lectures by experts from Industry, student trainings and internships. In addition to these, several industrial visits are also arranged for students in order to give them an exposure on the practical solutions and industrial environment.

The Industry Institute Interaction Cell (IIIC) at Symbiosis Institute of Technology aims to get associated with Industry to develop strategies for creating a future talent pool that is Industry ready. The objective of the IIIC is to reduce the gap between the Institute and Industry and to offer real time exposure on recent technologies to the students and faculty members. Along with that, this cell also aims to join hands with Industry to find the solutions of problems faced by the industry and assure symbiotic relationships for the benefit of both Institute and Industry.

We regularly organize following activities

- Arrange Guest lectures, Industry talks on advance and latest technology trends.
- Promote One Faculty- One Industry connect.
- Invite Industry executives and practicing engineers for possible collaboration in research and development of existing laboratories.
- Participation of experts from industries in curriculum development.
- Organize industrial visits for faculty members and students.
- Invite Industry to co-teach some part of the course.

Bajaj Centre of Excellence (BEST)

Bajaj Auto Ltd has started its Centre of Excellence in SIT.

Bajaj Engineering Skills Training (BEST) is the flagship CSR initiative of Bajaj Auto Ltd. It aims to build state-of-the-art laboratories with world-class equipment that will improve the hands-on skills of thousands of young people, helping them become competent and employable.

Bajaj Auto Ltd has started its Centre of Excellence in SIT.

Bajaj Engineering Skills Training (BEST) is the flagship CSR initiative of Bajaj Auto Ltd. It aims to build state-of-the-art laboratories with world-class equipment that will improve the hands-on skills of thousands of young people, helping them become competent and employable.

The BEST centre will provide advanced skill training to engineering graduates, potential Diploma Trainee Engineers (DTE), or Graduate Trainee Engineers (GTE) and help address the skill gap in the manufacturing industry. The courses will equip the trainees with relevant skills, information, practice (hands-on training), and the mindset to be employment ready. The curriculum will align with the National Occupational Standards (NOSs.)

BEST aims to support young learners from the economically weaker sections of society, those hailing from backward and disadvantaged areas, to enhance their employment opportunities. Beyond providing demand-driven skill training, BEST will also create a platform for them to use their acquired skills in the current and emerging technology space.

Research and Development

SIU started Ph.D programme in Engineering from the academic year 2010-2011. Presently 179 students are pursuing their Ph.D from faculty of Engineering. 86 students have been awarded Ph.D. till date. SIT has taken various initiatives to mobilize the available knowledge resources for research and innovative solutions. SIT operates in cooperation to identify and initiate applied as well as multi-disciplinary research projects, create and combine patentable Intellectual Property (IP) components, and work to deliver funded research projects.

Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members are motivated to send research proposals in emerging areas to funding agencies within India and abroad. They also have a large number of publications in referred journals (SCOPUS and Web of Science) and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty and students have published more than 379 papers in refereed journals in the year 2022, all of them are either in SCOPUS indexed or Web of Science journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. They also have published papers in referred journals. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas. Currently working on nine externally funded research projects and three SIU funded projects.

Prestigious Grants received in 2022-23

Dr. Sayali Sandbhor and Mr. Rushikesh Kulkarni received grant of Rs. 2 Lakhs from AICTE for Mission Amrit Sarovar - Jal Dharohar Sanrakshan.

Dr. Ujwala Kshirsagar received grant of Rs. 2.60 Lakhs from Department of Scientific and Industrial Research (DSIR) for International Conference on Recent & Future Trends in Smart Electronic Systems & Manufacturing.

Dr. Rahee Walambe received grant of Rs. 4 Lakhs from Department of Science & Technology - Science and Engineering Research Board (SERB) for Indo - Italy Project Multimodal Explainability for Object Detection and Image Processing in Drone Imagery (Total Amount Sanctioned 12.00 Lakhs).

Dr. Meena Laad received grant of Rs. 90,000/-from UGC CSR for Synthesis and Characterization of Super Hydrophobic Polymer Nano coating for Flexible Electronics Applications.

Dr Neha Divekar and Dr Meena Laad received AICTE grant of Rs 2.00 Lacs under the SPICES (Scheme for promoting Interests, Creativity and Ethics among students).

Dr. Meena Laad received grant of Rs. 45,000/-from UGC CSR for Synthesis and Characterization of Super Hydrophobic Polymer Nano coating for Flexible Electronics Applications.

Internationalization

The International Cell of Symbiosis Institute of Technology headed by Dr. Ketan Kotecha, Director, SIT, oversees and coordinates all the International initiatives of the Institute under the umbrella of Symbiosis Centre for International Education (SCIE).

Internationalization at Symbiosis Institute of Technology (SIT) in Pune aims to prepare students to become globally competent professional adept to work in a rapidly changing economy. Symbiosis International University has academic agreements with about 80 reputed international universities. Students are encouraged to participate in Global Immersion Programme which includes six months Semester Abroad Programme as well as short duration programmes (2 – 3 weeks) such as Summer Schools, Winter Schools, Industrial visits, Internships etc. in the partner Universities.

SIT has about 23 active Memorandum of Understanding (MoU) with Universities out of India. Two joint degree programs-one with School of Architecture, Building and Civil Engineering, Loughborough University, UK (4+1 year) in the Civil Engineering Department and second a (4+1 year) academic progression program with Aston University, UK have been initiated to facilitate students to get a global exposure in their undergraduate courses. Mobility of faculty is an important dimension of Internationalization. In past four years about 52 International experts visited SIT for expert sessions, workshops, etc. SIT faculty is actively involved in research with their international counterparts with about 184 research articles in peer reviewed international journals and collaborative research projects worth 3 crores in last four years. Research scholars at SIT get the chance to work with globally renowned faculty by through an international co-supervisor. As of now, SIT has of 29 such international co-supervisors. Apart from global immersion programs, students participate in international events such as International conferences, virtual internships, etc..

Symbiosis International (Deemed University) signed an MoU with Loughborough University London, UK on the 3rd of April 2023 in a ceremony attended by Ketan Kotecha, Dean Faculty of Engineering, SIT- Symbiosis Institute of Technology on SIU's behalf.

Active MoUs for International collaborations

Sr. No.	International MoUs with University
1.	Arizona State University, USA
2.	Indiana Purdue University, USA

27.	Gazi University, Turkey

Symbiosis International (Deemed University) signed an MoU with Loughborough University London, UK on the 3rd of April 2023 in a ceremony attended by Ketan Kotecha, Dean Faculty of Engineering, SIT- Symbiosis Institute of Technology on SIU's behalf.

Admission of International Students:

The process of International Student's Admissions at SCIE is designed taking into consideration the requirements and difficulties faced by International Students. The admissions are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through this office. The online admission procedure has made it accessible to each and every student from different parts of the world and in the comfort of their homes. In addition, various support services like assistance for issues related to residence permit, orientation to the rules and regulation of the Institute, medical facilities available and other miscellaneous matters of importance and interest during their stay also provided.

Placements:

The Institute has a very well organized placement and training cell. The infrastructure in placement cell includes a seminar hall for conducting pre-placement talks, discussion rooms, interview rooms and other necessary amenities. The cell has good associations with a large number of renowned companies who visit the institute for campus recruitments. All the students of the final year are prepared for campus interviews through special programs on technical and soft skills, which would help them get prestigious jobs. SIT had a successful placement season with the participation of leading companies across sectors, offering coveted profiles to the students of B.Tech and M.Tech. Leading companies from a multitude of sectors participated in the final placements offering 'sought-after' profiles with competitive packages. The recruiter portfolio comprised a healthy mix of recruiters from IT sectors and fast growing start-ups. Further, few students with their exceptional effort during their Internships and reputed corporate competitions were awarded PPOs (pre placement offers) by highly coveted companies.

Year 2022-23 marked the presence of more than 185 companies which include a blend of IT companies, Consultancy firms, Manufacturing Units, Digital marketing firm, Edtech companies. To name a few Indeed, Microsoft, IBM India Pvt Ltd, Netcracker Technology, ZS Associates, Hitachi Vantara, Persistent Systems Pvt Ltd, MiQ Digital India Pvt Ltd, Cognizant, HDFC Bank, Miniorange Security Software Pvt Ltd, Deloitte, Media.net, Dure Technologies, DANA India Technical Centre Pvt. Ltd., Emerson Innovation Center, PTC Software India Pvt Ltd, Dassault Systems, Vanderlande, Vodafone Intelligent Services Pvt Ltd, eClerx Services Ltd, Merkel Sokrati Technologies, Tresvista, Mahindra Finance, Verolt, Atomberg Technologies Pvt Ltd, Eazzbuzz Pvt Ltd, Fairconstruct Constructions, HP Inc, Future first Info Services Pvt Ltd, Tothenew, Amura Marketing Technologies, Vodafone Idea, Tecnimont Pvt Ltd, Dematic, Global Payex, Forage AI, Plobal Apps, Yardi Software India Pvt Ltd, Tata Power, Bitwise Global, Bristlecone, Wednesday Solutions, Xoriant, GEP recruited students from SIT.

The Placement cum internship process of 2020-2024 batch of B. Tech & M.Tech students has been initiated. Several companies of repute like Microsoft , Barclay's , Deloitte, Tiaa, Nomura Services India Pvt Ltd, BMC, Kone Elevators, Triology Innovations, Philips India Pvt Ltd , MiQ Digital India Pvt Ltd , Cummins Inc, Bajaj Finserv , Verolt , Stonex, Atlas Copco, Veritas, Bristlecone, Fortytwo labs, HDFC Bank, Principal Global finance, Oracle has already been a part of the process & many more to come.

Library Sections

Circulation Section	Stacks books which can be issued to the students and staff.
Reference Section	The Library maintains a separate reference collection consisting of encyclopedias, dictionaries, handbooks, CD -ROMs, etc.
Periodical Section	It's displays the latest volumes of International and National journals and Magazines.
Reading Hall	Spacious and well lit reading hall with 150 seating capacity. The reading space has been provided where students are allowed to carry their personal books however they are not allowed with their personal books into the main reading area of the library.
IT Section	Updated computer systems and devices available to users to access SIT and SIU Subscribed database, E-resources, Library WEBOPAC, and other online resources.

Sports Events @ SIT: Bringing People Together, Sparking Passion, and Rejoicing in Wins!

A Mosaic of Sporting Excellence

We are excited to offer a wide range of cutting-edge sporting events and activities that span several sports. Every sport celebrates skill and collaboration, from long-distance running's stamina to chess' strategic brilliance, from football's quickness to badminton's grace. We want to create a tapestry of shared successes and friendship by strengthening the links between participants from various branches and academic years.

Every Path Leads to Glory

Each event promises to be a special fusion of sportsmanship, competition, and pure joy as it happens. Some see this as the beginning of their sports career, while others see it as their last opportunity to leave their mark on the annals of victory. Sports persons are poised to display not only their physical courage, but also the spirit that embodies our sports community in a big spectacle.

MoU signed with University College Dublin (UCD) Ireland for joint Research and Students exchange in December 2022.

SYMBIOSIS INSTITUTE OF TECHNOLOGY, PUNE

Last date of payment	At the time of Admission	25-Nov-2024

Installments for Bachelor of Technology (Mechanical Engineering)	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2024

Installments for Bachelor of Technology (Civil Engineering)	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2024

Installments for Bachelor of Technology (Robotics and Automation)	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2024

Installments for Bachelor of Technology (Artificial Intelligence and Machine Learning)	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 180,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 180,000
Last date of payment	At the time of Admission	25-Nov-2024

*** Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	"Amount in ₹ for 1st year 2024-25"		
	Total Fee	1st Installment	2nd Installment
Mess Fees (Per Annum) @	₹ 94,500	₹ 47,250	₹ 47,250
Hostel Deposit (Refundable)	₹ 15,000	₹ 15,000	-
Hostel Fees (Different, Subject to Sharing, Per Annum) @			
Three Sharing	₹ 139,500	₹ 69,750	₹ 69,750
Four Sharing	₹ 102,500	₹ 51,250	₹ 51,250
Last date of payment		At the time of Admission	25-Nov-2024

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU

Cyber Blockchain and Security Club(CBS Club) organised a Bootcamp on Blockchain by Cyber Secured India and India Blockchain Alliance

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2024-2028 in the Academic Year 2024-2025-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Technology (Computer Science and Engineering)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US\$"
Academic Fees (Per Annum) *	\$6,300
Academic Fees (per Annum) to be paid (A)	\$6,300
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$7,125

Program Fees For Bachelor of Technology (Electronics & Tele-Communication Engineering)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US\$"
Academic Fees (Per Annum) *	\$5,875
Academic Fees (per Annum) to be paid (A)	\$5,875
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,700

Program Fees For Bachelor of Technology (Mechanical Engineering)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US\$"
Academic Fees (Per Annum) *	\$5,875
Academic Fees (per Annum) to be paid (A)	\$5,875
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,700

Program Fees For Bachelor of Technology (Civil Engineering)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US\$"
Academic Fees (Per Annum) *	\$5,875
Academic Fees (per Annum) to be paid (A)	\$5,875
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,700

Program Fees For Bachelor of Technology (Robotics and Automation)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US\$"
Academic Fees (Per Annum) *	\$5,875
Academic Fees (per Annum) to be paid (A)	\$5,875
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,700

Program Fees For Bachelor of Technology (Artificial Intelligence and Machine Learning)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US\$”
Academic Fees (Per Annum) *	\$6,300
Academic Fees (per Annum) to be paid (A)	\$6,300
Institute Deposit (Refundable) (B)	\$275

Four Sharing	\$650	\$325	\$325
Last date of payment		At the time of Reporting to SCIE	25-Nov-2024

Note:

ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2028, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include: (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries. (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding). (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum. (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.”

** Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

* Bachelor of Technology (Civil Engineering)

Semester : 1

Generic Core Courses

- Engineering Mathematics -I
- Programming and Logic Building Lab
- Physics for Civil Engineers
- Physics Lab
- Applied Mechanics
- Applied Mechanics Lab
- Engineering Graphics Lab
- Communication Skills
- Communication Skills Lab
- Creative Thinking
- Environmental Science

Semester : 2

Generic Core Courses

- Engineering Mathematics -II
- Chemistry
- Chemistry Lab
- Digital Land Surveying and Mapping
- Digital Land Surveying and Mapping Lab
- Introduction to Python Programming Lab
- Building Construction Technology
- Basics of Sensors and Microcontrollers
- Basics of Sensors and Microcontrollers Lab
- Software Tools for Civil Engineers
- Critical Thinking
- Tinker Lab
- Fitness for Life

Semester : 3

Generic Core Courses

- Strength of Materials
- Materials Testing Lab
- Engineering Mathematics-III
- Cyber Security
- Advanced Surveying Lab
- Project Based Learning -I
- Computer Aided Building Design & Drawing Lab
- Introduction to Fluid Mechanics
- Introduction to Fluid Mechanics Lab
- Integrated Disaster Management

Generic Elective Courses Group (Choose any one course)

- Basic German I
- Basic French I
- Basic Spanish I

Semester : 4

Generic Core Courses

- Service Learning
- Computer Aided Structural Analysis-I
- Geotechnical Engineering
- Geotechnical Engineering Lab
- Open Channel Flow
- Open Channel Flow Simulation Lab
- Statistics, Probability and Numerical Methods
- Statistics, Probability and Numerical Methods Lab
- Principles of Economics
- Entrepreneurship Venture

Generic Elective Course

Group(Choose any one course)

- Foundation of Ethics
- Introduction to Indian Philosophy

Semester : 5

Generic Core Courses

- Water Treatment and Supply System
- Flexi-Credit Course
- Computer Aided Structural Analysis-II
- Design of RCC Structures
- Design of RCC Structures Lab
- Construction Project Management Lab
- Design Thinking
- Project Based Learning-II
- Hydrology and Water Resource Engineering

Environmental Hydraulics

Specialization Core Courses

- Environmental Fluid Mechanics
- Water Resources Field Methods
- Water Resources Field Methods Lab

Geo-Environmental Engineering

Specialization Core Courses

- Environmental Systems
- Structural Geology
- Structural Geology Lab

GIS and Surveying Technology

Specialization Core Courses

- Digital Image Processing in GIS
- Global Navigation Satellite Systems

- Global Navigation Satellite Systems Lab

Infrastructure Engineering and Management Specialization Core Courses

- Urban Transportation Planning
- Infrastructure Planning and Design
- Infrastructure Planning and Design Lab

Smart Cities and Urban Analytics Specialization Core Courses

- Smart Cities : Context Policy and Governance
- IOT for Smart Cities
- IOT for Smart Cities Lab

Structural Engineering Specialization Core Courses

- Prestressed Concrete
- Modelling and Analysis of Uncertainty
- Modelling and Analysis of Uncertainty Lab

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning: Classification
- Machine Learning: Regression

Data Science Specialization Core Courses

- Open Source Tools for Data Science
- R Programming

Internet of Things Specialization Core Courses

- Introduction to IOT
- Raspberry Pi and Python

Embedded Systems

Specialization Core Courses

- Specialization Project
- Specialization Seminar
- System Programming

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Basics of Automotive Engineering
- Automotive Vehicle Dynamics and NVH Lab
- Automotive Electronics and Instrumentation

Generic Elective Course Group(Choose any one course)

- Artificial Intelligence and Machine Learning
- Internet of Things
- Cloud Computing and Blockchain Technology
- Big Data Analytics

Open Electives Course Group (Choose any one course)

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester : 6

Generic Core Courses

- Design of Steel Structures
- Design of Steel Structures Lab
- Flexi-Credit Course
- Waste Water Treatment and Recycling
- Capstone Course
- Highway Engineering Lab
- Water and Waste Water Analysis Lab

Environmental Hydraulics Specialization Core Courses

- Specialization Project
- Specialization Seminar

Geo-Environmental Engineering Specialization Core Courses

- Specialization Project
- Specialization Seminar
- GIS and Surveying Technology Specialization Core Courses
- Specialization Project
- Specialization Seminar
- Spatial Modelling and Analysis

Infrastructure Engineering and Management Specialization Core Courses

- Specialization Project
- Specialization Seminar

Smart Cities and Urban Analytics Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Application of Sensor Technology to Smart Cities

Structural Engineering Specialization Core Courses

- Specialization Project
- Specialization Seminar

- Structural Analysis by Matrix Methods

Artificial Intelligence and Machine Learning Specialization Core Courses

- Introduction to Deep Learning
- Machine Learning Clustering and Retrieval

Data Science Specialization Core Courses

- Business Analytics
- Power BI

Internet of Things Specialization Core Courses

- IOT Security and Privacy
- Software Defined Networking

Embedded Systems Specialization Core Courses

- Specialization Project
- Embedded Linux

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Hybrid Technology
- Flexi-Credit Course
- Automotive Engine and Transmission System

Generic Elective Course Group - I (Choose any one course)

- Bridge Engineering
- Foundation Engineering
- Green Building Technology
- Introduction to Remote Sensing and GIS
- Railway and Tunnel Engineering
- Smart Cities and Future Urbanism

Generic Elective Course Group - II (Choose any one course)

- Advanced Structural Analysis
- Automation in Construction
- Computer Applications in Construction Management
- Design of Hydraulic Structures
- Glass Facade Engineering
- Integrated Water Resource Management
- Pavement Design
- Smart Cities Planning and Development
- Urban Transport Engineering

Open Electives Course Group (Choose any one course)

- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester : 7 Generic Core Courses

- B.Tech Project
- Advanced BIM Lab
- Project Estimation, Costing and Valuation Lab

