A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

“It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys’ hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled.” “When I turned to the boy for an explanation, he said, ‘Sir, I have an attack of jaundice & I’m feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys’ hostel, she hands over the tiffin box through the window.’ I was stunned. After all, it wasn’t the type of ‘affair’ I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. “Symbiosis is a term in life science, meaning ‘living together of two different organisms, for the benefit of each other’. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 85 different countries. These students are offered the best learning resources, industry exposure, a strong international students’ alumni network, a global recognition, and above all, a truly enriching Indian experience.

I extend a warm welcome to all of you as you join the Symbiosis family. The University is part of the larger Symbiosis family, which is built on the core ideals of Vasudhaiva Kutumbakam - the world is one family.

You will find a wealth of opportunities as you begin your journey of higher education, which is about academics, of course, but also a lot more. It is our goal that we succeed in shaping our students to be responsible members of the global citizenry. Symbiosis is appreciative of the enormous responsibility that befalls higher education institutions. I encourage you to avail of all the wonderful teaching-learning and research possibilities that are offered. We, at Symbiosis, believe that Sports belongs to education as much as studies; therefore, we offer a whole range of first-rate choices that contribute to personal capacity building, such as those in career enhancement, extracurricular activities and recreational facilities.

You will find wonderful prospects to share this journey with students from over eighty-five countries and from all over India. We also pride on having with us an amazing pool of talent in our teaching staff, many of whom are noted academics, with substantial international experience. All in all, the educational experience at Symbiosis is designed to be wholesome and one that is authentically international. I hope that your experience at Symbiosis will afford you the opportunities to apply your talents and inspirations to the best use.

May God bless you!

Prof. Dr. S. B. Mujumdar

Chancellor

Pro Chancellor's Message

Symbiosis upholds its motto "Vasudhaiva Kutumbakam" the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students' intellectual acuity.

The classrooms at the Symbiosis campus encourage an innovative and futuristic approach for management, academia and the administrative staff. As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well-equipped classrooms, accommodation and an environment that assists students in realising their potential while embracing diversity. The eclectic environment here enables students to think critically and emerge as responsible citizens with high moral values, ethics and good social conduct.

We aim to create globally valued graduates and have framed policies and procedures to expose students and faculty to international, intercultural and comparative aspects. This is ensured by encouraging student mobility on exchange and summer schools to international partners. The interdisciplinary studies allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment. The Programmes offered at Symbiosis are innovative and designed according to the needs of the industry, thus creating the needed academia-industry interface.

The Incubation Centre at Symbiosis has been created with the aim of supporting and nurturing the innovative spirit of the students and developing their entrepreneurial abilities.

On behalf of the University, I welcome you to the Symbiosis family!

I wish you success in the Programme that you have chosen to study with us.

Dr. Vidya Yeravdekar

Pro Chancellor, Symbiosis International (Deemed University) Principal Director, Symbiosis

Vice Chancellor's Message

Symbiosis International (Deemed University) is home to eight world-class faculties, offering a diverse range of academic programs. From Law to Management, Computer Studies to Medical and Health Sciences, Media and Communication to Humanities and Social Sciences, and from Engineering to Architecture and Design – we cater to a wide spectrum of interests and career aspirations. Our programs are thoughtfully designed to equip students with the knowledge and skills required to thrive in today's dynamic and fast-evolving world.

What distinguishes Symbiosis is our unwavering commitment to fostering international understanding through quality education. We encourage our students to think globally, embrace diversity, and become catalysts for positive change. Our faculty, renowned for their expertise and dedication, inspire and mentor students, enabling them to make meaningful contributions not only in India but across the globe. Symbiosis graduates carry forward our core values and proudly embody our motto: Vasudhaiva Kutumbakam – The World is One Family.

At Symbiosis, we offer a wide array of postgraduate programs, each carefully crafted with input from industry leaders and aligned with both current and future industry needs. Our rigorous selection process reflects the high demand for our programs, with applicants consistently exceeding the number of seats available. Those students who demonstrate a strong focus on both academics and extracurricular pursuits find their place within one of our vibrant campuses in Pune, Noida, Nashik, Bangalore, Hyderabad, and Nagpur.

Additionally, we now offer select postgraduate programs at our Dubai campus, and for these programs, the admission process follows a different procedure and SNAP is not mandatory for admission to the programs offered at our Dubai campus. I extend my best wishes to all the aspirants and hope each one of you has the opportunity to pursue your postgraduate studies at the Symbiosis campus of your choice.

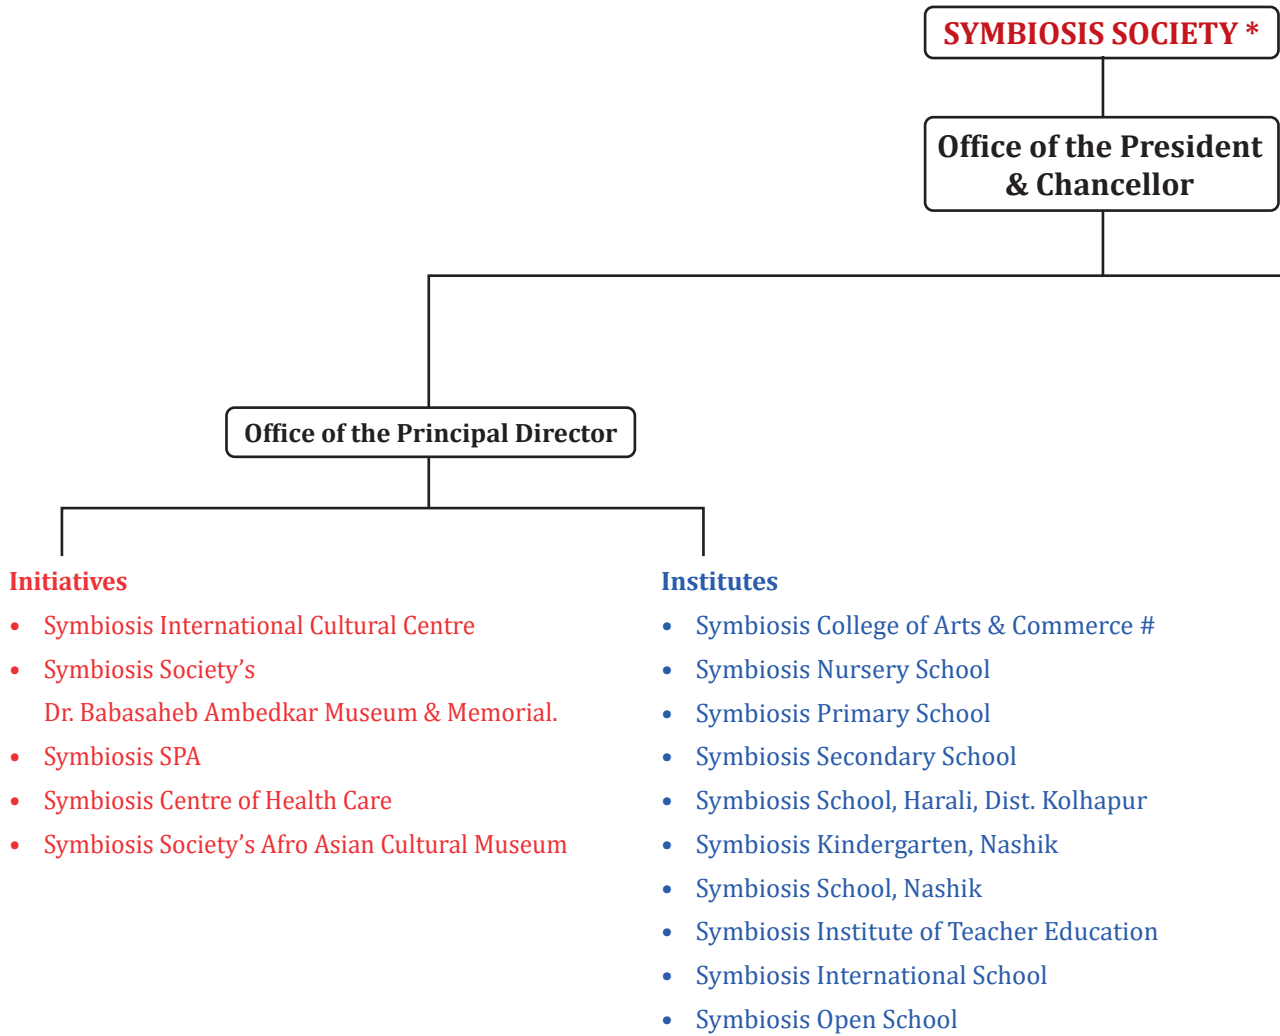

Warm regards,

Dr. Ramakrishnan Raman

Global Representation at Symbiosis

INTERNATIONALISATION IS IN THE DNA OF SYMBIOSIS

We have students from more than 85 countries

The University

Founded in 1971 by visionary educator Prof. Dr. S.B. Mujumdar, Symbiosis has blossomed into a thriving multi-disciplinary hub, where students and faculty from over 85 countries come together to learn, grow, and inspire each other. More than just a university, Symbiosis is a **“home away from home”** for international students, embodying the ancient Vedic ideal of **“Vasudhaiva Kutumbakam”** - the world as one family.

A tapestry of cultures and cutting-edge ideas defines the Symbiosis experience. The University has bustling campuses across four Indian states, six cities and an International Off-shore Campus in Dubai, U.A.E. Each campus is abuzz with the energy of diverse perspectives and collaborative learning. Whether you're pursuing a doctoral degree in law, honing your skills in management, or exploring the frontiers of computer science, Symbiosis International (Deemed University) offers a **spectrum of academic programs** to ignite your passion. The University offers doctoral, post graduate, under graduate, diploma and certificate programmes in Law, Management, Computer Studies, Medical & Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering and Architecture & Design.

Symbiosis International (Deemed University) is a powerhouse of innovation. Its state-of-the-art facilities, like the Symbiosis Medical College for Women and its accompanying Symbiosis Hospital and Research Center (SUHRC), are testaments to its commitment to generating knowledge and fostering ground breaking advancements.

The University's commitment to high-quality education is recognized and celebrated both nationally and internationally through various prestigious rankings and accreditations.

National Recognition:

- University Grants Commission (UGC): Category-I Status (awarded to universities meeting the highest standards of teaching, research, and infrastructure)
- National Assessment and Accreditation Council (NAAC): 'A++' Grade (the highest possible grade, signifying outstanding performance)
 - National Institutional Ranking Framework (NIRF) 2024: #31st among Universities Category, #5th in Law Category and #13th in Management Category
 - Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021: 10th Ranking in 'University & Deemed to be University (Private-Self-Financed)' Category (highlighting Symbiosis' focus on innovation and entrepreneurship)

International Recognition:

- 862nd Globally
- 256th In Asia
- 32nd In India

- Ranked 216th in Asia
- 42nd in Southern Asia and 23rd in India

- Awarded QS I-GAUGE - DIAMOND rating in Indian colleges and universities.

Asia University Ranking 2023

- Ranked among the top 201 - 250 Universities in Asia.

Times Higher Education (THE) World University Rankings 2025

- 601-800 band in the World
- 4th in India

These accolades are a reflection of Symbiosis' unwavering commitment to providing students with top-tier programs, cutting-edge facilities, and a vibrant learning environment recognized and respected around the world. Choosing Symbiosis means joining a community dedicated to excellence, innovation, and shaping the future through exceptional education.

Symbiosis is more than just academics. It's about forging lifelong friendships, experiencing the richness of Indian culture, and contributing to a future of understanding and mutual respect. Symbiosis International (Deemed University) is committed towards generation of knowledge, innovations and its contribution towards the development of the Nation.

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI):

Symbiosis Centre for Research and Innovation (SCRI), a Research and Development Cell (RDC) of the Symbiosis International (Deemed University) (SIU), was established in 2009 with the objective to facilitate and enhance high standards of research at SIU that will result in quality contribution to the knowledge base in the broad disciplines of the University. The functions of SCRI are aligned with the University's commitment to stay connected with the community by the way of understanding its major issues and problems and to suggest relevant and flexible means to resolve them. In accordance with the University's endeavor to make meaningful contributions to the dialogue around the development of knowledge and policies for society, SCRI facilitates the research journey of the SIU's academic fraternity. The department provides intellectual, academic, and administrative support to the research endeavors to the members of the Faculties and students. The department acts as a nodal unit for enabling the research activities of the SIU fraternity.

SCRI's activities revolve around the Research and Development (R&D) mandate of SIU, which states the following:

- The R&D must be socially relevant, locally need-based, nationally important and globally significant.
- The focus of R&D in the University is aligned with the national priorities of the Government, reflected through various schemes and grants.
- The R&D must be applied, leading to innovation and translational.
- To create R&D hub comprising of medical facilities,

diverse research centers, and constituent institutes that promotes interdisciplinary, multidisciplinary, and transdisciplinary research significant to society, and

- The University's R&D must lead to the development of the capable and responsible human resource.

SCRI is responsible for research programmes leading to the award of Doctor of Philosophy (Ph.D.) in the following Faculty of Studies: Law, Management, Computer Studies, Medical and Medical & Health Sciences, Media and Communication, Humanities and Social Sciences and Engineering in more than 25 sub-streams (subject areas). The doctoral programme is offered in accordance with UGC (Minimum Standards and Procedures for Award of Ph D Degree), 2022. The University has identified qualified supervisors, has state-of-the-art infrastructure and resources to support the doctoral students. A few postdoctoral fellowships are also offered in dedicated Research Centres: Symbiosis Centre for Nanoscience and Nanotechnology (SCNN), Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Medical Image Analysis (SCMIA) and Symbiosis Centre for Applied Artificial Intelligence (SCAAI).

Besides research programmes and fellowships, SCRI takes care of seed money, support for extramural funding, publications, intellectual property, and research collaborations of the researchers of the University. The department undertakes activities related to protection of intellectual property rights (IPR) and facilitates technology transfer for products and processes developed by SIU along with the collaborators. Statistical support to researchers through a dedicated statistician. This enables quality publications of non-doctrinal, social, ecological,

psychosocial, organizational, experimental and observational driven empirical type of studies across all the faculties. Continuous improvement in the quality of research at SIU is facilitated by the University's research collaboration with the organizations such as the Indian Council for Medical Research (ICMR), L&T, Society for Development Studies, Lupin Research Park, Serum Institute of India Pvt. Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported Faculty Members of SIU for attracting prestigious research grants from the Government under various schemes (such as DST-PURSE, SPARC, DST- SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, Huvepharma SEA Belgium and India, IBM, TCS). In addition to this, internal funds (Minor Research projects and Major Research projects) are also provided to the Faculty and students by SIU. The department's support through hands-on, sensitization, and FDPs has contributed towards rapid increase in the research publications, (both quantitatively and qualitatively), patents, the registration of designs and copyrights, and new collaborative opportunities and recognitions. SIU is an empaneled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU's 1000+ Ph.D. Scholars in different disciplines are facilitated by SCRI. With commitment, focus, and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good- quality research.

Main focus of SCRI

- To develop institutional research agenda and formulate policies to reflect a conscious effort for creating a congenial and scholarly climate that nurtures the quality research culture in the University.

- To establish the minimum standards for research activities at SIU that lead to good quality contributions to the existing knowledge.
- To set up a systematic procedure for the administration of research programs and execute them.
- To enrich research capacity and mentor the researchers to translate their effort into high-quality research outcomes.
- To facilitate the research endeavors of the various research centres and the researchers at SIU
- To monitor and evaluate the research output/ performance of the University from micro- to macro-level on concurrent basis

Please may visit <https://scri.siu.edu.in/> for details of the doctoral programmes.

RESEARCH CENTRES

Symbiosis Centre for Nanoscience and Nanotechnology (SCNN)

The Symbiosis Centre for Nanoscience and Nanotechnology (SCNN) has been established to carry out interdisciplinary research in nanotechnology domain. The mission is to push the boundaries of nanotechnology by conducting cutting-edge research, fostering interdisciplinary collaboration, and translating scientific discoveries into practical solutions. Through a commitment to excellence, ethical practices, and societal benefit, it is aimed to pioneer breakthroughs that address critical challenges, empower industries, and contribute to sustainable development

SCNN conducts pioneering research in nanomaterials, nanodevices, and nano-systems that advances scientific understanding and leads to practical applications. SCNN has completed 6 years of

successful journey with establishment of five state-of-the-art laboratories dedicated to advanced functional nanomaterial synthesis, characterization, bioprocess, point-of-care diagnosis and photonics lab.

The leading area of SCNN includes low-cost energy production and storage, affordable healthcare and development of optical sensors. We build a collaborative ecosystem that encourages partnerships with academia, industry, and government, fostering innovation and technology transfer, raising awareness about nanotechnology and its societal implications.

Symbiosis Centre for Stem Cell Research (SCSCR)

Symbiosis Centre for Stem Cell Research (SCSCR) was established as a new initiative of Symbiosis International (Deemed University) on 29th July 2016. The centre is a unique research centre in Pune that performs research exclusively on stem cells. SCSCR was established to initiate both fundamental and translational research in various aspects of stem cell biology. The centre has initiated several research projects on hematopoietic stem cells (HSCs), mesenchymal stem/stromal cells (MSCs), human pluripotent stem cells (hESCs), endometrial organoids, and bone and cartilage specific stem cells. SCSCR has state-of-art equipment to facilitate research of internationally accepted standards.

Symbiosis Centre for Behavioural Studies (SCBS)

Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioral Studies has been established with an aim to conduct experimental research in order to publish quality research papers in reputed journals. It's allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

Symbiosis Centre for Waste Resource Management (SCWRM)

Symbiosis International (Deemed University) in the year 2015, established Symbiosis Centre for Waste Resource Management (SCWRM) to be a pioneer in building knowledge, disseminating awareness and improving practices in the area of sustainable waste management. The centre promotes inter and multi-disciplinary approach for basic and need-based, applied research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management. The current research at SCWRM involves novel technology and process development for solid waste and wastewater treatment, waste valorisation and resource recovery for circular economy and entrepreneurship development, microbiological and biotechnological investigations for development of value products/ formulations for industrial applications. The centre is also involved in conducting workshops, training, and awareness programs to promote national agenda of 'Swachh Bharat Mission', and work towards addressing key issues and challenges pertaining to waste management and sustainability.

A key activity of SCWRM involves providing professional technical consultancy to various stakeholders in the field of solid waste management. SCWRM has consultancy projects with Pune Municipal Corporation (PMC), APMC Mumbai, Lonavala Municipal Corporation, district council of four districts, etc. on diverse aspects of municipal solid waste management. The centre is also an empaneled technical agency with the Government of Maharashtra to implement the national GOBAR-DHAN scheme at district and state levels under Swachh Bharat Mission (G)-II. The centre has several national and international research collaborations with a network of researchers across the globe to address various aspects of waste management, pollution remediation, resource utilization, waste valorization, climate change and sustainability.

Symbiosis Centre for Medical Image Analysis (SCMIA)

In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying the setoaplethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management. The current research at SCWRM involves novel technology and process development for solid waste and wastewater treatment, waste valorisation and resource recovery for circular economy and entrepreneurship development, microbiological and biotechnological investigations for development of value products/ formulations for industrial applications. The centre is also involved in conducting workshops, training, and awareness programs to promote national agenda of 'Swachh Bharat Mission', and work towards addressing key issues and challenges pertaining to waste management and sustainability.

A key activity of SCWRM involves providing professional technical consultancy to various stakeholders in the field of solid waste management. SCWRM has consultancy projects with Pune Municipal Corporation (PMC), APMC Mumbai, Lonavala Municipal Corporation, district council of four districts, etc. on diverse aspects of municipal solid waste management. The centre is also an empaneled technical agency with the Government of Maharashtra to implement the national GOBAR-DHAN scheme at district and state levels under Swachh Bharat Mission (G)-II. The centre has several national and international research collaborations with a network of researchers across the globe to address various aspects of waste management, pollution remediation,

resource utilization, waste valorization, climate change and sustainability.

- Development of novel computer-based image analysis methods and their application to a wide variety of clinical research studies
- Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population-based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

Symbiosis Centre for Applied Artificial Intelligence (SCAAI)

Symbiosis Centre for Applied AI (SCAAI) was established in May 2019. The primary aim of this centre is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of AI. Along with this SCAAI engages in interdisciplinary research to address pertinent issues that could involve a huge spectrum such as finance and banking to healthcare.

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR)

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It has been established to facilitate advanced legal studies and research.

SCALSAR facilitates and provides:

- the means including idea architecture and resources

for advanced legal studies for post graduate, including LLM students and PhD Students.

- Infrastructure and resources for advanced legal research to the faculty, researchers and post graduate students promoting and facilitating publications in SCOPUS, Web of Science and UGC recognised journals
- To collaborate with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- Research, training and consultancy in selected areas of 4 excellence centres aligned with SIU clusters, other research centres and contemporary areas of national and global importance
- Interdisciplinary and multidisciplinary studies and research while interlinking with SIU research clusters
- To act as a think-tank to the Government, hosts Scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers and design training modules.
- Collaboration with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- To disseminate and ensure the outcome of research, training, advocacy and consultation to stakeholders including businesses, law makers, government and non-governmental entities, people of India and the world
- Positive and measurable impact on the society and justice system through inclusive research and training

Since 2012 SCALSAR has been organizing an Annual Research Conference. It grew drawing international participation by 2015. The conference has been drawing on Symbiosis International (Deemed

University)'s new impetus to thrust areas, excellence centers and innovation and is titled as SYMROLIC representing an interdisciplinary conference in relation to Rule of Law. The conference also includes a research skills workshop. SCALSAR undertakes Minor and Major Research and Consultancy Projects. In addition to the completed projects including 2 ICSSR Impress Major Projects, there are 4 Major International Projects that are going on. SCALSAR also collaborates with Government bodies and undertakes Law reform initiatives such as Transformation of Criminal Justice System in India submitted to Ministry of Home Affairs, Initiative with Supreme Court of India on Digital Courts Vision & Roadmap: Phase III of the E- Court project, Regional consultation on Review of Criminal law- Improvement in Status of Women organized in collaboration with National Commission for Women etc. The research agenda of SCALSAR will be further strengthened by the recently received Jean Monnet Chair on EU Climate change Law Policy and Governance as well as the Jean Monnet Module. The Community Legal Care Centre, which is a part of SCALSAR, carries out legal aid as well as community-based projects for various disadvantaged sections of society. Some of the legal aid activities are carried out in collaboration with Pune District Legal Services Authority, Yerwada Central Prison, Criminal Investigation Department Maharashtra and various NGOs. The Centre has adopted Sus village, Tal. Mulshi, Dist. Pune as a part of community outreach programme.

Symbiosis Center for Climate Change and Sustainability (SCCCS)

SCCCS was established to develop environmental professionals with strong scientific knowledge who can provide solutions concerning the various environmental challenges that we encounter. SCCCSCS conducts innovative research and currently offers Ph.D. and post-doctoral programs in life sciences, climate change studies, and sustainable development.

One important aspect of our research focuses on the role of microbes, which are often not acknowledged, in climate change mitigation and their important functions in ecosystem services. The Centre is trying to harness the potential of these tiny creatures to abate the impact of climate change and promote sustainability. SCCCS is involved in organizing workshops and lectures, taking up restoration projects, Park/Devrai conservations, and DST-funded projects.

SCCCS also develops educational courses in Climate Change and Sustainability Studies for UG & PG institutions. In addition to the academic responsibilities, the Centre also engages in collaborative works and conducts social outreach programs involving international and local bodies such as UNICEF, and Pune Climate Warriors for issues relating to climate change, environmental health, and water conservation. Another focus of the work is nurturing the biodiversity of the campus. This work involves documenting, cataloguing and monitoring the flora and fauna species. SCCCS organises eco-tours on the University campus, recreational as well as ecosystem and environment awareness programs for staff and students. The thematic areas, future vision, and expansion plan of the Centre are depicted below.

Thematic Research Areas:

Future Vision and Expansion Plan of the Centre:

Symbiosis Center for Urban Studies (SCUS)

The Symbiosis Centre for Urban Studies has been established under the Faculty of Humanities and Social Sciences in Year 2022-23. The Centre focusses on activities related to Capacity Building and Research reorientation concentrating on the vectors of research such as Poverty, Employment and Informalization.

Symbiosis Center for Research on International Higher Education (SCRIHE)

SCRIHE is established for conducting research in the area of international higher education. The NEP 2020 has earmarked a whole chapter on Internationalization of Higher Education. With the COVID pandemic, there have been different challenges that higher education faced, but one positive outcome has been internationalization at home. Collaborative online international learning, co-teaching and co-learning have been promoted due to online education. New concepts of international co-operation and intra-regional cooperation have emerged which enhance the internationalization of Higher Education. Knowledge diplomacy and how higher education can be a tool for development and soft power is also coming into discussion at the global level.

Symbiosis Centre for Research in Media and Creative Industries:

Established under the Faculty of Media & Communication. The center shall be monitored by Symbiosis Centre for Research & Innovation.

Symbiosis Centre for Ambedkar Studies (SCAS) The Centre for Ambedkar Studies has been established under the Faculty of Humanities & Social Sciences and is located at Symbiosis Ambedkar Museum and Memorial, Senapati Bapat Road, Pune to undertake studies and research with the intention to understand, assess and disseminate the ideas and thoughts of Dr. B.R. Ambedkar, particularly on subjects like Economics, Political Science, Religion, Philosophy, Constitutional Studies, Education, Social Work, Human Rights as well as other disciplines considered relevant for the attainment of our National Goal of Social Justice.

Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd:

The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd., under the Faculty of Medical and Health Sciences shall be established which has been approved in principle. The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) shall be monitored by Symbiosis Center for Research and Innovation (SCRI), like all other Research Centres of SIU.

LEARNING RESOURCES:

LIBRARY

Symbiosis International (Deemed University) is one of the country's Premier University and an educational hub of several institutions spread over different campuses, imparting quality higher education in different areas like Management, Information Technology, Bio-Medical science, Engineering, Liberal Art, Health science and legal education. All these institutions are having their own library, serving and catering to the need of students, faculty members,

as a creative and innovative partner for supporting teaching, learning, scholarship and research activities of the University.

With the changing scenario e- resources are emerging rapidly and these libraries are well equipped with the state of art facilities to adapt these new technologies. Along with this the collection in the form of books, journals / periodicals is increased and all the libraries are trying to fulfil the information need through these resources, to the entire Symbiosis community.

KOHA integrated library software – installed in all the constituents' libraries.

OPAC (Online Public Access Catalogue) consists of all the books (<http://symbiosis-koha.informindia.co.in>) and the same are accessible along with other reading material from any location.

SIU Central Library is housed in independent spacious state of art building with high quality amenities and facilities located at Lavale campus. The ambience of the building is beautiful with beautiful landscape around the building. The pleasant environment and well-furnished area inspire the student to learn, conduct research and enhance their knowledge. Central library has adapted the emerging new technologies for

information retrieval.

SIU Central library subscribe number of online databases for faculty members, students and researchers. Some of them are Proquest, Emerald, Scopus, Web of Science, JSTOR, Frost and Sullivan kluwer etc.

The Central Library is a member of the INFLIBNET, Gandhinagar and has a active part in submitting the research thesis to shodhganga and also member of DELNET and National Digital Library of India (NDLI).

Symbiosis International (Deemed University) Library total book collection above 419810 and Ph.D Thesis 443.

- Print journals -700.
- E-journals in Library more than 52673.
- Symbiosis International University Library total CD/ DVD 13768.
- Symbiosis International University Library have above 305071 e books.
- The Library portal is to provide access to its e-resource for all. (<https://siu.edu.in/library/>)

Support Departments

SYMBIOSIS TEACHING LEARNING RESOURCE CENTRE (STLRC):

The Symbiosis Teaching Learning Resource Centre i.e. STLRC is established in November 2011, with the aim to help raise the effectiveness and productivity of the Symbiosis faculty in terms of teaching - learning as well as research.

The Symbiosis Teaching Learning Resource Centre (here after referred as STLRC) is Symbiosis International University's catalyst to inspire and mentor the faculty in their roles as Teachers, Researchers and more so as Educational parents. STLRC strives to complement

the academic mission of the university by improving the teaching effectiveness and enhancing research ability of the faculty.

STLRC always strives to:

- Improve the Teaching Effectiveness of faculty.
- Sensitize faculty members in the areas of diversity and inclusion, in the teaching learning environments.
- Enable faculty to design innovative assessments.
- Facilitate increased research output.
- Coordinate Domain specific interventions to improve discipline knowledge of the faculty members.

There are various Activities of STLRC which are as follows:

- Planning and execution of various Faculty Development Programmes under the verticals of Teaching, Learning, Evaluation, Research, and domain specific areas for all the eight faculties of the University. 527 Faculty development programmes have been conducted by STLRC. (May 2011 till May 2023)
- MOOC Development Activity: SIU started various interventions such as encouraging learning through online courses, face-to-face workshops, and face-to-face meetings to familiarize SIU faculty members about learner-centric MOOCs. As a result of which four MOOC proposals have been submitted to CEC i.e. Consortium for Educational Communication. These proposals will now be scrutinized by CEC and we will be informed about the acceptance of the proposals. Ten other MOOC proposals are in the pipeline, which will be submitted to CEC.
- Symbiosis International (Deemed University) in association with Maharashtra State Faculty Development Academy (MSFDA) organized a

Faculty Development Programme on Technopedagogy and Andragogy for Active Learning (TAAL). The TAAL is a '8 days programme' conducted by Symbiosis Teaching Learning Resource Centre (STLRC), in three phases: Phase I – 5 days Residential programme, Phase II – 2 days Online Workshop and Phase III – 1day Refresher. In 2022, two batches of TAAL were conducted in which faculty members from higher education institutions across the State of Maharashtra from varied disciplines had participated.

SYMBIOSIS CENTRE FOR EMOTIONAL WELLBEING (SCEW)

Mental health encompasses our emotional, social and psychological wellbeing and is an essential part of ensuring overall health and wellness. It has a widespread impact on the different facets of one's life. Recognizing the importance of good mental health, the Symbiosis Centre for Emotional Well-being (SCEW) was established in August 2018. SCEW aims to provide promotive, preventive, and curative mental health care services within the Symbiosis community and emphasizes a model of collaborative care.

Our team comprises of diverse and skilled Mental Health Professionals, deputed to various campuses of SIU and led by their Head, Dr. Girija Mahale, and Deputy Head, Dr. Rahul Bagale. We offer counselling, psychotherapy, and psychiatric consultation services to students, staff, and faculty members across SIU while emphasizing privacy, confidentiality, comfort, and a sense of security for our clients. To ensure extensive outreach and impact, the team undertakes various initiatives and conducts awareness drives, workshops, training programs, and webinars for all stakeholders.

Under the aegis of SIHS, a full-time Undergraduate Degree Program, B.Sc. in Mental Health is been recently launched by SCEW with due consideration

to bringing mental health into education and reducing the stigma.

SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION (SCIE):

Symbiosis Centre for Entrepreneurship and Innovation (SCEI)

Symbiosis Centre for Entrepreneurship & Innovation (SCEI) is a Technology Business Incubator (TBI) promoted by Symbiosis International (Deemed University) and supported by DST Govt. of India. SCEI is a special purpose vehicle (Section 8 Company) established in the year 2016 by the university to promote entrepreneurship and nurture innovative start-up ideas. SCEI is primarily established with funding from Symbiosis International (Deemed University). SCEI is also on boarded a incubation and mentoring partner on NITI Aayog- Women Entrepreneurship Platform (WEP). SCEI is a Not for Profit Company with a mission of contributing to socio-economic development in the region by promoting and nurturing entrepreneurship. SCEI also supports women entrepreneurs through a dedicated Women Entrepreneurship Wing (WeW). Technical and Business Mentoring is the core strength of SCEI to enable startups to build and commercialize innovative solutions. SCEI also leverages University research and innovation capabilities, and resources to support entrepreneurs in their start-up journey.

Being a part of the Symbiosis family, SCEI is well connected to innovation and Entrepreneurship ecosystem in India. SCEI provides office space, innovation lab access, mentoring support, company registration support, investor access to the start-ups which get incubated at SCEI and even student start-ups across the Symbiosis International (Deemed University)

Symbiosis Centre For Alumni Engagement (SCAE)

Symbiosis Centre for Alumni Engagement (SCAE) was established on 10th of November, 2017. SIU established SCAE to work as a central body for alumni related matters. It has created a strategic blueprint to facilitate structured and long-term engagement with alumni. SCAE conducts online surveys to understand their ideas for contributing to initiatives such as career counselling, mentoring, guest lectures, reviewing of programs and events, and the possible establishment of endowments, sponsorships and scholarships.

SCAE communicates regularly with alumni (emails/newsletters) on achievements and updates concerning SIU and its constituents. Senior leadership reaches out to alumni through SCAE. It continuously engages with alumni in meaningful dialogue through personal meetings / virtual meetings and webinars. Symbiosis Alumni can support students and fellow alumni through mentoring, career guidance, internship provision and/ or recruitment opportunities. Alumni can gain a sense of fulfilment by 3 E's: Experience, Effort and Endowment.

Symbiosis Centre for Alumni Engagement (SCAE) aims:

1. To nurture and strengthen a symbiotic and long-lasting relationship between Symbiosis and its worldwide alumni community.
2. To create a range of appealing and rewarding programs, meaningful dialogue and exchange of ideas.
3. To achieve excellence in the academic, intellectual and philanthropic pursuits of Symbiosis through continuous engagement with its alumni.
4. To set up a centralized Alumni information and engagement platform to ensure efficient and effective data management, relevant to the needs of Symbiosis for its development.

Symbiosis Community Outreach Programme and Extension (SCOPE)

Universities have recognized the enormous potential of higher education to positively impact the health and well-being of students, staff, and the wider community through education, research, knowledge exchange, and institutional practice. With this view, Symbiosis launched Symbiosis Community Outreach Programme and Extension (SCOPE) on 02nd July 2012. The objective is to positively impact the community around. SCOPE works towards achieving sustainable, comprehensive, and integrated development of the 32 identified villages in Mulshi taluka of the Pune district.

SCOPE through its Mobile Medical Units (MMUs) and Rural Digital Literacy Labs offers doorstep delivery of healthcare and digital literacy services in several access compromised and service deficient villages.

Initiatives:

SCOPE undertakes various Health and Community development initiatives in and around the university campus associated with Primary Health Care, Health Awareness and Promotion, and Personal – Social Development. SCOPE also celebrates various health days in our area by conducting health education, general health check-up camps, and other activities in the community. These initiatives are also part of the activities pertaining to Institutional Social Responsibility, Creation of a Healthy Environment, Developing Links with the Community, and Academic and Action Research in the Community. Additionally, students take up community research projects for Master's and Ph.D. programs in the villages. MMUs visit the identified villages per the fixed weekly schedule and covers 32 such villages located in Mulshi taluka catering to a population of 40836 individuals. Since 2012, MMU has delivered preventive, promotive, and curative healthcare services to more than 339953 beneficiaries from villages and also during mega

events such as Pandharpur Wari and Bhima Koregaon. We also partner with SUHRC for various activity conduction like the inauguration of the extension center at Kondhwe – Dhavde (Haveli block), Specialist visits at various PHCs of Mulshi and Vadgaon Mawal blocks, Key Opinion Leaders (KOL) visits, Speciality Camps, etc. The Rural Digital Literacy Labs currently offers services in 9 villages and reaches over 200 learners.

Way forward:

We firmly believe that our role as a university goes beyond imparting knowledge and skills to our students and as active agents of change and nation-building.

Awareness of Government health schemes in villages

Service Learning -Credit based course

Service learning is a method of teaching, learning and reflecting that combines academic classroom curriculum with meaningful service throughout the community. As a teaching methodology, it falls under the philosophy of experiential education. Service learning is the engagement of students in activities, which address or meet a community need. Students learn how service makes a difference in them and in the lives of others. It is linked to course/ discipline of students.

Participation of Students in Service Learning:

Service Learning is one of the components, offered to under graduate students under Floating Credits

Program. The course is of 4 credits and students have to put in 120 hrs. for community service related to their discipline.

Benefits of Service Learning to Students:

- Increase of self-esteem, analytical skills and social development.
- Sense of empowerment by participating in community service where they are needed, valued, and respected.

- Improved citizenship as a result of active engagement in community life.
- Heightening the student's desire to learn through one's experience.
- Inculcation of leadership skills and values.
- Directly or indirectly application of concepts from the classrooms to the service.

SIT Service Learning students making villagers and school children aware about saving water.

Admission Process for Indian Students:

A candidate aspiring to join a Master of Business Administration (MBA) programme(s) offered by any Institute of SIU has to appear for the common, mandatory Symbiosis National Aptitude (SNAP) Computer Based Test (CBT) which will be conducted at Test Centres.

The candidate needs to:

- a) Register for SNAP Test(s),
- b) Pay the registration fee for SNAP Test(s),
- c) Register for her/his choice of programme(s) offered by various Institutes of SIU,
- d) Pay the registration fee, separately for each programme.

If shortlisted for a programme applied to, the candidate would then need to participate in the further admission process (GE-PI) of that particular programme.

The registration process (including the payment of the registration fee) for SNAP and Institutes is integrated. A candidate can complete the SNAP as well as programme registration and payment on the same portal (snaptest.org).

The structure of the Bulletin is as follows:

SNAP Test Registration

SNAP Test(s)

Shortlisting and Admission Process

Merit List Declaration and Admission

SNAP Test Registration

- A. SNAP Test registration process
- B. SNAP Test registration fee payment process

- C. Programmes (and the Institute offering them) for which SNAP Test is mandatory
- D. Programmes (and the Institute offering them) for which SNAP Test is not mandatory
- E. Programme registration fee payment process
- F. Cities where SNAP Test will be conducted
- G. Programme Eligibility
- H. Reservation Policy of SIU
- I. International Candidates admission process

SNAP Entrance Test

- A. SNAP Test structure
- B. Important instructions regarding Admit Card
- C. Important guidelines regarding SNAP Test

Shortlisting and Admission Process

Merit List Declaration and Admission

SNAP Test registration process

1. SNAP Test 2024 will be conducted on three different dates. Please note these dates carefully:

December 08, 2024 (Sunday)

December 15, 2024 (Sunday)

December 21, 2024 (Saturday)

Timings of the tests will be communicated to the candidates via their Admit Card

2. A candidate can appear for upto three tests for SNAP 2024. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation and there will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed

under a specific topic across the question papers. The normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all three tests. No correspondence regarding this will be entertained.

3. Register online on the website snaptest.org (upto November 22, 2024 (Friday)).

Note: No changes shall be permitted after the registration under any circumstances.

4. Ensure that the information you have filled in is accurate.
5. SNAP Test registration fee and programme registration fee of the Institute is non-refundable and non-transferable.
6. Upload your latest scanned colour passport size photo at the time of online registration for the SNAP Test. (Your photograph should not be more than six months old).

A. SNAP Test registration fee payment process

A candidate may pay through

- i) Billdesk Payment Gateway
- ii) Easebuzz Payment Gateway
- iii) Demand Draft.

Pay the SNAP Test registration fee of INR 2250 per test (government taxes would be additional as and when applicable) upto November 22, 2024 (Friday) as

per the instructions mentioned on the website (www.snaptest.org) for Payment of SNAP Test registration fee.

Note- SNAP Test registration fee and programme registration fee of the Institute is non-refundable and non-transferable.

Payment Through Demand Draft:

Submit a Demand Draft (DD) of INR 2250 per test (government taxes would be additional as and when applicable) from any Nationalized Bank in favour of "Symbiosis Test Secretariat" payable at Pune.

Choose the mode of Payment as 'DD Payment' in 'Make Payment' Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at,

Symbiosis Test Secretariat

Symbiosis International (Deemed University)

Gram: Lavale, Tal: Mulshi, Dist: Pune - 412115

Tollfree Number: 9071011959

The Symbiosis Test Secretariat (STS) will authenticate the details of the Demand Draft and will send you an email confirming the payment. Only after the realisation of payment, would you be able to view your Admit Card.

Note: All communications with candidate will be done through the official email address info@snaptest.org / no-reply@snaptest.org only. Please ensure that these email addresses are whitelisted in your registered email. If you do not receive the registration/payment confirmation mail, within 24 hours, please check your spam/junk folder just in case these emails got delivered there instead of your inbox.

Candidates must declare and maintain a valid and unique email account and a mobile phone number throughout the Admission process.

The earlier you pay, the higher are your chances to obtain a test date and test city of your choice.

For all SNAP 2024 updates, join our Official Telegram Channel: <https://t.me/SNAP2024Official>

(If telegram is not installed on your device, kindly install it from Google Play Store/Apple AppStore. After installing telegram, please click on the link to join "SNAP 2024 (Official)" Channel)

Instructions:

1. The DD should reach Symbiosis Test Secretariat (STS) by 3:00 pm on November 22, 2024 (Friday). If the DD reaches after this, it will not be considered and will be returned to the candidate. STS will not be responsible for non-delivery or any delay on the part of courier / postal services.
2. It is also mandatory to pay the registration fee of the desired programme(s) before the closing date of the programme registration fee payment of that/those programme(s). The said fee must be paid through the SNAP website only (snaptest.org).
3. For any dispute the candidate should first send an email to registrar@siu.edu.in with details about her/his grievance. If the candidate is not satisfied with the decision of the Registrar, s/he can appeal to the Ombudsman of the University. Information regarding the same is available on <https://siu.edu.in/student-affairs.php>. All disputes between the candidate and SIU in this regard are subject to the legal jurisdiction of Pune.
4. Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all PG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.
5. SNAP Test 2024 Score will be valid only for admission to select programmes of SIU for the academic year 2025-26. Admissions to the select programmes at SIU are strictly based on merit, assessment of individual performance in SNAP and other processes prescribed by the University.

Note – SNAP 2024 result will be declared on January 08, 2025 (Wednesday), on snaptest.org and will be available till February 10, 2025 (Monday).

Programmes (and the Institute offering them) for which SNAP Test is mandatory:

Sr.	Name of the Institute	Programmes
1	Symbiosis Institute of Business Management (SIBM, Pune)	Master of Business Administration
		Master of Business Administration (Innovation & Entrepreneurship)

		Master of Science (Data Science & Spatial Analytics)
		Master of Science (Data Science & Spatial Analytics) Dual Degree
14	Symbiosis Statistical Institute (SSI)	Master of Science (Applied Statistics)
15	Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS)	Master of Science (Nutrition & Dietetics)

Programme registration fee payment process

A candidate aspiring to join a Master of Business Administration (MBA) programme offered by any Institute of SIU is also required to register as well as pay the registration fee of her/his desired programme(s) before the closing date of programme registration fee payment of that/those programme(s). The fee must be paid only through the SNAP website (snaptest.org). This is in addition to registering for and paying the registration fee for the SNAP Test.

The programme registration fee is INR 1000 for each programme (government taxes would be additional as and when applicable). If a candidate wishes to apply to more than one programme, s/he will have to pay an additional INR 1000 for each additional programme applied to (government taxes would be additional as and when applicable).

Note - Institute programme registration fee is non-refundable and non-transferable.

If a candidate wants to pay the programme registration fee through Demand Draft, s/he should make a Demand Draft of INR 1000 for each programme (government taxes would be additional as and when applicable). The rest of the process is the same as that for SNAP Test 2024 (Payment Through Demand Draft).

Note -Even after the closing date of SNAP test registration fee payment, a candidate may still pay the programme(s) registration fee through SNAP website till the closing date of the respective programme(s).

An Institute may offer more than one programme. Candidate should ensure that the preferred programme(s) is / are selected and the programme registration fee is paid for before the closing date.

Different programmes may have different closing date for programme registration fee payment. A candidate should visit the website of the concerned Institute(s) to check the same.

Cities* where SNAP Test 2024 will be conducted:

SNAP Test 2024 will be conducted in 80 cities all over India.

***SIU reserves the right to add/delete/change the test cities due to unavoidable circumstances without prior intimation.**

No request for a change of test date or test city will be entertained once a candidate has paid the SNAP Test registration fee. Test City and Test Date are allocated on a first come, first serve basis. The earlier you pay, the higher are your chances to obtain a test date and test city of your choice. The Test Timing, Test Centre and its

address will be printed on the Admit Card. (The Admit Card will be live on the SNAP website snaptest.org).

SIU reserves the right to change or allot a city other than the one requested by the candidate if the requested city is not available for any reason.

While all efforts will be made to ensure that a candidate gets a test city as per her/his preferences, however, in some exceptional circumstances, a different test city in a nearby area may be allotted. Computer-based testing is a proven and reliable process administered to tens of millions of people yearly. As with paper and pencil testing, or virtually every other human endeavour, many problems could occur that might prevent a test from being delivered and/or a result from being generated. In the unlikely event this does occur, every effort will be made to correct the problem, up to and including the administration of another test.

Disclaimer:

The candidate is advised to check the eligibility criteria for the desired programme(s). SIU / Institute will not be responsible, if the candidate applies for programme(s) for which s/he is not eligible.

G. Reservation Policy of SIU**Reservation Policy**

Following will be the reservation policy for admission to any programme (offered by any Institute) of SIU (except Symbiosis Institute of Management Studies, which has a separate policy#)

[A] Within Sanctioned Intake:

- i) Scheduled Castes Candidates: (15% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 15 % for all its academic programmes to Scheduled Castes Candidates, as defined under Article 341 of the Constitution.

- ii) Scheduled Tribes Candidates: (7.5% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 7.5 % for all its academic programmes to Scheduled Tribes Candidates, as defined under Article 342 of the Constitution.

- iii) Differently Abled Candidates: (3% of seats within the sanctioned intake)

In compliance to the Government directives on Disability Guidelines issued by the Office of the Chief Commissioner for persons with disabilities vide Ministry of Social Justice and Empowerment, New Delhi notification no. 16-18/97 on 1st June 2001, The Rights of Persons with Disabilities Act, 2016 dated 27th December 2016 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/

SCT) dated 30/09/2009, the University has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all its Constituents.

The types of disabilities covered are: -

- (i) Vision Impairment
 - (ii) Hearing Impairment
 - (iii) Locomotors Disabilities
 - (iv) Mental Retardation
 - (v) Multiple Disabilities
 - (vi) Dyslexia/Dysgraphia/ Dyscalculia
- iv) Children/ Wards of Defence personnel / Defence Special Category: Children / Wards of Defence personnel means children/ wards of those Defence Personnel who are serving / retired Defence personnel from Army, Navy, Air Force. Retired Defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no. 36035/5/85- Est (SCT) dated 14 April 1987. It also includes children of Defence personnel, who died while in service or after retirement

The University in terms of the provisions of Memorandum of Association (MoA) between Symbiosis and Ministry of Defence, Govt. of India dated 10th July, 2000 provides for reservations up to the extent of 90% for Master of Business Administration programme of Symbiosis Institute of Management Studies (SIMS), comprising of 80 % for Children/ Wards of Defence personnel and 10 % for Special Defence Category.

*** The definition for Defence Personnel is:**

The term Defence Personnel would mean only those serving / retired Defence personnel from Army, Navy, Air Force. Retired defence personnel are those who

fall in the category of ex-servicemen as laid down in Ministry of Defence letter no 36035/5/85- Estt (SCT) dated 14 April 1987. It includes defence personnel who died while in service or after retirement.

The University also provides 5 % reservation within the sanctioned intake for Children/ Wards of Defence Personnel in Institutes as listed below: -

- (i) Master of Business Administration (International Business) programme conducted by Symbiosis Institute of International Business (SIIB), Pune
- (ii) Master of Business Administration (Digital and Telecom Management) programme conducted by Symbiosis Institute of Digital & Telecom Management (SIDTM), Pune
- (iii) Master of Business Administration (Information Technology Business Management) programme conducted by Symbiosis Centre for Information Technology (SCIT), Pune
- (iv) Master of Business Administration (Information Technology) programme conducted by Symbiosis Institute of Computer Studies & Research (SICSR), Pune

Note: Candidates applying for Children/wards of Defence Personnel other than above mentioned four programmes will be considered as candidates in the OPEN Category.

Note: A candidate who is interested to apply under the category “Children/ Wards of Defence Personnel” for any of the above-mentioned programmes, should select the category “Children/ Wards of Defence Personnel” for each programme separately.

For Symbiosis Institute of Management Studies (SIMS): As per MoU with Ministry of Defence clause no. 13 sub clause (d) The term Defence Personnel would mean only those serving / retired Defence Personnel from the Army, Navy and Air Force who fall in the category of ex-serviceman as laid down vide Ministry of Defence Letter no. 36034/5/85 -Estt (SCT) dated 14th April, 1987.

Reservation of Seats within the intake is:

- Defence Open: 80% seats for Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel (as per merit).
- Defence Special: 10% seats for Defence personnel and their dependents (Children / Ward / Spouse) in consultation with Headquarters, Southern Command should cater for
- Killed in action (war, counter insurgency or war like operation)
- Disabled in action (war, counter insurgency or war like operation) with more than 50% disability
- Next of kin of service personnel who have died while in service, death being attributable to military service (as per merit)
- Open / Industry Category: 10% seats are in open category to civilian candidates under open or sponsored / recommended by the Industry (as per merit).

Reservation of Seats over and above intake:

Officers of Armed Forces on Study Leave as authorized by respective Services HQs are granted automatic admission subject to meeting eligibility criteria.

v) Domiciled: (25% of seats within the sanctioned intake- Only in case of Constituents at Off-Campus center, Nagpur)

In accordance with Clause A of Schedule C of the Lease Deed signed between Nagpur Municipal Corporation, Nagpur and Symbiosis, Pune on 4th September, 2017, the University has reserved 25% seats against the approved intake in each programme offered at the Off-campus Centre of the University at Nagpur for Nagpur Domiciled candidates.

The definition for Nagpur Domicile is:

Nagpur Domiciled' means candidates, who are domiciled in Nagpur for a period of 5(five) years as on the date of commencement of the academic year and who (a) are or will be graduates or students of Nagpur University, and/ or (b) are recipients of school certificates from the Maharashtra State Board of Secondary and Higher Secondary Education, the

Council of Indian School Certificate Examinations, and/ or the Central Board of Secondary Education (CBSE)/ ICSE Board.

While giving admission under the Nagpur domicile category-

- Residence Criterion: Resident of Nagpur Urban (five continuous or intermittent years) is mandatory,
- Educational Criterion: The candidate should fulfil one of the following criteria

(a) graduate or pursuing graduation from Nagpur University

- OR-

(b) school certificates (10th and 12th) from (i) Maharashtra Board, (ii) CISCE (iii) CBSE, (iv) ICSE (It simply means 10th and 12th passed certificates from other State Boards and foreign school boards are NOT accepted)

[B] Supernumerary Quota (Over and above the sanctioned intake):

In addition to the above reservations, the University also admits candidates under Supernumerary Quota, as follows:

(1) Kashmiri Migrants and Kashmiri Pandits/ Kashmiri Hindu Families (Non-Migrants) living in Kashmir valley: 02 (two) seats per programme.

(2) International candidates: a maximum of 20% of the approved sanctioned intake [International candidates includes viz. Foreign National (FN), Persons of Indian Origin (PIO), Overseas Citizen of India (OCI) & Non-Resident Indian (NRI)].

The percentage of reservations and the existence of the categories in the reservations are subjected to vary from time to time.

A candidate applying under any of the reserved category (Scheduled Caste / Scheduled Tribes / Differently Abled / Kashmiri Migrants & Kashmiri Pandits / Kashmiri Hindu Families (Non- Migrants) living in Kashmiri Valley) are mandatorily required to submit relevant document issued by competent authority. Any participation at any stage of admission process by such candidate is purely provisional and will always be subject to verification and authentication of such relevant document.