Environmental Hydraulics Specialization Core Courses

- Specialization Project

Geo-Environmental Engineering Specialization Core Courses

- Specialization Project

GIS and Surveying Technology Specialization Core Courses

- Specialization Project

Infrastructure Engineering and Management Specialization Core Courses

- Specialization Project

Smart Cities and Urban Analytics Specialization Core Courses

- Specialization Project

Structural Engineering Specialization Core Courses

- Specialization Project

Artificial Intelligence and Machine Learning Specialization Core Courses

- Specialization Project
- Specialization Seminar

Data Science Specialization Core Courses

- Specialization Project
- Specialization Seminar

Internet of Things Specialization Core Courses

- Specialization Project
- Specialization Seminar

Embedded Systems

Specialization Core Courses

- Specialization Project
- Advanced Microcontrollers and RTOS
- Advanced Microcontrollers and RTOS Lab

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Specialization Project
- Specialization Seminar

Generic Elective Course Group - I (Choose any one course)

- Organizational Behaviour
- History of Science and Technology

Generic Elective Course Group - II (Choose any one course)

- Harbour and Airport Engineering
- Water and Air Quality

Modelling

- Advanced Concrete Technology
- Geoinformatics Application for Emergency Response Management
- Professional Practices in Construction
- Project Management in Smart Cities
- Rock Mechanics

Generic Elective Course Group - III (Choose any one course)

- Emerging Technologies in Construction
- Sustainable Construction Methods
- Introduction to Finite Element Methods
- Environmental Geotechniques
- Environmental Impact Assessment
- Traffic Engineering
- Optimization in Civil Engineering

Generic Elective Course Group - IV (Choose any one course)

- Digital Image Processing
- Pre-stressed Concrete Structure
- Smart Transport Management
- Smart Solid Waste Management Systems

Generic Elective Course Group - V (Choose any one course)

- Digital Image Processing Lab
- Prestressed Concrete Structure Lab
- Smart Transport Management Lab
- Smart Solid Waste Management Systems Lab

Semester : 8

- Generic Core Courses
- Internship
- Seminar

* Courses are subject to change

Project Exhibition by Department of Robotics and Automation

* Bachelor of Technology (Computer Science and Engineering)

Semester : 1

Generic Core Courses

- Mathematics-I
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Engineering Graphics Lab
- Critical Thinking
- Software Tools for Computer Science
- Tinker Lab
- Fitness for Life

Semester : 2

Generic Core Courses

- Mathematics II
- Physics for Computer Engineers
- Physics Lab
- Communication Skills
- Communication skills lab
- Programming in C
- Programming in C Lab
- Creative Thinking
- Statistics and Probability
- Environmental Science

Semester : 3

Generic Core Courses

- Discrete Mathematics and Graph Theory
- Computer Organization
- Data Structures
- Data Structures Lab
- Programming Paradigms

- Programming Paradigms Lab
- Sensors and Microcontrollers
- Sensors and Microcontrollers Lab
- Entrepreneurship Venture
- Flexi-Credit Course

Generic Elective Courses Group

- Foundation of Ethics
- Introduction to Indian Philosophy

Semester : 4

Generic Core Courses

- Engineering Mathematics-III
- Flexi-Credit Course
- Database Management Systems
- Data Base Management Systems Lab
- Operating Systems
- Operating Systems Lab
- Project Based Learning -I
- Integrated Disaster Management

Generic Elective Courses Group

- Basic German I
- Basic French I
- Basic Spanish I

Semester : 5

Generic Core Courses

- Flexi-Credit Course
- Service Learning
- Computer Networks
- Computer Networks Lab
- Design and Analysis of Algorithms
- Design and Analysis of Algorithms Lab
- Theory of Computation

- Principles of Economics

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning: Classification
- Machine Learning: Regression

Computing Specialization Core Courses

- Cloud Computing
- Cloud Environment in Public Model

Data Science Specialization Core Courses

- Open Source Tools for Data Science
- R Programming
-

Game Design and Development Specialization Core Courses

- Introduction to Game Development
- Principles of Game Design

Internet of Things Specialization Core Courses

- Introduction to IOT
- Raspberry Pi and Python

Security and Privacy Specialization Core Courses

- Usable Security

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Basics of Automotive

Engineering

- Automotive Electronics and Instrumentation
- Automotive Vehicle Dynamics and NVH Lab
- Basics of Automotive Engineering
- Automotive Vehicle Dynamics and NVH Lab

Embedded Systems Specialization Core Courses

- Specialization Project
- Specialization Seminar
- System Programming
- Specialization Seminar

Smart Cities and Urban Analytics Specialization Core Courses

- IOT for Smart Cities
- Smart Cities : Context Policy and Governance
- IOT for Smart Cities Lab

Open Elective Courses Group

- Financial Mathematics

Smart Materials

- Smart Urban Planning
- Water Resource Planning and Management
- Java
- User Interface and Experience Design
- Introduction to Cloud Computing
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester : 6

Generic Core Courses

- Distributed Systems and Resource Management
- Flexi-Credit Course
- Design Thinking
- Project Based Learning-II
- Capstone Course

Artificial Intelligence and Machine Learning Specialization Core Courses

- Introduction to Deep Learning
- Machine Learning Clustering and Retrieval

Computing Specialization Core Courses

- Block Chain
- Cloud Computing Platforms

Data Science Specialization Core Courses

- Power BI
- Business Analytics

Game Design and Development Specialization Core Courses

- Modern Platforms in Game Development
- Entrepreneurship in Game Development

Internet of Things Specialization Core Courses

- IOT Security and Privacy
- Software Defined Networking

Security and Privacy Specialization Core Courses

- Cryptography
- Hardware Security

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Hybrid Technology
- Flexi-Credit Course
- Automotive Engine and Transmission System

Embedded Systems Specialization Core Courses

- Specialization Project
- Specialization Project
- Embedded Linux
- Specialization Project

Smart Cities and Urban Analytics Specialization Core Courses

- Specialization Project
- Specialization Project
- Application of Sensor Technology to Smart Cities
- Specialization Project
- Specialization Seminar

Generic Elective Courses Group

- Data Warehousing and Mining
- Data Warehousing and Mining Lab

Generic Elective Courses Group

- Internet of Things
- Internet of Things Lab

Generic Elective Courses Group

- Cloud Computing Tools and Techniques
- Cloud Computing Tools and Techniques Lab

Generic Elective Courses Group

- Artificial Intelligence
- Artificial Intelligence Lab

Generic Elective Courses Group

- Image Processing
- Image Processing Lab

Generic Elective Courses Group

- Information and Network Security
- Information and Network Security Lab

Semester : 7

Generic Core Courses

- B.Tech Project
- Compiler Construction
- Compiler Construction Lab
- Flexi-Credit Course
- Cyber Security

Artificial Intelligence and Machine Learning Specialization Core Courses

- Specialization Project
- Specialization Seminar

Computing Specialization Core Courses

- Specialization Project
- Specialization Seminar

Data Science Specialization Core Courses

- Specialization Project
- Specialization Project

- Specialization Seminar

Game Design and Development Specialization Core Courses

- Specialization Project
- Specialization Project
- Specialization Seminar
- Specialization Seminar

Internet of Things Specialization Core Courses

- Specialization Project
- Specialization Project
- Specialization Seminar
- Specialization Seminar

Security and Privacy Specialization Core Courses

- Specialization Project
- Specialization Project
- Specialization Seminar
- Specialization Seminar

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Specialization Project
- Specialization Project
- Specialization Seminar
- Specialization Seminar

Embedded Systems Specialization Core Courses

- Specialization Project
- Advanced Microcontrollers and RTOS
- Advanced Microcontrollers and RTOS Lab

Smart Cities and Urban Analytics Specialization Core Courses

- Specialization Project
- Specialization Project

Generic Elective Courses Group - I

- Data Science

Generic Elective Course Group

- DevOps

Specialization Elective : Smart Cities and Urban Analytics

- Urban Hydrology and Hydraulics

Semester : 8

Generic Core Courses

- Internship
- Seminar

* Courses are subject to change

Robot Operating System (ROS) workshop by the Department of Robotics and Automation

* Bachelor of Technology (Electronics & Tele-Communication Engineering)

Semester : 1

Generic Core Courses

- Mathematics-I
- Physics for Electronics Engineers
- Physics Lab
- Communication Skills
- Communication skills lab
- Programming in C
- Programming in C Lab
- Creative Thinking
- Introduction to Electronics and Telecommunication Engineering
- Computational Techniques
- Environmental Science

Semester : 2

Generic Core Courses

- Mathematics II
- Fundamentals of Electrical and Electronics Engineering
- Fundamentals of Electrical and Electronics Engineering Lab
- Chemistry
- Chemistry Lab
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Engineering Graphics Lab
- Critical Thinking
- Data Analytics with Excel
- Tinker Lab
- Fitness for Life

Semester : 3

Generic Core Courses

- Mathematical Transform Techniques
- Mathematical Transform Techniques Lab

- Signals and Systems
- Electronic Devices and Circuits
- Electronic Devices and Circuits Lab
- Network Theory
- Electronic Measurements Lab
- Digital Circuits and Logic Design
- Digital Circuits and Logic Design Lab
- Flexi-Credit Course

Generic Elective Courses

Group(Choose any one course)

- Basic German I
- Basic Spanish I
- Basic French I

Semester : 4

Generic Core Courses

- Control Systems
- Control Systems Lab
- Electromagnetic Field Theory
- Analog Circuit Design
- Analog Circuit Design Lab
- Principles of Communication
- Principles of Communication Lab
- Entrepreneurship Venture
- Service Learning
- Flexi-Credit Course
- Integrated Disaster Management

Generic Elective Course

Group(Choose any one course)

- Introduction to Indian Philosophy
- Foundation of Ethics

Semester : 5

Generic Core Courses

- Digital Signal Processing
- Digital Signal Processing Lab
- VLSI Design
- VLSI Design Lab
- Microcontrollers and Applications
- Microcontrollers and Applications Lab
- Design Thinking

Bioelectronics

SystemsSpecialization Core Courses

- Introduction to Computer Vision
- Specialization Project
- Specialization Seminar

Embedded

SystemsSpecialization Core Courses

- Specialization Project
- Specialization Seminar
- System Programming

Mechatronics and Automation

Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Industrial Robotics

Optoelectronics and

Communication Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Theory of Light and Lasers

Signal Processing Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Advanced Digital Signal Processing

Sustainable Energy Devices and Systems Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Sustainable Energy And Solar Photovoltaic Systems

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning: Classification
- Machine Learning: Regression

Data Science Specialization Core Courses

- Open Source Tools for Data Science
- R Programming

Internet of Things Specialization Core Courses

- Introduction to IOT
- Raspberry Pi and Python

Smart Cities and Urban Analytics Specialization Core Courses

- Smart Cities : Context Policy and Governance
- IOT for Smart Cities
- IOT for Smart Cities Lab

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Basics of Automotive Engineering

- Automotive Electronics and Instrumentation
- Automotive Vehicle Dynamics and NVH Lab

Generic Elective Courses Group - I (Choose any one course)

- Microwaves, Radar and Electronic Navigation
- Digital Image Processing
- CMOS VLSI Design
- Operating Systems Fundamentals
- Robotics and Automation
- Power Electronics

Generic Elective Courses Group - II (Choose any one course)

- Microwaves, Radar and Electronic Navigation Lab
- Digital Image Processing Lab
- CMOS VLSI Design Lab
- Operating Systems Fundamentals Lab
- Robotics and Automation Lab
- Power Electronics Lab

Open Elective Courses Group

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools

Open Source Technologies

- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Generic Elective Courses Group - III (Choose any one course)

- History of Science and Technology
- Organizational Behaviour

Semester : 6

Generic Core Courses

- Digital Communication
- Digital Communication Lab
- Capstone Course
- IPR for Engineers
- Project Based Learning
- Flexi-Credit Course
- Principles of Economics

Bioelectronics Systems Specialization Core Courses

- Biomedical Imaging Systems
- Specialization Project

Embedded Systems

Specialization Core Courses

- Specialization Project
- Embedded Linux

Mechatronics and Automation Specialization Core Courses

- Specialization Project
- Mechatronics

Optoelectronics and Communication Specialization Core Courses

- Specialization Project
- Optical Devices and Fiber Optics

Signal Processing Specialization Core Courses

- Specialization Project
- VLSI Digital Signal Processing System

Sustainable Energy Devices and Systems Specialization Core

Courses

- Specialization Project
- Wind Energy Systems

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning Clustering and Retrieval
- Introduction to Deep Learning

Data Science Specialization Core Courses

- Business Analytics
- Power BI

Internet of Things Specialization Core Courses

- IOT Security and Privacy
- Software Defined Networking

Smart Cities and Urban Analytics Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Application of Sensor Technology to Smart Cities

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Hybrid Technology
- Flexi-Credit Course
- Automotive Engine and Transmission System

Generic Elective Courses Group - I (Choose any one course)

- Antenna and Wave Propagation
- Artificial Intelligence
- FPGA Design
- IoT and Applications
- PLC & SCADA

- Biomedical Electronics

Generic Elective Courses Group - II (Choose any one course)

- Antenna and Wave Propagation Lab
- Artificial Intelligence Lab
- FPGA Design Lab
- IoT and Applications Lab
- PLC Programming Lab
- Biomedical Electronics Lab

Generic Elective Course Group III (Choose any one course)

- Computer Networks
- Deep Learning
- Mixed Signal Design
- Real Time Systems
- Modern Control Theory
- Consumer Electronics

Generic Elective Course Group IV (Choose any one course)

- Computer Networks Lab
- Deep Learning Lab
- Mixed Signal Design Lab
- Real Time Systems Lab
- Modern Control Theory Lab
- Consumer Electronics Lab

Open Elective Courses Group

- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester : 7**Generic Core Courses**

- B.Tech Project
- Cyber Security
- Statistics, Probability and Numerical Methods
- Statistics, Probability and Numerical Methods Lab
- Flexi-Credit Course

Bioelectronics Systems**Specialization Core Courses**

- Biomedical Instrumentation
- Biomedical Instrumentation Lab
- Specialization Project

Embedded Systems**Specialization Core Courses**

- Specialization Project
- Advanced Microcontrollers and RTOS
- Advanced Microcontrollers and RTOS Lab

Mechatronics and Automation**Specialization Core Courses**

- Specialization Project
- Mobile Robotics
- Mobile Robotics Lab

Optoelectronics and Communication Specialization Core Courses

- Specialization Project
- Optical Communication Systems
- Optical Communication Systems Lab

Signal Processing Specialization Core Courses

- Specialization Project
- Adaptive Signal Processing
- Adaptive Signal Processing Lab

Sustainable Energy Devices and Systems Specialization Core Courses

- Specialization Project
- Devices and Grid Systems for Sustainable Energy
- Devices and Grid Systems for Sustainable Energy Lab

Artificial Intelligence and Machine Learning Specialization Core Courses

- Specialization Project
- Specialization Seminar

Data Science Specialization Core Courses

- Specialization Project
- Specialization Seminar

Internet of Things Specialization Core Courses

- Specialization Project
- Specialization Seminar

Smart Cities and Urban Analytics Specialization Core Courses

- Specialization Project

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Specialization Project
- Specialization Seminar

Generic Elective Courses Group - I (Choose any one course)

- 5G Technology
- Speech and Audio Signal Processing
- Low Power VLSI Design
- Embedded Artificial Intelligence
- Electric Vehicles

Generic Elective Courses Group - II (Choose any one course)

- 5G Technology Lab
- Speech and Audio Signal Processing Lab
- Low Power VLSI Design Lab
- Embedded Artificial Intelligence Lab
- Electric Vehicle Lab

Generic Elective Courses Group - III (Choose any one course)

- Fiber Optics And Satellite

Communication

- Computer Vision
- Digital Design Verification
- Cyber Physical System
- Building Automation
- Wireless Sensor Network

Generic Elective Courses Group - IV (Choose any one course)

- Fiber Optics And Satellite Communication Lab
- Computer Vision Lab
- Digital Design Verification Lab
- Cyber Physical System Lab
- Building Automation Lab
- Wireless Sensor Network Laboratory
- Specialization Elective : Smart Cities and Urban Analytics
- Intelligent Transportation Systems
- Urban Hydrology and Hydraulics

Semester : 8

Generic Core Courses

- Internship
- Seminar

* Courses are subject to change

Farewell
2023

* Bachelor of Technology (Mechanical Engineering)

Semester : 1

Generic Core Courses

- Engineering Mathematics -I
- Physics for Mechanical Engineers
- Physics Lab
- Communication Skills
- Communication skills lab
- Engineering Graphics
- Engineering Graphics Lab
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Creative Thinking
- Workshop Practice
- Environmental Science

Semester : 2

Generic Core Courses

- Engineering Mathematics -II
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Engineering Mechanics
- Engineering Mechanics Lab
- Software Tools For Mechanical Engineering
- Tinker Lab
- Critical Thinking
- Fitness for Life

Semester : 3

Generic Core Courses

- Engineering Mathematics-III
- Strength of Materials
- Strength of Materials Lab
- Engineering Materials and Metallurgy

- Manufacturing Technology
- Manufacturing Technology Lab
- Engineering Thermodynamics
- Engineering Thermodynamics Lab
- Mechatronics and IoT
- Mechatronics and IoT Lab
- Integrated Disaster Management

Semester : 4

Generic Core Courses

- Service Learning
- Statistics, Probability and Numerical Methods
- Statistics, Probability and Numerical Methods Lab
- Fluid Mechanics
- Fluid Mechanics Lab
- Measurement and Metrology
- Measurement and Metrology Lab
- Theory of Machines - I
- Theory of Machines-I Lab
- Entrepreneurship Venture
- Introduction to Artificial Intelligence

Generic Elective Course Group

- Foundation of Ethics
- Introduction to Indian Philosophy

Semester : 5

Generic Core Courses

- CAD & CAM
- CAD& CAM Lab
- Heat Transfer
- Heat Transfer Lab
- Machine Design - I
- Design Thinking
- Advanced Manufacturing

Technology

- Advanced Manufacturing Technology Lab

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Basics of Automotive Engineering
- Automotive Electronics and Instrumentation
- Automotive Vehicle Dynamics and NVH Lab

CAD/CAM Specialization Core Courses

- Computer Aided Design I Lab
- Manufacturing Engineering
- Structural Non Linear and 3D Analysis Lab

Design of Heat Exchanger Specialization Core Courses

- Flexi-Credit Course
- Materials and Fabrication Processes for Heat Exchanger
- Heat Exchanger Simulation Lab 1

Smart Manufacturing (Industry 4.0) Specialization Core Courses

- Flexi-Credit Course
- Modern Sensors and Actuators
- Sensors and Actuators Lab

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning: Classification

- Machine Learning: Regression

Data Science Specialization Core Courses

- Open Source Tools for Data Science
- R Programming

Internet of Things Specialization Core Courses

- Introduction to IOT
- Raspberry Pi and Python

Smart Cities and Urban Analytics Specialization Core Courses

- Smart Cities : Context Policy and Governance
- IOT for Smart Cities
- IOT for Smart Cities Lab

Embedded Systems

Specialization Core Courses

- Specialization Project
- Specialization Seminar
- System Programming

Mechatronics and Automation Specialization Core Courses

- Specialization Project
- Specialization Seminar
- Industrial Robotics

Generic Elective Courses Group - I (Choose any one Course)

- Theory of Machines - II
- Industrial Automation and Robotics
- Computational Fluid Dynamics
- PLC & SCADA

Generic Elective Courses Group - II (Choose any one Course)

- Theory of Machines - II Lab
- Industrial Automation & Robotics Lab

- Computational Fluid Dynamic Lab
- PLC Programming Lab

Open Electives Courses Group

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- 3D Printing and Prototyping
- Data Modelling and Analytics for Battery Energy Storage Systems

Semester : 6

Generic Core Courses

- IC Engine and E-Mobility
- I.C. Engines and E-Mobility Lab
- Principles of Economics
- Project Based Learning
- Flexi-Credit Course
- Capstone Course

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Automotive Engine and Transmission System
- Flexi-Credit Course
- Hybrid Technology

CAD/CAM Specialization Core Courses

- Computer Aided Design II Lab
- Computer Aided Manufacturing Lab
- Structural Dynamics and Non

Linear Analysis Lab

Design of Heat Exchanger Specialization Core Courses

- Numerical Methods for Heat Exchanger
- CFD Simulation for heat exchanger
- Heat Exchanger Simulation Lab-2

Smart Manufacturing (Industry 4.0) Specialization Core Courses

- AI and ML for Smart Manufacturing
- Industrial Internet of Things
- Machine Learning and Artificial Intelligence Lab

Artificial Intelligence and Machine Learning Specialization Core Courses

- Introduction to Deep Learning
- Machine Learning Clustering and Retrieval

Data Science Specialization Core Courses

- Business Analytics
- Power BI

Internet of Things Specialization Core Courses

- IOT Security and Privacy
- Software Defined Networking

Smart Cities and Urban Analytics Specialization Core Courses

- Application of Sensor Technology to Smart Cities
- Specialization Project
- Specialization Seminar

Embedded Systems**Specialization Core Courses**

- Specialization Project
- Embedded Linux

- **Mechatronics and Automation Specialization Core Courses**

- Specialization Project
- Mechatronics

Generic Elective Courses Group - I (Choose Any one Course)

- Finite Element Methods
- Fluid Machinery
- Jigs and Fixtures

Generic Elective Courses Group - III (Choose any one Course)

- Machine Design II
- Power Plant Engineering
- Production Management
- Theory of Innovative Design

Generic Elective Courses Group - IV (Choose any one Course)

- Composite Materials
- Engineering Design Optimization
- Industrial Fluid Power
- Industrial IoT with Applications (Industry 4.0)

Open Electives Courses Group(Choose any one Course)

- Engineering Simulation and Modeling Tools
- Financial Mathematics
- Industrial Revolution and Introduction of Industry 5.0

- Introduction to Image Processing
- Java
- Six sigma
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Web Application Development

Semester : 7**Generic Core Courses**

- B.Tech Project
- Refrigeration and Airconditioning
- Refrigeration & Airconditioning Lab
- Flexi-Credit Course
- Cyber Security

Automobile Engineering with Hybrid and Autonomous Technology Specialization Core Courses

- Specialization Project
- Specialization Seminar

CAD/CAM Specialization Core Courses

- Specialization Project
- Specialization Seminar

Design of Heat Exchanger Specialization Core Courses

- Specialization Project
- Specialization Seminar

Smart Manufacturing (Industry 4.0) Specialization Core Courses

- Specialization Project
- Specialization Seminar

Embedded Systems**Specialization Core Courses**

- Specialization Project
- Advanced Microcontrollers and RTOS
- Advanced Microcontrollers and RTOS Lab

Mechatronics and Automation Specialization Core Courses

- Specialization Project
- Mobile Robotics
- Mobile Robotics Lab

Generic Elective Courses Group - I (Choose any one Course)

- Automobile Engineering
- Mechanical Vibration
- Smart Renewable Energy Harvesting and Storage
- Operations Research

Generic Elective Courses Group - II (Choose any one Course)

- Predictive Maintenance

- Simulation Based Turbomachine Design
- Total Quality Management

Generic Elective Courses Group - III (Choose any one Course)

- Organizational Behaviour
- History of Science and Technology

Semester : 8

Generic Core Courses

- Internship
- Seminar

* Courses are subject to change

* Bachelor of Technology (Artificial Intelligence and Machine Learning)

Semester : 1

Generic Core Courses

- Linear Algebra
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Introduction to Artificial Intelligence and Python Programming
- Critical Thinking
- Cyber Security
- Entrepreneurship Venture
- Tinker Lab
- Fitness for Life

Semester : 2

- Engineering Mathematics -II
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Engineering Graphics
- Engineering Graphics Lab
- Tinker Lab
- Software Tools for Robotics
- Critical Thinking
- Fitness for Life

Semester : 3

Generic Core Courses

- Elements of Robotics and Automation
- Statistics and Numerical Methods in Robotics
- Kinematics of Robotics
- Kinematics of Robotics Lab
- Sensor and Electronics Drives

- Sensor and Electronics Drives Lab
- Introduction to Artificial Intelligence
- Advanced Python Lab
- Basics of Operating Systems
- Basics of Operating Systems Lab
- Integrated Disaster Management

Generic Elective Courses Group (Choose any one Course)

- Basic German I
- Basic French I
- Basic Spanish I

Semester : 4

Generic Core Courses

- Service Learning
- Robotic Control Systems
- Robotic Control Systems Lab
- Dynamics of Robotics
- Dynamics of Robotics lab
- Application of AI in Robotics and Automation
- Application of Artificial Intelligence in Robotics and Automation Lab
- Applied Mathematics for Robotics
- Entrepreneurship Venture
- Hydraulics and Pneumatics for Robots
- Hydraulics and Pneumatics for Robots Lab

Generic Elective Courses

Group(Choose any one Course)

- Foundation of Ethics
- Introduction to Indian Philosophy

Semester : 5

Generic Core Courses

- Design Thinking
- PLC and SCADA
- PLC and SCADA Lab
- Simulator for Robotics Lab
- Software Automation Lab
- Smart Manufacturing Lab
- Microcontroller and Embedded Systems
- Microcontroller and Embedded Systems Lab
- Computer Vision for Robotics
- Computer Vision for Robotics Lab

Aerial Robotics and Drone Technology Specialization Core Courses

- Introduction to Aerial Robotics and Drones
- Motion Planning and Control
- Motion Planning and Control lab

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning: Classification
- Machine Learning: Regression

Data Science Specialization Core Courses

- Open Source Tools for Data Science
- R Programming

Smart Cities and Urban Analytics Specialization Core Courses

- Smart Cities : Context Policy and Governance

- IOT for Smart Cities
- IOT for Smart Cities Lab

Generic Elective Courses Group (Choose any one Course)

- Theory of Universal Robots & Cobots
- Fundamentals of IOT and Cloud Computing
- Optimization for Robotics
-
- Building Automation
- Digital Signals
- Computational Fluid Dynamics with Artificial Intelligence
- Probabilistic Robotics

Open Elective Courses Group(Choose any one Course)

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester : 6

Generic Core Courses

- Path Planning and Reinforcement Learning
- Path Planning and Reinforcement Learning Lab
- Project Based Learning -I
- Capstone Course
- Principles of Economics
- Flexi-Credit Course
- Robotics Operating System

Robotics Operating System Lab Aerial Robotics and Drone Technology Specialization Core Courses

- Robotics Mobility and Perception
- Robotics Estimation and Learning
- Navigation and Communication Lab

Artificial Intelligence and Machine Learning Specialization Core Courses

- Introduction to Deep Learning
- Machine Learning Clustering and Retrieval

Data Science Specialization Core Courses

- Business Analytics
- Power BI

Smart Cities and Urban Analytics Specialization Core Courses

- Application of Sensor Technology to Smart Cities
- Specialization Project
- Specialization Seminar

Generic Elective Courses (Choose any one Course)

- Mobile Application Development
- Mobile Application Development Lab
- Industrial Internet of Things
- Industrial Internet of Things Lab
- Introduction to Aerial Robotics
- Introduction to Aerial Robotics Lab
- Additive Manufacturing
- Additive Manufacturing Lab
- Embedded System and

- Wireless Sensor Network
- Embedded System and Wireless Sensor Network Lab

Open Elective Courses Group (Choose any one Course)

- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Prof. (Dr.) Nitin Rakesh
Director and Professor

Director Profile

Dr. Nitin is a recipient of IBM Drona Award and Top 10 State Award Winner. He is active member of professional society like Senior Member IEEE (USA), ACM, SIAM (USA), Life Member of CSI and other professional societies. He is reviewer of several prestigious Journals/Transactions like IEEE Transactions on Vehicular Technology, The Computer Journal, Oxford Press, many SPRINGER/other Scopus indexed International Journals.

His research outlines emphasis on Network Coding, Interconnection Networks & Architecture and Online Phantom Transactions. He has published more than 200 SCI/Scopus Journal/Conference publication high quality journals and conferences. Dr Nitin is having more than 90 patents/innovations/designs in his credentials. Dr. Nitin has accorded several other awards for Best Paper Published, Session Chairs, Highest Cited author, Best Students Thesis Guided, and many others.

Dr. Nitin has been instrumental in various Industrial Interfacing for Academic and Research at his previous assignments at various organisations.

He is having 180+ publication in Scopus Indexed/SCI/High impact Journals and International Conferences. Dr. Nitin is guided five PhD students of various Universities and Industries. He has successfully guided several M. Tech and B.Tech students.

Dr. Nitin was contributory in various prestigious Accreditations like NAAC, NBA, QAA, WASC, UGC, IAU, IET and others.

Institute Profile

Symbiosis Institute of Technology in Nagpur presently offers B. Tech specialized programmes in Computer Science and Engineering with honours in AI and Machine Learning, Data Science, Computing, Game Design and Development, Security and Privacy, and Internet of Things.

SIT Nagpur has “state-of-the-art infrastructure” and outstanding academic amenities. Its pollution-free campus has plenty of open space as well as a diverse range of academic, sporting, and cultural amenities. The Institute has created an environment conducive to unlocking the potential of both teachers and students by implementing systematic and effective planning and supervision of the teaching-learning process both inside and outside the classroom.

Techfest's, cultural programmes, sports competitions, industry-institute meetings, guest lectures from well-known individuals, and student exchange programmes with international institutions will supplement the fundamental teaching learning process. The institute offers a diverse set of courses ranging from liberal arts, performing arts, industrial history, human values and ethics, and will have the option of earning a special diploma from SIBM as well as courses from other Symbiosis Institutes.

Programme Profile

Name of the Programme:

Bachelor of Technology (Computer Science and Engineering)

Duration:

- Bachelor of Technology (Computer Science and Engineering): 4 -year full-time, residential as well as non-residential
- Bachelor of Technology (Artificial Intelligence and Machine Learning): 4-year full-time, residential as well as non-residential

Intake:

- Bachelor of Technology (Computer Science and Engineering): 180 Seats
- Bachelor of Technology (Artificial Intelligence and Machine Learning): 60 Seats

Bachelor of Technology (Computer Science and Engineering)

The B. Tech. (CSE) programme is a four-year full-time graduation programme designed to develop students into professionals with academic excellence and research acumen. The curriculum is industry-oriented, with a diverse range of value-added courses in liberal arts, performing arts, and inter-institutional courses in law, media, and management. The programme aims to cultivate students' holistic temperaments, including domain expertise and leadership abilities, so that they are not only comprehensive technologists but also good human beings who value human and national values. The program also offers students with the unique opportunity to pursue honours in highly specialized domains of computer science that have been carefully selected with the industry demands of a global engineer in mind.

In addition to the core degree, the Department of Computer Science Engineering offers the following Honors in accordance with industry trends.

- AI and Machine Learning
- Data Science

*Establishment of
Entrepreneurship
Cell & MoU
signed with TIE
Nagpur on 4th
Nov 2023*

- Computing
- Game Design and Development
- Security and Privacy
- Internet of Things

We aim to foster the holistic growth of the scholars, to provide them with a fundamental groundwork in cutting-edge areas of Computer Science Engineering and to further facilitate them in excelling in advanced computer science areas, including Machine Learning, Algorithms, Data Science, Internet of Things, Computing, and Data Security and Privacy. We strive to create a league of engineering graduates who are capable of participating in self-reliant and life-long learning in the broad environment of technological transition.

Bachelor of Technology (Artificial Intelligence and Machine Learning)

B. Tech in Artificial Intelligence and Machine Learning is a comprehensive program that equips students with in-depth knowledge of AI and ML algorithms, data analytics, and practical applications. Led by expert faculty, the curriculum merges theory with hands-on experience. With cutting-edge facilities and industry partnerships, students gain real-world insights and access to the latest tools. The program culminates in projects, internships, offering opportunities to solve actual challenges. Graduates will be primed for diverse career paths in healthcare, finance, cybersecurity, and more.

Eligibility:

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Biotechnology/ Biology/ Technical Vocational subjects. Obtained at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) in the above subjects taken together.

B. Tech (Lateral entry to second year) :

- Passed Diploma examination from an AICTE approved Institution; with at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) in appropriate branch of Engineering / Technology.
- Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) and passed XII standard with mathematics as a subject.
- Provided that in case of students belonging to B. Sc. Stream, shall clear the subjects of Engineering Graphics / Engineering Drawing and Engineering

Mechanics of the first year Engineering program along with the second year subjects.

- Provided further that, the students belonging to B. Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream.
- Provided further that students, who have passed Diploma in Engineering and Technology from an AICTE approved Institution or B. Sc. Degree from a recognized University as defined by UGC, shall also be eligible for admission to the first year Engineering Degree courses subject to vacancies in the first year class in case the vacancies at lateral entry are exhausted. However the admissions shall be based strictly on the eligibility criteria as mentioned in a, b, c, and d above.

Admission Process

Reservation of Seats: As per University norms.

Important Dates

Details	Date
Registration closes on	April 12, 2024 (Friday)
Payment closes on	April 12, 2024 (Friday)
Admit Card Live on (www.set-test.org)	April 25, 2024 (Thursday) for SET Test 01
	April 30, 2024 (Tuesday) for SET Test 02
Test 01 - May 05, 2024 (Sunday)	SITEEE: 02.00 pm to 03.00 pm
Test 02 - May 11, 2024 (Saturday)	SITEEE: 02.00 pm to 03.00 pm
Announcement of Result	May 22, 2024 (Wednesday)
The last date to apply for the Institute	To be declared
Declaration of shortlisting for PIWAT	NA
Dates of PIWAT Process	NA
Declaration of First Merit List	To be declared
Programme Commencement	August 01, 2024
JEE(Main) / ASGEEE Registration commences on	January 01,2024
JEE(Main) / ASGEEE Registration / Payment closes on	October 30, 2024
JEE(Main) / ASGEEE Admission counselling	To be Declared

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website (<https://sitnagpur.edu.in/>)

Orientation and Pedagogy

1. Introducing students to the technology platforms, including learning management systems, coding environments, and other tools relevant to their coursework.
2. Organizing sessions with industry professionals to discuss the relevance of the program, potential career paths, and the current trends in the field of computer science)
3. Incorporate project-based learning approaches where students work on real-world problems, applying theoretical knowledge to practical situations.
4. Hands- on Practical Training (in IOT, Robotics, Web and Mobile app development etc)
5. Facilitating internships and industry visits to provide students with hands-on experience and a practical understanding of the professional landscape.
6. Staying updated with emerging technologies and integrate them into the curriculum, ensuring that students are exposed to the latest developments in the field.
7. Remedial Classes

Five Days Faculty Development Programme on High Performance Computing from 11 December to 15 December 2023 sponsored by NVIDIA

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2024-2028 in the Academic Year 2024-2025-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Technology (Computer Science and Engineering)	1st Year Academic Year 2024-25 Other Than Nagpur Domicile	1st Year Academic Year 2024-25 Nagpur Domicile
	Amount in ₹	Amount in ₹
Academic Fees (Per Annum) *	₹ 260,000	₹ 260,000
Less: 15 % Fee Concession to the Nagpur Domicile students	-	₹ 39,000
Academic Fees (Per Annum) to be paid	₹ 260,000	₹ 221,000
Institute Deposit (Refundable)	₹ 20,000	₹ 20,000

Three Sharing - Air Conditioned	\$650	\$325	\$325
Four Sharing - Air Conditioned	\$650	\$325	\$325
Last date of payment		At the time of Admission	25-Nov-2024

Note:

ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2028, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above."

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure

Bachelor of Technology (Computer Science and Engineering)

Semester : 1

Group A - Generic Core Courses

- Mathematics-I
- Physics for Computer Engineers
- Physics Lab
- Communication Skills
- Communication Skills Lab
- Programming in C
- Programming in C Lab
- Statistics and Probability
- Creative Thinking
- Tinker Lab
- Environmental Science

Group B - Generic Core Courses

- Mathematics-I
- Programming in C
- Programming in C Lab
- Environmental Science
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Software Tools for Computer Science
- Critical Thinking
- Engineering Graphics Lab

Semester : 2

Group - A Generic Core Courses

- Mathematics-II
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Programming and Problem Solving

- Programming and Problem Solving Lab
- Engineering Graphics Lab
- Critical Thinking
- Software Tools for Computer Science
- Fitness for Life

Group - B Generic Core Courses

- Mathematics-II
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Fitness for Life
- Physics for Computer Engineers
- Physics Lab
- Statistics and Probability
- Communication Skills
- Communication Skills Lab
- Tinker Lab
- Creative Thinking

Semester : 3

Generic Core Courses

- Discrete Mathematics and Graph Theory
- Computer Organization
- Data Structures
- Data Structures Lab
- Programming Paradigms
- Programming Paradigms Lab
- Sensors and Microcontrollers
- Sensors and Microcontrollers Lab
- Entrepreneurship Venture
- Flexi-Credit Course

Generic Elective Courses

Group(Choose Any One Course)

- Foundation of Ethics

- Introduction to Indian Philosophy

Semester : 4

Generic Core Courses

- Mathematical Transform Techniques
- Flexi-Credit Course
- Database Management Systems
- Data Base Management Systems Lab
- Operating Systems
- Operating Systems Lab
- Project Based Learning -I
- Integrated Disaster Management

Generic Elective Courses Group (Choose Any One Course)

- Basic French I
- Basic German I
- Basic Spanish I

Semester : 5

Generic Core Courses

- Flexi-Credit Course
- Service Learning
- Computer Networks
- Computer Networks Lab
- Design and Analysis of Algorithms
- Design and Analysis of Algorithms Lab
- Theory of Computation
- Principles of Economics

Artificial Intelligence and Machine Learning Specialization Core Courses

- Machine Learning: Classification
- Machine Learning: Regression

Computing Specialization Core Courses

- Cloud Computing
- Cloud Environment in Public Model

Data Science Specialization Core Courses

- Open Source Tools for Data Science
- R Programming

Game Design and Development Specialization Core Courses

- Introduction to Game Development
- Principles of Game Design

Internet of Things Specialization Core Courses

- Introduction to IOT
- Raspberry Pi and Python
- Security and Privacy Specialization Core Courses
- Software Security
- Usable Security

Open Elective Courses Group (Choose Any One Course)

- User Interface and Experience Design
- Java
- Introduction to Image Processing
- Engineering Simulation and Modeling Tools
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester : 6

Generic Core Courses

- Distributed Systems and Resource Management
- Flexi-Credit Course
- Design Thinking
- Project Based Learning-II
- Capstone Course

Artificial Intelligence and Machine Learning Specialization Core Courses

- Introduction to Deep Learning
- Machine Learning Clustering and Retrieval
- Computing Specialization Core Courses
- Block Chain
- Cloud Computing Platforms