In case a candidate falls under more than one of the above categories (e.g. Scheduled Caste as well as Differently Abled or any other combination), s/he would need to select any one Category (i.e. either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the SNAP registration form. The category selected by the candidate at the time of filling the registration form will be considered to be her/his category for the entire admission process and her/his benefits and entitlements shall be according to such selected category. S/he will not be able to claim benefit under the other category/ies at any stage of admission on any account whatsoever.

A candidate belonging to any reserved category should note the eligibility requirements carefully before applying. While it is the endeavour of SIU that a candidate belonging to SC/ST/DA category joins a programme as per the SIU norms, s/he has to meet the minimum eligibility criteria. A certain minimum level of performance in SNAP test is required to be considered for the subsequent admission process.

Please also note that if any information provided by the candidate in respect of her/his category is found to be incorrect, the University shall have the right to cancel the candidature of the candidate at any stage of the admission process. Instances of any incorrect information or process violation detected at any stage of the Admission process will lead to immediate disqualification of the candidate from the Admission process and he/she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current Admission process but are detected in subsequent years, such disqualification will take place with retrospective effect.

*** Differently Abled Category (DAC) at SIU**

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are: -

- a) Vision Impairment
- b) Hearing Impairment
- c) Locomotors Disabilities
- d) Mental Retardation
- e) Multiple Disabilities
- f) Dyslexia/Dysgraphia/ Dyscalculia

*Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act - 1995 and as

per revised Gazette of India Registered no: DL - (N)04/0007/2003-16 dated December 28, 2016.

Process to be followed for Differently Abled Candidates (DAC):

- The candidate applying for the entrance examination/admission in the DAC (Differently Abled Category), selects the type of disability available in the DA options on the portal.
- A Differently Abled Category candidate is required to upload his/her copy of Disability Certificate issued by Competent Government Medical Authority the AND Unique Disability ID (UD ID) Card at the time of registration for entrance/admission of SIU to ascertain percentage and the type of the disability.
- The Medical Superintendent, SUHRC through Medical Board shall ascertain the genuineness of the said documents. Once the documents are found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category.

Note-If a candidate selects Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The scribe/writer should not have completed studies beyond the Class XII. Request for approval for scribe/writer should be sent to info@snaptest.org. The approval email and supporting documents should be carried at the time of appearing for the SNAP Test.

As per SIU norms, a Differently Abled Candidate is provided with 20 minutes of compensatory time for every 60 minutes of test.

SNAP Test 2024 Structure

Nature of Question Paper / Topics and Marks Allotted

Section	Questions	Marks Per Correct Answer	Total Marks
General English: Reading Comprehension, Verbal Reasoning, Verbal Ability	15	1	15
Analytical & Logical Reasoning	25	1	25
Quantitative, Data Interpretation & Data Sufficiency	20	1	20
Total	60		60

- Please note that the SNAP Test 2024 will be a computer-based test
- SNAP Test duration is of 60 minutes
- Date: December 08, 2024 (Sunday)
- Date: December 15, 2024 (Sunday)
- Date: December 21, 2024 (Saturday)
- SNAP TEST 2024 timing's will be available on the Admit Card
- SNAP Test is an objective test. Each question has four responses. The candidate should choose an appropriate response.
- Each wrong answer attracts 25% negative marks.
- Utmost care is taken to prepare an error free question paper. However, if an error is detected in

the question paper, the Scrutiny Committee shall take an appropriate decision after the examination, which shall be final.

- A candidate can appear for upto three tests for SNAP. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation and there will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. Normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all three tests. No correspondence regarding this will be entertained.
- Any malpractice / use of unfair means will lead to your disqualification from the admission process of SIU. Instances of any incorrect information or process violation detected at any stage of the Admission process will lead to immediate disqualification of the candidate from the Admission process and he/she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current Admission process but are detected in subsequent years, such disqualification will take place with retrospective effect.

A. Important Instructions regarding Admit Card

1. SNAP Test Admit Card should be printed from the SNAP website [snaptest.org] Admit Card will be available from December 02, 2024 (Monday) for SNAP Test 1, December 09, 2024 (Monday) for SNAP Test 02 and December 15, 2024 (Sunday) for SNAP Test 03.

2. Please ensure that your latest passport size, colour photograph is pasted on the Admit Card at the place provided for before appearing for the test (Your photograph should not be more than six months old).
3. Admit Card along with Original Photo Identity proof should be carried to the Test Centre at the time of the test. An acceptable photo identity is any one of the following:
 - Passport.
 - Driving license.
 - Voter ID Card.
 - Pan Card
 - AADHAR Card (UID)

Note: Soft copy of identity proof will not be accepted.

4. An authorized person will verify and authenticate your Admit Card against the Original photo ID on the day of the test. Please preserve this authenticated Admit Card for further admission processes (GE-PI).
5. The candidate should note that an authenticated Admit Card is an important document without which the s/he will not be permitted to appear for further Admission processes of SIU. If the Authenticated Admit card is lost, a duplicate Admit Card will not be issued. It should be retained till the admission process is over.
6. Ensure that the information you have filled in is accurate.

Note: No changes shall be permitted after the registration under any circumstances.

7. The candidate is advised to locate allocated test center at least a day in advance to avoid any issue on the day of the test.

8. Travel and staying (if applicable) arrangements will need to be done by the candidate.

Important guidelines regarding SNAP Test 2024

1. The candidate is required to report at the Test Centre two hours prior to the start of the test to undergo security process as well as admit card and ID proof verification.
2. Candidates will not be allowed to enter the test centre premises after the start of the test.
3. Duration of the test is 60 minutes. (excluding Differently Abled candidates, compensatory time is 20 minutes per hour).
4. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built-in calculators/memory or any electronic gadgets, including smart devices of kind, will not be allowed in the test hall.
5. The Test Invigilator will check your Admit Card and Original ID proof and authenticate the same.
6. The candidate may attempt any section in any order.
7. Candidates have to be seated in the test hall for the entire duration of the test.
8. The candidate found using any unfair means will forfeit her/his chance of being considered for admission and will be debarred from receiving SNAP Test scores.
9. The scores published by the SIU shall be final and shall not be subject to any appeal or revaluation.

Shortlisting and Admission Process

Shortlisting for Group Exercise and Personal Interaction (GE-PI):

A candidate will be shortlisted for further admission process (GE-PI) based on her/his overall SNAP Percentile. Please check the respective Institute

website for information and dates of GE-PI.

The further admission process is conducted separately for each programme by each Institute. The cut-off for shortlisting is also calculated separately for each programme. Based on her/his overall SNAP percentile, a particular candidate may get shortlisted for more than one programme. In such a scenario the candidate is expected to participate in the GE-PI for each programme separately.

****Disclaimer:**

It is mandatory to attend all components/tests of GE-PI to be eligible for admission to any PG programme. Only the candidate who attends all components/tests of the Admission process (GE-PI) shall be considered as eligible for the generation of merit/wait/reject list. The candidate who remains absent for any one of the components/tests will be considered as ineligible for the Admission process of any of the Master of Business Administrations (MBA) programmes of SIU.

Merit List Declaration and Admission

Merit list will be based on the following parameters:

SNAP Score (out of 60, scaled down to 50 marks)	Group Exercise (GE)	Personal Interaction (PI)	Total
50	10	40	100

Category-wise cut off for Merit List and Wait List will be displayed on the website of the respective Institutes. Wait list movement will depend upon the vacant seats available.

Please note that this admission is provisional and will be confirmed on payment of fees on or before the due date and subject to fulfilment of eligibility conditions of the respective programme(s) and in accordance with the rules of the SIU.

The candidate is urged to note that no donation or capitation fee is required to be paid for admission to any programme offered by any Institute of SIU. The candidate is cautioned against falling prey to any such assurance / offer by any individual or outside agency.

Disclaimer

The candidate is advised to check the eligibility criteria for the desired programme(s). SIU / STS / Institute will not be responsible, if the candidate applies for programme(s) for which s/he is not eligible.

Reservation Policy of SIU

Following will be the reservation policy for admission to any programme (offered by any Institute) of SIU (except Symbiosis Institute of Management Studies, which has a separate policy#)

[A] Within Sanctioned Intake:

1] Scheduled Castes Candidates: (15% of seats within the sanctioned intake) The University has provided for reservation to the extent of 15 % for all its academic programmes to Scheduled Castes Candidates, as defined under Article 341 of the Constitution.

2] Scheduled Tribes Candidates: (7.5% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 7.5 % for all its academic programmes to Scheduled Tribes Candidates, as defined under Article 342 of the Constitution.

3] Differently Abled Candidates: (3% of seats within the sanctioned intake)

In compliance to the Government directives on Disability Guidelines issued by the Office of the Chief Commissioner for persons with disabilities vide Ministry of Social Justice and Empowerment, New Delhi notification no. 16-18/97 on 1st June 2001, The Rights of Persons with Disabilities Act, 2016 dated 27th December 2016 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, the University has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all its Constituents.

The types of disabilities covered are: -

- (i) Vision Impairment
- (ii) Hearing Impairment
- (iii) Locomotors Disabilities
- (iv) Mental Retardation
- (v) Multiple Disabilities
- (vi) Dyslexia

4] Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit) Children / Wards of Defence personnel means Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel who are serving/ retired Defence personnel from Army, Navy, Air Force. Retired Defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no. 36035/5/85- Est (SCT) dated 14 April 1987. It also includes children of Defence personnel, who

died while in service or after retirement.

The University in terms of the provisions of Memorandum of Association (MoA) between Symbiosis and Ministry of Defence, Govt. of India dated 10th July, 2000 provides for reservations up to the extent of 90% for Master of Business Administration programme of Symbiosis Institute of Management Studies (SIMS), comprising of 80% seats for Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit) and Defence Special 10% seats for Defence personnel and their dependents (Children / Ward / Spouse) in consultation with Headquarters, Southern Command.

The University also provides 5 % reservation within the sanctioned intake for Children/ Wards of Defence Personnel in Constituents as listed below: -

- (i) Master of Business Administration (International Business) programme conducted by Symbiosis Institute of International Business (SIIB), Pune
- (ii) Master of Business Administration (Digital and Telecom Management) programme conducted by Symbiosis Institute of Digital & Telecom Management (SIDTM), Pune
- (iii) Master of Business Administration (Information Technology Business Management) programme conducted by Symbiosis Centre for Information Technology (SCIT), Pune
- (iv) Master of Business Administration (Information Technology) programme conducted by Symbiosis Institute of Computer Studies & Research (SICSR), Pune

Note: A candidate who is interested to apply under the category "Children/ Wards of Defence Personnel" for any of the abovementioned programmes, should select the category "Children/ Wards of Defence Personnel" for each programme separately.

- 5] Domiciled: (25% of seats within the sanctioned intake- Only in case of Constituents at Off-Campus center, Nagpur)

In accordance with Clause A of Schedule C of the Lease Deed signed between Nagpur Municipal Corporation, Nagpur and Symbiosis, Pune on 4th September, 2017, the University has reserved 25% seats against the approved intake in each programme offered at the Off-campus Centre of the University at Nagpur for Nagpur Domiciled candidates.

The definition for Nagpur Domicile is:

The meaning of 'Nagpur Domiciled' candidate, for admission to the above-mentioned Institute only, is a person, who is domiciled in Nagpur for a period of five years as on the date of commencement of the academic year, and who has graduated from or is appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit Institute website (www.sibmnagpur.edu.in).

[B] Supernumerary Quota (Over and above the sanctioned intake):

In addition to the above reservations, the University also admits candidates under Supernumerary Quota, as follows: -

- (1) Kashmiri Migrants and Kashmiri Pandits/ Kashmiri Hindu Families (Non-Migrants) living in Kashmir valley: 02 (two) seats per programme.

(2) International candidates: 20% of the approved sanctioned intake [International candidates includes viz. Foreign National (FN), Persons of Indian Origin (PIO), Overseas Citizen of India (OCI) & Non-Resident Indian (NRI)].

The percentage of reservations and the existence of the categories in the reservations are subjected to vary from time to time.

A candidate applying under any of the reserved category (Scheduled Caste / Scheduled Tribes / Differently Abled / Kashmiri Migrants & Kashmiri Pandits / Kashmiri Hindu Families (Non- Migrants) living in Kashmiri Valley) are mandatorily required to submit relevant document issued by Competent Authority. Any participation at any stage of admission process by such candidate is purely provisional and will always be subject to verification and authentication of such relevant document.

In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the SNAP registration form. The category selected by the candidate at the time of filling the registration form will be considered to be her/ his category for the entire admission process and her/his benefits and entitlements shall be according to such selected category. S/he will not be able to claim benefit under the other category/ ies at any stage of admission on any account whatsoever.

A candidate belonging to any reserved category should note the eligibility requirements carefully before applying. While it is the endeavor of SIU that a candidate belonging to SC/ST/DA category joins a programme as per the SIU norms, s/he has to meet the minimum eligibility criteria. A certain minimum level of performance in SNAP test is required to be considered for the subsequent admission process.

Please also note that if any information provided by the candidate in respect of her/his category is found to be incorrect, the University shall have the right to cancel the candidature of the candidate at any stage of the admission process. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/ she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

* Differently Abled Category (DAC) at SIU

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are: -

- a) Vision Impairment
- b) Hearing Impairment
- c) Locomotors Disabilities
- d) Mental Retardation
- e) Multiple Disabilities
- f) Dyslexia

A candidate claiming admission under DAC will be provisionally admitted under the said category. Thereafter, the candidate will be required to obtain an '**Authentication Certificate**'. The candidate will have to get the disability certificate authenticated by **Medical Board of Symbiosis University Hospital and Research Centre (SUHRC)**. Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category.

* Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and suffering from not less than forty per cent of the disability as certified by a competent government medical authority. as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28,2016. The candidate will have to get the disability certificate authenticated by Medical Board of Symbiosis University Hospital and Research Centre (SUHRC). Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/ her eligibility will be certified under the DA category. Process to be followed for Differently Abled Candidates (DAC):

A Differently Abled category candidate is requested to upload his/her Medical Certificate issued by a competent authority at the time of registration for ascertaining percentage of the disability. The candidate failing to do this will be considered under the Open Category.

Note – If a candidate selects Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be maximum Class XII passed. Candidate should send the request to info@snaptest.org in case scribe/writer is required.

During the test, as per SIU Examination norms, a Differently Abled Candidate is provided with 20 minutes of compensatory time for every 60 minutes of test.

For Symbiosis Institute of Management Studies (SIMS): As per MoU with Ministry of Defence clause no. 13 sub clause (d) **The term Defence Personnel would mean only those serving / retired Defence Personnel from the Army, Navy and Air Force who fall in the category of ex-serviceman as laid down vide Ministry of Defence Letter no. 36034/5/85 -Estt (SCT) dated 14th April, 1987.**

Reservation of Seats within the intake is:

- **Defence Open:**

80% seats for Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit)

- **Defence Special:**

10% seats for Defence personnel and their dependents (Children / Ward / Spouse) in consultation with Headquarters, Southern Command should cater for

- i] Killed in action (war, counter insurgency or war like operation)
- ii] Disabled in action (war, counter insurgency or war like operation) with more than 50% disability
- iii] Next of kin of service personnel who have died while in service, death being attributable to military service (as per merit)

Reservation of Seats over and above intake:

- Officers of Armed Forces on Study Leave as authorized by respective Services HQs are granted automatic admission subject to meeting eligibility criteria.

Admission Process for International Students

The Symbiosis Centre for International Education (SCIE)

The Symbiosis Centre for International Education (SCIE) is a department of the University, providing leadership & support for the University's efforts to internationalise the campus and the curricula. The admissions are centralized for all the Institutes of Symbiosis International University (SIU) and routed through SCIE. The online admission facility has made it possible for a candidate to apply from any part of the world from the comfort of his/her home.

International Student Category:

Foreign National (FN): A candidate is eligible to apply as a Foreign National (FN) if she/he is a citizen of any country other than India and holds a foreign passport.

Overseas Citizenship of India (OCI): A candidate is eligible to apply as OCI if she/he is granted with Overseas Citizenship of India and has an OCI card.

Person of Indian Origin (PIO): A candidate is eligible to apply as a Person of Indian Origin (PIO) if she/he has a PIO card, and is a citizen of a country other than India.

[As per the Government of India Notification dated 9th January 2015, the existing Persons of Indian Origin card holder registered as such shall be deemed to be Overseas Citizens of India card holders (OCI).]

Non-Resident Indian (NRI): A candidate is eligible to apply as a Non-Resident Indian (NRI) if she/he is an Indian National and has appeared for the 12th examination (equivalent to the Indian 12th) or graduation outside India. It is mandatory for one of the two qualifying examinations to be taken outside India.

An NRI candidate (graduated from a recognized university-Indian/Foreign) after having applied for

SNAP Test has the option of consideration of her/his candidature as national student or under NRI category. In case an NRI candidate chooses to apply under NRI category, s/he will have to further register and apply through Symbiosis Centre for International Education. Please visit www.scie.ac.in for more details.

Important:

- 1) Foreign National candidate can apply through SCIE
- 2) Foreign National / Overseas Citizenship of India (OCI)/ Person of Indian Origin (PIO) candidate exempted from the entrance test. She/he has to appear for English Proficiency Test.

To assist a candidate with her/his application to SIU a detailed stepwise procedure is available on <https://scie.ac.in/masters-programs-pg> The candidate can apply online through the user-friendly online application facility.

For more details please visit www.scie.ac.in or write to intadmissions@symbiosis.ac.in

Examination and Evaluation Pattern of The University ...

Programme: The programmes conducted by the University follow semester/ annual pattern. A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University. Successful completion of the courses will lead to the award of a Degree or Diploma e.g. Master of Business Administration.

Programme Outcome: Programme outcome represents broad statements that incorporate many areas of inter-related knowledge and skills developed over the duration of the programme through a wide range of courses and experiences.

Course Catalogue: A set of approved courses that includes the course objectives, syllabi, pedagogy and assessment approaches.

Course: A course means individual subject that would be included from the Course catalogue to become part of the pre-defined courses of a programme e.g. Marketing Management

Audit Course: Audit courses are the courses which are offered as additional/ optional learning opportunities over and above the programme requirements. They shall not exceed 10% of the semester credits in which it is offered and will be reflected as 'Pass' grade courses (only if, completed successfully) and would not contribute to the GPA/ CGPA.

Course Outcome: Course Outcome are statements clearly describing the meaningful, observable and measurable knowledge, skills and/ or dispositions that students will learn in this course.

Credit: A credit is defined as follows:

a) 1 Credit = 12 hours of face-to-face contact sessions including continuous assessment as per SIU norms, be allowed beyond the defined credit hours.

- b) 1 Credit = 30 hours of Laboratory or Studio or practical hours
- c) 1 Credit = 60 hours of Internship/ Project/ Dissertation
- d) For courses which employ combination of practical and theory, the practical hour be converted to contact hours in the ratio of 1:2 meaning 1 face to face contact hour = 2 hours of practical (Lab and/ or Studio hours)

Each credit is assessed for 50 marks at the PG level unless otherwise explicitly mentioned by the respective statutory councils.

Term: A term in semester pattern means one semester and in annual pattern means one year.

Semester: A semester consists of a minimum of 90 days of teaching-learning and requires about five months to complete. Any programme of 2 years duration will have 4 semesters.

Term Not Granted (TNG): Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance and attendance in each and every course is below 75% then the student will not be granted the permission to appear for the term-end examination.

Course Not Granted (CNG): If a student falls in TNG category (i.e. aggregate attendance is less than 75%), then the CNG rule is applied, by checking course-wise attendance. In the course/ s where the student has more than 75% attendance, he/ she may be allowed to appear for the examination and the remaining courses are termed as 'Course Not granted'.

Assessment: The assessment includes continuous and term-end assessment. Continuous assessment in general, is formative while the term-end assessment is summative in nature.

Term-End Evaluation: At the end of every term the University shall conduct 'Term-end' examination,

under its supervision and jurisdiction.

Continuous Assessment: The University has adopted the policy of continuous assessment, which shall be carried out by the respective constituents in accordance with the rules and regulations of the University. Continuous assessment aims at multi-level assessment and may include components like class room/ online test, surprise tests, open book test, research essay, assignments, quizzes, case studies, practical, presentations, viva and others as approved by the Board of Studies of the respective Faculty. All the components of assessment should be spread across the term. Award of marks for attendance should be strictly avoided.

Time slot for University Examinations:

External Marks	Duration of Examination	Compensatory Time in case of Writer
Less than 40	1 hour	20 min.
40 to less than 60	1 hour and 30 minutes	30 min.
60 to less than 80	2 hour and 30 minutes	50 min.
80 and more than 80	3 hours	60 min.

Marking system for Symbiosis College of Nursing:

As per the requirement of Nursing Council, the following rules shall apply –

- A student must have minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course to appear for University examination.
- A student must have 100% attendance in each of the practical areas before award of degree.
- Minimum pass marks shall be 50% in each of the theory and practical examination separately.
- Time duration for the Term End examination shall be as per INC Guidelines
- A candidate can take maximum three attempts per course inclusive of first attempt with a condition that he / she completes the course successfully within the maximum period allowed.
- The maximum period to complete the programme successfully should not exceed 4 years for 2 years programme.
- If a student fails in either theory or practical paper he/she has to re-appear for both the papers (Theory and practical).
- All practical examinations must be held in the respective clinical areas with one internal and one external examiner.
- Maximum number of students for practical examination should not exceed 20 per day.
- The candidate, in spite of failing in more than two courses he/she can be promoted to next year except for the final year. To get promoted into the final year the student has to pass in all courses of previous years.
- Internal and External assessment ratio is 25:75.
- Transcript in the format prescribed by the Nursing Council shall be provided by the Constituent.

Award of Class as per INC Rules & Regulations:

Percentage Range	Division
50%	Pass in each of the head (Theory & Practical)
50.01 to 59.99%	Second Division
60.00 to 74.99%	First Division
75% and above	Distinction

Choice Based Credit System (CBCS): Cumulative Grade Point Average (CGPA) System for Academic Programmes:

- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous assessment and Term End Examination prescribed in the approved programme structure.
- Audit courses shall not be considered for computation of GPA/ CGPA. The grade P (Pass) will be printed on the grade sheet only if the student passes the course. This course is evaluated 100% on a continuous basis.
- Relative grading: The grading of students will be done based on the relative performance of the students compared to the class. Continuous Assessment, Term End Examination and Practical (if any) will be separate heads of passing. Passing in a course means securing 40% of absolute marks in each head. Separate grade points will be calculated for Continuous Assessment, Term End Examinations and practical (if any). The weighted average of these components will be the grade point for the course.

Calculation of Grade Points corresponding to nine grades based on relative grading:

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

- **Grading on absolute performance:** Evaluation based on absolute marks may be applied for the courses Project/Dissertation/Thesis/Internship. Absolute grading shall be applicable for all the courses where the student number is 15 or less in each course. Absolute grading system courses shall be marked with a symbol (~) on the grade sheets.

Calculation of Grade Points corresponding to grades based on absolute grading:

Percentage	Grade	Grade point
90% and above	O	10
80% to 89.99%	A+	9
70% to 79.99%	A	8
60% to 69.99%	B+	7
50% to 59.99%	B	6
45% to 49.99%	C	5
40% to 44.99%	P	4
Below 40%	F	0

- **Re-evaluation:** In case of re-evaluation, the scores obtained will be fitted as per the original range of marks of the grades.
- **Backlog Examinations:** In backlog examination the marks secured will be fitted back into the earlier distribution i.e. original range of marks of the grades.
- **Calculation of GPA for Semester and Overall CGPA:** The Grade Point Average for the semester will be calculated by taking the weighted average

of the course grade points.

The weights will be defined as per the credit points they carry. Similarly, the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credits for the semester will act as the weight. The formula is as below:

$$\text{CGPA} = \frac{\{(GPA \text{ of Sem. I}) (\text{Credit Points of Sem. I}) + (GPA \text{ of Sem. II}) (\text{Credit Points of Sem. II}) + (GPA \text{ of Sem. III}) (\text{Credit Points of Sem. III}) + (GPA \text{ of Sem. IV}) (\text{Credit Points of Sem. IV})\}}{\{\text{Total Credit Points}\}}$$

- CGPA will be calculated up to two decimal points
- Conversion of CGPA to percentage marks:
Percentage = CGPA / 10 * 100
- There is no provision to appear in examination to improve marks or grade.
- Standard of passing: A student has to pass Continuous Assessments, Term End Examinations and/or Practical (as applicable) separately i.e. obtain minimum GP of 4.00. GP less than 4.00 will be treated as grade F (fail).
- Award of Degree/ Diploma: A student (PG) will be awarded the degree only if he/she has a CGPA of minimum 4.00 on the completion of programme and has cleared Health and Wellness Module I, Health and Wellness Module II and Vasudhaiva Kutumbakam.

Allowed To Keep Terms (ATKT) Rules:

A student will attend classes of all the years with his / her batch. The following rule will be applicable as per the total number of semesters in a programme:

ATKT rule for 2 Year Programme

He/ she cannot appear for Term End Examination of Semester-3 if he/ she has CGPA less than 4.00

up to **Semester-1.**

He/ she cannot appear for Term End Examination of Semester-4 if he/ she has CGPA less than 4.00 up to **Semester-2.**

However, a student who is eligible to appear for a later semester will also be permitted to appear for all the previous semesters irrespective of the ATKT rule applicable to that semester. (e.g.: A student having CGPA less than 4 at the end of Semester - 1, but having CGPA greater than 4 at the end of Semester - 2 will be eligible to appear for Term End Examinations of **Semester - 3 and Semester - 4**)

The ATKT rules will not be applicable post the minimum duration of the programme is over i.e. the student can appear for any semester backlogs during the extended validity of the programme.

Validity of Terms for Post Graduate Degree Programmes:

Students admitted to the post graduate degree programmes of the University, are allowed to keep term for a period of one year from the date of admission beyond the normal period of the programme, i.e. a student joining two years programme must complete the programme in three years from the date of admission.

Expiry of Validity

Students who are not able to complete their programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his/ her performance at the examinations and the terms kept earlier will be treated as null and void.

Department of Student Welfare (DSW)

The Department of Student Welfare (DSW) was established by the University which acts as a bridge between the University and the students. With an intention to create a home away from home, the DSW works with a holistic approach towards students' concerns. The Department of Student Welfare provides services and support to students. It extends all possible help to students in order to create a conducive environment, imbuing values, ethics and morals. The rules are framed in consonance with the University* Grants Commission.

The Department of Student Welfare facilitates the orientation program during the induction of the new batch of students. The department is also responsible for dealing with disciplinary matters related to students of all constituents of the University.

Activities of the DSW

- The SymbiCare
- Scholarships & Awards @ Symbiosis
- National, State, and Private Scholarships
- Code of Conduct
- Committees under SIU
- Rules & Regulations
- Student Events (Aarambh Annual Cultural Event)

Various Committees under Dept of Student Welfare:

- Campus Student Grievance Redressal Committee
- University Student Grievance Redressal Committee
- Campus Disciplinary Committee
- Disciplinary Appeals Committee
- Scrutiny Cum Approval Committee

- Internal Committee
- Gender Sensitization Cell
- 'Samvedana' Committee (Gender Sensitivity committee Against Sexual Harassment)
- Internal Committee for Differently-abled
- Anti-discrimination cell
- SC/ST Cell
- Minority Cell
- Anti-ragging Committee
- Anti-ragging Squad
- Monitoring Cell
- Mentoring Cell

Various scholarship schemes offered to students:

1. Late Jayatee Deshmukh Scholarship (For SNAP/ SET Female Toppers)
2. Merit Scholarship for IIT Graduates (Joining MBA programmes of SIU)
3. Merit Scholarship Scheme for Students from North-East Region (NER)
4. EBC Scholarship for Girl Students from Adopted Villages
5. Nagpur Domicile Fee concession
6. Merit Scholarship – SIBM Pune
7. Merit Scholarship – SLS Pune
8. Merit Scholarship for Semester Toppers– Post Graduate and Under Graduate
9. Global Immersion Programme Scholarship (GIP)
10. Golden Jubilee Scholarship for Foreign students
11. Symbiosis School for Online and Digital Learning (SSODL) scholarship:
12. Dr. Anandi Gopal Scholarship Scheme (SMCW)

13. SIT Hyderabad Inaugural Offer Scholarship

There is a strict code of conduct practised at all Symbiosis Hostels. Students wishing to stay at any Symbiosis Hostel will have to abide by the code of conduct. Ragging in any form is strictly prohibited in all Symbiosis campuses as well as hostels.

HEALTH, RECREATION AND WELLNESS

Symbiosis Centre for Health Care

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of the Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff, and community.

It is operational at all the campuses of Symbiosis across India.

Promotive health care facilities:

1. Health Promotion Program: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare-related issues.
2. Advice on best practices for Environmental Assessment & Modification to ensure creation & maintenance of environments that promote good health through
 - a. Inspection of Campus
 - b. Inspection of eating establishments thrice a year- of Canteen, Mess & Food counters (e.g.coffee shops, juice centers, ice cream parlors)

DEPARTMENT OF SPORTS AND RECREATION AND WELLNESS

Sports and Games are essential components of human resource development, helping to promote good health, comradeship and the spirit of healthy competition. This in turn has positive impact on the holistic development of personality of the youth who is the potential source of energy, enthusiasm and inspiration for development, progress and prosperity of a Nation. Symbiosis International (Deemed University) established its University Sports Board in 2010 and the Department of Sports, Recreation & Wellness (DSRW) was established in 2019. The DSRW particularly is responsible for the development of sports infrastructure, participation in sports at grass-root level, fitness testing for students and staff as well as excelling in National Sports Tournaments. The emphasis is on Physical Literacy of the students, faculty and staff for lifelong improvement in their quality of life. The Department provides access to state of art playfields and Gymnasiums at all campuses, fitness and wellness programs, multiple group classes, sports competitions and counselling.

Objectives of the SIU Sports Board

- To create a culture of sports by imbuing a desire to excel, spirit of comradeship and high moral and Ethical values
- To provide equal opportunities and encourage students and staff to participate in sports and fitness activities.
- To annually organize Symbiosis International (Deemed University) / Inter institute competitions in specified games and sports for the students & staff.
- To promote excellence in sports by encouraging participation in National and International championships in large numbers.
- To recognize talent in sports and reward young women and men, achieving excellence in sports.
- To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women
- To develop, maintain and plan for optimal utilization of sports and fitness infrastructure.
- To organize workshops, seminars, conferences on sports and fitness related subjects.
- To sensitize the staff and students to be Active for Life, and work towards achieving an excellent quality of life.

Activities at the Department of Sports, Recreation & Wellness

● Infrastructure and facilities

On campus sports and recreation facilities are some of the best and offer many outdoor recreation options for all. We boast of 13 indoor and outdoor fitness centers, Tennis Courts, Basketball courts, Volleyball Courts, Futsal Courts, Football Field, Cricket Field, Indoor Badminton Hall, Squash Courts, Gymnasiums, Swimming Pools, Yoga and Aerobic studios, meditation center and offer many group classes, Coaching facilities, Yoga for rejuvenation and stress management and options to participate in outbound programs and competitions at all levels.

● Inter Institute Championships and Participation in Inter Varsity Competitions

Inter Institute Competitions are conducted in 13 sport disciplines and from amongst them teams are selected and coaching imparted so as to represent Symbiosis International University at the Inter Varsity Competitions. Tournaments for staff are also organized annually.

● **Assessment of Physical Fitness**

Standard Fitness tests are conducted every year to have a base level understanding of Physical Fitness standards of all students, faculty and staff, analyze data, suggest interventions and offer free counselling and personal training.

● **Mass Sporting and Physical Activity events**

Emphasis is given to large scale one-of its kind Mass Sporting and Physical Activity events which are Live events, highly visual and very inspiring. These are accessible and welcoming for all ages, shapes and paces. They work towards personal wellness rather than fitness and build confidence rather than competitiveness. Some examples are Happy Healthy campus (a 3 hour activity taking you back to school, Rhythmic activity, fitness challenges and adventure sport with 500 to 1200 participants), International day of Yoga (at all 13 campuses), Symbi- Fit (Competition to showcase your fitness with 400-500 participants) Institutional Social Responsibility (Fitness challenge for children from underprivileged schools), Fitness for Freedom Run (a run to celebrate the Independence day) and several Fitness challenges that are held at our gyms located in every campus.

● **Innovative activities**

These activities provide the variation and challenge that everyone is looking for and include - Sports dating (Exercising with a person of your choice), Activity breaks (Short Rhythmic activities 5-7mins in academic meetings, conferences in offices etc.), Yoga Pop ups on the screen, Stair Snacking (using the stairs to improve fitness), 10,000 steps challenge and the 108 days Yoga challenge.

● **Symbithon**

Symbithon is a run/walk event organized to raise

public awareness of NCDs, with particular emphasis on exercise and fitness as a component of preventing and managing these diseases. It aims to create healthy working, learning and living environments for students, staff and the community at large, encourage, inspire and motivate youth from varied backgrounds to improve their health through running and exercise. Symbithon had participation of more than 5700 students and staff in each of its three editions covering 21 countries.

● **Sports Scholarship**

The Sports Scholarship Scheme aims at recognizing achievements of young sports persons, their outstanding performance at the International, National, State and Inter University levels. The scholarship provides cash benefits to five promising sportspersons every year.

● **Credit Courses**

Courses in Physical fitness, Wellness are offered as floating credit courses and value-added courses in the existing Post Graduate and Under Graduate programs. Fitness for Life Credit course is a 30 hours mandatory course for undergraduates in their first year of the program.

Refund Rules of the University

1] Preamble

The UGC vide its Notification dated October 2018 has issued an elaborative guideline on 'Refund of Fees and Non-Retention of Original Certificates'. Accordingly, the University notified Rules for Refund of Fees and Non-Retention of Original Certificates vide Notification No. 798 dated 16th January, 2019.

The university has consistently followed the provisions set forth in the UGC Notification on Refund of Fees & Non-Retention of Original Certificates, 2018, as well as the Fee Refund Policies/Guidelines/ Circulars issued from time to time.

Due to the COVID-19 pandemic, starting from the Academic Year 2020-21, the UGC issued annual guidelines/ circulars mandating the full refund of fees within specific timelines, while the other rules from the 2018 notification remained unchanged.

The University Grants Commission (UGC) has issued a policy on June 12, 2024, through letter D.O.No.F.2-71/2022(CPP-II)(C-114546), detailing the procedures for the refund of fees due to admission cancellations or student migration for the Academic Year 2024-25.

In view of this, the University issued Circular 6 of 2024 dated June 26, 2024 regarding Fee Refund Policy for the Academic Year 2024-25.

The University has now revised the refund policy by consolidating clauses of Circular 6 of 2024 and the other rules from the 2018 notification. The said UGC Letter dated June 12, 2024, further states that these refund rules will remain in force for subsequent academic sessions until the issuance of a revised policy by the UGC.

2] Applicability and Enforcement:

i) It shall be applicable to Undergraduate, Postgraduate, Doctoral Degrees, Diploma and Certificate Programmes offered by Symbiosis

International (Deemed University).

ii) It is in force for the Academic Year 2024-25 and shall be in force for the subsequent academic years until UGC issues a revised refund policy/guideline.

3] Verification and Non-Retention of Students' Academic and Personal Testimonials:

i) Constituent / Department shall not insist a student to submit the original academic and personal certificates and testimonials like Mark Sheets, School Leaving Certificates and all other such documents at the time of submitting application form.

ii) Students shall be allowed to submit self-attested documents such as Mark Sheets, Birth Certificates etc. for all purposes of administrative requirements.

iii) The office shall verify the original certificates and testimonials before the finalization of the process of admission of the students in his / her presence and return them immediately after satisfying about their authenticity and veracity, keeping the attested copies for office records.

iv) At any stage, if there is a need of any other kind of documents the self-attested copies be accepted and physical verification of originals be undertaken in the presence of student. Such verified originals certificates and testimonials shall be immediately returned to the student.

v) Constituent / Department shall not keep certificates and testimonials of any student into institutional custody under any circumstances or pretexts, as it is strictly prohibited for it is a coercive tactic which can be misused for black mailing students who wish to withdraw admission from the Institute for better prospects or other compulsions.

vi) In case of any suspicion over the authenticity or genuineness of the testimonials, the reference may be made to the University or the Board which issued certificates to the students and the admission be subjected to the authentication, but original certificates shall not be retained under any circumstances.

4] Rules for Refund of Fees:

- i) The university has been adhering to the provisions outlined in the UGC Notification on Refund of Fees & Non-Retention of Original Certificates, 2018, and Fee Refund Policies/ Guidelines issued from time to time. In accordance with these provisions, the university has been refunding the fees to students who cancelled their admissions.
- ii) Due to the COVID-19 pandemic, starting from the Academic Year 2020-21, the UGC issued annual guidelines/ circulars regarding full refund of fees within specific timelines, while the other rules from the 2018 notification remained unchanged.
- iii) The University Grants Commission (UGC) has issued a policy regarding the Fee Refund for the Academic year 2024-25 on June 12, 2024, vide letter D.O.No.F.2-71/2022(CPP-II) (C-114546), outlining the procedures for the refund of fees due to cancellations of admissions/ migration of students for the Academic Year 2024-25.
- iv) In line with the above mentioned UGC policy, the University issued Circular 6 of 2024 dated June 26, 2024 regarding Fee Refund Policy for the Academic Year 2024-25.
- v) The University has now revised the refund policy by consolidating clauses of Circular 6 of 2024 and the other rules from the 2018 notification. On the basis of the UGC letter dated 12th June, 2024, these refund rules will remain in force for subsequent academic years until UGC issues a revised refund policy/ guidelines.

5] Procedure: Cancellation/ Withdrawal of Admission:

- i) A student shall apply for cancellation of admission in the prescribed format to the Constituent / Department.
- ii) The Constituent/ Department after following due procedure will cancel the admission of the applicant and shall refund fees to the student within 15 days from the date of his / her application.
- iii) The Constituent/ Department shall cancel the admission of the student in the following situations:
 -
 - a) Non-payment of fees for more than 1 semester.
 - b) Non-reporting to the institute for more than 30 days,
 - without prior intimation in writing to the concern authority.

PART A:

6. Refund of Fees (Academic and Non-Tuition including Hostel and Mess):

A1: The University will refund fees according to the provisions stated in the UGC refund policy dated 12th June, 2024 from the Academic Year 2024-25 onwards until the issuance of a revised policy by the UGC as mentioned below:

Sr. No.	Particulars	Deduction	Refund
1	Cancellation of admission up to 30th September	No deduction of fees	100% refund of academic fees and refundable deposits*
2	Cancellation of admission from 01st October to 31st October.	Rs. 1000/- for Processing Charges	Refund of academic and refundable deposits after deduction of Rs. 1,000/-*
3	Cancellation of admission from 01st November onwards	100% deduction as per UGC Notification issued in Oct 2018	No Refund of academic fees only refundable deposits will be paid.

*** NOTE:**

- The university will refund the amount after a proportionate deduction of hostel and mess fees for the duration of the hostel and mess facilities availed by the student till the date of cancellation of admission.
- Deduction of the insurance premium will be made from the refund amount if applicable since the University has paid an insurance premium on behalf of the student to a third-party insurance company. This amount is non-refundable. However, students can avail themselves of the benefits of the insurance scheme until the end of the valid period.
- Deduction of the non-refundable portion of fees, i.e. Administrative Fees for International students (Symbiosis Centre for International Education) and Registration Fee for the Ph.D. programme (Symbiosis Centre for Research & Innovation).
- The refund will be transferred to the same bank

account that was provided during the online application for admission cancellation. The University is not liable for any delays or errors due to inaccurate information provided by the student.

A2: For any admission schedule extending/commencing beyond/after 31st October, the provisions contained in the UGC Notification issued in October 2018 on Refund of Fees and Non-Retention of Original certificates shall apply (reproduced below for ready reference)

S. No.	Percentage of Refund of fees #	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more before the formally-notified last date of admission
(2)	90%	Less than 15 days before the formally-notified last date of admission
(3)	80%	15 days or less after the formally-notified last date of admission
(4)	50%	30 days or less, but more than 15 days, after formally-notified last date of admission
(5)	00%	More than 30 days after formally-notified last date of admission

NOTE: #

- In case of (1) in the table above, the University shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs. 5,000/- as processing charges from the refundable amount.

- ii) Fees shall be refunded by the University to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

7. Last Date of Admission:

For the purpose of refund of Fees, the last date of admission will be considered as one day prior to the date of commencement of the programme.

8. Medical Insurance:

Medical Insurance premium of the student is deposited to the Insurance Company, immediately after the student obtains provisional admission. Hence, this amount is NON-REFUNDABLE.

In case the student's admission is cancelled for reasons what so ever, he/she will continue to draw all benefits under the said insurance scheme for the period insured (policy year). Students may contact Symbiosis Centre of Health Care (SCHC) at 9552525015 (24 X 7) for any query/ assistance.

9. Refund of Deposit:

- i) Refund of Institution deposits shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as breakages to laboratory equipment, assets such as computers, gadgets etc., loss of library books for which the student would be responsible.
- ii) Refund of the Hostel deposit shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as fans, cupboards, glass panes, tables, chairs etc. for which the student would be responsible.

10. Refund of Fees in other Cases:

- i) In case, admission of student is cancelled on account of disciplinary action or violation of Anti Ragging Regulations or Substance Abuse or breach of Code of Conduct or any other Rules & Regulations of the University, No Refund of fees is permissible. Only the respective deposits would be refunded to the student.
- ii) In case, admission of student is cancelled on account of ineligibility, the refund of fees (academic and non-tuition including hostel and mess) will be on prorata basis.
- iii) In any other case which is not covered in these rules, the decision would be taken by the Vice Chancellor.

PART B:

11. Non-Refundable Fees

- i) Insurance Premium
- ii) International English Language Assessment (IELA) Test fees (Applicable to Foreign Nationals only)
- iii) Registration/ Administrative Fees

12. Grievance Redressal Mechanism (GRM):

- i. The Constituents / Departments shall follow "Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023 prepared in accordance to University Grants Commission (Redressal of Grievances of Students) Regulations, 2023, as amended from time to time, to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this Notification.
- ii. The GRM shall be available on university website.
- iii. The University shall ensure that all grievances received are addressed as deemed fit within 30 days.

PART C: RULES OF THE UNIVERSITY FOR TRANSFER OF ADMISSION

13. Transfer of Fees in Case of Transfer of Admission to another Constituent/ Department of SIU:

- i) In case student applies for transfer of admission from one constituent of SIU to another constituent of SIU, the transfer application shall be processed and if approved by the University; the transfer of fees shall be as under:
 - a. If the student applies for transfer of admission to another Constituent/ Department of the University before commencement of the programme, then 100% fees shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.
 - b. If the student applies for transfer of admission to another Constituent / Department of the University, after commencement of the programme, then the proportionate amount of academic, hostel and mess fees shall be deducted and remaining amount after deductions shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

- ii) If the student applies for transfer of admission to another constituent of the University and his/her transfer is approved by the University then the first constituent from where the student has been transferred will hand over certificates/ documents to the student, to enable him/ her to submit the documents /certificates in the other constituent.

14. Miscellaneous:

- i) The students shall not be insisted to purchase the institutional prospectus any time during the programme of study, as purchasing prospectus shall be the personal choice of the student. Student can access information from institutional website, if he/ she so desires. It shall be mandatory for all Constituents / Departments to update their website covering all details.
- ii) Constituents / Departments shall charge fees in advance only for the semester/ year in which a student is to engage in academic activities. Collecting advance fees for entire programme of study or for more than one semester/ year in which a student is enrolled is restricted.

Dr. Shirang Altekar

Director

Director Profile:

Prof. (Dr.) Shirang Altekar holds a Ph.D. in Consumer Behaviour. He is an alumnus of Symbiosis Institute of Business Management (SIBM) Pune, from where he obtained MBA degree with Marketing as his area of specialization. He has extensive knowledge of technical and non-technical areas of business and has been involved in running businesses at the strategic level. He brings over 40 years of total experience, including 23 years in industry and more than 17 years in academia, with over 12 years in directorial roles. He has held consulting, advisory, and learning and development roles with several corporates in the FMCG, Insurance, Manufacturing, Chemical, Pharmaceutical and Aviation sectors. His love for academics and a desire to give back to his Alma Mater coincided with a planned shift to academics in 2006.

Prof. Altekar also holds a degree in Law, and is a member of the All-India Management Association, New Delhi. He was the Chairman of the Curriculum Evaluation Committee and the Academic Audit Committee of the Symbiosis International (Deemed University) (SIU) for 2 years and has served on several other committees. He is a member of the Academic Council as well as the Board of Studies of the University, member of the Board of University Development, SIU. He chairs the Board of Studies Sub – committees on General Management and Strategy of the Faculty of Management of SIU. In the past, he was nominated on the Departmental Promotions Committee and the Post Membership Academic Committee of the Institute of Company Secretaries of India, a statutory body formed under an Act of Parliament. He was also nominated on a Task Force Committee by the Ministry of Youth Affairs and Sports for driving Excellence in Sports Universities. Prof. Altekar has been a member of the Higher Education Committee of the Indo - French Chamber of Commerce and Industry for a few years, and was the Vice Chairman of the Committee. In 2020, he was awarded the Academic Leader of Ideas and Innovation award by ASSOCHAM.

He has been invited to lecture at prestigious institutions such as the Higher Command Wing, Army War College, MHOW; the UGC Academic Staff College, Jawaharlal Nehru University, New Delhi; and the PHD Chamber of Commerce and Industry, New Delhi. Additionally, he has served as a panelist and keynote speaker for various organizations including the Dainik Bhaskar Group, The Times of India Group, and IFCCI. Renowned as a teacher and learning and development expert, he has been instrumental in integrating industry best practices into his students' academic experience, significantly enhancing their education.

He was the Director of SCMS Noida for 8 years, and is widely credited with having brought it up to feature in the top 25 BBA Institutes in India in 2018. He has founded and headed Symbiosis Institute of Business Management, the flagship brand of Symbiosis, in Nagpur. Currently, he also holds charge of Symbiosis Centre for Corporate Education, Nagpur, and has founded, and held charge of Symbiosis Centre for Skill Development, Nagpur, from April 2019 to June 2021. From April, 2019, till 31st March, 2021, he was also entrusted the additional responsibility of founding and establishing Symbiosis Centre for Management Studies, Nagpur. As a proven campus and institution builder, he is now back with his Alma Mater as the Director, SIBM Pune.

Institute Profile:

Established in 1978, Symbiosis Institute of Business Management (SIBM Pune) is the flagship institute under the Faculty of Management and a constituent of Symbiosis International University (SIU), Pune. Starting modestly 46 years ago, it has since grown into one of India's leading B-Schools, consistently ranked among the top ten.

Today, the institute boasts a sprawling green campus in a picturesque setting atop a hill in Lavale, Pune. It offers a highly sought-after two-year full-time MBA programme, attracting over 40,000 applications for its 180 seats, and a uniquely designed MBA in Innovation and Entrepreneurship aimed at nurturing future job creators. The institute is not just about the full-time MBA programme. It also offers weekend courses for working professionals, including a full-length MBA (Executive) programme.

A distinctive feature of the institute is its student-driven approach. Operations are managed through student councils responsible for various activities. All major events are designed and implemented by students, providing multifaceted opportunities to learn about business as well as social issues and concerns.

Over the years, the institute has carved a niche in the holistic development of its students. Constantly seeking input from the industry, its dynamic course structure is regularly updated to align with corporate requirements in terms of knowledge, skills, and abilities. Students choose their specialization within 45 days of the course commencement, and specialization classes begin well before summer placements, equipping them with the necessary knowledge for their internships.

The institute has maintained an outstanding placement record for several years, with numerous alumni proving their credentials as top business leaders in organizations worldwide. Its multidisciplinary faculty, drawn from the cream of academia and industry, bring diverse backgrounds and immense experience, providing valuable insights into the world of business.

Equipped with top-class infrastructure, the campus offers state-of-the-art audio-visual equipment to facilitate student learning. Amphitheatre-style classrooms are equipped with smart boards, and there are ample opportunities for sports enthusiasts, including a cricket ground, swimming pool, basketball court, gym, yoga/fitness center, and indoor badminton courts.

Orientation and Pedagogy

SIBM Pune conducts its Orientation Programme in a unique and engaging manner, spanning across 10 days. During this period, a variety of activities are organized, including ice-breaking exercises, cultural performances, team-building outings, and sessions led by industry experts, distinguished alumni, and entrepreneurs.

The pedagogy at the institute integrates multiple methodologies. Beyond the traditional chalk-and-talk approach, there is a deliberate effort to make sessions interactive through the use of case studies and references to the latest developments in the relevant fields. Students are encouraged to undertake multiple projects to enhance their research and analytical skills. Cutting-edge tools and techniques, such as business simulations, are employed wherever possible.

Additionally, the institute frequently organizes guest lectures by leading corporate executives, particularly from its alumni pool. SIBM Pune has consistently received awards for its outstanding industry interaction. Students are also encouraged to document the success stories of notable alumni, which the college publishes in book form. Field visits are a regular component of the curriculum, and Harvard or Ivey case studies are used in each course for teaching.

Annual Cultural Fest of SIBM Pune “Transcend 2024: The World of Cosmic Chronicles” an event that promises to be a cosmic spectacle, showcasing a fusion of talent and innovation.

Programme Structure:**Master of Business Administration (MBA)****Semester: 1****Generic Core Courses**

- Microeconomics
- Human Resource Management
- Marketing Management
- Operations Management
- Financial Management
- Business Statistics
- Data Driven Decision Making
- Financial Accounting
- Research Methodology
- Supply Chain Management
- R Programming

**Generic Elective Course Group
(Choose any one course)**

- Doing Business in India
- Indian Ethos and Values for Management
- Indian Film Industry: A Business Perspective

Specialization Core Courses**Marketing**

- Sales Force and Channel Management
- Consumer Behaviour and Insights

Specialization Core Courses**Human Resource**

- Labour Laws
- Learning and Development

Specialization Core Courses**Finance**

- Financial Econometrics
- Introduction to Financial Markets and Institutions

Specialization Core Courses**Operations and Supply Chain Management**

- Materials Management

- Quality Management

Specialization Core Courses**Data Analytics**

- Data preparation and Data management
- Programming for Data Sciences

Semester 2**Generic Core Courses****Organizational Behaviour**

- Macroeconomics
- Business Analytics for Marketing
- Legal Aspects of Business
- Management Accounting
- Management Information Systems
- Operations Research
- Project Management
- Cloud and Big Data
- Integrated Disaster

Management

Dr. Alka Maurya
Director

Director Profile:

Dr. Alka Maurya is a Computer Science Graduate and has done her Master's in International Business from the Indian Institute of Foreign Trade, New Delhi, India, and her Ph.D. in International Business from Jiwaji University, Gwalior, India.

She has over 28 years of experience in teaching, research and consulting. She has worked with Amity International Business School (AIBS), Amity University, Uttar Pradesh, where she was engaged in teaching, research, and consulting in the area of International Business.

Dr. Alka was working in the industry before joining AIBS. She worked with the Plastics Export Promotion Council (Plexconcil) as Deputy Director where she worked on several projects for promoting exports of plastic products from India. She led many delegations of plastic exporters to explore opportunities in the foreign market.

Before Plexconcil, she worked with NCTI (National Centre for Trade Information), A UN-designated Trade Point in India, where she was associated with various projects of the Department of Commerce, Export Promotion Councils, Commodity Boards, etc. She worked with a few export houses and gained hands-on experience in international trade processes and procedures.