Data Science Specialization Core Courses

- Business Analytics
- Power BI

Game Design and Development Specialization Core Courses

- Modern Platforms in Game Development
- Entrepreneurship in Game Development

Internet of Things Specialization Core Courses

- IOT Security and Privacy
- Software Defined Networking

Security and Privacy Specialization Core Courses

- Cryptography
- Hardware Security

Generic Elective Courses Group- I (Choose Any One Course)

- Data Warehousing and Mining
- Internet of Things
- Cloud Computing Tools and Techniques

Generic Elective Courses Group - II (Choose Any One Course)

- Data Warehousing and Mining Lab
- Internet of Things Lab
- Cloud Computing Tools and Techniques Lab

Generic Elective Courses Group- III (Choose Any One Course)

- Artificial Intelligence
- Image Processing
- Information and Network Security

Generic Elective Courses Group - IV (Choose Any One Course)

- Artificial Intelligence Lab
- Image Processing Lab
- Information and Network Security Lab

Generic Elective Courses Group - V (Choose Any One Course)

- Organizational Behaviour
- History of Science and Technology

Open Elective Courses Group (Choose Any One Course)

- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester : 7

Generic Core Courses

- B.Tech Project
- Compiler Construction
- Compiler Construction Lab
- Flexi-Credit Course
- Cyber Security

Artificial Intelligence and Machine Learning Specialization Core Courses

- Specialization Project
- Specialization Seminar

Computing Specialization Core Courses

- Specialization Project
- Specialization Seminar

Data Science Specialization Core Courses

- Specialization Project
- Specialization Seminar

Game Design and Development Specialization Core Courses

- Specialization Project
- Specialization Seminar

Internet of Things Specialization Core Courses

- Specialization Project
- Specialization Seminar

Security and Privacy Specialization Core Courses

- Specialization Project
- Specialization Seminar

Generic Elective Courses Group - I (Choose Any One Course)

- Data Science
- Optimization Techniques and Algorithms
- Big Data Analytics

Generic Elective Courses Group - II (Choose Any One Course)

- Data Science Lab
- Optimization Techniques and Algorithms Lab
- Big Data Analytics Lab

Generic Elective Courses Group-III (Choose Any One Course)

- Introduction to AR/VR
- Human Computer Interface

- Introduction to Information Retrieval

Generic Elective Courses Group - IV (Choose Any One Group)

- Generic Elective Courses
- Machine Learning
- Machine Learning Lab

Generic Elective Courses

- Natural Language Processing
- Natural Language Processing Lab

Generic Elective Courses

- DevOps
- DevOps Lab

Semester : 8

Generic Core Courses

- Internship
- Seminar

* Courses are subject to change

Dr. Sammita Jagdish Jadhav
Director, SIHS

Director's Profile:

Dr. Sammita Jagdish Jadhav is a graduate from the prestigious B.J. Medical College, Pune securing top honours in Pathology. She completed her Masters in Medicine and has been awarded a Ph.D. in Healthcare Management from Symbiosis International (Deemed University) under the Faculty of Medical and Health Sciences. She has a vast experience of more than two decades in the Healthcare industry. Dr. Jadhav has contributed her expertise and added value to various Healthcare organizations, and Medical and Paramedical training institutes. She has been appointed as a resource person on the task force of the National Initiative of Allied Health Services (NIAHS), Ministry of Health and Family Welfare, Government of India. She has a successful stint in the industry and leads the Healthcare Management, Public Health, Nutrition and Dietetics and Medical Technology departments as a Director of Symbiosis Institute of Health Sciences. Dr. Jadhav has contributed to the commissioning of the Symbiosis University Hospital and Research Centre, a 900 bedded hi-tech healthcare facility, and the Symbiosis Medical College for Women at Pune.

Dr. Jadhav is a recognized Ph.D. Supervisor currently guiding 8 Ph.D. scholars. Her thrust on research has resulted in a number of research publications in National and International Journals indexed in Scopus and Web of Science journals, and her work on 'Clinico - pathological Co-relation in Dengue Fever: A case study of 200 adult patients', has won her the best paper award at the Mapcon Conference of the Indian Association of Pathologists and Microbiologists (I.A.P.M.).

She serves on the elite Board of Studies, Faculty of Medical and Health Sciences, Board of Examination and the Academic Council at Symbiosis International (Deemed University); and on the Board of Studies at KLE university; contributing to the development of niche, innovative and socially relevant academic programs in healthcare management, allied healthcare, biomedical, paramedical and nursing disciplines.

She has a keen interest in pharma management, and has been a key influencer in advocacy of Immuno-protective drugs. Dr. Jadhav has taken up leadership positions in Public Health advocacy, digitalization of the hospital processes, and contributed to promotion of TeleHealth and online healthcare education. Known for her exceptional talents in creating collaborations, teambuilding abilities, communication skills and leadership qualities, she is popular amongst healthcare professionals, industry and the academia for her expertise in Healthcare Management, Clinical Research, Medical Technology, Public Health, Allied health education, Biosafety and Bioethics, Laboratory Management, Quality assurance and accreditation. Dr. Jadhav has been invited as key note speaker at various conferences, and has given talks at various fora including at NATHEALTH, MTal, AmRef, VIF, CII and FICCI.

Dr. Jadhav has been consistently working for the internationalization of Indian universities and is currently the Regional Representative – Africa; working in areas of Allied health education and manpower training in Medical Technology in African countries; especially in Tanzania, Kenya, Rwanda, and Burundi. She has travelled widely to U.K., France, Germany, Italy, Netherlands, Dubai, Oman, Singapore, Thailand, Austria, Belgium, Switzerland, Nepal and Srilanka as a result of her effort in Internationalization, education, skill training and Public Health initiatives.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS) has conceptualized and offers need based, non-conventional, innovative & competency driven academic programmes & initiatives designed to raise a cadre of professionals who would facilitate delivery of optimum health care services. It is a conscious response to the growing concern of healthcare education and management across the rapidly growing healthcare sector. SIHS endeavors to create a health momentum towards the ultimate objective of creating a healthy world. Recognitions and accolades from various National & International bodies are a testimony to the contribution of SIHS.

Symbiosis University Hospital & Research Centre (SUHRC)

Symbiosis University Hospital & Research Centre (SUHRC) is a state-of-the-art tertiary care hospital, located within the SIU campus at Lavale, Pune. The SUHRC provides top-quality clinical services, which are protocol-driven, and evidence-based. The nomenclature of a 'University Hospital and Research Centre' conveys the thrust on academics and research, which would be both interdisciplinary as well as translational. Symbiosis University Hospital and Research Centre (SUHRC) is providing complete healthcare facility & solution (Super Specialty & Specialty) under one roof. SUHRC will make qualitative difference to one's life and one's health through a comprehensive system with end-to-end Medical services under one roof.

The Symbiosis Medical College for Women (SMCW) is also located at the scenic campus of the Symbiosis International University at Gram Lavale, Pune. The presence of sister institutes within the campus like the Symbiosis Institute of Technology, Symbiosis School of Biological Sciences and the Research Centres such as Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Medical Imaging Analysis (SCMIA), Symbiosis Centre for Emotional Wellbeing (SCEW), Symbiosis Centre for Applied Artificial Intelligence (SCAAI), Symbiosis Centre for Behavioural Studies (SCBS), Symbiosis Centre for Nanoscience and Nanotechnology (SCNN) & Symbiosis Centre for Waste Resource Management (SCWRM) will assist in the strong focus on academics and research.

The Symbiosis Centre for Health Skills (SCHS) is a multidisciplinary educational facility that strives to provide high-tech simulated and virtually created hospital set-up for teaching, training & assessment for all health care professionals in clinical and related management skills. The broad objective is to align with the National Agenda of Skill Development to create robust and vibrant eco system for quality education and skill development in healthcare sector in the country.

1. B.Sc. (Medical Technology) - Honours / Honours with Research

Objective: As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic & therapeutic modalities are on the rise. The ever-changing & ever-expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

Specializations

The programme offers specializations in the following areas:-

1. **Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, hemodynamic monitoring, equipment set up and its operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.
2. **Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.
3. **Dialysis Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.
4. **Imaging Sciences:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical images using modalities like X-ray, Ultrasound, Magnetic Resonance, Computed Tomography & Interventional Radiology.
5. **Clinical Lab. Technology:** Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.
6. **Operation Theatre and Anaesthesia Technology:** The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post-operative procedures.
7. **Laparoscopy & Endoscopy:** Technologists learn the fundamentals & skills required to assist the Surgeons conducting Laparoscopy procedures and Physicians in Endoscopy procedures at various clinical establishments.
8. **Ophthalmic Sciences:** Technologists pursuing Ophthalmic Sciences specialization deal with the technical aspects of ophthalmic procedures required for diagnosis and treatment of eye disorders & diseases. The technologists so trained would be in a position to competently assist the Ophthalmologists.

9. Neurosciences Technology: The students will acquire skills to assess the patient, plan various electro-diagnostic procedures, and implement them in the neurosciences field.

Duration:

- Bachelor of Science (Medical Technology) - Honours/
Bachelor of Science (Medical Technology) - Honours with
Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research 4 Years Full Time, Non-Residential
- Bachelor of Science (Radiotherapy) - Honours/
Bachelor of Science (Radiotherapy) - Honours with Research B.Sc.
(Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research 4 Years Full Time, Non-Residential
- Bachelor of Science (Mental Health) – Honours/
Bachelor of Science (Mental Health) - Honours with Research
B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research 4 Years Full Time, Non-Residential

Intake:

- Bachelor of Science (Medical Technology) - Honours/
Bachelor of Science (Medical Technology) - Honours with
Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research 120 Seats
- Bachelor of Science (Radiotherapy) - Honours/
Bachelor of Science (Radiotherapy) - Honours with Research B.Sc.
(Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research 06 Seats
- Bachelor of Science (Mental Health) – Honours/
Bachelor of Science (Mental Health) - Honours with Research
B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research 40 Seats

Eligibility:

- Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.
- Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.
 - Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Procedure:

● **Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research**

STEP I: Online registration: Complete the registration by filling the registration form and making payment of registration charges of Rs.1500/-

STEP II: Eligible candidates will be called for Entrance Test and Personal Interaction (PI).

STEP III: Selected candidates for provisional admission will be intimated through email.

STEP IV: Provisional Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of the academic fees.

● **Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research**

STEP I: Online registration: Complete the registration by filling the registration form and making payment of registration charges of Rs.1500/-

STEP II: Eligible candidates will be called for Entrance Test & Personal Interaction (PI).

STEP III: Selected candidates for provisional admission will be intimated through email.

STEP IV: Provisional Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of the academic fees.

● **Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research**

STEP I: Online registration for B.Sc. Mental Health programme by submitting the form on the link below and making online payment of registration charges of Rs.1500/-

STEP II: Submit a Statement of Purpose (SOP) (refer below for instructions) in PDF or Word format ONLY via email within 3 days of submitting the registration form. Mention your Student ID as listed on your registration form in the email with the subject line as “ Application for BSc in Mental Health - (Student ID)”. The application will be considered incomplete and will be rejected without the SOP. Email ID: enquiry.mentalhealth@sihs.edu.in

STEP III: You will be invited for an online Personal Interview (PI) based on a preliminary screening. The schedule for the same will be intimated via email and phone call.

STEP IV: Final selection will be intimated to the candidate through email & phone call. Admission process will be completed after verification of all the submitted documents and payment of 1st installment of academic fees.

Reservation of Seats: As per University norms.

Important Dates :

- Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research

Orientation and Pedagogy:

- **Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research**

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time at Symbiosis University Hospital & Research Centre (SUHRC), a tertiary care hospital related to their specialization where they are exposed to actual “hands on” practical training. Various academic visits are organized related to each specialization. The students participate actively in a number of co-curricular & extra-curricular activities thereby developing self-confidence and ability to realize his /her full potential. Eminent guest faculty further enrich the course content. Students are exposed to the community through the service-learning component, wherein they conduct community-based activities. Innovative teaching methods and sessions contribute to all-around personality development in addition to academic excellence and practical competencies.

The program has been designed considering the NEP guidelines for the curriculum with the courses categorized into Major, Minor, Ability Enhancement, Skill Enhancement, Value Added and Multidisciplinary.

- **Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research**

Objective:

To train students in Radiotherapy techniques with specific objective driven learning such as Radiation safety, Special patient preparation before the study to obtain the most accurate result in radiotherapy procedures and handling the machines used for the procedures effectively.

These students would be in a position to competently assist the Oncologist, to cater to the branch of Radiotherapy globally.

- **Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research**

Objective:

This programme has a robust and holistic curriculum which helps students of any stream imbibe skills along with in-depth knowledge of mental health. This gives them the required educational qualifications to be workforce ready. Mental health disorders are usually viewed as an individual issue - this programme focuses on busting that myth by adopting a multi-disciplinary approach to mental health. It equips students to gain a thorough understanding of how life experiences, community, culture, law, the economic and political climate, environmental concerns, physical and mental health systems contribute to an individual’s experience of mental health and mental illness across an individual’s lifespan. This programme focus on building core competencies and skills. This allows students to choose upon graduation, whether they would like to join the workforce in different roles or continue their study in varied specialties of mental health around the world.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2024 in the Academic Year 2024-2025-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Science (Medical Technology) - Honours / Honours with Research	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 174,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Science (Radiotherapy) - Honours / Honours with Research	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 221,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Science (Mental Health) - Honours / Honours with Research	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 221,000
Institute Deposit (Refundable)	₹ 20,000

Hostel Fees (Different, Subject to Sharing, Per Annum) @			
Twin Sharing	\$650	\$325	\$325
Three Sharing	\$650	\$325	\$325
Dormitory	\$650	\$325	\$325
Last date of payment		At the time of Admission	25-Nov-2024

Note:

ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2028, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

OT & Anaesthesia Technology

Student attending Suicide Prevention Workshop Arranged by SCEW

Program Structure:

* Bachelor of Science (Mental Health) - Honours/ Honours with Research

Semester – I

Major Courses

- Core Concepts of Mental Health
- Psychological and Socio-Cultural Determinants of Mental Health I
- Developmental Psychology
- Practical for Specialization in Mental Health

Minor Course

- Self Care Management

Ability Enhancement Course

- Creative Writing

Skill Enhancement Courses

- Personality Development for Allied health professional

Common Value-Added Course

- Introduction to Culture & India

Mandatory Non-Credit Course

- Integrated Disaster Management

Multidisciplinary Course (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

Semester – II

Major Courses

- Biological Determinants of Mental Health
- Psychological and Socio-Cultural Determinants of Mental Health II
- Practical for Determinants of

Mental Health

Minor Course

- Core Counselling Skills
- Emotional Intelligence for personal growth

Ability Enhancement Course

- Introduction to Better Language Skills

Skill Enhancement Courses

- Soft Skills for Allied Health Professional

Common Value-Added Courses

- Computer Fundamentals

Mandatory Non-Credit Courses

- Fitness for Life

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

Semester – III

Major Courses

- Cognitive Psychology
- Emergencies in Mental Health
- Practical for Applied Strategies in Mental Health

Minor Course

(Choose Any One of the Following Courses)

- Mental Health Advocacy
- Human Resource Management

Ability Enhancement Courses (Choose any one course)

- Basic Marathi I
- Basic Hindi I

Common Value-Added Course

- Environmental Studies: Our Common Earth

Skill Enhancement Course

- Group Entrepreneurship and Self Help Groups

Mandatory Non-Credit Course

- Emotional Well-being

Multidisciplinary Courses (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

Semester – IV

Major Courses

- Psychopathology I
- Substance and Behavioural Addictions
- Positive Psychology
- Practical for Psychometrics in Mental Health
- Service Learning

Minor Course

(Choose Any One of the Following Courses)

- Global Mental Health
- HRD Instruments

Ability Enhancement Course

- Basic German I
- Basic French I

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam

Semester – V

Major Courses

- Child and Adolescent Mental Health
- Geriatric Mental Health
- Psychopathology II
- History taking in Mental Health

- Practical for Fundamentals in Mental Health

Minor Course

(Choose Any One of the Following Courses)

- Community Mental Health
- Human Resource Management
- Total Required Credits

Summer Internship

- Internship

Mandatory Non-Credit Course

- Core Environmental Studies

Semester – VI

Major Courses

- Research Methodology I
- Assessment of Mental Health
- Health Psychology
- Practical for Domains of Mental Health

Minor Courses

- Emerging Trends in Mental Health

Minor Courses

(Choose Any One Course from the Following Courses)

- Flexi Credit Course
- Industrial Psychology

Semester – VII

Major Courses

- Research Methodology II
- Statistics for research
- Comprehensive Management Plans in Mental Health
- Recovery and Rehabilitation in Mental Health
- Modalities of Intervention in Mental Health
- Practical for Components of Mental Health

Minor Courses

(Choose Any One from the Following Courses)

- Introduction to social work
- Organizational Behaviour

Semester – VIII

(Honours)

Major Courses

- Ethics and Legalities in Mental Health
- Practical for Facets in Mental Health
- Foundation of Sport and Exercise Psychology
- Dissertation

Major Courses

(Choose Any One from the following Courses)

- Clinical Psychology
- Counseling Psychology
- Criminal & Forensic Psychology

Minor Courses

(Choose Any One from the Following Courses)

- Mental Health in India
- Performance Management System

Research Project

- Research Project

(Honours with Research)

Major Courses

- Ethics and Legalities in Mental Health
- Practical for Facets in Mental Health

Major Courses

(Choose Any One from the following Courses)

- Clinical Psychology
- Counseling Psychology
- Criminal & Forensic Psychology

Minor Courses

(Choose Any One from the Following Courses)

- Mental Health in India
- Performance Management System
- Research Project

* Courses are subject to change

* Bachelor of Science (Mental Health) - Honours/ Honours with Research

Semester - 1

- Discipline-Specific Courses/
Major Courses
- Anatomy I
- Physiology I
- Basic Sciences
- Psychology and Sociology

Minor Courses

- Basics of MS Office
- Medical Physics

Ability Enhancement Course

- Creative Writing

Skill Enhancement Courses

- Personality Development for
Allied Health Professionals

Common Value-Added Course

- Introduction to Culture & India

Mandatory Non-Credit Course

- Integrated Disaster
Management

Semester II

Major Courses

- Anatomy II
- Physiology II
- Basics of Epidemiology

Minor Courses

- Hospital Information System
- Applied Mathematics

Ability Enhancement Course

- Communication Skills for Allied
Health Professionals I

Skill Enhancement Courses

- Soft Skills for Allied Health
Professionals

Common Value-Added Courses

- Nutrition and Dietetics

Mandatory Non-Credit Courses

- Fitness for Life

Multidisciplinary Courses

(Choose Any One Course
from the University Basket of
Multidisciplinary Courses given
in Annexure B)

- MD1

Semester - III

Discipline-Specific Courses/
Major Courses

- Basic Biochemistry
- Basic Pharmacology

Major Courses

- Applied Clinical Sciences
(Radiotherapy)
- Principles of Practical
Radiotherapy
- Radiation Protection and Safety

Minor Courses

- Flexi Credit Course
- Medical Ethics and Legal
Aspects

Ability Enhancement Courses

- Communication Skills for Allied
Health Professionals- II

Common Value-Added Course

- Contemporary India and The
World

Mandatory Non-Credit Course

- Emotional Well-being

Multidisciplinary Courses

(Choose Any One Course
from the University Basket of
Multidisciplinary Courses given
in Annexure B)

- MD2

Semester IV

Discipline-Specific Courses/
Major Courses

- Pathology

Major Courses

- Introduction to Medical
Imaging
- Principles of Brachytherapy &
Teletherapy
- Principles of Brachytherapy &
Teletherapy

Minor Courses

- Service Learning

Ability Enhancement Course
(Choose Any One from the
Following Courses)

- Basic Marathi I
- Basic German I
- Basic French I

Skill Enhancement Course

- Hospital Practices and Patient
Care
- Mandatory Non-Credit Course
- Vasudhaiva Kutumbakam

- Cardiac Cath & Electrophysiology Procedure
- Cardiovascular Diseases
- Cardiac Pharmacology

Specialization 2 (Respiratory Therapy)

- Mechanical Ventilation II
- Cardiopulmonary Diseases
- Cardiopulmonary Pharmacology

Specialization 3 (Imaging Sciences)

- Interventional Radiology
- Operations of Computed Tomography
- Physics of Computed Tomography

Specialization 4 (Clinical Laboratory)

- General and Clinical Pathology
- Blood Banking- Basic
- Bacteriology

Specialization 5 (Dialysis Technology)

- Water Treatment in Dialysis
- Renal Diseases & Disease Management
- Renal Pharmacology

Specialization 6 (Operation Theatre and Anaesthesia)

- Pre-Operative Preparation & Anaesthetic Management of Surgical Procedures
- Assistance in Perioperative Complications
- Instrument Trays for Surgical Procedure

Specialization 7 (Laparoscopy and Endoscopy)

- OT setup for Laparoscopy & Patient preparation
- Basic Principles of Laparoscopy Technique
- Care of Specific Endoscope Procedures

Specialization 8 (Ophthalmic Sciences)

- Ocular Pharmacy and Pharmacology
- Ophthalmic Procedures
- Ocular Microbiology

Specialization 9 (Neurosciences Technology)

- Neurobiology
- Neurological Diseases & Pharmacology
- Vestibular Myography

Minor Course (Choose Any One from the Following Courses)

- Introduction to Medical Devices & Instruments

Dr. Sonopant G Joshi

Director
Symbiosis College of Nursing (SCON)

Profile of the Director

Dr. Sonopant G. Joshi – M.Sc. (N), M.Sc. (DM), Ph.D. has qualified P.C.B.Sc. (N) from Institute of Nursing Education J. J. Hospital, Mumbai. He completed his Doctorate in Management from Tilak Maharashtra University. He is an alumnus of Bharati Vidyapeeth Deemed University where he completed his masters in Community Health Nursing and a master's degree in Disaster Management. He has a commendable 32 years of rich teaching and admin experience. Dr. Joshi is one of the trained NAAC assessors and is the Member Secretary of the Institutional Ethics Committee – Symbiosis International (Deemed University), Pune. He also is a visiting professor at the Kent State University, USA. He is a crucial member of professional bodies like Asian Association of Agricultural Medicine and Rural Health India (AAAMRHI), Indian Association of Occupational Health Nursing (IAOHN), Trained Nurses Association of India and the Society of Midwives India (SOMI). He has been awarded with prestigious honors like the Best Researcher Award by the Trained Nurses Association of India – 2020; The Scroll of Honor at the International Conference - Dubai –2017 and the Gold medal of Bombay Ambulance College – Mumbai – Specialist Instructors Course in First Aid. Dr. Joshi is a Reviewer & Editorial Board Member of National/International Journals and has to his credit 21 SCOPUS / Web of Science indexed publications. He has written chapters in books published by IGI Global publication. He has written book titled 'Disaster Management for Health Care Professionals', which is popular among Nursing and Management students. He was invited as a speaker at an International Conference in LONDON where he spoke on 'Challenges of Higher Education in India' in Oct 2018. He is life member of various professional organizations. Presently he is also a Ph.D. supervisor of Symbiosis International University under public Health domain with 08 Ph.D. scholars including 02 International research scholars under his guidance, out of which 04 scholars have successfully completed their Ph.D. He has been invited for Study Japan Program funded by GRIP in March 2023.

Institute Profile

Symbiosis College of Nursing (SCON) was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative Programme that are responsive to the market needs. SCON is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai & affiliated to Symbiosis International (Deemed University), Pune. SCON runs programmes like Bachelor of Science (Nursing), Post Basic Bachelor of Science (Nursing), Master of Science (Nursing) and Ph.D. (Nursing). The programme offered by SCON ensures numerous career avenues for a graduate and a postgraduate in the healthcare industry across the world. Symbiosis College of Nursing (SCON) is attached to the parent hospital - Symbiosis University Hospital & Research Centre (SUHRC) to provide necessary 'hands-on' clinical and para-clinical experience necessary for the students pursuing hospital based academic Programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a graduate nurse

to work as a frontline worker in the clinical, community areas, research facilities & educational arena. SCON is recognized as one of the top 10 promising Nursing Colleges by thehighereducationreview.com in the year 2018 and also is featured on Telegraph Online Edugraph as the best nursing institution in India in the year 2023.

Programme Profile:

Programmes offered & Duration:

- | | |
|--|--|
| 1. Bachelor of Science (Nursing): | B.Sc. Nursing – 4 years, Full time |
| 2. Post Basic Bachelor of Science (Nursing): | P.B.B.Sc. Nursing – 2 years, Full time |

Intake:

- | | |
|--------------------------|----------|
| • 1. B.Sc. Nursing : | 80 Seats |
| • 2. P.B.B.Sc. Nursing : | 60 Seats |

A) Eligibility for Bachelor of Science (Nursing): As per Indian Nursing Council requirements

1. The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years.
2. Minimum Educational Qualification
 - a) Candidate with Science who have passed the qualifying 12th Standard examination (10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually.
 - b) Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government having Science subjects and English only.
 - c) English is a compulsory subject in 10+2 for being eligible for admission.
3. Colour blind candidates are eligible provided that colour corrective contact lens and spectacles are worn by such candidates.

CNE 2023

*Happy
Healthy
Campus*

4. Candidate shall be medically fit.
5. Married candidates are also eligible for admission.

B) Eligibility for Post Basic Bachelor of Science (Nursing) - As per Indian Nursing Council requirements

1. Passed the Higher Secondary or Senior Secondary or Intermediate or 10+2 or an equivalent examination recognized by the university for this purpose. Those who have done 10+1 in or before 1986 will be eligible for admission.
2. Obtained a certificate in General nursing and Midwifery and registered as R.N.R.M. with the State Nurses Registration Council. A male nurse, trained before the implementation of the new integrated course besides being registered as a nurse with State Nurses Registration Council, shall produce evidence of training approved by Indian Nursing Council for a similar duration in lieu of midwifery in any one of the following areas: O.T. Techniques, Ophthalmic Nursing, Leprosy Nursing, TB Nursing, Psychiatric Nursing, Neurological & Neurosurgical Nursing, Community Health Nursing, Cancer Nursing, Orthopaedic Nursing.
3. Candidate shall be medically fit.

IMPORTANT:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Reservation of Seats: As per University norms.

Important Dates:

B.Sc. Nursing: -

Activity	Date
Programme Registration Begins	April 01, 2024
Last date of Online registration	June 13, 2024
Last Date of payment of Registration fees	June 13, 2024
Written Entrance Exam	June 14, 2024
Announcement of First Merit list	June 17, 2024
Last date for payment of fees for candidates in the first merit list	July 01, 2024
Programme Commencement	Aug 01, 2024

P.B.B.Sc. Nursing: -

Activity	Date
Programme Registration Begins	April 01, 2024
Last date of Online registration	July 15, 2024
Last Date of payment of Registration fees	July 15, 2024

SELECTION PROCESS:

Step	B.Sc. Nursing	Step	P.B.B.Sc. Nursing:
1.	Students are selected based on the eligibility criteria	1.	Students are selected based on the selection criteria
2.	Written Entrance examination is conducted based on 12th std Science syllabus (Aptitude 20 MCQ questions + English 20 MCQ questions + Physics 20 MCQ questions + Chemistry 20 MCQ questions + Biology 20 MCQ questions = Total 100 MCQs for 100 marks)	2.	Written Entrance examination is conducted based on RGNM syllabus (Total 100 MCQs marks)
3.	Merit list is prepared and sent to SIU for approval	3.	Merit list is prepared and sent to SIU for approval
4.	Once the list is approved, provisional admission letter is sent to the candidate.	4.	Once the list is approved, provisional admission letter is sent to the candidate.

Documents required at the time of Admission

B.Sc. Nursing

1. 10th & 12th Mark sheet and Passing Certificate
2. Migration Certificate
3. Leaving Certificate
4. Cast Certificate/Cast Validity if applicable
5. Certificate of change of name, if applicable supported by documentary evidence like Government Gazette Notification
6. Gap certificate if applicable
7. Aadhar Card
8. Photo

P.B.B.Sc. Nursing

1. 10th & 12th Mark sheet and Passing Certificate
2. GNM Mark sheet 3 years
3. GNM Passing Certificate
4. GNM Transfer Certificate
5. GAP Certificate (if applicable)
6. Migration Certificate
7. State Registration Certificate
8. Certificate of change of name, if applicable supported by documentary evidence like Government Gazette Notification
9. Aadhar Card
10. PAN Card
11. Photo

Orientation and Pedagogy

Orientation to the programme is offered during Induction programme. The programme is divided into Theory and Clinical blocks.

Theory

It is mandatory for the students to attend the classes in the college as well as at clinical field as per the course structure.

- Lectures
- Lecture cum demonstration
- Seminars
- Discussions
- Panel discussion
- Field visits
- Research Projects
- Online lectures using Microsoft teams, Google meet, Zoom, Schoology etc.,
- Programme instructions is used in providing teaching learning experience.

Clinical Field

Students are expected to write patient oriented assignments as outlined in the Programme Structure. Teaching pedagogies used in the clinical area for training are:

- Simulation
- Bed side clinics
- Case presentations
- Case studies

- Procedure demonstrations
- Projects
- OSCE

Teaching and learning Resources:

- ICT enabled classrooms
- Nursing Laboratories
- Advanced Skill lab: Skill based and competency driven centre to align with the National agenda of skill development for quality education and skill development.

Library details:

SCON is a splendid learning resource center. It includes books, journals, projects reports and dissertation, periodicals, CDs and DVDs

Programme Structure:

* Bachelor of Science (Nursing) [B.Sc. (Nursing)]

Semester I

Generic Core Courses and Foundational Courses

- Communicative English
- Applied Anatomy
- Applied Physiology
- Applied Sociology
- Applied Psychology
- Nursing Foundation I including First Aid module
- Nursing Foundation I including First Aid module
- Self-study/Co- curricular

Semester II

Generic Core Courses

- Applied Biochemistry
- Applied Nutrition and Dietetics
- Nursing Foundation II including Health Assessment module
- Health/Nursing Informatics & Technology
- Nursing Foundation II including Health
- Assessment module
- Self-study/Co-curricular

Semester III

Generic Core Courses

- Applied Microbiology and Infection Control including Safety
- Pharmacology I
- Pathology I
- Adult Health Nursing I with integrated pathophysiology including BCLS module

- Adult Health Nursing I with integrated pathophysiology including BCLS module
- Fitness for Life#
- Self-study/Co- curricular

Semester IV

Generic Core Courses

- Pharmacology II including Fundamentals of prescribing module
- Pathology II and Genetics
- Adult Health Nursing II with integrated pathophysiology including Geriatric Nursing + Palliative care module
- Professionalism, Professional Values and Ethics including bioethics
- Adult Health Nursing II with integrated pathophysiology including Geriatric Nursing + Palliative care module
- Self-study/Co- curricular

Semester V

Generic Core Courses

- Child Health Nursing I including Essential Newborn Care (ENBC), FBNC, MNCI and PLS, modules
- Mental Health Nursing I Community Health Nursing I including Environmental Science & Epidemiology
- Educational Technology/ Nursing Education
- Introduction to Forensic Nursing and Indian laws
- Child Health Nursing I including Essential Newborn

Care (ENBC), FBNC, IMNCI and PLS, modules

- Mental Health Nursing- I Community Health Nursing I including Environmental Science & Epidemiology
- Integrated Disaster Management*
- Self-study/Co- curricular

Semester VI

Generic Core Courses

- Child Health Nursing II
- Mental Health Nursing II
- Nursing Management & Leadership
- Midwifery/Obstetrics and Gynecology (OBG) Nursing I including SBA module
- Child Health Nursing II
- Mental Health Nursing II
- Midwifery /Obstetrics and Gynecology (OBG) Nursing I including SBA module
- Self-study/Co- curricular

Generic Elective Courses (Choose any one from the Electives)

- Flexi Credit Course (Personality Development)
- Flexi Credit Course (Sports Health)
- Flexi Credit Course (CBT)
- Flexi Credit Course (Health Economics)
- Flexi Credit Course (Adolescent Health)

Semester VII

Generic Core Courses

- Community Health Nursing- II
- Nursing Research & Statistics
- Midwifery/Obstetrics and Gynecology (OBG) Nursing II including Safe delivery app module
- Community Health Nursing II
- Midwifery/Obstetrics and Gynecology (OBG) Nursing II including Safe delivery app module
- Self-study/Co-curricular

Generic Elective Courses (Choose any one from the Electives)

- Flexi Credit Course (Scientific writing skills)
- Flexi Credit Course (Stress Management)
- Flexi Credit Course (Job readiness & employability in health care setting)
- Flexi Credit Course (Lactation Management)
- Flexi Credit Course (Sexuality & Health)

Semester VIII

Generic Core Courses

- Community Health Nursing
- Adult Health Nursing
- Child Health Nursing
- Mental Health Nursing
- Midwifery

*** Courses are subject to change**

Programme Structure:

* Post Basic Bachelor of Science (Nursing) [P.B.B.Sc. (Nursing)]

Year I

Courses and Specialization

- *English (Qualifying)
- Nutrition & Dietetics
- Biochemistry & Biophysics
- Nursing Foundation
- Psychology
- Maternal Nursing (Theory)
- Child health Nursing (Theory)
- Microbiology
- Medical & Surgical nursing (Theory)
- Maternal Nursing (Practical)
- Child Health Nursing (Practical)

- Medical & Surgical Nursing (Practical)
- Integrated Disaster Management

Year II

Courses and Specialization

- Sociology
- Community Health Nursing (Theory)
- Mental Health Nursing (Theory)
- Introduction to Nursing Education
- Introduction to Nursing

- Administration
- *Introduction to Nursing Research & Statistics (Theory)
- *Introduction to Nursing Research & Statistics (Practical)
- Community Health Nursing (Practical)
- Mental Health Nursing(Practical)
- Service Learning
- Fitness for Life

*** Courses are subject to change**

Dr. Gagan Prakash
Director

DIRECTOR'S PROFILE:

Dr. Gagan Prakash, the Director of Symbiosis School of Visual Arts and Photography (SSVAP), has a 13-year tenure as an educator in the realm of Visual Media. His expertise spans across Photography, Cinematography, and Visual Communication, reflecting a deep commitment to nurturing talent in the visual arts.

In his role as Director, Dr. Prakash is dedicated to delivering the finest education and fostering comprehensive development among aspiring visual artists. SSVAP stands as a testament to this vision, continually innovating in both learning and teaching methodologies while ensuring the curriculum remains at the forefront of industry standards.

Dr. Prakash is particularly enthusiastic about forging collaborations between SSVAP and industry stakeholders, as well as academic institutions. This strategic approach ensures students receive a well-rounded education in the ever evolving visual arts landscape.

As an academician and researcher, Dr. Prakash has authored a book in Visual Communication, contributed to over six academic research papers, and actively participated in various research conferences. His scholarly pursuits are centered around Visual Media, Photography, and Films.

Institute Profile

Symbiosis School of Visual Arts and Photography, (SSVAP) Pune, established in 2011, is situated on a scenic hilltop campus at Symbiosis International University, Lavale in Pune.

SSVAP Pune offers two programmes – BA in visual arts and photography and diploma in digital cinematography. The BA degree is an undergraduate 3 years programme offering a total of three photography major specializations such as Commercial Photography, Photojournalism and Documentary Photography and Wildlife and travel photography along with two non-photography minor specializations such as Film techniques and Cinematography Visual effects. The diploma in Digital Cinematography is a 1 year programme offering various practical oriented courses to students.

The backbone of SSVAP Pune is its highly skilled faculty and their unique pedagogy. SSVAP Pune offers a holistic approach in training students as per the professional industry standards. The pedagogy is an amalgamation of research oriented theoretical foundations with practical on-field experience, short field visits and long study tours. The in-house faculty are industry professionals – photographers, artists, graphic designers and film-makers

who orient their professional skills towards matching up with the policy of outcome based education offered at SIU.

The Research and Innovation Cell at Symbiosis School of Visual Arts and Photography is established with the name Innovation in Multimedia Arts and Graphics Education (IMAGE) to foster creativity, innovation, and scholarly pursuits among the 1st-year BA students. The primary objective is to engage students in a comprehensive research and innovation program, spanning from the 1st year to the 5th semester, providing opportunities to work on diverse projects under the guidance of mentors.

SSVAP Pune provides the best available infrastructural support to ensure the all-round development of the students. The Central Library at SSVAP Pune has a collection of over 20000 books, journals, magazines, and other related texts. There are 3 boys' hostels and 3 girl's hostels at SSVAP Pune where the students are accommodated. SSVAP Pune conducts its regular classes in spacious studios. There are a total of 4 studios with state-of-art technology and camera equipment. Apart from the studios, SSVAP Pune also has research incubation centers, dark room procession centers and digital post-production laboratory. The Campus also has a cafeteria and a sprawling sports arena for the facilities to be availed by the students and staff.

Programme Profile

1. B.A. (Visual Arts & Photography)

The Symbiosis School of Visual Arts and Photography aims to train and guide the students in all the major disciplines of photography. An Under Graduate programme (BA in Visual Arts & Photography) has been designed to create a holistic approach instead of just a technical one.

To provide an in-depth study and understanding of the Basics of Design along with Liberal Arts, Advanced Photography, and Industry Internship and finally create a strong portfolio that will enable the student to step into the professional world of photography.

2. Diploma in Digital Cinematography

We now introduced a 1-year Diploma in Digital Cinematography. This addition expands our commitment to providing diverse learning opportunities, preparing students for the evolving landscape of visual storytelling.

Duration of the Programme

B.A. (Visual Arts & Photography)	: 3 Years, Full time Non Residential
Diploma in Digital Cinematography	: 1 Year, Full time Non Residential

Intake

B.A.	: 50 Seats
DDC	: 15 Seats

Eligibility

Passed Standard XII (10+2) or equivalent examination from any recognised Board.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process

B.A. (Visual Arts & Photography)

Online CVPI (Creative Visualization & Personal Interaction)

Reservation of Seats: As per University norms.

Orientation and Pedagogy

At Symbiosis School of Visual Arts and Photography, a new batch is welcomed with various expert sessions and activities. The 6-day induction program usually starts with a talk delivered by an eminent field expert as the chief guest. This is followed by 4 days of intense talks by industry experts. We also engage our new students in Alumni talks during this program.

The visual art program has courses, academic curriculum and an evaluation process which is updated regularly. In order to give over-all and industry related learning, pedagogy of the program is multi-dimensional. With the help of academic council, alumni experts, industry experts, internal faculty and students we structure our teaching methodology.