Dr. Alka has been recognized with multiple national and international accolades for her contributions in research and teaching. She has been invited as a keynote speaker for various international/national conferences and seminars in the area of international business. She has published several books and research papers/ case studies in her area of specialization. Teaching and research are her passion, and she also likes to spend her time shaping young minds to take up the challenges in this dynamic and competitive environment.

Institute Profile:

The Symbiosis Institute of International Business was founded in 1992 as Symbiosis Institute of Foreign Trade (SIFT) with its flagship programme, Master's Diploma in International Trade (MDIT), later renamed as MBA – International Business (MBA - IB) in 2006. As the global business world expanded tremendously, the founders felt the need to pro-actively transform the institute from one of foreign trade to an all-encompassing 'International Business', and hence SIFT metamorphosed into Symbiosis Institute of International Business (SIIB) in 2002.

It was not only the name of the institute 'International Business' that changed, but also its aim, which became wider to cover global aspects, as it moved to a brand-new campus equipped with state-of-the-art infrastructure. In the process, SIIB won many coveted accreditations, making it one of India's preferred destinations for MBA education. Today, SIIB stands as one of the premier business schools in the country. Through all these years, it has provided students with a strong academic foundation and ensured their holistic development.

The institute boasts 100% placements since its inception in leading companies across the globe, which is reflected through an array of alumni spread across diverse geographical domains.

SIIB is recognized for its two more niche programs, MBA - Agri-Business and MBA – Energy & Environment, which began in 2004 and 2009, respectively, to cater to the industry's latest energy and environmental needs.

In 2002, the Ministry of Human Resource Development, Government of India, conferred the "Deemed to be University" status on Symbiosis, and further, in 2006, the UGC, vide its notification, withdrew the word "Deemed" and renamed the University as Symbiosis International (Deemed University). SIU is accredited by NAAC with an 'A++' Grade.

SIIB has International collaborations with leading global business schools and universities; a few are listed below:

1. Berlin School of Economics and Law [BSEL], Germany (One year, Student Exchange Programme)
2. Flensburg University of Applied Sciences, Germany (Semester exchange programme)
3. Dauphine University, Paris (Semester exchange programme)
4. Lisbon School of Economics and Management (Semester exchange programme)
5. Leeds Beckett University, UK (Semester exchange programme)
6. Leibniz University, Hannover, Germany (Semester exchange programme)
7. RUDN University, Russia. (Semester exchange programme)
8. Munich University of Applied Sciences, Germany (Summer School)
9. Hochschule Bremen University of Applied Sciences, Germany (Summer School)
10. The University of British Columbia, Vancouver, Canada (Summer School)
11. IÉSEG School of Management, Paris, France (Summer School)
12. Ben-Gurion University, Negev, Israel (Summer School)

Programme Profile:

• **Master of Business Administration – International Business (Specializations: Marketing, Finance, Supply Chain Management & Human Resource)**

As a premier Business School in India, SIIB's flagship programme is the Master of Business Administration in International Business. The MBA-International Business is a two-year, residential, post-graduate degree programme, specifically designed for a rewarding career in global business management. This programme is a unique blend of theory and practice that prepares students for domestic markets as well as business on a global platform.

The International Business courses such as Export and Import Management, Global Strategic Management, Trade Finance and Forex Risk Management, Advanced Strategic Management, Foreign languages, etc., make this programme truly unique and align well with the trends in the International business discipline.

Students, who enter the portals of the Institute, come from diverse academic backgrounds such as engineering, economics, mathematics, chartered accountancy, IT, commerce, etc., and provide a vibrant tone to the programme. The first semester serves as a churning crucible and creates the basis for understanding business management. Students are brought together on a level playing field before the introduction of specializations in the second semester.

Symbiosis Institute of International Business offers an elective system wherein a student can opt for major courses in any one functional area of specialization (Marketing, Finance, Supply Chain Management, and Human

Resource). The semester pattern followed by SIIB ensures that the subjects are covered in detail and every course that is taught, is understood and assessed thoroughly.

- **Master of Business Administration – Agri Business**

Agriculture and allied sectors like forestry and fishing account for a significant part of the GDP and continues to be the mainstay of the Indian economy. Food security is a growing need of society and mankind and much emphasis is laid on commercializing agricultural production. Hence, adequate production, distribution of food, and food security have lately become a global concern.

Agriculture has long been seen as a sector with tremendous potential in India. In the last few years, the sector has seen an unprecedented gain with many government and private sector initiatives. The, changing global norms and increased global competitiveness invite a tremendous need for professional courses in Agribusiness Management and make it one of the most challenging and exciting sectors to be in, either as a professional or as an entrepreneur. The MBA-Agribusiness program is thus a response to this growing need for professionals, who can contribute to, and engineer the agribusiness revolution. SIIB is recognized as one of the top institutes for imparting an industry-relevant course in Agri Business Management in India.

The MBA-Agri Business programme broadly covers Marketing (emphasis on rural marketing and retail management), Finance (emphasis on microfinance, commodity trading and lending and risk management), Supply Chain Management (logistics in retail), and Taxation. It also focuses on the relevant and applicable fields of Agriculture and WTO, Agri-export-import and Agricultural Finance. Moreover, at SIIB, a student pursuing an MBA in Agri Business possesses a high level of decision-making skills and can go out confidently into the demanding and dynamic world of Agri Business Management.

- **Master of Business Administration – (Sustainability Management)**

Energy, Environment and climate change, the essential resource behind every economic activity are intrinsically as well as extrinsically linked with nature in satisfying the world's basic needs. The management of this relationship between the environment and sustainable development has become increasingly complex due to a paradigm shift in our perspective and outlook towards achieving environmental sustainability. These are global issues and have found a prominent place in all recent global debates like climate change, resource management, energy security, etc.

The MBA in (Sustainability Management) is a niche domain that is currently offering a lot of opportunities waiting to be tapped in the areas of Sustainable development. As an Institute of International Business, SIIB believes that strengthening one's capacity and building it in this emerging sector is critical. Therefore, the Institute has taken this initiative to create young professionals who can be an asset to organizations in this crucial expertise area. These unique two years in the Sustainability programme focuses exclusively on various aspects of environmental sustainability in the national as well as global context and address the current needs of the industry. The primary objective of this programme is to equip aspiring global managers with managerial, economic, legal, political and relevant technical competence. The programme also serves as a base for providing the crucial link between the world of technology, business and sustainable development.

The programme provides a judicious blend of theory and practice and prepares the students to meet contemporary global needs. The programme has been designed in such a way that it imparts the knowledge of general management and at the same time encompasses sectors namely power, renewable energy, energy efficiency, climate change and sustainable development, green buildings, corporate sustainability, global standards and

environmental management, etc.

A student pursuing an MBA in (Sustainability Management) will be able to deal effectively with energy audits, offer solutions in energy conservation and management, ESG Investing, Sustainable Finance, Natural Capital Management, Sustainability standards, Life Cycle Assessment (LCA), Renewable energy business and finance, etc.

Duration of the Programme:

- **Master of Business Administration – International Business (MBA-IB)** : 2 Years, Full-Time Residential Programme
- **Master of Business Administration – Agri Business (MBA-AB)** : 2 Years, Full-Time Residential Programme
- **Master of Business Administration – (Sustainability Management) (MBA-SM)** : 2 Years, Full-Time Residential Programme

Intake:

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

- **Master of Business Administration – Sustainability Management (MBA-SM):**

Bachelor of Engineering/ Technology/ Architecture/ Bachelor of Science (Environmental Science) from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Reservation of Seats: As per University norms.

Admission Process:

The Selection process is carried out in two steps.

Step I: Symbiosis National Aptitude (SNAP) Entrance:

- a) Each student desirous of admission to SIIB, Pune must apply and appear for the Symbiosis National Aptitude (SNAP) Test. For SNAP Test information log on to <http://www.snaptest.org> and register. Get your SNAP ID and complete the SNAP registration and payment.
- b) Immediately select the SIIB programme/s in the SNAP form and complete the Institution registration and payment (mandatory).

Step II: Group Evaluation and Personal Interview (GEPI):

- a) Based on SNAP scores/percentile, short-listed candidates are intimated about the next selection process which is GEPI. Results of shortlisted/not shortlisted candidates are announced via a web link on the SIIB website (www.siib.ac.in) as per the scheduled date.
- b) This process includes Group Exercise and Personal Interview (GEPI).

Note: Appearing for the SNAP Test does not automatically qualify an applicant for the next step in the selection process i.e. GEPI.

Candidates should take due care to enter the correct details while filling out the forms. At any point of time during the entrance process or even after securing admission, if the details are found incorrect then the candidate will be disqualified or after securing admission, admission will be cancelled without assigning the reason.

Anusmruti, the Annual Alumni Meet of SIIB, Pune was organized in January 2024. The event was graced by the esteemed presence of Dr. Rajani Gupte, Advisor at SIU, along with the three host batches: 1993-94, 2002-04, and 2012-14.

SIIB Programme Commencement	2nd June 2025 (Monday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.siib.ac.in

Orientation and Pedagogy:

The approach adopted at SIIB seeks to empower the students to harness their potential strengths and to emerge as positive, well-informed and confident individuals.

The design of the courses is rigorous, requiring an intensive application. The quantum of activities including continuous evaluation, self-study, assignments, numerous group and individual projects and presentations, and deadlines for assignments ensure that time management skills are developed.

There is a fine blend of theoretical and inputs through experiential learning through experienced faculty from SIIB as well as from industry, to ensure that students are industry-ready in their chosen functional areas.

Important: It is the responsibility of the candidate to ascertain whether he/she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Dr. Clemens Arzt, Professor of Public Law from Berlin School of Economics and law, Germany visited SIIB. During his visit, he discussed the DAAD New Passage to India Scholarship and explored further opportunities for collaboration. Academic units were encouraged to identify potential partners for interaction within their fields, including professors, lecturers, and researchers at BSEL, who are organized into thematic academic units. Dr. Arzt shared a list of professors at BSEL and provided insights into funding and cooperation opportunities offered by DAAD. Additionally, he gave an overview of BA and MA programmes, along with relevant links. Discussions also revolved around funding options to be explored in 2024, with a promise of more information on faculty and our programs in the near future.

Programme Structure:

Master of Business Administration (International Business)

Semester: 1

Generic Core Courses

- Economics for Managers
- Export Import Management
- Advanced Data Driven Decision Making
- Basics of Financial Management
- Business Communication
- Business Statistics
- Corporate Governance and Ethics
- Essentials of Marketing Management
- Financial Accounting
- Global Business Environment
- Human Resource Management
- Supply Chain Management
- Research Methodology
- Well for Life

Generic Elective Courses Group (Choose any one course)

- Basic German I
- Basic French I
- Basic Spanish I
- Basic Japanese I

Semester: 2

Generic Core Courses

- Financial Management
- Trade Finance and Forex Risk Management
- Cost Accounting
- ERP-Business Process Integration
- Global Strategic Management
- Operations Research
- Organizational Behaviour
- Project Management
- Sales Force and Channel Management

- Marketing Research
- Flexi-Credit Course
- Integrated Disaster Management

Generic Elective Course Group (Choose any one course)

- Basic German II
- Basic French II
- Basic Spanish II
- Basic Japanese II

Specialization Core Courses: Marketing

- Digital Marketing
- Consumer Behaviour

Specialization Core Courses: Human Resource

- Talent Acquisition
- Employment Related Laws

Specialization Core Courses: Supply Chain

- Materials Management
- Advanced Supply Chain Management

Specialization Core Courses: Finance

- Security Analysis and Portfolio Management
- Financial Risk Management

Semester: 3

Generic Core Courses

- Internship
- Advanced Strategic Management
- Business Analytics
- Six Sigma

Specialization Core Courses: Marketing

- International Marketing
- Flexi-Credit Course

Specialization Elective Courses: Marketing (Choose any seven courses)

- Integrated Marketing Communication
- Marketing Strategy
- Customer Relationship Management
- Marketing Models
- Brand Management
- Pricing
- Business to Business Marketing
- Retail Marketing
- Product Management
- Financial Statement Analysis
- Business Statistics with R
- AI and ML for Business Management

Specialization Core Courses: Human Resource

- International Human Resource Management
- Flexi-Credit Course

Specialization Elective Courses: Human Resource (Choose any seven courses)

- Business Statistics with R
- AI and ML for Business Management
- Indian Ethos and Values for Management
- Talent Management
- Learning and Development

- Performance Management System
- HRD Instruments
- Conflict and Negotiation
- HR Analytics
- Organizational Development and Change
- Industrial Relations

**Specialization Core Courses:
Supply Chain**

- International Logistics
- Flexi-Credit Course

**Specialization Elective Courses:
Supply Chain**

(Choose any seven courses)

- Financial Statement Analysis
- Business Statistics with R
- AI and ML for Business Management
- Retail Distribution and Logistics
- Blockchain Technology for Operations and SCM
- Supply Chain Performance Measurement
- Advanced Operations Research
- Management of Operations
- International Commercial Law
- Advanced Project Management
- Procurement Management
- Advanced Operations Management
- Circular Design Thinking

**Specialization Core Courses:
Finance**

- International Finance
- Flexi-Credit Course

**Specialization Elective Courses:
Finance**

(Choose any seven courses)

- Financial Statement Analysis
- Business Statistics with R
- AI and ML for Business Management
- Financial Modeling
- Business Valuation
- Commercial Banking
- Digital Transformation in Financial Services
- Insurance Management
- Advanced Project Finance Structuring
- Financial Technology
- Fixed Income Markets
- Wealth Management
- ESG and Sustainable Finance

Semester: 4

Generic Core Courses

- Dissertation
- Project

**Specialization Elective Courses:
Marketing**

(Choose any four courses)

- Marketing Analytics
- Sustainable Marketing
- Marketing Innovation
- International Commercial Law
- Marketing of Financial Services
- Marketing in Emerging Economies

**Specialization Elective Courses:
Human Resource**

(Choose any four courses)

- International Commercial Law
- Organizational Theory, Design and Structure
- Social Media in Human Resource Management

- Coaching, Counseling and Mentoring
- HRD Audit and Scorecard
- Leadership and Capacity Building

**Specialization Elective Courses:
Supply Chain**

(Choose any four courses)

- Lean Management
- Sustainable Supply Chain
- Technology in Supply Chain
- Warehouse Management
- Supply Chain Risk and Reliability Management

**Specialization Elective Courses:
Finance**

(Choose any four courses)

- Direct Taxation
- Financial Engineering and Analytics
- Mergers and Acquisitions
- Investment Banking
- Risk Analytics
- Behavioral Finance
- Data Visualization and Modeling

Master of Business Administration (Agri Business)

Semester: 1

Generic Core Courses

- Agricultural Economics
- Marketing Management

Dr. Netra Ganesh Neelam
Director

Director Profile:

Dr. Netra Neelam is currently the Director of Symbiosis Centre for Management and Human Resource Development (SCMHRD), one of the institutes under the aegis of Faculty of Management under the Symbiosis International (Deemed University). SCMHRD is the only institute in Pune to have an accreditation of the Association to Advance Collegiate Schools of Business (AACSB).

Dr. Netra has an experience of 22 years in the field of higher education. She has done her PhD in Human Resource Management from Symbiosis International University. Before pursuing PhD, she completed her M.Phil. from Brihan Maharashtra College of Commerce (BMCC), Post Graduate Diploma from the Symbiosis Institute of Business Management (SIBM, Pune) and Master of Commerce from Ness Wadia College of Commerce. She is currently a recognized PhD research guide at Symbiosis International University and has 7 students under her mentorship. One student has successfully completed PhD in Dec 2023. She is extremely passionate about the field of psychometry and is certified in internationally recognized psychometric instruments like Belbin® MBTI®, FIRO-B®, and Strong Interest Inventory® and works extensively with students and faculty. She is a Certified Emotional Intelligence Coach Practitioner along with being certified in NLP, Hypnosis & Coaching. She is also actively involved in Management Development and Faculty Development Programmes.

In appreciation of the extensive work on the Belbin Psychometric Instrument with students, she has been invited to deliver a workshop on “Leveraging Belbin Team Roles to develop industry Ready Professionals to have global and regional understanding” on 16th July 2024 in UK at Cambridge for participants from the Industry and Academia.

Currently she serves as a member of the Asia Pacific Advisory Council (APAC) and Indian Business School Directors Leadership Group (IBSDLG) at Association to Advance Collegiate Schools of Business (AACSB). In appreciation of the understanding and contribution in the area of higher education, she has been invited to be a part of the Peer Review Team of an AACSB school in Philippines. She was invited to take part as a guest researcher in the DAAD-sponsored Centre for Modern Indian Studies at the University of Cologne (Germany) and has participated in various conferences in India and Internationally on higher education and research.

Dr. Netra Neelam has been a member of the Team which has worked on the ICSSR Funded project with a focus on the Women empowerment through Craft revival.

Dr. Netra Neelam has been actively involved in Management Development Programme for Corporates and has conducted functional and behavioral training programmes for executives from organizations like Tata Trusts, Adani Group, HPCL, Burckhardt Compressions, Gudel, IOCL etc.

She has been in the profession of teaching by choice and finds a sense of satisfaction in being able to engage

with the young minds in class. Symbiosis International (Deemed University) is based on the principles of the Vedic thought of “World as One Family” and Dr. Netra Neelam firmly believes in contributing toward this principle through various activities and initiatives at SCMHRD

Institute Profile:

Symbiosis Centre for Management & Human Resource Development (SCMHRD) is a premier institute honing world-class leaders and entrepreneurs. Established in 1993, SCMHRD's MBA programme is one of the most prestigious programmes in India. It is the first B-School in Pune and amongst only 5% B-Schools in the world to have been accorded the prestigious **AACSB Accreditation**. AACSB is a global non-profit association which connects educators, students, and businesses to achieve a common goal: to create the next generation of great leaders. This quality initiative commits us to practice applied research to deliver solutions to business through experiential learning opportunities. SCMHRD is committed to people and community and strives to develop employable human resources having global and regional understanding.

SCMHRD's MBA programme is also accredited by the **National Board of Accreditation (NBA)**.

With its 30 years of legacy SCMHRDians believe in the core values of collaboration, commitment to people & society, diversity & equality, integrity & transparency along with quality & excellence in all its endeavours.

SCMHRD specializes in developing and nurturing talent in the fields of **Business Analytics, Human Resources, Marketing, Finance, Operations, and Infrastructure Development & Management**. The institute believes that wholesome knowledge can be gained through experience and practical learning. Hence the intense academic curriculum is designed such that it prepares students to deliver their best.

Apart from academic excellence, the institute also focuses on equipping the students with the latest technical skills along with appropriate behavioural competencies used in the corporate world. It also provides opportunities to develop their leadership and entrepreneurship skills through various student activities and institute initiatives. SCMHRD is a member of CII, NHRD, SHRM and HIA.

SCMHRD has earned a trusted name in the industry for delivering competency-based talent thereby enhancing quality at the workplace. This is evident from SCMHRD's track record of placing its students in the most sought-after companies across sectors every year. Our unique learning approach combined with the focus on holistic development gives an edge to SCMHRD students and prepares them for the challenging and ever dynamic life ahead.

Programme Profile:

- **Master of Business Administration || (M.B.A)**

The MBA programme at SCMHRD reflects its commitment towards quality and excellence. Curated by expert academicians and seasoned industry professionals, the programme represents a forward-looking approach of SCMHRD. The dissemination of business management knowledge and inculcating an applied orientation is primarily done through a three-tier approach in the curriculum. With foundation courses in the first semester, the programme advances to functional and applied courses in its next two semesters, with the final semester focusing mainly on the strategic aspects of business management. Thus, providing a holistic view of business management to the students. The MBA Programme of SCMHRD is **NBA Accredited (National Board of Accreditation)**, further emphasizing its adherence to high standards. Experiential learning through simulations, case studies, live projects, research papers, and various other relevant means form an integral part of the programme, thereby enhancing

its richness and quality manifold. Supporting this systematic approach to business education is the 'Assurance of Learning' framework, a vital cornerstone of the teaching-learning process at SCMHRD, which provides a quality assurance framework to the programme through the constant monitoring and augmentation of its programme learning goals. Thus, the MBA programme at SCMHRD is a very systematic, disciplined, and enriching journey for an individual student to embark upon.

Areas of specialization offered:

- Marketing • Finance • Human Resource • Operations • General Management

• Master of Business Administration - Infrastructure Development and Management || M.B.A (IDM)

The MBA in Infrastructure Development and Management (M.B.A-IDM) is a 2-year full-time management programme offered under the aegis of Symbiosis Centre for Management and Human Resources Development (SCMHRD). The programme was envisioned in 2010-11 in an environment of increasing government focus on the infrastructure sector. The programme skills students with project execution and management skills, required to fill the lacunae in Indian infrastructure development. The programme was conceptualized with the following programme objectives:

- Structure technically, commercially, financially, socially, and environmentally feasible infrastructure projects within the regulatory framework and governance structure.
- Ensure effective project execution while ensuring efficient management of contractual relationships with different stakeholders along the project life cycle.
- Lead Infrastructure project business development successfully.

Given these objectives, the programme focuses on 5 key competencies namely, project execution, project financing, business development & planning, project risk management, and contracts management. Students also undertake courses that deliver sectoral expertise, namely in the areas of real estate and urban development, transportation, and energy. The programme delivery is based on innovative pedagogical methods, to maximize student learning opportunities which include site visits, industry guest lectures, and case-based teaching. In addition, students and faculty engage in practice research, which makes use of theoretical concepts to solve real business issues.

• Master of Business Administration - Business Analytics || M.B.A (BA)

The MBA - Business Analytics post-graduate programme at SCMHRD has the unique distinction of being the earliest programme in the country in this domain. The need for digital transformation across the industry space necessitated a need for a formal programme integrating aspects of business as well as analytics. Faculty in this programme are practitioners and academicians who are at the cutting edge of the business and practice of analytics. Classroom interactions are supported by working on use cases pertaining to the field enriching and orienting the students in a way that makes them industry ready. The sector has seen the highest growth rate in remuneration and alumni of this programme have risen the corporate ladder quickly. Since the field is a crucible of all areas, it looks at promising students across all areas of specialization. Enrolment in this programme ensures competency in data analytics concepts of machine learning, deep learning, dashboards, natural language processing and business concepts leading to understanding of domain specific understanding like Financial analytics, HR analytics, Risk Analytics, Healthcare analytics, Telecom analytics, Marketing analytics, Operations analytics etc. with the help of software tools like Python, Tableau, Power BI, SPSS, Eviews, R, Colab, Tensor Flow etc.

• **Master of Business Administration (Executive) || M.B.A (Executive)**

SCMHRD's Master of Business Administration (Executive) Programme is a two-year programme specially designed for working professionals. The candidates who opt for this programme are exposed to the specially designed curriculum through weekend classes at the campus on Saturday and Sunday.

The primary objectives of the programmes are as follows:

1. To provide business education through experiential learning.
2. To enhance continuous employability through exposure to global and regional issues.
3. To develop socially responsibility managers through value-based education.
4. To build a business focus mindset through applied research.

The curriculum is taught by research-oriented academicians and faculty with industry expertise in their respective fields.

Orientation and Pedagogy:

Our pedagogical approach at SCMHRD is based on excellence and innovation, and it is in line with the rigorous standards of AACSB accreditation. We are committed to providing a transformative educational experience that provides our students with the skills, knowledge, and ethical foundation they need to succeed in today's dynamic business environment. Our pedagogical practises demonstrate our dedication to providing high-quality education in accordance with the AACSB's global standards. Our curriculum is built around an integrated learning framework that combines theoretical concepts with real-world applications. Classroom dynamics are aligned with AACSB's emphasis on interactive and engaging education.

The AACSB-compliant curriculum incorporates ethics and social responsibility into a variety of courses. Our pedagogy is built around experiential learning. Our students have the opportunity to apply classroom concepts to real-world scenarios through internships, consulting projects, and industry partnerships. We also understand the importance of a global mind-set and then global business principles, cultural sensitivity, and international case studies are all incorporated into our curriculum.

AACSB accreditation requires a commitment to continuous improvement, which we wholeheartedly support. Regular evaluation, feedback loops, and interaction with industry stakeholders ensure that our curriculum remains relevant and aligned with changing business demands. The pedagogy at SCMHRD demonstrates our commitment to providing an education that goes above and beyond the ordinary. We are dedicated to developing ethical, innovative, and globally minded leaders who will thrive in the ever-changing business landscape.

- Commercial Banking
- Corporate Valuation
- Derivative Markets
- Financial Statement Analysis
- Flexi-Credit Course
- International Finance
- Introduction to FinTech
- Flexi-Credit Course
- Lean Six Sigma
- Service Operations Management
- Supply Chain Management
- Warehouse Management
- Data Analysis Using Python
- Data Mining
- Data Visualization and Modeling
- Entrepreneurship
- Lean Startup
- R Programming
- Social Media Analytics
- Venture and Private Equity Funding

Semester: 3

Generic Core Courses

- Summer Internship
- Business Forecasting
- Innovation Management
- Strategic Management
- Concepts and Applications in Sustainability
- Project

Open Elective Course Group

(Choose any seven courses)

- Sustainable Marketing
- Flexi-Credit Course
- Integrated Marketing Communication
- Marketing Simulation
- Services Marketing
- Sports and Entertainment Marketing

- Conflict and Negotiation
- Economics of Human Resources
- Flexi-Credit Course
- HRD Audit and Scorecard
- Industrial Relations
- Organizational Development and Change
- Talent Management
- Advanced Technical Analysis
- Supply Chain Finance
- Financial Risk Management
- Fixed Income Markets
- Flexi-Credit Course
- Mergers and Acquisitions
- Investment Banking and Alternative Asset Management
- Security Analysis and Portfolio Management
- Digital Transformation
- E-Business Operations
- Flexi-Credit Course
- International Trade and Logistics
- Internet of Things
- IT Consulting
- Project Management
- Project Management Suite
- Supply Chain Modeling and Design
- Supply Chain Strategy
- Technology in Supply Chain
- Customer Analytics
- Introduction to Natural Language Processing
- Social Entrepreneurship
- Spreadsheet Modelling
- Technology Innovation
- Visual Analytics

Semester: 4

Generic Core Courses

- Corporate Governance and Ethics
- Game Theory for Strategic

- Thinking
- Global Business Environment
- Project

Open Elective Course Group

- Customer Relationship Management
- Marketing Strategy
- Rural Marketing
- Coaching, Counseling and Mentoring

- HRD Instruments
- Emotional Intelligence at Workplace
- Psychological Issues at Work
- Behavioral Finance
- Insurance Management

Brig. Dr. Rajiv Divekar (Retd)
Director

Director Profile:

Brig (Dr.) Rajiv Divekar has guided Symbiosis Institute of Management Studies, Pune as its Director for the last 15 years. He is also the Dean of the Faculty of Management Studies, SIU. He also served as the Head of Faculty Strategic and Operational Studies at Army War College, and a faculty member in Defence Strategic Studies at the esteemed Defence Services Staff College, Wellington.

His educational qualifications include a PhD from Symbiosis International University, M. Phil from D. A. V. V. University and an M.Sc. from Madras University. A Gold medallist in BE (civil), he has done his MBA specializing in Human Resource Management.

Brig (Dr.) Divekar has rich experience in strategy, planning, logistics and human resource management coming from his distinguished career, which includes assignments with the United Nations in Somalia and Lebanon.

He has served in prominent assignments in Kargil and Leh on the Line of Control where he was responsible for the Logistics and Supply Chain Management of soldiers located on posts at 17000- 22000 feet in the Siachen Glacier. After 34 years of service in the Army, he left voluntarily and joined Symbiosis Institute of Management Studies as its Director.

Brig (Dr.) Rajiv Divekar has also served as a professor at the Faculty of Management specialising in HR Strategy & Leadership. He also holds a large number of publications in National & International Journals and Scopus-listed Journals to his credit. A charter Member of the All-India Management Association and recipient of the prestigious 'Rajiv Gandhi Education Excellence Award', 'Rashtriya Vidya Gaurav Gold Medal Award', 'Education Leadership Award' and "Outstanding B-School Director Award", Brig. (Dr.) Divekar is on the Academic Council & Board of Studies at SIU. He is the chairman of the SIU NAAC committee. SIU got an A++ grade in the last NAAC review under his leadership.

Institute Profile:

Symbiosis Institute of Management Studies (SIMS) set up in 1993 is a premier Management Institute ranked amongst the top B Schools in India. SIMS is a constituent of the prestigious Symbiosis International (Deemed University) and is the only MBA institute of its kind in India and a shining example of PPP (Public Private Partnership) between Symbiosis and the Government of India - Ministry of Defence since 2002. Its flagship full-time 2-year MBA course is primarily for Defence Personnel and their Dependents with some seats for Civilian candidates. This ideal mix of defence dependents and civilians brings out the best in both and ensures holistic development. SIMS has an ergonomically designed and ideally located campus in the heart of Pune. It provides secure residential accommodation to over 600 students, state-of-the-art facilities and infrastructure. It is truly a

“Home away from Home”.

SIMS is an ISO 9001:2015 quality-certified management institute. It is one of the three institutes in complete Western India which is an accredited ‘Centre for Corporate Governance’ of the ‘National Foundation of Corporate Governance’ (established by the Ministry of Corporate Affairs and CII) and one of the few recognised as a centre for Entrepreneurship by Department of Science and Technology. SIMS encourages, promotes entrepreneurial activities, and is approved as a Business Incubator by the Ministry of MSME.

SIMS hosts 8 Bloomberg Terminals which facilitate student learning by enabling them to get live financial and economic data of companies across the globe. SIMS also subscribes to numerous e-learning resources including various journals, online case studies, industry, economics and e-book databases amongst others.

SIMS has academic collaborations with Leeds Beckett University, UK; Hochschule Bremen University of Applied Sciences, Germany; Berlin School of Economics & Law, Germany & IESEG School of Management, France for various academic programmes. SIMS has an association with CFA Institute University Affiliation Programme where 4 SIMS students get scholarships each year from the CFA institute. SIMS also has an MOU with BSE Brokers’ forum for visits and lectures. SIMS also runs a 24-month MBA (Executive) program as a part-time programme catering to working professionals and executives seeking to boost their expertise, abilities, and competencies crucial for organizational leadership and management, while maintaining their current careers. SIMS has conducted customised programmes for Indian Oil Corporation, Military Engineering Service Office, Standard Chartered Bank, Bajaj Allianz, CTS, Indian Navy and John Deere Pvt Ltd. SIMS regularly conducts “Independent Directors Course” for senior officers of Defence Services on behalf of Directorate General of Resettlement, Ministry of Defence. SIMS is ranked 25th among the best B-Schools in India by Business India in 2023.

The latest rankings of SIMS, Pune according to SIMS CSR-GHRDC Ranking 2023 as follows:

- No. 2 in the State of Maharashtra amongst Private Institutes in India.
- No. 6 in Top Private B-Schools in India.
- No. 7 for Faculty, Publication, Research, Consultancy, MDP & other programmes in India (Both Government & Private)
- No. 9 for Placement, USP, Social Responsibility, Networking & Industry Interface in India (Both Government & Private)

SIMS boasts a distinguished faculty known for their expertise and prolific research. Their publications consistently grace top-ranked journals, reflecting the institute’s commitment to cutting-edge knowledge. SIMS students have made a mark by winning numerous B School Competitions, presenting papers at various research conferences and publishing research articles and research papers in various research journals. SIMS cultivates a large and active alumni network, fostering lifelong connections and professional support. This network boasts prominent figures who have reached leadership positions as CEOs, CFOs, and successful entrepreneurs.

SIMS graduates consistently land coveted positions at leading global corporations. This placement record translates into an exceptional return on investment for students. Some of the prestigious companies that recruit SIMS graduates include Accenture, Aon, DXC Technologies, Dell, Hero Insurance Broking, Infosys, Gartner, ICICI Bank, Packfora, Marsh, BNY Mellon, Tally Solutions, WNS, etc. SIMS is a B School which creates leaders who “Make a Difference”. Come and be a part of SIMS, become a leader and “Make a Difference”.

Programme Profile:

- **Master of Business Administration**

The specializations in major mode offered include Marketing, Finance, Operations and Supply Chain Management, Human Resource Management and Data Analytics for Business. The basket of Open Elective courses is also been offered to students to enhance their exposure outside their Domain. MBA Programme is spread over 4 semesters

Marketing - The curriculum focuses on leadership and executive management development in order to provide students with the skills and qualifications necessary to successfully target market strategies, consumer behaviour, market research and product management.

Finance - The finance specialization is designed to provide a means for students to gain exposure to five major areas in the field of finance namely corporate finance, financial institutions, investments, insurance and personal financial planning including modules on portfolio management, financial analysis, and decision making and international financial management.

Human Resource Management - The program prepares students with skills, knowledge and strategic perspectives that are essential in the effective management of people resources. This program provides the student with an in-depth knowledge of current HR practices and industrial relations.

Operations and Supply Chain Management - The Operations and Supply Chain Management curriculum focuses on the design and management of the processes by which products are manufactured and services are delivered to customers. The core course provides an overview of the field and Critical processes that enable service delivery systems, supply chain, and quality improvement efforts.

Data Analytics for Business - The contribution of Data Analytics in making strategic decisions for an organization's success is growing at a rapid pace. Analysing data and putting it to work for you and your business is an essential skill for executives today. As a decision-maker, it is important to understand analytics and to know how it can be used to derive meaningful insights and make tactical decisions for your organization. Join the new age of leaders and understand how best you can use analytics to grow your business. The Data Analytics for Strategic Decision-Making program will help you understand the essentials of business analytics such as statistics, predictive analytics, prescriptive analytics, machine learning techniques, data visualization, data storytelling, and much more, along with the real-world applications of Analytics across multiple business functions. This will equip you with the skills to apply in various industry domains as per your organization's needs. It will also help you gain a competitive advantage by capturing data-enabled business opportunities and provide you with much-needed data literacy.

- **Master of Business Administration (Executive)**

Orientation and Pedagogy :

Orientation is an integral part of SIMS. It is a credit course in the programme structure which is placed as an Experiential Course. It prepares the new MBA students for a life of professional managers & equips them with the strength to deal with the challenges it presents. The duration of the orientation programme is of 2 weeks. The programme starts as soon as students report to the college in June. The overall orientation structure is divided in two parts - academic & extracurricular.

In academics; students attend lectures that cover the basics of subjects for the 1st semester like Accounting, Economics & Business Communication and major topics on Excel and Statistics. The students also attend various guest lectures that range from motivational talks to choosing the right specialization.

The extra-curricular focus is on inculcating good habits. During the orientation, the day starts in the early morning. All the students attend basic exercises followed by activities like yoga, sports, and dance which focus on stamina & importance of good health. It also focuses on the Management Games and also the Musical Programme which is a source of stress buster. It focuses on ISR activity which shows the concern towards the society as an

extension programme and also Swachh Bharat as a responsibility towards society.

In the evening students are given assignments to work on. The aim of such assignments is to emphasize self-learning & peer learning.

The orientation, even though hectic; equips SIMS students with leadership capabilities, time management, multi-tasking & importance of goal-setting - all the qualities, that SIMS Alumni are known for in the Industry.

Symbiosis Institute of Management Studies, Pune is known for its commitment to industry exposure. It regularly hosts guest sessions by experts from top companies. Prof. Dr. Abhijit Chirputkar
Director

Director Profile:

Dr. CA. Abhijit Chirputkar is the Director at Symbiosis Institute of Digital and Telecom Management (Formerly SITM) which is a constituent of Symbiosis International (Deemed University) (SIU). He is a rank holder in M.Com. at the University of Pune. He is a Chartered Accountant and before joining Symbiosis, he was a practicing Chartered Accountant and Certified Information Systems Auditor (CISA). He further completed a program of Masters in Business Finance from ICAI. He is Ph.D. in Management from Symbiosis International (Deemed University) (SIU). He has consulting experience of more than ten years in the areas of Finance, Audit and Assurance, and Taxation. He was a visiting faculty in prestigious management and professional institutes and delivered lectures in the areas of accounting, finance, and taxation. He has more than 20 years of teaching experience including corporate training. He has written more than 50 articles, papers, case studies, and chapters in books. He has presented papers at national and international conferences including IIM-A. He has received IPR in the area of telecom assurance and has registered 9 patents. He is a member of The Institute of Chartered Accountants of India and ISACA (USA).

Institute Profile:

Symbiosis Institute of Digital and Telecom Management (Formerly SITM), a constituent of Symbiosis International (Deemed University) (SIU) is a business school based in Pune, Maharashtra, India, established in the year 1996. It is the pioneer in the field of Digital and Telecom Management and endeavours to develop World-Class Digital and Telecom Business Leaders who can address the needs of a constantly changing business scenario in a digital field, with ease. SIDTM is ranked 21st amongst the Top private B-schools as per the survey of "The Week".

Programme Profile:

- **Master of Business Administration (Digital and Telecom Management)**

SIDTM (Formerly SITM) offers a two-year full-time Master of Business Administration (Digital and Telecom Management) program with three specializations namely Systems and Finance, Marketing and Finance and, Analytics and Finance with a fine blend of technology and management for the new age management professionals in the digital era. The details of specialisation allocation are mentioned on the website of the institute. The program aims at creating management professionals who understand the business requirements and can deliver commercially viable technology solutions to address these requirements. The course curriculum is aligned with the current industry trends. To guide and usher the telecom industry into the next wave of growth, the Government of India 2018 announced the National Digital Communications Policy (NDCP) which was earlier

known as National Telecom Policy. According to the NDCP, Digital India is already unfolding. India's digital profile and footprint are one of the fastest-growing in the world. With over a billion mobile phones and digital identities and half a billion internet users, India's mobile data consumption is already the highest in the world. At the current pace of digitization and digitalization, it is estimated that India's digital economy has the potential to reach one trillion USD by 2025. In view of the changes in this ecosystem and the changes in policy, the institute name is changed from Symbiosis Institute of Telecom Management to Symbiosis Institute of Digital and Telecom Management and the program now offered is M.B.A. in Digital and Telecom Management.

At SIDTM, we focus on Digital and Telecom management. The curriculum consists of core management subjects and is applied to digital technology management through case studies. "Technology Management" courses include business or managerial aspects of digital, telecom, and information communication technologies and also emerging areas such as Analytics, Internet of Things (IoT), Financial Technologies, Smart devices, Cloud Infrastructure, Data center, Cybersecurity, Mobile applications, Digital Marketing, and Blockchain, etc.

SIDTM has over 3300+ alumni who are making their mark in the industry as Business and Technical Consultants, Network Managers, Project Leaders, Business Development Managers to name a few. Many of our senior alumni are holding senior management positions such as CEO, Director, Vice President, Head of business units and functional areas, Country Managers, and Entrepreneurs. Apart from the telecom sector, alumni are contributing to the Digital Technologies domain cutting across industries and sectors such as Media and entertainment, Banking, Consulting, Fintech, IT and ITES, etc. A sizeable number of alumni are working for large MNCs and are based in various regions across the globe.

Duration of the Programme:

- **Master of Business Administration
(Digital and Telecom Management) : 2 Years, Full Time, Residential programme**

Intake

- **Master of Business Administration
(Digital and Telecom Management) : 150 Students**

Eligibility:

- **Master of Business Administration (Digital and Telecom Management):**

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

Symbiosis National Aptitude Test (SNAP Test) is the gateway for Post Graduate Programmes of Symbiosis International (Deemed University). Candidates should register and pay for SNAP Test & separate institute/program-wise registration fees.

For more details and registration, please visit www.snaptest.org

In the SNAP Test, the candidate is judged on General English, Quantitative Aptitude, and Analytical & Logical Reasoning. If shortlisted, he/she should attend the GE-PI process which is conducted by the institute.

Programme Commencement	June 9th, 2025 (Monday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.sidtm.edu.in

Orientation and Pedagogy:

The institute believes in techno-managerial aspects of the business. The learning is student centric and experiential in nature. It includes;

- **Classroom Training:** The spirit of classroom teaching encompasses the fundamentals of theoretical and conceptual learning. It extends its traditional boundaries into the world of interactive learning through case studies, assignments, quizzes, and mock presentations by the students.
- **Group Learning:** The students are grouped into syndicates, which encourages a free exchange of ideas. We strongly believe that syndicate learning is vital for creativity. This activity encourages students to understand group dynamics and then perform in groups.
- **Dynamic Curriculum:** The course structure, academic curriculum, and examination process is continuously upgraded. To address the existing needs of the industry and following the academic portfolio, SIDTM has a “Program Review Committee” consisting of senior management professionals from industry, alumni, and academicians.
- **Guest Lectures:** Guest Lectures offer students a chance to interact with professionals not only from the IT and Telecom industry but also from various other fields. Their inputs enable our students to get insights into the corporate world.
- **Simulations:** Simulations are used in a few courses to get overall exposure to various aspects of learning. The simulations include telecom simulation, network simulation, and business simulations. It becomes a part of experiential learning.
- **Lab Teaching:** The lab is extensively used for a few courses such as network, analytics. SIDTM has an IBM Analytics Lab, CISCO Lab, and Amazon Web Services Lab for cloud, UiPath Lab for robotics process automation and Blockchain Lab from IDS. It is also a part of experiential learning.
- **Workshops:** The inputs from the speakers in the guest lectures are contributed by the industry leaders on a wide range of topics involving managerial, technical, and personality development which expands the horizon of knowledge. This process yields the much-needed inputs for adding a value proposition to the portfolio of a student at SIDTM.
- **Summer Projects:** The Summer Internship at SIDTM is for a period of 8 to 10 weeks starting generally in the first week of April after the Second Semester. During the internship, students are required to be with the Industry on a full-time basis. The students prepare a detailed project report which describes the entire gamut of activities covered during their internship with the industry as well as the skills that they acquire while working with them. This is an integral part of the curriculum and the student is evaluated for the same. At SIDTM we cater to majorly seven verticals.

- **Research Projects:** To inspire thought and initiate the in-depth study in various areas of business and technology, a research project is allotted to each syndicate. This project is conducted for over 10 months. The research project primarily relates to the techno-managerial aspects of the business. It involves studying the technical aspects along with business issues and commercial viability.
- **Industry Projects:** In a few cases, due to industry-institute collaborations students can undertake live projects under the mentorship of faculty members.
- **Industrial Visit:** The students are expected to visit industries in the telecom sector as a part of the learning process.
- **Internationalization:** As a part of internationalization, students are allowed to visit foreign Universities / Institutes as per SIU guidelines. The students are given credit change as per SIU rules

*Every year based on the input & feedback; the above-mentioned Pedagogy may change. *

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Business Administration (Digital and Telecom Management)

Semester: 1

Generic Core Courses

- Business Communication
- Principles and Practices of Management
- Managerial Economics
- Research Methodology
- Marketing Management
- Business Statistics
- Python for Data Science
- Information Systems for Telecom Business
- Internet of Things
- Introduction to Telecom Technologies
- Network Concepts and Components
- Integrated Disaster Management

Specialization Core Courses: Finance

- Introduction to Financial Markets and Institutions
- Management Accounting

Semester: 2

Generic Core Courses

- Project
- Leadership and Corporate Ethics - A Case Based Approach
- Strategic Management
- Managing Pre-Sales
- Macroeconomics for Managers
- Visual Analytics
- Digital Regulations
- Governance Risk and Compliance
- Wireless Technologies

Specialization Core Courses: Finance

- Legal and Taxation Aspect
- Financial Management
- Management of Financial Technologies

Specialization Elective: System (Choose any two courses)

- Cloud-based Solution

Architecture

- Convergence of Telecom Networks
- ICT Architectures and Frameworks

Specialization Elective: Marketing

(Choose any two courses)

- Marketing Research
- Product Management
- Consumer Behaviour and Insights

Specialization Elective: Analytics (Choose any two courses)

- Cloud-based Solution Architecture
- Advanced Programming in Python
- Data Mining for Decision Making

SIDTM_ISR Activity

Semester: 3**Generic Core Courses**

- Project
- Services and Technology Trends in Telecom (STTT)
- Digital Technology Transformation
- Digital Risk Management
- Operation Support Systems and Business Support Systems Framework (OSS/BSS)
- Flexi-Credit Course

**Generic Elective Courses Group
(Choose any one course)**

- Project Management
- Block Chain Technology

**Specialization Core Courses:
Finance**

- Business Modeling and Planning
- Financial Risk Management

**Specialization Elective: System
(Choose any two courses)**

- Advanced Cloud-Based Solution Architecture
- Digital Forensics
- Designing Telecom Networks: Wireless and Optical

**Specialization Elective:
Marketing
(Choose any two courses)**

- Brand Management
- Digital Marketing
- Services Marketing

**Specialization Elective: Analytics
(Choose any two courses)**

- Applications of AI and ML in Telecom
- Social Media Analytics
- Advanced Cloud-Based Solution Architecture

Semester: 4**Generic Core Courses**

- Research Project
- Entrepreneurship
- Well for Life
- Applied Nutrition

**Specialization Core Courses:
Finance**

- Advanced Corporate Finance

**Specialization Core Courses:
System**

- ICT Consulting

**Specialization Core Courses:
Marketing**

- Supply Chain Management

**Specialization Core Courses:
Analytics**

- Advanced Big Data Analytics Telecom

Prof. Dr. Vandana Sonwaney
Director

Director Profile:

Dr. Vandana Sonwaney, Director of Symbiosis Institute of Operations Management, shifted to academics 28 years back after 12 years of industry experience in the Electronics, FMCG, and Services sectors. Dr Vandana joined Symbiosis in 2001. Her exemplary research and work in curriculum development focused on continually evolving competency requirements of the industry, culminating in shaping a niche Institute in the field of Operations Management that SIOM stands conceitedly today and has speedily developed into a Centre of Operations Excellence. SIOM has been a great game changer for Nashik's industry and education fraternity. She has been serving as the Director of SIOM since 2008. Under her leadership, SIOM has bagged the "Best Industry Interface" and "Best Industry Oriented Curriculum" Awards every year since 2009. SIOM also received the Prestigious "Education Excellence Award " from the "Confederation of International Accreditation Commission forum" in Delhi and the "Pride of Maharashtra Award" from the Maharashtra Industrial and Economic Development Association". Dr. Sonwaney is a recipient of the " Distinguished Service Award" for her contribution to fostering Management Research, the Outstanding B School Director Award" by AIMS International, and "The Indian Leadership Award" for Education Excellence by All India Achievers Foundation New Delhi. In 2023, the World Education Congress conferred her the "Indira Parikh 50 Women in Education Award". She is on the National Advisory Board of the SME Chamber of India. Dr. Sonwaney acts as an Independent Director on several Company Boards. She is on the CII Western Region Task Force on Education and the Co-Convener of Industry-Academia Panel of CII Northwest Maharashtra.

To her credit, Dr Vandana has many research publications and has steered research projects. She has a keen drive for competency-building, technology-oriented, and corporate-linked learning systems in education.

Institute Profile:

In today's fast-paced business environment, a precise, seamless operation is the key to gaining an advantage over competition and achieving operational perfection. An ideal blend of technically trained personnel, farsighted management practices, and leading-edge knowledge empowers the organization with an extra edge over its domestic and international contemporaries. A rock-solid knowledge of operations management is the competitive weapon for organizations that aspire to succeed in today's competitive market. The SIOM Operations Management specialization empowers each engineer with sharp engineering and scientific capabilities and smart business management disciplines. The students are dressed to tackle planning, development, and implementation tribulations that their organization might confront. The curriculum deals with supply chain management, project management, technology management, modelling dynamic systems, and quality management. SIOM's flagship

program, MBA in Operations Management, is only for engineers and is in its 20th year now. The program is now NBA accredited underscoring its commitment to excellence in education and industry relevance. With the quest to extend its expertise to the sectorial needs of operations, SIOM launched its MBA in Agri-Operations in 2022. The inaugural batch achieved a remarkable 100% placement. The program is now entering its third year.

Symbiosis Institute of Operations Management (SIOM) differentiates itself from other PG Management Schools primarily on its vision of Empowering & Leading Operations Excellence. Its holistic student development approach ensures their transformation into capable & responsive Techno-business Leaders. SIOM aims to supply competent operations management leaders to the corporate world who would start contributing to the bottom lines without longer gestation periods.

SIOM's distinguishing features for MBA OM (Operations Management) are as follows: 100% students' engineering background. SIOM is one of the very rare B-schools with a 100% focus on Operations Management Industry linkage for training. The corporates work shoulder to shoulder with the institute to nurture students so that they are industry-ready. Engagements with Grant Thornton, SAP university alliance, with opportunities for students to acquire world-class certifications such as CPIM, CSCP, CPSM, PMI, SAP, and Lean Six-Sigma Black belt, as the curriculum is linked with the respective Body of Knowledge. SIOM is the only B School that expects the students to complete a live Six Sigma project towards its Black belt certification. This ensures the constant linkage of the classroom conceptual input with the real-life world. SIOM is the competency-building Institute for Engineers who wish to augment their careers in Operations management.

The above-mentioned Industry engagements and experiential projects, along with certifications, are also applicable to MBA in AOM but with a focus on operations of the Agribusiness sector.

We harness our virtual infrastructure to elevate our educational experience in various aspects. This includes offering value-added courses, hosting expert guest lectures, encouraging student participation in B-school competitions, and supporting social projects that foster well-rounded sensibilities. This year, SIOM hosted its 17th edition of the flagship summit on operations, TATTV, a bi-annual event, alongside the second edition of the OPEX Championship, where corporate houses showcase their Operating procedures and strategies to win the title. Both events received an enthusiastic response from corporate participants in 2023, highlighting their growing significance in showcasing operational excellence strategies.

Programme Profile:

- **Master in Business Administration (Operations Management)**

The SIOM Operations Management specialization empowers each engineer with sharp engineering and scientific capabilities along with smart business management disciplines. The students are dressed to tackle planning, development, and implementation tribulations that their organization might confront. The curriculum deals with topics such as supply chain management, project management, technology management, modelling dynamic systems, and quality management

The objective of the Programme: MBA (Operations Management) is designed exclusively for Engineers to meet the needs of operations expertise and competencies in diverse sectors of the economy viz. Manufacturing, Service, IT, FMCG, E-Commerce and Consulting. The objective is to develop amongst the students, an in-depth strategic understanding of operations systems, their components, contributions, and interactions with other functional areas, and the analytical tools necessary to address both strategic and tactical issues, especially catering to the dynamic global business networks addressing the function of efficient Operations processes and systems elated by the not only manufacturing and services but also the booming e-commerce sector.

The curriculum motivates the students to understand the business environment holistically and tries to impart problem-solving skills concerning the core values and changing times of the market.

- **Master in Business Administration (Agri-Operations Management)**

The SIOM MBA in Agri-Operations Management (AOM) deals with Operations management topics with the flavour of Agro-based Industries. Subjects include Agriculture commodity markets, Processing and Value Chain in Agriculture, Agri Supply Chain Management, Advances in Agriculture, Agri Procurement Management, Warehouse Management and Quality Management for Agro Products and many more with managerial underpinnings. Impetus on Entrepreneurship is also one of the intents and hence project-based learning in each semester is part of the programme structure.

Objective of the Programme: MBA (Agri Operations Management) is designed exclusively to meet the needs of operations expertise and competencies in the Agri and allied sector that will cater to Agri-based processing, AgriTech, Retailing, e-commerce, and Consulting. The technology revolution coupled with changing global norms and increased Global competitiveness, invites a tremendous need for professional courses in Agri Management. The MBA- Agri-Operations Management Programme thus is a response to this growing need for professionals, who can contribute to, and engineer the Agri revolution. It is aimed to address the challenges of rapidly growing and diverse agriculture and allied sectors.

Duration of the Programme:

- **Master in Business Administration (Operations Management) : 2 Years, Full Time, Residential Programme**
- **Master in Business Administration (Agri-Operations Management) : 2 Years, Full Time, Residential Programme**

Intake:

- **Master in Business Administration (Operations Management) : 120 Students**
- **Master in Business Administration (Agri-Operations Management) : 30 Students**

Eligibility:

- **Master in Business Administration (Operations Management)**

Engineering Graduate (Bachelor of Engineering/ Technology) from any recognised University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

- **Master in Business Administration (Agri-Operations Management)**

Graduate from any recognized University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

For seeking admission to the Symbiosis Institute of Operations Management, Nashik, Candidate has to register and pay for SNAP (Symbiosis National Aptitude Test) SNAP test fee. While registering for SNAP, applicant has to also apply for SIOM Nashik in the same application form. A programme fee of INR.1000 (non-refundable) is to be paid to SIOM Nashik, for each programme that the aspirant wishes to apply. Based on the SNAP test scores, short-listed candidates are asked to book slots for the GE (Group Exercise), and PI (Personal Interview) process for the respective programme(s). Post this merit list is declared and selected candidates are called to complete the admission process by paying fees within the stipulated time window.

Important Dates:

Particular	Date

SNAP 2024 Registration and Payment closes on	November 22, 2024 (Friday)
Admit Card	December 02, 2024 (Monday) for SNAP Test 1
	December 09,2024 (Monday) for SNAP Test 02
	December 15, 2024 (Sunday) for SNAP Test 03
SNAP Computer Base Test (CBT) 2024	December 08, 2024 (Sunday)
	December 15, 2024 (Sunday)
	December 21, 2024 (Saturday)
Announcement of Result	January 08, 2025 (Wednesday)
SIOM Registration Opens	August 5, 2024 (Thursday)
SIOM Registration/Payment closes on	January 7, 2025 (Tuesday)
Declaration of shortlisting for GE-PI	January 15, 2025 (Wednesday)
Dates of GE-PI Process	7,8,9,14,15,16,21,22 and 23 February 2025
Declaration of First Merit List	March 17, 2025 (Monday)
Programme Commencement	June 2, 2025 (Monday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.siom.in

Orientation and Pedagogy:

- **Master in Business Administration (Operations Management)**

is designed exclusively for Engineers to meet the needs of diverse sectors of the economy. The course is oriented to fill in the void of operations competencies needed to successfully drive businesses through the complex dynamics of the global economies.

Briefly, SIOM is an Institute that is dedicated to the creation of operation managers who are proficient at improving an organization's operational performance by minimizing 'defects' in the manufacturing and service-related processes. The sectors open for a career in operations are Manufacturing, Consulting Firms, Retail, Financial Institutions, Transportation and Logistics, Construction, Information Technology and Hospitality. Students are equipped to attract strategic job profiles in Process Improvement and Management, Developing, Implementing and forecasting strategies, Supply chain network designing and Optimization, Supplier demand management, Procurement, Demand forecasting, Quality Management, SCM Consulting, Process Improvement, Client Service Manager, and many more given the capacities and expertise gained during the course. Highly advanced and Industry-relevant state-of-the-art course with a balanced understanding of technical-analytical and organizational aspects of the market makes this program unique.

A brief on On-campus academic sessions and pedagogy:

Regular sessions: These are regular classroom sessions on courses listed in the SIU-approved programme structure for which a fortnightly schedule is communicated to all students through the portal.

Projects: Students are required to do projects in each semester with the Industries based in Nashik. The objective is to inculcate research capability & practical insights and problem-solving of the subject within the student.

Six Sigma: All students enrolled for this course will undergo Six Sigma training through theory & practical sessions with live projects evaluated by Grant Thornton experts to earn Six Sigma Certification.

Co-curricular Learning Activities:

Value-added and enrichment courses are offered through various platforms. These form an important supplementary part of mainstream learning. Students are expected to participate and attend all such sessions.

Workshops: Workshops for skills development or in-depth inputs of subjects that may or may not be a part of the course structure are organized

Guest Lectures / CEO Meets: Heads of Corporate / CEOs of companies are invited to share their experiences with the students to impart practical insights and relevance of subjects

Industry visits: Industry visits are arranged during the Semester to give exposure to the processing / Operations / Retail / of Agri Industries in and around Nashik.

- **Master in Business Administration (Agri-Operations Management)**

is designed to meet the needs of Agri-based and allied sectors of the economy. The course is oriented to fill in the void of operations competencies needed to successfully drive Agri Industries through the complex dynamics of the global economies. Students are equipped to manage Agri-based Process Improvement and Management, Developing, Implementing, and forecasting strategies, Procurement, Demand forecasting, Quality Management, SCM Consulting, Process Improvement, and many more given the capacities and expertise gained during the course. Highly advanced and Industry-relevant state-of-the-art course with a balanced understanding of technical-analytical and organizational-behavioural aspects of the market makes this program unique.

A brief on On-campus academic sessions and pedagogy:

Regular sessions: These are regular classroom sessions on courses listed in the SIU-approved programme structure for which a fortnightly schedule is communicated to all students through the portal.

Project-Based Learning: Live Projects are sought from the Industry for which students register and appear for the selection process. Selected students then complete the project as a module in lieu of some subjects. Apart from these students are required to do projects, and assignments, for certain core and elective subjects, as per the course plan prepared by respective faculty. Projects are also undertaken as a part of the Consulting Club. The objective is to inculcate research capability & practical insights and problem-solving of the subject within the student.

Six Sigma: All students undergo Six Sigma training through theory & practical sessions with live projects which is evaluated by KPMG experts to earn Lean Six Sigma Black Belt Certification.

Dance Performances by Students

**Dr. Madhvi Sethi**

Professor and Director, SIBM Bengaluru.
MBA, Ph.D. Post-Doctoral Fellow

Director Profile:

Dr. Madhvi Sethi completed her post-doctoral fellowship from Indian School of Business (ISB), Hyderabad after doing her Doctorate in the area of financial markets. Her research interests lie in the areas of financial markets, financial economics, mergers and acquisitions and capital structure decisions. She has presented papers in several international and national conferences. Her research papers have been published in various peer-reviewed journals in India and abroad. She has co-authored a book titled “Indian Business Groups: Strategy and Performance” which has been published by Cambridge University Press, India. Her co-authored cases are available on Harvard Business Publishing and Ivey Publishing.

Dr. Sethi has been appointed as the Research Mentor for SIBM-Bengaluru by Symbiosis International (Deemed University), Pune. She has been involved in corporate programmes conducted at Wipro and Infosys where she has been teaching executives at different management levels. Dr. Madhvi Sethi has been invited to deliver guest sessions at Nottingham Business School, Nottingham Trent University (UK) and Gabelli School of Business, Fordham University (NY). She has also been an adjunct Faculty with School of International Business and Entrepreneurship, Steinbeis University, Germany.

Institute Profile:

Ever since its inception in 2008, Symbiosis Institute of Business Management, Bengaluru has been striving to achieve excellence in imparting Management Education. The Institute believes that the demand from the corporate is for “techno managers” who embrace technology and analytics while excelling in their domain areas. The dynamic curriculum and rigorous academic practices at SIBM Bengaluru incorporate this industry expectation into a teaching-learning process.

Management education is expected to provide the skills, knowledge and experience to make sound decisions in a complex and ever-changing business environment. SIBM Bengaluru envisions a Management Education with a “Quantitative Difference” by focusing on data analytics across all programmes. At SIBM, Bengaluru the decision-making skills of the students are enhanced with the use of Harvard Business School case studies, simulations and articles. Technology has been further integrated into the curriculum with an all-encompassing learning management system and flipped classroom model. Data driven decision making skills are imparted by including training on software applications like R, Python, Tableau, Power BI and SPSS. The Institute hosts a diverse set of databases like Bloomberg, CMIE Prowess etc to facilitate access to financial and economic data for robust analysis.

Management Education provided at SIBM Bengaluru is based on the SEAT (Sustainability, Ethics, Analytics and Technology) philosophy. Through this philosophy we aim to create managers who not only excel in areas of analytics and the underlying technology, but at the same time are conscious of both ethical issues and sustainability needs of the planet.

We have a proprietary model called “SC-IE-NCE” that forms the basis of curriculum development. We combine the Student Competence (SC) with Industry Expectations (IE) and arrive at New Courses or Enhancements (NCE). Our curriculum goes through two levels of scrutiny – one through our own internal Board of Studies comprising of Industry Experts, Faculty and Alumni and another through the Board of Studies of the University.

The Institute firmly maintains that learning goes beyond the classroom and organises regular student-industry interaction through guest sessions and corporate events. Industry interface is further strengthened by live projects and Summer Internship Programmes (SIP). Continuous and close interaction between Academia and industry has intensified the trend of getting SIBM-B students’ industry ready. Incorporation of industry feedback into curriculum and teaching learning process help us in successfully bridging the gap between industry expectations and graduate outcomes. The dividend for successful integration of industry expectations has been paid off in the form of diversified placement profiles and better packages.

Vibrant student committees and clubs complement the programme by providing a platform for the students to nurture their leadership skills. Apart from training the students to acquire the knowledge and skills to excel in their professional lives, the institute also focusses on developing the right values and attitudes among the students through various social responsibility activities.

Erudite and accomplished faculty members at SIBM Bengaluru spearhead the process of transforming students into techno managers. Our faculty team consists of a unique blend of professionals with rich industry experience and research accomplishments. They hail from top B-Schools in the country including IIMs, ISB etc.

Programme Profile:

- **Master of Business Administration (MBA)**

The MBA Program at Symbiosis Institute of Business Management Bengaluru (SIBM-B) is designed to develop and groom future business leaders. The first year is split into two semesters, covering foundational management subjects such as Economics, Accounting, Statistics, Strategy, Marketing, Operations, Organizational Behaviour, Finance, and Human Resource Management. At the end of the first year, students participate in an 8-week Summer Internship Program (SIP), providing valuable exposure to the corporate world and the opportunity to apply their knowledge in real-world settings. In the second year, encompassing the third and fourth semesters, students can specialize in their chosen fields, including Finance, Marketing, Operations, and Human Resource Management. Students are encouraged to select electives beyond their specialization to broaden their expertise and skills. The program’s rigorous curriculum, enhanced with Harvard Business School cases and simulations, ensures a world-class education. SIBM-B’s experienced faculty and innovative teaching methods prepare students to tackle real-world challenges effectively. Additionally, the institute’s strategic location in Bangalore, a hub for major companies and start-ups, provides ample networking opportunities and exposure to industry leaders, making it an ideal choice for future business leaders.

- **Master of Business Administration (Business Analytics)**

Business Analytics, encompassing big data, machine learning, and generative AI, is pivotal for modern enterprises, yet a significant shortage of skilled analysts is hindering their potential. Industry reports such as from World Economic Forum and McKinsey & Company emphasize a critical gap in the supply of data scientists and analysts, highlighting the urgent need for advanced analytics skills. With the tsunami of data generated daily, executives must incorporate IT skills into their decision-making arsenal to stay informed and make strategic choices. The MBA programme in Business Analytics MBA(BA) at SIBM Bengaluru is at the forefront of this transformation, empowering managers to make data-driven decisions and steer their businesses toward success. This program combines business management with analytics, an unbeatable combination that enhances competitiveness and streamlines decision-making. MBA(BA) graduates will develop expertise in various data analytics tools, including R, Python, SPSS, and Tableau, all available in the institute's data lab. Additionally, SIBM Bengaluru offers Bloomberg terminals and comprehensive online research databases such as EBSCO, Emerald, JSTOR, and CMIE Prowess. Situated in Bangalore, a major hub for big companies, the institute provides unparalleled opportunities for MBA aspirants to engage with leading firms and gain valuable industry experience, making it an ideal environment for future business leaders.

- **Master of Business Administration (Executive)**

The MBA (Executive) program at SIBM Bengaluru offers an excellent option for working executives seeking to advance their careers. The program structure is thoughtfully designed to help executives meet the challenges and rigor of the modern marketplace. It prepares functional managers for general management roles and addresses gaps in their knowledge of essential management disciplines. This program aims to broaden their management skills through lectures, case studies, experiential learning, and mentoring. The MBA (Executive) program at SIBM Bengaluru focuses on key subjects essential for executive students, such as Strategic Management, Financial Management and Leadership & Capacity Building. These courses equip executives with critical decision-making skills and leadership abilities. Additionally, subjects like Business Analytics and Digital Marketing are emphasized to help executives navigate modern business challenges and stay competitive in today's rapidly evolving marketplace.

Duration of the Programme:

- **Master of Business Administration (MBA)** : 2 Years, Full Time, Residential programme
- **Master of Business Administration (Business Analytics)** : 2 Years, Full Time, Residential programme

Dr. Neha Parashar
Director

Director Profile:

Dr. Neha Parashar completed her doctorate degree in the area of behavioral finance (2008) and is a gold medalist (University topper) during her MBA and M.Com. Her research interests lie in the area of financial markets, financial services, behavioural finance, corporate governance, mergers and acquisitions, wealth management, and financial planning. She has presented papers in several international and national conferences. Her research papers have been published in various peer-reviewed journals across.

She has been awarded with Innovative Leader Award under Innovative Education Leadership Awards, India's Best Finance Teacher by the Association of International Wealth Management of India (AIWMI), Best Young Teacher Award in Management Category by Academisthan Foundation, Awarded with Most Influential Women in Academics 2020 by Education Ninja and Academy of Management Professionals (AMP), Awarded with Indira Parikh 50 Women in Education Leaders by World Education Congress and Awarded with 100 Most Dedicated Professor by World Education Congress. She has authored a book named "Mutual Fund and Investors" published by Classical Publishing House, New Delhi. She has 20 plus years of rich teaching experience across several universities and colleges in India. She has also participated in a 5 months long Faculty Development Programme organized at IIM, Ahmedabad.

Institute Profile:

Symbiosis School of Banking & Finance was established in the year 2010 to address the growing demand for trained workforce in the Banking and Financial Services Sector. Given that a strong and resilient banking system is critical for fuelling and sustaining growth, the importance of having industry-ready manpower cannot be over-emphasized. This programme - MBA (Banking and Finance) with specialization in Fintech/Financial Services, has been designed to provide the necessary education and skill-sets to equip students to innovate, manage, lead and take on the challenges of this increasingly complex and dynamic sector. Fintech, an acronym for financial technology, refers to innovative technology designed to enhance and streamline the provision and utilization of financial services. Fintech is primarily used to assist organizations, entrepreneurs, and customers in managing their financial operations, procedures, and lives more effectively. SSBF is committed to providing an environment that facilitates learning and development of well-rounded personalities such that they leave the portals of the institute as industry-ready professionals.

The exponential growth of the banking and financial sector in this competitive era has opened up varied career roles. Starting from the Financial and Business Analytics to Assets Management, today the students have numerous options to choose from. SSBF changes its program structure regularly making it even more industry

relevant based on inputs from industry experts. Our MBA also offers in depth knowledge, encompassing the multiple aspects of the Banking, Financial Service and Insurance (BFSI) industry including the technological aspects. We focus more on – inculcating adaptability in students, making them lifelong learners.

In order to ensure that the students are ready to take up the challenges posed by the corporate sector, SSBF also incorporates industry relevant certifications such as NISM, Python, Bloomberg Market Concept and NSE Academy (SMART) and CRISIL certifications etc. as a part of its curriculum. To facilitate students in getting an industry exposure, they have to mandatorily undergo an internship of two months with a Bank, NBFC or a corporate house. To hone the research and analytical skills, students also undertake a dissertation project where they work on a topic of their interest under the guidance of a faculty mentor. The students are also encouraged and trained to write Research Papers and publish them in renowned journals.

Guest lectures by international faculties are also arranged regularly to broaden the outlook of the students. In order to inculcate the spirit of teamwork and improve their leadership skills students have to be a member of at least one committee like Institute Social Responsibility (ISR), Corporate Interface Team (CIT), E-Cell, Public Relations, Equity Research, Co-Curricular, Sports, Alumni and Placement to name a few. Students are also encouraged to participate in various extracurricular activities, Institute Social Responsibilities (ISR) activities, cultural and sports events to develop personality and grow personally and professionally. Mock Group Discussions – Personal Interviews are arranged for the students which are conducted by industry experts. Special sessions on Interview and Soft Skills are also arranged. SSBF encourages students to appear for examinations of Reserve Bank of India (RBI) and various other Government institutions to give substantial contribution in the growth of our country. Students are encouraged to pursue professional courses such as CFA, FRM and CFP.

Symbiosis School of Banking and Finance (SSBF) is proud to announce that almost every year 100% placement of eligible students is achieved. Several esteemed organizations like JP Morgan & Chase, CRISIL, BNY Mellon, IDFC First Bank etc. offer various roles like Analyst, Management Trainee, Relationship Manager, Wealth Management, Credit Manager, Operation, and Retail Branch Banking in the BFSI Domain. Similarly, various organizations like JP Morgan Chase, CRISIL, RBI and other public sector banks offer summer internships with various roles.

Programme Profile:

- **Master of Business Administration (Banking & Finance)**

The MBA (Banking and Finance) program with specialization in Fintech/Financial Services is designed with an objective to disseminate relevant knowledge and provide skills to students such that they function effectively in the challenging environment of the Banking, Finance and Insurance (BFSI) sector. Dr. K. P. Venugopala Rao
Director

Director Profile:

Dr. K P Venugopala Rao is a Doctorate in Commerce from Osmania University and also holds a degree in Law and Education. His thesis was in the area of Commodity Derivatives in India. He has over two decades of experience in teaching, research and academic administration and has held various academic and administrative positions in reputed academic institutions. His teaching and research engagements were at prestigious universities like Osmania University and Kakatiya University. He is an avid researcher and has research publications in various national and international peer reviewed journals. His research interests lie in the area of Accounting, Taxation and Capital Markets. He actively promotes innovative teaching pedagogy to make the learning more effective and provide deeper engagement with the audience. He is the member of Subcommittee of BoS in Banking and Finance and also for BoE at Symbiosis International (Deemed University). Dr. Rao headed Symbiosis Centre for Management Studies, NOIDA during 2020-2022. He conducts training programmes for corporate executives and leaders at Cogent Ltd, Indian Railways, Bayer Ltd and L&T. He is also actively engaged in conducting Faculty Development Workshops and Management Development Programmes. He is invited to speak at various academic workshops and National Seminars in the areas of research. Dr. Rao is a member of ISDSI and Telangana Commerce Association and actively participates in various forums of FTAPCCI and CII.

Institute Profile:

SIBM-H with the motto “Shraddhavan Labhate Gyanam” meaning “The earnest aspirant gains supreme wisdom” is poised to make new strides in delivering quality management education with a unique mix of knowledge, skills and ethics, drawing on rich base of SIBM Alumni and stakeholders. Symbiosis Institute of Business Management, Hyderabad (SIBM-H) has positioned itself as a preferred destination for students aspiring to become a seasoned Business Management Professional. SIBM-H provides the right academic environment to learn management in a competitive, conducive and a contemplative setting. Situated amidst the upcoming Educational Hub and in the vicinity of Industrial Corridor, SIBM-H is housed in a sprawling 40-acre Campus at Mamidipalle, Ranga Reddy District, Telangana and is a 30-minute drive from Rajiv Gandhi International Airport, Hyderabad. A fully Residential and Wi-Fi enabled campus; SIBM-H has the state-of-the-art infrastructure and world class facilities for all-round development of the student community. The academic life on this campus is a convergence of curricular, co-curricular, and extra-curricular activities. The campus has a unique advantage of access to the rich educational, technological expertise along with resources available in Hyderabad with a bouquet of best practices and focus on all-round student development. The value of SIBM-H lies in its legacy of quality and excellence with well-defined personal care and progressive strategy. It is now galloping leadership in academic

excellence, in internationalizing of management education, and has become bedrock for showcasing talent in B-School competitions across the country and through its innovation in admission, assessment and pedagogy.

Programme Profile:

- **Master of Business Administration (MBA)**

The two-year full time Master of Business Administration (MBA), offered at Symbiosis Institute of Business Management, Hyderabad, aims at grooming students as socially conscious world-class business leaders. The curriculum of SIBM-H is dynamic and periodically updated by benchmarking with the best of Industry standards. The MBA Programme follows the Semester System pattern and offers Specializations in the area of Finance, Marketing, Human Resource and Operations and is based on Choice Based Credit System. Apart from Classroom learning, Value Added Courses, Extension Programmes and Study Tours are regularly conducted to enhance the student understanding of the real-world situations and practices in the field of Management. Academic Programme is holistic and the pedagogy involves Group Discussions, Case Studies, Simulations, Lab Tutorials, Seminars and Workshops, along with Eight-Week Intensive Summer Internship Programme. The distinctive quality of learning at SIBM-H is its Industry-Academia interface, wherein experts from the Industry / Corporates participate in Curriculum Design, facilitating experiential learning through knowledge sharing as Guest Speakers, which give first-hand account of the ever-changing business environment and prepare the students to become competent, responsible and innovative professionals.

Duration of the Programme

- **Master of Business Administration (MBA)** : **2 Years, Full Time, Residential programme**

Intake:

- **Master of Business Administration (MBA)** : **120 Students**

Eligibility:

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

- Candidates aspiring to join MBA programme offered by Symbiosis Institute of Business Management, Hyderabad have to take the common, mandatory Symbiosis National Aptitude (SNAP) Online Test 2024. A candidate needs to register for SNAP Test & also register for the institute by paying separate programme registration fees.
- If shortlisted, he/she would then need to attend the GE-PI process conducted by the institute individually.
- Merit list will be based on the following parameters: -

Weightage for Merit List

SNAP Score out of 60 scale down to 50	Group Exercise (GE)	Personal Interaction (PI)	Institute Specific Parameters	Total
50	10	30	10	100

- Category-wise cut off for Merit List and Wait List will be displayed on the website of the respective institutes. Wait list movement will depend upon the vacant seats available.
- The admission is provisional and will be confirmed on payment of fees on or before the due date and subject to fulfilment of eligibility conditions of the respective Programme(s) and in accordance with the rules of the Symbiosis International (Deemed University).

Dr Shailesh Rastogi
Director

Director Profile:

Dr Shailesh Rastogi is presently working as Director and Professor at SIBM Nagpur. Dr Rastogi is no stranger to the world of academia, boasting an impressive 24 years of experience in academic, research, and administrative roles. His forte extends beyond the classroom. He is passionate about faculty development programs, research, and the use of technology to enhance the learning experience.

Before joining SIBM Nagpur, Dr Rastogi worked as a Professor in one of the leading B-Schools of Symbiosis group, SIBM Pune. Before SIBM Pune, he was Dean of the MBA Program at Thiagarajar School of Management, Madurai. He has also served in several prestigious institutions including Jaipuria Institute of Management Jaipur, GLA University Mathura, and Invertis University Bareilly. He had been Program Directors for PGDM, PGDM (Financial Services), and PGDM (Retail Management) for several years in Jaipuria Institute of Management Jaipur. During his previous stints in different institutes, he also headed different teams regarding accreditations (International: ACBSP; National: NBA, NAAC) and regulatory compliances (AICTE and AIU).

Dr Rastogi has been instrumental and headed many sponsored consultancy projects, which include projects at Velammal Medical College & Hospital Madurai, RUIDP Government of Rajasthan Jaipur, IFFCO Bareilly, and J K Sugar Mills Bareilly. His expertise includes conducting MDPs on Panel Data Econometrics, Financial Econometrics, Financial Analytics using spreadsheets & VB, and Corporate Valuation. He is a prolific researcher with more than 200 research papers published in national and international journals of repute which are indexed in Scopus, Web of Science, and ABDC. In addition, Dr Rastogi has more than 12 research scholars who have completed their doctorate under his supervision.

He has a PhD in Management (Finance) from MJP Rohilkhand University, Bareilly. He is a management graduate from the National Institute of Technology, Allahabad (MNNIT). His areas of interest for teaching are Analytics (Financial Econometrics, Financial Modelling using Spreadsheet and VB, Financial Data Analytics using Python) and Valuation (Corporate Valuation and Corporate Finance).

His areas of interest for research are firm and bank performance, inclusive growth, financial materiality of sustainability, market integration and volatility spill over effect, circular economy, intangible assets and valuation, and leadership and spirituality.

Beyond his professional accomplishments, Dr Rastogi is an active contributor to social and spiritual causes, adding a unique dimension to his approach to education.

Institute Profile:

Symbiosis Institute of Business Management, Nagpur is a Constituent of Symbiosis International (Deemed University), (SIU). An off-campus institute of SIU, SIBM Nagpur has been established with the aim of imparting world-class education to students and transforming them into top notch business leaders. It began with a two years' full time MBA program with an option to specialize in Marketing, Finance, Operations or Human Resource and added Business Analytics as a fifth specialization later along with a new program, MBA (Food and Agri Business Management). Being part of huge 75-acre beautiful Campus, SIBM-Nagpur has state-of-the-art infrastructure and world class facilities for all-round development of students. SIBM- Nagpur has the unique advantage for being situated in the upcoming educational hub of Maharashtra and in the vicinity of MIHAN Project of Government of Maharashtra, with a huge Special Economic Zone alongside. These projects are expected to house various export-oriented units like I.T. industries, gems and jewellery, garments, electronic goods, pharmaceuticals, processed foods and many other types of industries. Students will get enormous opportunities for internships, and live projects. Proper Placement assistance is offered to the students, and Placements have been excellent. The Institute offers regular corporate interactions and is also being supported strongly by senior SIBM alumni. SIBM – N also conducts MDPs for reputed corporates like Lnt, WCL, PowerGrid and many more.

Programme Profile:

• **Master of Business Administration (MBA) :** **First Year**

The first year of the MBA programme includes two semesters, offering a comprehensive introduction to foundational management subjects like Economics, Accounting, Statistics, Strategy, Marketing, Operations, Organizational Behaviour, Finance, HR, and more. The year concludes with an 8-week Summer Internship Program (SIP), providing valuable corporate exposure and practical application of theoretical knowledge. The curriculum, enriched with Business School cases and simulations, maintains a high standard of education, and faculty expertise ensures content delivery aligned with global benchmarks.

Second Year

In the second year (third and fourth semesters) of the program, students explore specialized areas like Finance, Marketing, Operations, and HR and BA, aligned with their interests. The dynamic and contemporary course content is consistently benchmarked against top-rated institutes. Additionally, the Institute enhances the learning environment through Management conclaves and seminars, offering real-world insights and industry perspectives. This ensures a cutting-edge education reflecting the latest trends and practices in the field.

• **Master of Business Administration in Food & Agri Business Management (MBA in FABM) :** **First Year**

The first year of the MBA – FABM program includes two semesters, offering a comprehensive introduction to foundational management subjects like Economics, Accounting, Statistics, Strategy, Marketing, Operations, Organizational Behaviour, Finance, HR, and more.

The year concludes with an 8-week Summer Internship Program (SIP), providing valuable corporate exposure and practical application of theoretical knowledge. The curriculum, enriched with Business School cases and simulations, maintains a high standard of education, and faculty expertise ensures content delivery aligned with global benchmarks.

Second Year

In the second year (third and fourth semesters) of the program, students explore specialized areas. The dynamic and contemporary course content is consistently benchmarked against top-rated institutes. Additionally, the Institute enhances the learning environment through Management conclaves and seminars, offering real-world insights and industry perspectives. This ensures a cutting-edge education reflecting the latest trends and practices in the field.

Orientation and Pedagogy:

The Institute follows a highly interactive learning method with great stress laid on self- learning. Case Studies, Projects, Assignments are part of the regular pedagogy. Flipped Classrooms have been introduced. The focus is on application-based education. Coursera Courses are also proposed to be offered to the students as supplementary learnings, in addition to their regular program structure. The Institute encourages live projects and virtual internships as well. Corporate Interactions and sharing of real-life experiences by corporate speakers are a part of the regular schedule. A soft skills program and a current affairs awareness program are additions to the regular curriculum.

Dr. Vandana Ahuja
Director

Director Profile:

Dr. Vandana Ahuja is the Director at Symbiosis Institute of Business Management, Noida. She has over two decades of work experience and is a Professor of Marketing. She is the author of the book on Digital Marketing – published by Oxford University Press and is the proud recipient of the ILDC-AMP Women Achiever's award for Excellence in Management Teaching.

She has also published several edited books and several manuscripts in International and National journals and also serves on the Editorial Board of several International Journals. She has organised and chaired several National and International conferences and has guided PhD. students in the domain of Management.

Prior to working at Symbiosis, she has worked with Jaipuria Institute of Management as Dean-Academics, Amity Business School as Professor, IILM Graduate School of Management as Dean-Research and faculty at Jaypee Business School. Her strengths include Teaching, Research, Academic Administration and Institution Building.

Along with her scholars she has received several awards and accolades for her research contributions in the field of Digital Marketing, CRM and Branding. She has convened several Doctoral Research Conclaves and guest edited several special issues with International Journals.

She has been instrumental in signing several MoUs with external stakeholders who will aid the growth of SIBM, Noida. She has conducted several Management Development Programs for organisations across the Hospitality and Retail sectors.

Institute Profile:

Symbiosis Institute of Business Management, Noida is a constituent of Symbiosis International (Deemed University)– SIU. Established in 2023, SIBM Noida hopes to become one of the premier B-Schools in the National Capital Region. The institution focuses on academic excellence, a strong industry connects and internationalisation. Regular guest lectures from Industry stalwarts as well as International experts ensures that the students get adequate exposure to the dynamic industry practices as well as global, academic and cultural happenings.

SIBM, Noida is a part of the Symbiosis International University (SIU), which has been ranked amongst top 50 Universities in India by NIRF, Government of India. The University has also been ranked among the top 250 Universities in Asia and top 150 in BRICS by QS World University rankings survey 2018.

The essential strong pillars of SIBM, Noida are its exemplary students, accomplished faculty and numerous visiting faculty members from the industry. SIBM, Noida also has a strong student council, comprising 5 different teams. With a dedicated approach to academic rigour, participative teaching-learning ecosystems and significant

student exposure to the dynamic business world, the institution is preparing to become one of the leading institutions in the National Capital Region.

Programme Profile:

• **Master of Business Administration**

(Marketing, Finance, Human Resource Management, Supply Chain Management)

Duration of the Programme:

• **Master of Business Administration** : **2 Years, Full Time programme**

Intake:

• **Master of Business Administration** : **60 Students**

Eligibility:

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) at graduation level

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

A candidate aspiring to join MBA programme offered by Symbiosis Institute of Business Management, Noida has to appear for the common, mandatory Symbiosis National Aptitude (SNAP 2024) Computer Based Test (CBT) which will be conducted at Test Centres.

The candidate needs to:

Step I: SNAP Test

- Register for SNAP 2024 Test,
- Pay the registration fee for SNAP entrance exam,
- Register for PG programme(s) offered by SIBM, Noida, an institute of SIU,
- Pay the registration fee, separately for programme.
- Preserve the Admit Card of SNAP Test for further selection process at SIBM, Noida. Appearing for SNAP
- Test does not automatically qualify an applicant for the next step in selection process at SIBM, Noida.
- If shortlisted for a programme applied to, the candidate would then need to participate in the further admission process (GE-PI) of that particular programme.
- The registration process (including the payment of the registration fee) for SNAP and Institutes is integrated. A candidate can complete the SNAP as well as programme registration and payment on the same portal (snaptest.org).

Step II: Selection Process at SIBM, Noida

- Short-listed Applicants based on SNAP scores will be called for the selection process at SIBM, Noida. The candidate would then need to participate in the further admission process (GE-PI).

Orientation and Pedagogy:

Symbiosis Institute of Business Management, Noida practices Outcome Based Education, where the institution maps the learning outcomes of the students to reflect the achievement of higher order learning. The following pedagogical practices are used-

- Student Centred Teaching: Here the focus is not on Teacher centred classroom discourse only, but the focus is on what the students are learning from the sessions.
- Game Based Teaching: Game-based teaching uses the power of games to define and support student learning outcomes. This promotes critical thinking and strategic decision-making.
- Flipped Classroom Method: This is an instructional strategy and a type of blended learning, which aims to increase student engagement and learning by having them complete readings at home and work on live problem-solving during class time. Student is required to take the lead here and even facilitate groups by taking ownership.

- Experiential Teaching: The concept experience is brought into the classroom through a visual aid like a video or a Guest Lecture from an Industry expert or a hands-on experience or an Industry Visit.

Superior quality instructional resources are used and these further add value to the teaching-learning experience. Symbiosis Institute of Business Management- Noida conducted an Induction Program titled 'Excelsior 2024' (Latin word, meaning 'Ever Upward') under the UGC guidelines of 'Deeksharambh' for its MBA batch (2024-26) from June 11-21, 2024. The induction program aimed at giving management students a sense of direction toward setting their goals and working earnestly toward achieving them.

Programme Objectives:

The objectives of the induction programme were-

- 1. Orientation and Familiarization:** Introduce students to the university's culture, facilities, and resources, as well as academic and administrative policies, to ensure a smooth transition into the MBA programme.
- 2. Building Community and Networking:** Facilitate opportunities for students to connect with peers, faculty, alumni, and industry professionals, fostering a supportive network that enhances learning, collaboration, and career development.
- 3. Professional Development:** Provide insights into industry trends, career pathways, and job market expectations while offering career counseling, workshops, and networking events to help students clarify their career goals and develop strategies for success.
- 4. Personal Growth and Well-being:** Support students' holistic development by emphasizing the importance of self-care, time management, stress management, and work-life balance, fostering a healthy and supportive learning environment.
- 5. Ethical Leadership and Responsible Management:** Instill values of integrity, ethics, and social responsibility, preparing students to be ethical leaders and responsible managers who consider the broader societal implications of their decisions and actions.
- 6. Technology and Innovation:** Introduce students to relevant technological tools, platforms, and resources that enhance learning, productivity, and innovation in the business context, preparing them for the digital future of work.

The MBA students also had the privilege of visiting the Haier plant in Greater Noida, Uttar Pradesh, gaining practical insights into manufacturing processes. Excelsior 2024 has provided the MBA 2023-25 & MBA 2024-26 batch at SIBM, Noida with an excellent learning experience, equipping them with industry insights, skills, and knowledge necessary to thrive in the dynamic business landscape.

Management Development
Programme on 'Strategic
Innovation: Navigating
Business Realities in 2024'
conducted at SIBM, Noida

Prof. Dr. Jatinderkumar R. Saini
Professor & Director

Director Profile:

Prof. Dr. Jatinderkumar R. Saini, PhD (Computer Sci.), MCA [Gold Medals & Univ. 1st rank in all 3 years], BSc (Computer Sci.) [Silver Medal], Recipient of DAAD Fellowship (Germany), FIETE, MISTE, MISG, MISCA, MISRS, Executive Committee Member, IETE, Pune(2024-2026), Joint Secretary & Executive Committee Member, ISRS, Pune Chapter, (2021-23, 2023-2025), Joint Treasurer & Executive Committee Member, IETE, Vadodara Chapter (2016-18), Joint Secretary & Webmaster & Executive Committee Member, ISG, Vadodara Chapter (2014-2019), Managing Committee Member, CSI, Vadodara Chapter (2016-17), IBM Certified Database Associate - DB2, IBM Certified Associate Developer - RAD, BULATS Certified [CEFR/ALTE C1/4], CPT Certified [CEFR/ALTE C1/4], NABET ET/QCI Yellow Belt certified, LASSIB White Belt Certified A distinguished and established academician, researcher and administrator, Prof. Dr. Jatinderkumar R. Saini was awarded PhD in Computer Science in 2009.

He has nearly 300 research publications including those published by Elsevier, Taylor & Francis, ACM, Springer, IEEE and Inder Science. He has papers with Thomson Reuters Impact Factor journals, nearly 150 Scopus papers and best paper awards by AICTE, IEEE, S4DS, ISTE, etc. With more than 1900 citations, h-index of 23 and i10 index of 64, his papers have been cited in more than 50 countries by publications included in Elsevier, ACM, Springer, Taylor & Francis, IEEE, Hindawi, Sage, Wiley, ACL, IET, IOS Press, World Scientific, Palgrave Macmillan, IOP Publications, PubMed, etc. including by world's top-notch as well as 1st ranked International Journals with WoS Impact Factors of 8.746, 7.596, 5.122, 5.101 and 3.928. Dr. Saini has reviewed for esteemed and high Thomson Reuters Impact Factor journals published by Elsevier, ACM, IEEE, Springer, Emerald, Sage, Frontiers, PeerJ, Wiley, World Scientific, De Gruyter, IGI, ActaPress and Inder Science, to name a few. He is also acting as an editorial/reviewer board member for journals with very high Thomson Reuters Impact Factors, including IEEE Transactions and ACM Transactions journals. Additionally, he has also reviewed papers and chaired sessions for various international conferences, both in and outside India. He has been four times awarded with outstanding reviewer certificate by Thomson Reuters Impact Factor bearing International Journal. Dr. Saini has been named among top 1% Computer Science reviewers in the world by Thomson Reuters continuously for two years, i.e., 2018 and 2019. Twelve candidates have been awarded PhD and eight more are currently pursuing their doctoral research work under his guidance.

He was selected and invited as a guest faculty at BSEL, Berlin and is a recipient of DAAD fellowship for visiting Germany. Prior to joining SICSR, Dr. Saini was working as a State Government University endorsed Professor and Director. His vast experience comprises of working also as HoD, University Coordinator, Director of AB Innovation Sankul and Zonal Exam Coordinator for entire South Gujarat under the State government's Gujarat Technological University, Ahmedabad. In the year 2005, he secured first position in the written test and later in the interview (panel comprised of IIM-A dignitaries) too at State level and had a distinct opportunity of working with Gujarat Secretariat, Gandhinagar for the ambitious e-governance project of Govt. of Gujarat as well as the coveted privilege of working in the Cyber Security domain at one of the only four licensed certifying authorities

under Ministry of Information Technology, Govt. of India. Dr. Saini is included in the Marquis Who's Who in the World, USA since 2012. His lectures have been live broadcasted at national level and available online as part of NCTEL too.

He has completed nearly 50 international MOOC course certifications and professional and specialization certifications as well, almost all with distinction, through various universities of highest repute like Massachusetts Institute of Technology (MIT), University of Texas at Austin, Stanford University, Rice University, Johns Hopkins University, The Pennsylvania State University, Case Western Reserve University, The Ohio State University, University of Rochester, to name a few.

Institute Profile:

Symbiosis Institute of Computer Studies and Research (SICSR), a constituent of Symbiosis International (Deemed University), and established in 1985, aims at building future leaders for the Information Technology (IT) industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. IT is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. IT also plays a vital role in development of next generation technologies in other disciplines. IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a Nation's progress.

We are on the forefront in realizing the vision of our Founder and Chancellor, Honourable Prof. Dr. S. B. Mujumdar Sir, to be a true International University, promoting diversity with students from various countries in the Under Graduate and Post Graduate Courses in IT and Management.

We offer a complete portfolio of IT education programmes, including undergraduate programmes Bachelor of Business Administration (Information Technology) Honours / Honours with Research and Bachelor of Computer Applications Honours / Honours with Research, full-time post-graduate programs Master of Business Administration (Information Technology), Master of Business Administration (Digital Transformation) and Master of Science (Computer Applications) programmes.

- **Ranked #2** Among Top 10, The Best Colleges of India for BCA (Outlook-I Care Rankings 2023)
- **Ranked #3** Among Top 10 BCA Colleges (India Today 2023)
- **Ranked #4** Top B-Schools of Eminence, 2023 (CSR-GHRDC Rankings 2023)
- **Ranked #7** Among Top 10 Emerging Colleges for BBA (India Today 2023)
- **Ranked #11** Among Best Colleges of India for BBA (India Today Rankings 2023)
- **Ranked #12** For BBA among India's Top Colleges (Outlook-I Care Rankings 2023)
- **Ranked #14** Among Toppers across 14 categories over the year (India Today Rankings 2023)
- **Ranked #16** Top B-Schools of Eminence (Govt. Private) by State, 2023 (CSR-GHRDC Rankings 2023)
- **Ranked #87** Among Top 100 India's Best B schools for MBA(IT) ,2023 (India Today 2023)
- **Ranked #87** Among Top 100 Private B Schools (Business Today)
- **Ranked #95** Among Top 100 Placements Performance (Zone-West) (Business Today 2023)

Programme Profile:

- **Master of Business Administration - Information Technology (MBA-IT)**

Objective:

To prepare students in applications of information technologies to deliver software solutions. The programme focuses on

- Imparting training in latest technologies.
- Exposure to best business practices.
- Building team leadership qualities and management skills
- As programme relates to current professional practice and the work place, the students are best suited for entry-level positions as:
 - Application Programmer: Using latest methodologies, development tools, languages.
 - Business Analyst: Business development, Pre-sales, Selection & Implementation of software solutions.
 - Quality Analyst: Implementation of enterprise level quality models, design /implementation of software development processes, testing and technical documentation.
 - Research Analyst
 - Software Project Management Trainee

- **Master of Business Administration – Digital Transformation (MBA-DT)**

Objective:

- To prepare students to lead and drive digital transformation initiatives for the business.
- To make students understand best operational and strategic management technology drivers for the business processes.
- To enable students to lead business transformation initiatives by understanding applications of leading technologies including AI, Cloud, Business Intelligence, and Data visualization for the organisations.
- To prepare students to understand and design digital business models.

As programme relates to current professional practice and the work place, the students are best suited for entry-level positions as:

- Business Analyst (Digital Transformation)
- Digital Transformation Analyst
- Data Analyst/Data Scientist
- Digital Change Analyst
- IT Project Trainee
- Product Manager (Digital Products)
- Customer Experience (CX) Trainee

- **Master of Science (Computer Applications)**

Objective:

This programme will equip students with knowledge highly relevant to emerging technologies. This programme aims to provide a comprehensive framework for understanding by integrating theoretical foundations with extensive practical work in the labs and hands-on experience.

The course offers following areas of specialization:

- 1) Software Development
- 2) Data Science
- 3) Cyber Security

Duration of the Programme:

- **Master of Business Administration - Information Technology (MBA-IT)** : 2 Years, Full Time Programme
- **Master of Business Administration - Digital Transformation (MBA-DT)** : 2 Years, Full Time Programme
- **Master of Science (Computer Applications)** : 2 Years, Full Time Programme

Intake:

- **Master of Business Administration - Information Technology (MBA-IT)** : 60 Students
- **Master of Business Administration - Digital Transformation (MBA-DT)** : 30 Students
- **Master of Science (Computer Applications)** : 30 Students

Eligibility:

- **Master of Business Administration - Information Technology (MBA-IT): -**
Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
- **Master of Business Administration - Digital Transformation (MBA-DT): -**
Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
- **Master of Science (Computer Applications): -**
Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

- **Master of Business Administration - Information Technology (MBA-IT):**
- **Master of Business Administration - Digital Transformation (MBA-DT):**

- Fill the SNAP Application Form
 - SNAP Fees payment
 - Register for the institute (SICSR)
 - Programme-wise fees payment for Online Group Exercise (GE) and Personal Interaction (PI) Process
 - Download the SNAP admit card
 - Appear for the SNAP exam
 - Check the SNAP result
 - Book your slot for the Online GE-PI process for SICSR
 - Appear for the Online Group Exercise and Personal Interaction Process
 - Merit list will be displayed
 - Admission will be confirmed after payment is made
- **Master of Science (Computer Applications): -**
 - Visit website www.sicsr.ac.in
 - Register online for MSc (CA) by filling up the online registration form available under Non-SNAP application.
 - Payment of Registration Fees
 - Book the slot for the Online Personal Interaction (PI) and Group Exercise (GE) process.
 - Appear for the Online Personal Interaction (PI) and Group Exercise (GE) process.
 - Merit list will be displayed as per the admission calendar.
 - Admission will be confirmed after the payment is made.

Important Dates:

- **Master of Business Administration - Information Technology (MBA-IT)**
- **Master of Business Administration - Digital Transformation (MBA-DT)**

Particular	Date
SNAP 2024 Registration Commences on	August 05,2024 (Monday)
SNAP 2024 Registration and Payment closes on	November 22, 2024 (Friday)
Admit Card	December 02, 2024 (Monday) for SNAP Test 1
	December 09,2024 (Monday) for SNAP Test 02
	December 15, 2024 (Sunday) for SNAP Test 03
SNAP Computer Base Test (CBT) 2024	December 08, 2024 (Sunday)
	December 15, 2024 (Sunday)
	December 21, 2024 (Saturday)
Announcement of Result	January 08, 2025 (Wednesday)
SICSR Registration/Payment closes on	January 12, 2025 (Sunday)
Declaration of shortlisting for Online GE-PI	January 18, 2025 (Saturday)
Dates of Online GE-PI Process	February 08, 2025 (Saturday) to February 10, 2025 (Monday) and February 15, 2025 (Saturday) to February 16, 2025 (Sunday)
Declaration of First Merit List	February 27, 2025 (Thursday)
Programme Commencement	June 02, 2025 (Monday)

- **Master of Science (Computer Applications)**

Sr. No	Description	Date(s)
1	Commencement of Registration	January 07, 2025 Tuesday
2	Closure of Registration	May 12, 2025 Monday
3	Shortlist Declaration	May 16, 2025 Friday
4	Shortlist Call Letter	May 19, 2025 Monday
5	Online GEPI Dates	May 23, 2025 Friday to May 26, 2025 Monday
6	Merit List Date	May 31, 2025 Saturday
7	Last Day of Payment	June 09, 2025 Monday
8	Programme Commencement	June 14, 2025 Saturday

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.sicsr.ac.in

Orientation and Pedagogy :

SICSR's approach to teaching includes a combination of lectures, class discussion, group work, and self-study for blended learning evaluation and continuous evaluation of students.

RANGTAAL Event Preparations and Celebration for NAVRATRI

Fee Structure**(Annexure I)****Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS**

Programme Fees For Master of Business Administration (Information Technology)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 540,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Business Administration (Digital Transformation)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 606,500
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Computer Applications)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 452,000
Institute Deposit (Refundable)	₹ 20,000

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model colony Campus only)	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	₹ 123,200

Installment For Master of Business Administration (Information Technology)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Installment	1st Installment	2nd Installment

Installment	₹ 246,000	₹ 226,000		
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year.

Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be 1.5 time of the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure**(Annexure II)****Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INTERNATIONAL STUDENTS**

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Business Administration (Information Technology)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$10,100
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$10,925

Programme Fees For Master of Business Administration (Digital Transformation)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$11,300
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$12,125

Programme Fees For Master of Science (Computer Applications)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$8,400
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$9,225

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Business Administration - Information Technology (MBA-IT)

Semester: 1

Generic Core Courses

- Relational Database Management System
- Software Engineering (Agile Practices)
- Principles and Practice of IT Enabled Management
- Basic Business Statistics for Data Analysis
- Digital Marketing
- Enterprise Resource Planning
- Introduction to Python
- PHP
- Research Methodology
- Web Development Framework
- Integrated Disaster Management

Semester: 2

Generic Core Courses

- Object Oriented Analysis Design
- Analysis of Business Case using Spreadsheets
- E-business Management and Strategy
- Internet of Things
- Talent Acquisition
- Cloud and Big Data

Generic Elective Course Group (Choose any One course)

- AI and ML for Business Management
- IT Business Analysis

Specialization Core Courses:

Banking and Financial Markets

- Advanced Topics in Corporate Finance
- Asset Liability Management

(ALM) in Finance

- Financial Management
- IT Solutions to Banking and Financial Markets I
- Mergers and Acquisitions

Specialization Core Courses:

Data Analytics

- Business Intelligence I
- Data Analysis Using Python
- Data Management and Visualization
- Data Warehousing Architecture and Operations
- Fundamentals of Data Science

Specialization Core Courses: IT Infrastructure Management

- Introduction to Cloud Computing
- Introduction to Vulnerability Assessment Penetration Testing
- IT Service Management
- IT Infrastructure Essentials
- IT Infrastructure Library

Specialization Core Courses:

Software Process Management

- Product Management
- Software Quality Process and Assurance I
- Software Quality Standards I
- Software Verification and Validation
- Software Versioning

Semester: 3

Generic Core Courses

- Flexi-Credit Course
- Advanced Business Process Integration

- Entrepreneurship
- IT Tools and Techniques for Business
- IT-Governance
- Technology in Business

Specialization Core Courses:

Banking and Financial Markets

- Credit management
- Financial Accounting using spreadsheets
- Financial Services and Management
- IT solutions to Banking and Financial Markets II
- Mastering Python for Finance
- Financial Risk Management

Specialization Core Courses:

Data Analytics

- Applied Data Analytics with Python
- Business Intelligence II
- Data Warehousing Applications and Data Analysis
- Machine learning
- Web Analytics
- Mobile Analytics

Specialization Core Courses: IT Infrastructure Management

- Data Centre Infrastructure Management
- IS Risk Analysis and System Audit
- Understanding LDAP
- Advanced Vulnerability Assessment and Penetration Testing
- DevOps
- Information Security Management

- Infrastructure Security

Specialization Core Courses:

Software Process Management

- Application Packaging
- IT Strategy
- Requirements Management
- Software Quality Process and Assurance II

- Software Quality Standards II
- Six Sigma

Semester: 4

Generic Core Courses

- Industry Internship

Master of Business Administration – Digital Transformation (MBA-DT)

Semester: 1

Generic Core Courses

- Business Analytics
- Financial Management
- Digital Marketing
- Business Agile Practices
- Digital Business Models
- Electronic Customer Relationship Management
- Business Statistics
- Research Methodology
- Business transformation
- Web Design Technologies
- Operations Research
- Integrated Disaster Management

Retention

- Data Management and Visualization
- Blockchain and It's Applications
- Digital transformation in Health Care

Generic Elective Courses Group (Choose any one course)

- DevOps Services
- Data Analysis Using Python
- AI Applications in Business
- Cyber Physical System
- Analysis of Business Case using Spreadsheets
- Cloud Computing and Distributed Systems

- Digital Transformation Frameworks
- Smart Industries and Digital Trends
- International Business and Global Strategy
- Internet of Things
- Flexi-Credit Course
- Regulatory Perspectives for Digital Business

Generic Elective Course Group (Choose any one course)

- Big Data Analytics
- Applications of Augmented Reality and Technology Trends
- GRC and Industry Standards
- Entrepreneurship and Global Capitalism
- Creativity and Design Thinking
- Mastering Python for Finance

Semester: 2

Generic Core Courses

- Python for Data Science
- Enterprise Resource Planning and Supply Chain Management
- Cloud Applications for Business Processes
- Project Management
- Talent Acquisition and

Semester: 3

Generic Core Courses

- Flexi-Credit Course
- Business Intelligence
- Digital Branding and Promotion with Social Media
- Digital Audit and Quality Control

Semester: 4

Generic Core Courses

- Industry Internship

Master of Science (Computer Applications)

Semester: 1

Generic Core Courses

- Software Engineering (Agile Practices)
- Computer Networks
- Data Structures
- Relational Database Management System
- PHP
- Introduction to Operating System
- Introduction to Python
- Cyber Security
- Research Methodology

Semester: 2

Generic Core Courses

- Java SE
- Internet of Things
- Flexi-Credit Course (Artificial Intelligence)
- Integrated Disaster Management *

Specialization Core Courses: Software Development

- Object Oriented Analysis Design
- Software Project Management
- Dissertation

Specialization elective: Software Development

- NoSQL Databases
- Data Warehousing
- R Programming
- Android Technologies
- Cloud Computing and Distributed Systems
- Software Verification and Validation
- Foundation Web Technology
- Entrepreneurship and Global Capitalism

Specialization Core Courses: Cyber Security

- Cryptography
- Database and Application Security
- Security Standards
- Dissertation

Specialization Elective: Cyber Security

- Cloud Computing and Distributed Systems
- Fundamentals of Web Security
- IS Risk Analysis and System Audit
- Cyber Security-A Case Study

Approach

- Network Security
- Entrepreneurship and Global Capitalism

Specialization Core Courses: Data Science

- Software Project Management
- Computation Methods
- Data Analysis Using Python
- Dissertation

Specialization Elective: Data Science

- NoSQL Databases
- Data Warehousing
- R Programming
- Cloud Computing and Distributed Systems
- Data Analysis and Visualization
- Fuzzy Logic

COURSE TITLE

- Entrepreneurship and Global Capitalism

Semester: 3

Generic Core Courses

- DevOps
- Flexi Credit
- Pilot Project

**Specialization Core Courses:
Software Development**

- Software Architectures
- Web UI and Content Management
- Pilot Project

Specialization Elective: Software Development

- Data Mining and Algorithms
- Software Quality Models
- Flexi-Credit Course
- Advanced Programming in Python
- Cloud Programming using Web Services
- Systems Programming

**Specialization Core Courses:
Cyber Security**

- Pilot Project
- Vulnerability Assessment and Penetration Testing
- Security Management Practices

- Network Security
- IT Audit and Risk Management

Specialization Elective: Cyber Security

- Computer Forensics - Detection and Prevention of IT Frauds
- Virtualization and Security
- Identity and Access Management
- Flexi-Credit Course
- Software Defined Networking
- Cyber Physical System

**Specialization Core Courses:
Data Science**

- Pilot Project
- Image Processing
- Machine Learning Algorithms

Specialization Elective: Data Science

- Cloud Programming using Web Services
- Text Analytics
- Data Science for IOT
- Artificial Neural Network and Deep Learning
- Natural Language Processing
- Flexi-Credit Course
- Cyber Security Analytics

Semester: 4

Generic Core Courses

- Industry Internship

***Courses are subject to change**

Dr. Dhanya Pramod

Director

Ph.D., M.Sc. (Computer Science),
MBA, PGDIM, SET

Director Profile:

Dr. Dhanya Pramod is currently the Director of Symbiosis Centre for Information Technology and the Dean-Faculty of Computer Studies, Symbiosis International (Deemed University). She is a post graduate in Computer Science from Pondicherry central university and completed her doctoral degree from Symbiosis International University. She has a strong academic foundation and was the First Rank holder of University at undergraduate level and Gold medalist at post graduate level. Dr. Dhanya also holds a Master's Degree in Management. She pursued multiple job portfolios with blend of experience including industry, research, academics and administration. The experience with Wipro Technologies R&D division gave her good exposure to research in the areas of network protocols and security. Her interest in networks, application security and aspect-oriented programming further led to research and award of the doctoral degree for her thesis in web application security. She has published papers in several referred/indexed journals including SCOPUS and conferences of international repute. She is also editorial board member and reviewer of reputed journals. She is an alumnus of the International Visitor Leadership Program (IVLP), the flagship exchange program of the United States Department of State. Her passion for teaching made her to venture into academics. Her expertise includes Information Security Management and Data science. She has co-authored and published case studies in IT and Management in Case Centre (ECCH) and PMI. She has also received research grants from Pune University, Symbiosis International University and PMI. She was a member of PMI and her current professional association includes ISACA (Academic Advocate-Student chapter) and IACSIT Singapore (senior member).