Keeping the skills and requirements of the industry in mind, SSVAP engages in various pedagogy methods such as in-class teaching, group learning, studio-based classes, on-field classes, field projects, live projects, guest lectures, simulation, industry visits and internships

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

* Bachelor of Arts (Visual Arts and Photography)

Semester : 1

Generic Core Courses

- History of Art and Photography
- Creative Writing
- Photography Essentials
- Introduction to Theatre
- Basic Art and Visualization
- Global Culture and Emerging Issues
- Integrated Disaster Management

Generic Elective Courses Group (Choose any one course)

- Basic French I
- Basic Spanish I

Semester : 2

Generic Core Courses

- Introduction to Visual Aesthetics
- Visual Lensing
- Dark Room Processes
- Indian Art and Culture
- Communication Skills
- Project I
- Fitness for Life
- Basics of Visual Art Forms
- Digital Art

Generic Elective Courses Group (Choose any one course)

- Basic French II
- Basic Spanish II

Semester : 3

Generic Core Courses

- Visualisation in Photography
- Basic Psychology
- Digital Design Software
- Project II

- Introduction to Photojournalism
- Fashion Photography fundamentals
- Fundamentals of Product Photography
- Fine Arts Photography
- Human-Animal Conflicts

Generic Elective Courses Group - I (Choose any two courses)

- Images, Lensing and Space
- Colour Theory and Composition
- Art of Visual Effects
- Basics of Sketching and Drawing

Generic Elective Courses Group - II (Choose any one course)

- Fundamentals of Scripting
- Introduction to animation skills

Semester : 4

Generic Core Courses

- Global Environmental Challenges
- Conceptual Photography
- Flexi-Credit Course
- Social Responsibility Project

Specialization Core Courses : Commercial Photography (Major)

- Art Direction for Fashion Photography
- Interior and Architectural Photography
- Lighting for fashion & portrait Photography
- Lighting for product photography

- photography
- Set design skills for Product Photography

Specialization Core Courses : Photo Journalism and Documentary Photography (Major)

- Interior and Architectural Photography
- Medical and forensic photography
- Photojournalistic practices
- Rise of Street Photography
- Sports Photography

Specialization Core Courses : Wildlife and Travel Photography (Major)

- Medical and forensic photography
- Interior and Architecture Photography
- Wildlife and Nature Photography
- Indian Culture & Landscapes

Specialization Core Courses : Film Techniques and Cinematography (Minor)

- Art Direction
- Cinematic Lighting basics
- Emerging Editing Techniques
- Storyboarding

Specialization Core Courses : Visual Effects (Minor)

- Art of Storytelling
- Art of Visual Effects
- Introduction to animation skills
- Pixilation and Stop motion

Srijan Exhibition

Semester : 5

Generic Core Courses

- Curation and Review
- Internship

Specialization Core Courses

: Commercial Photography (Major)

- Allied skills in Fashion Photography
- Automobile Photography
- Craft of wedding & event photography
- High End Retouching
- Story of Brands

Specialization Core Courses : Photo Journalism and Documentary Photography (Major)

- Documentary Filmmaking

- Documentary Photography & Photojournalism
- Flexi-Credit Course
- Food Photography
- Photojournalistic Laws & Ethics

Specialization Core Courses : Wildlife and Travel Photography (Major)

- High End Retouching
- Documentary Film-Making
- Travel and Landscape Photography
- Environmental Documentation & conservation

Specialization Core Courses : Film Techniques and Cinematography (Minor)

- Cinematic Lighting II
- Directing for Cinematographers

Specialization Core Courses : Visual Effects (Minor)

- Graphic & Animation Design
- Motion graphics and CGI
- Rotoscopy Animation

Semester : 6

Generic Core Courses

- Portfolio Making
- Personality Development
- Flexi-Credit Course

*** Courses are subject to change**

Prof. Sanjeevani Ayachit
Director

Director Profile

Dr. Sanjeevani Ayachit is currently the Director at the Symbiosis Institute of Design and Dean of the Faculty of Architecture and Design at Symbiosis International (Deemed University). She holds a PhD from SIU, a Master's degree in Clothing and Textiles from M. S. University of Baroda and 23+ years of experience in the field of apparel design, design education and consultancy.

On completing her Masters' education, she worked at the prestigious men's apparel company Raymond Apparel Ltd. (RAL), Thane, where she oversaw their finishing and quality control department. After spending a few years at RAL, she took up a temporary teaching position at the S. N. D. T. College of Home Science, Pune. This was soon followed by a three-year period of teaching fashion design at a private fashion institute. She has also worked as Manager – Quality Control at a Pune based apparel brand, Sleepins Apparel Pvt. Ltd.

Dr. Sanjeevani headed the departments of Fashion Design and Fashion Communication at SID for several years and has also served as Deputy Director. She has completed her PhD at Symbiosis International (Deemed University) examining cross-cultural subtleties of costumes of the Peshwas of Pune. Her research interests lie in the areas of heritage Indian textiles and costumes, fashion design process, design thinking and inclusive design. An avid reader and researcher, Sanjeevani has co-authored a book documenting the historic textiles and costumes in the collection of the Kelkar Museum in Pune, India. She has presented research papers at several conferences and published her research in reputed journals. She has been invited as a PhD thesis examiner by a university of repute in Rajasthan and is a Board of Studies member at a Bengaluru based university. She has also been a reviewer of research papers for Illinois based Common Ground Research Network, USA.

Institute Profile

A constituent of Symbiosis International (Deemed University), Symbiosis Institute of Design, Pune is a premier design school of the country. The institute offers Bachelor of Design (B.Des) program in four major disciplines; Communication Design, Industrial Design, Fashion Design and Fashion Communication. The Communication Design discipline offers further specializations in Graphic Design, Video Film Design, Animation Film Design and User Experience Design. The Industrial Design discipline offers further specializations in Product Design and Interior Space Design.

The design curriculum at SID generates opportunities to incubate original thoughts and implement design

knowledge and skills on a creative platform. The simulative environment galvanizes students to imbibe contemporary skills while exploring non-conventional techniques to achieve design goals. The curriculum aims at creating professionals who with their creative impulse and skillful ability participate and contribute to the highly dynamic and competitive world of design. This is ensured by a team of professional faculty who instruct, inspire and mentor students utilizing their technical and design expertise while also encouraging the development of individual style. The well-stocked library, access to latest research databases, state-of-the-art infrastructure, labs, studios and workshops ensure a conducive learning environment where students can nurture their creative ideas to fruition. This has ensured that SID holds a coveted position among the top design schools in the country. As an added bonus, several courses are supported by leading industry practitioners and many others have well known visiting lecturers. Internships and design projects are built into the curriculum to ensure industry exposure and field trips and industrial visits add on to the professional experience. An active Industry Interaction Cell ensures a continuous dialogue with the industry and assists students in securing internships and placement opportunities. SID is also a member of several national as well as international professional networks which benefit the students in terms of opportunities for participation in design competitions, design events, conferences and seminars thus enhancing their outlook towards the dynamic nature of the design field.

Programme Profile

The institute offers four years full time degree programme, Bachelor of Design (B.Des) in following 8 specializations.

1. Graphic Design (GD)
2. Video Film Design (VFD)
3. Animation Film Design (AFD)
4. User Experience Design (UED)
5. Product Design (PD)
6. Interior Space Design (ISD)
7. Fashion Design (FD)
8. Fashion Communication (FC)

The specializations mentioned from 1 to 4 above fall under the discipline Communication Design (CD) and 5 to 6 fall under Industrial Design (ID).

The curriculum aims at creating professionals who with their creative impulse and skillful ability participate and contribute to the highly dynamic and competitive world of design. The institute puts high emphasis on evaluating the students based on continuous performance and projects.

Students of 1st year visit Zapurza Museum of Art and Culture.

Name of the Programme:

- **Bachelor of Design**

Duration:

- Bachelor of Design : 4 years Full Time Non Residential

Intake:

- Bachelor of Design : 180 Seats

Eligibility:

A candidate must have passed 10+2 (any stream; eg. Science, Commerce, Arts, etc.) or equivalent OR 10+3 diploma approved by State Board of Technical Education with minimum 50% (SC/ST - 45%) aggregate marks obtained in the final examination to be eligible for the above-mentioned programme.

A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma programme may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned programme.

IMPORTANT:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

- **Admission Process**

Admission to B.Des programme of SID will be according to the following process.

Level 1	Online Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SID website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SID's Portfolio Review and Personal Interaction (PRPI). Shortlisting for admission will be based only by specialization selected during online registration.
Level 2	Upload the Portfolio on the portal a day prior to the PRPI (Portfolio Review and Personal Interview).
Level 3	Complete the PRPI Task. This will be shared 3 days prior to the chosen date of online PRPI. Upload the PRPI Task on the portal a day prior to the PRPI.
Level 4	Appear for the online Portfolio Review and Personal Interaction (PRPI)

Final selection will be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Portfolio Review, PRPI Task and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and the chosen specialization.

- **Reservation of Seats:** As per University norms.

- **Important Dates**

Details	Date
SEED Registration closes on	December 31, 2023 (Sunday)
SEED Payment closes on	December 31, 2023 (Sunday)
Admit Card Live on (www.sid.edu.in)	January 6, 2024 (Saturday)
SEED 2024 (Computer Based Test Mode)	January 14, 2024 (Sunday)
Announcement of Result	January 24, 2024 (Wednesday)
Last date to apply for Institute	December 31, 2023 (Sunday)
Declaration of shortlisting for PI	January 30, 2024 (Tuesday)
Dates of PRPI Process: - Phase 1	From: March 29, 2024 (Friday)
	To: March 31, 2024 (Sunday)
Dates of PRPI Process: - Phase 2	From: April 5, 2024 (Friday)
	To: April 7, 2024 (Sunday)
Declaration of First Merit List	April 18, 2024 (Thursday)
Programme Commencement	July 2024

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.sid.edu.in

- **Orientation and Pedagogy**

Design pedagogy or design education may be defined as the set of practices and systems for the training in the field of design; the ways and methods of teaching for the acquisition of necessary knowledge and skills in order to practice the design profession. Design pedagogy at SID follows a combination of techniques entrenched in 'Art and Design' as well as Engineering. The increasing diversification of the design domain and the introduction of specializations related to new technologies have introduced further complexity into the design education landscape

SID uses a combination of Lecture, Studio and Practical sessions in combination with Demonstrations, Film Screenings, Industry Visits, Cultural Visits, Case Studies and Group Discussions. This variety of learning techniques enhances the learning experience of students making them better equipped to undertake design assignments and projects. Student's work and project based assignments are continuously evaluated on the basis of daily performance as well as semester end juries.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2024-2028 in the Academic Year 2024-2025-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Design	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 467,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Design	1st Year 2024-25 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 233,500	₹ 233,500
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 253,500	₹ 233,500
Last date of payment	At the time of Admission	25-Nov-2024

Shilpkatha inauguration by Chief Guest Ms. Shefali Vaidya, Ms. Mala Sinha and Ms. Mansi Sanghi.

**Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Viman Nagar Campus Only)	Amount in ₹ for 1st year 2024-25		
	Total Fees	1st Installment	2nd Installment
Mess Fees (Per Annum) @	₹ 94,500	₹ 47,250	₹ 47,250

Programme Structure

Semester : 1

Generic Core Courses

- Elements of Design
- Drawing for Design
- Culture and Design
- History of Art, Design and Technology
- Exploring Materials and Forms
- Creative Critical Thinking

Semester : 2

Generic Core Courses

- Fitness for Life

Specialization Core Courses :

Communication Design - Graphic Design

- Visualization and Concept Building
- Introduction to Graphic Design
- Basic Typography
- Sketching and Drawing for Graphic Design
- Society, Environment and Design
- Principles of Design

Generic Elective Courses Group

- Expressions through Performing Arts
- Fashion Design and Accessories
- Innovative Craft and Painting Techniques
- Innovative Design Processes
- 3D Explorations and Material Handling

Semester : 3

Specialization Core Courses :

Communication Design - Graphic Design

- Design Processes and Thinking
- Elements of Graphic Design
- Information Collection and Analysis
- Information Collection and Analysis
- Introduction to Photography
- Graphic Design Digital Tools - Basic
- Typography and Publication Design
- Graphic Design Project - 1
- Typography and Publication Design
- Graphic Design Project - 1

Specialization Core Courses :

Communication Design - Video Film Design

- Design Processes and Thinking
- Introduction to Photography
- Scriptwriting
- Cinema Appreciation
- Film Language
- Fundamentals of Camera, Sound and Lighting

Specialization Core Courses :

Communication Design - Animation Film Design

- Design Processes and Thinking
- Introduction to Photography
- Cinema Appreciation

- Film Language
- Fundamentals of Camera, Sound and Lighting
- Basics of Classical Animation

Specialization Core Courses :

Communication Design - User Experience Design

- Design Processes and Thinking
- Introduction to Photography
- Digital Design Tools for UX
- Introduction to User Experience Design
- Visual Ergonomics and HCI - Basic

Specialization Core Courses :

Industrial Design - Product Design

- Design Processes and Thinking
- Introduction to Photography
- Introduction to Product Design
- Materials and Processes for Industrial Design - 1
- Product Engineering Drawing
- Material Studio

Specialization Core Courses :

Industrial Design - Interior Space Design

- Design Processes and Thinking
- Introduction to Interior Design
- History of Interior Design - 1
- Material Studio
- Representation Techniques - 1
- Space and Form Studies

Specialization Core Courses : Fashion Communication

Design Processes and Thinking

- Introduction to Photography
- Fashion Studies
- Introduction to Graphic Design
- Visual Merchandising for Fashion Retail

Specialization Core Courses : Fashion Design Design Processes and Thinking

- Introduction to Photography
- Elements of Fashion and Illustration
- Fabric Study - 1
- Pattern Making and Garment Construction - 1

Generic Elective Courses Group - I Generic Elective Courses Group - I

- Learning and Creating Exhibition Display
- Introduction to Storytelling
- Fundamentals of Integrated Marketing Communication
- Essentials of Brand Management
- Introduction to Entrepreneurship
- Basic French I
- Applied Nutrition
- Fundamentals of Marketing
- Introduction to Public Relations
- Introduction to Advertising Strategy

- My Nutrition Guide
- Basic German I

Semester : 4

Specialization Core Courses : Communication Design - Graphic Design

- Visual Concept Representation
- Photography for Graphic Design
- Basics of User Interface/ Experience Design
- Basics of Media and Film Design
- Graphic Design Digital Design
- Elements of Information Systems Design
- Graphic Design Project - 2

Specialization Core Courses : Communication Design - Video Film Design

- Pre-Production Design
- Elements of Direction
- Elements of Editing
- Sound Design
- Production Art Design
- Elements of Cinematography
- Mini Project 1 - Video Film Design
- Digital Design Tools - Film Media

Specialization Core Courses : Communication Design - Animation Film Design

- Pre-Production Design
- Elements of Direction
- Elements of Editing
- Sound Design

- Production Art Design
- Digital Design Tools - Film Media
- Animation Drawing
- Digital Rendering Techniques for Animation

Specialization Core Courses : Communication Design - User Experience Design

- Visual Identity Design for HCI
- Information Design
- Information Organization for WEB / Mobile Design
- User Interface Design
- Visualization of Narrative Structure
- Psychology in UX
- UX Writing

Specialization Core Courses : Industrial Design - Product Design

- Introduction to Computer Aided Drafting
- Introduction to Graphics and Packaging Design
- Materials and Processes for Industrial Design - 2
- Product Analysis and Functional Design
- Product Ergonomics - 1
- Product Representation Techniques

Specialization Core Courses : Industrial Design - Interior Space Design

- Ergonomics for Space Design
- Interior Design Materials and Methods-1
- Interior Space Planning and Layout
- ISD Project - 1
- History of Interior Design - 2

- Representation Techniques - 2
- Services in Interior Design - 1

**Specialization Core Courses :
Fashion Communication
Fashion Merchandising,
Marketing and Retailing**

- Illustration Techniques and Exploration
- Digital Design Tools - Visual Media
- Materials and Processes for Fashion Retail
- Fashion Styling
- Visual Identity Design

**Specialization Core Courses :
Fashion Design Textiles and
Surface Craft**

- Apparel Manufacturing and Merchandising
- Pattern Making and Garment Construction - 2
- Fabric Study - 2
- Fashion Rendering and Illustration

Semester : 5

Generic Core Courses

- Craft Documentation Internship
- Integrated Disaster Management

**Specialization Core Courses :
Communication Design - Graphic
Design**

- Graphic Design Project - 1
- User Interface Graphics
- Advanced Illustration Techniques
- Advertising Design
- Brand Communication Design

**Specialization Core Courses :
Communication Design - Video
Film Design**

- Graphic Design - Film Media
- Post Production
- Video Film Project - 1
- Mini Project 2 - Video Film Design

**Specialization Core Courses :
Communication Design -
Animation Film Design**

- Graphic Design - Film Media
- Post Production
- Advanced Classical Animation
- Animation Film Production : Stop Motion

**Specialization Core Courses :
Communication Design - User
Experience Design**

- User Interface Graphics
- Information Architecture for UX
- Interaction Design
- UED Project - 1
- User Studies & Design Research

**Specialization Core Courses :
Industrial Design - Product Design**

- Craft Documentation Presentation
- Materials and Processes for Industrial Design - 3
- Product Design Project - 1
- Product Ergonomics - 2
- Studies in Form
- Computer Aided Industrial Design - 1

**Specialization Core Courses :
Industrial Design - Interior Space
Design**

- Craft Documentation Presentation
- Interior Design Materials and Methods - 2
- ISD Project - 2
- Services in Interior Design - 2
- Computer Aided Interior Design

**Specialization Core Courses :

Award winning graduating students with Mr. Satish Gokhale,
Director (Design Directions Pvt Ltd), Chief Guest for Design Showcase 2023.

A photograph of the Symbiosis School of Culinary Arts building, a multi-story structure with a mix of orange and red facades and large glass windows. The building is set against a blue sky with scattered white clouds. In the foreground, there is a green lawn with a flower bed and a few people walking. A large purple arrow graphic points from the building towards the text on the right.

Prof. Atul A. Gokhale

MBA, CHE, MIH
Director

Director's Profile:

Prof. Atul A Gokhale is a Chef and Academician with 30 years of experience in India and abroad in the field of teaching, administration, and food service industry. He specialises in European and Indian cuisine. Food Science and Food Art though has lot of areas for collaboration but he believes that beyond a certain limit culinary art, like any other art cannot and should not be well put to test of science every time.

He graduated from IHM Bhubaneswar and is an MBA graduate. He is nominated as member on American Hotel and Lodging Educational Institute (AHLEI) Education Certification Advisory Council. He is a Certified Hospitality Educator (CHE) and master trainer from the AHLEI, USA. He has experience in running Hotel Schools in India and the Gulf countries especially in Bahrain and Saudi Arabia. He was instrumental in designing the National Skills Qualification Framework for the Hospitality Skills trade in Bahrain.

As an Entrepreneur he has done project consultancies for hotels and restaurants and owned and operated "Pinch of Salt" a corporate catering & consultancy service firm.

He is a Member (MIH) of Institute of Hospitality (IoH, UK) since July 2005 and member faculty of AHLEI, Orlando, USA, since 2006.

He is a member of Toastmasters International since 2011 and is a certified Competent Communicator and Competent Leader.

Institute Profile:

Symbiosis School of Culinary Arts (SSCA) is a constituent of Symbiosis International University, founded in 2016, and is the first school fully dedicated in offering niche qualifications in culinary science and arts in the country. SSCA was established with a view to cater to the need of the Food Industry to train and develop specialized culinary professionals. Our flagship Bachelor's degree in Culinary Arts has been one of the most sought after culinary degree in the country.

In order to cater to growing demand of well-trained hospitality professionals, SSCA has started a specialized Hospitality Management bachelor's degree from 2020.