- Received an award for outstanding contribution to education by CIMA World Education Congress Global Awards 2015
- Received an award for Education Leadership Award by Dewang Mehta National Education Award 2017
- Received an award for Women in Education Leaders Award by World Education Congress 2017
- Received an award for Most Dedicated Teachers of India Award by World Education Congress 2017
- Received an award for Elsevier, Scopus - Winner of First Scopus Quiz for South Asia.

Institute Profile:

SCIT is a premier IT Business School nurturing genuine IT talent. Symbiosis Centre for Information Technology, a constituent of Symbiosis International University has been a pioneer and a leader in imparting education in the niche area of Information Technology Business Management in India for more than a decade. SCIT nurture genuine IT talent.

To become future leaders in Information Technology arena. SCIT welcomes those, who are willing to take on challenges and transform themselves into proactive professionals. The institute support their transformation with innovative teaching-learning methodology, state-of-the-art computer labs, platform for peer learning and opportunities. To learn management in real time. The success of our alumni is a proof.

324

To claim that - SCIT ensures overall professional development of students, who are transformed into industry Ready IT professionals.

Programme Profile:

• **Master of Business Administration (Information Technology Business Management)- M.B.A. (ITBM)**

MBA in Information Technology Business Management (ITBM) aims at developing Management professionals for IT Businesses and its specialized streams. The program builds Management skills and reinforces IT skills to create Leaders, Managers & Entrepreneurs in IT products & services domain. This program will also enable students to gain in depth knowledge in any one of the niche areas such as Information Security Management (ISM), Digital Transformation (DT), Systems (SYS) and Data Science (DS).

Information Security Management Stream addresses designing, developing & evaluating security solutions towards an information-secure and compliant organization.

Digital transformation enables learners to stay relevant and competitive in the digital disruptions that are reshaping the business landscape. They shall experientially learn about digital technologies that are revolutionizing and transforming products, services, operations, and business models.

The Systems looks at mapping client's expectation with project deliverables towards managing and delivering quality compliant and innovative IT products and services.

Data Science will be enabling an end-to-end understanding on the significance of analytics to support managerial decision making.

• **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A. (DS and DA)**

MBA (Data Sciences and Data Analytics) aims at developing Management professionals for Data Sciences and Data Analytics stream. Students will gain analytics competencies and use hands on tools in data sciences thereby preparing them for business and techno-functional roles in data sciences and analytics projects

Focus:

- To offer a unique combination of strategic actionable insights and real-time operational intelligence which are crux of Data Sciences and Data Analytics respectively.
- To address and fulfil the long felt need for analytical skills from an end-to-end information value chain perspective.
- To enable the candidates gain analytics competencies and hands on with the tools used in data sciences thereby preparing them for business and techno-functional roles in data sciences and analytics projects.
- To enable students to approach data using scientific methods.

Duration of the Programme:

- **Master of Business Administration (Information Technology Business Management) - M.B.A. (ITBM) : 2-year Full-Time Residential Programme**
- **Master of Business Administration (Data Sciences and Data Analytics) -M.B.A. (DS and DA) : 2-year Full-Time Residential Programme**

Intake:

- **Master of Business Administration (Information Technology Business Management) - M.B.A. (ITBM) : 180 Students**
- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A. (DS and DA) : 60 Students**

Eligibility:

- **Master of Business Administration (Information Technology Business Management)- M.B.A. (ITBM)**

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A. (DS and DA)**

Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

The Selection process is carried out in two steps.

Step I: SNAP Test

- Each student desirous of admission to SCIT must appear for Symbiosis National Aptitude (SNAP) Test 2024, which is a common written test for the admission to all Symbiosis postgraduate institutes.
- The applicant must register and pay online for ONLINE SNAP (Symbiosis National Aptitude Test) Examination, 2024. ONLINE SNAP 2024 test fee is INR 2250/- (+ applicable Payment gateway charges, GST and any other taxes). This is not refundable. For more details please visit: <https://www.snaptest.org/>

- While registering for SNAP, applicant has to also apply for SCIT in the same application form. A registration fee of Rs. 1000/- (+ applicable Payment Gateway Charges, GST and any other taxes) per programme is to be paid to SCIT for each programme that the aspirant wishes to apply. This is mandatory, without which the applicant will not be considered for short-listing for the GE (Group Exercise) PI (Personal Interview) process for the respective programme(s).
- Preserve the Admit Card of SNAP Test 2024 for further selection process at SCIT. Appearing for SNAP Test does not automatically qualify an applicant for the next step in selection process at SCIT.

Step II: Selection Process at SCIT

- Short-listed Applicants based on SNAP scores will be called for the selection process at SCIT, Pune. Short listed candidates are announced on SCIT website www.scit.edu as per the scheduled dates. Shortlisted candidates must fill the Application Form and book the slot for GE-PI. Individual regret letters will not be sent to applicants who are not called for GE-PI. The entire process will be online. This process includes Group Exercise, Personal Interview (GE-PI).

Note: The final merit score will be calculated based on the following:

Parameter	Marks
SNAP score	50 Marks
Group Exercise	10 Marks
Personal Interview	40 Marks*
Total	100 Marks

* Personal Interview score will also include Academic Consistency (marks at 10th, 12th & Graduation level each), Under Graduation degree, Experience and Extra-Curricular Achievement.

Important Dates:

Particular	Date
SNAP 2024 Registration Commences on	August 05,2024 (Monday)
SNAP 2024 Registration and Payment closes on	November 22, 2024 (Friday)
Admit Card	December 02, 2024 (Monday) for SNAP Test 1
	December 09,2024 (Monday) for SNAP Test 02
	December 15, 2024 (Sunday) for SNAP Test 03
SNAP Computer Base Test (CBT) 2024	December 08, 2024 (Sunday)
	December 15, 2024 (Sunday)
	December 21, 2024 (Saturday)
Announcement of Result	January 08, 2025 (Wednesday)
SCIT Registration/Payment closes on	December 20, 2024 (Friday) 23:59 hrs.
Declaration of shortlisting for GE-PI	January 21, 2025 (Tuesday)
Dates of GE-PI Process	February 6, 7, 8, 9 & 13, 14, 15, 16, 2025
Declaration of First Merit List	March 04, 2025 (Thursday)
Programme Commencement	June 4, 2025 (Wednesday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.scit.edu

Orientation and Pedagogy:

- **Learning Methodology**

SCIT strives to make a paradigm shift from exam orientation to knowledge orientation. SCIT believes in the practice of consolidation where in the core elements of academic rigor and academic discipline are closely knitted by research, student orientation, brand-building, corporate interface and process automation. To realize this shift SCIT has taken several steps on curricula review and development, student and faculty orientation. Faculty members are oriented towards creating evaluation methodologies from concept-building through application development and not necessarily just elaboration on theory.

At SCIT a semester pattern, that is, 2 terms per academic year is followed. At the beginning of the term, the syllabus along with the names of reference books, authors and the evaluation policy is communicated to the students. No text books are prescribed as students are expected to explore and learn by referring to books, implementing concepts in the labs and collecting references from the Internet, analyzing and problem solving through case studies etc. SCIT also has a digital library with a spectrum of e-books and magazines. SCIT's evaluation policy has external as well as internal evaluation. The internal evaluation is carried out continually and consists of any combination of several components to test the writing, critical thinking and analytical capability of the students to ensure holistic development. In order to ensure the same, the pedagogy has a strong blend of Experiential learning, Flexi-credits, Value-add courses.

- **Experiential Learning**

It's a learning process initiated by a concrete experience, which demands reflection, review and perspective taking about the experience; then abstract thinking to reach conclusions and conceptualize the meaning of the experience; leading to a decision to act, engaging in active experimentation or trying out what you've learned. This cycle is so natural and organic that people engage in it without being aware that they are learning. It happens almost effortlessly all the time and is constantly transforming our lives. Most people have preferences for the way they use this learning cycle, focusing on some modes more than others. At SCIT, each course taught in a semester reflects an element of experiential learning as a part of the pedagogy.

- **Flexi- Credits courses**

In Flexi credit courses, some credits of the programme structure are reserved for Flexi-credit courses. The Institute offers a contemporary course based on the emerging needs of the dynamic industry as the flexi credit course.

The students engage in diverse activities thus we aim to have them work without us, but expect that they will bring that work back to their classmates and us. The expectation through offering flexi credits is that the additional work should result in better performance in the classroom and on assignments.

- **Value-Add courses**

Value added courses are offered to the students which are beyond the stipulated program structure in each semester. It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes. Our college offers a wide variety of value-add courses which are conducted beyond the regular class hours or during semester breaks. Many students have been benefited every year. Value added course provide the opportunity for training as well as guidance of the students on the various aspects of building a career and to assist them in exploring new opportunities.

- **Internships**

Internship in the industry is an integral part of the 2-year academic programmes at SCIT. It provides excellent opportunities for SCIT students to get a first-hand experience of business realities. Before working as interns, SCIT students work on pilot projects, a replica of what happens in the industry. This enables them to make a quick start in learning from the "LIVE" environment during an internship project, a new perspective that a classroom cannot generate. In the past, most of the SCIT students have worked with reputed companies and have contributed significantly; some have even travelled abroad for live projects.

Projects:

- **Collaborative Projects**

SCIT makes a conscious effort in tracking technology advancements and transformations that businesses are going through. The students as well as the faculty of SCIT undertake various industry projects as well as R & D projects that cover this area of study.

Students also engaged in collaborative projects with students from Universities abroad on courses like Design Thinking and Data Science courses as well.

- **Capstone Project**

Capstone projects are generally designed to encourage students to think critically, solve challenging problems, and develop research skills, teamwork, planning, self-sufficiency, or goal setting—i.e., skills that will help prepare them for college, modern careers, and adult life. SCIT offers capstone project to students in collaboration with international universities.

- **Research and Development Projects**

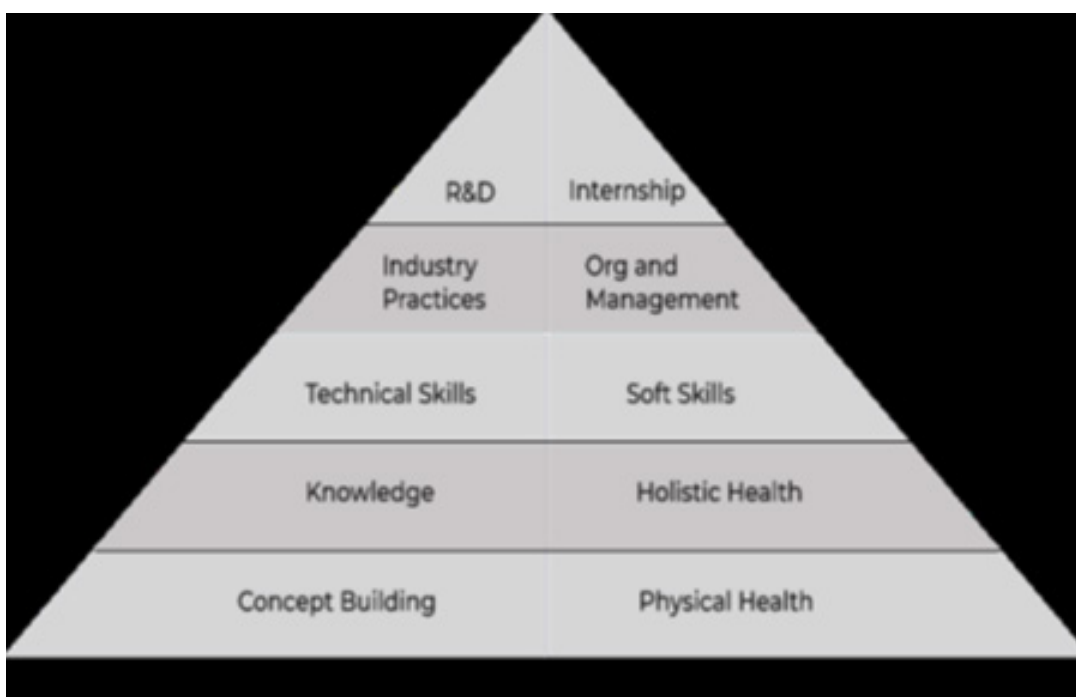

Research orientation is an important part of learning at SCIT. Students need to register and work on a dissertation. SCIT presently works in these broader areas of research.

- **Multi-faceted Learning**

At SCIT we believe in the new realization that exams are only a purpose of learning and true learning is actually a journey to explore knowledge. SCIT looks at postgraduate education with a view to create 'learnability' in a student that stays with him life-long and does not wither with a degree in hand. SCIT lays importance on a student's all-round development with a focus on academics as well in all its residential programmes. The holistic programmes build strength and create a framework to enjoy life as professionals and as individuals. Self-exploration through programmes is encouraged.

- **SCIT's Power Triangle**

At SCIT, students undergo a transformation into empowered proactive professionals through a three-fold learning process: gaining experiential knowledge of technology and practices, mental and physical well-being through a holistic health programme and industry practices. SCIT offers residential and off-campus programmes as well as corporate training programmes.

At SCIT, students undergo a transformation into empowered proactive professionals through a three-fold learning process: gaining experiential knowledge of technology and practices, mental and physical well-being through a holistic health programme and industry practices. SCIT offers residential and off-campus programmes as well as corporate training programmes.

- **Events:**

24th National Seminar 2023 – 16 Sept. 2023

SCIT has been organizing a National Seminar since 2000 which provides useful insights in understanding the various dimensions of IT.

Theme: “Digital Transformation: Diversity in Transformation to Build a Business Strategy”

Digital transformation involves integrating digital technologies into all aspects of a business, fundamentally changing how it operates and delivers value to customers. The discourse will anticipate how digital transformation can serve as a catalyst for promoting and amplifying diversity within organizational frameworks. By forecasting the potential avenues for incorporating diverse perspectives, experiences, and voices into the strategic implementation of digital transformation, the discussion aims to chart a course toward innovation, equitable decision-making, and enduring business resilience. Participants will engage in discussions, envisioning the role of emerging technologies, predictive trends, and visionary leadership in shaping an inclusive and transformative business landscape.

Sprout IT 2023

On 9 September 2023, iTELF, the Entrepreneurial cell of Symbiosis Centre for Information Technology, organized its annual flagship event, Sprout IT, with all pomp and circumstance. This year's theme was "The Innovation Oasis" about embracing the essence of creativity and exploring how the business titans are disrupting industries and shaping the future. As the clock struck 9:40, the gates to the auditorium were opened, and students eagerly filled the seats, ready to absorb the words of knowledge about to be shared in the first and arguably most important event of the day, i.e., the panel discussion.

Connectopia: G20's Digital Renaissance-Corporate Charcha 2023

SCIT has conducted Corporate Charcha on the theme "Contextualising Information Technology in the G20 Discussions-Connectopia: G20's Digital Renaissance" in August 2023. Industry experts shared their views on sustainable IT, especially in the context of emerging technologies and cyber security perspectives.

Industry experts Archana Joshi, Nikhil Mahadeshwar, Rajeev John, and Aakash Ahuja actively participated in the discourse.

The session had highlighted the significance of sustainability and strategizing it.

Harmony Symposium

The Harmony Symposium Nurturing: Positivity and Progression event conducted by the Institutional Social Responsibility (ISR) Committee of SCIT (Symbiosis Centre for Information Technology) is an event where we embrace diversity and try to foster harmony among everyone. It provided a stage for the participants as well as the panellists to share their diverse thoughts with enthusiasm, shared wisdom, and a commitment to building a brighter future.

The SCIT ISR Committee on 2nd December 2023 organized the Harmony Symposium Nurturing: Positivity and Progression event is to promote respect and tolerance among the people to celebrate the diversity our society has, with positivity and progression in their minds. The inspiring life stories of the panelists inspired the participants immensely.

CSAM 2023 – 30 Sept. 2023

This year's CSAM theme Privacy Unplugged aims to convey the importance of safeguarding our privacy, as our lives become increasingly intertwined with the digital realm.

"Privacy Unplugged" is not just a theme, it's a call to action. It's a call to unplug from the illusion of absolute digital anonymity and plug into the reality of proactive privacy protection. Our speakers, experts in the field, delved into the intricacies of cybersecurity, guiding us through the latest threats, vulnerabilities, and innovative solutions. We uncovered the true cost of privacy breaches and discovered the tools and strategies necessary to fortify our digital lives. Together, we explored the delicate balance between convenience and security, recognizing that in this interconnected world, privacy is not a luxury but a fundamental human right. This enlightening journey, shed light on the path to privacy in an increasingly interconnected and digitized world.

DATTANSH – 25 Jan. 2024

Symbiosis Centre for Information Technology (SCIT) is a premier IT-B School offering a two-year full-time MBA in Information Technology Business Management (ITBM) and an MBA in Data Sciences and Data Analytics (DS&DA). Each year, we host Dattansh - An Annual Analytics Conclave that explores emerging technologies and applications within the realm of Data Analytics. The Sixth Edition of Dattansh will be held on 25th January 2024 at SCIT.

The theme for the 6th edition of Dattansh is Data Meraki: Data is Soul. Meraki, a term denoting the act of doing something from the soul, with passion and creativity, serves as a fitting metaphor for our exploration into the world of data. In this age dominated by technology, we recognize that every facet of our existence is shaped by the profound insights and underlying patterns that manifest in data. In our context, we assert that “Data is soul.” Our theme, Data Meraki, casts a comprehensive light on the multifaceted aspects of the technology-driven landscape.

Integrity and Ethics Conclave 2023 – 16 Dec. 2023

The Symbiosis Centre for Information Technology’s Guest Lecture Committee is thrilled to host the 8th edition of the Integrity and Ethics Conclave. This year’s theme is “MetaMeld: Crafting the Tapestry of Tech and Humanity” with the goal of understanding the revolutionary technological trends impacting the future of the business environment and how they are changing business practices.

The theme of MetaMeld: Crafting the Tapestry of Tech and Humanity seeks to explore questions about the future of humanity and the role of technology in our society through the lens of four subthemes

Graffiti 2024 – 13 Jan. 202

Graffiti - The Annual Techno-Managerial Fest hosted by Symbiosis Centre for Information Technology. A two-day annual affair serving as a dynamic platform for students to showcase their talents and Innovate, Learn, and Explore, fostering a sense of empowerment and ensuring their efforts are celebrated. It's not just a festival; it's an alloyed effort where every individual, faculty, staff, committee, and student become an integral part of a larger narrative, contributing to the vibrant atmosphere of Graffiti.

Graffiti'2024 was hosted over the second weekend of January. The theme **"SYLVERA"** honors the beginning of SCIT's 25th year, which indicated a combination of techno-managerial skills and previous tech innovations and showed how to come forward with the tech advancements that have happened over time. Along with this, the theme's aim was to showcase the advancement and growth of Graffiti from its beginning. The motive behind organizing Graffiti'24 was to instill technical intelligence in tomorrow's managers, honing and shaping both aspects to better prepare them for the industry where knowledge and lucid communication are essential attributes of a techno-manager.

TEDx SIU Hinjawadi – 27 Jan. 2024

Aswattha Unfolds: Embracing Roots in Modern Skies

The captivating metaphor of "Aswattha: The Inverted Tree of Life," a TEDx event that unfolded like a symphony of diverse perspectives. The 10th edition of this event was organized under the mentorship of Apoorva Kulkarni. Dr. Vidya Yervadekar set the tone, weaving tales of gunas and sanskaras. Her message resonated: a strong foundation - family, education, unwavering support - is the bedrock of personal and professional growth. Dr. Ramakrishnan Raman echoed this, lamenting the "rat race" of modern education and urging a return to holistic learning, embracing peers, life experiences, and passions beyond exam scores.

Abhilash Bhardwaj then took us on a techno-spiritual journey, where robots serve nature and ethical AI mirrors the Aswattha's unyielding values. He envisioned a future rooted in villages, echoing Gandhi's wisdom, and reminded us that technology is merely a tool to reach our inherent humanity. Prachi Jain's talk blossomed with empathy, her designs inspired by the silent language of observation and the power of listening.

Graffiti'2024 was an incredible success, surpassing everyone's expectations and resulting in happy faces around the campus. SCIT has yet again maintained its streak of offering an extraordinary experience to the audience, setting the bar high with more love, hopes, excitement, engagement, and passion for next year.

Deeksharambh - Welcoming the batch 2024-26

June 12, 2024, marked an exciting beginning for the newest members of our academic community as the induction program for the 2024-26 cohort officially commenced. The event commenced with a warm and engaging welcome speech by Dr. Dhanya Pramod Director, SCIT. Renowned for her captivating storytelling, Dr. Dhanya welcomed the students to SCIT and prepared them for the journey ahead. She shared profound insights into the complexities of today's world, offering practical advice on navigating the challenges and seizing the opportunities that lie ahead.

Dr. Raman, Vice Chancellor at Symbiosis International (Deemed University), transitioned smoothly into his presentation, introducing himself and sharing his journey in the professional world. He talked about his own enthusiasm for his work, which immediately connected with the audience, and his orientation session seems to have left a significant impact on the students, emphasizing the importance of education, values, and personal development. The talk highlighted several key points like how reading opens doors to opportunities, enhances critical thinking, and contributes to personal growth. By sharing real-life examples of his students, Dr. Raman illustrated how education has positively impacted their lives. These examples likely inspired the students by showing them that education can lead to tangible achievements and personal growth.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS

Programme Fees For Master of Business Administration (Information Technology Business Management)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 750,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Business Administration (Data Science and Data Analytics)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 750,000
Institute Deposit (Refundable)	₹ 20,000

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Hinjewadi Campus only)	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	₹ 102,300
Four Sharing	₹ 77,600

Installment for For Master of Business Administration (Information Technology Business Management)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 375,000	₹ 375,000	₹ 375,000	₹ 375,000
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Hostel Deposit (Refundable)	₹ 20,000	-	-	-
Hostel Fees (Per Annum)	₹ 102,300	-	**	
Mess Fees (Per Annum)	₹ 52,000	₹ 52,000	**	**
Installment	₹ 569,300	₹ 427,000		
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

Installment for Master of Business Administration (Data Science and Data Analytics)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 375,000	₹ 375,000	₹ 375,000	₹ 375,000
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Hostel Deposit (Refundable)	₹ 20,000	-	-	-
Hostel Fees (Per Annum)	₹ 102,300	-	**	
Mess Fees (Per Annum)	₹ 52,000	₹ 52,000	**	**
Installment	₹ 569,300	₹ 427,000		
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year.

“Note:

ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2027 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum.”

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Business Administration (Information Technology Business Management)- M.B.A. (ITBM)

Semester: 1

Generic Core Courses

- Business Process Management
- Business Statistics
- Essentials of Marketing Management
- Financial Statement Analysis
- Information Risk Management
- IT Infrastructure Essentials
- Principles and Practices of Management
- Requirements Management
- Research Methodology
- Domain Study (BFSI)
- Integrated Disaster Management

Open Elective Course Group (Choose any two courses)

- Database and Application Security
- Platform and Network Security
- Data Management
- Machine learning
- Software Development Methodologies
- Business Process Integration in SAP S/4 HANA
- Business Model Innovations
- Digital Technology Transformation

Semester: 2

Generic Core Courses

- Basics of Financial Management
- Business Analytics
- Human Resource Management
- IT Infrastructure Library
- IT Strategy

- Project Management
- Strategic Management
- Managerial Economics
- Pilot Project
- Flexi-Credit Course
- Computing Tools
- Internet-of-Things
- IT Audit
- Immersive Technologies, Applications and Issues

Open Elective Course Group (Choose any two courses)

- GRC and Industry Standards
- Access Control and VAPT
- Financial Analytics
- Multivariate Data Analysis
- Application Portfolio Management
- Enterprise Architecture
- Digital Leadership
- Digital Transformation Frameworks

Semester: 3

Generic Core Courses

- Summer Internship
- Entrepreneurship
- IT Consulting
- Sustainability Standards - Application, Analysis and Reporting
- Industry 4.0
- Block Chain Technology
- Flexi-Credit Course
- Robotic Process Automation
- Business Process Mining

Open Elective Course Group (Choose any two courses)

- Computer Forensics - Detection and Prevention of IT

Frauds

- Resilience Management, BCP and CRM
- Cloud Security
- Social Media Analytics
- Big Data Analytics
- IT Products
- DevOps Services
- Data Privacy and Protection
- Digital Audit and Quality Control

Semester: 4

Generic Core Courses

- Corporate Governance and Ethics
- Data Visualization and Modeling
- Legal Aspects of IT Business
- Flexi-Credit Course
- Services Marketing

Open Elective Course Group (Choose any two courses)

- Cyber Intelligence
- IoT and Hardware Security
- HR Analytics
- Marketing Analytics
- Global IT Delivery Models
- Technology Management
- Total Experience Strategy
- Digital transformation in Health Care

Master of Business Administration (Data Sciences and Data Analytics)-M.B.A. (DS and DA)

Semester: 1

Generic Core Courses

- Basics of Financial Management
- Business Statistics
- Data Mining
- Data preparation and Data management
- Principles and Practices of Management
- Research Methodology
- Domain Study (Manufacturing and Logistics)
- Mathematics Foundation
- Operations Research and Optimization Techniques
- Integrated Disaster Management

Generic Elective Course Group (Choose any three courses)

- Advance Data Mining
- Cloud Computing
- Machine learning
- Text Analytics

Semester: 2

Generic Core Courses

- Advance data organization
- Advanced Business Statistics for Decision Making
- Data Visualization and Modeling

- Essentials of Marketing Management
- Predictive Analytics
- Strategic Management
- Managerial Economics
- Domain Study (BFSI)
- Financial Analytics
- Knowledge Graphs
-
- Open Elective Course Group (Choose any three courses)
- Artificial Intelligence
- Natural Language Processing
- Deep learning
- Cognitive Computing
- Big Data Analytics
- Software analytics
- Marketing Analytics

Semester: 3

Generic Core Courses

- Summer Internship
- Data Protection and Privacy
- Design Thinking
- Entrepreneurship
- Human Resource Management
- Domain Study (Retail)

Open Elective Course Group (Choose any three courses)

- Computer Vision
- Reinforcement Learning

- Human Computer Interaction
- Flexi-Credit Course
- Generative Adversarial Networks
- Fraud Detection Analytics
- Social Media and Web Analytics
- Supply chain and operations analytics
- Flexi-Credit Course
- Insurance Analytics

Semester: 4

Generic Core Courses

- Corporate Governance and Ethics
- Sustainability Standards - Application, Analysis and Reporting
- Flexi-Credit Course
- Capstone Project and Defence

Generic Elective Course Group (Choose any three courses)

- Cyber Security Analytics
- IoT analytics
- Customer analytics
- Energy analytics
- Healthcare analytics
- HR Analytics

Dr. Sammita Jagdish Jadhav
Director and Professor

Director Profile:

Dr. Sammita Jagdish Jadhav is a graduate from the prestigious B.J. Medical College, Pune securing top honours in Pathology. She completed her Masters in Medicine and has been awarded a Ph.D. in Healthcare Management from Symbiosis International (Deemed University) under the Faculty of Medical and Health Sciences. She has a vast experience of more than two decades in the Healthcare industry. Dr. Jadhav has contributed her expertise and added value to various Healthcare organizations, and Medical and Paramedical training institutes. She has been appointed as a resource person on the task force of the National Initiative of Allied Health Services (NIAHS), Ministry of Health and Family welfare, Government of India. She has a successful stint in the industry and leads the Healthcare Management, Public Health, Medical Technology and Mental Health departments as a Director of Symbiosis Institute of Health Sciences. Dr. Jadhav has contributed to the commissioning of the Symbiosis University Hospital and Research Centre, a 900 bedded hi-tech healthcare facility, and the Symbiosis Medical College for Women at Pune. Dr. Jadhav is a recognized Ph.D. Supervisor currently guiding 8 Ph.D. scholars. Her thrust on research has resulted in a number of research publications in National and International Journals indexed in Scopus and Web of Science journals, and her work on 'Clinico - pathological Co-relation in Dengue Fever: A case study of 200 adult patients', has won her the best paper award at the Mapcon Conference of the Indian Association of Pathologists and Microbiologists (I.A.P.M.). She serves on the elite Board of Studies, Faculty of Medical and Health Sciences, Board of Examination and the Academic Council at Symbiosis International (Deemed University); Board of Studies at KLE university and on the Research Advisory Committee of Dutta Meghe Institute of Higher Education & Research (DMIHER) (Deemed University) Wardha; contributing to the development of niche, innovative and socially relevant academic programs in healthcare management, allied healthcare, biomedical, paramedical and nursing disciplines. Dr. Jadhav has taken up leadership positions in Public Health advocacy, digitalization of the hospital processes, and contributed to promotion of Tele Health and online healthcare education. Known for her exceptional talents in creating collaborations, teambuilding abilities, communication skills and leadership qualities, she is popular amongst healthcare professionals, industry and the academia for her expertise in Healthcare Management, Clinical Research, Medical Technology, Public Health, Allied health education, Biosafety and Bioethics, Laboratory Management, Quality assurance and accreditation. Dr. Jadhav has been invited as key note speaker at various conferences, and has given talks at various fora including at NATHEALTH, MTal, AmRef, VIF, CII and FICCI. Dr. Jadhav has been consistently working for the internationalization of Indian universities and is currently the Regional Representative - Africa; working in areas of Allied health education and manpower training in Medical Technology in Africa countries; especially in Tanzania, Kenya, Rwanda, and Burundi. She has travelled widely to U.K., France, Germany, Italy, Netherlands,

Dubai, Oman, Singapore, Thailand, Austria, Belgium, Switzerland, Nepal and Srilanka as a result of her effort in Internationalization, education, skill training and Public Health initiatives.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS) has conceptualized & implemented unique, innovative, career-oriented programmes to raise a cadre of industry-ready healthcare professionals. A conducive ecosystem of SIHS comprising experienced faculty, Symbiosis University Hospital & Research Centre (SUHRC) and Symbiosis Arogya Dham nurtures the teaching learning process. At SIHS, we encourage a symbiosis of thought, word & action of all such professionals who would address diverse issue of health in its totality. SIHS emphasizes on equipping the healthcare professionals with the appropriate skill sets required to survive this age of fierce competition and specialization. The institute carries a legacy of more than 20 years in healthcare management education. In recognition of the significant contribution of SIHS in healthcare education, Symbiosis Institute of Health Sciences (SIHS) has been ranked No. 14 among India's top 50 Non-IIMs B-schools in the prestigious Academic Insights survey 2023. The multi-disciplinary faculty representing various disciplines of healthcare education are drawn from the academia and industry. Their diverse backgrounds and immense experience provide valuable insights making the pedagogy practice oriented. SIHS is equipped with the finest infrastructure, the institute adopts latest technology to facilitate student learning. The state of the art classrooms are equipped with interactive displays and inbuilt audio systems. SIHS also provides ample opportunities for students who wish to participate in co-curricular and extra-curricular activities. Its in-house cricket ground, swimming pool, basketball court, gym, yoga/fitness centre and indoor badminton courts give students a chance to participate in sports activities beyond academics.

Programme Profile:

- **Master in Business Administration (Hospital & Healthcare Management)**

The two-year full time Masters in Business Administration - Hospital & Healthcare Management, MBA (HHM) is a residential programme with electives in Pharmaceutical management, Healthcare IT and Healthcare Insurance. MBA (HHM) curriculum focuses on equipping students with the knowledge and skills required for the management of healthcare organizations such as Hospitals, Pharmaceuticals, IT, Insurance, Clinical research, Equipment manufacturing, Public healthcare establishments, Consultancies, NGOs, Wellness industry and the like. The programme aims at adopting a synergistic blend of academic knowledge and pragmatic orientation of the healthcare domain to create professionals with contemporary managerial techniques.

Programme Specialization

- Pharmaceutical Management
- Information Technology in Healthcare
- Health Insurance

The quality of education, excellent teaching facility and experiential learning at the attached Symbiosis University Hospital and Research Center (SUHRC) makes the MBA (HHM) at SIHS unique.

- **Symbiosis University Hospital & Research Centre (SUHRC)-**

Symbiosis University Hospital & Research Centre (SUHRC) is the hospital attached to the Symbiosis Medical College for Women (SMCW). SUHRC is currently a 900 bedded hospital and is located within the Symbiosis International University campus at Lavale, Pune.

- **Master of Science in Paramedical Technology**

As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever-expanding horizon of the health care sector demands formal training programmes in all its allied areas. The M.Sc. Paramedical Technology programme is designed by experts in the respective fields, keeping in mind the current need. M.Sc. Paramedical Technology programme is a synergistic blend of academic knowledge and practical intricacies to train potential technologists in performing a wide range of technologically advanced procedures in medical care. The complete holistic learning experience makes SIHS one of the best institutes providing training in M.Sc. Paramedical Technology. These students will be in a position to take up leadership roles and competently assist medical specialists, especially in high-tech medical procedures, to cater to the healthcare industry globally. The M.Sc. Paramedical Technology programme, two years full-time degree programme conducted by the SIHS. It is a unique skill and competency-oriented programme for budding technologists to provide in-depth knowledge in the specific modality of Paramedical Technology and prepare the students for prominent careers in hospitals, the healthcare industry, diagnostic laboratories and research centers.

Programme Specializations:

The programme offers specializations in the following areas: -

1. **Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.
2. **Respiratory Therapy Technology:** The Respiratory Therapist Technologist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.
3. **Dialysis Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.
4. **Medical Imaging Technology:** Medical Imaging Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.
5. **Medical Laboratory Technology:** Medical Laboratory Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory technologists perform a full range of laboratory tests, the information of which guides effective medical treatment.
6. **Operation Theatre and Anesthesia Technology:** The Operation Technologist is responsible for direct and indirect patient care, equipment set up, pre-operative, intra-operative & post-operative procedures.

- **Master of Public Health**

The curriculum of the Master of Public Health programme at Symbiosis International (Deemed University) is a mix of transdisciplinary courses to attain knowledge, competencies, skillsets, and values involving diverse and innovative pedagogies and instructional designs with an emphasis on problem-solving and case-based learning, empowering the Master of Public Health graduates for the 21st century.

The programme prepares professionals with the technical and managerial skills who strengthen the public health system. Further, it trains and develops a cadre of competent public health policy makers, managers, practitioners, educators, and researchers.

- **Master of Science (Assisted Reproduction Technology and Embryology)**

The scarcity of experienced embryologists with respect to the rising cases of infertility has created a high demand for such specialists. Infertility is still considered a weakness, rather than a disease across most of the country. Hence, the treatment requires a great deal of focus and empathy. In order to keep up with this demand we need well-trained and skilled embryologists. The objectives of the M.Sc. Assisted Reproduction Technology & Embryology programme are to develop skilled embryologists keeping them up-to-date with relevant technologies in the Assisted Reproductive Technology & Embryology field.

This M.Sc. Assisted Reproductive Technology & Embryology programme is a synergistic blend of academic knowledge and practical intricacies to train potential embryologists in performing a wide range of technologically advanced procedures in the embryology field. The complete holistic learning experience makes SIHS one of the best M.Sc. Assisted Reproductive Technology & Embryology colleges. These students will be in a position to take up leadership roles and competently assist fertility specialists, especially in high-tech assisted reproductive techniques, to cater to the healthcare industry globally. The M.Sc. Assisted Reproductive Technology & Embryology programme, two years full-time degree programme conducted by the SIHS, is a unique skill and competency-oriented programme for budding embryologists to provide in-depth knowledge in the specific modality of assisted reproduction technology and prepare the students for various key positions in IVF centers, the healthcare industry, and research centers.

Duration of the Programme :

- **Master in Business Administration
(Hospital & Healthcare Management)** : 2 Years, Full Time Residential programme
- **Master of Science in Paramedical Technology** : 2 Years, Full Time programme
- **Master of Public Health** : 2 Years, Full Time programme
- **Master of Science (Assisted Reproduction
Technology and Embryology)** : 2 Years, Full Time programme

Intake:

- **Master in Business Administration
(Hospital & Healthcare Management) : 120 Students**
- **Master of Science in Paramedical Technology : 30 Students**
- **Master of Public Health : 20 Students**
- **Master of Science (Assisted Reproduction
Technology and Embryology) : 30 Students**

Eligibility:

- **Master in Business Administration (Hospital & Healthcare Management)**

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

- **Master of Science in Paramedical Technology**

As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever expanding horizon of the health care sector demands formal training programmes in all its allied areas. The M.Sc. Paramedical Technology programme is designed by experts in the respective fields, keeping in mind the current need. M.Sc. - **Master of Public Health**

Graduate from any recognized University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes / Scheduled Tribes).

- **Master of Science (Assisted Reproduction Technology and Embryology)**

B.Sc degree in Life Sciences / Biology / Botany / Zoology / Biochemistry / Microbiology / Biotechnology / Basic Sciences/ Veterinary Sciences

OR Bachelors in Medicine / AYUSH (Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homeopathy) / Allied Healthcare / Medical Technology

OR equivalent as decided by competent authority from a recognized university/ Institution of National Importance.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process :

- **Master in Business Administration (Hospital & Healthcare Management)**

- A candidate aspiring to join an MBA (HHM) programme has to take the common, mandatory Symbiosis National Aptitude (SNAP) Computer Based Test (CBT), which will be conducted at Test Centres across India.
- Academic Profile Score will be computed on the basis of weights assigned to academic performance in 10th Std., 12th Std. Graduation and extracurricular.
- SNAP Test Score and Academic Profile Score will form the basis for short listing candidates for Group Exercise (GE), Personal Interaction (PI).

- **Master of Science in Paramedical Technology**

- **STEP I:** Online Registration on www.sih.edu.in
- **STEP II:** Entrance examination and Personal Interaction with shortlisted candidates.
- **STEP III:** Selection will be intimated to the candidate through email.
- **STEP IV:** Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

- **Master of Public Health**

- **STEP I:** Online Registration on www.sih.edu.in
- **STEP II:** Personal Interaction with shortlisted candidates.
- **STEP III:** Selection will be intimated to the candidate through email.
- **STEP IV:** Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

- **Master of Science (Assisted Reproduction Technology and Embryology)**

- **STEP I:** Online Registration on www.sih.edu.in
- **STEP II:** Entrance examination and Personal Interaction with shortlisted candidates.
- **STEP III:** Selection will be intimated to the candidate through email.
- **STEP IV:** Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

Important Dates:

- **Master in Business Administration (Hospital & Healthcare Management)**

Particular	Date

Orientation and Pedagogy:

- **Master in Business Administration (Hospital & Healthcare Management)**

The programme is structured to incorporate both didactic teaching approaches, such as classroom lectures, along with experiential learning at SUHRC (Symbiosis University Hospital and Research Centre) and similar institutions. The pedagogy for the programme encompasses a diverse range of instructional techniques, including lectures, case studies, business games, simulation exercises, role plays, group discussions, field visits, industry-based projects, and reflective thinking on the real-world problems and the learning process. The design of this programme takes into account the impact that each of these learning strategies has on shaping the cognitive development of young students. During the designated year of academic study, students are required to participate in a two-month Summer Internship Programme (SIP) within several areas of healthcare domains. These internships are conducted under the guidance and supervision of a faculty mentor. The course curriculum is enhanced by the inclusion of regular sessions conducted by distinguished guest lecturers, who provide valuable insights on current concerns within the healthcare industry. The integration of innovative pedagogical approaches and guest lectures delivered by industry professionals significantly contribute to the holistic development of the students, by academic curriculum which integrates acquisition of practical skills with theoretical knowledge.

- **Master of Science in Paramedical Technology**

The programme includes 2 years of rigorous 'Hands-On' development of skills and competencies in the hospital & the associated healthcare organizations. During the two years, the student undertake research in the specialization of choice under the guidance of mentor. The pedagogy includes synchronous & asynchronous mode of academic delivery, discussions, case studies and presentations, which will enhance the calibre of students and make them aware of international standards, latest developments and knowledge levels in their chosen modality of expertise. For practical "Hands-on" training, the training is conducted at Symbiosis University Hospital and Research Center (SUHRC). The students pursue Summer Internships and 'On-Job Training' (OJT) in the Healthcare Industry, Hospitals - Private & Government, Healthcare organizations, Medical Equipment companies, Diagnostic centres & services, Healthcare IT & Research Institutes, providing them with experiential learning exposure to the Healthcare Industry for better career growth.

Students have opportunities to attend conferences that focuses on professional and personal skill development.

Students are provided with optimal training in diverse opportunities like academics, research, industry, hospitals and entrepreneurship to hone their skills. They participate actively in co-curricular & extra-curricular activities that develops self-confidence and the ability to realize their full potential. Innovative pedagogy and didactic sessions contribute to the all-round personality development in addition to academic excellence and practical competencies.

- **Master of Public Health**

Master of Public Health programme leverages the advantage of 6 faculties at Symbiosis International University beyond the core Faculty of Health Sciences viz. Faculty of Humanities and Social Sciences, Faculty of Management, Faculty of Law, Faculty of Engineering, Faculty of Information Technology and Faculty of Media, Communication and Design.

Curriculum of the MPH programme at SIU is a mix of courses specific to each faculty to attain knowledge, competencies, and skill sets (including values) involving diverse and innovative pedagogies and instructional designs to develop a competency driven MPH programme with emphasis on problem solving, case-based learning which will help produce MPH graduates for the 21st century. One of the hallmarks of the programme is its research rigor & intensity. The emphasis would be to impart transformative learning. MPH has an important component of experiential learning where (SCOPE) Symbiosis Community Outreach Programme and Extension and (SUHRC) Symbiosis University Hospital and Research Centre facilities play a significant role.

- **Master of Science (Assisted Reproduction Technology and Embryology)**

The programme is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time in Symbiosis University Hospital and Research Centre (SUHRC), other hospitals, and Assisted Reproduction Technology (ART)/In-vitro Fertilization (IVF) centers in Pune city. The programme includes two years of rigorous 'hands-on' development of skills and competencies in the hospital & the associated healthcare organizations, under the mentorship of experienced healthcare professionals. The pedagogy includes synchronous & asynchronous modes of academic delivery, discussions, case studies, and presentations, which will enhance the caliber of students and make them aware of international standards, the latest developments, and knowledge levels in their chosen modality of expertise.

During the two years, the student will be undertaking research of their choice under the mentor's guidance. As part of the audit course titled "Research Publication," each student is mentored for research, which aids in the development of their research skills. Students have opportunities to attend conferences focusing on their professional and personal skill development. Students are provided with optimal training to have their skills for diverse opportunities like academics, research, industry, hospitals & entrepreneurship, etc. They participate actively in co-curricular & extra-curricular activities that develops their self-confidence and the ability to realize their full potential.

The students also pursue Summer Internship, and 'On-Job Training' (OJT) in the Healthcare Industry, Hospitals - Private & Government, IVF clinics, Medical Equipment companies, & Research Institutes, providing them with direct exposure to the Healthcare Industry for better career growth. Eminent guest faculty further enrich the course content. Innovative pedagogy methods and sessions contribute to the all-around personality development in addition to academic excellence and practical competencies.

Dr. Jignesh Shah, Consultant Intensivist, Bharti Hospital and Mr. Prashant Korachagao, Manager, Nihon Codon, Pune discussed on the new Diagnostic and Management Techniques in Respiratory Therapy Technology.

Dr. Vaibhav Patil, Cardiologist, Bharti Hospital, Pune and Mr. Nikhilraj Arshid, MRI Radiographer, Star Imaging Centre Pune delivered talks on the recent advances in Cardiac Magnetic Resonance Imaging field.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS

Programme Fees For Master of Business Administration (Hospital & Healthcare Management)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 598,500
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science in Paramedical Technology	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 220,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Public Health	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 262,500
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Assisted Reproduction Technology & Embryology)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 280,500
Institute Deposit (Refundable)	₹ 20,000

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Medical Campus Only)	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Business Administration (Hospital and Healthcare Management)

Semester: 1

Generic Core Courses

- Biostatistics and Basic Epidemiology
- Business Communication
- Entrepreneurship
- Financial Accounting
- Fundamentals of Hospital Planning and Engineering Issues
- Human Resource Management
- IT Applications for Healthcare
- Materials Management
- Organizational Behaviour
- Planning and Management of Hospital Clinical Services
- Planning and Management of Hospital Supportive Services
- Principles and Practices of Management
- Research Methodology
- Advanced Excel
- Creativity and Innovation

Semester: 2

Generic Core Courses

- An Overview of Health Insurance
- An Overview of Pharmaceutical Sector
- Business Statistics
- Essentials of Marketing Management
- Health Regulatory Environment
- Management Accounting
- MIS for Hospitals
- Quality and Accreditation in Healthcare Sector
- Study Report : Public health

Sector Undertakings /
Healthcare Govt. agencies

- Conceptualization and Management of Events - I
- Operations Research
- Health and Wellness Module I
- Health and Wellness Module II

Generic Elective Course Group (Choose any one course)

- An Overview of Clinical Research
- Writing a Research Proposal: RM III

Semester: 3

Generic Core Courses

- Summer Internship Programme
- Business Analytics
- Community Health
- Conceptualization and Management of Events - II
- Health Economics
- Introduction to Financial Management
- Operations Research
- Organisation and Administration of Super Speciality Hospitals
- Project Management
- Service Operations Management
- Strategic Management
- Talent Management
- National Health Programme

Generic Elective Course Group

- Healthcare Insurance -1
- Healthcare IT-1

- Pharmaceutical Management 1
- Business Modeling and Planning
- Information Technology and Intellectual Property
- Introduction to Business Intelligence

Semester : 4

Generic Core Courses

- Corporate Governance and Ethics
- Dissertation
- Industrial Regulatory Environment
- Emerging Trends in Healthcare Sector
- Global Health Systems
- Non Profit Sector in Healthcare

Generic Elective Course Group - I (Choose any one course)

- Basic French I
- Basic German I

Generic Elective Courses Group - II

(Choose any one course)

- Healthcare Insurance 2
- Healthcare IT-2
- Pharmaceutical Management 2

Master of Science in Paramedical Technology

Semester I

Generic Core Courses

- Biostatistics & Basic Epidemiology
- Research Methodology
- Teaching Methodology - I

Generic Elective Course Group (Choose any one course)

- IT Applications for Allied Health Care
- Medical Physics
- Research Proposal Writing

Specialization Core Courses:

Cardiac Care

- Cardiology Basics and Chest Roentgenogram
- Etiopathogenesis of Heart Disease
- Electro-Physiology, ECG and Stress Test Technique
- Development of Cardiovascular System and Circulation (Fetal, Neonatal & Adult)

Specialization Core Courses:

Respiratory Therapy

- Advanced Respiratory Therapy-I
- Cardiopulmonary Diseases
- Basic Sciences (Anatomy and Physiology)
- Cardiopulmonary Pharmacology

Specialization Core Courses:

Imaging Sciences

- Imaging Equipment (I) -X-Ray and Mammography
- Radiation Physics and Protection
- Radiographic Photography
- Applied Physics in Medical Imaging

Specialization Core Courses:

Clinical Laboratory

- Systemic Bacteriology
- Biochemistry
- Clinical Pathology

- Parasitology

Specialization Core Courses: Dialysis and Renal Technology

- Aetio-Pathology of Renal Disease
- Renal Pharmacology
- Water Treatment
- Renal Anatomy and Physiology

Specialization Core Courses:

Operation Theatre and Anaesthesia Technology

- Anesthetic Fitness Criteria and Pre Surgery Checklist
- Infection Control in Operation Theatre
- Pre-Anesthetic Patient Assessment
- Patient Preparation
- Pre-Operative Patient Investigation

Semester II

Generic Core Courses

- Review of Literature
- Business Statistics
- Pathology and Case Presentation-I
- Principles and Practices of Management
- Teaching Methodology -II
- Integrated Disaster Management

Generic Elective Course Group (Choose any one course)

- Computer Language
- Emerging Trends in Allied Health Care

Specialization Core Courses:

Cardiac Care

- Clinical Cardiology
- Echocardiography and Peripheral Doppler - I
- Biomedical Instrumentation in Cardiac Care

Specialization Core Courses:

Respiratory Therapy

- Advanced Respiratory Therapy-II
- Critical Care Medicine-I
- Biomedical Instrumentation in Respiratory Therapy

Specialization Core Courses:

Imaging Sciences

- Image Interpretation (X-Ray and Mammography)
- Imaging Equipment (II)- Computed Tomography (CT)
- Imaging Equipment and Techniques in Ultrasonography (USG)
- Techniques in X-Ray and Mammography

Specialization Core Courses:

Clinical Laboratory

- Clinical Haematology
- Diagnostic Microbiology
- Instrumentation in Clinical Laboratory

Specialization Core Courses:

Dialysis and Renal Technology

- Clinical Nephrology
- Theory and Principles of Haemodialysis
- Dialysis Equipment

Specialization Core Courses:

Operation Theatre and Anaesthesia Technology

- Safety Measures in Operation Theatre
- Techniques in Anaesthesia
- Anesthetic Agents
- Biomedical Instrumentation in OT and Anaesthesia

Semester III

Generic Core Courses

- Pathology and Case Presentation -II
- Summer Internship
- Hospital Information System

- Teaching Methodology -III

**Generic Elective Course Group
(Choose any one course)**

- Community Project
- Innovation and Entrepreneurship

**Specialization Core Courses:
Cardiac Care**

- Cardiac Catheterization
- Cardiac Pacemakers and Cardioverter Defibrillators
- Echocardiography and Peripheral Doppler-II
- Applied Management in Cardiac Care Unit

**Specialization Core Courses:
Respiratory Therapy**

- Critical Care Medicine-II
- Advanced Respiratory Therapy-III
- Applied Management in Respiratory Therapy Unit
- Cardiopulmonary Rehabilitation
- Emergency Medical Services-I

**Specialization Core Courses:
Imaging Sciences**

- Techniques in Magnetic Resonance Imaging (MRI)
- Applied Management in Radiology Unit
- Cross-Sectional Anatomy (CT, MRI)
- Imaging Equipment (III)-Magnetic Resonance Imaging (MRI)
- Techniques in Computed Tomography (CT)

**Specialization Core Courses:
Clinical Laboratory**

- Blood Banking

- Clinical Biochemistry
- Virology and Mycology
- Applied Management in Clinical Laboratory

**Specialization Core Courses:
Dialysis and Renal Technology**

- Investigations in Renal Diseases
- Patient Care in Renal Technology
- Theory and Principles of Peritoneal Dialysis
- Applied Management in Renal Care Unit

**Specialization Core Courses:
Operation Theatre and
Anaesthesia Technology**

- Procedures in Thoracic and Cardiac OT
- Applied Management in OT and Anaesthesia Unit
- Procedures in Abdomen, Obstetric, Gynaecology and Urology (OBGY & URO)OT
- Procedures in Ear, Nose, Throat (ENT), Ophthalmic and Paediatric OT
- Procedures on Neuro OT

**Semester IV
Generic Core Courses**

- Pathology and Case PresentationIII
- Telemedicine Technology
- Teaching Methodology -IV
- Dissertation
- On Job Training

**Specialization Core Courses:
Cardiac Care**

- Intensive Cardiac Care Unit (ICCU) and Cardiopulmonary Resuscitation (CPR)
- Peripheral Catheterization

- Quality Assurance, Standardization and Accreditation (Cardiac Care)
- Recent Advances in Cardiology

**Specialization Core Courses:
Respiratory Therapy**

- **Emergency** Medical Services-II
- Neonatal and Pediatric Respiratory Care
- Critical Care Medicine-III
- Quality Assurance, Standardization and Accreditation (Respiratory Therapy)

**Specialization Core Courses:
Imaging Sciences**

- Advances in Medical Imaging
- Calibration and Quality Control in Computerized Tomography (CT) & Magnetic Resonance Imaging (MRI)
- Picture Archiving and Communications System (PACS) and Radiology Information System (RIS) & Teleradiology
- Quality Assurance, Standardization and Accreditation (Imaging Sciences)
- Special Investigations and Techniques

**Specialization Core Courses:
Clinical Laboratory**

- Cytology
- Histopathology
- Immunology
- Newer Diagnostic Techniques
- Quality Assurance, Standardization and Accreditation (Clinical Laboratory)

**Specialization Core Courses:
Dialysis and Renal Technology**

- Recent Advances in Renal Technology
- Theory and Principles of other Renal Procedures
- Quality Assurance, Standardization and

Accreditation (Dialysis and Renal Technology)

**Specialization Core Courses:
Operation Theatre and Anaesthesia Technology**

- Critical Care Services
- Procedures in Orthopedic and

- Trauma Care
- Quality Assurance, Standardization and Accreditation (OT and Anaesthesia)
- Recovery Room and Day Care
- Transfusion and IV Therapy

Master of Public Health

Semester: 1

Generic Core Courses

- Environmental Health
- Occupational Health
- Research Methodology
- Epidemiology-I
- Introduction to Public Health
- Biostatistics for Public Health - I
- Society, Culture and Health

- Corporate Social Responsibility
- Introduction to Entrepreneurship
- Integrated Disaster Management

Semester: 4

Generic Core Courses

- Dissertation
- Project
- Hospital Management
- Global Health Diplomacy
- Flexi-Credit Course

Semester: 2

Generic Core Courses

- Communicable Diseases
- Non-Communicable Diseases
- Biostatistics for Public Health- II
- Epidemiology-II
- Medical Anthropology and Bioethics
- Project Management
- Non Profit Sector in Healthcare

Semester : 3

Generic Core Courses

- Summer Internship Programme
- Applied Field Research Methods in Epidemiology
- Maternal and Child Health (MCH)
- Public Health Information Systems
- Public Health Nutrition
- Demography and Vital Statistics
- Health Policies for Public Health and Medical Care
- Mass Communication Theories and Practices

(Choose any one course)

Generic Elective Course Group

- Health GIS
- Leadership and Capacity Building
- Designed and Developed by InTech Solutions

***Courses are subject to change**

Medical Technology students attending training at Simulation Skill Stations

Master of Science (Assisted Reproduction Technology and Embryology)

Semester: 1

Generic Core Courses

- Reproductive Anatomy and Physiology
- Biochemistry
- Cell and Molecular Biology
- Reproductive Disorders
- Biostatistics and Basic Epidemiology
- Research Methodology
- Semenology Techniques-I

Generic Elective Courses Group (Choose any one course)

- IT Applications for Allied Health Care
- Medical Physics
- Research Proposal Writing

Semester: 2

Generic Core Courses

- Review of Literature
- Developmental Biology
- Instrumentation in Assisted Reproduction (ART) and Embryology
- Business Statistics
- Pathology and Case Presentation-I
- Principles and Practices of

Management

- Semenology Techniques- II
- Nutrition and Fertility
- Pharmacology in Gynaecological Disorders
- Health and Wellness Module I

Generic Elective Course Group (Choose any one course)

- Computer Language
- Emerging Trends in Allied Health Care

Semester: 3

Generic Core Courses

- Semen Washing Techniques
- Cytogenetics
- Procedures used in Assisted Reproduction Technology
- Pathology and Case Presentation-II
- Teaching Methodology - I
- Applied Management in Embryology Clinic
- Follicle Monitoring and Stimulation Protocols
- Summer Internship
- Health and Wellness Module II

Generic Elective Courses Group (Choose any one course)

- Innovation and Entrepreneurship
- Community Project

Semester : 4

Generic Core Courses

- Counselling in infertility
- Dissertation
- Ethics, Legal Aspects in Assisted Reproduction (ART) and Embryology
- On Job Training
- Pathology and Case Presentation-III
- Quality Assurance, Standardization and Accreditation (Assisted Reproduction and Embryology)
- Recent advances in Assisted Reproduction (ART) and Embryology
- Telemedicine Technology

*** Courses are Subject to change**

Dr. Nayana Nimkar
Director

Director Profile:

Dr. Nayana Nimkar is currently the Director at Symbiosis School of Sports Sciences at Symbiosis International University Pune. She holds a Doctorate in Physical Education from Mumbai University and has previously worked as a PhD Guide with Savitribai Phule University of Pune (SPPU). She holds three master's degrees from Pune University in (M.Ed.) Education, (M.Ed.) Physical Education and (M.Phil.) Education. She has also completed 5 credits from Springfield University Massachusetts, in the USA (1981) in 'Psychology of Sports' (under the MS Sports Program).

She has represented the state in several sports at various reputable levels in her earlier times. She has worked on several National committees like the Steering Committee for Sports of the 11th and 12th Planning Commission of the Government of India, she has also worked for NAAC (National Assessment and Accreditation Council) and NCTE (National Council for Teacher Education) as a peer committee member. She has represented India on professional bodies like ACESS (Asian Council for exercise and Sports Science) and NAFESS (National Association for Physical Education and Sport Sciences). She has been a keynote speaker in several conferences and has several publications to her credit.

Her academic and administrative experience is of 48 years, which started with Maharashtra Mandal's Chandrasekhar Agashe College in Pune, which she headed for 20+ years. She also held prestigious positions as Director, Board of College and University Development (SPPU) and as founder HOD of the Department of Physical Education (SPPU) where she was awarded the Best Principal's award.

When asked about the source of her energy and enthusiasm, she says "...making fitness and physical education a part of the routine of a common man is my real source of inspiration and my relentless drive towards excellence". This is so much in consonance with the 'Fit India Movement', which was launched a couple of years back by our Prime Minister. The urge to contribute to the field of sports, be it sports management, sports science, sports technology or making sports available for the not-so-privileged is what drives Dr. Nayana Nimkar to run the Symbiosis School of Sports Sciences with the ultimate zeal and definitive purpose.

Institute Profile:

Symbiosis has embarked into a niche area, that of Sports Sciences by establishing the Symbiosis School of Sports Sciences (SSSS) in 2016. SSSS offers a two years full-time MBA programme in Sports Management, the options being specialization in Sports Marketing, Event Management (Sports) and Sports Technology. The objective of Symbiosis School of Sports Sciences is to impart skills and knowledge to create future managers, leaders and entrepreneurs in the Sports Industry. To date, it has already created a force of managers and leaders ready to

take on leading positions in the sporting industry and many of them are making their way wonderfully through this upcoming industry.

The main reasons for so many success stories of students from SSSS within such short span of time are the multitude of unique activities conducted by SSSS which are the key differentiators between SSSS and other education institutions, which include the following –

- **SSSS Sports Science Conference:** This has been conducted every year since the inception of the institute, the main objective of which is to provide a platform for students to interact with the stalwarts of the sports industry, exposure to recent scientific research and developments and a solid networking platform for students, faculties and management of the institute.
- **Global Immersion Program:** SSSS has collaborated with premier global sports management institutes to provide global exposure to SSSS students in the field of sports through education and peer interaction. Developed countries are ahead of the Indian curve in the field of sports and this global exposure creates a certain level of awareness of best global practices in the sports industry to the budding managers at SSSS.
- **World Football Summit, Spain:** SSSS has in the past facilitated their students to attend the World Football Summit held in Spain to not only give a true fan moment to the football follower but also help them provide a glimpse at the economics behind the operation of such a global summit, to explore new sports ventures and startups, the sporting culture and the consumer behaviour of a hardcore sporting fan of a developed nation like Spain.
- **Collaboration with Global Sports Wearable Technology Provider:** SSSS has tied up with the topmost technology provider of sports wearable technology which provides a real-time generation of player performance data to the analysts, who can then understand the effectiveness of data-based decision-making instead of traditional/biased methods.
- **Prestigious Internships:** SSSS has been able to provide its students work experience in the form of internships at the best places in the sports industry like Khelo India, Sports Authority of India, Under-19 FIFA World Cup, Sports Interactive et al to learn and enhance their practical knowledge and provide them insights into the qualities and skill sets required in addition to the knowledge to be an effective contributor to the sports world.
- **Social Responsibility Initiatives:** Sports in India is still at a nascent stage and a lot of grassroot development initiatives are required to bring to surface the talent in the country. Many times in the past such talent has come to the forefront from the humble backgrounds of small villages. SSSS understands the importance and potential of this and thus encourages its students to conduct projects in nearby villages to help and create awareness about sports and also provide sporting facilities for encouraging local talent to greater heights.
- **Other initiatives:** Apart from the above SSSS also conducts Sporting Events at University level, Mock Auctions and Business Plan Competitions to prepare the students not just for sports but in general develop an all-round management perspective and personality of the students over a period of two years, to take on the top-most jobs or even to be smart, tech-savvy and dynamic entrepreneurs for the coming times.

- **Internationalization:** SSSS promotes the sharing of academic and research best practices through interactions with diverse education systems. The school conducts Master Classes by Leeds Beckett University which is the leading University in the field of Sport in UK. The exchange of ideas and knowledge acquisition help the students develop into global citizens.

- **Industry Connect:** SSSS regularly conducts sessions by the stalwarts in the sports industry who share their experiences on the global sports ecosystem, discuss new opportunities and innovations that are improving data collection, fan experience, and athletic performance and training. Apart from this, SSSS also invites alumni to interact with the students and share their learnings in the industry.

Programme Profile:

- **Master of Business Administration (Sports Management)**

Specializations – Sports Marketing, Event Management in Sports, Technology in Sports

Duration of the Programme:

- **Master of Business Administration (Sports Management) : 2 Years, Full Time, Residential programme**

Intake:

- **Master of Business Administration (Sports Management) : 60 Students**

Eligibility:

Graduate from any recognised University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

- **Symbiosis National Aptitude Test (SNAP) and Group Exercise (GE)+ Personal Interview (PI)**

Important Dates:

Particular	Date
SNAP 2024 Registration Commences on	August 05,2024 (Monday)
SNAP 2024 Registration and Payment closes on	November 22, 2024 (Friday)
Admit Card	December 02, 2024 (Monday) for SNAP Test 1
	December 09,2024 (Monday) for SNAP Test 02
	December 15, 2024 (Sunday) for SNAP Test 03
SNAP Computer Base Test (CBT) 2024	December 08, 2024 (Sunday)
	December 15, 2024 (Sunday)
	December 21, 2024 (Saturday)
Announcement of Result	January 08, 2025 (Wednesday)
Last date of Online registration For Institute	January 15, 2025 (Monday)
Last Date of payment of Registration fees For Institute	January 15, 2025 (Wednesday)
Announcement of Shortlist for Group Exercise and Personal Interaction	January 21, 2025 (Tuesday)
Group Exercise and Personal Interaction	15th & 16th Feb 2025 (Saturday & Sunday)
Announcement of First Merit list	7th March 2025 (Friday)
Last date for payment of fees for candidates in the First Merit List	28th March 2025 (Tuesday)
First Merit List	8th April 2025 (Tuesday)
Commencement of programme	3rd June 2025 (Tuesday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.ssss.edu.in

Orientation and Pedagogy:

At SSSS, we help our students learn how to learn and to think critically about both content and process. For teaching and learning to be relevant and effective, we focus on learning instead of teaching, on the process of learning rather than its product. Further, we include relevant industry experience, and involve participation in the practices of the community of sport management.

Industry immersed faculty expose students to contemporary issues in sport management and allows them to debate and critically examine existing practices within the sports industry. The methods include case studies, simulation exercises, class room presentations, Group discussions, Seminars and experiential learning for developing real-world skills such as critical thinking and analysis. The curriculum is progressive and continuously evolving, and provides the structure for the provision of quality learning, it comprises of high quality, relevant and appropriate 'content' and contributes to the development of competence if the students.

- (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum.”

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Business Administration (Sports Management)

Semester: 1

Generic Core Courses

- Sports Economics
- Principles and Practices of Management
- Research Methodology
- Introduction to Sports Management
- Sports Development and Governance
- Financial Accounting for Sports Industry
- Introduction to Sports Technology
- Sports Marketing
- Event Management
- Advanced Excel
- Soft Skills
- Human Resource Management
- Financial Management in Sports Industry
- Management of Operations

Semester: 2

Generic Core Courses

- Business Statistics
- Project Management
- Sports Analytics
- Social Responsibility Project
- Organizational Behaviour
- Media Management in Sports
- Legal Aspects of Sports
- Business Communication
- Introduction to The Olympics
- Talent Management
- Basics of Retail Marketing
- Integrated Disaster Management

Specialization Core Courses:

Event Management in Sports

- Event Planning Process
- Event Management in Team Sports

Specialization Core Courses:

Sports Marketing

- Consumer Behaviour
- Digital Marketing

Specialization Core Courses:

Technology in Sports

- Technology in Sportswear and Performance Apparel
- Application of Sports Analytics

Semester: 3

Generic Core Courses

- Summer Internship
- Sports and Fitness Management
- Business Analytics for Marketing
- Flexi-Credit Course
- Innovation and Entrepreneurship in India
- Sports Equipment and Facility Management
- Artificial Intelligence for Sports
- Project

Generic Elective Courses Group

- I

- Talent Management and Scouting in Football
- Management of Football

Generic Elective Courses Group

- II

- Talent Management and Scouting in Cricket
- Management of Cricket

Generic Elective Courses Group

- III

- Talent Management and Scouting in Racquet Sports
- Management of Racquet Sport

• Generic Elective Courses Group - IV

- Talent Management and Scouting in Basketball and Volleyball
- Management of Basketball and Volleyball

Specialization Core Courses:

Event Management in Sports

- Event Implementation
- Sports Event Sponsorship
- Flexi-Credit Course

Specialization Core Courses:

Sports Marketing

- Marketing Strategy
- Services Marketing
- Flexi-Credit Course

Specialization Core Courses:

Technology in Sports

- Application of Technology in Sports
- Management of E-sports and Gaming
- Smart Sports Technology

Semester: 4

Generic Core Courses

- Dissertation
- Brand Management and Sponsorship in Sports
- Strategic Management
- Flexi-Credit Course
- Fan Engagement

Specialization Core Courses:

Event Management in Sports

- Event Marketing and communication

Specialization Core Courses:

Sports Marketing

- Flexi-Credit Course

Specialization Core Courses:

Technology in Sports

- Advanced Technology in Sports

*** Courses are subject to change**

Director

Director Profile:

Dr. Ruchi Kher Jaggi is Professor and Director of Symbiosis Institute of Media and Communication, and Dean of the Faculty of Media and Communication, Symbiosis International (Deemed University), Pune, India. She completed her PhD at the Department of Media & Communication Studies, University of Pune. She has completed her post-graduation in Mass Communication from Panjab University, Chandigarh and is also UGC-NET qualified. She has been working in higher education for two decades now. Her research interests include media representations, popular culture analysis, media and children, television studies, journalism studies, media literacy, streaming platforms and emerging discourses of identity on the new media. Her research has been presented at national and international communication conferences and published in peer-reviewed international journals. She was awarded the SPARC research grant by the Ministry of Education, Govt. of India where she is working on a project in collaboration with University of Western Ontario, Canada. Dr. Jaggi is also a recipient of a research grant on a project on Interactive Documentaries in partnership with Salisbury University, Maryland, USA under USIEF's U.S.-India 21st Century Knowledge Initiative awards from September 2018 to August 2020. She has also been awarded the 'Woman Leadership Award' in 2017 and 2019, respectively. She has significant international experience having travelled for academic conferences and projects to different countries besides being the resource person on media studies for many international students who pursue short courses as part of the international student exchange programme at Symbiosis International (Deemed University), Pune.

Institute Profile:

Established in 1990, originally as the Symbiosis Institute of Journalism & Communication (SIJC), the Institute was renamed in 1998 as the Symbiosis Institute of Mass Communication (SIMC) to broaden the realm of media training beyond Journalism, keeping in step with the present industry requirements. Year 2007 recognized the industry's diversely evolving needs and the Institute was finally re-christened as Symbiosis Institute of Media and Communication.

SIMC is ranked among the top media and communication colleges in the country, offering courses in MA - Journalism and Media Industries, MA - Film, Television and digital production and MBA (Communication Management). For 30 years, SIMC, through its holistic pedagogy, has honed the unique talents of generations of students, who have been taking the media and communication industry to greater heights.

SIMC's MBA programme, which offers courses in marketing, advertising, market research and digital communication as common subjects, provides the students choice of selecting major and minor specializations from the four specializations of Brand Communication, Media Management, Public Relations and Marketing & Media Analytics.

SIMC's MA programme has undergone a change this year, with two new MA programmes which offers a diverse set of courses pertaining to the media industry. They are as follows:

MA- Journalism and Media Industries

MA- Film, Television and Digital Production

Symbiosis Institute of Media and Communication is India's top ranked media school with a legacy that spans more than three decades.

It houses state-of-the-art Symbiosis Studios which serve as practical working spaces for the media students as well as attract film industry professionals for their projects. SIMC's alumni lead the media industry both in India and globally, and are the recipients of prestigious awards including an Oscar in 2023.

In June 2024, Symbiosis Institute of Media and Communication (SIMC) was ranked the 3rd Best Media College in India by 'India Today Rankings' 2024.

Additionally, Symbiosis Institute of Media and Communication (SIMC) has been ranked the 4th Best Mass Communication Institute All India by 'The Week Magazine' in 2024.

Symbiosis Institute of Media and Communication, Symbiosis International (Deemed University) {SIU} launched the Symbiosis Film Festival (SFF) to provide a platform for budding filmmakers to showcase their cinematic craft. The two-day inaugural edition of SFF 2024 celebrated the art of filmmaking, with a special focus on screenwriting. SFF-2024 held at SIU's Lavale and Viman Nagar campuses, SFF-2024 brought together a mélange of industry experts and young filmmakers for a first-of-its-kind film festival in India.

The Symbiosis Film Festival was inaugurated by Shri Amitabh Bachchan, eminent actor and Professor Emeritus, Faculty of Media and Communication, SIU

Orientation and Pedagogy

Master in Business Administration (Communication Management) –MBA(CM)

SIMC endeavors to create capable and qualified media professionals to suit the dynamism of the media and communications business with its Masters in Business Administration course. The business is continuously evolving and to ensure our students are well versed to excel in this dynamic world, classroom sessions are aided by live case studies. The students are constantly encouraged to engage themselves in industry projects.

The institute attempts to keep pace with the times through an evolving programme structure. The courses and the content therein are constantly updated to ensure contemporariness. This is done through a regular system of feedback from internal as well as industry stakeholders and mentors. The syllabus now includes courses in upcoming platforms, the latest technologies and innovations, and their relation with the business of media and communications. The now, almost ubiquitous, digital is embedded in almost every course across the specializations viz., Brand Communication, Public Relations, Media Management, and Marketing & Media Analytics.

The dynamics of the industry and evolving job descriptions have encouraged SIMC to offer a host of common courses to all students spanning the various facets of the business. Additionally, from the batch of 2021-23, the specializations are being offered as major and minor to broaden the scope of learning for students and enable them to become well-rounded professionals.

For a more holistic grounding, students are encouraged to develop a research mindset under the guidance of experts who elaborate on research and its advancements in specialized domains.

Senior industry professionals and SIMC's alumni form a key part of SIMC's pedagogy. They are involved not only in feedback and up-gradation of the course, but also take courses, mentor students and share their knowledge through seminars and symposia.

All in all, with an experienced faculty pool, rich infrastructure and industry interaction, the delivery of the media communication courses is crisp and well defined providing a foundational and experiential knowledge of the media industry.

Master of Arts - Journalism and Media industries

The new programme is designed acknowledging the changing practice of journalism and emerging career avenues. It offers several theory and practice-based courses catering to journalism and media industries. It further offers three options for a 'minor' stack of subjects of choice.

- **Media Practice**
- **Media Business**
- **Media Research**

Master of Arts - Film, Television and Digital Production

The new programme acknowledges the changing nature of audio-visual production and offers an expansive knowledge of its contemporary practice. It further offers three options for a 'minor' stack of subjects of choice

- **Branded Content**
- **Film Making**
- **Television Production**

For both the MA programmes, the classroom lectures will be aptly complemented with live

workshops, projects and internships, keeping in line with the hands-on nature of the courses. The evaluations are also tuned to reflect the same with projects and jury based exams. Senior industry professionals and SIMC's alumni form a key part of SIMC's pedagogy. Dr. Sonopant G. Joshi
Director

Director Profile:

Dr. Sonopant G Joshi has Graduated from the prestigious Institute of Nursing Education, J J Hospital, Mumbai, he has two PG Degrees in Nursing and in disaster management and Ph.D. in management. He is presently working as Professor & HoD Community Health Nursing at Symbiosis College of Nursing, Pune. He has a vast Teaching, Research and Administrative experience. He has written chapters in book published by IGI global publication. He has written book titled 'Disaster Management for Health Care Professionals', which is popular among Nursing and Management students. He has published 35 research papers in various National and International Journals of high repute among these his 20 papers are in SCOPUS indexed journals and 3 papers in Web of sciences indexed journals. Considering his research experience, he is nominated as member secretary of Institutional Ethics committee of SIU since 2017. He has presented papers in International Conference at Dubai and London. He was invited speaker in International Conference at LONDON on topic 'Challenges of Higher Education in India' in Oct 2018. He has visited Kent State University, USA to attend workshop on Simulation Based Nursing Education in July 2019. He has completed funded research project in 2019. His research contribution was well appreciated by Trained Nurses Association of India and honored him with the 'Best Nurse Researcher' award by Pune city branch in 2012. He is a life member of various professional organizations. Presently, he is a Ph.D. supervisor at Symbiosis International University under Public Health domain, and 8 Ph. D scholars are guided by him which includes 4 International students from Yemen, South Africa and the UK.

Institute Profile:

Established in 2007, Symbiosis College of Nursing (SCON) offers innovative programs to develop nursing leaders. Recognized by the Indian Nursing Council and Maharashtra Nursing Council, SCON is a constituent of Symbiosis International University and is accredited by NAAC with an A++ grade. SCON offers a range of programmes, including the Bachelor of Science (Nursing), Post Basic Bachelor of Science (Nursing), Master of Science (Nursing), Nurse Practitioner in Critical Care (NPCC) Post-Graduate Residency Programme, and Ph.D. Nursing. These programs are designed to provide students with a unique and innovative curriculum that is responsive to the evolving needs of the healthcare industry. SCON has an excellent infrastructure with a 900-bedded super-speciality Symbiosis University Hospital & Research Centre (SUHRC), which allows students to gain valuable hands-on clinical and para-clinical experience. This integration ensures that SCON graduates are well-equipped to excel in various healthcare settings, including clinical, community, research, and educational arenas. Various organizations have recognized SCON's commitment to excellence. In 2018, the college was ranked among the top 10 promising Nursing Colleges by thehighereducationreview.com, and in 2023, it was featured as the best

nursing institution in India by Telegraph Online Edugraph. It also ranks 29th nationally and 5th in the West Zone (IIRF) and is among the top 10 promising colleges. With its focus on innovative programs, strong industry partnerships, and a dedication to producing skilled nursing professionals, SCON is poised to continue its legacy of shaping the future of nursing in India and beyond.

Programme Profile:

- **Master of Science (Nursing)**
- **Medical Surgical Nursing**
- **Obstetrics and Gynaecological Nursing**
- **Mental Health (Psychiatric) Nursing**
- **Community Health Nursing**

Duration of the Programme:

- **Master of Science (Nursing)** : **2 Years, Full Time Residential programme**

Intake:

- **Master of Science (Nursing)** : **30 Students**
- **Medical Surgical Nursing** : **10 Students**
- **Obstetrics and Gynaecological Nursing** : **05 Students**
- **Mental Health (Psychiatric) Nursing** : **10 Students**
- **Community Health Nursing** : **05 Students**

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Medical Campus Only)	Student taking Admission in
	(b) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	\$650
Three Sharing	\$650
Dormitory	\$650
New Dormitory	\$650

“Note:

ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2027 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum.”

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Environmental Sustainability

Programme Structure:

Master of Science (Nursing)

Semester: 1

Generic Core Courses

- Advance Nursing Practice
- Nursing Research and Statistics
- Nursing Education (Theory)
- Nursing Education (Practical)
- Health and Wellness Module I

Specialization Core Courses:

Medical Surgical Nursing (Critical Care Nursing)

- Clinical Specialty - I Medical Surgical Nursing (Theory)
- Clinical Specialty - I Medical Surgical Nursing (Practical)

Specialization Core Courses: Mental Health (Psychiatric) Nursing

- Clinical Specialty - I Mental Health (Psychiatric) Nursing (Theory)
- Clinical Specialty - I Mental Health (Psychiatric) Nursing (Practical)

Specialization Core Courses: Community Health Nursing

- Clinical Specialty - I Community Health Nursing (Theory)

- Clinical Specialty - I Community Health Nursing (Practical)

Specialization Core Courses: Obstetrics and Gynaecological Nursing

- Clinical Specialty - I Obstetrics and Gynecological Nursing (Theory)
- Clinical Specialty - I Obstetrics and Gynecological Nursing (Practical)

Semester: 2

Generic Core Courses

- Nursing Research (Dissertation)
- Nursing Management
- Health and Wellness Module II

Specialization Core Courses: Medical Surgical Nursing (Critical Care Nursing)

- Clinical Specialty - II Medical Surgical Nursing (Practical)
- Clinical Specialty - II Medical Surgical Nursing (Theory)

Specialization Core Courses: Mental Health (Psychiatric) Nursing

- Clinical Specialty - II Mental Health (Psychiatric) Nursing (Theory)
- Clinical Specialty - II Mental Health (Psychiatric) Nursing (Practical)

Specialization Core Courses: Community Health Nursing

- Clinical Specialty - II Community Health Nursing (Theory)
- Clinical Specialty - II Community Health Nursing (Practical)

Specialization Core Courses: Obstetrics and Gynaecological Nursing

- Clinical Specialty - II Obstetrics and Gynecological Nursing (Theory)
- Clinical Specialty - II Obstetrics and Gynecological Nursing (Practical)

* Courses are subject to change

Dr. Anuradha Vaidya
Director

Director Profile:

Dr. Anuradha Vaidya began her research career at the National Centre for Cell Science (NCCS), an autonomous institute of the Department of Biotechnology, Government of India, where she worked in the field of Stem Cell Biology. She received a Ph.D. in Biotechnology from the University of Pune in January 2011 after which she got affiliated with the brand “Symbiosis”. She has been associated with Symbiosis School of Biological Sciences (SSBS), Symbiosis International (Deemed University) (SIU) since its establishment in August 2011.

On 8th November 2021, after completing more than a decade at SSBS, Dr. Vaidya was appointed as the Director of SSBS.

Dr. Anuradha Vaidya’s current research focuses on understanding the microenvironment-mediated regulation of hematopoietic stem cells (HSCs) and the potential use of the mesenchymal stromal cell (MSC) secretome as “cell-free biologics” in the treatment of neurodegenerative disorders. This is an extension of her Ph.D. work during which she showed that the HSCs are regulated intrinsically by the activation of p44/42 mitogen-activated protein kinase (MAPK) pathway that is crucial to its proliferation; whereas the extrinsic regulation of HSCs is mediated via its intercellular communication with the MSCs and that constitutive activation of the AKT signaling pathway in MSCs has a detrimental effect on the HSCs. Since her line of work is in stem cells, Dr. Vaidya is also affiliated with the Symbiosis Centre for Stem Cell Research (SCSCR).

Dr. Vaidya is a member of National and International societies such as Indian Society of Cell Biology and the International Society for Stem Cell Research. She is also a member of various academic, ethical, and safety committees within and outside of SIU. She has been serving as an Editor and Reviewer for many International peer-reviewed journals. She has also published several research articles in reputed journals such as Stem Cell Reviews and Reports, Regenerative Medicine, Stem Cells, Cryobiology, etc., and is currently involved in guiding and mentoring doctoral and dissertation students. She believes that SSBS possesses all the key attributes to evolve as one of the premier Life Science’s institutes of India!

Institute Profile:

Symbiosis School of Biological Sciences (SSBS) was established as a new initiative of Symbiosis International (Deemed University) in 2011 under the Faculty of Health and Biomedical Sciences (now Faculty of Medical & Health Sciences) to address the need for a school devoted to training, research, and development in the field of biological sciences. SSBS offers M.Sc. and Ph.D. programmes in Biotechnology and Biochemistry. The current research focus of the school is on contemporary areas such as Genomics, Proteomics & Bioinformatics, Stem Cell Biology, Antibiotic Resistance, Food Biotechnology, Avian Virology, Biotransformation of Xenobiotics, Quorum

Sensing, Nanotechnology, and Metabolic diseases which are aligned with the major government funding agencies. Our goal is to carry out biological research of the highest caliber through global cooperation and to develop knowledge-rich highly skilled human resources.

Programme Profile:

- **Master of Science (Biotechnology)**

M.Sc. Biotechnology is an interdisciplinary programme offering courses such as Stem Cell Biology, Bioprocess Engineering, Recombinant DNA Technology, Bioanalytical Techniques, Genomics, Bioinformatics, and Biostatistics. The programme also emphasizes understanding of fundamental principles through courses such as Biochemistry, Cell Biology, Molecular Biology, Genetics, Microbiology, Virology, and Immunology. The skill-based programme incorporates a six-month Research Project or Internship as an integral component that provides an opportunity for the students to get trained in independently drafting a hypothesis, designing a research project, and performing laboratory experiments followed by data analysis coupled with an opportunity to publish in peer-reviewed journals. In order to confer an edge over similar programmes in the country, the Biotechnology programme also has a provision for a one-year Research Project as a separate “stream” with the sole objective of providing an opportunity to the students to master skills in contemporary areas along with an opportunity to write and publish an original research paper.

The programme has a provision of dual degrees; wherein the students are provided with an opportunity to pursue M.Sc. in Biotechnology from two different universities. Currently, we offer a dual degree in association with the University of Adelaide, Australia. The students admitted to the dual degree stream will spend the first year at Symbiosis School of Biological Sciences, they will move to the University of Adelaide for the second year. On successful completion of the requisite credits, the student will be awarded two degrees; M.Sc. in Biotechnology from Symbiosis International (Deemed University) and M.Sc. in Biotechnology from the University of Adelaide.

- **Master of Science (Biochemistry)**

M.Sc. Biochemistry is a fundamental programme offering various courses such as Biomolecules, Enzymology, Metabolism, Metabolic and Genetic Engineering, Bioanalytical Techniques, Genomics, Bioinformatics, Structural Biology, Drug Discovery, and Biostatistics. The programme incorporates a Research Project as an integral component that provides an opportunity for the students to get trained in independently drafting a hypothesis, designing a research project, and performing laboratory experiments followed by data analysis coupled with an opportunity to publish in peer-reviewed journals.

Duration of the Programme:

- **Master of Science (Biotechnology)** : 2 Years, Full time programme
- **Master of Science (Biochemistry)** : 2 Years, Full time programme
- **Master of Science (Biotechnology) Dual Degree** : 2 Years, Full time programme

Intake:

- **Master of Science (Biotechnology)** : 40 Students
- **Master of Science (Biochemistry)** : 30 Students
- **Master of Science (Biotechnology) Dual Degree** : 10 Students

Eligibility:

- **Master of Science (Biotechnology)**

Graduate in Life Sciences/ Health Sciences/ Biotechnology/ any other Biological Sciences OR Graduate of Engineering in Biotechnology/ Graduate of Technology in Biotechnology from any recognized University/ Institution of National Importance and must have obtained a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes) at graduation

- **Master of Science (Biochemistry)**

Graduate in Science with Chemistry as one of the subjects in the third year OR Graduate in Life Sciences/ Health Sciences/ Biotechnology/ any other Biological Science from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes)

- **Master of Science (Biotechnology) Dual Degree**

Graduate in Life Sciences/ Health Sciences/ Biotechnology/ any other Biological Sciences OR Graduate of Engineering in Biotechnology/ Graduate of Technology in Biotechnology from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

Personal Interaction with shortlisted candidates

(Criteria for evaluation: Undergraduate academic score, general aptitude, subject knowledge, communication skills, and extra-curricular achievement)

Important Dates:

Details	Date
Programme Registration Begins	February 1st, 2025
Last date of Online registration	Yet to be declared
Last Date of payment of Registration fees	
Entrance Test	
Test Result	
Personal Interaction	
Announcement of First Merit list	
Last date for payment of fees for candidates in the first merit list	
Programme Commencement	July 15th, 2025

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.ssbs.edu.in

Orientation and Pedagogy:

The induction programme is organized for the new batch of students wherein guest speakers are invited to share their expertise, knowledge, and experience in their respective fields. Students are exposed to emerging trends and career opportunities available in biotechnology while also providing orientation to welfare policies, wellness, and recreation facilities as well as health care services, and biodiversity at SIU. This induction program also includes various lectures on personality enhancement and soft skills training. Students are given a bird's eye view of their course curricula. The pedagogy involves a combination of lectures, assignments, case studies, and presentations with special emphasis on laboratory experiments and hands-on training. Industry and field visits too are given special importance. Additionally, classroom sessions are planned on current scientific topics or path-breaking research to encourage open-minded discussions. Students undertake research projects as a part of the curriculum and in many cases are able to publish papers in Scopus-Indexed journals. This activity is undertaken either at SSBS or at leading research organizations/industries across the country.

Celebration of International Womens Day at SSBS on March 8, 2022

Fee Structure**(Annexure I)****Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS**

Programme Fees For Master of Science (Biotechnology)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 275,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Biotechnology) - By Research	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 275,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Biochemistry)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 240,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Biotechnology) Dual Degree Program	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 550,000
Institute Deposit (Refundable)	₹ 20,000

Installment for For Master of Science (Biotechnology)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 137,500	₹ 137,500	₹ 137,500	₹ 137,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 157,500	₹ 137,500	₹ 137,500	₹ 137,500
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

Installment for For Master of Science (Biotechnology) - By research	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 137,500	₹ 137,500	₹ 275,000	₹ 275,000
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 157,500	₹ 137,500	₹ 275,000	₹ 275,000
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

Installment for Master of Science (Biochemistry)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 120,000	₹ 120,000	₹ 120,000	₹ 120,000
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 140,000	₹ 120,000	₹ 120,000	₹ 120,000
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

Installment for Master of Science (Biotechnology) Dual Degree Program	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 275,000	₹ 275,000		
Institute Deposit (Refundable)	₹ 20,000	-		
Installment	₹ 295,000	₹ 275,000	*	
Last date of payment	At the time of Admission	25-Nov-2026		

*Under the existing Msc Biotechnology programme; as a separate stream a Dual degree in Msc Biotechnology with University of Adelaide will be offered. The student enrolled under this stream will spend first year at SSBS and second year at University of Adelaide.

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)v	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Triple Sharing	₹ 153,500
Four Sharing	₹ 112,800

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year.

Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be 1.5 time of the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Science (Biotechnology)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (Per Annum)	\$5,100
Academic Fees (per Annum) to be paid (A)	\$5,100
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$5,925

Programme Fees For Master of Science (Biotechnology) - By Research	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (Per Annum)	\$5,100
Academic Fees (per Annum) to be paid (A)	\$5,100
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$5,925

Programme Fees For Master of Science (Biochemistry)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (Per Annum)	\$4,700
Academic Fees (per Annum) to be paid (A)	\$4,700
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$5,525

Programme Fees For Master of Science (Biotechnology) Dual Degree Program	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (Per Annum)	\$6,800
Academic Fees (per Annum) to be paid (A)	\$6,800
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$7,625

(a) Installment for Master of Science (Biotechnology) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in \$)			2nd Year (Amount in \$)

*Under the existing Msc Biotechnology programme; as a separate stream a Dual degree in Msc Biotechnology with University of Adelaide will be offered. The student enrolled under this stream will spend first year at SSBS and second year at University of Adelaide.

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Bengaluru Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Four Sharing	\$650
Triple Sharing	\$650

Note:

ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2027 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @560\$ as mentioned above.”

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year.

Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Science (Biotechnology)

Semester: 1

Generic Core Courses

- Biochemistry
- Practicals in Biochemistry
- Advanced Molecular Biology
- Microbiology
- Practicals in Molecular Biology
- Research Methodology and Biostatistics
- Genetic Analysis
- Health and Wellness Module I

Semester: 2

Generic Core Courses

- Practicals in Microbiology
- Advanced Immunology
- Cell Biology
- Genetic Engineering
- Practicals in Animal Tissue Culture
- Practicals in Recombinant DNA Technology
- Practicals in Bioinformatics

- Bioinformatics
- Health and Wellness Module II

Semester: 3

Stream - A

Generic Core Courses

- Bioprocess Engineering
- Practicals in Bioanalytical Techniques
- Practicals in Immunology and Virology
- Virology
- Intellectual Property Rights
- Introduction to Laboratory Animal Science
- Stem Cell Biology

Generic Elective Course Group

Stream - A (Choose any one course)

- Genomics and Proteomics
- Environmental Biotechnology

Stream-B

Generic Core Course (By Research)

- Project (Part I)

Semester: 4

Generic Elective Course Group Stream - A (Choose any one course)

- Project
- Internship

Stream - B

Generic Core Course (By Research)

- Project (Part II)

Induction Programme of Batch 2023-25

Master of Science (Biochemistry)

Semester: 1

Generic Core Courses

- Advanced Molecular Biology
- Biomolecules
- Microbiology
- Practicals in Biochemical Techniques
- Practicals in Microbiology and Molecular Biology
- Research Methodology and Biostatistics
- Genetic Analysis

Semester: 2

Generic Core Courses

- Advanced Immunology
- Cell Biology
- Metabolism
- Proteins and Enzymes
- Biophysical Techniques

- Bioinformatics
- Practicals in Enzymology
- Integrated Disaster Management

Generic Elective Course Group (Choose any one Course)

- Practicals in Animal Tissue Culture
- Practicals in Bioinformatics

Semester: 3

Generic Core Courses

- Drug Discovery and Pharmacology
- Genetic and Metabolic Engineering
- Practicals in Bioanalytical Techniques
- Practicals in Clinical Biochemistry

- Clinical Biochemistry
- Intellectual Property Rights
- Introduction to Laboratory Animal Science
- Structural Biology

Semester: 4

Generic Elective Course Group (Choose any one course)

- Project
- Internship

* Courses are subject to change

Prof Jyoti Chandiramani

Director

Director Profile:

Prof Jyoti Chandiramani has over 39 years of experience in teaching, institution building, administration, and research. Presently, she teaches Urban Economic Development and Urban Mobility at the master's level.

Dr Chandiramani has conducted more than 50 Management Development Programmes (MDP) for the corporate over the years. She has been a core founder member of the Symbiosis Centre for Liberal Arts. In 2007, she was awarded a short-term scholarship at the University of DePauw, Indianapolis – to study Liberal Arts Education. In 2013, she was a part of the Indian delegation to Pakistan for the Tenth South Asian Economic Students Meet (SAESM) at Lahore University of Management Sciences, and she has been conferred with the ICongo instituted Gold Karmaveer Chakra and the Rex Karmaveer Global Fellowship in Delhi, for her contributions to the field of education in 2015. In 2016, she was invited to the 5th ASEM Rectors' Conference as a Mentor for the Students' Forum (ARC5), organized by Charles University in Prague and the Asia-Europe Foundation (ASEF). Prof Jyoti has been a member of the Working Group on "City Governance and Smart Cities" – Niti Aayog in 2017; in 2018 she was invited to Macquarie University to deliver seminar lectures.

Prof. Jyoti Chandiramani's research interests lie in the urban economic development and international economic cooperation. To this effect, she focuses her research in areas such as Urban Infrastructure, Urban Transport, Urban Poverty and is presently working on Pune centric cases. She has a number of research papers to her credit and has worked on research projects funded by National Bank for Agriculture and Rural Development (NABARD) and others. She is also a research guide to a number of PhD scholars. Besides writing a couple of textbooks, and publishing research papers in reputed journals, she has jointly edited a book with Ramanath Jha on 'Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance.'

Institute Profile:

The growing institution has demonstrated a discernible record of success, offering two programmes:

- **B.Sc. (Economics) Honours / Honours with Research**

and

- **M.Sc. (Economics) with specializations in International Trade, Development Studies, Urban Development, Finance and Data Analytics.**

SSE has two very active centres to cater to specific needs of the students and faculty members. The Centre for Quantitative Learning and Applications (CQLA) facilitates advanced level data analysis and statistical software training (SAS, SPSS, STATA, R, and other statistical and econometric software) for the students. The Centre for Academic Writing (CAW) supports students in the academic writing of essays, papers and reports of various

types. CAW also publishes an annual journal – *Oeconomica Scriptis* – a compilation of outstanding academic writings of the students.

Research: The school prepares its student community with strong research methods (both quantitative and qualitative), software applications, along with a final semester dissertation, which is mandatory at both, the Bachelor's and Master's programmes. With more than 60 publications, the school has actively engaged on varied research projects with NABARD, Chest Research Foundation, INHAF, Sulochana Thapar Foundation, etc., working closely on rural, urban, trade and development issues.

Placements: Our 1500+ alumni, have been accepted to pursue academics at the leading institutions in India – like Indira Gandhi Institute for Development and Research, Gokhale Institute of Politics and Economics, Delhi School of Economics, Jawaharlal National University, Madras School of Economics, Indian Institute of Technology (Powai, Bombay), Centre for Development Studies (Trivandrum), Indian Institute of Management (Ahmedabad, Bangalore, and Indore), Tata Institute of Social Sciences (Mumbai) and across reputed International Universities such as Johns Hopkins University, Columbia University, Boston University, University of Rochester, National University Singapore, London School of Economics, Warwick University, St Andrew's University, to name a few. The programmes' rigour equips our students with employable skills in economic analysis, data analytics, market research, economic research and business intelligence, which has helped our students to be recruited by renowned organizations such as Deloitte, Ernst and Young, ZS Associates, CMIE, RIS, IIHS, CRISIL, ICICI Bank, IndusInd Bank, Vodafone, Markets and Markets, Public Affairs Centre (PAC), Research and Development Initiatives (RDI), and many more.

It is evident that through the interdisciplinary flavours, the curricula prepare our students for careers in a wide range of sectors and professions. Despite the demanding environment, there is ample scope for creativity, originality and students' initiatives. The journey of academic pursuits is ever-evolving and will always include different perspectives and recommendations from all our stakeholders – this is the key to making the learning experience increasingly relevant and meaningful.

Internationalization: Symbiosis International (Deemed University) having more than 60 MOUs with leading international universities, has helped SSE facilitate strong linkages with respect to students and faculty exchange, working towards collaborative research and benchmarking our courses and programmes to international requirements.

Enhanced Engagements: SSE is closely associated with Niti Aayog, and other leading think tanks like Research and Information Systems (RIS), ICRIER, UNDP, INHAF, Shyam Chi Aai Foundation, SOFOSH, CII, Cogencis, IDOBRO, TIES, Yunus Centre (Yunus Social Business, Bangalore), Piramal Foundation and many more.

Given the framework, this very niche institute seeks to develop intellectual discipline, critical and analytical bents of mind and a skill-set that makes our students prepared for academia and industry, alike. We at SSE, achieve these goals in an educational environment committed to excellence and academic freedom. While the programmes are rigorous and the pedagogies are designed to make the student learn experientially, as well as, through the traditional techniques, the curricular and co-curricular and extra-curricular inputs, SSE seeks to nurture and develop the intellectual and professional competencies for successful careers that inspire inclusivity, sustainability, innovation, leadership and pragmatism into problem-solving at local and global levels.

Programme Profile:

- **Master of Science (Economics)**

- The M.Sc. Economics programme is interdisciplinary in nature. The programme seeks to develop intellectual discipline, critical and analytical thinking with a view to groom passionate individuals capable of taking up responsibility. We have a highly rigorous and relevant curriculum, catering to the dynamic nature of global markets. We, at SSE, strive hard to create an enabling framework to facilitate the smooth translation of skills to jobs.
- The diverse pool of students is selected through a highly comprehensive screening process across India. The applicants hail from varied academic backgrounds like economics, commerce, mathematics, statistics, management, science, engineering, marketing, etc., and, bring to the table a diversity of thoughts, and perspectives. We look forward to a batch of students every year with proven excellence in academia and in extracurricular activities. The student community, together with the knowledge ethic embedded at SSE, ensures that they are prepared to take on roles as managers, economists, statisticians, analysts and entrepreneurs.
- SSE adopts innovative and proactive teaching pedagogy with emphasis on holistic developments of individuals. The coursework has been designed to acclimatize students to the rigors of a highly competitive workplace. Inherent with the coursework is a system of Continuous Evaluation (CE) that provides critical evaluation of a candidate's performance from time to time. The curricula places a lot of importance on intensive application-based research and analysis. Further, to strengthen the skill set, the students undergo workshops where they are trained to handle and implement data packages and software like SPSS, STATA, R, Python, etc.
- As part of the programme, all students are required to complete a two-month industry internship. The objective of the internship is to give students the opportunity to experience real world applications of theories they have studied. At the end of the two years, students are well prepared to face the challenges of academia, research, business and industry.

Duration of the Programme:

- **Master of Science (Economics)** : **2 Years, Full-Time Non-Residential**

Intake:

- **Master of Science (Economics)** : **80 Students**

Eligibility:

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Through Personal Interaction (PI)

Important Dates:

Particular	Date
Symbiosis School of Economics -Registration/Payment commences on	December 2, 2024 (Monday)
Symbiosis School of Economics -Registration/Payment closes on	May 16, 2025 (Friday)
Declaration of shortlisting for GE-PI	May 20, 2025 (Tuesday)
Dates of GE-PI Process	May 27th & 28th, 2025 (Tuesday & Wednesday)
Declaration of First Merit List	June 04, 2025 (Wednesday)
Programme Commencement	July 10, 2025 (Thursday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.sse.ac.in

Orientation and Pedagogy:

Other than the standard discourse method, case study and colloquium-oriented methods will also be employed as pedagogical methodology. Apart from this, various workshops, conferences and guest lectures will be organized on a regular basis to enhance the student’s understanding and sharpening of the required academic and industrial skill-sets. The students at this level are expected to read related matter and come to class so that each session becomes more interactive. The aim is to create a dynamic learning environment and enhancing the analytical and application capability of the students.

10th STML

Fee Structure

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS

Programme Fees For Master of Science (Economics)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 268,000
Institute Deposit (Refundable)	₹ 20,000

Installment For Master of Science (Economics)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 134,000	₹ 134,000	₹ 134,000	₹ 134,000
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 154,000	₹ 134,000	₹ 134,000	₹ 134,000
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Senapati Bapat Road Campus only)	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	₹ 171,100
Three Sharing	₹ 123,200

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be 1.5 time of the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

16th Annual Day - Aji Nagral

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Science (Economics)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$5,000
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$5,825

(a) Installment For Master of Science (Economics) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment

- (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum.”