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. The forecasted 8% growth of Indian tourism industry for the next 10 years* along with the global market trends of ever increasing number of travels for business and leisure, the long term outlook for the hotel &

hospitality industry is indeed positive. Hospitality sector has now become a significant industry in India. It is a sun rise industry, an employment generator, a significant source of foreign exchange for the country. The booming tourism industry has had a cascading effect on the hospitality sector with an increase in the occupancy ratios and average room rates.

Hospitality and Food service is among the fastest developing sector in the world. The projected growth is expected to throw open many opportunities for Indian students to pursue career in both hospitality and food service industry. During the last decade, culinary has emerged as a preferred career option in the food service industry.

Keeping in view the increasing demand for specialized programs both in Culinary and Hospitality field, SSCA offers two unique three- year, full-time bachelor's degree programmes- BSc (Culinary Arts) and BSc (Hospitality and Culinary Management). Both our programmes are designed to prepare students for a wide range of career options in Culinary and Hospitality fields.

Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organizations.

Innovation in culinary field, adaptability, business ethics and social responsibility are emphasized to develop students into becoming leaders as well as responsible citizen.

Going one step ahead we are happy to announce our two year Master's Programme (Food Technology and Food Enterprise Management) commencing AY 2024-25

Programme Profile:

The objectives of the proposed programme are to:

- Develop a professional understanding of the hospitality industry that will provide immediate career opportunities.
- Develop the right skills necessary in hospitality and allied industries so as to meet the requirements according to the industry expectations.
- Develop the required skills in Food & Beverage Production.
- Develop the required skills in Food & Beverage Service.
- Develop the required skills in House Keeping & Front Office Operations.
- Develop the required skills in Sales and Marketing, General Management, Entrepreneurship and Revenue Management.
- Develop the required skills in Communication for a better career in the Hospitality Industry.
- Provide the basic knowledge in Hygiene, Food Safety & Nutrition, in line with International standards.
- Enable the candidates to manage any Hospitality, Tourism and other allied Industries.

Orientation and Pedagogy:

The study of fact, theory and concept is not sufficient to educate a culinary and hospitality professional. The individual must have the opportunity to see the skills, processes and ingredients in action, and to practice them. Culinary and Hospitality involves high level of motor and interpersonal skills learning. The profession requires a great combination of the art and science, and these skills can only be learned in practice.

Pedagogy at SSCA, Pune is largely based on this principle and is a mix of many learning methodologies. Apart from the usual chalk-n-talk, there is a conscious effort to make the sessions interactive by using case studies and references of latest developments in the culinary and hospitality field. The pedagogy at SSCA is designed to incorporate the appropriate practical components to have a thorough grounding in the art and science of practical learning.

In addition, students are encouraged to undertake multiple hands-on projects to hone their research and analytical skills. Latest state-of-the-art equipment and techniques are used wherever possible. Ample guest lectures are organized by inviting Industry leaders, managers, specialists Chefs and Leading Celebrity Chefs for classroom inputs and demonstrations. Field visits to relevant areas of culinary and hospitality skills are also a regular feature. SSCA also offers an opportunity to the students to get a first-hand feel in managing food events, outlets and pastry shop.

Symposium on developing culinary tourism circuit in Maharashtra

Dr. Nandini Kulkarni
Officiating Director

DIRECTOR'S PROFILE:

Dr Nandini Kulkarni is currently the Officiating Director at the Symbiosis School of Planning, Architecture and Design. She is a Doctorate and the Ph D was awarded her on “Investigating The Impact of Quality of Life on the Peri urban Area of Metro cities.”

With a Master's degree in Urban Planning from VNIT, and Bachelor of Architecture, she has also completed the Bachelor of Technology in Interior Design. With the vast experience in the field of Architecture, Planning and Interior Design, she has Independently completed the designing and construction of Residences, commercial buildings and Multispecialty Hospital Building. She has a specialisation in designing a module for the Urban – Rural fringe area development with respect to Quality of Life of the people residing in fringe areas.

Dr. Nandini is an author of a Book titled “The Urban Edges”. The book is an effort to evolve and present A humane approach for planning urban fringes / peri urban areas in Indian cities.

Dr Nandini has a wide experience of more than 25 years including professional Architectural practice and teaching . She is also a National awardee of Birla White “YuvaRatna” National award for three years and Birla White “YuvaRatna” Regional award for two years.

Institute Profile

Symbiosis School of Planning Architecture and Design (SSPAD) is an institution, which brings together a perfect blend of three streams namely planning, architecture and design under one roof. We offer a five-year degree programme in Bachelor of Architecture (B. Arch), a four-year Bachelor of Design (B. Design) undergraduate degree wherein, the students opting for these programs choose their discipline of choice and will engage for four years honing the skills that will allow them to be industry ready at the end of it.

Design is a field where you use your creative abilities to conceptualize most of the things that you see around you. From the clothes that you are wearing to the bag that you are carrying, this booklet that you are reading, and the frames of the glasses that you are using if you are wearing specs, the furniture that you see around you, the material that you see in movies, all is ‘designed’. It is a lifetime commitment.

Programme Profile

Bachelor of Design programme is aimed at sculpting professionals who:

- Contribute to the highly dynamic world of design
- Develop basic know-how of visual perception
- Pertain professional attitudes
- Spread awareness in the historical and modern aspects of design

The first year (Foundation) comprises Semesters 1 is common for all disciplines of the B. Des Programme

SSPAD offer the Four-year Degree Program of Bachelor of Design in following streams-

- a. Communication Design- Graphic Design
- b. Communication Design- User Experience Design
- c. Communication Design- Game Design
- d. Communication Design- Animation Film Design
- e. Industrial Design- Interior Space Design

Duration of the Programme : 4 Year Full Time, Non-Residential

Intake : 90 Seats

Eligibility :

Passed Standard XII (10+2) or equivalent examination from any recognised Board or 10+3 diploma approved by State Board of Technical Education with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process :

Admission to B.Des programme of SSPAD will be according to the following process.

1. Online Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SSPAD website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SSPAD's Portfolio Review and Personal Interaction (PRPI). Shortlisting for admission will be based only by specialization selected during online registration.
2. Upload the Portfolio on the portal a day prior to the PRPI. For portfolio specifications
3. Perform the PRPI Task. This will be shared 3 days prior to the chosen date of online PRPI. Upload the PRPI Task on the portal a day prior to the PRPI.
4. Appear for the online Portfolio Review and Personal Interaction (PRPI)

Final selection would be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Portfolio Review, PRPI Task and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and the chosen specialization.

Reservation of Seats: As per University norms.

IAC-2023

Programme Structure:

*Bachelor of Design

Semester : 1

Generic Core Courses

- Design Fundamentals - 1
- Sketching and Drawing - 1
- Culture and Design
- Craft Design Studies - 1
- History of Art and Design

Semester : 2

Generic Core Courses

- Basics of Media and Film Design
- Integrated Disaster Management
- Fitness for Life
- Introduction to Photography

Specialization Core Courses : Communication Design - Graphic Design

- Introduction to Graphic Design
- Elements of Graphic Design
- Illustration Techniques and Exploration

Specialization Core Courses : Communication Design - User Experience Design

- Digital Design Tools for UX
- Introduction to User Experience Design
- Visual Ergonomics and HCI - Basic

Specialization Core Courses : Industrial Design - Interior Space Design

- Material Studio
- Introduction to Interior Design
- Space and Form Studies
- Process of Design, Visualization and Rendering Techniques

Specialization Electives:

Communication Design - Graphic Design (Choose Any Two Courses)

- Introduction to User Experience Design
- Specialization Elective: Communication Design - User Experience Design (Choose Any One Course)
- Introduction to Product Design

Specialization Elective : Industrial Design - Interior Space Design (Choose Any One Course)

- Introduction to Product Design

Semester : 3

Generic Core Courses

- Design Processes and Thinking
- Information Collection and Analysis

Specialization Core Courses : Communication Design - Graphic Design

- Visual Concept Representation
- Typography and Publication Design

Specialization Core Courses : Communication Design - User Experience Design

- Visual Ergonomics and HCI - Advance
- User Interface Design
- UED Project - 1

Specialization Core Courses : Industrial Design - Interior Space Design

- Interior Design Materials and Methods - 1
- Interior Space Planning and Layout
- ISD Project - 1

Specialization Elective:

Communication Design - Graphic Design

- Basics of User Interface / Experience Design
- Digital Design Tools for UX
- Media and Advertising for Fashion

Specialization Elective: Industrial Design - Interior Space Design (Choose Any One Course)

- Ergonomics for Space Design

Semester : 4

Specialization Core Courses : Communication Design - Graphic Design

- Graphic Design Project - 1
- Brand Communication Design
- Visual Identity Design for HCI

Specialization Core Courses : Communication Design - User Experience Design

- Information Design
- Information Organization for WEB / Mobile Design
- UED Project - 2

Specialization Core Courses : Industrial Design - Interior Space Design

- ISD Project - 2
- Services in Interior Design - 1
- Product and Space Ergonomics
- Interior Design Materials and Methods - 2

Generic Elective Courses Group (Choose Any One Course)

- Accessory Design
- Advanced Digital Design
- Advanced Elements of Design
- Advanced Photography for Design
- Advanced Rendering Techniques

- Communication for Creative Industry
- Design Thinking and Innovation - Advanced
- e-Learning Design
- Exhibition and Ramp Design
- Exhibition Design
- Experimental Typography
- Game Design for UX
- Graphic Printing Technology
- Information Design
- Instructional Design
- Interior Product Design
- Mobile Applications Interface Design
- Product Interface Design
- Semantics and Semiotics
- Sustainable Design
- Transportation Design
- Visual Narrative
- Advertising Film Design
- Digital Video Communication
- Motion Graphics and Compositing
- Advanced PR Writing Skills

**Specialization Elective:
Communication Design - Graphic Design (Choose Any Two Courses)**

- Interaction Design
- User Interface Graphics

**Specialization Elective:
Communication Design - User Experience Design (Choose Any Two Courses)**

- Studies in Form
- Visual Identity Design

Specialization Elective: Industrial Design - Interior Space Design (Choose Any Two Courses)

- Studies in Form

Semester : 5

Generic Core Courses

- Core Environmental Studies

**Specialization Core Courses :
Communication Design - Graphic Design**

- Graphic Design Project - 2
- Packaging Design and Printing Technology
- Environmental Graphic Design

**Specialization Core Courses :
Communication Design - User Experience Design**

- UED Project - 3
- User Studies & Design Research
- Information Architecture for UX

**Specialization Core Courses :
Industrial Design - Interior Space Design**

- ISD Project - 3
- Garden and Landscape Design
- Working Drawing
- Computer Aided Interior Design

Generic Elective Courses Group (Choose Any One Course)

- Accessory Design
- Advanced Digital Design
- Advanced Elements of Design
- Advanced Rendering Techniques
- Advertising Film Design
- Creative Book Design
- Design Thinking and Innovation - Advanced
- Digital Video Communication
- e-Learning Design
- Exhibition and Ramp Design
- Experimental Typography

- Game Design for UX
- Graphic Printing Technology
- Information Design
- Interior Product Design
- Mobile Applications Interface Design
- Motion Graphics and Compositing
- Product Interface Design
- Puppetry and Theatre
- Semantics and Semiotics
- Sustainable Design
- Transportation Design
- Visual Narrative
- Advanced Photography for Design

**Specialization Elective:
Communication Design - Graphic Design**

- Fashion Branding
- Photography for Graphic Design

**Specialization Elective:
Communication Design - User Experience Design**

- Product Ergonomics - 1

Specialization Elective: Industrial Design - Interior Space Design (Choose Any Two Courses)

- Advanced Elements of Design
- Materials and Processes for Industrial Design - 1
- Ergonomics for Space Design
- Exhibition Design
- Product Ergonomics - 1

Semester : 6

Generic Core Courses

- Craft Documentation Presentation

**Specialization Core Courses :
Communication Design - Graphic
Design**

- Graphic Design Project - 3
- Information Architecture for UX
- Advanced Illustration Techniques

**Specialization Core Courses :
Communication Design - User
Experience Design**

- UED Project - 4
- Prototyping Techniques for UX
- Usability Testing

**Specialization Core Courses :
Industrial Design - Interior Space
Design**

- ISD Project - 4
- Lighting Design
- Services in Interior Design - 2

**Specialization Elective:
Communication Design - Graphic
Design (Choose Any Two
Courses)**

- Information Architecture for UX

**Specialization Elective:
Communication Design - User
Experience Design (Choose Any
Two Courses)**

- Game Design for UX
- Materials and Processes for Industrial Design - 2
- Specialization Elective : Industrial Design - Interior Space Design (Choose Any Two Courses)

- Materials and Processes for Industrial Design - 2
- Design Detailing

**Semester : 7
Generic Core Courses**

- Summer Internship

**Specialization Core Courses :
Communication Design - Graphic
Design**

- Graphic Design Project - 4
- Advertising Design
- User Studies & Design Research

**Specialization Core Courses :
Communication Design - User
Experience Design**

- Portfolio Making
- Contemporary Trend in User Experience Design
- UED Project - 5

**Specialization Core Courses :
Industrial Design - Interior Space
Design**

- Quantities, Estimation and Specifications
- ISD Project - 5
- Graphic Design in Interiors

**Specialization Elective:
Communication Design - User
Experience Design (Choose Any
Two Courses)**

- Instructional Design
- Materials and Processes for Industrial Design - 3

**Specialization Elective :
Industrial Design - Interior Space
Design**

- Materials and Processes for Industrial Design - 3

**Semester : 8
Generic Core Courses**

- Project Business Development
- Project Business Development
- Project-Customer Relationship Management
- Project-Customer Relationship Management
- Art Appreciation
- Art Appreciation
- Short Stories from Around the World
- Short Stories from Around the World
- Service Learning
- Service Learning

Dr. K P Venugopala Rao
Officiating Director

DIRECTOR'S PROFILE:

Dr. K P Venugopala Rao is an academician with a wealth of experience in teaching, research, and academic administration. He holds a Doctorate in Commerce from Osmania University and has degrees in Law and Education. His thesis, which explored the area of Commodity Derivatives in India, reflects his deep understanding of the subject matter.

With over two decades of experience in the field, Dr. Venugopala Rao has held various academic and administrative positions in renowned educational institutions. He has taught and conducted research at esteemed universities such as Osmania University and Kakatiya University.

Dr. Venugopala Rao is an accomplished researcher with several publications in various national and international peer-reviewed journals. His interests are mainly in Accounting, Taxation, and Capital Markets.

Dr. Rao actively promotes innovative teaching pedagogy to make learning more effective and engaging for students. He is a member of BoS in Banking and Finance at Symbiosis International (Deemed University). As the officiating director for Symbiosis Centre for Management Studies, Hyderabad, he is committed to nurturing the next generation of business leaders and managers with a focus on innovative teaching pedagogy, research, and academic excellence.

Institute Profile:-

SCMS Hyderabad is the latest addition to the Faculty of Management at Symbiosis International Deemed University. Established in 2022, the institute nurtures future managers to adapt to the ever-evolving business environment and solve business predicaments compassionately. As envisioned by our Honorable Chancellor, Prof (Dr.) S. B. Mujumdar, the students are trained to work towards making the world a better place with fire in their belly, passion, and compassion in their mind and their heart respectively.

At SCMS Hyderabad, the Bachelor of Business Administration (Honours/ Honours with Research) program is offered, which is designed with insights from academia and industry experts. This comprehensive management program is an excellent opportunity for candidates to pursue their passion for business after completing their 10+2 education. Students can tailor their education to their interests and career goals with various specializations, like Finance, Marketing, Human Resource, Entrepreneurship. The highly qualified faculty members adopt a multi-disciplinary approach in imparting education based on learning by doing. Students are engaged in real-time projects, helping them acquire 21st century skills effortlessly.

Another area of focus is Internationalisation. With businesses going global, grasping the diverse practices and understanding the culture is essential. To make it possible, the institute provides the cohort with diversity not only in gender but across nationalities. Inbound international students are pursuing the program at the institute. Additionally, the student exchange programs, immersion programs, and celebration of national and international festivals provide a rich learning experience of working with a diverse population.

SCMS Hyderabad is located on a 40-acre campus in the serene environment at Mammidipally, on the outskirts of the historic city of Hyderabad. The fully residential campus has world-class infrastructure and facilities in a safe environment which helps foster academic and personal growth. The holistic approach to the BBA program nurtures well-rounded individuals ready to tackle future challenges with passion, determination, and a sense of responsibility toward society.

Eligibility:

Bachelor of Business Administration - (Honours/ Honours with Research)

Standard XII (10 + 2) pass or equivalent examination from any recognized board with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s) / eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Candidates seeking admission to SCMS, Hyderabad should have

- **Step I:** Fill up the online registration form (common for SET and SCMS Hyderabad) Register Now (Last date for registration April 12, 2024)
- **Step II:** Pay the registration fees for SET and for SCMS Hyderabad
- **Step III:** Print Admit Card for appearing in SET
- **Step IV:** Appear for SET Exam
- The Symbiosis Entrance Test for BBA (Honours / Honours with Research) is a comprehensive exam that assesses candidates' aptitude and knowledge in various areas. The assessment will be in General English (16 marks), Quantitative Aptitude (16 marks), General Awareness (16 marks), and Analytical & Logical Reasoning (12 marks). The duration of the test is 60 minutes.
- **Step V:** Check SET Results which will be declared on May 22, 2024.
- **Step VI:** Shortlisting of the candidates take place based on scores earned in SET. The shortlisted candidates will be informed through registered email and SMS. The shortlisted candidates have to attend the Personal Interaction (PI) process conducted by SCMS Hyderabad.
- **Step VII:** Generate the Call Letter which will be available on the SET portal.
- **Step VIII:** Appear for PI process on the date and time mentioned in the call letter. The candidate is required to produce the documents as specified in the call letter.
- **Step IX:** Final result will be declared on the basis of SET and PI scores which will be uploaded on website.

Note:

Online Payment for SCMS Hyderabad – Through Net Banking, account details are available on the online application form.

Offline Payment for SCMS Hyderabad– Through Demand Draft in favour of "Symbiosis Centre for Management Studies" payable at Hyderabad, to the Institute. In case payment is made by Demand Draft, please mention your name and the SET ID number on the back of the Demand Draft.

Reservation of Seats: As per University norms

Institute Profile:

The Symbiosis Medical College for Women is the brainchild of Prof. Dr. S. B. Mujumdar, the Founder and Chancellor of the Symbiosis International (Deemed University). After seeing the biographic movie about India's first lady doctor, Ms. Anandibai Joshi, the idea of creating a medical college exclusively for women was born. With an objective of women empowerment and contributing to nation building by increasing the number of female doctors, Symbiosis has established this exclusive Medical college for Women under the Faculty of Health Sciences.

The medical college is located in the scenic campus of the Symbiosis International (Deemed University) at Lavale, Pune. The annual intake will be 150 students. The medical college and its attached Symbiosis University Hospital and Research Centre have state-of-the-art infrastructure and facilities. Sister Institutes in the Lavale campus like the Symbiosis Institute of Business Management, Pune, Symbiosis Institute of Digital and Telecom Management, Symbiosis Institute of 538 Media & Communication, Symbiosis School of Biological Sciences, Symbiosis School of Photography, Symbiosis School of Culinary Arts, Symbiosis School of Sports Sciences, Symbiosis Institute of Technology, Symbiosis School of Banking and Finance & research centers like Symbiosis Centre for Waste Resource Management, Symbiosis Centre for Stem Cell Research, Symbiosis Centre for Behavioural Studies, Symbiosis Centre for Nano science and Nanotechnology and Symbiosis Centre for Medical Image Analysis will assist in the strong focus on academics and research.