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

26th January

Programme Structure:

Master of Science (Economics)

Semester: 1

Generic Core Courses

- Advanced Econometrics I
- Advanced Macroeconomics I
- Advanced Microeconomics I
- Mathematical Economics
- Public Economics
- Research Methodology and Software Application Package I

Semester: 2

Generic Core Courses

- Advanced Econometrics II
- Advanced Macroeconomics II
- Advanced Microeconomics II
- Growth and Development
- Research Methodology and Software Application Package II
- Integrated Disaster Management

Semester: 3

Specialization Core Courses: Urban Development

- Internship
- Dissertation-I
- Urban Finance
- GIS and Problem Solving in the Urban India Context
- Urban Demography
- Urban Governance
- Urban Land Economics
- Urban Planning and Development

Specialization Core Courses: Development Studies

- Internship
- Dissertation-I
- Development Experience
- Markets and Institutional

- Framework of Development
- Urban Economic Development

Specialization Elective: Development Studies (Choose Any One Course)

- Behavioral and Experimental Economics
- Trade, Aid and Development

Specialization Core Courses: International Trade

- Internship
- Dissertation-I
- International Trade Policy
- Open Macroeconomics
- Pure Theory of Trade

Specialization Elective: International Trade (Choose Any One Course)

- International Political Economy and Trade
- Trade and Environment

Specialization Core Courses: Finance

- Internship
- Dissertation-I
- Financial Economics
- Security Analysis and Portfolio Management
- Derivative Markets
- Financial Modeling

Specialization Core Courses: Data Analytics

- Big Data Analytics
- Python for Data Science
- Data Analysis and Visualization
- Data Mining
- Financial Analytics

- Data Science I

Specialization Elective: Data Analytics (Choose any one Course)

- Exploratory Data Analysis Lab
- Maths for Data Science

Semester: 4

Specialization Core Courses: Urban Development

- Dissertation-II
- Urban Development Experiences
- Urban Poverty, Migration and Sustainable Livelihoods

Specialization Elective: Urban Development (Choose Any Three Courses)

- Urban Energy and Environment
- Urban Mobility
- Urban Solid Waste Management
- Urban Water and Sanitation

Specialization Core Courses: Development Studies

- Dissertation-II
- Human Development
- Rural Development
- Theories and Models of Development and Distribution

Specialization Core Courses: International Trade

- Dissertation-II
- International Capital Market and Finance
- International Organizations and Regional Cooperation in Trade

- Multinational Trade: Procedures and Laws
- Trade Finance

Specialization Core Courses: Finance

- Dissertation-II
- International Capital Market and Finance

- Financial Risk Management
- Insurance Management
- Behavioral Finance

Specialization Elective: Finance (Choose Any One Course)

- Corporate Finance
- Introduction to Micro Finance

Specialization Core Courses:

Data Analytics

- Dissertation
- Corporate Internship Programme

* Courses are subject to change

Please visit www.sse.ac.in for information related to:

Ms. Shivali Lawale
Director

Director Profile:

Prior to joining the Symbiosis School of International Studies, Ms. Lawale, worked for over more than a decade at the United Nations Educational, Scientific Cultural Organisation (UNESCO) Headquarters in Paris, France. She has worked in the capacity of Programme Specialist on two of the UN's priority programmes in education and international development – Education for All and Education for Sustainable Development. These programmes covered a variety of contemporary issues like peace and conflict, human rights, climate change and gender issues, among others. She has also taught the post-graduate programme in French studies at the University of Pune. Ms. Lawale has an M.Phil. in International Cooperation in Education and Training from the Sorbonne University and an M.A. in International Relations from the prestigious Sciences Po, Paris. She also has an M.A. and M.Phil. in French studies from Pondicherry University. She has authored articles on education and sustainable development that have been published in international journals and publications and has presented papers at prestigious international conferences like the biennial International Conference on Education and Development, UK, and the Human Development and Capability Association (HDCA) annual conferences. She is also member of the HDCA, an association that was established in 2004 by Prof. Amartya Sen and Prof. Martha Nussbaum. Areas of Interest: Indo-French relations, Indo-EU relations; development cooperation; educational cooperation and issues related to Sustainable Development.

Institute Profile:

The Master of Arts (International Studies) programme offered by SSIS seeks to equip students with knowledge and skills pertinent to address the 21st century global challenges. While engaging with topics on peace, conflict, justice, rights, development, global commons, environment, cooperation, governance, diplomacy and so on, the emphasis is on developing critical thinking to come up with tangible alternatives to address the unresolved issues. The holistic nature of courses offered under the Master of Arts (International Studies) programme provides students with the lens to critically examine, analyse and understand contemporary issues based on a multi-disciplinary approach. The specialization offered under the course on Area Studies fosters scholarship of the region informed by a deeper understanding of an interconnected and interdependent world. The choice of regions offered includes – Europe/ U.S.A and Asia. The students are also offered a choice of foreign language as part of the Area Studies course (e.g. French/ Spanish/ Chinese/ Arabic). For the choice of both the region and the foreign language to take off, there has to be a minimum enrolment of ten students. The curriculum includes mandatory internships that prepare students for careers with CSOs, NGOs, international organizations, think tanks, civil services, media, academia, consultancies and financial institutions. Our faculty members are a

good blend of prominent academicians, active researchers and practitioners, attesting to the belief that the best pedagogy comes from a mix of theory and praxis. The students benefit from the contributions of different types of practitioners of international relations, whether they are from diplomacy, the corporates, the think-tanks or international organizations. The diverse background of both the faculty and the postgraduate students makes for a cosmopolitan and enriching environment.

Programme Profile:

• Master of Arts (International Studies)

In the contemporary scenario, India's interest in the world as well as the world's interest in India is visibly at its highest. Therefore, it becomes imperative that the Indian scholarship on global issues should respond to the opportunities that this presents. To this end, the Symbiosis School of International Studies (SSIS) endeavours to provide a platform for teaching and research in international relations, with an emphasis on India and its role in global affairs. Set up in consonance with the broader vision of Symbiosis Society, which is "to integrate with the world", SSIS strives to constantly engage in scholarly pursuits in an environment of intellectual fellowship, aimed at the academic enrichment of the entire community.

The discipline of International Studies (IS) positions itself at the cross-roads where the dominant cultural, economic, political and social issues that exercise an influence on the national, regional and international agenda converge. A Master's programme in International Studies encourages students to relate theoretical concepts to specific, relevant world issues and challenges in international affairs today. The holistic nature of courses offered under the Master of Arts (International Studies) programme provides students with the lens to critically examine, analyze and understand contemporary issues based on a multi-disciplinary approach. The specialization offered under the course on Area Studies fosters scholarship of the region informed by a deeper understanding of an interconnected and interdependent world. The choice of regions offered includes - Europe/North America and Asia. The students are also offered a choice of foreign language as part of Area Studies course (Arabic/ French/ Spanish/ Chinese). Our faculty members are a good blend of prominent academicians, active researchers and practitioners, attesting to the belief that the best pedagogy comes from a mix of theory and praxis. Apart from the teaching vertical, we also run the flagship annual International Relations Conference (IRC) and an online research portal - Indian Review of Global Affairs (IRGA).

Duration of the Programme:

- Master of Arts (International Studies) : 2 Years , Full Time Non-Residential**

Intake:

- Master of Arts (International Studies) : 30 Students**

Eligibility:

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

Indian Students: Personal Interaction Good academic record and previous work experience will be given a preference

International Students: As per procedure prescribed by Symbiosis Centre for International Education (SCIE)

Important Dates:

Particular	Date
SSIS Registration Commences	March 01, 2025 – Saturday
SSIS Registration and Payment closes on	June 30, 2023 (Monday), 12 noon
Symbiosis School of International Studies Registration/Payment closes on	June 30, 2023 (Monday), 12 noon
Declaration of shortlisting for PI	May 24, 2025– Saturday (3 p.m.)
Dates of PI Process	May 30th - 31st May, 2025 (Friday- Saturday)
Declaration of First Merit List	June 7, 2025- Saturday, 3 p.m.
Programme Commencement	28th July, 2025

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.ssispune.edu.in

Orientation and Pedagogy:

Faculty is encouraged to employ a number of methods of instruction. Consistent with the University's quality assurance and enhancement practices, each method is designed to ensure that the students derive maximum benefit from the lectures and seminars, and that they use the self - study time to its full advantage. The curriculum is mapped to OBE parameters and SDGs.

Given the diversity of the subject, the programme is taught through a mixed pedagogical approach, combining exposure to both IR theory and praxis. Emphasis is laid on hands-on training in the workings of contemporary diplomacy and international negotiations through simulations, case studies and audio visuals. The courses are designed to nurture critical analysis skills (written and oral), soft skills, intercultural skills and e- competencies in the students to enable them to play professional, constructive or leadership roles at the national, regional and international level.

The pedagogy is by lecture/seminar format, small group work, and simulations as appropriate. For each course, the formal lectures are intended to provide students with – right from an introduction to a particular theme or topic, to making them aware of main issues through a structured summary of the current state of debate on a topic, and to provide them with navigation points through the main literature. The seminar format is intended to provide students with the opportunity to engage in discussion with other students and with the course convenor for a structured discussion of substantive issues.

Students are encouraged to work both independently, and as part of a group. Independent study is vital to develop research skills: for the preparation of essays, book reviews and the final year dissertation. All of this

written work is designed to help hone the skills necessary to filter complex arguments and issues to their essential elements, and to express your own critical ideas succinctly, clearly, and in an organised manner. Students are also encouraged to work independently on presentations to develop oral communication skills. This helps to develop the ability to organise and to think quickly about complex issues, and to develop skills necessary for reasoned argumentation. Students are also encouraged to work in groups for simulation projects to develop skills necessary for cooperation in group project work, as well as to develop leadership qualities.

The programme also allows students to manage an online research portal, Indian Review of Global Affairs, which will become a base of mid-to-long range policy- relevant issues and challenges. This will further hone skills and encourage the participation of youth in new age research via the use of new media such as podcasts, photo-essays/ photo- journalism, interviews and video- series.

Career Counseling Session- MitKat

Fee Structure

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS

Programme Fees For Master of Arts (International Studies)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 343,000
Institute Deposit (Refundable)	₹ 20,000

Installment For Master of Arts (International Studies)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Installment	1st Instalment	2nd Installment
Academic Fees (Per Annum)	₹ 171,500	₹ 171,500	₹ 171,500	₹ 171,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 191,500	₹ 171,500	₹ 171,500	₹ 171,500
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Viman Nagar Campus Only)	Amount in ₹
Mess Fees (Per Annum) @	104,000
Hostel Deposit (Refundable)	20,000
Hostel Fees (Different, Subject to Sharing, Per Annum) @	
Twin Sharing - Daffodil hostel	175,500
Three Sharing - Daisy hostel	146,900
Twin Sharing - Orchid hostel	193,600
Three Sharing - Orchid hostel	163,400
Twin Sharing - Tulip hostel	193,600
Three Sharing - Tulip hostel	173,300
Three Sharing - Kopou hostel	173,300

@Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be 1.5 time of the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Dr. Amrita Naralikar

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Arts (International Studies)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$6,400
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$7,225

(a) Installment For Master of Arts (International Studies) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	\$550	-	-	-	-
Academic Fees (Per Annum)	\$540	\$2,930	\$2,930	\$3,200	\$3,200
Institute Deposit (Refundable)	\$275	-	-	-	-
Installment	\$1,365	\$2,930	\$2,930	\$3,200	\$3,200
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Viman Nagar Campus Only)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$1,290
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing - Daffodil hostel	\$2,180
Three Sharing - Daisy hostel	\$1,820
Twin Sharing - Orchid hostel	\$2,400
Three Sharing - Orchid hostel	\$2,030
Twin Sharing - Tulip hostel	\$2,400
Three Sharing - Tulip hostel	\$2,150
Three Sharing - Kopou hostel	\$2,150

(b) Fees Payable by the students taking admission in Foreign National Category.

Program Fees For Master of Arts (International Studies)	Student taking Admission in
	(b) Foreign National Category 1st Year 2025-26 Amount in US\$
Academic Fees (Per Annum)	\$6,400
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #	\$4,450
Academic Fees (per Annum) to be paid (A)	\$1,950
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Less: 50% Fee Concession on Administrative Fees	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$275
Total Fees to be paid (D)=(A+B+C)	\$2,500

(b) Installment for For Master of Arts (International Studies) Student taking Admission in Foreign National Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	\$275	-	-	-	-
Academic Fees (Per Annum)	\$815	\$568	\$567	\$975	\$975
Institute Deposit (Refundable)	\$275	-	-	-	-
Installment	\$1,365	\$568	\$567	\$975	\$975
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Viman Nagar Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing - Daffodil hostel	\$650
Three Sharing - Daisy hostel	\$650
Twin Sharing - Orchid hostel	\$650
Three Sharing - Orchid hostel	\$650
Twin Sharing - Tulip hostel	\$650
Three Sharing - Tulip hostel	\$650
Three Sharing - Kopou hostel	\$650

Note:

ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2027 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum."

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year.

Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

International Relations Conference (IRC) 2023

Programme Structure:

Master of Arts (International Studies)

Semester: 1

Generic Core Courses

- International Communication
- International Organizations
- International Relations: An Overview
- Research Methodology
- Introduction to Global Political Economy

Semester: 2

Generic Core Courses

- Diplomacy and International Governance
- International Security
- Advanced Research Methods
- Global Political Economy: international trade and development
- Integrated Disaster Management

Generic Elective Course Group - I (Choose Any One Course)

- Area Studies - Asia I
- Area Studies - Europe and U.S.A I

Generic Elective Course Group

- II

(Choose Any One Course)

- Arabic I
- Chinese I
- French I
- Spanish I

Semester: 3

Generic Core Courses

- Internship
- International Negotiations and Conflict Resolution
- Role of International Law in International Relations
-

Generic Elective Course Group - I (Choose Any One Course)

- Area Studies - Asia II
- Area Studies - Europe and U.S.A II

Generic Elective Course Group - II (Choose Any One Course)

- Arabic II
- French II

- Chinese II
- Spanish II

Generic Elective Course Group - III

(Choose Any One Course)

- Evolution of the Indian Strategic Thought
- International Relations and Digital Longform Journalism

Semester: 4

Generic Core Courses

- Global Common Goods
- Human Rights and Peace Studies
- Geopolitics and Risk Analysis

Generic Elective Course Group (Choose Any One Course)

- Dissertation
- Project

* Courses are subject to change

Please visit www.ssispune.edu.in for information related to:

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation

Prof. Dr. Sharvari Shukla

Director

Director Profile:

Sharvari has been a medical statistician at various research institutes and advisor for pharmaceutical companies and hospitals. Her interest in translating research into practice led her to undergo training in epidemiology, epigenetics and clinical trials. She handles various national and international funded projects. Recently she received grant from DST under ICIMAPCT scheme with INDO-CANADA collaboration. Sharvari Shukla works with a team of epidemiologists and clinical scientists investigating the fetal origins of cardiovascular disease and Type 2 diabetes. Her fields of expertise include longitudinal data analysis, modelling-simulation, big data analysis and artificial intelligence, clinical trials and research methodology. She has more than 70 research papers to her credits. Currently, seven PhD scholar are working with her guidance on various research ideas. She also serves as reviewer for various international journals.

Institute Profile:

Symbiosis Statistical Institute (SSI) is recognized as one of the premier institutions in India. SSI Pune is also among the top B. Sc Applied Statistics and Data Science colleges in India, offering an undergraduate program for Data Science enthusiasts who want to learn about applied statistics and data science with inter-disciplinary approach for Business Studies as per NEP2020 implementations along with post graduate programme focusing on advanced statistical techniques required for industry. In today's world, data science has emerged as one of the most demanding fields, and SSI recognizes this trend. As a result, the institute's programs have been designed to equip students with the necessary skills and knowledge to succeed in this ever-growing industry. By offering a comprehensive curriculum SSI prepares students to tackle real-world problems and make informed data driven decisions.

The major focus of the Symbiosis Statistical Institute (SSI) is to provide quality education and train students to translate and apply statistical knowledge to address real-world problems in diverse inter-disciplinary domains.

B.Sc (Applied Statistics and Data Science with Business Studies as Minor) and MSc (Applied Statistics with Data Science, Industrial Statistics, Bio-statistics and Actuarial Statistics as specializations) programmes are uniquely designed to offer syllabus that facilitates learning of application-oriented modules that focuses on statistical methodologies and best practices in statistical analysis. Its educational standards are exceptional as it focuses developing 20th century skills among students with analytical mind-sets, critical thinking along with data-driven decision-making ability, creative learning with data science related proficiency transforming students into a skilled professional.

As statisticians, data scientists and analysts, the experts here at SSI recognise that uncertainty is an inherent aspect and advocate embracing uncertainty as a fundamental element in the quest for knowledge which is getting reflected in tag line #Interpreting Uncertainty.

Programme Profile:

• Master of Science (Applied Statistics)

Explore the dynamic intersection of theory and its application with our Master of Science in Applied Statistics program at Symbiosis Statistical Institute. This two-year full-time programme is designed to deepen expertise in applied statistical methodologies, equipping students with the skills to excel in diverse fields where data-driven decision-making is paramount. In the world driven by Data Science, this programme trains students to apply various statistical techniques where one needs to understand the importance of statistical sciences along with various available statistical software.

At Symbiosis Statistical Institute, our Master of Science (M.Sc.) in Applied Statistics programme is designed to provide students with advanced knowledge and 21st century skills required for industry in various domains. The program offers the following four distinct specialisations to cater to diverse interests and career aspirations along with the needs of the market.

- Data Science
- Industrial Statistics and Operations Research
- Biostatistics and Data Analysis
- Actuarial Statistics

Programme Objectives:

- Equip students with advanced statistical techniques for data analysis in various industries.
- Develop analytical skills to interpret complex data sets.
- Provide hands-on experience with statistical software for practical application.
- Prepare graduates for diverse career opportunities in various domains.
- Foster a research-oriented mindset for innovation and contribution to statistical theory.

Programme Highlights

- **Prerequisite Courses:** Sequential completion of prerequisite courses is mandatory before advancing to subsequent program levels.
- **Semester III and IV Courses:** The curriculum in these semesters is specialization-specific, encompassing core and elective courses and relevant flexi courses.
- **Summer Internship:** All students undertake a 8-10 weeks Summer Internship between May-June and July following Semester II.
- **Industry Project:** An integral part of the program, the Industry Project is completed between January and April in Semester IV.
- **Non-Credit Courses:** In addition to regular credit courses, the institute offers non-credit courses, including tutorials, hands-on workshops, guest lectures, scientific colloquiums, skill development sessions, and value-added courses.
- **Credit Structure:** The allocation of theory and practical credits is contingent on the chosen specialisation.

- **Specialisation Implementation:** Specializations in Data Science, Industrial Statistics and Operations Research, Biostatistics, and Actuarial Statistics are implemented based on students' strengths, area of interests, summer project and academic ranking.
- **Indian Statistical Service (ISS):** Frequent invited sessions on the Indian Statistical Service (ISS) in our curriculum offer insights into the roles, recruitment process, and significance of statistical expertise in policy formulation. Students get exposure and learn about ISS officers' vital role in generating data for evidence-based decision-making across government sectors. These sessions highlight career prospects within the ISS, inspiring students to pursue impactful roles in public service leveraging their statistical skills.
- **Industry visits:** Institute take initiative to visit relevant industry where lot of real-time data is getting generated so that students can also get exposure about data generation and help them in interpreting the results with critical thinking.

The best initiative like 'Industry on Campus' with appeal to industry domain expert to share problem statement before hand help many students to work on the real-time data and perform given activity by providing the preliminary solutions to the shared problem statement.

The programme prepares students for career opportunities in varied domains and industries ranging from IT, finance, marketing, media, retail, banking, medical etc. There are several job options within the Analytics industries like Gaming, Fraud detection, Pattern Recognition, Strategic management, Risk management etc. and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research Laboratory, Academia, Non-Governmental Organizations, Consulting and Doctoral Studies among other opportunities.

Duration of the Programme:

- **Master of Science (Applied Statistics) : 2 Years, Full-Time Non-Residential**

Intake:

- **Master of Science (Applied Statistics) : 60 Students**

Eligibility:

Graduate in Statistics/ Mathematics at principal or subsidiary level from any recognised University/ Institution of National Importance with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

Personal Interaction (PI):

A comprehensive one-on-one interview with a panel of experts. PI provides a platform for candidates to showcase their capabilities and aspirations, fostering a holistic understanding of their potential.

Designed to understand and assess the candidate's aptitude, analytical thinking, and communication skills.

Important Dates:

Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Less: 50% Fee Concession on Administrative Fees	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$275
Total Fees to be paid (D)=(A+B+C)	\$2,500

(b) Installment for For Master of Science (Applied Statistics) Student taking Admission in Foreign National Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-	-	-
Academic Fees (Per Annum)	\$815	\$568	\$567	\$975	\$975
Institute Deposit (Refundable)	\$275	-	-	-	-
Installment	\$1,365	\$568	\$567	\$975	\$975
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	\$650
Three Sharing	\$650

Note:

- # ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2027 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:
 - (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
 - (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
 - (3) Concessional Hostel fees are applicable to Foreign National students @ \$ 650 per annum.
 - (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum."

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Science (Applied Statistics)

Semester: 1

Generic Core Courses

- Probability Distributions
- Probability Theory and Applications
- Sampling Theory
- Statistical Computing
- Multivariate Statistics-1
- Research Methodology

Semester: 2

Generic Core Courses

- Design of Experiments
- Linear Models
- Multivariate Statistical Analysis-2
- Statistical Inference
- Stochastic Processes
- Time Series Analysis
- Health and Wellness Module I
- Health and Wellness Module II

Semester: 3

Generic Core Courses

- Statistical Learning and Data Mining
- Computer Intensive Statistical Methods
- Statistical Machine Learning
- Internship

Generic Elective Course Group (Choose any one course)

- Flexi-Credit Course

Specialization Core Courses: Bio-Statistics and Data Analysis

- Survival Analysis
- Demography and Vital Statistics

Specialization Core Courses: Data Science

- Statistical Simulation
- Big Data Analytics

Specialization Core Courses: Industrial Statistics and Operations Research

- Stochastic Models in Finance
- Statistical Quality Control

Specialization Core Courses: Actuarial Statistics

- Survival Analysis
- Actuarial Mathematics

Semester: 4

Generic Core Courses

- Industry Project in Specialization
- Seminar

* Courses are subject to change

Please visit www.ssi.edu.in for information related to:

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation
- Health Care Services

- Head, Symbiosis Centre for Applied AI (SCAAI)
- head@scaai.siu.edu.in

Welcome to the dynamic world of engineering at SIT, where innovation is not just a goal but a way of life. At the forefront of technological advancements, we blend expertise, technology, and creativity to propel our community towards excellence. SIT stands as a centre for creativity, a beacon for learning, and a convergence point for ideas that shape the future. Our success is rooted in the unwavering commitment of our faculty members to academic rigour, groundbreaking research, and mentoring. Their dedication goes beyond the confines of classrooms, influencing the lives of our students in profound ways. Our overarching objective has always been to bring out the best in our students, moulding them into professionals with strong ethical and moral values. As you embark on your journey at SIT, you join a diverse community engaged in hands-on learning and cutting-edge research, paving the way for successful careers in business, government, or academia. Our faculty, involved in high-impact research across various domains, including Artificial Intelligence, Cyber Security, Blockchain, Data Science, Robotics, GIS, Nanoscience, Cloud Computing, Embedded Systems, Infrastructure Design and Building Information Modelling (BIM), ensures that our students are exposed to the latest advancements in their field. Through creative instruction, hands-on projects, and involvement in various student competition teams, our undergraduates and postgraduates receive an exceptional educational experience. Industry-sponsored capstone projects and internships further foster professional ties, laying the groundwork for post-graduation success. At SIT, we strive to create an inclusive and dynamic environment where excellence in teaching, research, and service is paramount. I look forward to working with each one of you and contributing to the success and growth of our vibrant engineering community. Should you have any comments, questions, or ideas, please feel free to email me at director@sitpune.edu.in.

Welcome to SIT, where your journey towards engineering excellence begins!

Expertise:

Dr. Ketan Kotecha is a highly acclaimed researcher and educator in deep learning, artificial intelligence, computer algorithms, and machine learning, with a passion for cultivating higher-order thinking skills and critical thinking. He has mentored over 20 PhD students to success, and his editorial board appointments with IEEE Access, PeerJ Computer Science journal, Cogent Journal by Taylor & Francis, and Frontiers Journals reflect his standing as a thought leader in the field.

Experience:

Dr. Kotecha is a world-renowned expert in AI and deep learning, with over 30 years of experience at the forefront of the field. He has recently achieved global recognition as one of the top 2% scientists worldwide, a distinction conferred by Stanford University. Dr. Kotecha has published over 380 Scopus-indexed papers, and a citation count of 8000+. He also has an impressive H index of 45 and I-10 index 188 and has more than 10 patents to his credit.

He has secured prestigious research funding for Applied AI projects, including a PURSE grant from DST under the Promotion of University Research and Scientific Excellence scheme worth INR 5.2 cores and a grant from the Ministry of Electronics and Information Technology (MeitY), Government of India, worth INR 199.04 lakhs. These grants reflect his standing as a leading researcher in the field, and his work has the potential to make a significant impact on society.

A highly acclaimed researcher with a track record of securing prestigious funding and awards, he has recently received the Indo-Canada Shastri grant SSTSG 2023-24, in collaboration with the University of Winnipeg, for his project on Multimodal Co-learning tolerance soft computing for Real-life Deep Learning Applications. In the past, he has been awarded SPARC projects worth INR 166 lacs from MHRD, Government of India, for AI projects with Arizona State University, USA, and the University of Queensland, Australia, respectively. He is also the recipient of numerous other prestigious awards, including the Erasmus Plus Faculty Mobility Grant to the University of Wroclaw, Poland; the DUO-India Professors Fellowship for research in Responsible AI with Brunel University, UK; a grant from the Royal Academy of Engineering, UK, under the Newton Bhabha Fund; the Going Global Partnerships Exploratory Grant from the British Council, UK, in collaboration with Aston University; and two projects from DST under the Indo-Italy and Indo-Serbia schemes, worth Rs. 70 lacs. He has also received a prestigious grant from the Academy of Medical Sciences, UK in the healthcare research area of Retinopathy of Prematurity and AI.

Dr. Kotecha has also secured consultancy projects on AI in healthcare with Philips and Avegen, two leading global companies in the healthcare and technology industries. Under his acumen leadership, SIT Pune has grabbed a significant INR 30 crore CSR grant from Bajaj Auto to establish the Bajaj Engineering Skills Training Centre (BEST) and a grant of INR 50 Lakhs from the Ministry of Telecommunication to setup 5G usecase lab in the domain of AI+telemedicine at SIT Pune. The BEST skill centre will provide advanced manufacturing skills training to engineering graduates, helping to bridge the skills gap and prepare them for the future workforce. Dr. Kotecha was awarded the prestigious LEAP grant from the Ministry of Human Resource Development, Government of India, to participate in a leadership training program at Cambridge University, UK, and IIT Kharagpur.

Dr. Kotecha has also been appointed as an Adjunct Professor at Swinburne University, Australia, a prestigious university with a global reputation for excellence in research and education. He is also a visiting professor at the prestigious UCSI University Malaysia. Recently he has been appointed as Honorary Professor at College of Engineering and Physical sciences at Aston University, UK. Under his leadership Symbiosis Institute of Pune has

partnered with prominent global universities such as Aston University and Loughborough University, United Kingdom for collaborative undergraduate programs.

A highly sought-after keynote speaker in the field of AI, Dr. Kotecha has been invited to address prestigious forums such as the Machine Intelligence Lab at USA, Pretoria University, South Africa, IIT Bombay under World Bank Project, Global Meet on Sensors and Sensing Technology in Italy, and the 2nd International Congress on AI and Machine Learning in the Czech Republic. Under Dr. Kotecha's visionary leadership, SIT Pune has become the most sought-after destination for students and faculty alike.

Institute Profile:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Automotive Technology)**
- **Master of Technology (Engineering Design)**
- **Master of Technology (Robotics & Automation)**
- **Master of Technology (Geoinformatics)**

Symbiosis was established by Prof. (Dr.) S. B. Mujumdar in 1971 with the motto of 'Vasudhaiva Kutumbakam' – the World is one Family and has been providing quality education in different disciplines like Law, Management, Computer Studies, Media and Communication, Humanities and Social Sciences, Medical and Health Sciences, Engineering and Architecture & Design. Today, Symbiosis has over 45,000 students from all the states of India and from over 85 countries. On 6th March 2022, Symbiosis celebrated the commemoration of its Golden Jubilee and we were honored to have the Hon'ble Prime Minister Shri Narendra Modi Ji who also inaugurated the **'Symbiosis Aarogya Dham'**

Symbiosis Institute of Technology, a constituent of Symbiosis International University was established in the year, 2008 and currently offers B. Tech and M.Tech programmes.

B. Tech programmes in Civil Engineering, Computer Science and Engineering, Electronics and Telecommunication Engineering, Mechanical Engineering, Artificial Intelligence and Machine Learning, Robotics and Automation.

M. Tech programmes in Artificial Intelligence and Machine Learning, Robotics and Automation, Engineering Design, Geo-informatics and Surveying Technology, Automotive Technology.

Research programmes leading to Ph. D. Degree in all disciplines were introduced in the Faculty of Engineering of Symbiosis International University in 2010.

With NBA-accredited programs to its credit, SIT emphasizes both foundational principles and cutting-edge advancements, boasting high-quality infrastructure, multimedia classrooms, state-of-the-art labs, high-end computing facilities with various latest software for simulations and other applications, well-stocked modern library with digital media and database, auditorium, seminar halls and separate hostels for boys & girls and playgrounds.

Symbiosis Institute of Technology, Pune, also hosts the Bajaj Engineering Skills Training (BEST) Centre and Telecommunications Consultants India Limited (TCIL) funded 5G lab to upskill engineering graduates in the contemporary and evolving technology landscape.

The institute fosters a dynamic learning environment, facilitating industry collaborations, global exchange programs, and honours courses, ensuring holistic development through exposure to diverse fields and hands-on projects. The Institute has international collaborations for student and faculty exchange with Nanyang Technological University Singapore, Ingolstadt University Germany, Purdue School of Engineering, IUPUI Indianapolis USA and Leibniz University Hannover.

The institute's long-term connections across academic and corporate circles help the student identify and pursue a niche early on in their career, thus giving them an edge in this time of fierce competition. The students undergo a semester long Industry Internship with stipend ranging from Rs. 10 k to 50 k.

The holistic curriculum at SIT Pune comprises subjects such as Creative Thinking, Design Thinking, Critical Thinking, Liberal Arts, Service Learning, etc besides core engineering subjects to realize the dream of Prof. Dr. S. B. Mujumdar Sir, Chancellor of SIU and founder of Symbiosis, of creating Global Engineers. Another advantage that the tech-enabled pedagogy of SIT, Pune helps with is familiarity with technology which will strengthen the resumes of the students in today's hybrid and tech-enabled working environment. The institution also provides the students to grow into leading academics as well as entrepreneurs, with platforms such as Symbiosis Centre for Entrepreneurship & Innovation (SCEI), a business incubator, funded and recognised by the government. A special diploma from SIBM and courses from other Symbiosis Institutes are offered to the students. The online courses from Coursera, MOOC, SWAYAM etc are offered to the students to enhance the quality education.

Research has always been an integral part of SIT's pedagogy. Most of our faculties and students publish research articles in top-indexed journals with high impact factor. The institute also contributes to the intellectual property by publishing patents and copyrights in the key domains of research. We are proud to have remarkable research achievements throughout the years!

SIT Pune is truly contributing to the engineering fraternity by providing quality education and global exposure to the students via international collaborations. research-driven learning and interdisciplinary problem solving.

Duration of the Programme:

- **Master of Technology (Artificial Intelligence and Machine Learning)** : 2 Years, Full Time, programme
- **Master of Technology (Automotive Technology):** 2 Years, Full Time, programme
- **Master of Technology (Engineering Design)** : 2 Years, Full Time, programme or 3 Years, Part Time, programme
- **Master of Technology (Robotics & Automation)** : 2 Years, Full Time, programme
- **Master of Technology (Geoinformatics)** : 2 Years, Full Time, programme

Intake:

- **Master of Technology (Artificial Intelligence and Machine Learning)** : 30 Students
- **Master of Technology (Automotive Technology)** : 30 Students
- **Master of Technology (Engineering Design)** : 30 Students
- **Master of Technology (Robotics & Automation)** : 18 Students
- **Master of Technology (Geoinformatics)** : 18 Students

Eligibility:

- **Master of Technology (Artificial Intelligence and Machine Learning)**

Engineering graduate (B. E./B.Tech) from any recognized University/ Institution of National Importance with a minimum of 50 % marks or equivalent grade (45 % Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes) in any engineering discipline

- **Master of Technology (Automotive Technology)**

Engineering graduate (B. E./B.Tech) from any recognized University/ Institution of National Importance with a minimum of 50 % marks or equivalent grade (45 % Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes) in any engineering discipline.

- **Master of Technology (Engineering Design)**

- **Master of Technology (Robotics & Automation)**

B.Tech./ B.E. in Mechanical /Electronics and Communication/ Computer Science/ Information Technology and other related disciplines with minimum four years duration from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes)

- **Master of Technology (Geoinformatics)**

Candidate should be an Engineering Graduate (BE/B. Tech), M.Sc. Geoinformatics, M.Sc. Physics, M.Sc. Geology, M.Sc. Environmental Science, M.Sc. Mathematics, M.Sc. Agriculture or equivalent from any statutory university with a minimum of 50% marks (45% for SC/ST).

Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks (45% for SC/ST) at qualifying examination.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Programme Profile:

M. Tech Programme (Yes/No)	Duration	Intake	Is Programme Residential
Artificial Intelligence and Machine Learning	2 Years	30	No
Automotive Technology	2 Years	30	No
Engineering Design	Full Time - 2 Years		
Part Time - 3 Years	30	No	
Robotics & Automation	2 Years	18	No
Geoinformatics and Surveying Technology(G&ST)	2 Years	18	No

Admission Process:

GATE qualified students can apply based on valid GATE Score.

Non-GATE students will be required to appear for an entrance examination and based on the score, admission will be offered. Scholarship is facilitated for Gate-qualified students Selected GATE candidates will also get teaching assistantship.

Important Dates:

Details	Date
Programme Registration Begins	23rd December 2024
Last date of Online registration	31st July 2025
Last Date of payment of Registration fees	31st July 2025
Announcement of First Merit list of Gate Candidate	25 March 2025
Last date for payment of fees for Gate candidates in the first merit list	30 March 2025
Entrance Test for Non-Gate Candidates	31 March 2025
Test Result of Non- Gate Candidates	31 March 2025
Announcement of First Merit list Non-Gate Candidate	1 April 2025
Last date for payment of fees for Non-Gate candidates in the first merit list	6 April 2025
Programme Commencement	4 August 2025(Tentative)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.sitpune.edu.in

Orientation and Pedagogy:

Method of Instruction:

The Institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare session and evaluation plan with rubrics wherever required of the course, learning material and detailed presentations, lab manuals. This is uploaded in Moodle as well as maintained as a course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a Dissertation Phase 1, Dissertation Phase 2 and Research Publication.

Industry Connect Cell at Symbiosis Institute of Technology, Pune

The Industry Connect Cell at Symbiosis Institute of Technology (SIT) Pune is a pivotal initiative designed to bridge the gap between academic learning and industry requirements. The cell is dedicated to enhancing students' readiness for the professional world through a variety of targeted activities and programs. Here are the key components of the Industry Connect Cell:

Industry Visits and Internships:

Objective: To provide students with first-hand experience of industrial operations.

Activities: Regularly organize visits to leading companies and facilitation of internships that offer practical exposure and insights into industry practices.

Guest Lectures and Workshops:

Objective: To keep students updated with the latest trends and technologies.

Activities: Inviting industry experts to conduct lectures and workshops, ensuring that the academic curriculum is complemented with current industry knowledge.

Live Projects and Research Collaborations:

Objective: To enhance practical learning and research skills.

Activities: Providing opportunities for students to engage in live projects and research collaborations with industry partners, fostering an environment of innovation and practical problem-solving.

Corporate Meets and Conferences:

Objective: To maintain strong industry connections and stay informed about the latest developments.

Activities: Facilitating regular interactions through seminars, corporate meets, and conferences. These events provide a platform for networking and knowledge exchange between students, faculty, and industry professionals.

Objectives of the Industry Connect Cell:

To organize campus interviews and placement drives with reputed companies.

To prepare students for campus interviews with comprehensive training programs.

To foster collaborations with industry for live projects, research work, and workshops.

To provide career counselling and skill enhancement opportunities for students.

Achievements:

Highest package offered: INR 50 LPA (2023-2024 academic year) (SIT Pune).

Active participation of students in various industry-related activities and initiatives.

a. Research and Development

SIU started Ph.D programme in Engineering from the academic year 2010-2011. Presently 284 students are pursuing their Ph.D from faculty of Engineering. 96 students have been awarded Ph.D. till date. SIT has taken various initiatives to mobilize the available knowledge resources for research and innovative solutions. SIT operates in cooperation to identify and initiate applied as well as multi-disciplinary research projects, create and combine patentable Intellectual Property (IP) components, and work to deliver funded research projects.

Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members are motivated to send research proposals in emerging areas to funding agencies within India and abroad. They also have a large number of publications in referred journals (SCOPUS and Web of Science) and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty and students have published more than 1228 papers in refereed journals in the year 2023-24, all of them are either in SCOPUS indexed or Web of Science journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. They also have published papers in referred journals. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas. Currently working on nine externally funded research projects and three SIU funded projects.

b. Internationalization

Internationalization at Symbiosis Institute of Technology (SIT), Pune aims to prepare students and expose faculty to become globally competent professionals. Symbiosis International University has agreements with more than 80 reputed foreign universities, of which, SIT is actively engaged with about 18 partner universities through various collaborative engagements. To facilitate a smooth transition to higher studies abroad, SIT has signed three agreements for Master's progression programs (4+1) with Loughborough University, UK, Aston University, UK and National Chung Hsing University (NCHU). Dual degree programs -B.Tech (2+2) in collaboration with University of East Anglia, UK -for B Tech (Mechanical Engg.) and with Deakin University, Australia for B Tech (Computer Science Engg.) and B Tech (Civil Engg.) will be floated from current academic year. Students are encouraged to participate in the Global Immersion Programme which includes six months Semester Abroad Programme as well as short-duration programmes (2 – 3 weeks) such as Summer Schools, Winter Schools, Industrial visits, Internships etc. in the partner Universities. Over the last four years, about 85 students have participated in various short and long-term global immersion programs. SIT faculty is actively involved in research with their international counterparts leading to 314 research articles in peer-reviewed international journals in past four years. The mobility of faculty is an important dimension of Internationalization. In the past four years, about 74 Foreign experts visited SIT for expert sessions, workshops, etc, while about 18 SIT faculty members travelled to associated foreign universities as a part of their research/academic pursuits. Bilateral research grants worth 3 crores is being actively pursued by SIT faculty. Research scholars at SIT get the opportunity to work with globally renowned faculty through an international co-supervisor. As of now, SIT has 35+ such international co-supervisors. Internationalization, thus inculcates the spirit of 'Vasudhaiva Kutumbakam' in students and faculty alike.

Active Memorandum of Understanding (MoUs) with Foreign Universities

Sr. No.	University / Institute	Country	Year	Nature of Engagement

SAE International conference OffTeCon2023 with chief Guest Mr Murli Iyar, SAE Global from USA, delegates from Automotive industries from India. SAE International Conference- OffTeCon2023 Day 2: 'Empowering mind, shaping tomorrow'. Brilliant minds came together to put forward an interesting presentation of ideas followed by felicitation and award distribution. Students of M. Tech batch 2023-25 participated in the conference.

MoUs signed with Foreign Universities

Symbiosis International (Deemed University) signed an MoU for Masters Progression Program with Loughborough University, UK on the 3rd of April 2023

MoU signed with University College Dublin (UCD) Ireland for joint Research and Students exchange in December 2022.

Memorandum of Understanding (MoU) with Adelaide University, Australia on 16th February 2024

Memorandum of Understanding (MoU) with National Chung Hsing University (NCHU), Taiwan on 5th April, 2024

Admission of International Students:

The process of International Student's Admissions at SCIE is designed taking into consideration the requirements and difficulties faced by International Students. The admissions are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through this office. The online admission procedure has made it accessible to each and every student from different parts of the world and in the comfort of their homes. In addition, various support services like assistance for issues related to residence permit, orientation to the rules and regulation of the Institute, medical facilities available and other miscellaneous matters of importance and interest during their stay also provided.

Placements:

The Institute has a very well organized placement and training cell. The infrastructure in placement cell includes a seminar hall for conducting pre-placement talks, discussion rooms, interview rooms and other necessary amenities. The cell has good associations with a large number of renowned companies who visit the institute for campus recruitments. All the students of the final year are prepared for campus interviews through special programmes on technical and soft skills, which would help them get prestigious jobs. SIT had a successful placement season with the participation of leading companies across sectors, offering coveted profiles to the students of B.Tech and M.Tech. Leading companies from a multitude of sectors participated in the final placements offering 'sought-after' profiles with competitive packages. The recruiter portfolio comprised a healthy mix of recruiters from IT sectors and fast growing start-ups. Further, few students, with their exceptional effort during their Internships and reputed corporate competitions were awarded PPOs (pre placement offers) by highly coveted companies. Year 2023-24 marked the presence of more than 130 companies which include a blend of IT companies, Consultancy firms, Manufacturing Units, Digital marketing firm, Edtech companies. To name a few Microsoft, IBM India Pvt Ltd, Nomura Services India Pvt Ltd, BMC Software, Trilogy Innovations, Persistent Systems Pvt Ltd, MiQ Digital India Pvt Ltd, Tiaa Global Business Services, Miniorange Security Software Pvt Ltd, Deloitte, Holtecasia, Credit Suisse Services India Pvt Ltd, Dure Technologies, Alliance Bernstein, Bajaj Group, StoneX, Precisely, Nvidia, Tresvista, Varroc, Verolt, Indexnine, Bharat Forge, FEV India, Equifax, Lear Corporation, SAS R&D, Tecnimont, Parkar Digital, Syngenta recruited students from SIT.

M. Tech 2022-2024 Package

Branch	Highest Package (in lacs / annum)	Average Package (in lacs / annum)
Artificial Intelligence Machine Learning	12,60,000	8,56,000
Embedded Systems	11,50,000	8,62,000
Robotics & Automation	100% internship but no conversion	

Successful HR Meet was conducted for the students of M.Tech Automotive Technology for batch 2023-25 at the Department of Mechanical Engineering, Symbiosis Institute of Technology, Pune on 18th May 2024, with HR leaders and higher authorities from 40 top companies. The focus was on "Bridging the Gap Between Academia and Industry."

Fee Structure

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS

Programme Fees For Master of Technology (Geoinformatics)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 295,000
Institute Deposit (Refundable)	₹ 20,000

Installment For Master of Technology (Geoinformatics)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 147,500	₹ 147,500	₹ 147,500	₹ 147,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 167,500	₹ 147,500	₹ 147,500	₹ 147,500
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model colony Campus only)	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	₹ 123,200

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Drones workshop in collaboration with IIT Bombay for M.Tech R&A students

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Technology (Geoinformatics)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$5,500
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,325

(a) Installment For Master of Technology (Geoinformatics) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	\$550	-	-	-	-
Academic Fees (Per Annum)	\$540	\$2,480	\$2,480	\$2,750	\$2,750
Institute Deposit (Refundable)	\$275	-	-	-	-
Installment	\$1,365	\$2,480	\$2,480	\$2,750	\$2,750
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2025	25-Jun-2026	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$1,290
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	\$1,530

(b) Fees Payable by the students taking admission in Foreign National Category.

Program Fees For Master of Technology (Geoinformatics)	Student taking Admission in
	(b) Foreign National Category 1st Year 2025-26 Amount in US\$
Academic Fees (Per Annum)	\$5,500
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #	\$3,550
Academic Fees (per Annum) to be paid (A)	\$1,950
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Less: 50% Fee Concession on Administrative Fees	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$275
Total Fees to be paid (D)=(A+B+C)	\$2,500

(b)Installment for For Master of Technology (Geoinformatics) Student taking Admission in Foreign National Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-	-	-
Academic Fees (Per Annum)	\$815	\$568	\$567	\$975	\$975
Institute Deposit (Refundable)	\$275	-	-	-	-
Installment	\$1,365	\$568	\$567	\$975	\$975
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov- 2025	25-Jun- 2026	25-Nov- 2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2025-26 Amount in US\$
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	\$650

Note:

- # ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2027 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:
- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
 - (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
 - (3) Concessional Hostel fees are applicable to Foreign National students @ \$ 650 per annum.
 - (4) Concessional Mess fees are applicable to Foreign National students @ \$ 560 Per annum."

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Technology (Artificial Intelligence and Machine Learning)

Semester: 1

Generic Core Courses

- Programming in Python
- Maths for Data Science
- Supervised Machine Learning and Advances
- Supervised Machine Learning and Advances Lab
- Exploratory Data Analysis
- Unsupervised Machine Learning and Advances
- Unsupervised Machine Learning and Advances Lab
- Research Methodology in Engineering
- Introduction to Deep Learning
- Introduction to Deep Learning Lab
- Data Visualization Tools and Software
- Implementations and Use Cases of Machine Learning Lab
- Health and Wellness Module I

Semester: 2

Generic Core Courses

- Graph Neural Networks
- Flexi-Credit Course
- Generative Adversarial Networks and Applications
- Generative Adversarial Networks and Applications Lab
- Natural Language Processing and Applications
- Natural Language Processing and Applications Lab
- Machine Vision
- Machine Vision Lab
- Technical Communication Skills
- Machine Learning and Bioinspired Optimization Techniques
- Health and Wellness Module II

Generic Elective Courses Group-I

(Choose any one Group - A To C)

Generic Elective Course Group

- A

- Reinforcement Learning and

Applications

- Reinforcement Learning and Applications Lab

Generic Elective Courses Group

- B

- Fundamentals of Responsible AI
- Fundamentals of Responsible AI Lab

Generic Elective Courses Group

- C

- Fundamentals of Multimodal AI
- Fundamentals of Multimodal AI Lab

Semester: 3

Generic Core Courses

- Dissertation Phase 1
- Flexi-Credit Course

Semester: 4

Generic Core Courses

- Dissertation Phase 2

Master of Technology (Automotive Technology)

Semester: 1

Generic Core Courses

- Applied Statistics and Numerical Methods
- Applied Statistics and Numerical Methods Lab
- Research Methodology in Engineering
- Technical Communication Skills
- Automotive Engineering Systems
- Materials for Automobile
- Power Electronics for Automobile
- Power Electronics for Automobile Lab
- Modelling and Simulation of EHV
- Integrated Disaster Management
- Health and Wellness Module I

Generic Elective Course Group - I (Choose any one course)

- Powertrain Management Systems
- Intelligent Transportation Systems

- Automotive HVAC
- Battery Management Systems

Generic Elective Course Group - II (Choose any one course)

- Automotive Embedded System
- Micro Electro Mechanical Systems
- In Vehicle Networking
- Plug-in Electric Vehicles in Smart Grid

Semester: 2

Generic Core Courses

- EV Noise Vibration and Harshness
- EV Noise Vibration and Harshness Lab
- Automotive AI
- Automotive AI Lab
- Vehicle Electronic Control Management System
- Testing and Certification of Automobile
- Electric and Hybrid Vehicles
- Automotive Electrical and Electronic Systems

- Flexi-Credit Course
- Health and Wellness Module II

Generic Elective Courses Group III (Choose any one course)

- Autonomous and Connected Vehicles
- Vehicle Dynamics and Control
- Automotive Safety and Cyber Security
- Future Mobility Solution

Semester: 3

Generic Core Courses

- Industry Project - I
- Flexi-Credit Course

Semester: 4

Generic Core Courses

- Industry Project - II
- Flexi-Credit Course

Master of Technology (Robotics & Automation)

Semester: 1

Generic Core Courses

- Programming Tools (Python)
- Research Methodology in Engineering
- Advanced Computer Integrated Manufacturing
- Additive Manufacturing
- Additive Manufacturing Lab
- Industrial Robotics
- Robotics lab
- Mechatronics and IoT
- Mechatronics and IoT Lab
- Strategic Project Management
- Health and Wellness Module I

Generic Elective Course Group

(Choose any one course)

- Digital Manufacturing
- Signal Processing and Application
- Production Technology

Semester: 2

Generic Core Courses

- Industrial Internet of Things
- Flexi-Credit Course
- Machine Learning and Artificial

Intelligence

- Supervised Machine Learning Lab
- Mechanisms and Robotics
- Mechanisms and Robotics Lab
- Autonomous Technology
- Modelling and Simulation Lab
- Technical Communication Skills
- Flexi-Credit Course
- Health and Wellness Module II

Generic Elective Course Group - I

(Choose any one Courses Group - A To D)

Generic Elective Course Group

- A

- PLC and SCADA
- PLC Programming Lab

Generic Elective Course Group

- B

- Cyber Physical Security and cloud computing
- Cyber Physical Security Lab

Generic Elective Course Group

- C

- Machine Vision and Image Processing
- Machine Vision and Image processing Lab

Generic Elective Course Group

- D

- Smart Manufacturing and Digital Twins
- Smart Manufacturing and Digital Twins Lab

Semester: 3

Generic Core Courses

- Dissertation Phase 1
- Flexi-Credit Course

Semester: 4

Generic Core Courses

- Dissertation Phase 2

Master of Technology (Geoinformatics)

Semester: 1

Generic Core Courses

- Applied Statistics
- Python for Geospatial Technology
- Web Design Technologies
- Global Navigation Satellite System
- Cyber Security
- Fundamentals of Geographic Information Systems Lab
- Fundamentals of Remote Sensing Lab
- Global Navigation Satellite System Lab
- Fundamentals of Remote Sensing
- Health and Wellness Module I
- Fundamentals of Geographic Information Systems
- Research Methodology in GIS
- Applied Statistics Lab
- Database concepts and SDBMS
- Health and Wellness Module I
- Python for Geospatial Technology Lab
- Database concepts and SDBMS Lab

Semester: 2

Generic Core Courses

- Research Paper Writing
- Digital Image Processing In RS
- Spatial Modeling and Analysis
- Advance Python Programming for spatial Analytics
- Web GIS and Application Design
- Digital Photogrammetry
- Spatial Modeling and Analysis Lab
- Digital Image Processing In RS Lab
- Advance Python Programming for Spatial Analytics Lab
- Web GIS and Application Design Lab
- Digital Photogrammetry Lab
- Spatial Big Data and Storage Analytics
- Machine Learning for Remote Sensing
- Health and Wellness Module II
- Flexi-Credit Course
- Health and Wellness Module II

Generic Elective Courses Group

- Geoinformatics Applications in Natural Resource Management
- Geoinformatics Applications in Human Settlement
- Land Surveying
- Geospatial Application in Agriculture
- Geoinformatics applications in Facility and Utility management
- GIS for Health Care Management

Semester: 3

Generic Core Courses

- Dissertation Phase 1

Semester: 4

Generic Core Courses

- Dissertation Phase 2

* Courses are subject to change

Please visit www.sitpune.edu.in for information related to:

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation
- Health Care Services

M.Tech career opportunities in Software Automation and interview preparation

Workshop on Machine Learning and Computer vision for the students of M.Tech R&A

SYMBIOSIS INTERNATIONAL UNIVERSITY

**Symbiosis Institute of
Geoinformatics
(SIG)**

SYMBIOSIS INSTITUTE OF GEOINFORMATICS (SIG)

Contact Details:

Symbiosis Institute of Geoinformatics

5th Floor, Atur Centre, Gokhale Cross Road, Model Colony, Pune – 411016, Maharashtra

Telephone number: 020 – 25672841 / 43

Email: admissions@sig.ac.in

Website: www.sig.ac.in

Dr. Tarun Pratap Singh
Director

Director Profile:

Dr. Tarun Pratap Singh has twenty-four years' experience in the field of Geospatial Technology, Geointelligence, Data analytics, Climate extremes in India and abroad. He has started his career in Geospatial technology from the Indian Institute of Remote Sensing (ISRO), where he has worked on the projects of national importance.

He has earned his Ph.D. degree in the area of satellite Image Classification Techniques from Indian Institute of Remote Sensing and HNB Garhwal Central University, Srinagar and M.Phil. in Geo Engineering from College of Engineering, Vishakhapatnam.

Dr. Singh has received Master's Degree in remote sensing from Sorbonne University, Paris, France erstwhile Pierre and Marie Curie University (UPMC), Paris University VI, France and M.Sc. from University of Lucknow in Environmental Science. He has received the European Professional Higher Post Graduate Diploma in Geoinformatics from GDTA (Institute under French Space Agency) in association with Paris University VI France, University of Lisbon, Portugal and Warsaw University of Technology Poland.

Dr. T.P. Singh has worked on LiDAR technology at the University of Freiburg, Germany on Automatic feature extraction. Before, taking academic position at Symbiosis, he has served at different government centers.

Dr. Singh received Mahaveer Prasad Dewedi Special Achievement award on the work of Geospatial Technology.

Dr. T. P. Singh has also received DGSI National Gyan Ratna Award on Geospatial Technology at Banaras Hindu University (BHU), Varanasi in 2023.

Dr. T. P. Singh is the member of many professional bodies including Chairman of Indian Society of Geomatics, Pune Chapter. He is also secretary of Indian Society of Remote Sensing Pune Chapter. Member of Sentinel Asia, Japan, Tsunami Group. Dr. Singh is a Member of Landslide Technical committee, Govt. of Maharashtra. He has been appointed as a member of National Accreditation Assessment Committee (NAAC), Assessor committee for 5 years. Dr. Singh was invited by UNOOSA (United Nation Office for Outer Space Affairs) in 2018 at Austria to talk on Space Technology and Sustainable goals. He has edited many books in the field of Geospatial Technology, Climate Change and Natural Resource Management and published several papers in the peer reviewed high impact factor journals.

Institute Profile:

Symbiosis Institute of Geoinformatics (SIG) was launched in 2004, as an autonomous institute, with a vision to create a potential trained human resource to meet future industry and society demands of this newly developing technology and welfare of the society at large. Personalities from research, academia, and industry representatives, assisted with a vision to formulate the program. In year 2006 SIG become a constituent of Symbiosis International

(Deemed University).

In the past twenty years, milestones achieved included, recognition by the AICTE, UGC, warm-hearted response of the industry for placements, 100% placements of all eligible students since inception and numerous accolades at the national and international meets.

It is noteworthy that Dr. S. B. Mujumdar launched an institute in this niche field in 2004 with a futuristic vision, while the Government of India has launched Digital India Smart Cities, Jal Shakti which will not be completed without exploring the full potential of this new technological tool to fully fill the mission. This indicates a long-term vision of the Chancellor of University and President of Symbiosis to explore future technology in the interest of society. Post Graduate Degree Programmes of SIG are well defined. It involved step-by-step introduction to curriculum, sufficient practice to give confidence to students, assignments and projects for continuous evaluation of progress of the students and industry interaction to expose students to the corporate world.

Apart from achieving competency in technical fields, value-added and human relations-based programmes alter mindset and change attitude of the individuals to achieve goals desired by the industry. These have been much appreciated by the industry. The institute achieved an award on Excellence in Education from ESRI India, one of the global leading companies in Geospatial Technology and leader in capacity building by Geospatial World Institute, also a member of United Nations Global Geospatial Information Management (UN-GGIM).

Programme Profile:

- **Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)**

The M.Sc. in Geoinformatics at Symbiosis Institute of Geoinformatics (SIG) is an 80-credit, four-semester program including two major projects. Geoinformatics involves analyzing spatial data from satellites and other sources using geospatial technology like Remote Sensing, GIS, GNSS, and IT. It benefits various sectors such as urban planning, public health, environmental modeling, military operations, transport planning, agriculture, and climate change. The expertise in geoinformatics is essential for decision-making, with many agencies relying on spatial data. SIG is a leading institution in India, offering quality education and opportunities in geoinformatics for students from diverse scientific and technical backgrounds.

- **Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA))**

SIG offers some of the best data science and AI courses in India, addressing the growing importance of AI, Machine Learning, and Deep Learning in various fields like finance, healthcare, and earth observations. The rapid increase in earth observing data has driven advancements in Geo-intelligence and business intelligence. Deep Learning, particularly Neural Networks, effectively captures complex patterns in spatial data with high accuracy. SIG's MSc Data Science and AI courses teach these advanced techniques, enabling students to build models and discover hidden patterns, making it one of the top programmes in India for aspiring data scientists and AI professionals.

Area of Specialization (choose any one):

- Artificial Intelligence Algorithms
- Geointelligence

- **Master of Science (Data Science and Spatial Analytics) Dual Degree Programme**

The Dual Degree Programme in Data Science and Spatial Analytics, from SIG and Artificial Intelligence Machine Learning, and Space Science from RUDN University Russia offers a unique and comprehensive education. In the first year, students are immersed in courses related to the M.Sc. in Data Science and Spatial Analytics at Symbiosis Institute of Geoinformatics, Pune, where student learn in data science, data governance, data engineering, python for data science and spatial technologies.

In the second year, students transition to RUDN University, Russia, where they delve into topics such as Artificial Intelligence, deep learning, Dynamics and control of space system, Machine Learning and Advance method of space flight mechanics This interdisciplinary approach equips graduates with cutting-edge skills in Data science, spatial analytics, AI and ML, along with a specialized understanding of space science which will be beneficial to Data science, AI and thriving space industries.

Upon completing the programme, graduates are awarded dual qualifications: a M.Sc. in Data Science and Spatial Analytics from Symbiosis International (Deemed University) and a Master's Diploma (Masters of Science Degree) in AI, ML, and Space Science from RUDN University, Russia. This international exposure and dual expertise prepare graduates for global career opportunities in emerging fields.

Duration of the Programme

- **Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)** : 2 Years, Full time programme
- **Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA))** : 2 Years, Full time programme
- **Master of Science (Data Science and Spatial Analytics) Dual Degree Programme** : 2 years (1 year in SIG and 1 year in RUDN)

Intake:

- **Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)** : 60 Students
- **Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA))** : 60 Students
- **Master of Science (Data Science and Spatial Analytics) Dual Degree Programme** : 10 Students

Eligibility:

- **Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)**

Graduate in Engineering, IT, Science, Computer Science, Agriculture, Geography, Planning, Architecture, Commerce and Management from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes)

- **Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA))**

Graduate in Engineering, IT, Science, Computer Science, Computer Application of any recognised university/ Institution of National Importance with 50% minimum of marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

- **Master of Science (Data Science and Spatial Analytics) Dual Degree Programme**

Graduate in Engineering, IT, Science, Computer Science, or Computer Application of any recognised University/ Institution of national importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste /Scheduled Tribes). Admission will be based on a Personal Interview (PI).

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

Admission Process:

- **Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)**

Indian Students –Logical Reasoning (MCQ) and Writing Ability Test and Personal Interaction, For International Students: As per procedure prescribed by SCIE

- **Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA)**

Indian Students –Logical Reasoning (MCQ) and Writing Ability Test and Personal Interaction
For International Students: As per procedure prescribed by SCIE

- **Master of Science (Data Science and Spatial Analytics) Dual Degree Programme**

Indian Students –Logical Reasoning (MCQ) and Writing, Ability Test and Personal Interaction
For International Students: As per procedure prescribed by SCIE

Important Dates:

- **Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)**

Details	Date
Programme Registration Begins	10th Oct 2024
Last date of Online registration	3rd March 2025
Last Date of payment of Registration fees	3rd March 2025
Announcement of Shortlist for WAT and Personal Interaction	05th March 2025
Personal Interaction & WAT (Online)	06th & 07th March 2025
Announcement of First Merit list	12th March 2025
Last date for payment of fees for candidates in the first merit list	27th March 2025
Programme Commencement	25th July 2025

- **Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA))**

Orientation and Pedagogy:

A week-long Orientation programme is conducted in the first week of their joining. This programme helps them as ice breaking session. It comprises of Stress Management, Time Management and Self-Management.

The Pedagogy used in conducting of M.Sc. programme is Classroom Sessions, Hands on practical Sessions, Field Visits, Group Project, Guest Lectures and Internship. Students are also given a chance to work on live projects. All the Classrooms are ICT enabled. The Medium of teaching is English.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INDIAN STUDENTS

Programme Fees For Master of Science (Geoinformatics)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 295,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Data Science & Spatial Analytics)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 300,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Data Science & Spatial Analytics) & Master of Science (AI, ML, and Space Science)	1st Year Academic Year 2025-26 (Amount in ₹)
Academic Fees (Per Annum)	₹ 450,000
Institute Deposit (Refundable)	₹ 20,000

Installment For Master of Science (Data Science & Spatial Analytics) & Master of Science (AI, ML, and Space Science)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 214,500	₹ 214,500		
Institute Deposit (Refundable)	₹ 20,000	-		
Installment	₹ 234,500	₹ 214,500	*	
Last date of payment	At the time of Admission	28-Apr-2025		

Installment For Master of Science (Geoinformatics)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 147,500	₹ 147,500	₹ 147,500	₹ 147,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 167,500	₹ 147,500	₹ 147,500	₹ 147,500
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

Installment For Master of Science (Data Science & Spatial Analytics)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 150,000	₹ 150,000	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 170,000	₹ 150,000	₹ 150,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2025	25-Jun-2026	25-Nov-2026

Installment For Master of Science (Data Science & Spatial Analytics) & Master of Science (AI, ML, and Space Science)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 225,000	₹ 225,000	*	
Institute Deposit (Refundable)	₹ 20,000	-		
Installment	₹ 245,000	₹ 225,000		
Last date of payment	At the time of Admission	28-Apr-2025		

*Under the existing M. Sc.(Data Science & Spatial Analytics) & M. Sc. (AI, ML, and Space Science) programme; as a separate stream a Dual degree in M. Sc.(Data Science & Spatial Analytics) & M. Sc. (AI, ML, and Space Science) with RUDN University, Russia will be offered. The student enrolled under this stream will spend first year at SIG and second year at University of with RUDN University, Russia

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model colony Campus only)	1st Year Academic Year 2025-26 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	₹ 123,200

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be 1.5 time of the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure**(Annexure II)****Approved Fee Structure for Batch 2025-2027 in the Academic year 2025-2026 - INTERNATIONAL STUDENTS**

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Science (Geoinformatics)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$5,500
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,325

Programme Fees For Master of Science (Data Science & Spatial Analytics)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$5,600
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,425

Programme Fees For Master of Science (Data Science & Spatial Analytics) & Master of Science (AI, ML, and Space Science)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2025-26 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$5,600
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,425

(a) Installment For Master of Science (Geoinformatics) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in \$)			2nd Year (Amount in \$)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	\$550	-	-	-	-

@ Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year.

Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Master of Science (Geoinformatics) - (M. Sc. Geoinformatics)

Semester: 1

Generic Core Courses

- Principles of GIS
- Principles of Remote Sensing
- Applied Statistics
- Python for Geospatial Technology
- Logic Development and Programming Concepts
- Research Methodology in GIS
- Global Navigation Satellite Systems
- Health and Wellness Module I

- Principles of Database Management System
- Spatial Analysis
- R for Spatial Science
- Programming for Enterprise GIS
- Flexi-Credit Course
- Health and Wellness Module II

Generic Elective Course Group - I (Choose any one course)

- Geoinformatics Applications in Natural Resource Management
- Mobile GIS
- Geoinformatics applications in Facility and Utility management

Semester: 2

Generic Core Courses

- Geo Image Processing
- Photogrammetry
- Advance Python Programming for Spatial Analytics
- Essentials of Internet and Web Technologies

Semester: 3

Generic Core Courses

- Summer Project
- Spatial Data Base Management
- GIS Application Design
- GIS Project Management
- Organizational Behaviour
- Business Communication
- Spatial Modeling
- Web GIS
- Flexi-Credit Course

Generic Elective Course Group-II (Choose any one course)

- Geospatial Application in Agriculture
- Application of Geospatial Technology in Urban Development
- Disaster Scenario mapping

Semester: 4

Generic Core Courses

- Industry Project

Milap 2023_Alumni Meet

Programme Structure:

Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA))

Semester: 1

Generic Core Courses

- Mathematics for Spatial Sciences
- Statistics and Probability
- Business Communication
- Integrated Disaster Management
- Introduction to Geospatial Technology
- Introduction to Database Management System
- Principles and Practices of Data Protection
- Python for Data Science
- Research Methodology in Computational Sciences

Semester: 2

Generic Core Courses

- Machine learning
- Data Driven Governance
- Inferential Statistics
- Flexi-Credit Course
- SQL and Spatial Database management

Specialization Core Courses:

Artificial Intelligence Algorithms

- Big Data Analytical Techniques

and Practical Applications

- Programming for computational sciences
- Computer Vision
- Applied Data Analytics with Python

Specialization Core Courses:

Geointelligence

- Advance Python Programming for Spatial Analytics
- Programming for Spatial Sciences
- Geospatial Analytics
- Spatial Big Data and Storage Analytics

Semester: 3

Generic Core Courses

- Summer Project
- Artificial Intelligence
- Deep learning
- Flexi-Credit Course
- Spatial Modeling

Generic Elective Course Group (Choose any one course)

- Data Driven Banking, Insurance and Finance
- Data Driven Forensics and

Crime Investigation

- Data Driven Journalism
- System Dynamics Simulation
- IOT Spatial Analytics
- Spatial User Interface design and Implementation

Specialization Core Courses:

Artificial Intelligence Algorithms

- Block Chain Technology
- Introduction to Natural Language Processing
- Operations Research and Optimization Techniques

Specialization Core Courses:

Geointelligence

- Citizen Science and Geospatial Technology
- Web GIS
- Machine Learning for Remote sensing

Semester: 4

Generic Core Courses

- Industry Project

***Courses are subject to change**

Programme Structure:

Master of Science (Data Science and Spatial Analytics) Dual Degree Programme

Semester : 1

Generic Core Courses

- Mathematics for Spatial Sciences
- Statistics and Probability
- Introduction to Geospatial Technology
- Relational Database Management System
- Principles and Practices of Data Protection
- Python for Data Science
- Business Communication

- Research Methodology in Computational Sciences
- Health and Wellness Module I

Semester : 2

Generic Core Courses

- Machine learning
- Inferential Statistics
- Data Driven Governance
- Spatial Data Base Management
- Flexi-Credit Course
- Big Data Analytics
- Programming for

computational sciences

- Applied Data Analytics with Python
- Computer Vision
- Flexi-Credit Course
- Health and Wellness Module II

She is a Distinguished Visiting Professor at The West Bengal National University of Juridical Sciences, member of the Academic Council at Maharashtra National Law University, Aurangabad, resource person at NJA, Bhopal and PhD referee to many NLUs, JNU and many state universities. She is awarded with the most coveted professional achievement, 'Jean Monnet Chair Professor for EU Climate Justice Law, Governance, Management and Policy (EUC-LAMP)' Co-funded by the Erasmus+ program of the European Union. She is team member of global evaluation and accreditation IALS, USA. She has guided 15 PhD, 100+ masters thesis and currently she is guiding 8 students. She is leading the SPARC project, she has 4 EU Grants, She undertakes NADFM training and also on MCCIA committee.

Institute Profile:

Symbiosis Law School, Pune (SLS, Pune) stands for excellence in legal education and is nestled in the city of Pune (popularly known as the Oxford of the East, with the glorious heritage of being the capital of the Peshwas). Symbiosis Law School, Pune piloted and enriched by the vision of Dr. S.B. Mujumdar, was established in 1977 under the illustrious banner of Symbiosis Society. Since 2007, SLS, Pune has been ranked top 10 amongst more than 1000 Law Schools in India by the India Today-Nielsen survey, ranked 5th in the India Ranking 2024; 6th in India Ranking 2023: Law (NIRF 2023), Government of India. SLS Pune has been awarded All India Rank 1 and in

the category of 'Top Supreme Law Schools' by the CSR-GHRDC Law Schools Survey 2022, 2023. SLS Pune has been awarded as the Best Law College by CSR in 2022, 2023, 2024 and ranked number 1 rank in Top 50 Private Law Colleges in India by IIRF 2022, 2023, 2024 Law category.

SLS Pune also received the Best College Award amongst top 3 in Virtual 'IPTSE awards & IPTSE Conclave' dated 28 April 2021 during the eve of World IP Day. This stature is attained through its various programs such as 5-year integrated Undergraduate Programs like Bachelor of Arts and Bachelor of Laws [BA. LL.B. (Hons.)] and Bachelor of Business Administration and Bachelor of Laws [BBA. LL.B. (Hons.)], 3-year LL.B. and One-year LL.M program with various specializations (10 Specialisation). SLS, Pune also successfully administers one Diploma Program (Diploma in International Business Law) & Certificate Courses and 'Development of a Master Level Programme: International Law and Forced Migration Studies'. It has been a partner in the EURASIA Project funded under Key Action 2 Capacity Building in the Field of Higher Education of the Erasmus + Program (2017-2021). The project developed the capacity of faculty members for European Studies by faculty mobility and by developing 28 courses focused on European Legal Studies and incorporating the best practices of European and Asian Universities. The institute also houses the 21st Teach Skills Lab and CCP_Law Lab. It also holds partnerships under DAAD - A New Passage to India with Leibniz University, Hannover and Brunswick European Law School, Ostfalia University of Applied Sciences, Germany and is a part of the DAAD programme with Berlin School of Economics and Law.

SCALSAR:

SLSP has established Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It is the umbrella for research, quality publications, government interface, hosting scholars in residence, interdisciplinary legal studies and research projects, training teachers and designing training modules. It has 3 research clusters: Science Technology Innovation Law, Rule of Law in Context and Comparative Law. Every year SCALSAR organizes an International Research Conference which has become popular as SYMROLIC representing Rule of Law with Indian and Global perspectives, aligning it with the SIU's vision of an interdisciplinary conference and connecting to different fields such as that of Innovation, Science, Technology, Human Behaviour, Global Policy and Governance. The purpose of SCALSAR under the Faculty of Law SIU, Symbiosis Law School Pune is to centre- stage research, encourage quality publications, act as think-tank to government, host scholars in residence, undertake interdisciplinary legal studies and research projects, training teachers and designing training modules. SCALSAR contributes under three verticals viz. Science technology and Innovation Law, Rule of Law in Context and Comparative Law.

In the last one year, the Centre has published more than 65 research papers in SCOPUS listed journals / WoS indexed journals by the SLS Pune faculty members and some PG / PhD students, now totalling upto 751 publications. Balancing the social agenda, the community legal care centre of SLS Pune is engaged in the Prison Advocacy program of Mumbai High Court through Prison Clinic, Mental hospital clinic in collaboration with District Legal Aid Services Authority and has clinics in villages and inner city.

Programme Profile:

SLS, Pune offered 2-year LL.M program from 2003-2013. It is one of the pioneer institutions in the country to initiate the One-Year LL.M Programme in 2013. The post-graduate programme is offered through the Center for Postgraduate Legal Studies (CPLS), with an objective to create research-centric intellectuals and academicians. There is an emphasis on an interdisciplinary approach in the study of law and research orientation underlining the relevance of research methodology with utmost technical precision and scientific sophistication. The students have an option of a cafeteria approach in terms of specialization, cross specialization courses combining innovation, cutting edge legal acumen and theoretical insights.

With emphasis on research and publication under the umbrella of SCALSAR (Symbiosis Center for Advanced Legal Studies and Research), faculty and students are engaged in publishing the results of their research. The success reflects in a large number of students entering corporate sector, Law firms, academics, higher research, army and judicial services.

A) Specializations offered:

1)	Business and Corporate Law
2)	Constitutional Law and Administrative Law
3)	Innovation, Technology and Intellectual Property Law
4)	Criminal Law and Security Law
5)	Human Rights Law
6)	Law, Policy and Good Governance
7)	Family Law
8)	EU Law and International Law
9)	Telecommunication, Media and Technology Law
10)	Climate Change Law and Policy* (approval in process)

Note: A specialization will be offered subject to minimum 5 admissions in the Specialization Group.

B) Unique Features of the One Year LL.M. Programme:

- Specialized Centre for Postgraduate Legal Studies (CPGLS) works in a unique association with Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR).
- Experienced & internationally trained faculty-members, including experts from the Bar & Bench and industry.
- Unique differentiator of legal writing by US faculty.
- Top class and up-to date academic content and mentor-faculty (1:10).
- Peer learning with international students from different countries.
- Special emphasis on Research and publication – in the year 2023 around 97 articles are published affiliated to SI(DU) Pune in international and national journals of repute including 65 in Scopus/WOS journals. In the year 2024 (till July 2024) around 73 articles are published affiliated to SI(DU) Pune in international and national journals of repute including 62 in Scopus/WOS journals.
- Institutionalized skill development through specialized Symbiosis Skill Centre.
- Mapping of courses with skill centric sessions with a unique blend of theory and skills through mock teaching, dissertation, viva-voce, research methods, etc.

- Comprehensive internationalization and collaborations including faculty & students exchange.
- Compulsory European Union law and Human Rights law courses as international attribute to the courses with elaborate career mentoring.
- Unique competencies for career in judiciary, industry, academia and profession.
- State of the art infrastructure.
- ICT-enabled learning resources.
- Comparative curriculum, innovative pedagogy and eminent visitors.
- Structured career and placement guidance.
- Medium of Instruction: English
- Pattern of Programme: Semester Pattern: Total 2 Semesters

Duration of the Programme:

- **Master of Laws** : **One Year (Full Time) Non-Residential**

Intake:

: 100 Students*

Eligibility:

Three Years or Five Years LL.B. degree from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms.

ADMISSION PROCESS:

Admission to LL.M. (One Year) programme is conducted through the following procedure:

Step 1: Apply online at symlaw.ac.in

Step 2: a. Appear for the All India Admission Test (AIAT) CBT (Centre Based Test)
b. Appear for Personal Interaction (Online PI)

Symbiosis All India Admission Test (AIAT):-

All Admission to LL.M (One Year) is offered through Symbiosis All India Admission Test (AIAT), which will take place in an Centre Based Test (CBT) mode at select test centres across India. (The list of test centres may be found in the AIAT Registration Portal) The AIAT consists of:

Written Test (CBT Mode) (comprising of objective and subjective written test to assess the aptitude for teaching, research, legal aptitude and basic legal knowledge)- Weightage 70 %

Test Duration: - 105 minutes

Personal Interview (PI) (Online) - (Personal Interview is intended to test the personal Attributes, Fitment, Work Experience, Publications and Statement of Purpose)- Weightage 30%.

PI Duration: - 10 minutes (approx).

Verification of Educational Qualification Documents and Eligibility:

Candidates need to furnish their educational qualification documents as per the directions of SLS Pune/SIU for verification at the time of appearing for the AIAT. If any candidate fails to furnish the documents at the time of appearing for the AIAT for verification the candidate will not be permitted to appear for the AIAT. Further, the candidates, who are shortlisted in the merit list after the AIAT, need to submit a list of documents to acquire eligibility to be admitted to the LL.M. Programme at Symbiosis Law School, Pune. If the candidate does not submit the document for eligibility purposes, admission of the same candidate stands cancelled.

Note: You are requested to bring a Statement of Purpose (SOP) not more than (250 words) and one reference (one page each) from the Head or Supervisor of your Institute at the time of appearing for the PI. It will be verified as a part of the document verification process.

Refund Policy

In case of cancellation of admission or non-fulfilment of eligibility criterion, the candidate may apply online for a refund of tuition fees and deposit. The refund will be made as per the refund policy of SIU.

Preparation of merit list & allotment of specialisation for LLM at SLS Pune:**Steps for preparation of merit list/s:****Step 1: Generic Merit List:****Process of preparation of first merit list:**

Preparation of consolidated/generic merit list: A consolidated/generic merit list will be prepared as per the AIAT score and total intake for open and other reserved categories.

Hypothetical Example : If there are a total 50 seats for the open category, the institute will add around 20% to 30% extra i.e. $50+13=63$ and prepare the consolidated/generic merit list of 63 candidates from the open category. These 63 candidates will be selected based upon their AIAT score irrespective of their preferred specialization.

Step 2: Allocation of specialisation: -

Allotment of the specialization to the candidates selected in consolidated/generic merit list: The candidate, who is selected in the consolidated/generic merit list, will be allotted a particular specialisation depending on:

(a) The marks scored in AIAT;

(b) The preferences of specialisations provided by the candidate while filling out the registration form for AIAT.

Allocation of the specialisation will be based upon the cut-off marks of the concerned specialisation as determined

from the merit list and the number of seats in each specialization. The total number of seats shall be equally divided among all the offered specialisations in a particular academic year.

***Note:** The offering of a specialisation in a particular academic year will be subject to minimum 5 admissions in the concerned specialisation group.

Process of allotment of specialization to the candidates selected in consolidated/generic merit list:

After the preparation of consolidated/generic merit list, the institute will start allotting the specialisation for each candidate from consolidated/generic merit list based upon their marks in AIAT and preferences selected by the candidates. The Institute will start with the first candidate. He/she will be given his/her first specialization. In this hypothetical example, the process will go on till the 10 seats for open category are filled for each specialisation. If a candidate has selected “Business & Corporate Law” as his/her first preference and 10 seats are filled in “Business & Corporate Law”, the institute will allot him/her second preferred specialisation according to his/her marks in AIAT. The candidate will not be allotted him/her first specialization i.e., “Business and Corporate Law” because 10 seats allotted to Business and Corporate Law are exhausted. He/ She will be allotted his/her second preference. If the 10 seats for the course selected as 2nd preference are also full, the institute will allot third or fourth preference provided by the candidate while filling out the registration form.

Kindly note, in case a candidate does not fall within the merit list of any 4 of his/her preferred specialisations according to his/her AIAT marks, the institute has the discretion to allot an appropriate specialization to the candidate from the remaining available specializations.

Subsequent to the allotment of specialisation, a specialisation-wise merit list shall be published and offer letter shall be sent to the merit listed candidates.

The Institution shall provide admissions in all the specialisations as per the merit, however, the waitlist number of the candidate is subject to variation as per rule no. 8.5.2 of One Year LL.M Admissixon Process & Rules, 2024. Therefore, no wait list number will be provided/assigned to the waitlisted candidates.

Process of preparation of second merit list:

After the last date for admission as per the first merit list, the institute will check the total admitted candidates and based upon the seats available in each specialization, the following process will be followed:

Forfeiture and deemed for feature: If a candidate is offered first preference in first merit list but has not taken the admission:

The candidate who has not taken admission after offering him/her first preference of specialisation (refuses or does not take admission) within the stipulated period will forfeit his/her claim of admission. It means his/her candidature will not be considered for second and subsequent merit lists. No email or any communication for negotiating or requesting change in admission shall be considered. It cannot be raised as a ground for holding the seat or right to admission.

Hypothetical Example: If Mr./Ms. “A” is offered his/her preference -1 in the first merit list, but he/she didn't take admission before deadline of the admission for the first merit list and requested more information or change of specialisation, Mr./Ms. “A” will not be considered for second merit list. Since, Mr./Ms. “A” has not taken admission after offering his/her first preference given by him/her; he/she will forfeit his/her claim of admission in second and subsequent merit lists.

The above logic will be applied while preparing the second & the subsequent merit list.

If a candidate is offered second, third or fourth preference in the first merit list but he/she has not taken the admission:

If a candidate is offered admission in his/her second/third/fourth preference but he/she does not take the admission at SLS Pune, the candidate will be waitlisted and will be considered for second merit list subject to availability of seats. In the second merit list, allotment of specialisation will be done according to seats available in the specialisations, his/her AIAT score and preference of specialisation given by him/her at the time of registration.

The following process will be followed for the allotment of specialization:

- a. If a candidate is allotted his/her fourth preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first, second and third preference.
- b. If a candidate is allotted his/her third preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first and second preference. His/her candidature will not be considered for third and fourth preference.
- c. If a candidate is allotted his/her second preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first preference. His/her candidature will not be considered for second, third and fourth preference.

If a candidate is offered second/third or fourth preference in the first merit list and has taken the admission at SLS Pune:

If a candidate is offered his/her second/third or fourth preference in the first merit list and has taken admission at SLS Pune, the candidate will be given the option to change the specialization.

Process for change of specialisation after taking admission at SLS Pune:

- The admitted candidate may make an application within the stipulated time to change his/her specialisation.
- The application for change in specialization will be considered keeping in view:
 - a) the candidate's score in AIAT.
 - b) cut-off marks of the concerned specialization in subsequent merit list;
 - c) the number of vacant seats in the concerned specialisation.

If a candidate is offered first/second/third or fourth preference in first or any other merit list and has taken admission at SLS Pune and cancelled the admission subsequently:

If a candidate has taken admission in any specialisation and cancelled the admission for whatever reason, the said candidate will forfeit his/her claim of the admission in subsequent merit lists.

International Students:

Symbiosis International (Deemed University) (SIU) admits international students through Symbiosis Centre for International Education (SCIE). All international students aspiring for admission to the institutes of SIU (including SLS, Pune) are required to contact the following office:

Symbiosis Centre for International Education (SCIE)

Symbiosis Society, Senapati Bapat Road,

Pune – 411 004, Maharashtra, India

Phone: +91 20 25671905 Fax: +91 20 25673854

Email: intadmissions@symbiosis.ac.in

Website: www.scie.ac.in

Important Dates:

Sr. No.	Particulars	Dates of 2025-2026

Orientation and Pedagogy :

The methodology is essentially learner-centered and research-oriented, strengthening students in reflective and critical thinking skills along with value-orientation. Predominantly, the seminar method is used in a convergent manner, along with the lecture method. These include the Class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project-Based Method, Computer Assisted Learning and Experiential Learning through internship.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts.

Dr. Chandrashekhar Jayvantrao Rawandale

Director

Director Profile:

Dr. Chandrashekhar Jayvantrao Rawandale's distinguished academic journey began with an LL.B degree from the University of Pune. He then specialized in International Law & Human Rights, earning an LL.M from the Department of Law at the University of Pune in 1997. His pursuit of excellence led him to Cardiff University in the UK, where he obtained a second LL.M in Commercial Law in 2003. Dr. Rawandale's academic rigor culminated in a Ph.D. from Symbiosis International University, Pune in 2010, with a dissertation titled 'Computer Programs: Copyright and Patent Paradigms – A Study.'

Dr. Rawandale's professional journey is marked by his diverse experiences and dedication to legal education. He began his career as a research associate at I.L.S. Law College, where he also taught Law of Torts for a year. He then joined Bharati Vidyapeeth's New Law College as a lecturer, serving there for two years before moving to Symbiosis Law School, Pune, in 2000. During his stay in Cardiff, Dr. Rawandale contributed to the Welsh Joint Education Board and Crossroad Solicitors. His expertise and passion for law have also led him to prestigious visiting fellowships at Cardiff Law School (December 2003), Leibniz University Hannover (October-December 2008), and Jagiellonian University, Krakow, Poland (January-February 2019).

Dr. Chandrashekhar Jayvantrao Rawandale has made significant contributions beyond academia through his involvement in various high-profile initiatives. He served as a member of the 'Project Review and Steering Group (PRSG)' constituted by the Department of Information Technology, Government of India. In this role, he oversaw the project "Cyber Crime related Capacity Development and ICT Training for the Judiciary in the States of Assam, Manipur, Meghalaya, Tripura, Nagaland, Arunachal Pradesh, Mizoram & Sikkim," managed by CDAC, Kolkata, under the Cyber Security Grant-in-Aid Programme. Additionally, Dr. Rawandale was a valued member of the Thomson Reuters Council for Legal Information and Innovation, where he contributed to the advancement of legal information and innovation.

Dr. Rawandale's research interests encompass Company Law, Intellectual Property Law, Information Technology & Telecommunications Law, and International Law. He is a prolific author, with notable publications including *New Company Law: An Insight* (co-authored with Mr. B. P. Bhargava, Corporate Law Advisor, 2013), *Corporate Social Responsibility* (co-authored, Thomson Reuters, Westlaw India, 2014), and *An Introduction to Environmental Law* (1998). Dr. Rawandale has also contributed numerous articles on Information Technology & Intellectual Property Laws and Environmental Laws. His expertise has been showcased through his participation in and leadership of various national and international conferences and seminars. In recognition of his outstanding contributions to legal education, Dr. Rawandale was honoured with the 'Law Professor of the Year' award by the Indian National Bar Association (INBA) on the occasion of the 67th Constitution Day on November 26, 2016.

Institute Profile:

Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just fourteen years of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society and International Law Students Association (ILSA) Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA (To know more visit <https://www.symbiolaw.edu.in/events>).

SLS-NOIDA organizes weekly lectures under the banner of 'Seminar Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career.

SLS-NOIDA's strive for 'International Understanding through Quality Education' is proven by conduct of in workshops /seminars /conference/ moot court with academic and professional partners of National and International repute, which includes: Seminar On The Golden Age Of Legal Education (January, 14, 2020) By Mr. Robert B. SLS-NOIDA strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, Case analysis/discussions and legal web bases. The learners at SLS-NOIDA are adept at courtroom etiquettes and advocacy skills through courtroom and related exercises such as Moot Court, Mock Trials, Drafting of Pleadings and Client Counseling. (To know more about the achievements, visit (<https://www.symlaw.edu.in/achievements-moot-courts>) Mooters have, as a result, won several accolades for the Law School:

Research is the culture on which tomorrow’s professionals at SLS-NOIDA thrive. Reports on varied research projects were published and released including - Research Report on ‘Contribution of Judicial Mechanism in Facilitating Access to Justice to Victim’ (initiated in January, 2016 with the objective to look into issue of ‘award of compensation to victim of an offence triable by court of sessions’) was released at the hands of Mr. Justice Dinesh Kumar Singh, Judge, High Court of Allahabad on March 10, 2018; Repeal of Laws in association with Centre for Civil Society along Gujarat National Law University, Gandhinagar; the National Academy of Legal Studies & Research, Hyderabad; National Law School of India University, Bangalore; and Jammu University (November 26, 2018) – The last phase of Repeal of Laws project submitted its findings on Laws respect to State of Assam, State of Meghalaya, State of Mizoram, State of Tripura, State of Gujarat, and State of Jammu & Kashmir. The report was released by Shri Hemant Batra, Founder and Chairman, Kaden Boriss Global, Shri Maneesh Chhibber, Executive Editor, DNA, Shri PK Malhotra, Former Law Secretary, Ministry of Law & Justice, Government of India, Shri Parth J Shah, Shri Satya Prakash, Legal Editor, The Tribune and Shri Tariq Ahmed, Former Union Minister; Repeal of Laws in association with Centre for Civil Society along National Law School India University, Bangalore, NALSAR

University of Law, Hyderabad, Maharashtra National Law University, Mumbai, and Hidaytullah National Law University, Raipur (November 26, 2017) - The project aimed to identify laws that could be repealed on account of three reasons—they are redundant having outlived their purpose, have been superseded/subsumed by more current laws, or pose a material impediment to growth, development, governance and freedom and submitted a report with respect to such laws in State of Uttar Pradesh, State of Karnataka, State of Andhra Pradesh, State of Telangana, State of Maharashtra, State of Chhattisgarh. The law firm of Kaden Boriss Partners has vetted these laws for the soundness of their case for repeal. The Completed Project Report were released on November 26, 2017 at the hands of Mr. Justice Ajit Shah, Former Chairman, Law Commission of India and Mr. KTS Tulsi, Senior Advocate, Supreme Court of India and Member, Rajya Sabha at Constitutional Club of India; Research Project 'Empirical Study on Implementation of Wildlife Protection Laws in India' on October 08, 2016 at the hands of Hon'ble Mr. Justice Shiva Kirti Singh, Judge, Supreme Court of India which includes analysis of Data collected from around two hundred District Courts during the period 1990-2010; from more than one hundred Forest Divisions, from the O/o Chief Conservator of Forests of various states, and from Wildlife Crime Control Bureau and further from 'appeals' that were filed before various High Courts in India. Programme Profile:

SLS-NOIDA offers a one-year Master of Law Programme in 'Corporate and Business Laws' and 'Criminal and Security Laws'. The highlight of this programme is its emphasis on an interdisciplinary, comparative and global approach in the study of law and research orientation. This is done by underlining the relevance of research methodology with utmost technical precision and scientific sophistication. The student has the option of a cafeteria approach in terms of specialization, cross specialization courses combining innovation, cutting edge legal acumen, clinical skills and theoretical insights.

Duration of the Programme:

- **Master of Laws** : **1 Year, Full Time Programme**

Intake:

- **Master of Laws** : **20 Students**

Eligibility:

Three Years or Five Years LL.B. degree from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

i. Candidates aspiring to join LL.M. offered by Symbiosis Law School, NOIDA, constituent of Symbiosis International (Deemed University) have to take the common, mandatory All India Admission Test (hereinafter referred as AIAT), which consists of Written Test* (70%) and Personal Interview** (30%).

* AIAT will include objective and subjective written test to assess the teaching aptitude, research aptitude, legal aptitude and basic legal knowledge. It shall include questions from the following areas: Research Methodology, Legal Reasoning, Legal Aptitude, Jurisprudence, Constitutional Law, Indian Penal Code, Public International Law, Human Rights, Indian Contract Act, Company Law, Family Law and Environmental Law.

** Personal Interview is intended to test the Personal Attributes, Fitment, Work Experience, Publications and Statement of Purpose.

Note: You are requested to bring a Statement of Purpose (SOP) not more than 250 words and two references (one page each) from the Head and Supervisor/Professor of your Institute/ College at the time of appearing for the AIAT.

ii. Candidates will appear for AIAT and PI as per applicable schedule, in a given case. Final Merit list shall be drawn on the basis of AIAT Score (70%) and Personal Interview (30%) performance.

Orientation and Pedagogy:

SLS-NOIDA has introduced a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida's efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

SLS-NOIDA also makes ample use of technology to entertain and benefit natural curiosities of its learners.

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/ Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Continuous Evaluation as well as Term End Examination involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

Dr. Sunil George

Director

Director Profile:

Dr. Sunil George is the Director at Symbiosis Law School, Hyderabad, a constituent of Symbiosis International (Deemed University), Pune. With a distinguished career spanning over 27 years in both academia and administration. Dr. George has made significant contributions to the legal and educational fields.

Before joining Symbiosis Law School, Hyderabad, Dr. George served as Dean of School of Law at MIT WPU, Pune. His leadership roles extend to being the Dean of the School of Law at Vijaybhoomi University in Karjat, Principal at IFIM Law School, Bangalore and Law School at Amity Law School, Kolkata, and was also associated with NMIMS School of Law.

Dr. George's corporate experience spans 14 years in administration and legal departments at notable organizations, including Aker Powergas Private Limited, Capita Offshore Services, TCG Software Services, Bharti Airtel, and Indiainfo.com. He later transitioned to academia, dedicating the last 13 years to shaping future legal professionals. His expertise encompasses Business Law, Company Law, Contract Law, Corporate Finance, Mergers & Acquisitions, Property Law, Criminal Law, and Constitutional Law.

Dr. George has presented papers in National & International Conferences & Seminars and has published papers in various journals of National & International repute.

Beyond academics, Dr. George is passionate about environmental conservation, actively engaging in efforts to protect rivers, water bodies, mangroves, and natural habitats, particularly in the Charkop area of Mumbai.

Dr. Sunil George's extensive background in both the corporate world and academia, combined with his research and leadership roles, makes him a prominent figure in legal education in India.

Institute Profile:

Symbiosis Law School (SLS), Hyderabad was established in 2014 as a constituent of Symbiosis International (Deemed University), Pune, inheriting splendid novelty, dynamism and excellence in education. It is founded on pillars of Expertise, Justice, and Service and is committed to imparting quality legal education confirming acclaimed international standards. SLS, Hyderabad is cocooned in the upcoming educational zone with state of art infrastructure catering impending needs of the student community. It is located in Modallaguda Village, Nandigama Mandal, Ranga Reddy District in the state of Telangana, near Hyderabad; 45 minutes away from the international airport.

SLS-Hyderabad shares expertise in imparting quality legal education through competent and well-qualified teaching staff, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, etc. It is committed to contributing to the justice mission of the state by initiating

pro-bono activities to help poor and marginalized people. Further, it endeavours to create value-conscious skilled lawyers with par excellence serving the dynamic needs of the community through Bar and Bench.

SLS Hyderabad strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, case analysis/discussions, and legal web bases. The learners at SLS-Hyderabad are adept at courtroom etiquette and advocacy skills through the courtroom and related exercises such as Moot Court, Mock Trials, Alternative Dispute Resolution, Drafting, Pleadings, and Client Counseling. We have on board luminaries of the highest merit to share the expertise and responsibility of grooming our learners into dynamic lawyers of tomorrow. SLSH is always in the process of grooming student leadership which is nurtured by the faculty mentorship.

We at SLS Hyderabad lay strong emphasis on research and publications through various law journals, in-house student magazines, and research projects where students contribute to fostering their professional growth. The social agenda of the institute includes the Legal Aid Centre and Digital Aid Centre to promote digital and legal awareness around campus. SLS Hyderabad believes in orienting students' intellect towards the attainment of their goals by creating an assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, SLS Hyderabad organizes weekly lectures delivered by multi-disciplinary academicians, legal luminaries, corporate heads, and experts at the bar and bench. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their careers. Theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS Hyderabad.

Programme Profile:

- **Master of Law (LL.M.)**

The offered Post Graduate programme in Master of Law (LL.M.) with specialization (a) Business and Corporate Law (b) Criminal and Security Law, our curriculum has been designed to cater to the needs of the students with exhaustive domain knowledge and also to equip them with life skills that would enable them to take up challenges in their professional and personal life. As a Constituent of the prestigious Symbiosis International (Deemed University), Pune, we provide students with a congenial learning environment that would help them to be abreast with the contemporary challenges in the legal field and give them a head start in their chosen field of work.

Duration of the Programme:

- **Master of Law (LL.M.)** : **1 Year, Full Time, Residential programme**

Intake:

- **Master of Law (LL.M.)** : **20 Students**

Eligibility :

Three- or Five-years LL.B. Degree from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Step 1: Apply Online for SLS Hyderabad, please visit – www.sls.edu.in

Step 2: All India Admission Test (AIAT) Admission to LL.M (One Year) is offered through Symbiosis All India Admission Test (AIAT), which consists of Online Written Test (AIAT) and Personal Interaction (PI).

Online Written Test (AIAT): This comprises of objective and subjective written tests with a weightage of 70% to assess the teaching aptitude, research aptitude, legal aptitude and basic legal knowledge. Dr. Sukhvinder Singh Dari

Director

Director Profile:

Professor Dr. Sukhvinder Badan Singh Dari holds a Ph.D. in Corporate Laws from Symbiosis International (Deemed University), Pune. He is an alumnus of Symbiosis and has done his LL. M (Business Law) from Symbiosis Law School, Pune. He had pursued his BA. LL. B from the Nagpur University and also holds a Diploma in Human Resource Management & Labour Laws, and Diploma in Corporate Mergers and Acquisition. Dr. Dari has been with Symbiosis Law School, since 2007. Prior to joining the Symbiosis Law School, Nagpur in 2019 as a Director, he was with Symbiosis Law School, Hyderabad as a Deputy Director (since inception 2014-19), worked with SLS NOIDA (since inception 2010-14) and Pune (2007-10). He is a recipient of the Award for “Academic Excellence” for his contribution to the legal fraternity at Legal Desire Summit & Awards, 2018. He has also been awarded a Certificate of Excellence for International Paris Summit Climate Change Program (Centre for United Nation 2016). He has been a resource person at the Andhra Pradesh Human Resource Development Institute, Telangana Police Academy, UGC HRD (University of Hyderabad) and other distinguished forums. He is also a member of several academic and non-academic bodies of SIU. He teaches Corporate and Commercial Laws, Forensic Science, Constitutional Law, Contract Law, Jurisprudence and Labour Laws besides guiding Ph.D. Scholars, Research for undergraduate and postgraduate students. He has chaired and attended a plethora of National and International Conferences, with his major research interest in company law and corporate governance. He has National and International publications widely in the area of Company law in the leading journals and books. He has many articles/research papers, co-authored books and five edited books to his credit.

Institute Profile:

Nurtured by the visionary ideas of Dr. S.B. Mujumdar, Chancellor Symbiosis International (Deemed University) on the principles of vedic thought ‘Vasudhaiva Kutumbakam’ which means ‘World is One Family’, Symbiosis Law School (SLS) Nagpur is established to inherit the splendid novelty, dynamism and excellence in education. Being a constituent of Symbiosis International (Deemed University), Pune, Symbiosis Law School, NAGPUR is strategically located in the potential education hub of Maharashtra thereby offering multitude of opportunities for the budding lawyers. Harping on the rich legacy of both Bar and Bench, SLS Nagpur promises to be one of the finest destinations for imparting legal education in central India. Nagpur, popularly known as the Orange City of India is located at the exact centre of the Indian peninsula and is been identified as the best city in India topping in liveability, greenery, public transport, and health care indices. SLS Nagpur at Wathoda is located approximately 10 Kms from the Railway Station, 15 Kms from the Dr.Babasaheb Ambedkar International Airport and 12 Kms from the Bombay High Court, Nagpur Bench, Nagpur. It]is also well connected with the other prominent parts

of the city including the market area. Symbiosis Law School, Nagpur providing a platform for students to learn and grow has several cells and centres for facilitating students with diverse interests. These provide multitude opportunities in directly interacting and learning with experts from the field, bar and bench, thereby developing vision, expertise and leadership in students. There is a special focus on the internationalisation with students receiving exposure with frequent lectures and interactive sessions from academicians, legal professionals and experts from abroad. Collaborations and MoUs with Governmental organisations, non-governmental organisations and other academic institutes across the globe have strengthened the quality of teaching-learning process and exposure students receive during their course. SLS Nagpur has the “State of Art Infrastructure” with remarkable facilities for its students. The pollution free premises of SLS Nagpur have abundant open space and an impressive array of academic, sports and cultural facilities.

Lecture Halls:

SLS Nagpur has 20 ICT enabled spacious air-conditioned smart classrooms, fitted with learning aides such as Senses board, Projectors, Public Address System, Collar Mikes and Wi-Fi facility. The acoustic, well ventilated and air-cooled lecture halls provide a perfect learning environment for the students. Assembly Hall SLS Nagpur has a well-furnished, techno acoustic, and air-conditioned Assembly Hall with capacity of 200 students. Equipped with ICT tools, it is aptly suited for conducting interactive sessions, seminars, workshops and guest lectures by legal stalwarts.

Conference Hall:

SLS Nagpur has a well-furnished, air conditioned and ICT enabled conference hall that can accommodate around 40 people and is aptly suited for conducting interactive sessions, workshops, seminars and presentations.

Moot Court Hall:

Participating in a moot court competition develops skills that are crucial for growing into a successful lawyer. Mooting as an activity aims to inculcate and improve the research, presentation and argument talent into students so as to equip the budding pleaders with all the courtroom etiquettes, research experience and advocacy skills. SLS Nagpur, moot court hall provides capacity of 250 students equipped with proper judicial settings, wherein the presentation skills and talents in argument of students are screened and further students are notified about the areas of improvement on routine basis. Apart from this, the Moot Court Association (MCA) organizes and hosts Intra Moot Courts and National-level Moot Court competitions.

Library:

Recognizing that a law library in true sense is the treasure house for a law student, it is an indispensable component of the SLS Nagpur. To support the dynamic curriculum of Symbiosis Law Programme SLS Nagpur has a well-equipped library with the best and the most updated electronic resources and technologies. The Library exhibits a perfect blend of traditional print resources and online legal databases. The Print resource collection includes text books, reference books, bare acts, bound volumes of law journals & law reports, periodicals and magazines. The technology-based learning resource includes various Legal databases viz. Westlaw India, LexisNexis, Hein Online, Manupatra, SCC Online etc. along with a myriad of e-journals. Additionally, to foster a research acumen in students, access to digital libraries like JSTOR, NDL etc. and research tools like Turnitin, Grammarly are provided. Additionally, the Research and Publication Cell and Specialised Centres facilitate students to hone their research

skills and provide sustainable solutions to issues in the industry and society. It houses a separate section for book lending and book bank facility. The library has an earmarked peaceful reading hall and a separate e-library with a research section for mooters, discussion tables along with separate consultation rooms.

ICT Resource Centre:

SLS NAGPUR has a distinct, 120 capacity ICT Resource Centre (Computer Lab) for providing e-learning initiative amongst learners and hands on training to access and use various online legal databases. The centre provides a perfect platform for conducting online exams, e-research assignments, video lectures etc.

Hostel:

SLS NAGPUR provides separate air-conditioned hostels for Boys and Girls. It includes all basic amenities to provide a conducive learning environment and comfortable living. Every Hostel building encompasses basic facilities to cater the daily requirement of students.

Canteen and Mess:

SLS, NAGPUR campus has a distinct canteen to cater to the requirements of students. It offers multi cuisine dishes at a concessional rate. The canteen is equipped with modern amenities to ensure hygiene and balanced and nutritional diet of the students.

Health Services and Health Insurance:

The Health Centre provides all emergency health services and covers all students under a unique and novel medical insurance scheme with a free and compulsory annual health check-up. A well-equipped and modern gymnasium with a yoga hall is within the campus. Sports facilities on campus includes Indoor facilities and courts for Badminton, Basketball, Futsal courts, Table tennis are available. In-house Competitions, Inter-college competitions and National Sports competitions are organised for students' holistic development.

Auditorium:

The auditorium with a seating capacity of 950 guests, is a State-of-art centrally air-conditioned auditorium equipped with all the modern facilities required for E-learning through latest technology to enable this student to keep them abreast of the latest globally emerging trends.

Programme Profile:

Orientation and Pedagogy:

At SLS Nagpur, teaching methodology is essentially learner centric and research - oriented, strengthening students in reflective and critical thinking skills along with value - orientation. Modern teaching methods are used in a convergent manner along with the lecture method. These include the class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project- based method, and computer assisted learning and experiential learning. The curriculum and pedagogy are designed around the latest Quality Initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts. There is a strong focus on Research oriented learning in the Post Graduate Programme with the aspirations of developing higher order thinking skills. These pedagogical tools and the evaluation focusses on development and enhancement of skills in reviewing the state of research, methodological skills, skills in reflecting on research findings, communication skills, and content knowledge.

Dr. Seema Singh

Director

Director Profile:

The Director, Prof. (Dr.) Seema Singh has more than 31 years of rich experience and has worked in the corporate before joining Symbiosis in 2001. She holds a Ph.D. degree in the Faculty of Management, and is also a double post graduate from Pune University. She has completed her M.Sc. (Electronics Science) and her MBA (Systems & OR) from Pune University. She has completed her graduation degree in Physics and was the topper of her batch at Fergusson College, Pune. She joined SIBM, Pune in 2001 and has been instrumental in handling all the Corporate Education Batches during her ten-year stint with SIBM, Pune. She then moved on to become the Director of Symbiosis Centre for Corporate Education, Pune in 2010 under the Symbiosis International (Deemed University) and is working in the capacity of Director, SCCE, Pune for more than a decade.

She has extensive knowledge of business and has been involved in developing strategic learning interventions for the corporate clients for more than two decades. She is in charge of the corporate students across many sectors pursuing their Higher Education Program through SCCE, Pune which is the arm of the Symbiosis International (Deemed University) for Corporate – Academia tie-ups. As the Director, SCCE, Pune, she has been taking care of all the Higher Education Programs delivered as Work Integrated Learning Programs (WILPs) to corporate clients such as Atlas Copco (India) Ltd., Allscripts Healthcare Solutions, Amdocs Development Centre India LLP, Avaya India Private Limited, Bank of America Continuum Solutions Ltd., BMC Software India Pvt. Ltd., CEAT Ltd., CitiusTech Healthcare Technology Private Ltd., Deutsche Bank, eClerx Services Ltd, Godrej Group of Companies, Mahindra & Mahindra Ltd., McDonalds India, Mphasis Ltd., Prolifics, Tata Autocomp Systems Ltd., Tata Motors Ltd., Wipro Ltd, WNS Global Services to name a few.

She has a unique connect with the alumni of these corporate programs and is like a mentor to them. She is a strong believer of compassion and humanitarian work and under her guidance SCCE, Pune is conscious of the importance of social projects. She is an acknowledged Teacher as well as a true professional and expert in the Learning and Development space which helps the corporate to enhance their employee engagement through these Work Integrated Learning Programs (WILPs).