In addition to the academic infrastructure, excellent residential facilities for residents and staff are available within the campus. The college has a fully air-conditioned library with the requisite array of national and international textbooks and medical journals which form a vital part of the college facilities. Our highly experienced and senior staff will ensure the best of training to produce skilled women doctors who are empathetic, ethical and compassionate. As has been the culture of Symbiosis, we believe it is our responsibility to contribute to nation building by providing excellent training and creating the next generation as qualified and ethical human beings.

Prof. Sharvari Shukla
Director

Director's Profile:

Prof. Dr. Sharvari Shukla has been a Bio-statistician at various research institutes and advisor for pharmaceutical companies and hospitals. Her interest in translating research into practice led her to undergo training in epidemiology, epigenetics and clinical trials. She handles various national and international funded projects. Recently she received grant from DST ICIMPACT, also big data analytics grant under DST/EDA scheme and SERB under METRICS rapid response call on COVID-19 data.

Sharvari Shukla works with a team of epidemiologists and clinical scientists investigating the fetal origins of cardiovascular disease and Type 2 diabetes. Her fields of expertise include longitudinal data analysis, modelling-simulation, big data analysis and artificial intelligence, clinical trials and research methodology. She has more than 70 research papers to her credits and 5 students are working under her guidance on their doctoral thesis.

Institute Profile:

The major focus of the Symbiosis Statistical Institute (SSI) is to train students to translate and apply statistical knowledge to solve real-world problems in various inter-disciplinary domains. In today's innovative world new forces are shaping the analytics so education becomes very important for developing next generation creative thinkers and innovators. Both programmes, four year BSc. (Applied Statistics and Data Science) honours and MSc. (Applied Statistics), shall offer modules which are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. The programme prepares students for career opportunities in different areas such as Finance, Automobile, Information Technology, Pharma, Insurance, and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research laboratory, Academia, Non-Governmental Organizations, Consulting, and Doctoral Studies among other opportunities.

Programme Profile:

Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

Batchelor of Science in Applied Statistics and Data Science is four-year full time Honours programme designed in the spirit of implementing National Education Policy 2020. The primary focus of this programme is to provide

a thriving ecosystem to develop data driven technological solutions based on statistical techniques.

The aim of the programme is to develop a critical awareness of the state-of-the-art in applied statistics and data science field along with business studies understanding and demonstrate the applications with practical skills necessary to critically think and develop solutions which can address short-term and long-term industry business and societal needs.

The four year BSc. (Applied Statistics and Data Science) Honours programme, shall offer major as 'Applied Statistics and Data Science' subjects along with minor as 'Business Studies. All modules included are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. This programme is designed towards lifelong learning by imbibing our ancient and prominent knowledge system in education through the type of courses as- multi-disciplinary, value added, vocational, ability and skill enhancement courses etc. Internships and Industry projects are important components included in this honours programme which will cater for advanced industry required 21st century analytical skills.

Trained human resource development in the areas of Statistics and Data Science along with 'Business Studies' who can be further trained expeditiously for advanced applied statistical techniques for data analytics is a major goal of this programme. Programme will enable students for better employability in industries like IT, manufacturing, education, finance, healthcare, legal and governance, academics etc.

Eligibility:

Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

Std. XII (10 + 2) pass or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste /Scheduled Tribes), with Mathematics as one of the subjects.

Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:**Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research**

1. It is mandatory to appear for the Symbiosis Entrance Test (SET) for admission to BSc Applied Statistics and Data Science programme at SSI. For more details about SET, kindly visit www.set-test.org
2. For more details regarding Registration and Payment follow the link: <https://www.set-test.org/register.html>
3. Admission is against qualifying the Symbiosis Entrance Test (SET) and Personal Interaction (PI). Personal Interaction (PI) will be conducted only for the shortlisted candidates.

Reservation of Seats: As per University norms.

Programme Structure:

* Bachelor of Science (Applied Statistics and Data Science) Honours/ Honours with Research

Semester - 1

Major Course

- Introductory Probability and Statistics

Minor Course

- Introduction to Contemporary Business Practices

Ability Enhancement Course

- Business Communication

Skill Enhancement Courses

- Statistical Data Analysis Using Microsoft Excel

Common Value-Added Course

- Cultural and Heritage Education

Mandatory Non-Credit Course

- Integrated Disaster Management

Multidisciplinary Course (Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD1

Semester - 2

Major Courses

- Probability Distributions
- Design and Analysis of Sample Survey

Minor Course

(Choose any one course)

- Business Accounting
- Financial Management

Ability Enhancement Course

(Choose any one course)

- Technical or Report Writing
- Statistical Lyrics

Skill Enhancement Course

(Choose any one course)

- Questionnaire Development
- Data Acquisition Tools

Common Value-Added Course

- Shruti Ganit

Mandatory Non-Credit Courses

- Fitness for Life

Multidisciplinary Courses

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

MD2

Vocational Courses (Summer)

(Only for students who wish to exit after the First Year with a Certificate)

- R Programming for Statistics

Semester - 3

Major Course

- Statistical Inference

Minor Course

- Fundamentals of Marketing

Ability Enhancement Courses

- Basics of Indian Languages through Natural Language Processing

Skill Enhancement Courses

- Lilavati: Primer of Mathematics

Common Value Added Courses

- Statistics in Sports

Mandatory Non-Credit Course

- Emotional Well-being

Multidisciplinary Courses

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD3

Semester - 4

Major Courses

- Design of Experiments
- Introduction to Python
- Data Science I

Minor Courses

- Digital Marketing
- Service Learning

Ability Enhancement Courses

(Choose any one course)

- Organizational Behaviour

- Design Thinking

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam

Vocational Courses (Summer)

(Only for students who wish to exit after the Second Year with a Diploma)

- Tableau

Semester - 5

Major Courses

- Optimization Techniques
- Statistical Quality Control
- Calculus for Data Science
- Advanced Data Science

Minor Course

- Retail Analytics

Summer Internship

- Summer Internship

Mandatory Non-Credit Course

- Core Environmental Studies

Semester - 6

Major Courses

- Data Visualization
- R Programming
- Database Management System with SQL
- Research Methodology
- Industry Project

Minor Course

- Supply chain Management

Semester - 7

(Honours / Honours with Research)

Major Courses

- Stochastic Process
- Reliability and Survival Analysis
- Bayesian Inference

Minor Course

- Financial Analytics

Semester - 8

(Honours)

Major Courses

- Machine learning
- Time Series
- Demography

Minor Course

- Health Care Analytics

(Honours with Research)

Major Courses

- Data Mining

Minor Course

- Agri Business

Research Project

- Research Project

* Courses are subject to change

Dr. Nayana Nimkar
Director

Director's Profile:

Dr. Nayana Nimkar is currently the Director at Symbiosis School of Sports Sciences at Symbiosis International University Pune. She holds a Doctorate in Physical Education from Mumbai University and has previously worked as a PhD Guide with Savitribai Phule University of Pune (SPPU). She holds three master's degrees from Pune University in (M.Ed.) Education, (M.Ed.) Physical Education and (M.Phil.) Education. She has also completed 5 credits from Springfield University Massachusetts, in USA (1981) in 'Psychology of Sports' (under the MS Sports Program).

She has represented the state in several sports at various reputable levels in her earlier times. She has worked on several National committees like the Steering committee for Sports of the 11th and 12th Planning Commission of Government of India, she has also worked for NAAC (National Assessment and Accreditation Council) and NCTE (National Council for Teacher Education) as a peer committee member. She has represented India on professional bodies like ACESS (Asian Council for exercise and Sports Science) and NAFESS (National Association for Physical Education and Sport Sciences). She has been a keynote speaker in several conferences and has several publications to her credit.

Her academic and administrative experience is of 38 years, which started with Maharashtra Mandal's Chandrasekhar Agashe College in Pune, which she headed for 20+ years. She also held prestigious positions as Director, Board of College and University Development (SPPU) and as founder HOD of the Department of Physical Education (SPPU) where she was awarded the Best Principal's award.

When asked about the source of her energy and enthusiasm, she says "...making fitness and physical education a part of the routine of a common man is my real source of inspiration and my relentless drive towards excellence". This is so much in consonance with the 'Fit India Movement', which was launched a couple of years back by our Prime Minister. The urge to contribute to the field of sports, be it sports management, sports science, sports technology or making sports available for the not so privileged is what drives Dr. Nayana Nimkar to run the Symbiosis School of Sports Sciences with the ultimate zeal and definitive purpose.

Institute Profile

Symbiosis has embarked into a niche area, that of Sports Sciences by establishing the Symbiosis School of Sports Sciences (SSSS) in 2016. SSSS offers a two years full-time MBA programme in Sports Management, the options being specialization in Sports Marketing, Event Management (Sports) and Sports Technology. The objective of

Symbiosis School of Sports Sciences is to impart skills and knowledge to create future managers, leaders and entrepreneurs in the Sports Industry. Till date it has already created a force of managers and leaders ready to take on leading positions in the sporting industry and many of them are making their way wonderfully through this upcoming industry.

The main reasons for so many success stories of students from SSSS within such short span of time are the multitude of unique activities conducted by SSSS which are the key differentiators between SSSS and other education institutions, which include the following -

- 1. SSSS Sports Science Conference:** This has been conducted every year since the inception of the institute, the main objective of which is to provide a platform for students to interact with the stalwarts of the sports industry, exposure to recent scientific research and developments and a solid networking platform for students, faculties and management of the institute.
- 2. Global Immersion Program:** SSSS has collaborated with premier global sports management institutes to provide a global exposure to SSSS students in the field of sports through education and peer interaction. Developed countries are ahead of the Indian curve in the field of sports and this global exposure creates a certain level of awareness of best global practices in the sports industry to the budding managers at SSSS.
- 3. World Football Summit, Spain:** SSSS has in the past facilitated their students to attend the World Football Summit held in Spain to not only give a true fan moment to the football follower but also help them provide a glimpse at the economics behind the operation of such a global summit, to explore new sports ventures and startups, the sporting culture and the consumer behaviour of a hardcore sporting fan of a developed nation like Spain.
- 4. Collaboration with Global Sports Wearable Technology Provider:** SSSS has tied up with the topmost technology provider of sports wearable technology which provides a real-time generation of player performance data to the analysts, who can then understand the effectiveness of data-based decision-making instead of traditional/biased methods.
- 5. Prestigious Internships:** SSSS has been able to provide its students work-experience in the form of internships at the best places in the sports industry like Khelo India, Sports Authority of India, Under-19 FIFA World Cup, Sports Interactive et al to learn and enhance their practical knowledge and provide them insights into the qualities and skill sets required in addition to the knowledge to be an effective contributor to the sports world.
- 6. Social Responsibility Initiatives:** Sports in India is still at a nascent stage and a lot of grassroots development initiatives are required to bring to surface the talent in the country. Many times in the past such talent has come to the forefront from the humble backgrounds of small villages. SSSS understands the importance and potential of this and thus encourages its students to conduct projects in nearby villages to help and create awareness about sports and also provide sporting facilities for encouraging local talent to greater heights.
- 7. Other initiatives:** Apart from the above SSSS also conducts Sporting Events at University level, Mock Auctions and Business Plan Competitions to prepare the students not just for sports but in general develop an all-round management perspective and personality of the students over a period of two years, to take on the top-most jobs or even to be smart, tech-savvy and dynamic entrepreneurs for the coming times.

8. Internationalization- SSSS promotes sharing of academic and research best practices through interactions with the diverse education systems. The school conducts Master Classes by Leeds Beckett University which is the leading University in the field of Sport in UK. The exchange of ideas and knowledge acquisition help the students develop into global citizens.

9. Industry Connect- SSSS regularly conducts sessions by the stalwarts in the sports industry who share their experiences on the global sports ecosystem, discuss new opportunities and innovations that are improving data collection, fan experience, and athletic performance and training. Apart from this, SSSS also invites alumni to interact with the students and share their learnings in the industry.

Programme Profile

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

Explore the new exciting degree at Symbiosis School of Sports Sciences and contribute towards making India a SPORTING NATION. An opportunity to study the science behind Sports Performance, Exercise, Health and Physical activity at a Health Promoting International University. The multi-disciplinary nature of sports will be addressed by the experts from the fields of Medical Sciences and Engineering to provide you with the latest knowledge across all allied sciences and cutting edge technology as applied in Sports. The program provides for a unique blend of theory and on-field practical. Research forms an integral part of our curriculum and you will have an opportunity to make your own contribution to the field of Sports Science.

This program would lay the foundation for a deeper understanding and application of the science behind Sport performance, Exercise, Health and Physical activity. This is a four-year full-time application-based program with a unique blend of theory and practical components. The program will help develop your knowledge and gain scientific understanding of subjects like Anatomy and Physiology, Sports Biomechanics, Sports Psychology, Nutrition, Strength and Conditioning and Sports Coaching.

The four-year programme offers multiple entry/exit options and has been designed in line with UGC Guidelines as per the NEP 2020. The School provides flexible degree options with Single Major, Minor, Multi/Interdisciplinary choices, and curriculum built with employability skills in addition to academic subjects.

Highlights of the program:

- Benchmarking against Global sports education programs.
- Major (Sport and Exercise Science) will be the discipline of main focus and the degree will be awarded in this discipline.
- In-built flexibility in the program through Minors (Strength and Conditioning/ Sports Coaching) which helps a student to gain a broader understanding beyond the major discipline.
- Emphasis on interdisciplinary sports science courses like Talent Identification & Development, Injury and recovery in Sport, Sports Technology, Exercise Testing & Prescription, Research and Statistics.
- Emphasis on experiential learning through applied practice in sport and exercise domain.

- Specially designed courses to develop vocational, employability and entrepreneurial skills.
- Novel program with emphasis on Sports technology.

Duration:

Bachelor of Science (Sports and Exercise Science)

(Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science)

(Honours/ Honours with Research)

: 4 Years Full Time, Non Residential

Intake:

Bachelor of Science (Sports and Exercise Science)

(Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science)

(Honours/ Honours with Research)

: 60 Seats

Eligibility:

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Participation in sports at the International/National/State/District level (in games recognized by School Games Federation of India (SGFI) is desirable.

Admission Process :

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

Online PIWAT (Personal Interaction and Written Ability Test)

Reservation of Seats: As per University norms.

BSc (S&E)
Batch
2023-27

Note:

ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2028, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above."

** Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

* Bachelor of Science (Sport and Exercise Science) Honours/ Honours with Research

Semester - 1

Major Courses

- Functional Human Anatomy
- Basics of Exercise Physiology
- Foundations of Sports and Exercise Biomechanics
- Essentials of Sports and Exercise Psychology

Discipline Specific Minor Course

- Fundamentals of Sport

Minor Courses

(Choose Any One of the Following Courses)

- Science of Training I
- Exercise Technique

Skill Enhancement Courses

- Fitness and Sports
- Mandatory Non-Credit Course
- Integrated Disaster Management

Multidisciplinary Course

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD1

Semester – 2

Major Courses

- Exercise Testing and Assessments I
- Introduction to Sports and Exercise Nutrition
- Exercise Technique II

Discipline Specific Minor Course

- Basics of Swimming

Minor Courses

(Choose Any One of the Following Courses)

- Science of Training II
- Fundamentals of Strength Training and Conditioning I

Ability Enhancement Course

- Conversational and Soft Skills

Skill Enhancement Course

- Innovation and Entrepreneurship in Sports

Common Value-Added Courses

- Yoga - I
- Mandatory Non-Credit Courses
- Fitness for Life

Multidisciplinary Courses

(Choose Any One Course from the University Basket of Multidisciplinary Courses given in Annexure B)

- MD2

Vocational Courses (Summer)

(Only for students who wish to exit after the First Year with a Certificate)

(Choose Any One from the Following Courses)

- Athletics - I
- Badminton - I
- Basketball - I
- Cricket - I
- Football - I
- Kabaddi - I
- Swimming - I

- Table Tennis - I
- Tennis - I
- Volleyball - I

Semester - 3

Major Courses

- Motor Learning and Development
- Assessment of Sport and Exercise Performance
- Essentials of Personal Training

Discipline Specific Minor Course

(Choose Any One from the Following Courses)

- Athletics - I
- Badminton - I
- Basketball - I
- Cricket - I
- Football - I
- Kabaddi - I
- Swimming - I
- Table Tennis - I
- Tennis - I
- Volleyball - I

Minor Courses

(Choose Any One from the following courses)

- Coaching Psychology
- Fundamentals of Strength Training and Conditioning II

Ability Enhancement Courses

(Choose Any One Course)

- Creative Writing

Common Value-Added Course

- Sustainability Studies

Mandatory Non-Credit Course

- Emotional Well-being

**Multidisciplinary Courses
(Choose Any One Course
from the University Basket of
Multidisciplinary Courses given
in Annexure B)**

- MD3

Semester - 4**Major Courses**

- Research Methodology
- Foundation of Sports Coaching
- Advance Excel
- Athlete Injury, Prevention and Rehabilitation

Minor Courses- Compulsory

- Sport First Aid
- Service Learning

**Discipline Specific Minor Course
(Choose Any One from the
Following Courses)**

- Athletics – II
- Badminton - II
- Basketball – II
- Cricket – II
- Football – II
- Kabaddi – II
- Swimming - II
- Table Tennis - II
- Tennis – II
- Volleyball - II

Minor Courses

**(Choose Any One from the
following courses)**

- Coaching Pedagogy - Process and Practice
- Strength and Conditioning Program Design

Ability Enhancement Courses

- Presentation Skills

Skill Enhancement Course

- Data Visualization and Interpretation

Common Value-Added Course

- Artificial Intelligence and Machine Learning

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam

**Vocational Courses (Summer)
(Only for students who wish to
exit after the Second Year with a
Diploma)**

**(Choose Any One of the
Following Courses)**

- Field Experience in Sports Coaching
- Field Experience in Strength and Conditioning

Semester - 5**Major Courses**

- Basics of Statistics in Sports
- Sports Analytics and Performance Analysis
- Introduction to Technology in Sports
- Ergogenic Aids, Supplements and Anti-doping
- Recovery and Rehabilitation in Sports & Exercise
- Sports Governance & Policy

Minor Course

- Project

Skill Enhancement Course

- Essentials of Video Analysis in Sports

Mandatory Non-Credit Course

- Core Environmental Studies

Semester – 6**Major Courses**

- Applied Exercise Physiology
- Applied Sports and Exercise Biomechanics
- Applied Sports Nutrition
- Applied Sports Psychology

Minor Course

- Injury and Recovery in Sport

Summer Internship

- Internship

Semester – 7 (Honours / Honours with Research)

Major Courses

- Advanced Sports Statistics
- Advanced Research Methodology
- Talent Identification in Sports
- Physical Activity and Health

Minor Courses

- Periodization for Sports
- High Performance in Sport

Semester – 8 (Honours)

Major Courses

- Physiology for Exercise and Sport Performance

- Nutrition for Performance in Exercise & Sport
- Biomechanics for Optimizing Human Performance
- Psychology for Performance Excellence

Minor Courses

- Essentials for Training Special Population
- Grassroot Development

(Honours with Research)

Major Courses

(Choose Any Two from the Following Courses)

- Physiology for Exercise and Sport Performance
- Nutrition for Performance in Exercise & Sport
- Biomechanics for Optimizing Human Performance

- Psychology for Performance Excellence

Minor Courses

- Essentials for Training Special Population
- Grassroot Development

Research Project

- Research Project

* Courses are subject to change
